**Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

(a) On April 12, 2021, the staff (the “Staff”) of the Securities and Exchange Commission (the “SEC”) issued a statement entitled “Staff Statement on Accounting and Reporting Considerations for Warrants Issued by Special Purpose Acquisition Companies (“SPACs”).” In the statement, the Staff, among other things, highlighted potential accounting implications of certain terms that are common in warrants issued in connection with the initial public offerings of special purpose acquisition companies such as Osprey Technology Acquisition Corp. (“Osprey” or the “Company”).

The warrant agreement governing the warrants includes a provision that provides for potential changes to the settlement amounts dependent on the characteristics of the holder of the warrant. Upon review of the statement by the Staff, the Company’s management further evaluated the warrants under Accounting Standards Codification (“ASC”) Subtopic 815-40, Contracts in Entity’s Own Equity. ASC Section 815-40-15 addresses equity versus liability treatment and classification of equity-linked financial instruments, including warrants, and states that a warrant may be classified as a component of equity only if, among other things, the warrant is indexed to the issuer’s common stock. Under ASC Section 815-40-15, a warrant is not indexed to the issuer’s common stock if the terms of the warrant require an adjustment to the exercise price upon a specified event and that event is not an input to the fair value of the warrant. Based on management’s evaluation, the Company’s audit committee (the “Audit Committee”), in consultation with management, concluded that the Company’s warrants are not indexed to the Company’s ordinary shares in the manner contemplated by ASC Section 815-40-15 because the characteristics of the holder of the instrument is not an input into the pricing of a fixed-for-fixed option on equity shares.

On May 4, 2021, the Audit Committee, based on the recommendation of, and after consultation with, management, concluded that the Company’s previously issued audited financial statements for the years ended December 31, 2020 and 2019, and its previously issued unaudited interim financial statements for the periods ended September 30, 2020 and 2019, June 30, 2020, and March 31, 2020 (collectively, the “Non-Reliance Periods”), should no longer be relied upon based on the reclassification of warrants as described above. Similarly, the related press releases, Report of Independent Registered Public Accounting Firm on the financial statements as of December 31, 2020 and December 31, 2019 and for the period from June 15, 2018 (date of inception) through December 31, 2018, and the stockholder communications, investor presentations or other communications describing the relevant portions of the Company’s financial statements for these periods that need to be restated should no longer be relied upon.

As a result, the Company today is announcing that it will restate its historical financial results for the Non-Reliance Periods, in each case to reflect the change in accounting treatment (the “Restatement”). The Company expects to file its Form 10-K/A for the year ended December 31, 2020 to reflect the Restatement shortly after the filing of this Form 8-K.

The Company’s prior accounting for the warrants as components of equity instead of as derivative liabilities did not have any effect on the Company’s previously reported operating expenses, cash flows or cash.

In connection with the Restatement, the Company’s management reassessed the effectiveness of its disclosure controls and procedures for the periods affected by the restatement. As a result of that reassessment, the Company’s management determined that its disclosure controls and procedures for such periods were not effective with respect to the classification of the Company’s warrants as components of equity instead of as derivative liabilities.

The Audit Committee and management have discussed the matters disclosed in this Item 4.02(a) with the Company's independent registered public accounting firm.
