6.04 Termination of Certain Agreements. During the Interim Period, the Company shall take all actions necessary to terminate the Contracts listed on Schedule 6.04 without any further force and effect from and after the Closing and in a manner such that neither the Company nor any of its Subsidiaries incurs any material cost or other material liability or is subject to any further material obligation thereunder following the Closing. The Company shall deliver to Acquiror evidence that all such Contracts listed on Schedule 6.04 have been terminated.

The Company further acknowledges and agrees that Acquiror’s sole assets consist of the cash proceeds of Acquiror’s initial public offering and private placements of its securities, and that substantially all of these proceeds have been deposited in the Trust Account for the benefit of its public stockholders. The Company further acknowledges that, if the Transactions are not consummated by November 5, 2021, or, in the event of termination of this Agreement, another Business Combination is not consummated by November 5, 2021, or such later date as approved by the stockholders of Acquiror to complete a Business Combination, Acquiror will be obligated to return to its stockholders the amounts being held in the Trust Account. Accordingly, the Company (on behalf of itself and its Affiliates) hereby waives any past, present or future claim of any kind against the Trust Account, and any right to collect from the Trust Account (to the extent such amounts are subject to the redemption rights of the Company’s public stockholders), with respect to any monies that may be owed to them by Acquiror or any of its Affiliates for any reason whatsoever, and will not seek recourse against the Trust Account at any time for any reason whatsoever, including for any Willful Breach of this Agreement.

(b) Without limiting Section 6.06(a), the Company shall have the right to pursue a claim against (i) Acquiror or any of its Affiliates under, and on the terms and subject to the conditions in, this Agreement or under, and on the terms and subject to the conditions in, any Ancillary Agreement to which it and Acquiror or any of its Affiliates is a party or (ii) any other party to an Ancillary Agreement to which it is a party under, and on the terms and subject to the conditions in, such Ancillary Agreement, in the case of either clause (i) or (ii), for legal relief against monies or other assets held outside the Trust Account or for specific performance (including a claim for Acquiror or its Affiliates to specifically perform its obligations under this Agreement pursuant to Section 11.15).

(c) If the terms of the Confidentiality Agreement or any Ancillary Agreement conflicts with the terms of this Section 6.06, the terms of this Section 6.06 shall govern and control to the extent of such conflict. This Section 6.06 shall survive the termination of this Agreement for any reason.

Without limiting the generality of the foregoing, the Company shall reasonably cooperate with Acquiror in connection with Acquiror's preparation for inclusion in the Registration Statement of pro forma financial statements that comply with the requirements of Regulation S-X under the rules and regulations of the SEC (as interpreted by the staff of the SEC) to the extent such pro forma financial statements are required by Form S-4. In furtherance of the foregoing, the Company shall use commercially reasonable efforts to promptly furnish all information concerning the Company, its Subsidiaries and any of its and their respective members, stockholders, officers, directors or managers or any other information regarding such other matters as may be reasonably necessary or advisable or as may be reasonably requested in connection with the preparation of the Registration Statement or any other statement, filing, notice or application made by or on behalf of Acquiror to any regulatory authority in connection with the Transactions.

(b) From and after the date on which the Registration Statement becomes effective under the Securities Act, the Company will give Acquiror prompt written notice of any action taken or not taken by the Company or its Subsidiaries or of any development regarding the Company or its Subsidiaries, in any such case which is known by the Company, that would cause the Registration Statement to contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, that, if any such action shall be taken or shall have failed to have been taken or such development shall otherwise occur, Acquiror and the Company shall cooperate fully to cause an amendment or supplement to be made promptly to the Registration Statement, such that the Registration Statement no longer contains an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, further, however, that no information received by Acquiror pursuant to this Section 6.07 shall operate as a waiver or otherwise affect any representation, warranty or agreement given or made by the party who disclosed such information, and no such information shall be deemed to change, supplement or amend the Schedules.

(iv) prior to obtaining the Company Requisite Approval, making a Company Change in Recommendation (only to the extent permitted by Section 6.08(c)); or

(v) resolving, authorizing, committing or agreeing to take any of the foregoing actions, only to the extent such actions would be permitted by the foregoing clauses (i) through (iv).

(c) Notwithstanding anything in this [Section 6.08](#) to the contrary, if, at any time prior to obtaining the Company Requisite Approval, the Company Board determines in good faith, after consultation with its financial advisor(s) and outside legal counsel, in response to a *bona fide* written Acquisition Proposal that did not result from a material breach of this [Section 6.08](#), that (i) such proposal constitutes a Superior Proposal and (ii) the failure to take the actions specified in this [Section 6.08\(c\)](#) would constitute a breach of its fiduciary duties under applicable Law, the Company or the Company Board may, prior to obtaining the Company Requisite Approval, make a Company Change in Recommendation; provided further that the Company will not be entitled to make a Company Change in Recommendation unless (x) the Company delivers to Acquiror a written notice (a “[Company Notice](#)”) advising Acquiror that the Company Board proposes to take such action and containing the material terms and conditions of the Superior Proposal that is the basis of the proposed action of the Company Board (it being acknowledged that such Company Notice shall not itself constitute a Company Change in Recommendation), and (y) at or after 5:00 p.m., New York City time, on the fifth (5th) Business Day immediately following the day on which the Company delivered the Company Notice (such period from the time the Company Notice is provided until 5:00 p.m. New York City time on the fifth (5th) Business Day immediately following the day on which the Company delivered the Company Notice (it being understood that any material revision, amendment, update or supplement to the terms and conditions of such Superior Proposal shall be deemed to constitute a new Superior Proposal and shall require a new notice but with an additional three (3) Business Day (instead of five (5) Business Day) period from the date of such notice), the “[Notice Period](#)”), the Company Board reaffirms in good faith (1) after consultation with its outside legal counsel and financial advisor(s) that such Acquisition Proposal continues to constitute a Superior Proposal if the adjustments to the terms and conditions of this Agreement proposed by Acquiror (if any) were to be given effect and (2) after consultation with its outside legal counsel, that the failure to make a Company Change in Recommendation would constitute a breach of its fiduciary duties under applicable Law. If requested by Acquiror, the Company will, and will cause its subsidiaries to, and will use its reasonable best efforts to cause its or their Representatives to, during the Notice Period, engage in good faith negotiations with Acquiror and its Representatives to make such adjustments in the terms and conditions of this Agreement so that such Acquisition Proposal would cease to constitute a Superior Proposal.

(d) For purposes of this Agreement, the following terms shall have the meanings assigned below:

(i) “[Acquisition Proposal](#)” means any proposal or offer from any Person or “group” (as defined in the Exchange Act) (other than Acquiror, Merger Sub or their respective Affiliates and other than pursuant to the Permitted Issuances) relating to, in a single transaction or series of related transactions, (A) any direct or indirect acquisition or purchase of a business that constitutes 20% or more of the net revenues, net income or assets of the Company and its subsidiaries, taken as a whole, (B) any direct or indirect acquisition of 20% or more of the consolidated assets of the Company and its subsidiaries, taken as a whole (based on the fair market value thereof, as determined in good faith by the Company Board), including through the acquisition of one or more subsidiaries of the Company owning such assets, (C) acquisition of beneficial ownership, or the right to acquire beneficial ownership, of 20% or more of the total voting power of the equity securities of the Company, any tender offer or exchange offer that if consummated would result in any Person beneficially owning 20% or more of the total voting power of the equity securities of the Company, or any merger, reorganization, consolidation, share exchange, business combination, recapitalization, liquidation, dissolution or similar transaction involving the Company (or any subsidiary of the Company whose business constitutes 20% or more of the net revenues, net income or assets of the Company and its subsidiaries, taken as a whole) or (D) any issuance or sale or other disposition (including by way of merger, reorganization, division, consolidation, share exchange, business combination, recapitalization or other similar transaction) of 20% or more of the total voting power of the equity securities of the Company.

(ii) “[Acceptable Confidentiality Agreement](#)” means a confidentiality agreement that contains confidentiality and standstill provisions on terms no less favorable in any substantive respect to the Company than those contained in the Confidentiality Agreement (except for such changes specifically necessary in order for the Company to be able to comply with its obligations under this Agreement and such non-material changes

requested by the counterparty to ensure the confidentiality agreement is consistent with its organization's customary policies, procedures and practices with respect to confidentiality agreements).

(iii) "Superior Proposal" means a bona fide and written Acquisition Proposal made after the date hereof, that (A) did not result from a material breach of this Section 6.08, (B) is reasonably likely to be consummated in accordance with its terms, (C) would, if consummated, result in a transaction that is more favorable from a financial point of view to the stockholders of the Company (solely in their capacity as such) than the transactions contemplated hereby after taking into account all relevant factors, including legal, financial (including the financing terms of any such proposal), regulatory, timing or other aspects of such proposal and this Agreement and the transactions contemplated hereby (including any offer by Acquiror to amend the terms of this Agreement, termination or break-up fee and conditions to consummation), (D) provides for 100% cash consideration (and no non-cash consideration) to be paid to Company Stockholders in such transaction with respect to their issued and outstanding shares of Company Stock with such cash consideration being either (x) funded from the cash on hand of the third party (or the Affiliates of the third party) making such Acquisition Proposal or (y) funded at the closing of the transaction contemplated by such Acquisition Proposal pursuant to financing commitment letters in place at the time of execution of the definitive transaction agreement in connection with such Acquisition Proposal; provided that, notwithstanding anything in this Agreement to the contrary, no Acquisition Proposal can be a Superior Proposal if such Acquisition Proposal is made by a third party that is (1) a Company Equityholder, (2) an Affiliate of the Company or of any Company Equityholder or (3) a special purpose acquisition company (other than Acquiror); provided, further, that for purposes of the definition of "Superior Proposal," the term "Acquisition Proposal" shall have the meaning assigned to such term herein, except that the references to "20% or more" in such definition shall be deemed to be references to "100%".

(e) Promptly following the effectiveness of the Registration Statement pursuant to the Securities Act (and in any event within five (5) Business Days of the time that the Registration Statement becomes effective), the Company shall seek the irrevocable written consent, substantially in the form attached hereto as Exhibit F, of holders of the Company Requisite Approval in favor of the approval and adoption of this Agreement and the Transactions (the "Written Consent") and upon receipt shall promptly deliver a copy of the Written Consent to Acquiror.

(f) The Company shall use reasonable best efforts to, as promptly as practicable, (i) establish the record date for determining the Company Stockholders entitled to provide such Written Consent (which record date shall be subject to the prior written agreement by Acquiror, not to be unreasonably withheld, conditioned or delayed), and (ii) following the effectiveness of the Registration Statement, cause the Consent Solicitation Statement to be disseminated to the Company Stockholders in compliance with applicable Law and (iii) solicit the Written Consent from the Company Stockholders. The Company shall, through the Company Board, recommend to the Company Stockholders that they adopt this Agreement (the "Company Board Recommendation") and shall include the Company Board Recommendation in the Consent Solicitation Statement. The Company Board shall not (and no committee or subgroup thereof shall) (A) change, withdraw, withhold, qualify or modify, or publicly propose to change, withdraw, withhold, qualify or modify, the Company Board Recommendation or (B) approve, recommend or declare advisable, or propose publicly to approve, recommend or declare advisable, any Acquisition Proposal (any action described in clause (A) or (B), a "Company Change in Recommendation") except in accordance with Sections 6.08(b) and 6.08(c). If the Company Requisite Approval is obtained, then promptly following the receipt of the Written Consent, the Company shall prepare and deliver to the Company Stockholders who have not consented the notice required by Section 228(e) of the DGCL. Unless this Agreement has been terminated in accordance with its terms, the Company's obligation to solicit written consents from the Company Stockholders to give the Company Requisite Approval in accordance with Section 6.08(b) and this Section 6.08(f) shall not be limited or otherwise affected by any proposal or offer that constitutes, or could reasonably be expected to result in or lead to, any Acquisition Proposal.

6.09 No Change of Control. Without limiting the terms of this Agreement, nothing contained in this Agreement shall give any Party, directly or indirectly, the right to control, supervise or direct, or attempt to control, supervise or direct, the operations of any other Party prior to the Closing Date, including any facility that is subject to a Governmental Authority.

ARTICLE VII COVENANTS OF ACQUIROR

7.01 HSR Act, Communications Act, and Regulatory Approvals

(a) In connection with the Transactions, Acquiror shall (and, to the extent required, shall cause its controlled Affiliates and any other Affiliate that is an ultimate parent entity of Acquiror (as determined pursuant to the HSR Act) to) (i) comply promptly but in no event later than 10 Business Days after the date hereof with the notification and reporting requirements of the HSR Act, and (ii) as promptly as practicable make or cause its Affiliates to make any filing or notice required under the Communications Act or Land Remote Sensing Policy Act applicable to the Transactions. Acquiror shall furnish to the Company as promptly as reasonably practicable all information required for any application or other filing to be made by the Company pursuant to any Antitrust Law, the Communications Act or Land Remote Sensing Policy Act. Acquiror shall substantially comply with any Information or Document Requests.

(b) Acquiror shall (and, to the extent required, shall cause its controlled Affiliates and any other Affiliate that is an ultimate parent entity of Acquiror (as determined pursuant to the HSR Act) to) request early termination of any waiting period under the HSR Act and exercise its reasonable best efforts to (i) obtain termination or expiration of the waiting period under the HSR Act and consents or approvals pursuant to any other applicable Antitrust Laws or the Communications Act, (ii) prevent the entry in any Action brought by a Regulatory Consent Authority or any other Person of any Governmental Order which would prohibit, make unlawful or delay the consummation of the Transactions and (iii) if any such Governmental Order is issued in any such Action, cause such Governmental Order to be lifted.

(c) Acquiror shall cooperate in good faith with the Regulatory Consent Authorities and exercise its reasonable best efforts to undertake promptly any and all action required to complete lawfully the Transactions as soon as practicable (but in any event prior to the Termination Date) and any and all action necessary or advisable to avoid, prevent, eliminate or remove any impediment under Antitrust Law, the Communications Act or Land Remote Sensing Policy Act or the actual or threatened commencement of any proceeding in any forum by or on behalf of any Regulatory Consent Authority or the issuance of any Governmental Order that would delay, enjoin, prevent, restrain or otherwise prohibit the consummation of the Merger.

(d) Notwithstanding anything in this Agreement to the contrary nothing in this Section 7.01 shall require or obligate the Acquiror to, and Acquiror and Merger Sub shall not without the prior written consent of the Company, agree or otherwise be required to, take any actions with respect to the Company, the Acquiror, or any of their Affiliates, to sell, divest, or otherwise dispose of, license, hold separate or take or commit to take any action that (i) individually or in the aggregate, would reasonably be expected to have a material adverse impact on the business, assets, Contracts or properties of Acquiror and the Company, taken as a whole or (ii) limits in any respect its freedom of action with respect to, or its ability to retain, any business, products, rights, services, licenses, assets or properties of the Company, Acquiror or any of their Affiliates, or any interest therein.

(e) Acquiror shall promptly notify the Company of any substantive communication with, and furnish to the Company copies of any notices or written communications received by, Acquiror or any of its Affiliates and any third party or Governmental Authority with respect to the Transactions, and Acquiror shall permit counsel to the Company an opportunity to review in advance, and Acquiror shall consider in good faith the views of such counsel in connection with, any proposed substantive communications by Acquiror and/or its Affiliates to any

Governmental Authority concerning the Transactions; provided, however, that Acquiror shall not extend any waiting period or comparable period under the HSR Act or enter into any agreement with any Governmental Authority without the written consent of the Company. Acquiror agrees to provide the Company and its counsel the opportunity, on reasonable advance notice, to participate in any substantive meetings or discussions, either in person or by telephone, between Acquiror and/or any of its Affiliates, agents or advisors, on the one hand, and any Governmental Authority, on the other hand, concerning or in connection with the Transactions. Any materials exchanged in connection with this Section 7.01 may be redacted or withheld as necessary to address reasonable privilege or confidentiality concerns of legal counsel of Acquiror, and to remove references concerning the valuation of the Company or other competitively sensitive material; provided, however, that Acquiror may, as it deems advisable and necessary, designate any materials provided to the Company under this Section 7.01 as “outside counsel only.”

(f) Acquiror shall pay 50% of all filing fees payable to the Regulatory Consent Authorities in connection with the Transactions.

(g) Acquiror shall not, and shall cause its Subsidiaries not to, acquire or agree to acquire, by merging with or into or consolidating with, or by purchasing a portion of the assets of or equity in, or by any other manner, any business or any corporation, partnership, association or other business organization or division thereof, or otherwise acquire or agree to acquire any assets, or take any other action, if the entering into of a definitive agreement relating to, or the consummation of such acquisition, merger or consolidation, or the taking of any other action, would reasonably be expected to (i) impose any delay in the obtaining of, or increase the risk of not obtaining, any authorizations, consents, orders or declarations of any Regulatory Consent Authorities or the expiration or termination of any applicable waiting period; (ii) increase the risk of any Governmental Authority entering an order prohibiting the consummation of the Transactions; (iii) increase the risk of not being able to remove any such order on appeal or otherwise; or (iv) delay or prevent the consummation of the Transactions.

(h) Notwithstanding anything in this Agreement to the contrary but without limiting the obligations of Acquiror and Merger Sub herein, including Acquiror’s obligations to cause its Affiliates to make any filings or take the other actions specifically contemplated to be taken by Acquiror pursuant to this Section 7.01, the restrictions and obligations set forth in this Section 7.01 shall not apply to or be binding upon Acquiror’s Affiliates, the Sponsor, any Subscriber, their respective Affiliates or any investment funds or investment vehicles affiliated with, or managed or advised by, Acquiror’s Affiliates, the Sponsor, any Subscriber or any portfolio company (as such term is commonly understood in the private equity industry) or investment of Acquiror’s Affiliates, the Sponsor, any Subscriber or of any such investment fund or investment vehicle.

7.02 Indemnification and Insurance.

(a) From and after the Effective Time, Acquiror shall cause the Surviving Company and the Surviving Company’s Subsidiaries to indemnify and hold harmless each present and former director, officer or employee of the Company and each of its Subsidiaries against any costs or expenses (including reasonable attorneys’ fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any Action, whether civil, criminal, administrative or investigative, arising out of or pertaining to matters existing or occurring at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, to the fullest extent that the Company or its Subsidiaries, as the case may be, would have been permitted under applicable Law, its certificate of incorporation, bylaws, other organizational documents and any indemnifications agreement in effect on the date of this Agreement to indemnify such Person (including the advancing of expenses as incurred to the fullest extent permitted under applicable Law). Without limiting the foregoing, Acquiror shall, and shall cause the Surviving Company and its Subsidiaries to, (i) maintain for a period of not less than six years from the Effective Time provisions in its certificate of incorporation (if applicable), bylaws and other organizational documents concerning the indemnification and exoneration (including provisions relating to expense advancement) of officers, directors and employees of the Company and its Subsidiaries that are no less favorable

to those Persons than the provisions of such certificates of incorporation (if applicable), bylaws and other organizational documents as of the date of this Agreement and (ii) not amend, repeal or otherwise modify such provisions in any respect that would adversely affect the rights of those Persons thereunder, in each case, except as required by Law. Acquiror shall assume, and be liable for, and shall cause the Surviving Company and their respective Subsidiaries to honor, each of the covenants in this Section 7.02.

(b) D&O Tail.

(i) Prior to the Effective Time, Acquiror, upon consultation with the Company, shall purchase a “tail” or “runoff” directors’ and officers’ liability insurance policy (the “Acquiror D&O Tail”) in respect of acts or omissions occurring prior to the Effective Time covering each such Person that is a director, officer or employee of Acquiror currently covered by a directors’ and officers’ liability insurance policy of Acquiror on terms with respect to coverage, deductibles and amounts no less favorable than those of such policy in effect on the Effective Time for the six-year period following the Closing.

(ii) Prior to the Effective Time, the Company, upon consultation with the Acquiror, shall purchase a “tail” or “runoff” directors’ and officers’ liability insurance policy (the “Company D&O Tail” and together with the Acquiror D&O Tail, the “D&O Tail”) in respect of acts or omissions occurring prior to the Effective Time covering each such Person that is a director, officer or employee of the Company or any of its Subsidiaries currently covered by a directors’ and officers’ liability insurance policy of the Company or any of its Subsidiaries on terms with respect to coverage, deductibles and amounts no less favorable than those of such policy in effect on the Effective Time for the six-year period following the Closing.

(c) Acquiror will, and will cause its Subsidiaries (including the Surviving Company) to, maintain the D&O Tail in full force and effect for its full term and honor all obligations thereunder, with a claims reporting or discovery period of at least six years from the Effective Time placed with insurance companies having the same or better AM Best Financial rating as the directors’ and officers’ liability insurance maintained by the Company, its Subsidiaries or the Acquiror immediately prior to the Effective Time with terms and conditions providing retentions, limits and other material terms no less favorable than the directors’ and officers’ liability insurance policies maintained by Company, its Subsidiaries or Acquiror immediately prior to the Effective Time with respect to matters, acts or omissions existing or occurring at or prior to the Effective Time; provided, however, that Acquiror may not spend more than 300% of the last annualized premium paid by the Company, its Subsidiaries and Acquiror prior to the Effective Time for the six years of coverage under such D&O Tail. Acquiror shall be responsible for 50% of the cost of the D&O Tail, and the Company shall be responsible for 50% of the cost of the D&O Tail.

(d) Notwithstanding anything contained in this Agreement to the contrary, this Section 7.02 shall survive the consummation of the Merger in accordance with its terms and shall be binding, jointly and severally, on Acquiror and the Surviving Company and all successors and assigns of Acquiror and the Surviving Company. In the event that Acquiror, the Surviving Company or any of their respective successors or assigns consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, Acquiror and the Surviving Company shall ensure that proper provision shall be made so that the successors and assigns of Acquiror or the Surviving Company, as the case may be, shall succeed to the obligations set forth in this Section 7.02. The obligations of Acquiror and the Surviving Company under this Section 7.02 shall not be terminated or modified in such a manner as to materially and adversely affect any present or former director or officer of the Company or any of its Subsidiaries to whom this Section 7.02 applies without the consent of the affected Person.

7.03 Conduct of Acquiror During the Interim Period

(a) During the Interim Period, except as set forth on Schedule 7.07, as expressly contemplated by this Agreement (including as contemplated by the Subscription Agreements), as consented to by the Company in

7.10 Section 16 Matters. Prior to the Closing, the board of directors of Acquiror, or an appropriate committee of "non-employee directors" (as defined in Rule 16b-3 of the Exchange Act) thereof, shall adopt a resolution consistent with the interpretive guidance of the SEC so that the acquisition of Acquiror Class A Common Stock pursuant to this Agreement and the other agreements contemplated hereby, by any person owning securities of the Company who is expected to become a director or officer (as defined under Rule 16a-1(f) under the Exchange Act) of Acquiror following the Closing, shall be an exempt transaction for purposes of Section 16(b) of the Exchange Act pursuant to Rule 16b-3 thereunder.

7.11 Director Appointments; Officers. Except as otherwise agreed in writing by the Company and Acquiror prior to the Closing, and conditioned upon the occurrence of the Closing, subject to any limitation imposed under applicable Laws and NYSE listing requirements with respect to the qualifications of individuals serving on the Acquiror Board (the "Qualification Requirements"), Acquiror shall take all actions necessary or appropriate to cause (a) the number and classes of directors constituting the Acquiror Board to be such number and classes as is specified in the Acquiror A&R Charter (as if the Acquiror A&R Charter were in effect as of the date hereof), (b) the persons that the Company has designated in writing to Acquiror prior to the Registration Statement becoming effective under the Securities Act to be elected as members of the Board of Directors of such class of the Acquiror Board, effective as of the Closing, provided that such persons satisfy the Qualification Requirements and a majority of whom shall be "independent" directors for purposes of NYSE rules and Acquiror shall have the right to identify one member to be elected as a member of the initial Acquiror Board and (c) the persons that the Company has designated in writing to Acquiror prior to the Registration Statement becoming effective under the Securities Act to be appointed as the officers of the Acquiror. On the Closing Date, Acquiror shall enter into customary indemnification agreements reasonably satisfactory to the Company and Acquiror with the individuals identified pursuant to clause (b) of this Section 7.11, which indemnification agreements shall continue to be effective following the Closing.

7.12 Director and Officer Resignations. Acquiror shall deliver to the Company duly executed resignation letters evidencing the resignation of the directors and officers of Acquiror and Merger Sub who are not contemplated to be officers or directors of the Company or Acquiror following the Closing pursuant to Section 7.11, such resignation letters to be effective as of the Closing.

7.13 Exclusivity. Except as expressly permitted pursuant to Section 8.02(d), during the Interim Period, Acquiror shall not take, and shall cause its Affiliates and each of their respective Representatives not to take, whether directly or indirectly, any action to solicit, initiate, continue, cooperate or engage in discussions or negotiations with, or enter into any agreement with, or encourage, respond, provide information to or commence due diligence with respect to, any Person (other than the Company, its stockholders and/or any of their Affiliates or Representatives), concerning, relating to or which is intended or is reasonably likely to give rise to or result in, any offer, inquiry, proposal or indication of interest, written or oral relating to any Business Combination (a “Business Combination Proposal”) other than with the Company, its stockholders and their respective Affiliates and Representatives in connection with the Transactions. Acquiror shall, and shall cause its Affiliates and Representatives to, immediately cease any and all existing discussions or negotiations with any Person conducted prior to the date hereof with respect to, or which is reasonably likely to give rise to or result in, a Business Combination Proposal. Acquiror agrees to (i) notify the Company promptly upon receipt of any Business Combination Proposal, and to describe the material terms and conditions of any such Business Combination Proposal in reasonable detail (including the identity of the Persons making such Business Combination Proposal) and (ii) keep the Company reasonably informed on a current basis of any material modifications to such offer or information.

(b) At or prior to the Closing, Acquiror shall cause each share of Acquiror Class B Common Stock to convert into one (1) share of Acquiror Class A Common Stock.

7.15 Warrant Amendment. Acquiror shall use its reasonable best efforts, upon the reasonable request of the Company, take all actions to execute all documents necessary, and perform such further acts necessary to amend the strike price of 4,162,500 Acquiror Warrants held by Sponsor so that it is increased from \$11.50 to \$20.00 (the “Warrant Amendment”), or to otherwise achieve the same allocation of rights, benefits, obligations and liabilities contemplated by the Warrant Amendment.

**ARTICLE VIII
JOINT COVENANTS**

8.01 Support of Transaction. Without limiting any covenant contained in Article VI or Article VII, including the obligations of the Company and Acquiror with respect to the notifications, filings, reaffirmations and applications described in Section 6.03 and Section 7.01, Acquiror and the Company shall each, and shall each cause their respective Subsidiaries to use reasonable best efforts to (a) assemble, prepare and file any information (and, as needed, to supplement such information) as may be reasonably necessary to obtain as promptly as practicable all governmental and regulatory consents required to be obtained in connection with the Transactions, (b) obtain all material consents and approvals of third parties that any of Acquiror, the Company or their respective Affiliates is required to obtain in order to consummate the Transactions, including any required consents and approvals of parties to material Contracts with the Company or its Subsidiaries in each case of this clause (b) as the other parties hereto may request, and (c) take such other action as may reasonably be necessary or as another party hereto may reasonably request to satisfy the conditions of Article IX or otherwise to comply with this Agreement and to consummate the Transactions as soon as reasonably practicable and in accordance with all applicable Laws. Notwithstanding the foregoing, in no event shall Acquiror, Merger Sub or the Company or its Subsidiaries be obligated to bear any expense or pay any fee or grant any concession in connection with obtaining any consents, authorizations or approvals pursuant to the terms of any Contract to which the Company or its Subsidiaries or Acquiror is a party in connection with the consummation of the Transactions.

8.02 Preparation of Registration Statement; Special Meeting; Solicitation of Company Requisite Approval.

(a) As promptly as practicable following the execution and delivery of this Agreement and receipt of the PCAOB Audited Financials pursuant to Section 6.05, and in any event not later than five (5) Business Days following the delivery of the PCAOB Audited Financials, Acquiror and the Company shall jointly prepare, and Acquiror shall cause to be filed with the SEC a registration statement on Form S-4 (as amended or supplemented from time to time, and including the Proxy Statement and the Consent Solicitation Statement contained therein, the “Registration Statement”) in connection with the registration under the Securities Act of the Acquiror Class A Common Stock to be issued under this Agreement, which Registration Statement will also contain the Proxy Statement and the Consent Solicitation Statement and shall provide the stockholders of Acquiror the opportunity to elect to accept the Redemption Offer. Each of Acquiror and the Company shall use its reasonable best efforts to cause the Registration Statement to comply with the rules and regulations promulgated by the SEC, to have the Registration Statement declared effective under the Securities Act as promptly as practicable after such filing and to keep the Registration Statement effective as long as is necessary to consummate the Merger. Each of Acquiror and the Company shall furnish all required information concerning it as may reasonably be requested by the other Party in connection with such actions and the preparation of the Registration Statement. Promptly after the Registration Statement is declared effective under the Securities Act, Acquiror will cause the Proxy Statement to be mailed to stockholders of Acquiror.

(b) Each of Acquiror and the Company shall cooperate and mutually agree upon (such agreement not to be unreasonably withheld, conditioned or delayed) any response to comments of the SEC or its staff with respect to the Registration Statement and any amendment to the Registration Statement filed in response thereto. If Acquiror or the Company becomes aware that any information contained in the Registration Statement shall have become false or misleading in any material respect or that the Registration Statement is required to be amended in order to comply with applicable Law, then (i) such Party shall promptly inform the other Parties and (ii) Acquiror, on the one hand, and the Company, on the other hand, shall cooperate and mutually agree upon (such agreement not to be unreasonably withheld or delayed) an amendment or supplement to the Registration Statement. Acquiror and the Company shall use reasonable best efforts to cause the Registration Statement as so amended or supplemented, to be filed with the SEC and Acquiror shall cause such Registration Statement to be disseminated to the holders of shares of Acquiror Common Stock, as applicable, in each case pursuant to applicable Law and subject to the terms and conditions of this Agreement and the Acquiror Organizational Documents. Each of the Company and Acquiror shall provide the other Parties with copies of any written comments, and shall inform such other Parties of any oral comments, that Acquiror receives from the SEC or its staff with respect to the Registration Statement promptly after the receipt of such comments and shall give the other Parties a reasonable opportunity to review and comment on any proposed written or oral responses to such comments prior to responding to the SEC or its staff. Each of Acquiror and the Company shall pay 50% of all fees and expenses incurred in connection with preparing and filing the Registration Statement and obtaining approval from the SEC and the NYSE in connection with the offering and listing of the Acquiror Class A Common Stock to be issued under this Agreement in connection with the Closing.

(c) Acquiror agrees to include provisions in the Proxy Statement and to take reasonable action for the submission and approval of the following proposals by the stockholders of Acquiror: (i) approval of the Business Combination (the “Transaction Proposal”), (ii) approval of the Acquiror A&R Charter (the “Amendment Proposal”) and each change to the Acquiror A&R Charter that is required to be separately approved, (iii) to the extent required by the NYSE listing rules, approval of the issuance of the shares included in the Total Consideration Share Amount together with the Acquiror Class A Common Stock pursuant to the Subscription Agreements (the “NYSE Proposal”), (iv) the election of directors effective as of the Closing as contemplated by Section 7.11 (the “Director Proposal”), (v) the approval and adoption of a customary management equity incentive plan (the “Acquiror Omnibus Incentive Plan”) in the form attached hereto as Exhibit G with any changes or modifications thereto as the Company and Acquiror may mutually agree (such agreement not to be unreasonably withheld, conditioned or delayed by either the Company or Acquiror, as applicable) (the “Acquiror Omnibus Incentive Plan Proposal”), (vi) the approval and adoption of an employee stock purchase plan (the

“Acquiror ESPP”) in the form attached hereto as Exhibit H with any changes or modifications thereto as the Company and Acquiror may mutually agree (such agreement not to be unreasonably withheld, conditioned or delayed by either the Company or Acquiror, as applicable), (the “Acquiror ESPP Proposal”), and together with the Transaction Proposal, the Amendment Proposal, the NYSE Proposal, the Director Proposal and the Acquiror Omnibus Incentive Plan Proposal, the “Required Acquiror Proposals”) and (vi) approval of any other proposals as the SEC (or staff member thereof) may indicate are necessary in its comments to the Registration Statement or correspondence related thereto and approval of any other proposals reasonably agreed by Acquiror and the Company to be necessary or appropriate in connection with the transaction contemplated hereby and (vii) adjournment of the Special Meeting, if necessary, to permit further solicitation of proxies because there are not sufficient votes to approve and adopt any of the foregoing (the “Additional Proposal” and together with the Required Acquiror Proposals, the “Proposals”). Without the prior written consent of the Company, the Proposals shall be the only matters (other than procedural matters) which Acquiror shall propose to be acted on by Acquiror Stockholders at the Special Meeting.

(d) Acquiror shall use reasonable best efforts to, as promptly as practicable, (i) establish the record date (subject to the Company’s prior written consent, such consent not to be unreasonably withheld or delayed) for, duly call, give notice of, convene and hold the Special Meeting in accordance with the DGCL and the rules of the NYSE for a date no more than thirty (30) days after the Registration Statement is declared effective, (ii) cause the Proxy Statement to be disseminated to Acquiror Stockholders in compliance with applicable Law, (iii) solicit proxies from the holders of Acquiror Common Stock to vote in favor of each of the Proposals and (iv) provide each holder of Acquiror Class A Common Stock (as determined in accordance with Acquiror Organizational Documents) the opportunity to elect to redeem the eligible shares of Acquiror Class A Common Stock held by such holder as determined pursuant to the Acquiror Organizational Documents and the documents governing the Trust Account in connection with the Proposals. Acquiror shall, through the Acquiror Board, recommend to its stockholders that they approve the Proposals (the “Acquiror Board Recommendation”) and shall include the Acquiror Board Recommendation in the Proxy Statement, unless the Acquiror Board shall have changed the recommendation in accordance with this Section 8.02(d). The Acquiror Board shall not (and no committee or subgroup thereof shall) change, withdraw, withhold, qualify or modify, or publicly propose to change, withdraw, withhold, qualify or modify, the Acquiror Board Recommendation (an “Acquiror Change in Recommendation”); provided, however, that if, at any time prior to obtaining the Required Acquiror Stockholder Approval, the Acquiror Board determines in good faith, in response to an Acquiror Intervening Event, after consultation with its outside legal counsel, that the failure to make an Acquiror Change in Recommendation would constitute a breach of its fiduciary duties under applicable Law, the Acquiror Board may, prior to obtaining the Required Acquiror Stockholder Approval, make an Acquiror Change in Recommendation; provided, however, that Acquiror and the Acquiror Board will not be entitled to make, or agree or resolve to make, an Acquiror Change in Recommendation unless (A) Acquiror delivers to the Company a written notice (an “Acquiror Intervening Event Notice”) advising the Company that the Acquiror Board proposes to take such action and containing the material facts underlying the Acquiror Board’s determination that an Acquiror Intervening Event has occurred (it being acknowledged that such Acquiror Intervening Event Notice shall not itself constitute a breach of this Agreement), and (B) at or after 5:00 p.m., New York City time, on the third Business Day immediately following the day on which Acquiror delivered the Acquiror Intervening Event Notice (such period from the time the Acquiror Intervening Event Notice is provided until 5:00 p.m. New York City time on the third Business Day immediately following the day on which Acquiror delivered the Acquiror Intervening Event Notice (it being understood that any material development with respect to an Acquiror Intervening Event shall require a new notice but with an additional two (2) Business Days (instead of a three Business Day) period from the date of such notice)), the Acquiror Board reaffirms in good faith (after consultation with its outside legal counsel) that the failure to make an Acquiror Change in Recommendation would constitute a breach of its fiduciary duties under applicable Law. Notwithstanding the foregoing provisions of this Section 8.02(d), if on a date for which the Special Meeting is scheduled, Acquiror has not received proxies representing a sufficient number of shares of Acquiror Common Stock to obtain the Required Acquiror Stockholder Approval, whether or not a quorum is present, Acquiror shall have the right to, and at the Company’s reasonable request shall, make one or more adjournments of the Special Meeting in order to solicit additional proxies for the purpose of obtaining the

Required Acquiror Stockholder Approval. Except with the Company's written consent (not to be unreasonably withheld or delayed), Acquiror may only adjourn the Special Meeting (i) to solicit additional proxies for the purpose of obtaining the Required Acquiror Stockholder Approval, (ii) for the absence of a quorum and (iii) to allow reasonable additional time for the filing or mailing of any supplemental or amended disclosure that Acquiror has determined in good faith after consultation with outside legal counsel is required under applicable Law and for such supplemental or amended disclosure to be disseminated and reviewed by Acquiror Stockholders prior to the Special Meeting; provided, that the Special Meeting (x) may not be adjourned to a date that is more than thirty (30) days after the date for which the Special Meeting was originally scheduled (excluding any adjournments required by applicable Law) and (y) shall not be held later than six (6) Business Days prior to the Termination Date. Unless this Agreement has been terminated in accordance with its terms, Acquiror's obligation to solicit proxies from the holders of Acquiror Common Stock to vote in favor of each of the Proposals in accordance with this Section 8.02(d) shall not be limited or otherwise affected by any Acquiror Change in Recommendation. For the purposes of this Agreement, "Acquiror Intervening Event" means any material event, fact, development, circumstance or occurrence that materially affects the business, assets or operations of Acquiror, that was not known and was not reasonably foreseeable to the Acquiror Board as of the date hereof (or if known or reasonably foreseeable, the consequences of which were not reasonably foreseeable to the Acquiror Board as of the date hereof) and that becomes known to the Acquiror Board after the date hereof.

8.03 Other Filings: Press Release.

(a) As promptly as practicable after execution of this Agreement, Acquiror will prepare and file a Current Report on Form 8-K pursuant to the Exchange Act to report the execution of this Agreement, the form and substance of which shall be approved (which approval shall not be unreasonably withheld, conditioned or delayed) in advance in writing by the Company, such approval not to be unreasonably withheld or delayed.

(b) Promptly after the execution of this Agreement and pursuant to the Communications Plan described in Section 8.05(b), Acquiror and the Company shall also issue a joint press release announcing the execution of this Agreement.

(c) Acquiror shall prepare a draft Current Report on Form 8-K announcing the Closing, together with, or incorporating by reference, the financial statements prepared by the Company and its accountant and such other information that may be required to be disclosed with respect to the Transactions in any report or form to be filed with the SEC (the "Closing Form 8-K"), the form and substance of which shall be approved (which approval shall not be unreasonably withheld, conditioned or delayed) in advance in writing by the Company, such approval not to be unreasonably withheld or delayed. Prior to the Closing, Acquiror and the Company shall prepare a joint press release announcing the consummation of the Transactions ("Closing Press Release"). Concurrently with the Closing, or as soon as practicable thereafter, Acquiror shall issue the Closing Press Release. Concurrently with the Closing, or as soon as practicable thereafter, Acquiror shall file the Closing Form 8-K with the SEC.

(d) At a reasonable time prior to the filing, issuance or other submission or public disclosure of any reports to be filed with the SEC in connection with the Transactions by either Acquiror or Merger Sub, the Company shall be given an opportunity to review and comment upon such filing, issuance or other submission and give its prior written consent to the form thereof, such consent not to be unreasonably withheld or delayed, and Acquiror and Merger Sub shall accept and incorporate all reasonable comments from the Company with respect thereto prior to filing, issuance, submission or disclosure thereof.

8.04 Tax Matters.

(a) Acquiror, Merger Sub and the Company intend that the Merger shall qualify as a "reorganization" within the meaning of Section 368(a) of the Code and the Treasury Regulations to which each of Acquiror, Merger Sub and the Company are to be parties under Section 368(b) of the Code (the "Intended Tax Treatment")

and this Agreement is intended to be, and is adopted as, a plan of reorganization for purposes of Sections 354, 361 and the 368 of the Code and within the meaning of Treasury Regulations Section 1.368-2(g). None of the Parties or their respective Affiliates knows of any fact or circumstance (without conducting independent inquiry or diligence of the other relevant Parties), or has taken or will take any action, if such fact, circumstance or action would reasonably be expected to prevent qualification for such Intended Tax Treatment. Each Party shall, unless otherwise required by a final determination within the meaning of Section 1313(a) of the Code (or any similar state, local or non-U.S. final determination), cause all Tax Returns to be filed on a basis of treating the Merger as a “reorganization” within the meaning of Section 368(a) of the Code.

(b) The Company, Acquiror and Merger Sub hereby adopt this Agreement as a “plan of reorganization” within the meaning of Treasury Regulation Sections 1.368-2(g) and 1.368-3(a).

(c) On or prior to the Closing Date, the Company shall deliver to Acquiror (i) a certification from the Company, prepared in a manner consistent and in accordance with the requirements of Treasury Regulation Sections 1.897-2(g), (h) and 1.1445-2(c)(3), certifying that no interest in the Company is, or has been during the relevant period specified in Section 897(c)(1)(A)(ii) of the Code, a “U.S. real property interest” within the meaning of Section 897(c) of the Code, and (ii) a form of notice to the Internal Revenue Service prepared in accordance with the provisions of Treasury Regulations Section 1.897-2(h)(2), in each case dated no more than 30 days prior to the Closing Date.

8.05 Confidentiality; Publicity.

(a) Acquiror acknowledges that the information being provided to it in connection with this Agreement and the consummation of the Transactions is subject to the terms of the Confidentiality Agreement, the terms of which are incorporated herein by reference. Beginning on the date hereof and ending on the second anniversary of this Agreement, each Party agrees to maintain in confidence any non-public information received from the other Parties, and to use such non-public information only for purposes of consummating the Transactions. Such confidentiality obligations will not apply to: (i) information which was known to one Party or its agents or representatives prior to receipt from the Company Stockholders (or, prior to the Effective Time, the Company), on the one hand, or Acquiror or Merger Sub (or, following the Effective Time, the Company), on the other hand, as applicable; (ii) information which is or becomes generally known to the public without breach of this Agreement or an existing obligation of confidentiality; (iii) information acquired by a Party or their respective agents from a third party who was not bound to an obligation of confidentiality; (iv) information developed by such Party independently without any reliance on the non-public information received from any other Party; (v) disclosure required by applicable Law or stock exchange rule; or (vi) disclosure consented to in writing by Acquiror or Merger Sub (in the case of the Company Stockholders and, prior to the Effective Time, the Company) or the Company Stockholders (in the case of Acquiror or Merger Sub and, following the Effective Time, the Company).

(b) Acquiror and the Company shall reasonably cooperate to create and implement a communications plan regarding the Transactions (the “Communications Plan”) promptly following the date hereof. Notwithstanding the foregoing, none of the Parties or any of their respective Affiliates shall make any public announcement or issue any public communication regarding this Agreement or the Transactions, or any matter related to the foregoing, without first obtaining the prior consent of the Company or Acquiror, as applicable (which consent shall not be unreasonably withheld, conditioned or delayed), except if such announcement or other communication is required by applicable Law or legal process (including pursuant to applicable Securities Laws or the rules of any national securities exchange), in which case Acquiror or the Company, as applicable, shall use their commercially reasonable efforts to coordinate such announcement or communication with the other Party, prior to announcement or issuance and allow the other Party a reasonable opportunity to comment thereon (which shall be considered by Acquiror or the Company, as applicable, in good faith); provided, however, that, notwithstanding anything contained in this Agreement to the contrary, each Party and its Affiliates may make announcements and may provide information regarding this Agreement and the Transactions (i) to

From and after the date of this Agreement until the earlier of the Closing or termination of this Agreement in accordance with its terms, Acquiror, on the one hand, and the Company, on the other hand, shall each notify the other in writing promptly after learning of any shareholder demands or other shareholder Actions (including derivative claims) relating to this Agreement, any Ancillary Agreement or any matters relating hereto or thereto (collectively, the “Transaction Litigation”) commenced against, in the case of Acquiror, Acquiror, Merger Sub or any of the Acquiror Related Parties or any of their respective Representatives (in their capacity as a representative of Acquiror, Merger Sub or an Acquiror Related Party) or, in the case of the Company, Company, its Subsidiaries or any of their respective Representatives (in their capacity as a representative of Company or its Subsidiaries). Acquiror and the Company shall each (i) keep the other reasonably informed regarding any Transaction Litigation, (ii) give the other the opportunity to, at its own cost and expense, participate in the defense, settlement and compromise of any such Transaction Litigation and reasonably cooperate with the other in connection with the defense, settlement and compromise of any such Transaction Litigation, including by providing it with a reasonable opportunity to offer timely comments, suggestions or advice with respect to such Transaction Litigation and considering in good faith such timely comments, suggestions or advice with respect to such Transaction Litigation, (iii) consider in good faith the other’s advice with respect to any such Transaction Litigation and (iv) reasonably cooperate with each other. In no event shall (x) Acquiror, Merger Sub, any Acquiror Related Parties or any of their respective Representatives (acting in such capacity) settle or compromise any Transaction Litigation without the prior written consent of the Company (not to be unreasonable withheld, conditioned or delayed) or (y) the Company settle or compromise any Transaction Litigation without the prior written consent of Acquiror (not to be unreasonable withheld, conditioned or delayed).

TERMINATION/EFFECTIVENESS**

10.01 Termination. This Agreement may be terminated and the Transactions abandoned at any time prior to the Closing:

(a) by mutual written consent of the Company and Acquiror;

(b) by written notice from Acquiror to the Company if (i) there is any breach of any representation, warranty, covenant or agreement on the part of the Company set forth in this Agreement, such that the conditions specified in Section 9.02(a) or Section 9.02(b) would not be satisfied at the Closing (a “Terminating Company Breach”), except that, if such Terminating Company Breach is curable by the Company, then, for a period of 45 days after receipt by the Company of notice from Acquiror of such breach, but only as long as the Company continues to use its commercially reasonable efforts to cure such Terminating Company Breach (the “Company Cure Period”), such termination shall not be effective, and such termination shall become effective only if the Terminating Company Breach is not cured by 11:59 PM Pacific Time on the last day of the Company Cure Period, (ii) the Closing has not occurred on or before 11:59 PM Pacific Time on September 17, 2021 (the “Termination Date”), (iii) the consummation of the Merger is permanently enjoined or prohibited by the terms of a final, non-appealable Governmental Order or a statute, rule or regulation, in each case, promulgated or enacted by a Governmental Authority of competent jurisdiction or (iv) if the Special Meeting has been held and concluded (including any adjournment or recess of the Special Meeting and the Acquiror’s shareholders have duly voted) and the Required Acquiror Stockholder Approval has not been obtained at the Special Meeting; provided, however, that (x) the right to terminate this Agreement pursuant to Section 10.01(b)(i) shall not be available if Acquiror or any of its Affiliates is in material breach of its obligations under this Agreement or any Ancillary Agreement and (y) the right to terminate this Agreement pursuant to Section 10.01(b)(ii) shall not be available if Acquiror’s or any of its Affiliates’ breach of any term of this Agreement or any Ancillary Agreement has been the primary cause of, or primarily resulted in, the failure of the Closing to occur on or before the Termination Date;

(c) by written notice to Acquiror from the Company if (i) there is any breach of any representation, warranty, covenant or agreement on the part of Acquiror set forth in this Agreement, such that the conditions specified in Section 9.03(a) or Section 9.03(b) would not be satisfied at the Closing (a “Terminating Acquiror Breach”), except that, if any such Terminating Acquiror Breach is curable by Acquiror through the exercise of its commercially reasonable efforts, then, for a period of 45 days after receipt by Acquiror of notice from the Company of such breach, but only as long as Acquiror continues to exercise such commercially reasonable efforts to cure such Terminating Acquiror Breach (the “Acquiror Cure Period”), such termination shall not be effective, and such termination shall become effective only if the Terminating Acquiror Breach is not cured by 11:59 PM Pacific Time on the last day of the Acquiror Cure Period, (ii) the Closing has not occurred on or before 11:59 PM Pacific Time on the Termination Date, (iii) the consummation of the Merger is permanently enjoined or prohibited by the terms of a final, non-appealable Governmental Order or a statute, rule or regulation, in each case, promulgated or enacted by a Governmental Authority of competent jurisdiction or (iv) if the Special Meeting has been held and concluded (including any adjournment or recess of the Special Meeting and the Acquiror’s shareholders have duly voted) and the Required Acquiror Stockholder Approval has not been obtained at the Special Meeting; provided, however, that (x) the right to terminate this Agreement pursuant to Section 10.01(c)(i) shall not be available if the Company is in material breach of its obligations under this Agreement or any Ancillary Agreement and (y) the right to terminate this Agreement pursuant to Section 10.01(c)(ii) shall not be available if Company’s breach of any term of this Agreement or any Ancillary Agreement has been the primary cause of, or primarily resulted in, the failure of the Closing to occur on or before the Termination Date;

(d) by written notice from Acquiror to the Company if the Company shall have failed to deliver to Acquiror written consents from Company Stockholders representing the Company Requisite Approval before

11:59 PM Pacific Time on the fifth Business Day following the date that the Registration Statement becomes effective; provided, however, that the right to terminate this Agreement pursuant to this Section 10.01(d) shall terminate upon delivery of such Written Consent to Acquiror;

(e) by written notice from Acquiror to the Company if, prior to obtaining the Company Requisite Approval, there shall have been a Company Change in Recommendation; *provided, however*, that the right to terminate this Agreement pursuant to this Section 10.01(e) shall terminate upon delivery to Acquiror of written consents from the Company Stockholders representing the Company Requisite Approval; or

(f) by written notice from the Company to Acquiror if, prior to obtaining the Required Acquiror Stockholder Approval, there shall have been an Acquiror Change in Recommendation.

10.02 Effect of Termination.

(a) Except as otherwise set forth in this Section 10.02, in the event of the termination of this Agreement pursuant to Section 10.01, this Agreement shall forthwith become void and have no effect, without any liability on the part of any Party or its respective Affiliates, officers, directors, employees or stockholders, other than liability for any Fraud or Willful Breach of this Agreement, in each case occurring prior to such termination. The provisions of Sections 6.06 and 8.05(a), this Section 10.02 and Article XI (collectively, the “Surviving Provisions”) and the Confidentiality Agreement, and any other Section or Article of this Agreement referenced in the Surviving Provisions, which are required to survive in order to give appropriate effect to the Surviving Provisions, shall in each case survive any termination of this Agreement.

(b) In the event that this Agreement is validly terminated by Acquiror pursuant to Section 10.01(e), then the Company shall pay the Company Termination Payment to Acquiror (or one or more of its designees) as promptly as reasonably practicable (and, in any event, within two Business Days following such termination), payable by wire transfer of immediately available funds.

(c) The Parties acknowledge and hereby agree that the Company Termination Payment, if, as and when required pursuant to this Section 10.02, shall not constitute a penalty but will be liquidated damages, in a reasonable amount that will compensate Acquiror and Merger Sub in the circumstances in which it is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Merger, which amount would otherwise be impossible to calculate with precision. The Parties acknowledge and hereby agree that in no event shall the Company be required to pay the Company Termination Payment on more than one occasion. Each of the Company, Acquiror and Merger Sub acknowledges that the agreements contained in this Section 10.02 are an integral part of the Transactions and that, without these agreements, the Parties would not enter into this Agreement.

(d) Notwithstanding anything to the contrary in this Agreement, in any circumstance in which this Agreement is terminated and Acquiror is paid the Company Termination Payment pursuant to this Section 10.02, the Company Termination Payment shall be the sole and exclusive monetary remedy of Acquiror, Merger Sub or any of the Acquiror Related Parties against the Company or any other Company Related Party for any loss or damage suffered as a result of the failure of the Merger and the other Transactions to be consummated or for a breach (including any Willful Breach) of, or failure to perform under, this Agreement or any certificate or other document delivered in connection herewith or otherwise or in respect of any oral representation made or alleged to have been made in connection herewith or therewith, and upon payment of such amounts, none of the Company Related Parties shall have any further liability or obligation relating to or arising out of this Agreement or in respect of representations made or alleged to have been made in connection herewith, whether in equity or at law, in contract, in tort or otherwise.

**ARTICLE XI

11.03 Assignment. No Party shall assign this Agreement or any part hereof without the prior written consent of the other Parties. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the

Parties and their respective permitted successors and assigns. Any attempted assignment in violation of the terms of this Section 11.03 shall be null and void, *ab initio*.

11.04 Rights of Third Parties. Nothing expressed or implied in this Agreement is intended or shall be construed to confer upon or give any Person, other than the Parties, any rights or remedies under or by reason of this Agreement; provided, however, that, notwithstanding the foregoing (a) in the event the Closing occurs, the present and former officers and directors of the Company and Acquiror (and their successors, heirs and representatives) are intended third-party beneficiaries of, and may enforce, Section 7.02 and (b) the past, present and future directors, officers, employees, incorporators, members, partners, stockholders, Affiliates, agents, attorneys, advisors and representatives of the Parties, and any Affiliate of any of the foregoing (and their successors, heirs and representatives), are intended third-party beneficiaries of, and may enforce, Sections 11.15 and 11.17.

11.05 Expenses. Except as otherwise provided herein (including Section 3.12, the last sentence of Section 6.03, Section 7.01(f) and the last sentence of Section 8.02(b)), each Party shall bear its own expenses incurred in connection with this Agreement and the Transactions whether or not such Transactions shall be consummated, including all fees of its legal counsel, financial advisers and accountants.

11.06 Mutual Drafting. Each party hereto has participated in the drafting of this Agreement, which each party acknowledges is the result of extensive negotiations between the Parties. If an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision.

11.07 Governing Law. This Agreement, and all claims or causes of action based upon, arising out of or related to this Agreement or the Transactions shall be governed by, and construed in accordance with, the Laws of the State of Delaware, without giving effect to principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of Laws of another jurisdiction.

11.08 Captions; Counterparts. The captions in this Agreement are for convenience only and shall not be considered a part of or affect the construction or interpretation of any provision of this Agreement. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

11.09 Schedules and Exhibits. The Schedules and Exhibits referenced herein are a part of this Agreement as if fully set forth herein. All references herein to Schedules and Exhibits shall be deemed references to such parts of this Agreement, unless the context shall otherwise require. Certain information set forth in the Schedules is included solely for informational purposes.

11.10 Headings. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

11.11 Entire Agreement. This Agreement (together with the Schedules and Exhibits to this Agreement and the Ancillary Agreements) and the Confidentiality Agreement constitute the entire agreement among the Parties relating to the Transactions and supersede any other agreements, whether written or oral, that may have been made or entered into by or among any of the Parties or any of their respective Subsidiaries relating to the Transactions. No representations, warranties, covenants, understandings, agreements, oral or otherwise, relating to the Transactions exist between the Parties except as expressly set forth or referenced in this Agreement, the Confidentiality Agreement or the Ancillary Agreements.

11.12 Amendments. This Agreement may be amended or modified in whole or in part, only by a duly authorized agreement in writing executed by each of the Parties in the same manner as this Agreement and which

makes reference to this Agreement. The approval of this Agreement by the stockholders of any of the Parties shall not restrict the ability of the board of directors of any of the Parties to terminate this Agreement in accordance with Section 10.01 or to cause such Party to enter into an amendment to this Agreement pursuant to this Section 11.12.

11.13 Severability. If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Agreement shall remain in full force and effect. The Parties further agree that if any provision contained herein is, to any extent, held invalid or unenforceable in any respect under the Laws governing this Agreement, they shall take any actions necessary to render the remaining provisions of this Agreement valid and enforceable to the fullest extent permitted by Law and, to the extent necessary, shall amend or otherwise modify this Agreement to replace any provision contained herein that is held invalid or unenforceable with a valid and enforceable provision giving effect to the intent of the Parties.

11.14 Jurisdiction; WAIVER OF TRIAL BY JURY. Any Action based upon, arising out of or related to this Agreement, or the transactions contemplated hereby, shall be brought in the Court of Chancery of the State of Delaware or, if such court lacks jurisdiction, the state or federal courts in the State of Delaware, and each of the parties irrevocably submits to the exclusive jurisdiction of each such court in any such Action, waives any objection it may now or hereafter have to personal jurisdiction, venue or to convenience of forum, agrees that all claims in respect of the Action shall be heard and determined only in any such court, and agrees not to bring any Action arising out of or relating to this Agreement or the transactions contemplated hereby in any other court. Nothing herein contained shall be deemed to affect the right of any party to serve process in any manner permitted by Law, or to commence legal proceedings or otherwise proceed against any other party in any other jurisdiction, in each case, to enforce judgments obtained in any Action brought pursuant to this Section 11.14. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY LAW ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION BASED UPON, ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH OF THE PARTIES HERETO CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH SUCH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (D) EACH SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE TRANSACTIONS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS IN THIS SECTION 11.14.

11.15 Enforcement. The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy would occur in the event that the Parties do not perform their obligations under the provisions of this Agreement (including failing to take such actions as are required of them hereunder to consummate the Transactions) in accordance with its specified terms or otherwise breach such provisions. The Parties acknowledge and agree that (a) the Parties shall be entitled to an injunction, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, without proof of damages, prior to the valid termination of this Agreement in accordance with Section 10.01, this being in addition to any other remedy to which they are entitled under this Agreement and (b) the right of specific enforcement is an integral part of the Transactions and without that right, none of the Parties would have entered into this Agreement. Each Party agrees that it will not oppose the granting of specific performance and other equitable relief on the basis that the other Parties have an adequate remedy at Law or that an award of specific performance is not an appropriate remedy for any reason at Law or equity. The Parties acknowledge and agree that any Party seeking an injunction to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 11.15 shall not be required to provide any bond or other security in connection with any such injunction.

11.16 Non-Recourse. Without limiting any rights of any party against any other party to an Ancillary Agreement to the extent on the terms and subject to the conditions thereunder or the Liabilities of any party to an Ancillary Agreement to the extent arising from a claim against such party by another party to such agreement on the terms and subject to the conditions thereunder, this Agreement may only be enforced against, and any claim or cause of action based upon, arising out of or related to this Agreement or the Transactions may only be brought against, the entities that are expressly named as parties hereto, and then only with respect to the specific obligations set forth herein with respect to such party. Without limiting any rights of any party against another party to an Ancillary Agreement to the extent on the terms and subject to the conditions thereunder or the Liabilities of any party to an Ancillary Agreement to the extent arising from a claim against such party by another party to such agreement on the terms and subject to the conditions thereunder, except to the extent named as a party to this Agreement (and then only to the extent of the specific obligations undertaken by such named party in this Agreement), (a) no past, present or future director, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any named party to this Agreement and (b) no past, present or future director, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any of the foregoing shall have any liability (whether in contract, tort, equity or otherwise) for any one or more of the representations, warranties, covenants, agreements or other obligations or liabilities of any one or more of the Company, Acquiror or Merger Sub under this Agreement of or for any claim based on, arising out of, or related to this Agreement or the Transactions.

11.17 Nonsurvival of Representations, Warranties and Covenants. None of the representations, warranties, covenants, obligations or other agreements in this Agreement or in any certificate, statement or instrument delivered pursuant to this Agreement, including any rights arising out of any breach of such representations, warranties, covenants, obligations, agreements and other provisions, shall survive the Closing, and all such representations, warranties, covenants, obligations and other agreements, including all such rights, shall terminate and expire upon the occurrence of the Effective Time (and there shall be no liability after the Closing in respect thereof), except, in each case, for (a) those covenants and agreements contained herein that by their terms expressly apply in whole or in part after the Closing and then only with respect to any breaches occurring after the Closing and (b) this [Article XI](#).

11.18 Acknowledgements. Each of the Parties acknowledges and agrees (on its own behalf and on behalf of its respective Affiliates and its and their respective Representatives) that: (a) it has conducted its own independent investigation of the financial condition, results of operations, assets, liabilities, properties and projected operations of the other Parties (and their respective Subsidiaries), has had the opportunity to request all information it has deemed relevant to the foregoing and has been afforded satisfactory access to the books and records, facilities, equipment, Contracts, other assets (including in the case of Acquiror and Merger Sub, access to the electronic data room hosted by or on behalf of the Company in connection with the transactions contemplated hereby) and personnel of the other Parties (and their respective Subsidiaries) for purposes of conducting such investigation; (b) the Company Representations constitute the sole and exclusive representations and warranties of the Company in connection with the Transactions; (c) the Acquiror and Merger Sub Representations constitute the sole and exclusive representations and warranties of Acquiror and Merger Sub; (d) except for the Company Representations by the Company, the Acquiror and Merger Sub Representations by Acquiror and Merger Sub, none of the Parties or any other Person makes, or has made, any other express or implied representation or warranty with respect to any Party (or any Party's Affiliates) or the Transactions and all other representations and warranties of any kind or nature expressed or implied (including (x) regarding the completeness or accuracy of, or any omission to state or to disclose, any information, including in the estimates, projections or forecasts or any other information, document or material provided to or made available to any Party or their respective Affiliates or Representatives in certain "data rooms," management presentations or in any other form in expectation of the Transactions, including meetings, calls or correspondence with management of any Party (or any Party's Subsidiaries), and (y) any relating to the future or historical business, condition (financial or otherwise), results of operations, prospects, assets or liabilities of any Party (or its Subsidiaries), or the quality, quantity or condition of any Party's or its Subsidiaries' assets) are specifically disclaimed by all

Parties and their respective Subsidiaries and all other Persons (including the Representatives and Affiliates of any Party or its Subsidiaries); and (e) each Party and its respective Affiliates are not relying on any representations and warranties in connection with the Transactions except the Company Representations by the Company, and the Acquiror and Merger Sub Representations by Acquiror and Merger Sub and the other representations expressly made by any other Person in the Subscription Agreements, the Support Agreements, the Sponsor Support Agreement and the Registration Rights Agreement.

Osprey Technology Acquisition Corp., a corporation organized and existing under the laws of the State of Delaware (the “**Company**”), does hereby certify as follows:

A. The Company was originally incorporated under the name of OSPREY ACQUISITION CORP. II), June 17, 2019 (to change the name of the Company to OSPREY TECHNOLOGY ACQUISITION CORP.) and November 1, 2019.

B. This Amended and Restated Certificate of Incorporation (this “**Amended and Restated Certificate of Incorporation**”) was duly adopted in accordance with Sections 242 and 245 of the General Corporation Law of the State of Delaware (the “**DGCL**”) by the Board of Directors of the Company (the “**Board of Directors**”) and the affirmative vote of the stockholders of the Company.

C. This Amended and Restated Certificate of Incorporation shall be effective as of [] Eastern Time on [], 2021.

D. The text of the certificate of incorporation of the Company is hereby amended and restated in its entirety to read as follows:

ARTICLE I

The name of the Company is BlackSky Technology Inc.

ARTICLE II

The address of the Company’s registered office in the State of Delaware is 1209 Orange Street, in the City of Wilmington, County of New Castle, State of Delaware, 19801. The name of its registered agent at such address is The Corporation Trust Company.

ARTICLE III

The nature of the business or purposes to be conducted or promoted by the Company is to engage in any lawful act or activity for which corporations may be organized under the DGCL.

ARTICLE IV

Section 1. This Company is authorized to issue two classes of stock, to be designated, respectively, “Class A Common Stock” and “Preferred Stock.” The total number of shares of stock that the Company shall have authority to issue is 1,100,000,000 shares, of which 1,100,000,000 shares are Class A Common Stock, \$0.0001 par value per share (the “**Class A Common Stock**”), and 100,000,000 shares are Preferred Stock, \$0.0001 par value per share (the “**Preferred Stock**”).

Section 2. Each share of Class A Common Stock outstanding as of the applicable record date shall entitle the holder thereof to one (1) vote on any matter submitted to a vote at a meeting of stockholders.

Section 3. The Preferred Stock may be issued from time to time in one or more series pursuant to a resolution or resolutions providing for such issue duly adopted by the Board of Directors (authority to do so

Table of Contents

being hereby expressly vested in the Board of Directors). The Board of Directors is further authorized, subject to limitations prescribed by law, to fix by resolution or resolutions the designations, powers, preferences and rights, and the qualifications, limitations or restrictions thereof, of any series of Preferred Stock, including, without limitation, authority to fix by resolution or resolutions the dividend rights, dividend rate, conversion rights, voting rights, rights and terms of redemption (including sinking fund provisions), redemption price or prices, and liquidation preferences of any such series, and the number of shares constituting any such series and the designation thereof, or any of the foregoing. The Board of Directors is further authorized to increase (but not above the total number of authorized shares of the class) or decrease (but not below the number of shares of any such series then outstanding) the number of shares of any series, subject to the powers, preferences and rights, and the qualifications, limitations and restrictions thereof stated in this Amended and Restated Certificate of Incorporation or the resolution of the Board of Directors originally fixing the number of shares of such series. Except as may be otherwise specified by the terms of any series of Preferred Stock, if the number of shares of any series of Preferred Stock is so decreased, then the Company shall take all such steps as are necessary to cause the shares constituting such decrease to resume the status which they had prior to the adoption of the resolution originally fixing the number of shares of such series.

Section 4. Except as otherwise required by law or provided in this Amended and Restated Certificate of Incorporation, holders of Class A Common Stock shall not be entitled to vote on any amendment to this Amended and Restated Certificate of Incorporation (including any certificate of designation filed with respect to any series of Preferred Stock) that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together as a class with the holders of one or more other such series, to vote thereon by law or pursuant to this Amended and Restated Certificate of Incorporation (including any certificate of designation filed with respect to any series of Preferred Stock).

Section 5. The number of authorized shares of Preferred Stock or Class A Common Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the voting power of all the then-outstanding shares of capital stock of the Company entitled to vote thereon, without a separate vote of the holders of the class or classes the number of authorized shares of which are being increased or decreased, unless a vote of any holders of one or more series of Preferred Stock is required pursuant to the terms of any certificate of designation relating to any series of Preferred Stock, irrespective of the provisions of Section 242(b)(2) of the DGCL.

ARTICLE V

Section 1. Subject to the rights of holders of Preferred Stock, the number of directors that constitutes the entire Board of Directors of the Company shall be fixed only by resolution of the Board of Directors acting pursuant to a resolution adopted by a majority of the Whole Board. For the purposes of this Amended and Restated Certificate of Incorporation, the term “**Whole Board**” shall mean the total number of authorized directorships whether or not there exist any vacancies or other unfilled seats in previously authorized directorships. At each annual meeting of stockholders, directors of the Company shall be elected to hold office until the expiration of the term for which they are elected and until their successors have been duly elected and qualified or until their earlier resignation or removal; except that if any such meeting shall not be so held, such election shall take place at a stockholders’ meeting called and held in accordance with the DGCL.

Section 2. From and after the effectiveness of this Amended and Restated Certificate of Incorporation, the directors of the Company (other than any who may be elected by holders of Preferred Stock under specified circumstances) shall be divided into three classes as nearly equal in size as is practicable, hereby designated Class I, Class II and Class III. Directors already in office shall be assigned to each class at the time such classification becomes effective in accordance with a resolution or resolutions adopted by the Board of Directors. At the first annual meeting of stockholders following the date hereof, the term of office of the Class I directors shall expire and Class I directors shall be elected for a full term of three years. At the second annual meeting of

stockholders following the date hereof, the term of office of the Class II directors shall expire and Class II directors shall be elected for a full term of three years. At the third annual meeting of stockholders following the date hereof, the term of office of the Class III directors shall expire and Class III directors shall be elected for a full term of three years. At each succeeding annual meeting of stockholders, directors shall be elected for a full term of three years to succeed the directors of the class whose terms expire at such annual meeting. If the number of directors is changed, any newly created directorships or decrease in directorships shall be so apportioned hereafter among the classes as to make all classes as nearly equal in number as is practicable, *provided that* no decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

ARTICLE VI

Section 1. From and after the effectiveness of this Amended and Restated Certificate of Incorporation, only for so long as the Board of Directors is classified and subject to the rights of holders of Preferred Stock, any director or the entire Board of Directors may be removed from office at any time, but only for cause, and only by the affirmative vote of the holders of at least 66 2/3% of the voting power of the issued and outstanding capital stock of the Company entitled to vote in the election of directors, voting together as a single class.

Section 2. Except as otherwise provided for or fixed by or pursuant to the provisions of ARTICLE IV hereof in relation to the rights of the holders of Preferred Stock to elect directors under specified circumstances or except as otherwise provided by resolution of a majority of the Whole Board, newly created directorships resulting from any increase in the number of directors, created in accordance with the Bylaws of the Company, and any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other cause shall be filled only by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the Board of Directors, or by a sole remaining director, and not by the stockholders. A person so elected by the Board of Directors to fill a vacancy or newly created directorship shall hold office until the next election of the class for which such director shall have been chosen until his or her successor shall have been duly elected and qualified, or until such director's earlier death, resignation or removal. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

ARTICLE VII

Section 1. The Company is to have perpetual existence.

Section 2. The business and affairs of the Company shall be managed by or under the direction of the Board of Directors. In addition to the powers and authority expressly conferred upon them by statute or by this Amended and Restated Certificate of Incorporation or the Bylaws of the Company, the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Company.

Section 3. In furtherance and not in limitation of the powers conferred by statute, the Board of Directors is expressly authorized to adopt, alter, amend or repeal the Bylaws of the Company. The affirmative vote of at least a majority of the Whole Board shall be required in order for the Board of Directors to adopt, amend, alter or repeal the Company's Bylaws. The Company's Bylaws may also be adopted, amended, altered or repealed by the stockholders of the Company. Notwithstanding the above or any other provision of this Amended and Restated Certificate of Incorporation, the Bylaws of the Company may not be amended, altered or repealed except in accordance with the provisions of the Bylaws relating to amendments to the Bylaws. No Bylaw hereafter legally adopted, amended, altered or repealed shall invalidate any prior act of the directors or officers of the Company that would have been valid if such Bylaw had not been adopted, amended, altered or repealed.

Section 4. The election of directors need not be by written ballot unless the Bylaws of the Company shall so provide.

Section 5. No stockholder will be permitted to cumulate votes at any election of directors.

ARTICLE VIII

Section 1. From and after the effectiveness of this Amended and Restated Certificate of Incorporation, and subject to the rights of holders of Preferred Stock, any action required or permitted to be taken by the stockholders of the Company must be effected at a duly called annual or special meeting of stockholders of the Company and may not be effected by any consent in writing by such stockholders.

Section 2. Subject to the terms of any series of Preferred Stock, special meetings of stockholders of the Company may be called only by the Chairperson of the Board of Directors, the Chief Executive Officer, the President or the Board of Directors acting pursuant to a resolution adopted by a majority of the Whole Board, but a special meeting may not be called by any other person or persons and any power of stockholders to call a special meeting of stockholders is specifically denied. Only such business shall be considered at a special meeting of stockholders as shall have been stated in the notice for such meeting. Any such special meeting so called may be postponed, rescheduled or cancelled by the Board of Directors or other person calling the meeting.

Section 3. Advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of the stockholders of the Company shall be given in the manner and to the extent provided in the Bylaws of the Company.

ARTICLE IX

Section 1. To the fullest extent permitted by the DGCL as the same exists or as may hereafter be amended from time to time, a director of the Company shall not be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director. If the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Company shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended.

Section 2. Subject to any provisions in the Bylaws of the Company related to indemnification of directors of the Company, the Company shall indemnify, defend and hold harmless to the fullest extent permitted by applicable law, any director or officer of the Company who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (a **“Proceeding”**) by reason of the fact that he or she is or was a director or officer of the Company or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any such Proceeding. The Company shall be required to indemnify a person in connection with a Proceeding (or part thereof) initiated by such person only if the Proceeding (or part thereof) was, or is, authorized by the Board of Directors.

Section 3. The Company shall have the power to indemnify, defend and hold harmless to the fullest extent permitted by applicable law, any director, officer, employee or agent of the Company who was or is a party or is threatened to be made a party to any Proceeding by reason of the fact that he or she is or was a director, officer, employee or agent of the Company or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any such Proceeding.

Section 4. Neither any amendment, repeal nor elimination of any Section of this ARTICLE IX, nor the adoption of any provision of this Amended and Restated Certificate of Incorporation or the Bylaws of the Company inconsistent with this ARTICLE IX, shall eliminate or reduce the effect of this ARTICLE IX in respect of any matter occurring, or any Proceeding accruing or arising or that, but for this ARTICLE IX, would accrue or arise, prior to such amendment, repeal, elimination or adoption of an inconsistent provision.

ARTICLE X

Section 1. Meetings of stockholders may be held within or outside of the State of Delaware, as the Bylaws may provide. The books of the Company may be kept (subject to any provision of applicable law) outside of the State of Delaware at such place or places or in such manner or manners as may be designated from time to time by the Board of Directors or in the Bylaws of the Company.

Section 2. Unless the Company consents in writing to the selection of an alternative forum (an “**Alternative Forum Consent**”), the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Company, (ii) any action asserting a claim of breach of a duty (including any fiduciary duty) owed by any current or former director, officer, stockholder, employee or agent of the Company to the Company or the Company’s stockholders, (iii) any action asserting a claim against the Company or any current or former director, officer, stockholder, employee or agent of the Company arising out of or relating to any provision of the DGCL or the Company’s Certificate of Incorporation or Bylaws (each, as in effect from time to time), or (iv) any action asserting a claim against the Company or any current or former director, officer, stockholder, employee or agent of the Company governed by the internal affairs doctrine of the State of Delaware; provided, however, that, in the event that the Court of Chancery of the State of Delaware lacks subject matter jurisdiction over any such action or proceeding, the sole and exclusive forum for such action or proceeding shall be another state or federal court located within the State of Delaware, in each such case, unless the Court of Chancery (or such other state or federal court located within the State of Delaware, as applicable) has dismissed a prior action by the same plaintiff asserting the same claims because such court lacked personal jurisdiction over an indispensable party named as a defendant therein. Unless the Company gives an Alternative Forum Consent, the federal district courts of the United States of America shall, to the fullest extent permitted by law, be the sole and exclusive forum for the resolution of any complaint against any person (including, but not limited to, any underwriters or auditors retained by the Company) in connection with any offering of the Company’s securities, asserting a cause of action arising under the Securities Act of 1933, as amended. The existence of any prior Alternative Forum Consent shall not act as a waiver of the Company’s ongoing consent right as set forth above in this Section 2 of ARTICLE X with respect to any current or future actions or claims. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Company shall be deemed to have notice of and consented to the provisions of this Section 2 of ARTICLE X.

ARTICLE XI

Section 1. The Company reserves the right to amend or repeal any provision contained in this Amended and Restated Certificate of Incorporation in the manner prescribed by the laws of the State of Delaware and all rights conferred upon stockholders are granted subject to this reservation; *provided, however*, that notwithstanding any other provision of this Amended and Restated Certificate of Incorporation or any provision of law that might otherwise permit a lesser vote, the Board of Directors acting pursuant to a resolution adopted by a majority of the Whole Board and the affirmative vote of 66 2/3% of the voting power of the then outstanding voting securities of the Company entitled to vote thereon, voting together as a single class, shall be required for the amendment, repeal or modification of the provisions of Section 3 of ARTICLE IV, ARTICLE V, Section 1 of ARTICLE VI, Section 2 of ARTICLE VI, Section 5 of ARTICLE VII, Section 1 of ARTICLE VIII, Section 2 of ARTICLE VIII, Section 3 of ARTICLE VIII or this ARTICLE XI of this Amended and Restated Certificate of Incorporation.

Section 2. If any provision or provisions of this Amended and Restated Certificate of Incorporation shall be held by a court of competent jurisdiction to be invalid, illegal or unenforceable as applied to any circumstance for any reason whatsoever: (i) the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Amended and Restated Certificate of Incorporation (including, without limitation, each portion of any paragraph of this Amended and Restated Certificate of Incorporation containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) shall not, to the fullest extent permitted by applicable law, in any way be affected or impaired thereby and the court will replace such invalid, illegal or unenforceable provision with a valid and enforceable provision that most accurately reflects the Company's intent in order to achieve, to the maximum extent possible, the same economic, business and other purposes of the invalid, illegal or unenforceable provision and (ii) to the fullest extent permitted by applicable law, the provisions of this Amended and Restated Certificate of Incorporation (including, without limitation, each such portion of any paragraph of this Amended and Restated Certificate of Incorporation containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to permit the Company to protect its directors, officers, employees and agents from personal liability in respect of their good faith service to or for the benefit of the Company to the fullest extent permitted by law.

BYLAWS OF BLACKSKY TECHNOLOGY INC.

ARTICLE I - CORPORATE OFFICES

1.1 REGISTERED OFFICE

The registered office of BlackSky Technology Inc. (the “**Company**”) shall be fixed in the Company’s certificate of incorporation, as the same may be amended from time to time.

1.2 OTHER OFFICES

The Company may at any time establish other offices.

ARTICLE II - MEETINGS OF STOCKHOLDERS

2.1 PLACE OF MEETINGS

Meetings of stockholders shall be held at a place, if any, within or outside the State of Delaware, determined by the board of directors of the Company (the “**Board of Directors**”). The Board of Directors may, in its sole discretion, determine that a meeting of stockholders shall not be held at any place, but may instead be held solely by means of remote communication as authorized by Section 211(a)(2) of the Delaware General Corporation Law (the “**DGCL**”). In the absence of any such designation or determination, stockholders’ meetings shall be held at the Company’s principal executive office.

2.2 ANNUAL MEETING

The annual meeting of stockholders shall be held each year. The Board of Directors shall designate the date and time of the annual meeting. At the annual meeting, directors shall be elected and any other proper business, brought in accordance with Section 2.4 of these bylaws, may be transacted. The Board of Directors acting pursuant to a resolution adopted by a majority of the Whole Board may cancel, postpone or reschedule any previously scheduled annual meeting at any time, before or after the notice for such meeting has been sent to the stockholders. For the purposes of these bylaws, the term “**Whole Board**” shall mean the total number of authorized directorships whether or not there exist any vacancies or other unfilled seats in previously authorized directorships.

2.3 SPECIAL MEETING

(a) A special meeting of the stockholders, other than as required by statute, may be called at any time by (i) the Board of Directors acting pursuant to a resolution adopted by a majority of the Whole Board, (ii) the chairperson of the Board of Directors, (iii) the chief executive officer or (iv) the president, but a special meeting may not be called by any other person or persons and any power of stockholders to call a special meeting of stockholders is specifically denied. The Board of Directors acting pursuant to a resolution adopted by a majority of the Whole Board may cancel, postpone or reschedule any previously scheduled special meeting at any time, before or after the notice for such meeting has been sent to the stockholders.

(b) The notice of a special meeting shall include the purpose for which the meeting is called. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting by or at the direction of a majority of the Whole Board, the chairperson of the Board of Directors, the chief executive officer or the president. Nothing contained in this Section 2.3(b) shall be construed as limiting, fixing or affecting the time when a meeting of stockholders called by action of the Board of Directors may be held.

2.4 ADVANCE NOTICE PROCEDURES

(a) Annual Meetings of Stockholders.

(i) Nominations of persons for election to the Board of Directors or the proposal of other business to be transacted by the stockholders at an annual meeting of stockholders may be made only (1) pursuant to the Company's notice of meeting (or any supplement thereto); (2) by or at the direction of the Board of Directors; (3) as may be provided in the certificate of designations for any class or series of preferred stock; or (4) by any stockholder of the Company who (A) is a stockholder of record at the time of giving of the notice contemplated by Section 2.4(a)(ii); (B) is a stockholder of record on the record date for the determination of stockholders entitled to notice of the annual meeting; (C) is a stockholder of record on the record date for the determination of stockholders entitled to vote at the annual meeting; (D) is a stockholder of record at the time of the annual meeting; and (E) complies with the procedures set forth in this Section 2.4(a).

(ii) For nominations or other business to be properly brought before an annual meeting of stockholders by a stockholder pursuant to clause (4) of Section 2.4(a)(i), the stockholder must have given timely notice in writing to the secretary and any such nomination or proposed business must constitute a proper matter for stockholder action. To be timely, a stockholder's notice must be received by the secretary at the principal executive offices of the Company no earlier than 8:00 a.m., local time, on the 120th day and no later than 5:00 p.m., local time, on the 90th day prior to the day of the first anniversary of the preceding year's annual meeting of stockholders. However, if no annual meeting of stockholders was held in the preceding year, or if the date of the applicable annual meeting is more than 30 days before or more than 60 days after the first anniversary of the preceding year's annual meeting, then to be timely such notice must be received by the secretary at the principal executive offices of the Company no earlier than 8:00 a.m., local time, on the 120th day prior to the day of the annual meeting and no later than the later of (x) 5:00 p.m., local time, on the 90th day before the meeting or (y) 5:00 p.m., local time, on the 10th day following the day on which public announcement of the date of the annual meeting was first made by the Company. In no event will the adjournment, rescheduling or postponement of any annual meeting, or any announcement thereof, commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. If the number of directors to be elected to the Board of Directors is increased and there is no public announcement naming all of the nominees for director or specifying the size of the increased Board of Directors at least 10 days before the last day that a stockholder may deliver a notice of nomination pursuant to the foregoing provisions, then a stockholder's notice required by this Section 2.4(a)(ii) will also be considered timely, but only with respect to nominees for any new positions created by such increase, if it is received by the secretary at the principal executive offices of the Company no later than 5:00 p.m., local time, on the 10th day following the day on which such public announcement is first made. "**Public announcement**" means disclosure in a press release reported by a national news service or in a document publicly filed by the Company with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Securities Exchange Act of 1934 (as amended and inclusive of rules and regulations thereunder, the "**1934 Act**").

(iii) A stockholder's notice to the secretary must set forth:

(1) as to each person whom the stockholder proposes to nominate for election as a director:

(A) such person's name, age, business address, residence address and principal occupation or employment; the class and number of shares of the Company that are held of record or are beneficially owned by such person and a description of any Derivative Instruments (defined below) held or beneficially owned thereby or of any other agreement, arrangement or understanding (including any short position or any borrowing or lending of shares), the effect or intent of which is to mitigate loss to, or to manage the risk or benefit of share price changes for, or to increase or decrease the voting power of such person; and all information relating to such person that is required to be disclosed in solicitations of proxies for the contested election of directors, or is otherwise required, in each case pursuant to the Section 14 of the 1934 Act;

(D) a description of any other material relationships between such person and such person's respective affiliates and associates, or others acting in concert with them, on the one hand, and such stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is made, and their respective affiliates and associates, or others acting in concert with them, on the other hand;

(2) as to any other business that the stockholder proposes to bring before the annual meeting:

(A) a brief description of the business desired to be brought before the annual meeting;

(B) the text of the proposal or business (including the text of any resolutions proposed for consideration and, if applicable, the text of any proposed amendment to these bylaws or the Company's certificate of incorporation);

(C) the reasons for conducting such business at the annual meeting;

(D) any material interest in such business of such stockholder giving the notice and the beneficial owner, if any, on whose behalf the proposal is made, and their respective affiliates and associates, or others acting in concert with them; and

(3) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made:

(A) the name and address of such stockholder (as they appear on the Company's books), of such beneficial owner and of their respective affiliates or associates or others acting in concert with them;

respective affiliates or associates or others acting in concert with them, with respect to the Company's securities (any of the foregoing, a "**Derivative Instrument**"), or any other agreement, arrangement or understanding that has been made the effect or intent of which is to create or mitigate loss to, manage risk or benefit of share price changes for or increase or decrease the voting power of such stockholder, such beneficial owner or their respective affiliates or associates or others acting in concert with them, with respect to the Company's securities;

(G) any performance-related fees (other than an asset-based fee) that such stockholder, such beneficial owner or their respective affiliates or associates or others acting in concert with them, is entitled to based on any increase or decrease in the value of the Company's securities or Derivative Instruments, including, without limitation, any such interests held by members of the immediate family of such persons sharing the same household;

(I) any direct or indirect interest of such stockholder, such beneficial owner or their respective affiliates or associates or others acting in concert with them, in any contract with the Company, any affiliate of the Company or any principal competitor of the Company (in each case, including any employment agreement, collective bargaining agreement or consulting agreement);

(K) a representation and undertaking that such stockholder or any such beneficial owner intends, or is part of a group that intends, to (x) deliver a proxy statement or form of proxy to holders of at least the percentage of the voting power of the Company's then-outstanding stock required to approve or adopt the proposal or to elect each such nominee; or (y) otherwise solicit proxies from stockholders in support of such proposal or nomination;

(L) any other information relating to such stockholder, such beneficial owner, or their respective affiliates or associates or others acting in concert with them, or director nominee or proposed business that, in each case, would be required to be disclosed in a proxy statement or other filing required to be made in connection with the solicitation of proxies in support of such nominee (in a contested election of directors) or proposal pursuant to Section 14 of the 1934 Act; and

(M) such other information relating to any proposed item of business as the Company may reasonably require to determine whether such proposed item of business is a proper matter for stockholder action.

(iv) In addition to the requirements of this Section 2.4, to be timely, a stockholder's notice (and any additional information submitted to the Company in connection therewith) must further be updated and

supplemented (1) if necessary, so that the information provided or required to be provided in such notice is true and correct as of the record date(s) for determining the stockholders entitled to notice of, and to vote at, the meeting and as of the date that is 10 business days prior to the meeting or any adjournment, rescheduling or postponement thereof and (2) to provide any additional information that the Company may reasonably request. Such update and supplement or additional information, if applicable, must be received by the secretary at the principal executive offices of the Company, in the case of a request for additional information, promptly following a request therefor, which response must be delivered not later than such reasonable time as is specified in any such request from the Company or, in the case of any other update or supplement of any information, not later than five business days after the record date(s) for the meeting (in the case of any update and supplement required to be made as of the record date(s)), and not later than eight business days prior to the date for the meeting or any adjournment, rescheduling or postponement thereof (in the case of the update and supplement required to be made as of 10 business days prior to the meeting or any adjournment, rescheduling or postponement thereof). The failure to timely provide such update, supplement or additional information shall result in the nomination or proposal no longer being eligible for consideration at the meeting.

(b) *Special Meetings of Stockholders.* Except to the extent required by the DGCL, and subject to Section 2.3(a), special meetings of stockholders may be called only in accordance with the Company's certificate of incorporation and these bylaws. Only such business will be conducted at a special meeting of stockholders as has been brought before the special meeting pursuant to the Company's notice of meeting. If the election of directors is included as business to be brought before a special meeting in the Company's notice of meeting, then nominations of persons for election to the Board of Directors at such special meeting may be made by any stockholder who (i) is a stockholder of record at the time of giving of the notice contemplated by this Section 2.4(b); (ii) is a stockholder of record on the record date for the determination of stockholders entitled to notice of the special meeting; (iii) is a stockholder of record on the record date for the determination of stockholders entitled to vote at the special meeting; (iv) is a stockholder of record at the time of the special meeting; and (v) complies with the procedures set forth in this Section 2.4(b). For nominations to be properly brought by a stockholder before a special meeting pursuant to this Section 2.4(b), the stockholder's notice must be received by the secretary at the principal executive offices of the Company no earlier than 8:00 a.m., local time, on the 120th day prior to the day of the special meeting and no later than the later of (x) 5:00 p.m., local time, on the 90th day before the meeting or (y) 5:00 p.m., local time, on the 10th day following the day on which public announcement of the date of the special meeting was first made. In no event will any adjournment, rescheduling or postponement of a special meeting or the announcement thereof commence a new time period (or extend any time period) for the giving of a stockholder's notice. A stockholder's notice to the Secretary must comply with the applicable notice requirements of Section 2.4(a)(iii).

(c) *Other Requirements.*

(i) To be eligible to be a nominee by any stockholder for election as a director of the Company, the proposed nominee must provide to the secretary, in accordance with the applicable time periods prescribed for delivery of notice under Section 2.4(a)(ii) or Section 2.4(b):

(1) a signed and completed written questionnaire (in the form provided by the secretary at the written request of the nominating stockholder, which form will be provided by the secretary within 10 days of receiving such request) containing information regarding such nominee's background and qualifications and such other information as may reasonably be required by the Company to determine the eligibility of such nominee to serve as a director of the Company or to serve as an independent director of the Company;

(2) a written representation and undertaking that, unless previously disclosed to the Company, such nominee is not, and will not become, a party to any voting agreement, arrangement, commitment, assurance or understanding with any person or entity as to how such nominee, if elected as a director, will vote on any issue;

Table of Contents

(3) a written representation and undertaking that, unless previously disclosed to the Company, such nominee is not, and will not become, a party to any Third-Party Compensation Arrangement;

(4) a written representation and undertaking that, if elected as a director, such nominee would be in compliance, and will continue to comply, with the Company's corporate governance guidelines as disclosed on the Company's website, as amended from time to time; and

(5) a written representation and undertaking that such nominee, if elected, intends to serve a full term on the Board of Directors.

(ii) At the request of the Board of Directors, any person nominated by the Board of Directors for election as a director must furnish to the secretary the information that is required to be set forth in a stockholder's notice of nomination that pertains to such nominee.

(iii) No person will be eligible to be nominated by a stockholder for election as a director of the Company unless nominated in accordance with the procedures set forth in this Section 2.4. No business proposed by a stockholder will be conducted at a stockholder meeting except in accordance with this Section 2.4.

(iv) The chairperson of the applicable meeting of stockholders will, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the procedures prescribed by these bylaws or that business was not properly brought before the meeting. If the chairperson of the meeting should so determine, then the chairperson of the meeting will so declare to the meeting and the defective nomination will be disregarded or such business will not be transacted, as the case may be.

(v) Notwithstanding anything to the contrary in this Section 2.4, unless otherwise required by law, if the stockholder (or a qualified representative of the stockholder) does not appear in person at the meeting to present a nomination or other proposed business, such nomination will be disregarded or such proposed business will not be transacted, as the case may be, notwithstanding that proxies in respect of such nomination or business may have been received by the Company and counted for purposes of determining a quorum. For purposes of this Section 2.4, to be considered a qualified representative of the stockholder, a person must be a duly authorized officer, manager or partner of such stockholder or must be authorized by a writing executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting, and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting.

(vi) Without limiting this Section 2.4, a stockholder must also comply with all applicable requirements of the 1934 Act with respect to the matters set forth in this Section 2.4, it being understood that (1) any references in these bylaws to the 1934 Act are not intended to, and will not, limit any requirements applicable to nominations or proposals as to any other business to be considered pursuant to this Section 2.4; and (2) compliance with clause (4) of Section 2.4(a)(i) and with Section 2.4(b) are the exclusive means for a stockholder to make nominations or submit other business (other than as provided in Section 2.4(c)(vii)).

(vii) Notwithstanding anything to the contrary in this Section 2.4, the notice requirements set forth in these bylaws with respect to the proposal of any business pursuant to this Section 2.4 will be deemed to be satisfied by a stockholder if (1) such stockholder has submitted a proposal to the Company in compliance with Rule 14a-8 under the 1934 Act; and (2) such stockholder's proposal has been included in a proxy statement that has been prepared by the Company to solicit proxies for the meeting of stockholders. Subject to Rule 14a-8 and other applicable rules and regulations under the 1934 Act, nothing in these bylaws will be construed to permit any stockholder, or give any stockholder the right, to include or have disseminated or described in the Company's proxy statement any nomination of a director or any other business proposal.

2.5 NOTICE OF STOCKHOLDERS' MEETINGS

Whenever stockholders are required or permitted to take any action at a meeting, a notice of the meeting shall be given which shall state the place, if any, date and hour of the meeting, the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, the record date for determining the stockholders entitled to vote at the meeting, if such date is different from the record date for determining stockholders entitled to notice of the meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called. Except as otherwise provided in the DGCL, the certificate of incorporation or these bylaws, the notice of any meeting of stockholders shall be given not less than 10 nor more than 60 days before the date of the meeting to each stockholder entitled to vote at such meeting as of the record date for determining the stockholders entitled to notice of the meeting.

2.6 QUORUM

The holders of a majority of the voting power of the capital stock of the Company issued and outstanding and entitled to vote, present in person or represented by proxy, shall constitute a quorum for the transaction of business at all meetings of the stockholders. Where a separate vote by a class or series or classes or series is required, a majority of the voting power of the outstanding shares of such class or series or classes or series, present in person or represented by proxy, shall constitute a quorum entitled to take action with respect to that vote on that matter, except as otherwise provided by law, the certificate of incorporation or these bylaws.

If, however, such quorum is not present or represented at any meeting of the stockholders, then either (a) the chairperson of the meeting, or (b) the stockholders entitled to vote at the meeting, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present or represented. At such adjourned meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the original meeting.

2.7 ADJOURNED MEETING; NOTICE

When a meeting is adjourned to another time or place, unless these bylaws otherwise require, notice need not be given of the adjourned meeting if the time, place, if any, thereof, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the Company may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 30 days, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. If after the adjournment a new record date for stockholders entitled to vote is fixed for the adjourned meeting, the Board of Directors shall fix a new record date for notice of such adjourned meeting in accordance with Section 213(a) of the DGCL and Section 2.11 of these bylaws, and shall give notice of the adjourned meeting to each stockholder of record entitled to vote at such adjourned meeting as of the record date fixed for notice of such adjourned meeting.

2.8 CONDUCT OF BUSINESS

The chairperson of any meeting of stockholders shall determine the order of business and the procedure at the meeting, including such regulation of the manner of voting and the conduct of business and discussion as seem to the chairperson in order. The chairperson of any meeting of stockholders shall be designated by the Board of Directors; in the absence of such designation, the chairperson of the Board of Directors, if any, or the chief executive officer (in the absence of the chairperson of the Board of Directors) or the president (in the absence of the chairperson of the Board of Directors and the chief executive officer), or in their absence any other executive officer of the Company, shall serve as chairperson of the stockholder meeting. The chairperson of any meeting of stockholders shall have the power to adjourn the meeting to another place, if any, date or time, whether or not a quorum is present.

2.9 VOTING

The stockholders entitled to vote at any meeting of stockholders shall be determined in accordance with the provisions of Section 2.11 of these bylaws, subject to Section 217 (relating to voting rights of fiduciaries, pledgors and joint owners of stock) and Section 218 (relating to voting trusts and other voting agreements) of the DGCL.

Except as may be otherwise provided in the certificate of incorporation or these bylaws, each stockholder shall be entitled to one vote for each share of capital stock held by such stockholder as of the applicable record date.

Except as otherwise provided by law, the certificate of incorporation, these bylaws or the rules of the stock exchange on which the Company's securities are listed, in all matters other than the election of directors, the affirmative vote of a majority of the voting power of the shares present in person or represented by proxy at the meeting and entitled to vote on the subject matter shall be the act of the stockholders. Except as otherwise required by law, the certificate of incorporation or these bylaws, directors shall be elected by a plurality of the voting power of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. Where a separate vote by a class or series or classes or series is required, in all matters other than the election of directors, the affirmative vote of the majority of the voting power of the outstanding shares of such class or series or classes or series present in person or represented by proxy at the meeting and entitled to vote on the subject matter shall be the act of such class or series or classes or series, except as otherwise provided by law, the certificate of incorporation, these bylaws or the rules of the stock exchange on which the securities of the Company are listed.

2.10 STOCKHOLDER ACTION BY WRITTEN CONSENT WITHOUT A MEETING

Subject to the rights of holders of preferred stock of the Company, any action required or permitted to be taken by the stockholders of the Company must be effected at a duly called annual or special meeting of stockholders of the Company and may not be effected by any consent in writing by such stockholders.

2.11 RECORD DATES

In order that the Company may determine the stockholders entitled to notice of any meeting of stockholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors and which record date shall not be more than 60 nor less than 10 days before the date of such meeting. If the Board of Directors so fixes a date, such date shall also be the record date for determining the stockholders entitled to vote at such meeting unless the Board of Directors determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the date for making such determination.

If no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of and to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held.

A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; *provided, however*, that the Board of Directors may fix a new record date for determination of stockholders entitled to vote at the adjourned meeting, and in such case shall also fix as the record date for stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of stockholders entitled to vote in accordance with the provisions of Section 213 of the DGCL and this Section 2.11 at the adjourned meeting.

Table of Contents

In order that the Company may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than 60 days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

2.12 PROXIES

Each stockholder entitled to vote at a meeting of stockholders, or such stockholder's authorized officer, director, employee or agent, may authorize another person or persons to act for such stockholder by proxy authorized by a document or by a transmission permitted by law filed in accordance with the procedure established for the meeting, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. The authorization of a person to act as a proxy may be documented, signed and delivered in accordance with Section 116 of the DGCL, provided that such authorization shall set forth, or be delivered with information enabling the Company to determine, the identity of the stockholder granting such authorization. The revocability of a proxy that states on its face that it is irrevocable shall be governed by the provisions of Section 212 of the DGCL.

2.13 LIST OF STOCKHOLDERS ENTITLED TO VOTE

The Company shall prepare, at least 10 days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting; *provided, however*, if the record date for determining the stockholders entitled to vote is less than 10 days before the meeting date, the list shall reflect the stockholders entitled to vote as of the tenth day before the meeting date, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. The Company shall not be required to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any stockholder for any purpose germane to the meeting for a period of at least 10 days prior to the meeting: (a) on a reasonably accessible electronic network, *provided* that the information required to gain access to such list is provided with the notice of the meeting, or (b) during ordinary business hours, at the Company's principal place of business. In the event that the Company determines to make the list available on an electronic network, the Company may take reasonable steps to ensure that such information is available only to stockholders of the Company. If the meeting is to be held at a place, then a list of stockholders entitled to vote at the meeting shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be examined by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then such list shall also be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting.

2.14 INSPECTORS OF ELECTION

Before any meeting of stockholders, the Company shall appoint an inspector or inspectors of election to act at the meeting or its adjournment. The Company may designate one or more persons as alternate inspectors to replace any inspector who fails to act.

Such inspectors shall:

- (a) ascertain the number of shares outstanding and the voting power of each;
- (b) determine the shares represented at the meeting and the validity of proxies and ballots;
- (c) count all votes and ballots;

(d) determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors; and

(e) certify their determination of the number of shares represented at the meeting, and their count of all votes and ballots.

The inspectors of election shall perform their duties impartially, in good faith, to the best of their ability and as expeditiously as is practical. If there are multiple inspectors of election, the decision, act or certificate of a majority is effective in all respects as the decision, act or certificate of all. Any report or certificate made by the inspectors of election is *prima facie* evidence of the facts stated therein.

ARTICLE III - DIRECTORS

3.1 POWERS

The business and affairs of the Company shall be managed by or under the direction of the Board of Directors, except as may be otherwise provided in the DGCL or the certificate of incorporation.

3.2 NUMBER OF DIRECTORS

The Board of Directors shall consist of one or more members, each of whom shall be a natural person. Unless the certificate of incorporation fixes the number of directors, the number of directors shall be determined from time to time by resolution of a majority of the Whole Board. No reduction of the authorized number of directors shall have the effect of removing any director before that director's term of office expires.

3.3 ELECTION, QUALIFICATION AND TERM OF OFFICE OF DIRECTORS

Except as provided in Section 3.4 of these bylaws, each director, including a director elected to fill a vacancy, shall hold office until the expiration of the term for which elected and until such director's successor is elected and qualified or until such director's earlier death, resignation or removal. The certificate of incorporation or these bylaws may prescribe other qualifications for directors.

If so provided in the certificate of incorporation, the directors of the Company shall be divided into three classes.

3.4 RESIGNATION AND VACANCIES

Any director may resign at any time upon notice given in writing or by electronic transmission to the Company. A resignation is effective when the resignation is delivered unless the resignation specifies a later effective date or an effective date determined upon the happening of an event or events. A resignation which is conditioned upon the director failing to receive a specified vote for reelection as a director may provide that it is irrevocable. Unless otherwise provided in the certificate of incorporation or these bylaws, when one or more directors resign from the Board of Directors, effective at a future date, a majority of the directors then in office, including those who have so resigned, shall have power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective.

Unless otherwise provided in the certificate of incorporation or these bylaws or permitted in the specific case by resolution of the Board of Directors, and subject to the rights of holders of Preferred Stock, vacancies and newly created directorships resulting from any increase in the authorized number of directors elected by all of the stockholders having the right to vote as a single class may be filled by a majority of the directors then in office,

although less than a quorum, or by a sole remaining director, and not by stockholders. If the directors are divided into classes, a person so chosen to fill a vacancy or newly created directorship shall hold office until the next election of the class for which such director shall have been chosen and until his or her successor shall have been duly elected and qualified.

3.5 PLACE OF MEETINGS; MEETINGS BY TELEPHONE

The Board of Directors may hold meetings, both regular and special, either within or outside the State of Delaware.

Unless otherwise restricted by the certificate of incorporation or these bylaws, members of the Board of Directors may participate in a meeting of the Board of Directors by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting.

3.6 REGULAR MEETINGS

Regular meetings of the Board of Directors may be held without notice at such time and at such place as shall from time to time be determined by the Board of Directors.

3.7 SPECIAL MEETINGS; NOTICE

Special meetings of the Board of Directors for any purpose or purposes may be called at any time by the chairperson of the Board of Directors, the chief executive officer, the president, the secretary or a majority of the Whole Board.

If the notice is (i) delivered personally by hand, by courier or by telephone, (ii) sent by facsimile, (iii) sent by electronic mail or (iv) otherwise given by electronic transmission, it shall be delivered, sent or otherwise directed to each director, as applicable, at least 24 hours before the time of the holding of the meeting. If the notice is sent by United States mail, it shall be deposited in the United States mail at least four days before the time of the holding of the meeting. Any oral notice may be communicated to the director. The notice need not specify the place of the meeting (if the meeting is to be held at the Company's principal executive office) nor the purpose of the meeting, unless required by statute.

3.8 QUORUM; VOTING

At all meetings of the Board of Directors, a majority of the Whole Board shall constitute a quorum for the transaction of business. If a quorum is not present at any meeting of the Board of Directors, then the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present.

Table of Contents

The affirmative vote of a majority of the directors present at any meeting at which a quorum is present shall be the act of the Board of Directors, except as may be otherwise specifically provided by statute, the certificate of incorporation or these bylaws.

If the certificate of incorporation provides that one or more directors shall have more or less than one vote per director on any matter, except as may otherwise be expressly provided herein or therein and denoted with the phrase “notwithstanding the final paragraph of Section 3.8 of the bylaws” or language to similar effect, every reference in these bylaws to a majority or other proportion of the directors shall refer to a majority or other proportion of the votes of the directors.

3.9 BOARD ACTION BY WRITTEN CONSENT WITHOUT A MEETING

Unless otherwise restricted by the certificate of incorporation or these bylaws, (i) any action required or permitted to be taken at any meeting of the Board of Directors, or of any committee thereof, may be taken without a meeting if all members of the Board of Directors or committee, as the case may be, consent thereto in writing or by electronic transmission; and (ii) a consent may be documented, signed and delivered in any manner permitted by Section 116 of the DGCL. Any person (whether or not then a director) may provide, whether through instruction to an agent or otherwise, that a consent to action will be effective at a future time (including a time determined upon the happening of an event), no later than 60 days after such instruction is given or such provision is made and such consent shall be deemed to have been given for purposes of this Section 3.9 at such effective time so long as such person is then a director and did not revoke the consent prior to such time. Any such consent shall be revocable prior to its becoming effective. After an action is taken, the consent or consents relating thereto shall be filed with the minutes of proceedings of the Board of Directors, or the committee or subcommittee thereof, in the same paper or electronic form as the minutes are maintained.

3.10 FEES AND COMPENSATION OF DIRECTORS

Unless otherwise restricted by the certificate of incorporation or these bylaws, the Board of Directors shall have the authority to fix the compensation of directors.

3.11 REMOVAL OF DIRECTORS

Any director or the entire Board of Directors may be removed from office by stockholders of the Company in the manner specified in the certificate of incorporation and applicable law. No reduction of the authorized number of directors shall have the effect of removing any director prior to the expiration of such director's term of office.

ARTICLE IV - COMMITTEES

4.1 COMMITTEES OF DIRECTORS

The Board of Directors may, by resolution passed by a majority of the Whole Board, designate one or more committees, each committee to consist of one or more of the directors of the Company. The Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any such absent or disqualified member. Any such committee, to the extent provided in the resolution of the Board of Directors or in these bylaws, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Company, and may authorize the seal of the Company to be affixed to all papers that may require it; but no such

4.2 COMMITTEE MINUTES

Each committee and subcommittee shall keep regular minutes of its meetings.

- (d) Section 3.8 (quorum; voting);
- (e) Section 3.9 (action without a meeting); and
- (f) Section 7.4 (waiver of notice)

with such changes in the context of those bylaws as are necessary to substitute the committee or subcommittee and its members for the Board of Directors and its members. *However*, (i) the time and place of regular meetings of committees or subcommittees may be determined either by resolution of the Board of Directors or by resolution of the committee or subcommittee; (ii) special meetings of committees or subcommittees may also be called by resolution of the Board of Directors or the committee or the subcommittee; and (iii) notice of special meetings of committees and subcommittees shall also be given to all alternate members who shall have the right to attend all meetings of the committee or subcommittee. The Board of Directors, or in the absence of any such action by the Board of Directors, the applicable committee or subcommittee, may adopt rules for the government of any committee or subcommittee not inconsistent with the provisions of these bylaws.

Any provision in the certificate of incorporation providing that one or more directors shall have more or less than one vote per director on any matter shall apply to voting in any committee or subcommittee, unless otherwise provided in the certificate of incorporation or these bylaws.

5.3 SUBORDINATE OFFICERS

The Board of Directors may appoint, or empower the chief executive officer or, in the absence of a chief executive officer, the president, to appoint, such other officers as the business of the Company may require. Each of such officers shall hold office for such period, have such authority, and perform such duties as are provided in these bylaws or as the Board of Directors may from time to time determine.

5.4 REMOVAL AND RESIGNATION OF OFFICERS

Subject to the rights, if any, of an officer under any contract of employment, any officer may be removed, either with or without cause, by the Board of Directors or, for the avoidance of doubt, any duly authorized committee or subcommittee thereof or by any officer who has been conferred such power of removal.

Any officer may resign at any time by giving notice, in writing or by electronic transmission, to the Company. Any resignation shall take effect at the date of the receipt of that notice or at any later time specified in that notice. Unless otherwise specified in the notice of resignation, the acceptance of the resignation shall not be necessary to make it effective. Any resignation is without prejudice to the rights, if any, of the Company under any contract to which the officer is a party.

5.5 VACANCIES IN OFFICES

Any vacancy occurring in any office of the Company shall be filled by the Board of Directors or as provided in Section 5.3.

5.6 REPRESENTATION OF SECURITIES OF OTHER ENTITIES

The authority granted herein may be exercised either by such person directly or by any other person authorized to do so by proxy or power of attorney duly executed by such person having the authority.

5.7 AUTHORITY AND DUTIES OF OFFICERS

All officers of the Company shall respectively have such authority and perform such duties in the management of the business of the Company as may be designated from time to time by the Board of Directors and, to the extent not so provided, as generally pertain to their respective offices, subject to the control of the Board of Directors.

ARTICLE VI - STOCK

6.1 STOCK CERTIFICATES; PARTLY PAID SHARES

The shares of the Company shall be represented by certificates, provided that the Board of Directors may provide by resolution or resolutions that some or all of any or all classes or series of its stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the Company. Unless otherwise provided by resolution of the Board of Directors, every holder of stock represented by certificates shall be entitled to have a certificate signed by, or in the name of, the Company by any two officers of the Company representing the number of shares registered in certificate form. Any or all of the signatures on the certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate has ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Company with the same effect as if such person were such officer, transfer agent or registrar at the date of issue. The Company shall not have power to issue a certificate in bearer form.

The Company may issue the whole or any part of its shares as partly paid and subject to call for the remainder of the consideration to be paid therefor. Upon the face or back of each stock certificate issued to represent any such partly-paid shares, or upon the books and records of the Company in the case of uncertificated partly-paid shares, the total amount of the consideration to be paid therefor and the amount paid thereon shall be stated. Upon the declaration of any dividend on fully-paid shares, the Company shall declare a dividend upon partly-paid shares of the same class, but only upon the basis of the percentage of the consideration actually paid thereon.

6.2 SPECIAL DESIGNATION ON CERTIFICATES

If the Company is authorized to issue more than one class of stock or more than one series of any class, then the powers, the designations, the preferences and the relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights shall be set forth in full or summarized on the face or back of the certificate that the Company shall issue to represent such class or series of stock; *provided, however*, that, except as otherwise provided in Section 202 of the DGCL, in lieu of the foregoing requirements, there may be set forth on the face or back of the certificate that the Company shall issue to represent such class or series of stock, a statement that the Company will furnish without charge to each stockholder who so requests the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights. Within a reasonable time after the issuance or transfer of uncertificated stock, the registered owner thereof shall be given a notice, in writing or by electronic transmission, containing the information required to be set forth or stated on certificates pursuant to this Section 6.2 or Sections 156, 202(a), 218(a) or 364 of the DGCL or with respect to this Section 6.2 a statement that the Company will furnish without charge to each stockholder who so requests the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights. Except as otherwise expressly provided by law, the rights and obligations of the holders of uncertificated stock and the rights and obligations of the holders of certificates representing stock of the same class and series shall be identical.

6.3 LOST CERTIFICATES

Except as provided in this Section 6.3, no new certificates for shares shall be issued to replace a previously issued certificate unless the latter is surrendered to the Company and cancelled at the same time. The Company may issue a new certificate of stock or uncertificated shares in the place of any certificate theretofore issued by it, alleged to have been lost, stolen or destroyed, and the Company may require the owner of the lost, stolen or destroyed certificate, or such owner's legal representative, to give the Company a bond sufficient to indemnify it

6.4 DIVIDENDS

The Board of Directors, subject to any restrictions contained in the certificate of incorporation or applicable law, may declare and pay dividends upon the shares of the Company's capital stock. Dividends may be paid in cash, in property, or in shares of the Company's capital stock, subject to the provisions of the certificate of incorporation. The Board of Directors may set apart out of any of the funds of the Company available for dividends a reserve or reserves for any proper purpose and may abolish any such reserve.

6.5 TRANSFER OF STOCK

Transfers of record of shares of stock of the Company shall be made only upon its books by the holders thereof, in person or by an attorney duly authorized, and, if such stock is certificated, upon the surrender of a certificate or certificates for a like number of shares, properly endorsed or accompanied by proper evidence of succession, assignment or authority to transfer.

6.6 STOCK TRANSFER AGREEMENTS

The Company shall have power to enter into and perform any agreement with any number of stockholders of any one or more classes of stock of the Company to restrict the transfer of shares of stock of the Company of any one or more classes owned by such stockholders in any manner not prohibited by the DGCL.

6.7 REGISTERED STOCKHOLDERS

The Company:

(a) shall be entitled to recognize the exclusive right of a person registered on its books as the owner of shares to receive dividends and notices and to vote as such owner; and

(b) shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of another person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of Delaware.

(c) Notwithstanding the other provisions set forth in this Section 6.8 or any other provision contained herein, the Board of Directors may, in its sole discretion, determine to waive, amend, or repeal the Lock-up obligations set forth in this Section 6.8, whether in whole or in part; provided, that, (i) during the Lock-up Period, any such waiver, amendment or repeal of any Lock-up obligations set forth in Section 6.8, and any waiver, amendment or repeal of this Section 6.8(c), shall require the unanimous approval of the directors present at any meeting at which a quorum is present, and (ii) following the Lock-up Period, any such waiver, amendment or repeal of any Lock-up obligations set forth in Section 6.8, and any waiver, amendment or repeal of this Section 6.8(c), shall require the affirmative vote of a majority of the directors present at any meeting at which a quorum is present.

(i) the term "**Lock-up Period**" means the period beginning on the closing date of the Merger and ending on the earliest of (a) the date that is 180 days after the closing date of the Merger, (b) the date on which the Company completes a liquidation, merger, capital stock exchange, reorganization or other similar transaction that results in all of the Company's stockholders having the right to exchange their shares of Class A Common Stock of the Company for cash, securities or other property and (c) subject to the proviso at the end of this Section 6.8(d)(i), the date on which the last sale price of the Class A Common Stock of the Company equals and exceeds \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing upon the consummation of the Merger; *provided* that notwithstanding anything herein to the contrary, with respect to Section 6.8(d)(i)(c) above, if the period in which the last sale price of the Class A Common Stock equals or exceeds \$12.00 per share (as

Table of Contents

adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period occurs prior to the 150th day following the date of consummation of the Merger, then the Lock-Up Period shall end on the 150th day following the consummation of the Merger;

(ii) the term “**Lock-up Shares**” means the shares of Class A Common Stock of the Company held by the Lock-up Holders immediately following the closing of the Merger (other than shares of Class A Common Stock of the Company acquired in the public market or pursuant to a transaction exempt from registration under the Securities Act of 1933, as amended, pursuant to a subscription agreement where the issuance of Class A Common Stock of the Company occurs on or after the closing of the Merger) and the Existing Equity Award Shares; *provided, that*, for clarity, shares of Class A Common Stock of the Company issued in connection with the PIPE Investment (as referenced in the Merger Agreement) shall not constitute Lock-up Shares;

(iii) the term “**Permitted Transferees**” means, prior to the expiration of the Lock-up Period, any person or entity to whom such Lock-up Holder is permitted to transfer such shares of Class A Common Stock of the Company prior to the expiration of the Lock-up Period pursuant to Section 6.8(b); and

ARTICLE VII - MANNER OF GIVING NOTICE AND WAIVER

7.1 NOTICE OF STOCKHOLDERS’ MEETINGS

Notice of any meeting of stockholders shall be given in the manner set forth in the DGCL.

7.2 NOTICE TO STOCKHOLDERS SHARING AN ADDRESS

Except as otherwise prohibited under the DGCL, without limiting the manner by which notice otherwise may be given effectively to stockholders, any notice to stockholders given by the Company under the provisions of the DGCL, the certificate of incorporation or these bylaws shall be effective if given by a single written notice to stockholders who share an address if consented to by the stockholders at that address to whom such notice is given. Any such consent shall be revocable by the stockholder by written notice to the Company. Any stockholder who fails to object in writing to the Company, within 60 days of having been given written notice by the Company of its intention to send the single notice, shall be deemed to have consented to receiving such single written notice. This Section 7.2 shall not apply to Sections 164, 296, 311, 312 or 324 of the DGCL.

7.3 NOTICE TO PERSON WITH WHOM COMMUNICATION IS UNLAWFUL

Whenever notice is required to be given, under the DGCL, the certificate of incorporation or these bylaws, to any person with whom communication is unlawful, the giving of such notice to such person shall not be required and there shall be no duty to apply to any governmental authority or agency for a license or permit to give such notice to such person. Any action or meeting which shall be taken or held without notice to any such person with whom communication is unlawful shall have the same force and effect as if such notice had been duly given. In the event that the action taken by the Company is such as to require the filing of a certificate under the DGCL, the certificate shall state, if such is the fact and if notice is required, that notice was given to all persons entitled to receive notice except such persons with whom communication is unlawful.

7.4 WAIVER OF NOTICE

Whenever notice is required to be given under any provision of the DGCL, the certificate of incorporation or these bylaws, a written waiver, signed by the person entitled to notice, or a waiver by electronic transmission by the person entitled to notice, whether before or after the time of the event for which notice is to be given, shall be deemed equivalent to notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the stockholders need be specified in any written waiver of notice or any waiver by electronic transmission unless so required by the certificate of incorporation or these bylaws.

ARTICLE VIII - INDEMNIFICATION

8.1 INDEMNIFICATION OF DIRECTORS AND OFFICERS IN THIRD PARTY PROCEEDINGS

Subject to the other provisions of this Article VIII, the Company shall indemnify, to the fullest extent permitted by the DGCL, as now or hereinafter in effect, any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (a “**Proceeding**”) (other than an action by or in the right of the Company) by reason of the fact that such person is or was a director or officer of the Company, or is or was a director or officer of the Company serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such Proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person’s conduct was unlawful. The termination of any Proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such person’s conduct was unlawful.

8.2 INDEMNIFICATION OF DIRECTORS AND OFFICERS IN ACTIONS BY OR IN THE RIGHT OF THE COMPANY

Subject to the other provisions of this Article VIII, the Company shall indemnify, to the fullest extent permitted by the DGCL, as now or hereinafter in effect, any person who was or is a party or is threatened to be made a party to any threatened, pending or completed Proceeding by or in the right of the Company to procure a judgment in its favor by reason of the fact that such person is or was a director or officer of the Company, or is or was a director or officer of the Company serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys’ fees) actually and reasonably incurred by such person in connection with the defense or settlement of such Proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Company; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Company unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

8.3 SUCCESSFUL DEFENSE

To the extent that a present or former director or officer (for purposes of this Section 8.3 only, as such term is defined in Section 145(c)(1) of the DGCL) of the Company has been successful on the merits or otherwise in defense of any action, suit or proceeding described in Section 8.1 or Section 8.2, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith. The Company may indemnify any other person who is not a present or former director or officer of the Company against expenses (including attorneys' fees) actually and reasonably incurred by such person to the extent he or she has been successful on the merits or otherwise in defense of any suit or proceeding described in Section 8.1 or Section 8.2, or in defense of any claim, issue or matter therein.

8.4 INDEMNIFICATION OF OTHERS

Subject to the other provisions of this Article VIII, the Company shall have power to indemnify its employees and agents, or any other persons, to the extent not prohibited by the DGCL or other applicable law. The Board of Directors shall have the power to delegate to any person or persons identified in subsections (1) through (4) of Section 145(d) of the DGCL the determination of whether employees or agents shall be indemnified.

8.5 ADVANCED PAYMENT OF EXPENSES

Expenses (including attorneys' fees) actually and reasonably incurred by an officer or director of the Company in defending any Proceeding shall be paid by the Company in advance of the final disposition of such Proceeding upon receipt of a written request therefor (together with documentation reasonably evidencing such expenses) and an undertaking by or on behalf of the person to repay such amounts if it shall ultimately be determined that the person is not entitled to be indemnified under this Article VIII or the DGCL. Such expenses (including attorneys' fees) actually and reasonably incurred by former directors and officers or other employees and agents of the Company or by persons serving at the request of the Company as directors, officers, employees or agents of another corporation, partnership, joint venture, trust or other enterprise may be so paid upon such terms and conditions, if any, as the Company deems appropriate. The right to advancement of expenses shall not apply to any Proceeding (or any part of any Proceeding) for which indemnity is excluded pursuant to these bylaws, but shall apply to any Proceeding (or any part of any Proceeding) referenced in Section 8.6(b) or 8.6(c) prior to a determination that the person is not entitled to be indemnified by the Company.

Notwithstanding the foregoing, unless otherwise determined pursuant to Section 8.8, no advance shall be made by the Company to an officer of the Company (except by reason of the fact that such officer is or was a director of the Company, in which event this paragraph shall not apply) in any Proceeding if a determination is reasonably and promptly made (a) by a vote of the directors who are not parties to such Proceeding, even though less than a quorum, or (b) by a committee of such directors designated by the vote of the majority of such directors, even though less than a quorum, or (c) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, that facts known to the decision-making party at the time such determination is made demonstrate clearly and convincingly that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the Company.

8.6 LIMITATION ON INDEMNIFICATION

Subject to the requirements in Section 8.3 and the DGCL, the Company shall not be obligated to indemnify any person pursuant to this Article VIII in connection with any Proceeding (or any part of any Proceeding):

(a) for which payment has actually been made to or on behalf of such person under any statute, insurance policy, indemnity provision, vote or otherwise, except with respect to any excess beyond the amount paid;

(b) for an accounting or disgorgement of profits pursuant to Section 16(b) of the 1934 Act, or similar provisions of federal, state or local statutory law or common law, if such person is held liable therefor (including pursuant to any settlement arrangements);

(c) for any reimbursement of the Company by such person of any bonus or other incentive-based or equity-based compensation or of any profits realized by such person from the sale of securities of the Company, as required in each case under the 1934 Act (including any such reimbursements that arise from an accounting restatement of the Company pursuant to Section 304 of the Sarbanes-Oxley Act of 2002 (the “**Sarbanes-Oxley Act**”), or the payment to the Company of profits arising from the purchase and sale by such person of securities in violation of Section 306 of the Sarbanes-Oxley Act), if such person is held liable therefor (including pursuant to any settlement arrangements);

(d) initiated by such person, including any Proceeding (or any part of any Proceeding) initiated by such person against the Company or its directors, officers, employees, agents or other indemnitees, unless (i) the Board of Directors authorized the Proceeding (or the relevant part of the Proceeding) prior to its initiation, (ii) the Company provides the indemnification, in its sole discretion, pursuant to the powers vested in the Company under applicable law, (iii) otherwise required to be made under Section 8.7 or (iv) otherwise required by applicable law; or

(e) if prohibited by applicable law.

8.7 DETERMINATION; CLAIM

If a claim for indemnification or advancement of expenses under this Article VIII is not paid in full within 90 days after receipt by the Company of the written request therefor, the claimant shall be entitled to an adjudication by a court of competent jurisdiction of his or her entitlement to such indemnification or advancement of expenses. The Company shall indemnify such person against any and all expenses that are actually and reasonably incurred by such person in connection with any action for indemnification or advancement of expenses from the Company under this Article VIII, to the extent such person is successful in such action, and to the extent not prohibited by law. In any such suit, the Company shall, to the fullest extent not prohibited by law, have the burden of proving that the claimant is not entitled to the requested indemnification or advancement of expenses.

8.8 NON-EXCLUSIVITY OF RIGHTS

The indemnification and advancement of expenses provided by, or granted pursuant to, this Article VIII shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under the certificate of incorporation or any statute, bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person’s official capacity and as to action in another capacity while holding such office. The Company is specifically authorized to enter into individual contracts with any or all of its directors, officers, employees or agents respecting indemnification and advancement of expenses, to the fullest extent not prohibited by the DGCL or other applicable law.

8.9 INSURANCE

The Company may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Company, or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person’s status as such, whether or not the Company would have the power to indemnify such person against such liability under the provisions of the DGCL.

8.10 SURVIVAL

The rights to indemnification and advancement of expenses conferred by this Article VIII shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

8.11 EFFECT OF REPEAL OR MODIFICATION

A right to indemnification or to advancement of expenses arising under a provision of the certificate of incorporation or a bylaw shall not be eliminated or impaired by an amendment to or repeal or elimination of the certificate of incorporation or these bylaws after the occurrence of the act or omission that is the subject of the civil, criminal, administrative or investigative action, suit or proceeding for which indemnification or advancement of expenses is sought, unless the provision in effect at the time of such act or omission explicitly authorizes such elimination or impairment after such action or omission has occurred.

8.12 CERTAIN DEFINITIONS

For purposes of this Article VIII, references to the “**Company**” shall include, in addition to the resulting company, any constituent company (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent company, or is or was serving at the request of such constituent company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Article VIII with respect to the resulting or surviving company as such person would have with respect to such constituent company if its separate existence had continued. For purposes of this Article VIII, references to “**other enterprises**” shall include employee benefit plans; references to “**finances**” shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to “**serving at the request of the Company**” shall include any service as a director, officer, employee or agent of the Company which imposes duties on, or involves services by, such director, officer, employee or agent with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner “**not opposed to the best interests of the Company**” as referred to in this Article VIII.

ARTICLE IX - GENERAL MATTERS

9.1 EXECUTION OF CORPORATE CONTRACTS AND INSTRUMENTS

Except as otherwise provided by law, the certificate of incorporation or these bylaws, the Board of Directors may authorize any officer or officers, or agent or agents, to enter into any contract or execute any document or instrument in the name of and on behalf of the Company; such authority may be general or confined to specific instances. 9.4 CONSTRUCTION; DEFINITIONS

Unless the context requires otherwise, the general provisions, rules of construction, and definitions in the DGCL shall govern the construction of these bylaws. These bylaws may be adopted, amended or repealed by the stockholders entitled to vote; provided, however, that the affirmative vote of the holders of at least 66 2/3% of the total voting power of outstanding voting securities, voting together as a single class, shall be required for the stockholders of the Company to alter, amend or repeal, or adopt any bylaw inconsistent with, the following provisions of these bylaws: Article II, Section 3.1, Section 3.2, Section 3.4, Section 3.11, Article VIII or this Article X (including, without limitation, any such Article or Section as renumbered as a result of any amendment, alteration, change, repeal, or adoption of any other bylaw). The Board of Directors shall also have the power to adopt, amend or repeal bylaws.

§ 262. Appraisal rights

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. (1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of the meeting of stockholders to act upon the agreement of merger or consolidation (or, in the case of a merger pursuant to § 251(h), as of immediately prior to the execution of the agreement of merger), were either: (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in § 251(f) of this title.

(2) Notwithstanding paragraph (b)(1) of this section, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 255, 256, 257, 258, 263 and 264 of this title to accept for such stock anything except:

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 253 or § 267 of this title is not owned by the parent immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(4) [Repealed.]

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent

corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the provisions of this section, including those set forth in subsections (d),(e), and (g) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for notice of such meeting (or such members who received notice in accordance with § 255(c) of this title) with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) of this section that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares; provided that a demand may be delivered to the corporation by electronic transmission if directed to an information processing system (if any) expressly designated for that purpose in such notice. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228, § 251(h), § 253, or § 267 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of giving such notice or, in the case of a merger approved pursuant to § 251(h) of this title, within the later of the consummation of the offer contemplated by § 251(h) of this title and 20 days after the date of giving such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares; provided that a demand may be delivered to the corporation by electronic transmission if directed to an information processing system (if any) expressly designated for that purpose in such notice. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice or, in the case of a merger approved pursuant to § 251(h) of this title, later than the later of the consummation of the offer contemplated by § 251(h) of this title and 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this

subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon request given in writing (or by electronic transmission directed to an information processing system (if any) expressly designated for that purpose in the notice of appraisal), shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation (or, in the case of a merger approved pursuant to § 251(h) of this title, the aggregate number of shares (other than any excluded stock (as defined in § 251(h)(6)d. of this title)) that were the subject of, and were not tendered into, and accepted for purchase or exchange in, the offer referred to in § 251(h)(2)), and, in either case, with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such statement shall be given to the stockholder within 10 days after such stockholder's request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder. If immediately before the merger or consolidation the shares of the class

or series of stock of the constituent corporation as to which appraisal rights are available were listed on a national securities exchange, the Court shall dismiss the proceedings as to all holders of such shares who are otherwise entitled to appraisal rights unless (1) the total number of shares entitled to appraisal exceeds 1% of the outstanding shares of the class or series eligible for appraisal, (2) the value of the consideration provided in the merger or consolidation for such total number of shares exceeds \$1 million, or (3) the merger was approved pursuant to § 253 or § 267 of this title.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding the Court shall determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, and except as provided in this subsection, interest from the effective date of the merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the merger and the date of payment of the judgment. At any time before the entry of judgment in the proceedings, the surviving corporation may pay to each stockholder entitled to appraisal an amount in cash, in which case interest shall accrue thereafter as provided herein only upon the sum of (1) the difference, if any, between the amount so paid and the fair value of the shares as determined by the Court, and (2) interest theretofore accrued, unless paid at that time. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; provided, however that this provision shall not

affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation within 60 days after the effective date of the merger or consolidation, as set forth in subsection (e) of this section.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.

In addition, Shares may become available for issuance under Sections 3.2 and 3.3. The Shares may be authorized but unissued, or reacquired Common Stock.

3.2 **Automatic Share Reserve Increase.** Subject to adjustment upon changes in capitalization of the Company as provided in Section 15, the number of Shares available for issuance under the Plan will be increased on the first day of each Fiscal Year beginning with the 2022 Fiscal Year, in an amount equal to the least of (a) 22,504,700 Shares, (b) a number of Shares equal to five percent (5%) of the total number of shares of all classes of common stock of the Company outstanding on the last day of the immediately preceding Fiscal Year, or (c) such number of Shares determined by the Administrator no later than the last day of the immediately preceding Fiscal Year.

Such terms and conditions include, but are not limited to, the exercise price, the time or times when Awards may be exercised (which may be based on performance criteria), any vesting acceleration

or waiver of forfeiture restrictions, and any restriction or limitation regarding any Award or the Shares relating thereto (including but not limited to, temporarily suspending the exercisability of an Award if the Administrator deems such suspension to be necessary or appropriate for administrative purposes or to comply with Applicable Laws, provided that such suspension must be lifted prior to the expiration of the maximum term and post-termination exercisability period of an Award), based in each case on such factors as the Administrator will determine;

(f) to institute and determine the terms and conditions of an Exchange Program, including, subject to Section 20.3, to unilaterally implement an Exchange Program without the consent of the applicable Award holder;

(g) to construe and interpret the terms of the Plan and Awards granted pursuant to the Plan;

(h) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of facilitating compliance with applicable non-U.S. laws, easing the administration of the Plan and/or for qualifying for favorable tax treatment under applicable non-U.S. laws, in each case as the Administrator may deem necessary or advisable;

(i) to modify or amend each Award (subject to Section 20.3), including but not limited to the discretionary authority to extend the post-termination exercisability period of Awards and to extend the maximum term of an Option or Stock Appreciation Right (subject to Sections 6.4 and 7.5);

(j) to allow Participants to satisfy withholding tax obligations in a manner prescribed in Section 16;

(k) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator;

(l) to allow a Participant to defer the receipt of the payment of cash or the delivery of Shares that otherwise would be due to such Participant under an Award; and

(m) to make all other determinations deemed necessary or advisable for administering the Plan.

4.3 Effect of Administrator's Decision. The Administrator's decisions, determinations and interpretations will be final and binding on all Participants and any other holders of Awards and will be given the maximum deference permitted by Applicable Laws.

5. Eligibility. Nonstatutory Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, or Performance Awards may be granted to Service Providers. Incentive Stock Options may be granted only to Employees.

6. Stock Options.

6.1 Grant of Options. Subject to the terms and provisions of the Plan, the Administrator, at any time and from time to time, may grant Options to Service Providers in such amounts as the Administrator, in its sole discretion, will determine.

6.2 Option Agreement. Each Award of an Option will be evidenced by an Award Agreement that will specify the exercise price, the term of the Option, the number of Shares subject to the Option, the exercise restrictions, if any, applicable to the Option, and such other terms and conditions as the Administrator, in its sole discretion, will determine.

6.3 Limitations. Each Option will be designated in the Award Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. Notwithstanding such designation, however, to the extent that the aggregate fair market value of the shares with respect to which incentive stock options are exercisable for the first time by the Participant during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds one hundred thousand dollars (\$100,000), such options will be treated as nonstatutory stock options. For purposes of this Section 6.3, incentive stock options will be taken into account in the order in which they were granted, the fair market value of the shares will be determined as of the time the option with respect to such shares is granted, and calculation will be performed in accordance with Code Section 422 and the U.S. Treasury Regulations promulgated thereunder.

6.4 Term of Option. The term of each Option will be stated in the Award Agreement; provided, however, that the term will be no more than ten (10) years from the date of grant thereof. In the case of an Incentive Stock Option granted to a Participant who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary of the Company, the term of the Incentive Stock Option will be five (5) years from the date of grant or such shorter term as may be provided in the Award Agreement.

6.5 Option Exercise Price and Consideration.

6.5.1 Exercise Price. The per Share exercise price for the Shares to be issued pursuant to the exercise of an Option will be determined by the Administrator, but will be no less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant. In addition, in the case of an Incentive Stock Option granted to an Employee who owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary of the Company, the per Share exercise price will be no less than one hundred ten percent (110%) of the Fair Market Value per Share on the date of grant. Notwithstanding the foregoing provisions of this Section 6.5.1, Options may be granted with a per Share exercise price of less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant pursuant to a transaction described in, and in a manner consistent with, Code Section 424(a).

6.5.2 Waiting Period and Exercise Dates. At the time an Option is granted, the Administrator will fix the period within which the Option may be exercised and will determine any conditions that must be satisfied before the Option may be exercised.

6.5.3 Form of Consideration. The Administrator will determine the acceptable form of consideration for exercising an Option, including the method of payment. In the case of an Incentive Stock Option, the Administrator will determine the acceptable form of consideration at the time of grant. Such consideration may consist entirely of: (a) cash (including cash equivalents); (b) check; (c) promissory note, to the extent permitted by Applicable Laws, (d) other Shares, provided that such Shares have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which such Option will be exercised and provided further that accepting such Shares will not result in any adverse accounting consequences to the Company, as the Administrator determines in its sole discretion; (e) consideration received by the Company under a cashless exercise program (whether through a broker or otherwise) implemented by the Company in connection with the Plan; (f) by net exercise; (g) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws, or (h) any combination of the foregoing methods of payment. In making its determination as to the type of consideration to accept, the Administrator will consider if acceptance of such consideration may be reasonably expected to benefit the Company.

6.6 Exercise of Option.

6.6.1 Procedure for Exercise; Rights as a Stockholder. Any Option granted hereunder will be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share.

An Option will be deemed exercised when the Company receives: (a) notice of exercise (in such form as the Administrator may specify from time to time) from the person entitled to exercise the Option, and (b) full payment for the Shares with respect to which the Option is exercised (together with applicable tax withholdings). Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Award Agreement and the Plan. Shares issued upon exercise of an Option will be issued in the name of the Participant or, if requested by the Participant, in the name of the Participant and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder will exist with respect to the Shares subject to an Option, notwithstanding the exercise of the Option. The Company will issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 15 of the Plan.

Exercising an Option in any manner will decrease the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

6.6.2 Termination of Relationship as a Service Provider. If a Participant ceases to be a Service Provider, other than upon such cessation as the result of the Participant's death or Disability, the Participant may exercise his or her Option within three (3) months of such cessation, or such shorter or longer period of time, as is specified in the Award Agreement, in no event later than the expiration of the term of such Option as set forth in the Award Agreement or Section 6.4. Unless otherwise provided by the Administrator or set forth in the Award Agreement or other written agreement authorized by the Administrator between the Participant and the Company or any of its Subsidiaries or Parents, as applicable, if on such date of cessation the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will revert to the Plan immediately. If after such cessation the Participant does not exercise his or her Option within the time specified by the Administrator, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

6.6.3 Disability of Participant. If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within six (6) months of cessation, or such longer or shorter period of time as is specified in the Award Agreement (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement or Section 6.4, as applicable) to the extent the Option is vested on such date of cessation. Unless otherwise provided by the Administrator or set forth in the Award Agreement or other written agreement authorized by the Administrator between the Participant and the Company or any of its Subsidiaries or Parents, as applicable, if on the date of cessation the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will revert to the Plan immediately. If after such cessation the Participant does not exercise his or her Option within the time specified herein, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

6.6.4 Death of Participant. If a Participant dies while a Service Provider, the Option may be exercised within six (6) months following the Participant's death, or within such longer or shorter period of time as is specified in the Award Agreement (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement or Section 6.4, as applicable), by the Participant's designated beneficiary, provided such beneficiary has been designated prior to the Participant's death in a form (if any) acceptable to the Administrator. If the Administrator has not permitted the designation of a beneficiary or if no such beneficiary has been designated by the Participant, then such Option may be exercised by the personal representative of the Participant's estate or by the person(s) to whom the Option is transferred pursuant to the Participant's will or in accordance with the laws of descent and distribution (each, a "**Legal Representative**"). If the Option is exercised pursuant to this Section 6.6.4, Participant's designated beneficiary or Legal Representative shall be subject to the terms of this Plan and the Award Agreement, including but not limited to the restrictions on transferability and forfeitability applicable to the Service Provider. Unless otherwise provided by the Administrator or set forth in

Table of Contents

the Award Agreement or other written agreement authorized by the Administrator between the Participant and the Company or any of its Subsidiaries or Parents, as applicable, if at the time of death Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option will revert to the Plan immediately. If the Option is not so exercised within the time specified herein, the Option will terminate, and the Shares covered by such Option will revert to the Plan.

6.6.5 Tolling Expiration. A Participant's Award Agreement may also provide that:

(a) if the exercise of the Option following the cessation of Participant's status as a Service Provider (other than upon the Participant's death or Disability) would result in liability under Section 16b, then the Option will terminate on the earlier of (i) the expiration of the term of the Option set forth in the Award Agreement, or (ii) the tenth (10th) day after the last date on which such exercise would result in liability under Section 16b; or

(b) if the exercise of the Option following the cessation of the Participant's status as a Service Provider (other than upon the Participant's death or Disability) would be prohibited at any time solely because the issuance of Shares would violate the registration requirements under the Securities Act, then the Option will terminate on the earlier of (i) the expiration of the term of the Option or (ii) the expiration of a period of thirty (30) days after the cessation of the Participant's status as a Service Provider during which the exercise of the Option would not be in violation of such registration requirements.

7. Stock Appreciation Rights.

7.1 Grant of Stock Appreciation Rights. Subject to the terms and conditions of the Plan, a Stock Appreciation Right may be granted to Service Providers at any time and from time to time as will be determined by the Administrator, in its sole discretion.

7.2 Number of Shares. The Administrator will have complete discretion to determine the number of Shares subject to any Award of Stock Appreciation Rights.

7.3 Exercise Price and Other Terms. The per Share exercise price for the Shares that will determine the amount of the payment to be received upon exercise of a Stock Appreciation Right as set forth in Section 7.6 will be determined by the Administrator and will be no less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant. Otherwise, the Administrator, subject to the provisions of the Plan, will have complete discretion to determine the terms and conditions of Stock Appreciation Rights granted under the Plan.

7.4 Stock Appreciation Right Agreement. Each Stock Appreciation Right grant will be evidenced by an Award Agreement that will specify the exercise price, the term of the Stock Appreciation Right, the conditions of exercise, and such other terms and conditions as the Administrator, in its sole discretion, will determine.

7.5 Expiration of Stock Appreciation Rights. A Stock Appreciation Right granted under the Plan will expire upon the date determined by the Administrator, in its sole discretion, and set forth in the Award Agreement. Notwithstanding the foregoing, the rules of Section 6.4 relating to the maximum term and Section 6.6 relating to exercise also will apply to Stock Appreciation Rights.

7.6 Payment of Stock Appreciation Right Amount. Upon exercise of a Stock Appreciation Right, a Participant will be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times
- (b) The number of Shares with respect to which the Stock Appreciation Right is exercised.

At the discretion of the Administrator, the payment upon Stock Appreciation Right exercise may be in cash, in Shares of equivalent value, or in some combination thereof.

8. Restricted Stock.

8.1 Grant of Restricted Stock. Subject to the terms and provisions of the Plan, the Administrator, at any time and from time to time, may grant Shares of Restricted Stock to Service Providers in such amounts as the Administrator, in its sole discretion, will determine.

8.2 Restricted Stock Agreement. Each Award of Restricted Stock will be evidenced by an Award Agreement that will specify the Period of Restriction (if any), the number of Shares granted, and such other terms and conditions as the Administrator, in its sole discretion, will determine. Unless the Administrator determines otherwise, the Company as escrow agent will hold Shares of Restricted Stock until the restrictions on such Shares have lapsed. The Administrator, in its sole discretion, may determine that an Award of Restricted Stock will not be subject to any Period of Restriction and consideration for such Award is paid for by past services rendered as a Service Provider.

8.3 Transferability. Except as provided in this Section 8 or as the Administrator determines, Shares of Restricted Stock may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction.

8.4 Other Restrictions. The Administrator, in its sole discretion, may impose such other restrictions on Shares of Restricted Stock as it may deem advisable or appropriate.

8.5 Removal of Restrictions. Except as otherwise provided in this Section 8, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan will be released from escrow as soon as practicable after the last day of the Period of Restriction or at such other time as the Administrator may determine. The Administrator, in its discretion, may accelerate the time at which any restrictions will lapse or be removed.

8.6 Voting Rights. During the Period of Restriction, Service Providers holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless the Administrator determines otherwise.

8.7 Dividends and Other Distributions. During the Period of Restriction, Service Providers holding Shares of Restricted Stock will be entitled to receive all dividends and other distributions paid with respect to such Shares, unless the Administrator provides otherwise. If any such dividends or distributions are paid in Shares, the Shares will be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid.

8.8 Return of Restricted Stock to Company. On the date set forth in the Award Agreement, the Restricted Stock for which restrictions have not lapsed will revert to the Company and again will become available for grant under the Plan.

9. Restricted Stock Units.

9.1 Grant. Restricted Stock Units may be granted at any time and from time to time as determined by the Administrator. After the Administrator determines that it will grant Restricted Stock Units, it will advise the Participant in an Award Agreement of the terms, conditions, and restrictions related to the grant, including the number of Restricted Stock Units.

9.2 Vesting Criteria and Other Terms. The Administrator will set vesting criteria in its discretion, which, depending on the extent to which the criteria are met, will determine the number of Restricted Stock Units

Table of Contents

that will be paid out to the Participant. The Administrator may set vesting criteria based upon the achievement of Company-wide, divisional, business unit, or individual goals (including, but not limited to, continued employment or service), applicable federal or state securities laws or any other basis determined by the Administrator in its discretion.

9.3 Earning Restricted Stock Units. Upon meeting the applicable vesting criteria, the Participant will be entitled to receive a payout as determined by the Administrator. Notwithstanding the foregoing, at any time after the grant of Restricted Stock Units, the Administrator, in its sole discretion, may reduce or waive any vesting criteria that must be met to receive a payout.

9.4 Form and Timing of Payment. Payment of earned Restricted Stock Units will be made at the time(s) determined by the Administrator and set forth in the Award Agreement. The Administrator, in its sole discretion, may settle earned Restricted Stock Units in cash, Shares, or a combination of both.

9.5 Cancellation. On the date set forth in the Award Agreement, all unearned Restricted Stock Units will be forfeited to the Company.

10. Performance Awards.

10.1 Award Agreement. Each Performance Award will be evidenced by an Award Agreement that will specify any time period during which any performance objectives or other vesting provisions will be measured ("Performance Period"), and such other terms and conditions as the Administrator determines. Each Performance Award will have an initial value that is determined by the Administrator on or before its date of grant.

10.2 Objectives or Vesting Provisions and Other Terms. The Administrator will set any objectives or vesting provisions that, depending on the extent to which any such objectives or vesting provisions are met, will determine the value of the payout for the Performance Awards. The Administrator may set vesting criteria based upon the achievement of Company-wide, divisional, business unit, or individual goals (including, but not limited to, continued employment or service), applicable federal or state securities laws, or any other basis determined by the Administrator in its discretion.

10.3 Earning Performance Awards. After an applicable Performance Period has ended, the holder of a Performance Award will be entitled to receive a payout for the Performance Award earned by the Participant over the Performance Period. The Administrator, in its discretion, may reduce or waive any performance objectives or other vesting provisions for such Performance Award.

10.4 Form and Timing of Payment. Payment of earned Performance Awards will be made at the time(s) determined by the Administrator and set forth in the Award Agreement. The Administrator, in its sole discretion, may settle earned Performance Awards in cash, Shares, or a combination of both.

10.5 Cancellation of Performance Awards. On the date set forth in the Award Agreement, all unearned or unvested Performance Awards will be forfeited to the Company, and again will be available for grant under the Plan.

11. Outside Director Award Limitations. No Outside Director may be granted, in any Fiscal Year, equity awards (including any Awards granted under this Plan), the value of which will be based on their grant date fair value determined in accordance with U.S. generally accepted accounting principles, and be provided any other compensation (including without limitation any cash retainers or fees) in amounts that, in the aggregate, exceed \$500,000, provided that such amount is increased to \$800,000 in the Fiscal Year of his or her initial service as an Outside Director. Any Awards or other compensation provided to an individual (a) for his or her services as an Employee, or for his or her services as a Consultant other than as an Outside Director, or (b) prior to the closing of the Merger, will be excluded for purposes of this Section 11.

12. Compliance With Section 409A. Awards will be designed and operated in such a manner that they are either exempt from the application of, or comply with, the requirements of Section 409A such that the grant, payment, settlement or deferral will not be subject to the additional tax or interest applicable under Section 409A, except as otherwise determined in the sole discretion of the Administrator. The Plan and each Award Agreement under the Plan is intended to be exempt from or meet the requirements of Section 409A and will be construed and interpreted in accordance with such intent (including with respect to any ambiguities or ambiguous terms), except as otherwise determined in the sole discretion of the Administrator. To the extent that an Award or payment, or the settlement or deferral thereof, is subject to Section 409A the Award will be granted, paid, settled or deferred in a manner that will meet the requirements of Section 409A, such that the grant, payment, settlement or deferral will not be subject to the additional tax or interest applicable under Section 409A. In no event will the Company or any of its Parent or Subsidiaries have any responsibility, liability, or obligation to reimburse, indemnify, or hold harmless a Participant (or any other person) in respect of Awards, for any taxes, penalties or interest that may be imposed on, or other costs incurred by, Participant (or any other person) as a result of Section 409A.

13. Leaves of Absence/Transfer Between Locations. Unless the Administrator provides otherwise or as otherwise required by Applicable Laws, vesting of Awards granted hereunder will be suspended during any unpaid leave of absence. A Participant will not cease to be an Employee in the case of (a) any leave of absence approved by the Company or (b) transfers between locations of the Company or between the Company, its Parent, or any of its Subsidiaries. For purposes of Incentive Stock Options, no such leave may exceed three (3) months, unless reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Company is not so guaranteed, then six (6) months following the first (1st) day of such leave, any Incentive Stock Option held by the Participant will cease to be treated as an Incentive Stock Option and will be treated for tax purposes as a Nonstatutory Stock Option.

14. Limited Transferability of Awards. Unless determined otherwise by the Administrator, Awards may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution (which, for purposes of clarification, shall be deemed to include through a beneficiary designation if available in accordance with Section 6.6), and may be exercised, during the lifetime of the Participant, only by the Participant. If the Administrator makes an Award transferable, such Award will contain such additional terms and conditions as the Administrator deems appropriate.

15. Adjustments; Dissolution or Liquidation; Merger or Change in Control

15.1 Adjustments. In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, reclassification, repurchase, or exchange of Shares or other securities of the Company, or other change in the corporate structure of the Company affecting the Shares occurs (other than any ordinary dividends or other ordinary distributions), the Administrator, in order to prevent diminution or enlargement of the benefits or potential benefits intended to be made available under the Plan, will adjust the number and class of shares of stock that may be delivered under the Plan and/or the number, class, and price of shares of stock covered by each outstanding Award, and numerical Share limits in Section 3.

15.2 Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator will notify each Participant as soon as practicable prior to the effective date of such proposed transaction. To the extent it has not been previously exercised, an Award will terminate immediately prior to the consummation of such proposed action.

15.3 Merger or Change in Control. In the event of a merger of the Company with or into another corporation or other entity or a Change in Control, each outstanding Award will be treated as the Administrator determines (subject to the provisions of the following paragraph) without a Participant's consent, including,

Table of Contents

without limitation, that (a) Awards will be assumed, or substantially equivalent awards will be substituted, by the acquiring or succeeding corporation (or an affiliate thereof) with appropriate adjustments as to the number and kind of shares and prices; (b) upon written notice to a Participant, that the Participant's Awards will terminate upon or immediately prior to the consummation of such merger or Change in Control; (c) outstanding Awards will vest and become exercisable, realizable, or payable, or restrictions applicable to an Award will lapse, in whole or in part prior to or upon consummation of such merger or Change in Control, and, to the extent the Administrator determines, terminate upon or immediately prior to the effectiveness of such merger or Change in Control; (d) (i) the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Administrator determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be terminated by the Company without payment), or (ii) the replacement of such Award with other rights or property selected by the Administrator in its sole discretion; or (e) any combination of the foregoing. In taking any of the actions permitted under this Section 15.3, the Administrator will not be obligated to treat all Awards, all Awards held by a Participant, all Awards of the same type, or all portions of Awards, similarly.

In the event that the successor corporation does not assume or substitute for the Award (or portion thereof), the Participant will fully vest in and have the right to exercise his or her outstanding Options and Stock Appreciation Rights (or portions thereof) not assumed or substituted for, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock, Restricted Stock Units, or Performance Awards (or portions thereof) not assumed or substituted for will lapse, and, with respect to Awards with performance-based vesting (or portions thereof) not assumed or substituted for, all performance goals or other vesting criteria will be deemed achieved at one hundred percent (100%) of target levels and all other terms and conditions met, in each case, unless specifically provided otherwise under the applicable Award Agreement or other written agreement authorized by the Administrator between the Participant and the Company or any of its Subsidiaries or Parents, as applicable. In addition, unless specifically provided otherwise under the applicable Award Agreement or other written agreement authorized by the Administrator between the Participant and the Company or any of its Subsidiaries or Parents, as applicable, if an Option or Stock Appreciation Right (or portion thereof) is not assumed or substituted in the event of a merger or Change in Control, the Administrator will notify the Participant in writing or electronically that the Option or Stock Appreciation Right (or its applicable portion) will be exercisable for a period of time determined by the Administrator in its sole discretion, and the Option or Stock Appreciation Right (or its applicable portion) will terminate upon the expiration of such period.

For the purposes of this Section 15.3 and Section 15.4 below, an Award will be considered assumed if, following the merger or Change in Control, the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the merger or Change in Control, the consideration (whether stock, cash, or other securities or property) received in the merger or Change in Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the merger or Change in Control is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of an Option or Stock Appreciation Right or upon the payout of a Restricted Stock Unit or Performance Award, for each Share subject to such Award, to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the merger or Change in Control.

Notwithstanding anything in this Section 15.3 to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more performance goals will not be considered assumed if the Company or its successor modifies any of such performance goals without the Participant's consent, in all cases, unless specifically provided otherwise under the applicable Award Agreement or other written agreement authorized by

the Administrator between the Participant and the Company or any of its Subsidiaries or Parents, as applicable; provided, however, a modification to such performance goals only to reflect the successor corporation's post-Change in Control corporate structure will not be deemed to invalidate an otherwise valid Award assumption.

Notwithstanding anything in this Section 15.3 to the contrary, and unless otherwise provided in an Award Agreement, if an Award that vests, is earned or paid-out under an Award Agreement is subject to Section 409A and if the change in control definition contained in the Award Agreement (or other agreement related to the Award, as applicable) does not comply with the definition of "change in control" for purposes of a distribution under Section 409A, then any payment of an amount that is otherwise accelerated under this Section will be delayed until the earliest time that such payment would be permissible under Section 409A without triggering any penalties applicable under Section 409A.

15.4 Outside Director Awards. With respect to Awards granted to an Outside Director while such individual was an Outside Director that are assumed or substituted for, if on the date of or following such assumption or substitution the Participant's status as a Director or a director of the successor corporation, as applicable, is terminated other than upon a voluntary resignation by the Participant (unless such resignation is at the request of the acquirer), then the Outside Director will fully vest in and have the right to exercise Options and/or Stock Appreciation Rights as to all of the Shares underlying such Award, including those Shares which otherwise would not be vested or exercisable, all restrictions on Restricted Stock and Restricted Stock Units will lapse, and, with respect to Awards with performance-based vesting, all performance goals or other vesting criteria will be deemed achieved at one hundred percent (100%) of target levels and all other terms and conditions met, unless specifically provided otherwise under the applicable Award Agreement or other written agreement authorized by the Administrator between the Participant and the Company or any of its Parent or Subsidiaries, as applicable.

16. Tax Withholding.

16.1 Withholding Requirements. Prior to the delivery of any Shares or cash pursuant to an Award (or exercise thereof) or such earlier time as any tax withholdings are due, the Company (or any of its Parent, Subsidiaries, or affiliates employing or retaining the services of a Participant, as applicable) will have the power and the right to deduct or withhold, or require a Participant to remit to the Company (or any of its Parent, Subsidiaries, or affiliates, as applicable) or a relevant tax authority, an amount sufficient to satisfy U.S. federal, state, local, non-U.S., and other taxes (including the Participant's FICA or other social insurance contribution obligation) required to be withheld or paid with respect to such Award (or exercise thereof).

16.2 Withholding Arrangements. The Administrator, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit a Participant to satisfy such tax liability or withholding obligation, in whole or in part by such methods as the Administrator shall determine, including, without limitation, (a) paying cash, check or other cash equivalents, (b) electing to have the Company withhold otherwise deliverable cash or Shares having a fair market value equal to the minimum statutory amount required to be withheld or such greater amount as the Administrator may determine if such amount would not have adverse accounting consequences, as the Administrator determines in its sole discretion, (c) delivering to the Company already-owned Shares having a fair market value equal to the minimum statutory amount required to be withheld or such greater amount as the Administrator may determine, in each case, provided the delivery of such Shares will not result in any adverse accounting consequences, as the Administrator determines in its sole discretion, (d) selling a sufficient number of Shares otherwise deliverable to the Participant through such means as the Administrator may determine in its sole discretion (whether through a broker or otherwise) equal to the amount required to be withheld or paid, (e) such other consideration and method of payment for the meeting of tax liabilities or withholding obligations as the Administrator may determine to the extent permitted by Applicable Laws, or (f) any combination of the foregoing methods of payment. The amount of the withholding obligation will be deemed to include any amount which the Administrator agrees may be withheld at the time the election is made, not to exceed the amount determined by using the maximum federal, state or local marginal

Table of Contents

income tax rates applicable to the Participant with respect to the Award on the date that the amount of tax to be withheld is to be determined or such greater amount as the Administrator may determine if such amount would not have adverse accounting consequences, as the Administrator determines in its sole discretion. The fair market value of the Shares to be withheld or delivered will be determined as of the date that the taxes are required to be withheld.

17. No Effect on Employment or Service. Neither the Plan nor any Award will confer upon a Participant any right with respect to continuing the Participant's relationship as a Service Provider with the Company or its Subsidiaries or Parents, as applicable, nor will they interfere in any way with the Participant's right or the right of the Company and its Subsidiaries or Parents, as applicable, to terminate such relationship at any time, free from any liability or claim under the Plan.

18. Date of Grant. The date of grant of an Award will be, for all purposes, the date on which the Administrator makes the determination granting such Award, or such other later date as is determined by the Administrator. Notice of the determination will be provided to each Participant within a reasonable time after the date of such grant.

19. Term of Plan. Subject to Section 23 of the Plan, the Plan will become effective upon the later to occur of (a) its adoption by the Board, (b) approval by the Company's stockholders, or (c) the time as of immediately prior to the completion of the Merger. The Plan will continue in effect until terminated under Section 20 of the Plan, but (i) no Options that qualify as incentive stock options within the meaning of Code Section 422 may be granted after ten (10) years from the earlier of the Board or stockholder approval of the Plan and (ii) Section 3.2 relating to the automatic share reserve increase will operate only until the ten (10) year anniversary of the earlier of the Board or stockholder approval of the Plan.

20. Amendment and Termination of the Plan.

20.1 Amendment and Termination. The Administrator, in its sole discretion, may amend, alter, suspend or terminate the Plan, or any part thereof, at any time and for any reason.

20.2 Stockholder Approval. The Company will obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

20.3 Effect of Amendment or Termination. No amendment, alteration, suspension or termination of the Plan will materially impair the rights of any Participant, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing and signed by the Participant and the Company. Termination of the Plan will not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

21. Conditions Upon Issuance of Shares.

21.1 Legal Compliance. Shares will not be issued pursuant to an Award unless the exercise or vesting of such Award and the issuance and delivery of such Shares will comply with Applicable Laws and will be further subject to the approval of counsel for the Company with respect to such compliance.

21.2 Investment Representations. As a condition to the exercise or vesting of an Award, the Company may require the person exercising or vesting in such Award to represent and warrant at the time of any such exercise or vesting that the Shares are being acquired only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

22. Inability to Obtain Authority. If the Company determines it to be impossible or impractical to obtain authority from any regulatory body having jurisdiction or to complete or comply with the requirements of any

Table of Contents

registration or other qualification of the Shares under any U.S. state or federal law or non-U.S. law or under the rules and regulations of the U.S. Securities and Exchange Commission, the stock exchange on which Shares of the same class are then listed, or any other governmental or regulatory body, which authority, registration, qualification or rule compliance is deemed by the Company's counsel to be necessary or advisable for the issuance and sale of any Shares hereunder, the Company will be relieved of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority, registration, qualification or rule compliance will not have been obtained.

23. Stockholder Approval. The Plan will be subject to approval by the stockholders of the Company within twelve (12) months after the date the Plan is adopted by the Board. Such stockholder approval will be obtained in the manner and to the degree required under Applicable Laws.

24. Forfeiture Events. The Administrator may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award will be subject to the reduction, cancellation, forfeiture, recoupment, reimbursement, or reacquisition upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, without limitation, termination of such Participant's status as an employee and/or other service provider for cause or any specified action or inaction by a Participant, whether before or after such termination of employment and/or other service, that would constitute cause for termination of such Participant's status as a employee and/or other service provider. Notwithstanding any provisions to the contrary under this Plan, all Awards granted under the Plan will be subject to reduction, cancellation, forfeiture, recoupment, reimbursement, or reacquisition under any clawback policy that the Company is required to adopt pursuant to the listing standards of any national securities exchange or association on which the Company's securities are listed or as is otherwise required by the Dodd-Frank Wall Street Reform and Consumer Protection Act or other Applicable Laws (the "**Clawback Policy**"). The Administrator may require a Participant to forfeit, return or reimburse the Company all or a portion of the Award and any amounts paid thereunder pursuant to the terms of the Clawback Policy or as necessary or appropriate to comply with Applicable Laws, including without limitation any reacquisition right regarding previously acquired Shares or other cash or property. Unless this Section 24 specifically is mentioned and waived in an Award Agreement or other document, no recovery of compensation under a Clawback Policy or otherwise will constitute an event that triggers or contributes to any right of a Participant to resign for "good reason" or "constructive termination" (or similar term) under any agreement with the Company or any Parent or Subsidiary of the Company.

BLACKSKY TECHNOLOGY INC.

2021 EMPLOYEE STOCK PURCHASE PLAN

1. **Purpose.** The purpose of the Plan is to provide employees of the Company and its Designated Companies with an opportunity to purchase Common Stock through accumulated Contributions. The Company intends for the Plan to have two components: a component that is intended to qualify as an “employee stock purchase plan” under Code Section 423 (the “**423 Component**”) and a component that is not intended to qualify as an “employee stock purchase plan” under Code Section 423 (the “**Non-423 Component**”). The provisions of the 423 Component, accordingly, will be construed so as to extend and limit Plan participation in a uniform and nondiscriminatory basis consistent with the requirements of Code Section 423. In addition, this Plan authorizes the grant of an option to purchase shares of Common Stock under the Non-423 Component that does not qualify as an “employee stock purchase plan” under Code Section 423; an option granted under the Non-423 Component will provide for substantially the same benefits as an option granted under the 423 Component, except that a Non-423 Component option may include features necessary to comply with applicable non-U.S. laws pursuant to rules, procedures or sub-plans adopted by the Administrator. Except as otherwise provided herein or by the Administrator, the Non-423 Component will operate and be administered in the same manner as the 423 Component.

2. Definitions.

2.1 “**Administrator**” means the Board or any Committee designated by the Board to administer the Plan pursuant to Section 4.

2.2 “**Applicable Laws**” means the legal and regulatory requirements relating to the administration of equity-based awards, including but not limited to the related issuance of shares of Common Stock, including but not limited to, under U.S. federal and state corporate laws, U.S. federal and state securities laws, the Code, any stock exchange or quotation system on which the Common Stock is listed or quoted and the applicable laws of any non-U.S. country or jurisdiction where options are, or will be, granted under the Plan.

2.3 “**Board**” means the Board of Directors of the Company.

2.4 “**Change in Control**” means the occurrence of any of the following events:

(a) **Change in Ownership of the Company.** A change in the ownership of the Company which occurs on the date that any one person, or more than one person acting as a group (“**Person**”), acquires ownership of the stock of the Company that, together with the stock held by such Person, constitutes more than fifty percent (50%) of the total voting power of the stock of the Company; provided, however, that for purposes of this subsection (a), the acquisition of additional stock by any one Person, who is considered to own more than fifty percent (50%) of the total voting power of the stock of the Company will not be considered a Change in Control; provided, further, that any change in the ownership of the stock of the Company as a result of a private financing of the Company that is approved by the Board also will not be considered a Change in Control. Further, if the stockholders of the Company immediately before such change in ownership continue to retain immediately after the change in ownership, in substantially the same proportions as their ownership of shares of the Company’s voting stock immediately prior to the change in ownership, direct or indirect beneficial ownership of fifty percent (50%) or more of the total voting power of the stock of the Company or of the ultimate parent entity of the Company, such event will not be considered a Change in Control under this subsection (a). For this purpose, indirect beneficial ownership will include, without limitation, an interest resulting from ownership of the voting securities of one or more corporations or other business entities which own the Company, as the case may be, either directly or through one or more subsidiary corporations or other business entities; or

(b) **Change in Effective Control of the Company.** If the Company has a class of securities registered pursuant to Section 12 of the Exchange Act, a change in the effective control of the Company which

Table of Contents

occurs on the date that a majority of members of the Board is replaced during any twelve (12) month period by Directors whose appointment or election is not endorsed by a majority of the members of the Board prior to the date of the appointment or election. For purposes of this subsection (b), if any Person is considered to be in effective control of the Company, the acquisition of additional control of the Company by the same Person will not be considered a Change in Control; or

(c) **Change in Ownership of a Substantial Portion of the Company's Assets.** A change in the ownership of a substantial portion of the Company's assets which occurs on the date that any Person acquires (or has acquired during the twelve (12) month period ending on the date of the most recent acquisition by such Person or Persons) assets from the Company that have a total gross fair market value equal to or more than fifty percent (50%) of the total gross fair market value of all of the assets of the Company immediately prior to such acquisition or acquisitions; provided, however, that for purposes of this subsection (c), the following will not constitute a change in the ownership of a substantial portion of the Company's assets: (i) a transfer to an entity that is controlled by the Company's stockholders immediately after the transfer, or (ii) a transfer of assets by the Company to: (A) a stockholder of the Company (immediately before the asset transfer) in exchange for or with respect to the Company's stock, (B) an entity, fifty percent (50%) or more of the total value or voting power of which is owned, directly or indirectly, by the Company, (C) a Person, that owns, directly or indirectly, fifty percent (50%) or more of the total value or voting power of all the outstanding stock of the Company, or (D) an entity, at least fifty percent (50%) of the total value or voting power of which is owned, directly or indirectly, by a Person described in this subsection (c)(ii)(C). For purposes of this subsection (c), gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets.

For purposes of this Section 2.4, persons will be considered to be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with the Company.

Notwithstanding the foregoing, a transaction will not be deemed a Change in Control unless the transaction qualifies as a change in control event within the meaning of Section 409A.

Further and for the avoidance of doubt, a transaction will not constitute a Change in Control if: (x) its sole purpose is to change the jurisdiction of the Company's incorporation, or (y) its sole purpose is to create a holding company that will be owned in substantially the same proportions by the persons who held the Company's securities immediately before such transaction.

2.5 **"Code"** means the U.S. Internal Revenue Code of 1986, as amended. Reference to a specific section of the Code or regulation thereunder will include such section or regulation, any valid regulation or other formal guidance of general or direct applicability promulgated under such section, and any comparable provision of any future legislation or regulation amending, supplementing or superseding such section or regulation.

2.7 **"Common Stock"** means the common stock of the Company.

2.9 **"Compensation"** means an Eligible Employee's base straight time gross earnings, but exclusive of payments for overtime, shift premium, commissions, incentive compensation, equity compensation, bonuses and other similar compensation. For purposes of the 423 Component, only the Company and its Subsidiaries may be Designated Companies, provided, however that at any given time, a Subsidiary that is a Designated Company under the 423 Component will not be a Designated Company under the Non-423 Component.

2.13 “**Effective Date**” means the date of the consummation of the merger by and among the Company, BlackSky Holdings, Inc., and certain other parties, pursuant to that certain Agreement and Plan of Merger dated February 17, 2021 (such merger, the “**Merger**”).

For purposes of the Plan, the employment relationship will be treated as continuing intact while the individual is on sick leave or other leave of absence that the Employer approves or is legally protected under Applicable Laws with respect to the Participant’s participation in the Plan. Where the period of leave exceeds three (3) months and the individual’s right to reemployment is not guaranteed either by statute or by contract, the employment relationship will be deemed to have terminated three (3) months and one (1) day following the commencement of such leave. The Administrator, in its discretion, from time to time may, prior to an Enrollment Date for all options to be granted on such Enrollment Date in an Offering, determine (for each Offering under the 423 Component, on a uniform and nondiscriminatory basis or as otherwise permitted by U.S. Treasury Regulations Section 1.423-2) that the definition of Eligible Employee will or will not include an individual if he or she: (a) has not completed at least two (2) years of service since his or her last hire date (or such lesser period of time as may be determined by the Administrator in its discretion), (b) customarily works not more than twenty (20) hours per week (or such lesser period of time as may be determined by the Administrator in its discretion), (c) customarily works not more than five (5) months per calendar year (or such lesser period of time as may be determined by the Administrator in its discretion), (d) is a highly compensated employee within the meaning of Code Section 414(q), or (e) is a highly compensated employee within the meaning of Code Section 414(q) with compensation above a certain level or is an officer or subject to the disclosure requirements of Section 16(a) of the Exchange Act, provided the exclusion is applied with respect to each Offering under the 423 Component in an identical manner to all highly compensated individuals of the Employer whose employees are participating in that Offering. Each exclusion will be applied with respect to an Offering under the 423 Component in a manner complying with U.S. Treasury Regulations Section 1.423-2(e)(2)(ii). Such exclusions may be applied with respect to an Offering under the Non-423 Component without regard to the limitations of U.S. Treasury Regulations Section 1.423-2.

Table of Contents

terminate without options being exercised on the Exercise Date(s) that otherwise would have occurred on the last Trading Day of such Purchase Period.

2.19 “**Fair Market Value**” means, as of any date and unless the Administrator determines otherwise, the value of Common Stock determined as follows:

(a) If the Common Stock is listed on any established stock exchange or a national market system, including without limitation the New York Stock Exchange or the Nasdaq Global Select Market, the Nasdaq Global Market, or the Nasdaq Capital Market of The Nasdaq Stock Market, its Fair Market Value will be the closing sales price for such stock (or, if no closing sales price was reported on that date, as applicable, on the last Trading Day such closing sales price was reported) as quoted on such exchange or system on the date of determination, as reported in *The Wall Street Journal* or such other source as the Administrator deems reliable;

(b) If the Common Stock is regularly quoted by a recognized securities dealer but selling prices are not reported, the Fair Market Value of a share of Common Stock will be the mean between the high bid and low asked prices for the Common Stock on the day of determination (or if no bids and asks were reported on that date, as applicable, on the last Trading Day such bids and asks were reported), as reported in *The Wall Street Journal* or such other source as the Administrator deems reliable; or

(c) In the absence of an established market for the Common Stock, the Fair Market Value will be determined in good faith by the Administrator.

The determination of fair market value for purposes of tax withholding may be made in the Administrator’s discretion subject to Applicable Laws and is not required to be consistent with the determination of Fair Market Value for other purposes.

To the extent permitted by U.S. Treasury Regulations Section 1.423-2(a)(1), the terms of each Offering need not be identical provided that the terms of the Plan and an Offering together satisfy U.S. Treasury Regulations Section 1.423-2(a)(2) and (a)(3).

2.23 “**Offering Period**” means a period beginning on such date as may be determined by the Administrator, in its discretion, and ending on such Exercise Date as may be determined by the Administrator, in its discretion, during which an option granted pursuant to the Plan may be exercised. Table of Contents

Purchase Periods will have such duration as determined by the Administrator, commencing after one Exercise Date and ending with the next Exercise Date, except that the first Purchase Period of any Offering Period will commence on the Enrollment Date and end with the next Exercise Date. Unless the Administrator provides otherwise, a Purchase Period in an Offering Period will have the same duration as, and coincide with the length of, such Offering Period.

2.28 “**Purchase Price**” means an amount equal to eighty-five percent (85%) of the Fair Market Value of a share of Common Stock on the Enrollment Date or on the Exercise Date, whichever is lower; provided however, that the Purchase Price may be determined for any Offering Period by the Administrator subject to compliance with Code Section 423 (or any successor rule or provision or any other Applicable Laws, regulation or stock exchange rule) or pursuant to Section 18.

2.29 “**Section 409A**” means Code Section 409A and the U.S. Treasury Regulations and guidance thereunder, and any applicable state law equivalent, as each may be promulgated, amended or modified from time to time.

Reference to a specific Treasury Regulation or Section of the Code will include such Treasury Regulation or Section, any valid regulation promulgated under such Section, and any comparable provision of any future legislation or regulation amending, supplementing or superseding such Section or regulation.

3. **Stock.**

3.1 **Stock Subject to the Plan.** Subject to adjustment upon changes in capitalization of the Company as provided in Section 17 hereof and the automatic increase set forth in Section 3.2 hereof, the maximum number of shares of Common Stock that will be made available for sale under the Plan will be 3,000,700 shares of Common Stock. The shares of Common Stock may be authorized, but unissued, or reacquired Common Stock.

3.2 **Automatic Share Reserve Increase.** Subject to adjustment upon changes in capitalization of the Company as provided in Section 17 hereof, the number of shares of Common Stock available for issuance under the Plan will be increased on the first day of each Fiscal Year beginning with the 2022 Fiscal Year, in an amount equal to the least of (a) 4,501,000 shares of Common Stock, (b) a number of shares of Common Stock equal to one percent (1%) of the total number of shares of all classes of common stock of the Company on the last day of the immediately preceding Fiscal Year, or (c) such number of Shares determined by the Administrator no later than the last day of the immediately preceding Fiscal Year.

4. **Administration.** The Plan will be administered by the Board or a Committee appointed by the Board, which Committee will be constituted to comply with Applicable Laws. The Administrator will have full and exclusive discretionary authority to

(a) construe, interpret and apply the terms of the Plan,

- (b) delegate ministerial duties to any of the Company's employees,
- (c) designate separate Offerings under the Plan,
- (d) designate Subsidiaries as participating in the 423 Component or Non-423 Component,
- (e) determine eligibility,
- (f) adjudicate all disputed claims filed under the Plan, and

(g) establish such procedures that it deems necessary or advisable for the administration of the Plan (including, without limitation, to adopt such procedures, sub-plans, and appendices to the enrollment agreement as are necessary or appropriate to permit the participation in the Plan by employees who are foreign nationals or employed outside the U.S., the terms of which sub-plans and appendices may take precedence over other provisions of this Plan, with the exception of Section 3 hereof, but unless otherwise superseded by the terms of such sub-plan or appendix, the provisions of this Plan will govern the operation of such sub-plan or appendix). Unless otherwise determined by the Administrator, the Eligible Employees eligible to participate in each sub-plan will participate in a separate Offering under the 423 Component, or if the terms would not qualify under the 423 Component, in the Non-423 Component, in either case unless such designation would cause the 423 Component to violate the requirements of Code Section 423.

Without limiting the generality of the foregoing, the Administrator is specifically authorized to adopt rules and procedures regarding eligibility to participate, the definition of Compensation, handling of Contributions, making of Contributions to the Plan (including, without limitation, in forms other than payroll deductions), establishment of bank or trust accounts to hold Contributions, payment of interest, conversion of local currency, obligations to pay payroll tax, determination of beneficiary designation requirements, withholding procedures and handling of stock certificates that vary with applicable local requirements. The Administrator also is authorized to determine that, to the extent permitted by U.S. Treasury Regulations Section 1.423-2(f), the terms of an option granted under the Plan or an Offering to citizens or residents of a non-U.S. jurisdiction will be less favorable than the terms of options granted under the Plan or the same Offering to employees resident solely in the U.S. Every finding, decision and determination made by the Administrator will, to the full extent permitted by law, be final and binding upon all parties.

5. Eligibility.

5.1 Offering Periods. Any Eligible Employee on a given Enrollment Date will be eligible to participate in the Plan, subject to the requirements of Section 7.

5.2 Non-U.S. Employees. Eligible Employees who are citizens or residents of a non-U.S. jurisdiction (without regard to whether they also are citizens or residents of the United States or resident aliens (within the meaning of Code Section 7701(b)(1)(A))) may be excluded from participation in the Plan or an Offering if the participation of such Eligible Employees is prohibited under the laws of the applicable jurisdiction or if complying with the laws of the applicable jurisdiction would cause the Plan or an Offering to violate Code Section 423. In the case of the Non-423 Component, an Eligible Employee may be excluded from participation in the Plan or an Offering if the Administrator has determined that participation of such Eligible Employee is not advisable or practicable.

5.3 Limitations. Any provisions of the Plan to the contrary notwithstanding, no Eligible Employee will be granted an option under the Plan (a) to the extent that, immediately after the grant, such Eligible Employee (or any other person whose stock would be attributed to such Eligible Employee pursuant to Code Section 424(d)) would own capital stock of the Company or any Parent or Subsidiary of the Company and/or hold outstanding options to purchase such stock possessing five percent (5%) or more of the total combined voting power or value

of all classes of the capital stock of the Company or of any Parent or Subsidiary of the Company, or (b) to the extent that his or her rights to purchase stock under all employee stock purchase plans (as defined in Code Section 423) of the Company or any Parent or Subsidiary of the Company accrues at a rate, which exceeds twenty-five thousand dollars (\$25,000) worth of stock (determined at the Fair Market Value of the stock at the time such option is granted) for each calendar year in which such option is outstanding at any time, as determined in accordance with Code Section 423 and the regulations thereunder.

6. Offering Periods. The Plan will be implemented by Offering Periods as established by the Administrator from time to time. Offering Periods will expire on the earliest to occur of (a) the completion of the purchase of shares on the last Exercise Date occurring within twenty-seven (27) months of the applicable Enrollment Date on which the option to purchase shares was granted under the Plan, or (b) such shorter period established prior to the Enrollment Date of the Offering Period by the Administrator, from time to time, in its discretion, on a uniform and nondiscriminatory basis, for all options to be granted on such Enrollment Date. The Administrator will have the power to change the duration of Offering Periods (including the commencement dates thereof) with respect to future Offerings without stockholder approval if such change is announced prior to the scheduled beginning of the first Offering Period to be affected thereafter; provided, however, that no Offering Period may last more than twenty-seven (27) months.

7. Participation. An Eligible Employee may participate in the Plan pursuant to Section 5.1 by (a) submitting to the Company's stock administration office (or its designee), a properly completed subscription agreement authorizing Contributions in the form provided by the Administrator for such purpose (which may be similar to the form attached hereto as **Exhibit A**), or (b) following an electronic or other enrollment procedure determined by the Administrator, in either case, on or before a date determined by the Administrator prior to an applicable Enrollment Date.

8. Contributions.

8.1 Contribution Amounts. At the time a Participant enrolls in the Plan pursuant to Section 7, he or she will elect to have Contributions (in the form of payroll deductions or otherwise, to the extent permitted by the Administrator) made on each pay day during the Offering Period in an amount not exceeding fifteen percent (15%) of the Compensation, which he or she receives on each pay day during the Offering Period; provided, however, that unless and until determined otherwise by the Administrator, should a pay day occur on an Exercise Date, a Participant will have any Contributions made on such day applied to his or her account under the then-current Purchase Period or Offering Period (i.e., for which the Exercise Date occurs on such day).

8.2 Contribution Methods. The Administrator, in its sole discretion, may permit all Participants in a specified Offering to contribute amounts to the Plan through payment by cash, check or other means set forth in the subscription agreement prior to each Exercise Date of each Offering Period. A Participant's subscription agreement will remain in effect for successive Offering Periods unless terminated as provided in Section 12 hereof (or Participant's participation is terminated as provided in Section 13 hereof).

(a) In the event Contributions are made in the form of payroll deductions, such payroll deductions for a Participant will commence on the first pay day following the Enrollment Date and will end on the last pay day on or prior to the last Exercise Date of such Offering Period to which such authorization is applicable, unless sooner terminated by the Participant as provided in Section 12 hereof (or Participant's participation is terminated as provided in Section 13 hereof).

(b) All Contributions made for a Participant will be credited to his or her account under the Plan and Contributions will be made in whole percentages of his or her Compensation only. A Participant may not make any additional payments into such account.

8.3 Participant Changes to Contributions. A Participant may discontinue his or her participation in the Plan as provided under Section 12. Until and unless determined otherwise by the Administrator, in its sole

discretion, during any Offering Period, a Participant may not increase the rate of his or her Contributions and may decrease the rate of his or her Contributions only one (1) time, provided that such decrease is to a Contribution rate of zero percent (0%). In addition, until and unless determined otherwise by the Administrator, in its sole discretion, during any Offering Period, a Participant may increase or decrease the rate of his or her Contributions (as a whole percent to a rate between zero percent (0%) and the maximum percentage specified in Section 8.1), which Contribution rate adjustment will become effective upon the commencement of the next Offering Period and remain in effect for subsequent Offering Periods and, except as set forth in the immediately preceding sentence, any such adjustment will not affect the Contribution rate for any ongoing Offering Period.

(a) A Participant may make a Contribution rate adjustment pursuant to this Section 8.3 by (A) properly completing and submitting to the Company's stock administration office (or its designee), a new subscription agreement authorizing the change in Contribution rate in the form provided by the Administrator for such purpose, or (B) following an electronic or other procedure prescribed by the Administrator, in either case, on or before a date determined by the Administrator prior to (x) the scheduled beginning of the first Offering Period to be affected or (y) an applicable Exercise Date, as applicable. If a Participant has not followed such procedures to change the rate of Contributions, the rate of his or her Contributions will continue at the originally elected rate throughout the Offering Period and future Offering Periods (unless the Participant's participation is terminated as provided in Sections 12 or 13).

(b) The Administrator may, in its sole discretion, limit or amend the nature and/or number of Contribution rate changes (including to permit, prohibit and/or limit increases and/or decreases to rate changes) that may be made by Participants during any Purchase Period or Offering Period, and may establish such other conditions or limitations as it deems appropriate for Plan administration.

(c) Except as provided by this Section 8.3, any change in Contribution rate made pursuant to this Section 8.3 will be effective as of the first full payroll period following five (5) business days after the date on which the change is made by the Participant (unless the Administrator, in its sole discretion, elects to process a given change in Contribution rate earlier).

8.4 Other Contribution Changes. Notwithstanding the foregoing, to the extent necessary to comply with Code Section 423(b)(8) and Section 5.3 hereof (which generally limit participation in an Offering Period pursuant to certain Applicable Laws), a Participant's Contributions may be decreased to zero percent (0%) by the Administrator at any time during an Offering Period (or a Purchase Period, as applicable). Subject to Code Section 423(b)(8) and Section 5.3 hereof, Contributions will recommence at the rate originally elected by the Participant effective as of the beginning of the first Offering Period (or Purchase Period, as applicable) scheduled to end in the following calendar year, unless the Participant's participation has terminated as provided in Sections 12 or 13.

8.5 Cash Contributions. Notwithstanding any provisions to the contrary in the Plan, the Administrator may allow Participants to participate in the Plan via cash contributions instead of payroll deductions if (a) payroll deductions are not permitted or advisable under Applicable Laws, (b) the Administrator determines that cash contributions are permissible for Participants participating in the 423 Component and/or (c) the Participants are participating in the Non-423 Component.

8.6 Tax Withholdings. At the time the option is exercised, in whole or in part, or at the time some or all of the Common Stock issued under the Plan is disposed of (or at any other time that a taxable event related to the Plan occurs), the Participant must make adequate provision for the Company's or Employer's federal, state, local or any other tax liability payable to any authority including taxes imposed by jurisdictions outside of the U.S., national insurance, social security or other tax withholding or payment on account obligations, if any, which arise upon the exercise of the option or the disposition of the Common Stock (or any other time that a taxable event related to the Plan occurs). At any time, the Company or the Employer may, but will not be obligated to, withhold from the Participant's compensation the amount necessary for the Company or the

Table of Contents

Employer to meet applicable withholding obligations, including any withholding required to make available to the Company or the Employer any tax deductions or benefits attributable to the sale or early disposition of Common Stock by the Eligible Employee. In addition, the Company or the Employer may, but will not be obligated to, withhold from the proceeds of the sale of Common Stock or use any other method of withholding the Company or the Employer deems appropriate to the extent permitted by U.S. Treasury Regulations Section 1.423-2(f).

8.7 Use of Funds. The Company may use all Contributions received or held by it under the Plan for any corporate purpose, and the Company will not be obligated to segregate such Contributions except under Offerings or for Participants in the Non-423 Component for which Applicable Laws require that Contributions to the Plan by Participants be segregated from the Company's general corporate funds and/or deposited with an independent third party, provided that, if such segregation or deposit with an independent third party is required by Applicable Laws, it will apply to all Participants in the relevant Offering under the 423 Component, except to the extent otherwise permitted by U.S. Treasury Regulations Section 1.423-2(f). Until shares of Common Stock are issued, Participants will have only the rights of an unsecured creditor with respect to such shares.

9. Grant of Option. On the Enrollment Date of each Offering Period, each Eligible Employee participating in such Offering Period will be granted an option to purchase on each Exercise Date during such Offering Period (at the applicable Purchase Price) up to a number of shares of Common Stock determined by dividing such Eligible Employee's Contributions accumulated prior to such Exercise Date and retained in the Eligible Employee's account as of the Exercise Date by the applicable Purchase Price.

9.1 Certain Option Limits. In no event will an Eligible Employee be permitted to purchase during each Offering Period more than 1,250 shares of Common Stock (subject to any adjustment pursuant to Section 17), and provided further that such purchase will be subject to the limitations set forth in Sections 3 and 5.3 and in the subscription agreement. The Administrator, in its absolute discretion, may increase or decrease the maximum number of shares of Common Stock that an Eligible Employee may purchase during each Purchase Period or Offering Period, as applicable.

9.2 Option Receipt. The Eligible Employee may accept the grant of an option under the Plan by electing to participate in the Plan in accordance with the requirements of Section 7.

9.3 Option Term. Exercise of the option will occur as provided in Section 10, unless the Participant's participation has terminated pursuant to Sections 12 or 13. The option will expire on the last day of the Offering Period.

10. Exercise of Option.

10.1 Automatic Exercise. Unless a Participant's participation in the Plan has terminated as provided in Sections 12 and 13, his or her option for the purchase of shares of Common Stock will be exercised automatically on the Exercise Date, and the maximum number of full shares of Common Stock subject to the option will be purchased for such Participant at the applicable Purchase Price with the accumulated Contributions from his or her account. No fractional shares of Common Stock will be purchased; any Contributions accumulated in a Participant's account, which are not sufficient to purchase a full share will be retained in the Participant's account for the subsequent Purchase Period or Offering Period, as applicable, subject to earlier termination of the Participant's participation in the Plan as provided in Sections 12 or 13. Any other funds left over in a Participant's account after the Exercise Date will be returned to the Participant. During a Participant's lifetime, a Participant's option to purchase shares of Common Stock hereunder is exercisable only by him or her.

10.2 Pro Rata Allocations. If the Administrator determines that, on a given Exercise Date, the number of shares of Common Stock with respect to which options are to be exercised may exceed (a) the number of

shares of Common Stock that were available for sale under the Plan on the Enrollment Date of the applicable Offering Period, or (b) the number of shares of Common Stock available for sale under the Plan on such Exercise Date, the Administrator may in its sole discretion (x) provide that the Company will make a pro rata allocation of the shares of Common Stock available for purchase on such Enrollment Date or Exercise Date, as applicable, in as uniform a manner as will be practicable and as it will determine in its sole discretion to be equitable among all Participants exercising options to purchase Common Stock on such Exercise Date, and continue all Offering Periods then in effect or (y) provide that the Company will make a pro rata allocation of the shares of Common Stock available for purchase on such Enrollment Date or Exercise Date, as applicable, in as uniform a manner as will be practicable and as it will determine in its sole discretion to be equitable among all participants exercising options to purchase Common Stock on such Exercise Date, and terminate any or all Offering Periods then in effect pursuant to Section 18. The Company may make a pro rata allocation of the shares of Common Stock available on the Enrollment Date of any applicable Offering Period pursuant to the preceding sentence, notwithstanding any authorization of additional shares of Common Stock for issuance under the Plan by the Company's stockholders subsequent to such Enrollment Date.

11. Delivery. As soon as reasonably practicable after each Exercise Date on which a purchase of shares of Common Stock occurs, the Company will arrange the delivery to each Participant of the shares of Common Stock purchased upon exercise of his or her option in a form determined by the Administrator (in its sole discretion) and pursuant to rules established by the Administrator. The Company may permit or require that shares of Common Stock be deposited directly with a broker designated by the Company or with a trustee or designated agent of the Company, and the Company may utilize electronic or automated methods of share transfer. The Company may require that shares of Common Stock be retained with such broker, trustee or agent for a designated period of time and/or may establish other procedures to permit tracking of disqualifying dispositions or other dispositions of such shares. No Participant will have any voting, dividend, or other stockholder rights with respect to shares of Common Stock subject to any option granted under the Plan until such shares have been purchased and delivered to the Participant as provided in this Section 11.

12. Withdrawal.

12.1 Withdrawal Procedures. A Participant may withdraw all but not less than all the Contributions credited to his or her account and not yet used to exercise his or her option under the Plan at any time by (a) submitting to the Company's stock administration office (or its designee) a written notice of withdrawal in the form determined by the Administrator for such purpose (which may be similar to the form attached hereto as **Exhibit B**), or (b) following an electronic or other withdrawal procedure determined by the Administrator. The Administrator may set forth a deadline of when a withdrawal must occur to be effective prior to a given Exercise Date in accordance with policies it may approve from time to time. All of the Participant's Contributions credited to his or her account will be paid to such Participant as soon as administratively practicable after receipt of notice of withdrawal and such Participant's option for the Offering Period will be automatically terminated, and no further Contributions for the purchase of shares of Common Stock will be made for such Offering Period. If a Participant withdraws from an Offering Period, Contributions will not resume at the beginning of the succeeding Offering Period, unless the Participant re-enrolls in the Plan in accordance with the provisions of Section 7.

12.2 No Effect on Future Participation. A Participant's withdrawal from an Offering Period will not have any effect upon his or her eligibility to participate in any similar plan that may hereafter be adopted by the Company or in succeeding Offering Periods that commence after the termination of the Offering Period from which the Participant withdraws.

13. Termination of Employment. Upon a Participant's ceasing to be an Eligible Employee, for any reason, he or she will be deemed to have elected to withdraw from the Plan and the Contributions credited to such Participant's account during the Offering Period but not yet used to purchase shares of Common Stock under the

Plan will be returned to such Participant, or, in the case of his or her death, to the person or persons entitled thereto, and such Participant's option will be automatically terminated. Unless determined otherwise by the Administrator in a manner that, with respect to an Offering under the 423 Component, is permitted by, and compliant with, Code Section 423, a Participant whose employment transfers between entities through a termination with an immediate rehire (with no break in service) by the Company or a Designated Company will not be treated as terminated under the Plan; however, if a Participant transfers from an Offering under the 423 Component to the Non-423 Component, the exercise of the option will be qualified under the 423 Component only to the extent it complies with Code Section 423; further, no Participant will be deemed to switch from an Offering under the Non-423 Component to an Offering under the 423 Component or vice versa unless (and then only to the extent) such switch would not cause the 423 Component or any option thereunder to fail to comply with Code Section 423.

14. Section 409A. The Plan is intended to be exempt from the application of Section 409A, and, to the extent not exempt, is intended to comply with Section 409A and any ambiguities herein will be interpreted to so be exempt from, or comply with, Section 409A. In furtherance of the foregoing and notwithstanding any provision in the Plan to the contrary, if the Administrator determines that an option granted under the Plan may be subject to Section 409A or that any provision in the Plan would cause an option under the Plan to be subject to Section 409A, the Administrator may amend the terms of the Plan and/or of an outstanding option granted under the Plan, or take such other action the Administrator determines is necessary or appropriate, in each case, without the Participant's consent, to exempt any outstanding option or future option that may be granted under the Plan from or to allow any such options to comply with Section 409A, but only to the extent any such amendments or action by the Administrator would not violate Section 409A. Notwithstanding the foregoing, the Company and any of its Parent or Subsidiaries will have no liability, obligation or responsibility to reimburse, indemnify, or hold harmless a Participant or any other party if the option to purchase Common Stock under the Plan that is intended to be exempt from or compliant with Section 409A is not so exempt or compliant or for any action taken by the Administrator with respect thereto. The Company makes no representation that the option to purchase Common Stock under the Plan is compliant with Section 409A.

15. Rights as Stockholder. Until the shares of Common Stock are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), a Participant will have only the rights of an unsecured creditor with respect to such shares, and no right to vote or receive dividends or any other rights as a stockholder will exist with respect to such shares. Shares of Common Stock to be delivered to a Participant under the Plan will be registered in the name of the Participant or, if so required under Applicable Laws, in the name of the Participant and his or her spouse.

16. Transferability. Neither Contributions credited to a Participant's account nor any rights with regard to the exercise of an option or to receive shares of Common Stock under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will or the laws of descent and distribution) by the Participant. Any such attempt at assignment, transfer, pledge or other disposition will be without effect, except that the Company may treat such act as an election to withdraw funds from an Offering Period in accordance with Section 12 hereof.

17. Adjustments, Dissolution, Liquidation, Merger or Change in Control

17.1 Adjustments. In the event that any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, reclassification, repurchase, or exchange of Common Stock or other securities of the Company, or other change in the corporate structure of the Company affecting the Common Stock occurs (other than any ordinary dividends or other ordinary distributions), the Administrator, in order to prevent diminution or enlargement of the benefits or potential benefits intended to be made available under the Plan, will adjust the number and class of common stock that may be delivered under the Plan, the Purchase Price per share, the class and the number of shares of common stock covered by each option under the Plan that has not yet been exercised, and the numerical share limits of Sections 3 and 9.1.

17.2 Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, any Offering Period then in progress will be shortened by setting a New Exercise Date, and will terminate immediately prior to the consummation of such proposed dissolution or liquidation, unless provided otherwise by the Administrator. The New Exercise Date will be before the date of the Company's proposed dissolution or liquidation. The Administrator will notify each Participant in writing or electronically, prior to the New Exercise Date, that the Exercise Date for the Participant's option has been changed to the New Exercise Date and that the Participant's option will be exercised automatically on the New Exercise Date, unless prior to such date the Participant has withdrawn from the Offering Period as provided in Section 12 hereof (or, prior to such New Exercise Date, Participant's participation has terminated as provided in Section 13 hereof).

17.3 Merger or Change in Control. In the event of a merger of the Company with or into another corporation or other entity or Change in Control, each outstanding option will be assumed or an equivalent option substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the option, the Offering Period with respect to which such option relates will be shortened by setting a New Exercise Date on which such Offering Period will end. The New Exercise Date will occur before the date of the Company's proposed merger or Change in Control. The Administrator will notify each Participant in writing or electronically prior to the New Exercise Date, that the Exercise Date for the Participant's option has been changed to the New Exercise Date and that the Participant's option will be exercised automatically on the New Exercise Date, unless prior to such date the Participant has withdrawn from the Offering Period as provided in Section 12 hereof (or, prior to such New Exercise Date, Participant's participation has terminated as provided in Section 13 hereof).

18. Amendment or Termination.

18.1 Amendment, Suspension, Termination. The Administrator, in its sole discretion, may amend, alter, suspend, or terminate the Plan, or any part thereof, at any time and for any reason. If the Plan is terminated, the Administrator, in its discretion, may elect to terminate all outstanding Offering Periods either immediately or upon completion of the purchase of shares of Common Stock on the next Exercise Date (which may be sooner than originally scheduled, if determined by the Administrator in its discretion), or may elect to permit Offering Periods to expire in accordance with their terms (and subject to any adjustment pursuant to Section 17). If the Offering Periods are terminated prior to expiration, all amounts then credited to Participants' accounts that have not been used to purchase shares of Common Stock will be returned to the Participants (without interest thereon, except as otherwise required under Applicable Laws, as further set forth in Section 22 hereof) as soon as administratively practicable.

18.2 Certain Administrator Changes. Without stockholder consent and without limiting Section 18.1, the Administrator will be entitled to change the Offering Periods and any Purchase Periods, designate separate Offerings, limit the frequency and/or number of changes in the amount withheld during an Offering Period, establish the exchange rate applicable to amounts withheld in a currency other than U.S. dollars, permit Contributions in excess of the amount designated by a Participant in order to adjust for delays or mistakes in the Company's processing of properly completed Contribution elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each Participant properly correspond with Contribution amounts, and establish such other limitations or procedures as the Administrator determines in its sole discretion advisable that are consistent with the Plan.

18.3 Changes Due to Accounting Consequences. In the event the Administrator determines that the ongoing operation of the Plan may result in unfavorable financial accounting consequences, the Administrator may, in its discretion and, to the extent necessary or desirable, modify, amend or terminate the Plan to reduce or eliminate such accounting consequence including, but not limited to:

(a) amending the Plan to conform with the safe harbor definition under the Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor thereto), including with respect to an Offering Period underway at the time;

(b) altering the Purchase Price for any Purchase Period or Offering Period including a Purchase Period or Offering Period underway at the time of the change in Purchase Price;

(c) shortening any Purchase Period or Offering Period by setting a New Exercise Date, including a Purchase Period or Offering Period underway at the time of the Administrator action;

(d) reducing the maximum percentage of Compensation a Participant may elect to set aside as Contributions; and

(e) reducing the maximum number of shares of Common Stock a Participant may purchase during any Purchase Period or Offering Period.

Such modifications or amendments will not require stockholder approval or the consent of any Plan Participants.

19. Conditions Upon Issuance of Shares.

19.1 Legal Compliance. Shares of Common Stock will not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such shares pursuant thereto will comply with Applicable Laws and will be further subject to the approval of counsel for the Company with respect to such compliance.

19.2 Investment Representations. As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required.

20. Term of Plan. The Plan will become effective upon the later to occur of (a) its adoption by the Board, (b) approval by the Company's stockholders, or (c) the time as of immediately prior to the completion of the Merger. The Plan will continue in effect for a term of twenty (20) years, unless sooner terminated under Section 18.

21. Stockholder Approval. The Plan will be subject to approval by the stockholders of the Company within twelve (12) months after the date the Plan is adopted by the Board. Such stockholder approval will be obtained in the manner and to the degree required under Applicable Laws.

22. Interest. No interest will accrue on the Contributions of a participant in the Plan, except as may be required by Applicable Laws, as determined by the Company, and if so required by the laws of a particular jurisdiction, will apply, with respect to Offerings under the 423 Component, to all Participants in the relevant Offering, except to the extent otherwise permitted by U.S. Treasury Regulations Section 1.423-2(f).

23. No Effect on Employment. Neither the Plan nor any option under the Plan will confer upon any Participant any right with respect to continuing the Participant's employment with the Company or its Subsidiaries or Parents, as applicable, nor will they interfere in any way with the Participant's right or the right of the Company and its Subsidiaries or Parents, as applicable, to terminate such employment relationship at any time, free from any liability or any claim under the Plan.

Table of Contents

24. **Reports.** Individual accounts will be maintained for each Participant in the Plan. Statements of account will be given to participating Eligible Employees at least annually, which statements will set forth the amounts of Contributions, the Purchase Price, the number of shares of Common Stock purchased and the remaining cash balance, if any.

25. **Notices.** All notices or other communications by a Participant to the Company under or in connection with the Plan will be deemed to have been duly given when received in the form and manner specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

26. Legal Construction.

26.1 **Severability.** If any provision of the Plan is or becomes or is deemed to be invalid, illegal, or unenforceable for any reason in any jurisdiction or as to any Participant, such invalidity, illegality, or unenforceability will not affect the remaining parts of the Plan, and the Plan will be construed and enforced as to such jurisdiction or Participant as if the invalid, illegal, or unenforceable provision had not been included.

26.2 **Governing Law.** The Plan will be governed by, and construed in accordance with, the laws of the State of Delaware, but without regard to its conflict of law provisions.

26.3 **Headings.** Headings are provided herein for convenience only, and will not serve as a basis for interpretation of the Plan.

27. **Compliance with Applicable Laws.** The terms of this Plan are intended to comply with all Applicable Laws and will be construed accordingly.

28. **Automatic Transfer to Low Price Offering Period.** Unless determined otherwise by the Administrator, this Section 28 applies to an Offering Period to the extent such Offering Period provides for more than one (1) Exercise Date within such Offering Period. To the extent permitted by Applicable Laws, if the Fair Market Value of a share of Common Stock on any Exercise Date in an Offering Period is less than the Fair Market Value of a share of Common Stock on the Enrollment Date of such Offering Period, then all Participants in such Offering Period will be withdrawn automatically from such Offering Period immediately after the exercise of their option on such Exercise Date and automatically re-enrolled in the immediately following Offering Period as of the first day thereof.

BLACKSKY TECHNOLOGY INC.

2021 EMPLOYEE STOCK PURCHASE PLAN

SUBSCRIPTION AGREEMENT

Original Application

Offering Date:

Change in Payroll Deduction Rate

1. _____ hereby elects to participate in the BlackSky Technology Inc. 2021 Employee Stock Purchase Plan (the “Plan”) and subscribes to purchase shares of the Company’s Common Stock in accordance with this Subscription Agreement and the Plan. Any capitalized terms not specifically defined in this Subscription Agreement will have the meaning ascribed to them under the Plan.

2. I hereby authorize and consent to payroll deductions from each paycheck in the amount of _____ % of my Compensation on each payday (from 0% to [15%]) during the Offering Period in accordance with the Plan. (Please note that no fractional percentages are permitted.) [I understand that only my first, one election to decrease the rate of my payroll deductions may be applied with respect to an ongoing Offering Period in accordance with the terms of the Plan, and any subsequent election to decrease the rate of my payroll deductions during the same Offering Period, and any election to increase the rate of my payroll deductions during any Offering Period, will not be applied to the ongoing Offering Period.]

3. I understand that said payroll deductions will be accumulated for the purchase of shares of Common Stock at the applicable Purchase Price determined in accordance with the Plan. I understand that if I do not withdraw from an Offering Period, any accumulated payroll deductions will be used to automatically exercise my option and purchase Common Stock under the Plan. I further understand that if I am outside of the U.S., my payroll deductions will be converted to U.S. dollars at an exchange rate selected by the Company on the purchase date.

4. I have received a copy of the complete Plan and its accompanying prospectus. I understand that my participation in the Plan is in all respects subject to the terms of the Plan.

5. Shares of Common Stock purchased for me under the Plan should be issued in the name(s) of _____ (Eligible Employee or Eligible Employee and spouse only).

6. If I am a U.S. taxpayer, I understand that if I dispose of any shares received by me pursuant to the Plan within two (2) years after the Offering Date (the first day of the Offering Period during which I purchased such shares) or one (1) year after the Exercise Date, I will be treated for federal income tax purposes as having received ordinary income at the time of such disposition in an amount equal to the excess of the fair market value of the shares at the time such shares were purchased by me over the price that I paid for the shares. **I hereby agree to notify the Company in writing within thirty (30) days after the date of any disposition of my shares and I will make adequate provision for federal, state or other tax withholding obligations, if any, which arise upon the disposition of the Common Stock.** The Company may, but will not be obligated to, withhold from my compensation the amount necessary to meet any applicable withholding obligation including any withholding necessary to make available to the Company any tax deductions or benefits attributable to sale or early disposition of Common Stock by me. If I dispose of such shares at any time after the expiration of the two (2) year and one (1) year holding periods, I understand that I will be treated for federal income tax purposes as having received income only at the time of such disposition, and that such income will be taxed as ordinary income only to the extent of an amount equal to the lesser of (a) the excess of the fair market value of the shares at the time of such disposition over the purchase price which I paid for the shares, or (b) fifteen percent (15%) of the fair market value of the shares on the first day of the Offering Period. The remainder of the gain, if any, recognized on such disposition will be taxed as capital gain.

7. For employees that may be subject to tax in non U.S. jurisdictions, I acknowledge and agree that, regardless of any action taken by the Company or any Designated Company with respect to any or all income tax, social security, social insurances, National Insurance Contributions, payroll tax, fringe benefit, or other tax-related items related to my participation in the Plan and legally applicable to me including, without limitation, in connection with the grant of such options, the purchase or sale of shares of Common Stock acquired under the Plan and/or the receipt of any dividends on such shares (“**Tax-Related Items**”), the ultimate liability for all Tax-Related Items is and remains my responsibility and may exceed the amount actually withheld by the Company or a Designated Company. Furthermore, I acknowledge that the Company and/or any Designated Company (a) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the options under the Plan and (b) do not commit to and are under no obligation to structure the terms of the grant of options or any aspect of my participation in the Plan to reduce or eliminate my liability for Tax-Related Items or achieve any particular tax result. Further, if I have become subject to tax in more than one jurisdiction between the date of my enrollment and the date of any relevant taxable or tax withholding event, as applicable, I acknowledge that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

Prior to the purchase of shares of Common Stock under the Plan or any other relevant taxable or tax withholding event, as applicable, I agree to make adequate arrangements satisfactory to the Company and/or the applicable Designated Company to satisfy all Tax-Related Items. In this regard, I authorize the Company and/or the applicable Designated Company, or their respective agents, at their discretion, to satisfy any applicable withholding obligations with regard to all Tax-Related Items by one or a combination of the following: (a) withholding from my wages or Compensation paid to me by the Company and/or the applicable Designated Company; or (b) withholding from proceeds of the sale of the shares of Common Stock purchased under the Plan either through a voluntary sale or through a mandatory sale arranged by the Company (on my behalf pursuant to this authorization). Depending on the withholding method, the Company may withhold or account for Tax-Related Items by considering applicable maximum withholding rates, in which case I will receive a refund of any over-withheld amount in cash and will have no entitlement to the Common Stock equivalent.

Finally, I agree to pay to the Company or the applicable Designated Company any amount of Tax-Related Items that the Company or the applicable Designated Company may be required to withhold as a result of my participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to purchase shares of Common Stock under the Plan on my behalf and/or refuse to issue or deliver the shares or the proceeds of the sale of shares if I fail to comply with my obligations in connection with the Tax-Related Items.

8. By electing to participate in the Plan, I acknowledge, understand and agree that:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time, to the extent provided for in the Plan;

(b) all decisions with respect to future grants under the Plan, if applicable, will be at the sole discretion of the Company;

(c) the grant of options under the Plan will not create a right to employment or be interpreted as forming or amending an employment or service contract with the Company, or any Designated Company, and will not interfere with the ability of the Company or any Designated Company, as applicable, to terminate my employment (if any);

(d) I am voluntarily participating in the Plan;

(e) the options granted under the Plan and the shares of Common Stock underlying such options, and the income and value of same, are not intended to replace any pension rights or compensation;

Table of Contents

(f) the options granted under the Plan and the shares of Common Stock underlying such options, and the income and value of same, are not part of my normal or expected compensation for any purpose, including, but not limited to, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, long-service awards, pension or retirement benefits or similar payments;

(g) the future value of the shares of Common Stock offered under the Plan is unknown, indeterminable and cannot be predicted with certainty;

(h) the shares of Common Stock that I acquire under the Plan may increase or decrease in value, even below the Purchase Price;

(i) no claim or entitlement to compensation or damages will arise from the forfeiture of options granted to me under the Plan as a result of the termination of my status as an Eligible Employee (for any reason whatsoever, and whether or not later found to be invalid or in breach of employment laws in the jurisdiction where I am employed or the terms of my employment agreement, if any) and, in consideration of the grant of options under the Plan to which I am otherwise not entitled, I irrevocably agree never to institute a claim against the Company, or any Designated Company, waive my ability, if any, to bring such claim, and release the Company, and any Designated Company from any such claim that may arise; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, I will be deemed irrevocably to have agreed to not to pursue such claim and agree to execute any and all documents necessary to request dismissal or withdrawal of such claim; and

(j) in the event of the termination of my status as an Eligible Employee (for any reason whatsoever, whether or not later found to be invalid or in breach of employment laws in the jurisdiction where I am employed or the terms of my employment agreement, if any), my right to participate in the Plan and any options granted to me under the Plan, if any, will terminate effective as of the date that I am no longer actively employed by the Company or one of its Designated Companies and, in any event, will not be extended by any notice period mandated under the employment laws in the jurisdiction in which I am employed or the terms of my employment agreement, if any (e.g., active employment would not include a period of “**garden leave**” or similar period pursuant to the employment laws in the jurisdiction in which I am employed or the terms of my employment agreement, if any); the Company will have the exclusive discretion to determine when I am no longer actively employed for purposes of my participation in the Plan (including whether I may still be considered to be actively employed while on a leave of absence).

9. I understand that the Company and/or any Designated Company may collect, where permissible under applicable law certain personal information about me, including, but not limited to, my name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of Common Stock or directorships held in the Company, details of all options granted under the Plan or any other entitlement to shares of Common Stock awarded, canceled, exercised, vested, unvested or outstanding in my favor (“**Data**”), for the exclusive purpose of implementing, administering and managing the Plan. I understand that Company may transfer my Data to the United States, which is not considered by the European Commission to have data protection laws equivalent to the laws in my country. I understand that the Company will transfer my Data to its designated broker, or such other stock plan service provider as may be selected by the Company in the future, which is assisting the Company with the implementation, administration and management of the Plan. I understand that the recipients of the Data may be located in the United States or elsewhere, and that a recipient’s country of operation (e.g., the United States) may have different, including less stringent, data privacy laws that the European Commission or my jurisdiction does not consider to be equivalent to the protections in my country. I understand that I may request a list with the names and addresses of any potential recipients of the Data by contacting my local human resources representative. I authorize the Company, the Company’s designated broker and any other possible recipients which may assist the Company with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing my participation

in the Plan. I understand that Data will be held only as long as is necessary to implement, administer and manage my participation in the Plan. I understand that that I may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing my local human resources representative. Further, I understand that I am providing the consents herein on a purely voluntary basis. If I do not consent, or if I later seek to revoke my consent, my employment status or career with the Company or any Designated Company will not be adversely affected; the only adverse consequence of refusing or withdrawing my consent is that the Company would not be able to grant me options under the Plan or other equity awards, or administer or maintain such awards. Therefore, I understand that refusing or withdrawing my consent may affect my ability to participate in the Plan. For more information on the consequences of my refusal to consent or withdrawal of consent, I understand that I may contact my local human resources representative.

The Sponsor agrees to promptly inform its Affiliates and representatives of the obligations undertaken in this Section 10(a)(i).

(ii) The Sponsor shall promptly (and in any event within one (1) Business Day) notify the other parties hereto if it receives any offer, inquiry, proposal or indication of interest with respect to a Business Combination (including the identity of the Person making or submitting such offer, inquiry, proposal or indication of interest), after the execution and delivery of this Agreement. If the Sponsor receives an offer, inquiry, proposal or indication of interest with respect to a Business Combination, the Sponsor shall provide the other parties hereto with a copy of such offer, inquiry, proposal or indication of interest.

(b) Termination of Agreements. The Sponsor and Acquiror hereby agree that, effective as of, and subject to and conditioned upon the occurrence of, the Closing, (i) each of the agreements set forth on Exhibit A

Table of Contents

hereto shall be automatically terminated and of no further force and effect (including any provisions of any such agreement that, by its terms, survive such termination) and (ii) upon such termination neither Acquiror nor any of its Affiliates (including, from and after the Effective Time, Acquiror and its Affiliates) shall have any further obligations or liabilities under each such agreement.

(c) Other Agreements. During the period commencing on the date hereof and ending at the Expiration Time, the Sponsor agrees not to enter into, modify or amend any Contract between or among the Sponsor or any controlled Affiliate of the Sponsor (other than Acquiror or any of its Subsidiaries), on the one hand, and Acquiror or any of its Subsidiaries, on the other hand, that would contradict, limit, restrict or impair (x) any party's ability to perform or satisfy any obligation under this Agreement or (y) Acquiror's ability to perform or satisfy any obligation under the Merger Agreement.

(d) Non-Participation in Actions. The Sponsor further agrees not to commence or participate in, and to take all actions necessary that are reasonably within the Sponsor's control to opt out of any class in any class action with respect to, any action or claim, derivative or otherwise, against Acquiror, Acquiror's Affiliates, the Company or any of their respective successors and assigns relating to the negotiation, execution or delivery of this Agreement, the Merger Agreement (including with respect to the Total Consideration or any element thereof) or the consummation of the transactions contemplated hereby and thereby.

(e) Disclosure. The Sponsor hereby authorizes the Company and Acquiror to publish and disclose in any announcement or disclosure mutually agreed between the Company and Acquiror and required by the SEC the Sponsor's identity and ownership of the Subject Securities and the nature of the Sponsor's obligations under this Agreement; provided, that prior to any such publication or disclosure, the Sponsor has been provided with a reasonable opportunity to review and comment upon such announcement or disclosure.

(f) Changes in Capital Stock. In the event of any change in Acquiror's capital stock by reason of any stock split, reverse stock split, stock dividend or distribution, recapitalization, reclassification, combination, subdivision, exchange of shares or other similar event (each, a "Recapitalization Event"), then (i) terms "Owned Subject Security," "Subject Securities," "Acquiror Class A Common Stock" and "Acquiror Common Stock" shall be deemed to refer to and include such "Owned Subject Securities," "Subject Securities," "Acquiror Class A Common Stock" and "Acquiror Common Stock" as well as any other security received with respect to such referenced security, or into which such referenced security is (or may be) converted or exchanged, in connection with such Recapitalization Event, and (ii) in the case of a Recapitalization Event occurring after the Effective Time, the terms "Lock-Up Shares" and "Sponsor Specified Warrants" shall be deemed to refer to and include such "Lock-Up Shares" and "Sponsor Specified Warrants," as well as any other security received with respect to such referenced security, or into which such referenced security is (or may be) converted or exchanged, in connection with such Recapitalization Event, and any dollar amounts, share or warrant numbers set forth herein with respect to the Lock-Up Shares or the Sponsor Specified Warrants and the terms related thereto shall be equitably adjusted to reflect the Recapitalization Event; provided, however, that the Transactions shall not constitute (in whole or in part) a Recapitalization Event.

(g) Stop Transfer. The Sponsor agrees that the Sponsor shall not request that Acquiror register any transfer of any certificate or book-entry share or other uncertificated interest representing any Subject Securities made in violation of the restrictions set forth in this Agreement and hereby authorizes and instructs Acquiror to instruct its transfer agent to enter a stop transfer order with respect to all of the Subject Securities, Lock-Up Shares and Specified Sponsor Warrants, subject to the provisions hereof; provided, that any such stop transfer order will immediately be withdrawn and terminated by Acquiror upon the applicable time and date that the related restrictions on transfer provided in this Agreement terminate.

(h) Inconsistent Agreements. The Sponsor hereby covenants and agrees that the Sponsor shall not enter into any agreement or undertaking that is otherwise inconsistent with, or would interfere with, or prohibit or prevent it from satisfying, its obligations pursuant to this Agreement.

11. Termination. This Agreement shall terminate, and no party shall have any rights or obligations hereunder and this Agreement shall have no further effect, upon the earlier of (i) the date and time the Merger Agreement is terminated validly in accordance with its terms prior to the Effective Time and (ii) the time this Agreement is terminated upon the mutual written agreement of the Company, Acquiror and the Sponsor. Notwithstanding anything herein to the contrary, Section 5 shall terminate only upon the earliest to occur of (a) such date and time as the Merger Agreement shall have been terminated validly in accordance with its terms, (b) such time as all of the Lock-Up Shares shall have become Released Lock-Up Shares (or shall have been forfeited and cancelled, and all right, title and interest have been transferred therein to Acquiror, in accordance with the terms of this Agreement), and (c) such time as this Agreement is terminated by mutual written agreement of the Company, Acquiror and the Sponsor. No such termination, however, shall relieve any party hereto of any liability or damages to the other party hereto resulting from any Willful Breach of, or Fraud in connection with, this Agreement prior to its termination.

12. Capacity. Notwithstanding anything in this Agreement to the contrary, but without limitation of any obligations under the Merger Agreement, the Sponsor is entering into this Agreement solely in its capacity as a record holder or beneficial owner of shares of Subject Securities and not in its (or any Affiliate's) capacity as an officer or director of Acquiror or its subsidiaries, if applicable. Notwithstanding any asserted conflict, nothing herein will limit or affect the Sponsor's ability to act as an officer or director of Acquiror or its subsidiaries.

13. Miscellaneous.

(a) Conflicting Agreements. In the event and to the extent that there shall be a conflict between the provisions of this Agreement and the provisions of the Sponsor Agreement, this Agreement shall control with respect to the subject matter thereof; provided, however, for the avoidance of doubt, that this Agreement shall not limit any restrictions on the Transfer or any similar restrictions or other limitations set forth in such other Sponsor Agreement.

(b) Further Assurances. From time to time and without additional consideration, the Sponsor shall use reasonable best efforts execute and deliver, or cause to be executed and delivered, such additional transfers, assignments, endorsements, Consents and other instruments, and shall take such further actions, as Acquiror and the Company may reasonably request for the purpose of carrying out and furthering the intent of this Agreement and the Merger Agreement.

(c) Notices. All notices and other communications among the parties shall be in writing and shall be deemed to have been duly given (a) when delivered in person, (b) when delivered after posting in the United States mail having been sent registered or certified mail return receipt requested, postage prepaid, (c) when delivered by FedEx or other nationally recognized overnight delivery service or (d) when delivered if delivered by e-mail, addressed as follows:

or to such other address or addresses as the parties may from time to time designate in writing.

(d) Severability. If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Agreement shall remain in full force and effect. The parties further agree that if any provision contained herein is, to any extent, held invalid or unenforceable in any respect under the Laws governing this Agreement, they shall take any actions necessary to render the remaining provisions of this Agreement valid and enforceable to the fullest extent permitted by Law and, to the extent necessary, shall amend or otherwise modify this Agreement to replace any provision contained herein that is held invalid or unenforceable with a valid and enforceable provision giving effect to the intent of the parties.

(e) Entire Agreement. Without limiting the Merger Agreement, the Sponsor Agreement or any other Ancillary Agreement (i) this Agreement constitutes the entire agreement among the parties hereto relating to the transactions contemplated hereby and supersede any other agreements, whether written or oral, that may have been made or entered into by or among any of the parties or any of their respective Affiliates relating to the transactions contemplated hereby and (ii) no representations, warranties, covenants, understanding, agreements, oral or otherwise, relating to the transactions contemplated hereby exist between the parties except as expressly set forth or referenced in this Agreement.

(f) Amendment. This Agreement may not be amended, modified or supplemented in any manner, whether by course of conduct or otherwise, except by an instrument in writing signed on behalf of each of the parties hereto.

(g) Assignment; Binding Effect; No Third-Party Rights. No party shall assign this Agreement or any part hereof without the prior written consent of the other parties. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties and their respective permitted successors and assigns. Any attempted assignment in violation of the terms of this Section 13(g) shall be null and void, *ab initio*. The Sponsor hereby agrees that this Agreement is being entered into in order to induce the Company to execute and deliver the Merger Agreement and without the representations, warranties, covenants and agreements of the Sponsor hereunder, the Company would not enter into the Merger Agreement. Nothing expressed or implied in this Agreement is intended to or shall be construed to confer upon or give any Person other than the parties hereto any rights or remedies under or by reason of this Agreement.

Table of Contents

(h) Other Remedies; Specific Performance. The parties hereto agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy would occur in the event that the parties hereto do not perform their obligations under the provisions of this Agreement in accordance with its specified terms or otherwise breach such provisions. The parties hereto acknowledge and agree that (i) the parties hereto shall be entitled to an injunction, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, without proof of damages, this being in addition to any other remedy to which they are entitled under this Agreement, and (ii) the right of specific enforcement is an integral part of the transactions contemplated hereby and without that right, none of the parties hereto would have entered into this Agreement. Each party agrees that it will not oppose the granting of specific performance and other equitable relief on the basis that the other parties hereto have an adequate remedy at Law or that an award of specific performance is not an appropriate remedy for any reason at Law or equity. The parties hereto acknowledge and agree that any party seeking an injunction to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 13(h) shall not be required to provide any bond or other security in connection with any such injunction.

(i) Governing Law. This Agreement, and all claims or causes of action based upon, arising out of or related to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with, the Laws of the State of Delaware, without giving effect to principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of Laws of another jurisdiction.

(j) Consent to Jurisdiction; Waiver of Jury Trial

(i) Any Action based upon, arising out of or related to this Agreement, or the transactions contemplated hereby, shall be brought in the Court of Chancery of the State of Delaware or, if such court lacks jurisdiction, the state or federal courts in the State of Delaware, and each of the parties irrevocably submits to the exclusive jurisdiction of each such court in any such Action, waives any objection it may now or hereafter have to personal jurisdiction, venue or to convenience of forum, agrees that all claims in respect of the Action shall be heard and determined only in any such court, and agrees not to bring any Action arising out of or relating to this Agreement or the transactions contemplated hereby in any other court. Nothing herein contained shall be deemed to affect the right of any party to serve process in any manner permitted by Law, or to commence legal proceedings or otherwise proceed against any other party in any other jurisdiction, in each case, to enforce judgments obtained in any Action brought pursuant to this Section 13(j).

(ii) EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION BASED UPON, ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

(k) Counterparts; Electronic Delivery. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Signatures delivered electronically or by facsimile shall be deemed to be original signatures.

(l) Headings. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

(m) Mutual Drafting. Each party hereto has participated in the drafting of this Agreement, which each party acknowledges is the result of extensive negotiations between the parties. If an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision.

(n) No Waiver of Rights, Powers and Remedies No failure or delay by a party hereto in exercising any right, power or remedy under this Agreement, and no course of dealing between the parties hereto, shall operate

as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Agreement by a party hereto, and no abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

(o) Interpretation. The words “include,” “includes,” and “including” will be deemed to be followed by “without limitation.” Pronouns in masculine, feminine, and neuter genders will be construed to include any other gender, and words in the singular form will be construed to include the plural and vice versa, unless the context otherwise requires. The words “this Agreement,” “herein,” “hereof,” “hereby,” “hereunder,” and words of similar import refer to this Agreement as a whole and not to any particular subdivision unless expressly so limited. The parties hereto intend that each representation, warranty and covenant contained herein will have independent significance. If any party hereto has breached any representation, warranty or covenant contained herein in any respect, the fact that there exists another representation, warranty or covenant relating to the same subject matter (regardless of the relative levels of specificity) which such party has not breached will not detract from or mitigate the fact that such party is in breach of the first representation, warranty or covenant. References to any person include the successors and permitted assigns of that person. In the event an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the parties, and no presumption or burden of proof will arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

Administrative Services Agreement, dated October 31, 2019, between Acquiror and the Sponsor

FORM OF SUPPORT AGREEMENT¹

This SUPPORT AGREEMENT (this “Agreement”) is made and entered into as of February 17, 2021, by and among Osprey Technology Acquisition Corp., a Delaware corporation (“Acquiror”), Osprey Technology Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of Acquiror (“Merger Sub”), BlackSky Holdings, Inc., a Delaware corporation (the “Company”), and the stockholder of the Company set forth on the signature page here (the “Stockholder”). Capitalized terms used but not defined shall have the meanings ascribed to such terms in the Merger Agreement (as defined below).

RECITALS

WHEREAS, Acquiror, Merger Sub and the Company are entering into an Agreement and Plan of Merger as of the date hereof (the “Merger Agreement”), which provides (upon the terms and subject to the conditions set forth therein) for a business combination transaction by which Merger Sub will merge with and into the Company, with the Company being the surviving corporation and a direct wholly owned subsidiary of Acquiror (the “Merger” and, together with the other transactions contemplated by the Merger Agreement, the “Transactions”);

WHEREAS, the Stockholder is the beneficial and record owner of and is entitled to dispose of and vote the number of shares of Company Common Stock and Company Preferred Stock set forth below such Stockholder’s name on the Stockholder’s signature page hereto (the “Owned Shares” and, together with any additional shares of Company Stock that the Stockholder acquires after the execution of this Agreement (including as a result of any dividend (cash or stock), subdivision, reclassification, recapitalization, split, combination or exchange of shares, or any similar event), the “Covered Shares”); and

WHEREAS, the Company and the Stockholder are entering into this Agreement in order to induce Acquiror and Merger Sub to enter into the Merger Agreement and cause the Transactions to be consummated.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants and agreements set forth below and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, do hereby agree as follows:

1. Agreement to Vote.

(a) Subject to the earlier termination of this Agreement in accordance with Section 3 and to Section 1(b) and Section 1(c), the Stockholder, solely in its capacity as a stockholder of the Company, irrevocably and unconditionally agrees that it shall, and shall cause any other holder of record of any of the Stockholder’s Covered Shares to, validly execute and deliver to the Company, by (or effective as of no later than) 11:59PM Pacific Time on the fifth (5th) Business Day following the date that the Registration Statement becomes effective, the written consent in the form attached hereto as Exhibit A in respect of all of the Stockholder’s Covered Shares. In addition, subject to Section 1(b) and Section 1(c), prior to the Termination Date (as defined herein), the Stockholder, solely in its capacity as a stockholder of the Company, irrevocably and unconditionally agrees that, at any other meeting of the stockholders of the Company (whether annual or special and whether or not an adjourned or postponed meeting, however called and including any adjournment or postponement thereof) and in connection with any action by written consent of the stockholders of the Company, the Stockholder shall, and shall cause any other holder of record of any of the Stockholder’s Covered Shares to:

(i) if and when such meeting is held, appear at such meeting or otherwise cause all of the Stockholder’s Covered Shares to be counted as present thereat for the purpose of establishing a quorum;

¹ Bracketed provisions illustrate certain key changes between the general form of Support Agreement and the form(s) specific to certain Stockholders.

(ii) vote (or execute and return an action by written consent), or cause to be voted at such meeting (or validly execute and return and cause such consent to be granted with respect to), all of the Stockholder's Covered Shares owned as of the record date for such meeting (or the date that any written consent is executed by the Stockholder) in favor of the approval of the Merger and the adoption of the Merger Agreement, any other proposals submitted by the Company for approval to the Company Stockholders that are set forth in the Registration Statement and any other matters reasonably necessary and requested by the Company for consummation of the Transactions; and

(iii) vote (or execute and return an action by written consent), or cause to be voted at such meeting, or validly execute and return and cause such consent to be granted with respect to, all of the Stockholder's Covered Shares against any Alternative Transaction and any other action that would reasonably be expected to materially impede, interfere with, delay, postpone or adversely affect the Transactions or would reasonably be expected to result in a breach of any covenant, representation or warranty or other obligation or agreement of the Company under the Merger Agreement or would reasonably be expected to result in a breach of any covenant, representation or warranty or other obligation or agreement of the Stockholder contained in this Agreement.

(b) Notwithstanding the foregoing, if the Company Board has effected a Company Change in Recommendation in accordance with the terms of the Merger Agreement, then (i) the number of shares of Company Stock that the Stockholder shall be required to vote (or execute a written consent with respect to) pursuant to the provisions of this Agreement shall be reduced such that the Stockholder, together with the other stockholders of the Company entering into support agreements with Acquiror on or about the date hereof (such stockholders of the Company, together with the Stockholder, the "Support Stockholders"), shall only be required to collectively vote (or provide a written consent) with respect to an aggregate number of shares of Company Stock equal to (i) thirty-five percent (35%) of the total voting power of the then outstanding shares of Company Common Stock and Company Preferred Stock, voting or acting by written consent together as a single class, and (ii) thirty-five percent (35%) of the total voting power of the then outstanding Company Preferred Stock, voting or acting by written consent together as a single class, in each case as of the record date of such vote or written consent (collectively, the "Specified Company Voting Shares" and the portion of the Specified Company Voting Shares owned of record and beneficially by the Stockholder (which shall be determined pro rata based on the number of shares of voting Company Stock owned of record by the Stockholder as compared to the number of shares of voting Company Stock owned of record by all Support Stockholders), the "Adjusted Covered Shares"), such that the Stockholder shall only be obligated to execute a written consent with respect to, or otherwise vote, the Adjusted Covered Shares in the manner set forth in this Agreement, (ii) all references in this Section 1 to "Covered Shares" shall be deemed to only refer to the Adjusted Covered Shares and (iii) Stockholder shall be entitled (in its sole discretion) to vote any shares of Company Stock that it is entitled to vote, other than the Adjusted Covered Shares, in any manner.

(c) The obligations of the Stockholder specified in this Section 1 (for the avoidance of doubt, after giving effect to the Section 1(b)), if applicable) shall apply whether or not the Merger Agreement, the Transactions or any action described above is recommended by the Company Board or the Company Board has changed the Company Board Recommendation.

2. No Inconsistent Agreements. The Stockholder hereby covenants and agrees that the Stockholder shall not, at any time prior to the Termination Date, (a) enter into any voting agreement or voting trust with respect to any of the Stockholder's Covered Shares that is inconsistent with the Stockholder's obligations pursuant to this Agreement, (b) grant a proxy or power of attorney with respect to any of the Stockholder's Covered Shares that is inconsistent with the Stockholder's obligations pursuant to this Agreement, or (c) enter into any agreement or undertaking that is otherwise inconsistent with, or would interfere with, or prohibit or prevent it from satisfying, its obligations pursuant to this Agreement.

3. Termination. This Agreement shall terminate upon the earliest of (a) the Effective Time, (b) the termination of the Merger Agreement in accordance with its terms, (c) the termination of this Agreement upon

the mutual written agreement of Acquiror, Merger Sub, the Company and the Stockholder, and (d) the election of the Stockholder in its sole discretion to terminate this Agreement following any amendment, waiver or other modification of any term or provision of the Merger Agreement without the prior written consent with respect thereto of such Stockholder that reduces or changes the form of consideration payable to the Company Stockholders pursuant to the Merger Agreement (the earliest such date under clause (a), (b), (c) and (d) being referred to herein as the “Termination Date”); provided, that the provisions set forth in Sections 10 to 25 shall survive the termination of this Agreement. Upon termination of this Agreement as provided in the immediately preceding sentence, none of the parties to this Agreement shall have any further obligations or liabilities under, or with respect to, this Agreement; provided, however, that termination of this Agreement shall not relieve any party hereto from any liability for any Willful Breach of, or actual fraud in connection with, this Agreement prior to such termination.

4. Representations and Warranties of the Stockholder. The Stockholder hereby represents and warrants to Acquiror and the Company as to itself only as follows:

(a) The Stockholder is the only record and “beneficial owner” (within the meaning of Rule 13d-3 under the Exchange Act) of, and has good, valid and marketable title to, the Owned Shares, free and clear of Liens other than as created by, or by which the Owned Shares are subject pursuant to, (i) this Agreement, (ii) the Company’s certificate of incorporation, (iii) the Company’s bylaws, (iv) the Terminating Agreements (iv) applicable Securities Laws. As of the date hereof, other than the Owned Shares, the Stockholder does not own of record (and other than the Owned Shares and any Company Options and Company Warrants held by the Stockholder, as applicable, does not own beneficially) any shares of capital stock of the Company (or any securities convertible into shares of capital stock of the Company) or any interest therein.

(b) The Stockholder (i) except as provided in this Agreement, has full voting power, full power of disposition and full power to issue instructions with respect to the matters set forth herein that the Stockholder is obligated to take, in each case, with respect to the Stockholder’s Covered Shares, (ii) has not entered into any voting agreement or voting trust with respect to any of the Stockholder’s Covered Shares that is inconsistent with the Stockholder’s obligations pursuant to this Agreement, (iii) has not granted a proxy or power of attorney with respect to any of the Stockholder’s Covered Shares that is inconsistent with the Stockholder’s obligations pursuant to this Agreement and (iv) has not entered into any agreement or undertaking that is otherwise inconsistent with, or would reasonably be expected to interfere with, or prohibit or prevent Stockholder from satisfying, its obligations pursuant to this Agreement.

(c) If the Stockholder is not an individual, the Stockholder (i) is a legal entity duly organized, validly existing and, to the extent such concept is applicable, in good standing under the Laws of the jurisdiction of its organization, and (ii) has all requisite corporate or other power and authority and has taken all corporate or other action necessary in order to, execute, deliver and perform its obligations under this Agreement and to consummate the transactions contemplated hereby. This Agreement has been duly executed and delivered by the Stockholder and constitutes a legally valid and binding agreement of the Stockholder enforceable against the Stockholder in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar Laws affecting creditors’ rights generally and subject, as to enforceability, to general principles of equity. If the Stockholder is not an individual, the individual signing this Agreement on behalf of the Stockholder has the authority to execute and deliver this Agreement on behalf of the Stockholder. The Stockholder has taken all necessary action to authorize the execution, delivery and performance of this Agreement by the Stockholder.

(d) Other than the filings, notices and reports pursuant to, in compliance with or required to be made under the Exchange Act, no filings, notices, reports, consents, registrations, approvals, permits, waivers, expirations of waiting periods or authorizations are required to be obtained by the Stockholder from, or to be given by the Stockholder to, or be made by the Stockholder with, any Governmental Authority in connection with the execution, delivery and performance by the Stockholder of this Agreement or the consummation of the transactions contemplated hereby.

Table of Contents

(e) The execution, delivery and performance of this Agreement by the Stockholder do not, and the consummation by the Stockholder of the transactions contemplated hereby will not, constitute or result in (i) a breach or violation of, or a default under, the limited liability company agreement or similar governing documents of the Stockholder, (ii) with or without notice, lapse of time or both, a breach or violation of, a termination (or right of termination) of or a default under, the loss of any benefit under, the creation, modification or acceleration of any obligations under or the creation of a Lien on any of the properties, rights or assets of the Stockholder pursuant to any Contract binding upon the Stockholder or, assuming (solely with respect to performance of this Agreement and the transactions contemplated hereby), compliance with the matters referred to in Section 4(d), under any applicable Law to which the Stockholder is subject or (iii) any change in the rights or obligations of any party under any Contract legally binding upon the Stockholder, except, in the case of clause (ii) or (iii) directly above, as would not reasonably be expected to prevent or materially delay or impair the Stockholder's ability to perform its obligations hereunder or to consummate the transactions contemplated hereby.

(f) As of the date of this Agreement, there is no action, proceeding or investigation pending against the Stockholder or, to the knowledge of the Stockholder, threatened against the Stockholder, in any case, that challenges the beneficial or record ownership of the Stockholder's Owned Shares, the validity of this Agreement or the performance by the Stockholder of its obligations under this Agreement.

(g) The Stockholder understands and acknowledges that Acquiror is entering into the Merger Agreement in reliance upon the Stockholder's execution and delivery of this Agreement and the representations, warranties, covenants and other agreements of the Stockholder contained herein.

(h) No investment banker, broker, finder or other intermediary is entitled to any broker's, finder's, financial advisor's or other similar fee or commission for which Acquiror or the Company is or will be liable in connection with the transactions contemplated hereby based upon Contracts entered into by the Stockholder.

5. Representations and Warranties of the Acquiror. The Acquiror hereby represents and warrants to the Stockholder and the Company as follows:

(a) The Acquiror (i) is a legal entity duly organized, validly existing and in good standing under the Laws of the state of Delaware, and (ii) has all requisite corporate power and authority and has taken all corporate action necessary in order to, execute, deliver and perform its obligations under this Agreement and to consummate the transactions contemplated hereby. This Agreement has been duly executed and delivered by the Acquiror and constitutes a valid and binding agreement of the Acquiror enforceable against the Acquiror in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar Laws affecting creditors' rights generally and subject, as to enforceability, to general principles of equity.

(b) Other than the filings, notices and reports pursuant to, in compliance with or required to be made under the Exchange Act, no filings, notices, reports, consents, registrations, approvals, permits, waivers, expirations of waiting periods or authorizations are required to be obtained by the Acquiror from, or to be given by the Acquiror to, or be made by the Acquiror with, any Governmental Authority in connection with the execution, delivery and performance by the Acquiror of this Agreement or the consummation of the transactions contemplated hereby.

(c) The execution, delivery and performance of this Agreement by the Acquiror do not, and the consummation of the transactions contemplated hereby or the Merger and the other transactions contemplated by the Merger Agreement will not, constitute or result in (i) a breach or violation of, or a default under, the Acquiror Organizational Documents, (ii) with or without notice, lapse of time or both, a breach or violation of, a termination (or right of termination) of or a default under, the loss of any benefit under, the creation, modification or acceleration of any obligations under or the creation of a Lien on any of the properties, rights or

assets of the Acquiror pursuant to any Contract binding upon Acquiror or, assuming (solely with respect to performance of this Agreement and the transactions contemplated hereby), compliance with the matters referred to in Section 5(b), under any applicable Law to which the Acquiror is subject or (iii) any change in the rights or obligations of any party under any Contract legally binding upon the Acquiror, except, in the case of clause (ii) or (iii) directly above, for any such breach, violation, termination, default, creation, acceleration or change that would not, individually or in the aggregate, reasonably be expected to prevent or materially delay or impair the Acquiror's ability to perform its obligations hereunder or to consummate the transactions contemplated hereby.

6. Certain Covenants of the Stockholder. Except in accordance with the terms of this Agreement, the Stockholder hereby covenants and agrees as follows:

(a) No Solicitation. The Stockholder shall not take any action that the Company would be prohibited from taking pursuant to Section 6.09 of the Merger Agreement. Notwithstanding anything in this Agreement to the contrary, (i) the Stockholder (in its capacity as such) shall not be responsible for the actions of the Company or the Company Board (or any committee thereof), any Subsidiary of the Company, or any officers, directors (in their capacity as such), employees, professional advisors or other stockholder of any of the foregoing (the "Company Related Parties"), including with respect to any of the matters contemplated by Section 6.09 of the Merger Agreement, (ii) the Stockholder makes no representations, warranties or covenants with respect to the actions of any of the Company Related Parties, and (iii) any breach by the Company of its obligations under the Merger Agreement shall not be considered a breach by the Stockholder under this Agreement.

(b) No Transfers. The Stockholder hereby agrees not to, directly or indirectly, (i) sell, assign, transfer (including by operation of Law), pledge, dispose of or otherwise encumber, or otherwise agree to do any of the foregoing (each, a "Transfer") in respect of any of the Stockholder's Covered Shares, (ii) deposit any of the Stockholder's Covered Shares into a voting trust or enter into a voting agreement or arrangement or grant any proxy or power of attorney with respect thereto that is inconsistent with this Agreement, (iii) enter into any agreement, option or other arrangement or undertaking with respect to the direct or indirect sale, assignment, transfer (including by operation of Law) or other disposition by the Stockholder of any of the Stockholder's Covered Shares or (iv) take any action that would make any representation or warranty of the Stockholder herein untrue or incorrect in any material respect or have the effect of preventing or disabling the Stockholder from performing the Stockholder's obligations hereunder, except, in each case, pursuant to, or in furtherance of, the Transactions; provided, however, that the Stockholder may transfer any of the Stockholder's Covered Shares to any Permitted Transferee; provided, further, that prior to and as a condition to the effectiveness of such Transfer, each Person to whom any of the Stockholder's Covered Shares or any interest in any of such Covered Shares is or may be transferred shall have executed and delivered to Acquiror a counterpart of this Agreement pursuant to which such Person shall be bound by all of the terms and provisions of this Agreement. Any Transfer of any Covered Shares in violation of any provision of this Agreement shall be void ab initio and of no force or effect. "Permitted Transferee" shall mean (a) with respect to any Person that is an individual, any member of such individual's immediate family and/or any trust, partnership, limited liability company, or other similar estate planning vehicle that such individual controls and the beneficiaries of which are only such individual or such individual's immediate family, and any other transferee who receives Covered Shares by will or the Laws of descent and distribution; and (b) with respect to any other Person, any Affiliate of such Person. Without limiting the foregoing, nothing in this Agreement shall limit the right of the Stockholder, or obligate or require the Stockholder to, exercise an option to purchase any Company Shares. In furtherance of this Agreement, the Stockholder hereby authorizes the Company to enter, or cause its transfer agent to enter, a stop transfer order with respect to all of the Stockholder's Covered Shares with respect to any Transfer not permitted hereunder. In the event that the Stockholder intends to undertake a Permitted Transfer of any of the Stockholder's Covered Shares, the Stockholder shall provide notice thereof to Acquiror and shall authorize the Company to, or authorize the Company to instruct its transfer agent to, (i) lift any stop transfer order in respect of the Stockholder's Covered Shares to be so Transferred in order to effect such Permitted Transfer only upon certification by Acquiror (which shall not be unreasonably withheld, conditioned or delayed) that the written agreement to be entered into by the transferee agreeing to be bound by this Agreement pursuant to Section 6(b) hereof is

satisfactory to Acquiror and (ii) re-enter any stop transfer order in respect of the Stockholder's Covered Shares to be so Transferred upon completion of the Permitted Transfer.

(c) The Stockholder hereby authorizes the Company to maintain a copy of this Agreement at either the executive office or the registered office of the Company.

(d) Termination of Stockholder Agreements. The Stockholder and the Company hereby agree that effective as of the Closing, (i) each of the agreements set forth on Exhibit B (the "Terminating Agreements") hereto shall be automatically terminated and of no further force and effect (including any provisions of any such agreement that, by its terms, survive such termination) effective as of, and subject to and conditioned upon the occurrence of, the Closing and (ii) upon such termination neither the Company nor any of its Affiliates (including, from and after the Effective Time, Acquiror and its Affiliates) shall have any further obligations or liabilities under each such Terminating Agreement.

7. Non-Participation in Actions. The Stockholder further agrees not to commence or participate in, and to take all actions necessary that are reasonably within the Stockholder's control to opt out of any class in any class action with respect to, any action or claim, derivative or otherwise, against Acquiror, Acquiror's Affiliates, the Company or any of their respective successors and assigns relating to the negotiation, execution or delivery of this Agreement, the Merger Agreement (including with respect to the Total Consideration or any element thereof) or the consummation of the transactions contemplated hereby and thereby.

8. Disclosure. The Stockholder hereby authorizes the Company and Acquiror to publish and disclose in any announcement or disclosure required by the SEC the Stockholder's identity and ownership of the Covered Shares and the nature of the Stockholder's obligations under this Agreement; provided, that prior to any such publication or disclosure, the Company has been provided with a reasonable opportunity to review and comment upon such announcement or disclosure.

9. Changes in Capital Stock. In the event of a stock split, stock dividend or distribution, or any change in the Company's capital stock by reason of any stock split, reverse stock split, stock dividend, recapitalization, reclassification, combination, exchange of shares or other like changes or transactions, the terms "Owned Shares" and "Covered Shares" shall be deemed to refer to and include such shares as well as all such stock dividends and distributions and any securities into which or for which any or all of such shares may be changed or exchanged or which are received in such transaction.

11. No Ownership Interest. Nothing contained in this Agreement shall be deemed to vest in Acquiror any direct or indirect ownership or incidence of ownership of or with respect to the Covered Shares of the Stockholder. All rights, ownership and economic benefits of and relating to the Covered Shares of the Stockholder shall remain vested in and belong to the Stockholder, and Acquiror shall have no authority to direct the Stockholder in the voting or disposition of any of the Stockholder's Covered Shares, except as otherwise provided herein.

12. Severability. If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Agreement shall remain in full force and effect. The parties hereto further agree that if any provision contained herein is, to any extent, held invalid or unenforceable in any respect under the Laws governing this Agreement, they shall take any actions necessary to render the remaining provisions of this Agreement valid and enforceable to the fullest extent permitted by Law and, to the extent necessary, shall amend or otherwise modify this Agreement to replace any provision contained herein that is held invalid or unenforceable with a valid and enforceable provision giving effect to the intent of the parties hereto.

13. Entire Agreement. Without limiting the terms of the Merger Agreement any other Ancillary Agreement or any other agreement contemplated thereby, this Agreement constitutes the entire agreement among the parties relating to the subject matter of this Agreement and supersedes any other agreements, whether written or oral, that may have been made or entered into by or among any of the parties or any of their respective Subsidiaries relating to the subject matter of this Agreement.

14. No Third-Party Beneficiaries. The Stockholder hereby agrees that (a) its representations, warranties and covenants set forth herein are solely for the benefit of Acquiror in accordance with and subject to the terms of this Agreement, (b) this Agreement is being entered into in order to induce the Acquiror to execute and deliver the Merger Agreement and without the representations, warranties, covenants and agreements of the Stockholder hereunder, the Acquiror would not enter into the Merger Agreement, and (c) this Agreement is not intended to, and does not, confer upon any Person other than the parties hereto any rights or remedies hereunder, including the right to rely upon the representations and warranties set forth herein, and the parties hereto hereby further agree that this Agreement may only be enforced against, and any Action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement may only be made against, the Persons expressly named as parties hereto.

15. Amendment. This Agreement may not be amended, modified or supplemented in any manner, whether by course of conduct or otherwise, except by an instrument in writing signed on behalf of each of the parties hereto.

16. Assignment. No party hereto shall assign this Agreement or any part hereof without the prior written consent of the other parties. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective permitted successors and assigns. Any attempted assignment in violation of the terms of this Section 16 shall be null and void, *ab initio*.

17. Other Remedies; Specific Performance. The parties hereto agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy would occur in the event that the parties hereto do not perform their obligations under the provisions of this Agreement in accordance with its specified terms or otherwise breach such provisions. The parties hereto acknowledge and agree that (i) the parties hereto shall be entitled to an injunction, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, without proof of damages, this being in addition to any other remedy to which they are entitled under this Agreement, and (ii) the right of specific enforcement is an integral part of the transactions contemplated hereby and without that right, none of the parties hereto would have entered into this Agreement. Each party agrees that it will not oppose the granting of specific performance and other equitable relief on the basis that the other parties hereto have an adequate remedy at Law or that an award of specific performance is not an appropriate remedy for any reason at Law or equity. The parties hereto acknowledge and agree that any party seeking an injunction to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 17 shall not be required to provide any bond or other security in connection with any such injunction.

18. Governing Law and Venue; Service of Process; Waiver of Jury Trial

(a) This Agreement, and all claims or causes of action based upon, arising out of or related to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with, the Laws of the State of Delaware, without giving effect to principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of Laws of another jurisdiction.

(b) Any Action based upon, arising out of or related to this Agreement, or the transactions contemplated hereby, shall be brought in the Court of Chancery of the State of Delaware or, if such court lacks jurisdiction, the state or federal courts in the State of Delaware, and each of the parties irrevocably submits to the exclusive jurisdiction of each such court in any such Action, waives any objection it may now or hereafter have to personal jurisdiction, venue or to convenience of forum, agrees that all claims in respect of the Action shall be heard and determined only in any such court, and agrees not to bring any Action arising out of or relating to this Agreement or the transactions contemplated hereby in any other court. Nothing herein contained shall be deemed to affect the right of any party to serve process in any manner permitted by Law, or to commence legal proceedings or otherwise proceed against any other party in any other jurisdiction, in each case, to enforce judgments obtained in any Action brought pursuant to this Section 18.

(c) EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY LAW ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION BASED UPON, ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

19. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Signatures delivered electronically or by facsimile shall be deemed to be original signatures.

20. Headings. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

21. Mutual Drafting. Each party hereto has participated in the drafting of this Agreement, which each party acknowledges is the result of extensive negotiations between the parties. If an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision.

22. No Waiver of Rights, Powers and Remedies. No failure or delay by a party hereto in exercising any right, power or remedy under this Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Agreement by a party hereto, and no abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

23. Interpretation. The words “include,” “includes,” and “including” will be deemed to be followed by “without limitation.” Pronouns in masculine, feminine, and neuter genders will be construed to include any other gender, and words in the singular form will be construed to include the plural and vice versa, unless the context otherwise requires. The words “this Agreement,” “herein,” “hereof,” “hereby,” “hereunder,” and words of similar import refer to this Agreement as a whole and not to any particular subdivision unless expressly so limited. The parties hereto intend that each representation, warranty and covenant contained herein will have independent significance. If any party hereto has breached any representation, warranty or covenant contained herein in any respect, the fact that there exists another representation, warranty or covenant relating to the same subject matter (regardless of the relative levels of specificity) which such party has not breached will not detract from or mitigate the fact that such party is in breach of the first representation, warranty or covenant. References to any person include the successors and permitted assigns of that person. In the event an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the parties, and no presumption or burden of proof will arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement. All references in this to numbers of shares, per share amounts and purchase prices shall be appropriately adjusted to reflect any stock split, cash dividend, reverse stock split, stock dividend, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change or transaction after the date hereof.

24. Capacity as a Stockholder. Notwithstanding anything herein to the contrary, the Stockholder signs this Agreement solely in the Stockholder’s capacity as a stockholder of the Company, and not in any other capacity and this Agreement shall not limit or otherwise affect the actions of the Stockholder, or any affiliate, employee or designee of the Stockholder or any of its affiliates in his or her capacity, if applicable, as an officer or director of the Company or any other Person [including in the exercise of its fiduciary duties in connection with the Merger Agreement]. No Person who is a representative of the Stockholder, who is or becomes during the term hereof an

Without limiting any rights of any party against another party to the Merger Agreement or to any other Ancillary Document, except to the extent named as a party to this Agreement (and then only to the extent of the specific obligations undertaken by such named party in this Agreement), (a) no past, present or future director, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any named party to this Agreement and (b) no past, present or future director, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any of the foregoing shall have any liability (whether in contract, tort, equity or otherwise) for any one or more of the representations, warranties, covenants, agreements or other obligations or liabilities of any one or more of the parties under this Agreement or for any claim based on, arising out of, or related to this Agreement.

2.1 Shelf Registration.

2.1.1 The Company shall, within forty-five (45) calendar days after the Closing Date, file a Registration Statement under the Securities Act to permit the public resale of all Registrable Securities held by the Holders from time to time as permitted by Rule 415 under the Securities Act or any successor rule thereto (a “**Shelf Registration Statement**”), on the terms and conditions specified in this Section 2.1.1 and shall use its commercially reasonable efforts to cause such Shelf Registration Statement to be declared effective as soon as practicable after the filing thereof, but not later than (i) the 90th calendar day following the filing date if the Commission notifies the Company that it will “review” the Shelf Registration Statement) and (ii) the 10th business day after the date the Company is notified (orally or in writing, whichever is earlier) by the Commission that the Shelf Registration Statement will not be “reviewed” or will not be subject to further review. The Shelf Registration Statement filed with the Commission pursuant to this Section 2.1.1 shall be on Form S-1 or, if the Company is eligible to use Form S-3, then on Form S-3 or such other form of registration statement as is then available to effect a registration for resale of such Registrable Securities, and shall contain a Prospectus in such form as to permit any Holder to sell such Registrable Securities pursuant to Rule 415 under the Securities Act (or any successor or similar provision adopted by the Commission then in effect) at any time beginning on the effective date for such Registration Statement. A Registration Statement filed pursuant to this Section 2.1.1 shall provide for the resale pursuant to any method or combination of methods legally available to, and requested by, the Holders. The Company shall use its commercially reasonable efforts to cause a Registration Statement filed pursuant to this Section 2.1.1 to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities held by the Holders until all such Registrable Securities have ceased to be Registrable Securities. When effective, a Registration Statement filed pursuant to this Section 2.1.1 (including the documents incorporated therein by reference) will comply as to form in all material respects with all applicable requirements of the Securities Act and the Exchange Act and will not contain a Misstatement. The Company’s obligations under this Section 2.1.1, shall for the avoidance of doubt, be subject to Section 2.4 and Section 3.4.

2.1.2 If the Company files a Shelf Registration Statement on Form S-3 (a “**Form S-3 Shelf**”) and thereafter the Company becomes ineligible to use Form S-3 for secondary sales, the Company shall use its commercially reasonable efforts to file a Shelf Registration Statement on Form S-1 (a “**Form S-1 Shelf**”) as promptly as practicable to replace the Form S-3 Shelf and have the Form S-1 Shelf declared effective as promptly as practicable and to cause such Form S-1 Shelf to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities held by the Holders until all such Registrable Securities have ceased to be Registrable Securities. Upon such date as the Company

becomes eligible to use Form S-3 for secondary sales or, in the case of a FormS-1 Shelf filed to register the resale of Removed Shares pursuant to [Section 2.2](#), upon such date as the Company becomes eligible to register all of the Removed Shares for resale on a FormS-1 Shelf pursuant to the Commission Guidance and, if applicable, without a requirement that any of the Holders be named as an “underwriter” therein, the Company shall use its commercially reasonable efforts to file a Form S-3 Shelf as promptly as practicable to replace the applicable FormS-1 Shelf to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities thereunder held by the applicable Holders until all such Registrable Securities have ceased to be Registrable Securities. The Company’s obligations under this [Section 2.1.2](#), shall for the avoidance of doubt, be subject to [Section 2.4](#) and [Section 3.4](#).

2.1.3 Additional Registrable Securities. Subject to [Section 2.4](#) and [Section 3.4](#), in the event that any Holder holds Registrable Securities that are not registered for resale on a delayed or continuous basis, the Company, upon written request of the Holder, shall promptly use its commercially reasonable efforts to cause the resale of such Registrable Securities to be covered by either, at the Company’s option, any then available Shelf Registration Statement (including by means of a post-effective amendment) or by filing a subsequent Shelf Registration Statement and cause the same to become effective as soon as practicable after such filing and such Shelf Registration Statement shall be subject to the terms hereof; provided, however, that the Company shall only be required to cause such Registrable Securities to be so covered twice per calendar year for each of the Holders.

2.1.4 Underwritten Shelf Takedown. Subject to [Section 2.4](#) and [Section 3.4](#), at any time that a Shelf Registration Statement is effective, a Holder of at least 30% of the then-outstanding number of Registrable Securities, any of the Sponsor Members or the Sponsor (such Holder or the Sponsor in such capacity, a “**Demanding Holder**”) may request to sell all or part of its Registrable Securities in an Underwritten Offering that is registered pursuant to the Shelf Registration Statement (an “**Underwritten Shelf Takedown**”); provided that the Company shall only be obligated to effect an Underwritten Shelf Takedown for a Holder of at least 30% of the then-outstanding number of Registrable Securities if such offering shall include Registrable Securities proposed to be sold by such Demanding Holder, either individually or together with other Demanding Holders, yielding aggregate gross proceeds in excess of \$50,000,000 (based on then-current market prices) (the “**Minimum Amount**”). All requests for Underwritten Shelf Takedowns shall be made by giving written notice to the Company, which shall specify the number of Registrable Securities to be offered and sold under the Shelf Takedown. The Company shall have the right to select the Underwriter for such offering (which shall consist of one or more reputable nationally recognized investment banks. Notwithstanding the foregoing, (i) the Sponsor and the Sponsor Members (taken together) and (ii) the other Demanding Holders (taken together) may each demand not more than two Underwritten Shelf Takedowns, in each case pursuant to [this Section 2.1.4](#) in any twelve (12) month period, for an aggregate of not more than four Underwritten Shelf Takedowns pursuant to [this Section 2.1.4](#) in any twelve (12) month period. The Company may effect any Underwritten Offering pursuant to any then effective Registration Statement that is then available for such offering.

2.1.5 Reduction of Underwritten Offering. If the managing Underwriter or Underwriters in an Underwritten Shelf Takedown, in good faith, advises the Company, the Demanding Holders and the Holders requesting piggy back rights pursuant to this Agreement with respect to such Underwritten Shelf Takedown (the “**Requesting Holders**”) (if any) in writing that the dollar amount or number of Registrable Securities that the Demanding Holders and the Requesting Holders (if any) desire to sell, taken together with all other shares of Common Stock or other equity securities that the Company desires to sell and all other shares of Common Stock or other equity securities, if any, that have been requested to be sold in such Underwritten Offering pursuant to separate written contractual piggy-back registration rights held by any other stockholders, exceeds the maximum dollar amount or maximum number of equity securities that can be sold in the Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of such securities, as applicable, the “**Maximum Number of Securities**”), then the Company shall include in such Underwritten Offering, before including any shares of Common Stock or other equity securities proposed to be sold by Company or by other

holders of Common Stock or other equity securities, the Registrable Securities of (i) first, the Demanding Holders that can be sold without exceeding the Maximum Number of Securities (pro rata based on the respective number of Registrable Securities that each Demanding Holder has requested be included in such Underwritten Shelf Takedown and the aggregate number of Registrable Securities that all of the Demanding Holders have requested be included in such Underwritten Shelf Takedown) and (ii) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (i), the Requesting Holders (if any) (pro rata based on the respective number of Registrable Securities that each Requesting Holder (if any) has requested be included in such Underwritten Shelf Takedown and the aggregate number of Registrable Securities that all of the Requesting Holders have requested be included in such Underwritten Shelf Takedown) that can be sold without exceeding the Maximum Number of Securities.

2.1.6 Withdrawal. Prior to the filing of the applicable “red herring” prospectus or prospectus supplement used for marketing such Underwritten Shelf Takedown, a majority-in-interest of the Demanding Holders initiating an Underwritten Shelf Takedown shall have the right to withdraw from such Underwritten Shelf Takedown for any or no reason whatsoever upon written notification (a “**Withdrawal Notice**”) to the Company and the Underwriter or Underwriters (if any) of their intention to withdraw from such Underwritten Shelf Takedown; provided that the [remaining Demanding Holders] may elect to have the Company continue an Underwritten Shelf Takedown if the Minimum Takedown Threshold would still be satisfied by the Registrable Securities proposed to be sold in the Underwritten Shelf Takedown by such Holders. If withdrawn, a demand for an Underwritten Shelf Takedown shall constitute a demand for an Underwritten Shelf Takedown by the withdrawing Demanding Holder for purposes of Section 2.1.4, unless either (i) such Demanding Holder has not previously withdrawn any Underwritten Shelf Takedown or (ii) such Demanding Holder reimburses the Company for all Registration Expenses with respect to such Underwritten Shelf Takedown (or, if there is more than one Demanding Holder, a pro rata portion of such Registration Expenses based on the respective number of Registrable Securities that each Demanding Holder has requested be included in such Underwritten Shelf Takedown); provided that, if the [remaining Demanding Holders] elect to continue an Underwritten Shelf Takedown pursuant to the proviso in the immediately preceding sentence, such Underwritten Shelf Takedown shall instead count as an Underwritten Shelf Takedown demanded by such remaining Demanding Holders, for purposes of Section 2.1.4. Following the receipt of any Withdrawal Notice, the Company shall promptly forward such Withdrawal Notice to any other Holders that had elected to participate in such Underwritten Shelf Takedown. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Shelf Takedown prior to its withdrawal under this Section 2.1.6, other than if a Demanding Holder elects to pay such Registration Expenses pursuant to clause (ii) of the second sentence of this Section 2.1.6.

2.1.7 Shelf Takedown Block Trade; Other Coordinated Offering

(a) Notwithstanding anything to the contrary in Section 2.1.4 but subject to Section 3.4, at any time and from time to time when an effective Shelf Registration Statement is on file with the Commission, if a Demanding Holder wishes to engage in (i) an underwritten registered offering not involving a “roadshow,” an offer commonly known as a “block trade” (a “**Shelf Takedown Block Trade**”) or (ii) an “at the market” or similar registered offering through a broker, sales agent or distribution agent, whether as agent or principal (an “**Other Coordinated Offering**”), in each case, with a total offering price reasonably expected to exceed, in the aggregate, the Minimum Amount or all of the remaining Registrable Securities held by the Demanding Holder, then notwithstanding the foregoing time periods, the Demanding Holder needs to notify the Company of the Shelf Takedown Block Trade or Other Coordinated Offering five business days prior to the day such offering is to commence, and the Company shall use its commercially reasonable efforts (including cooperating with such Demanding Holder with respect to the provision of necessary information) to facilitate such Shelf Takedown Block Trade or Other Coordinated Offering (which may close as early as two business days after the date it commences); provided that the Demanding Holder wishing to engage in such Shelf Takedown Block Trade or Other Coordinated Offering shall use commercially reasonable efforts to work with the Company and the underwriter(s), brokers, placement agents or sales agents (if any) (including by disclosing the maximum number

of Registrable Securities proposed to be the subject of such Shelf Takedown Block Trade or Other Coordinated Offering) prior to making such request in order to facilitate preparation of the Registration Statement and other offering documentation, comfort procedures and due diligence related to such Shelf Takedown Block Trade or Other Coordinated Offering.

(b) Prior to the filing of the applicable “red herring” prospectus or prospectus supplement used in connection with a Shelf Takedown Block Trade or Other Coordinated Offering, the Demanding Holders initiating such Shelf Takedown Block Trade or Other Coordinated Offering shall have the right to submit a Withdrawal Notice to the Company and the underwriter(s), brokers, placement agents or sales agents (if any) of their intention to withdraw from such Shelf Takedown Block Trade or Other Coordinated Offering. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Shelf Takedown Block Trade or Other Coordinated Offering prior to its withdrawal under this [Section 2.1.7](#).

(c) Notwithstanding anything to the contrary in this Agreement, [Section 2.3](#) shall not apply to a Shelf Takedown Block Trade or Other Coordinated Offering.

(d) The Demanding Holder in a Shelf Takedown Block Trade or Other Coordinated Offering shall have the right to select the underwriter(s), brokers, placement agents or sales agents (if any) for such Shelf Takedown Block Trade or Other Coordinated Offering (in each case, which shall consist of one or more reputable nationally recognized investment banks).

(e) Each of (i) the Sponsor and the Sponsor Members (taken together) and (ii) the other Demanding Holders (taken together) each may demand not more than two Shelf Takedown Block Trades or Other Coordinated Offerings pursuant to this [Section 2.1.7](#) in any twelve (12) month period.

2.2 Rule 415 – Removal. If at any time the Commission takes the position that the offering of some or all of the Registrable Securities in a Registration Statement on Form S-3 filed pursuant to [Section 2.1](#) is not eligible to be made on a delayed or continuous basis under the provisions of Rule 415 under the Securities Act (it being understood that the Company shall be obligated to use diligent efforts to advocate with the Commission for the registration of all of the Registrable Securities in accordance with the Commission Guidance, including Compliance and Disclosure Interpretation 612.09) or requires a Holder to be named as an “underwriter,” the Company shall (a) promptly notify each Holder of Registrable Securities subject to such Registration Statement (or in the case of the Commission requiring a Holder to be named as an “underwriter,” the Holders) and (b) use reasonable best efforts to persuade the Commission that the offering contemplated by such Registration Statement is a valid secondary offering and not an offering “by or on behalf of the issuer” as defined in Rule 415 and that none of the Holders is an “underwriter.” The Holders shall have the right, at the expense of the Holders, to select one firm of legal counsel designated by the Holders of a majority of the Registrable Securities subject to such Registration Statement to review and oversee any registration or matters pursuant to this [Section 2.2](#), including participation in any meetings or discussions with the Commission regarding the Commission’s position and the Company will consider, in good faith, any comments from such Holders’ counsel to any written submission proposed made by the Company to the Commission with respect thereto. In the event that, despite the Company’s commercially reasonable efforts and compliance with the terms of this [Section 2.2](#), the Commission refuses to alter its position, the Company shall, in its sole discretion, (i) remove from such Registration Statement such portion of the Registrable Securities (the “**Removed Shares**”) and/or (ii) agree to such restrictions and limitations on the registration and resale of the Registrable Securities as the Commission may require to assure the Company’s compliance with the requirements of Rule 415; provided, however, that the Company shall not agree to name any Holder as an “underwriter” in such Registration Statement without the prior written consent of such Holder. In the event of a share removal pursuant to this [Section 2.2](#), the Company shall give the applicable Holders at least five days prior written notice along with the calculations as to such Holder’s allotment. Any removal of shares of the Holders pursuant to this [Section 2.2](#) shall be allocated between the Holders Pro Rata. In the event of a share removal of the Holders pursuant to this [Section 2.2](#), the Company shall promptly register the

resale of any Removed Shares pursuant to [Section 2.1.2](#) and in no event shall the filing of such Registration Statement on Form S-1 or subsequent Registration Statement on Form S-3 filed pursuant to the terms of [Section 2.1.2](#) be counted as a Shelf Takedown hereunder. Until such time as the Company has registered all of the Removed Shares for resale pursuant to Rule 415 on an effective Registration Statement, the Company shall not be able to defer the filing of a Registration Statement pursuant to [Section 2.4](#).

2.3 [Piggyback Registration](#).

2.3.1 [Piggyback Rights](#). If the Company proposes to file a Registration Statement under the Securities Act with respect to an offering of equity securities, or securities or other obligations exercisable or exchangeable for, or convertible into equity securities, for its own account or for the account of stockholders of the Company other than a Shelf Takedown Block Trade or Other Coordinated Offering (or by the Company and by the stockholders of the Company), other than a Registration Statement (a) filed in connection with any employee stock option or other benefit plan, (b) for an exchange offer or offering of securities solely to the Company's existing stockholders, including an exchange offer on Form S-4 (or similar form that relates to a transaction subject to Rule 145 under the Securities Act or any successor rule thereto), (c) for an offering of debt that is convertible into equity securities of the Company, or (d) for a dividend reinvestment plan, then the Company shall give written notice of such proposed filing to all of the Holders of Registrable Securities as soon as practicable but not less than 10 days before the anticipated filing date of such Registration Statement or, in the case of an Underwritten Offering pursuant to a Shelf Registration Statement, the applicable "red herring" prospectus or prospectus supplement used for marketing such offering, which notice shall (i) describe the amount and type of securities to be included in such offering, the intended method(s) of distribution, and the name of the proposed managing Underwriter or Underwriters, if any, in such offering, and (ii) offer to all of the Holders of Registrable Securities the opportunity to register the sale of such number of Registrable Securities as such Holders may request in writing within five days after receipt of such written notice (such Registration a "[Piggyback Registration](#)"). Subject to [Section 2.4](#) and [Section 3.4](#), the Company shall, in good faith, cause such Registrable Securities to be included in such Piggyback Registration and shall use its commercially reasonable efforts to cause the managing Underwriter or Underwriters of a proposed Underwritten Offering to permit the Registrable Securities requested by the Holders pursuant to [this Section 2.3.1](#) to be included in a Piggyback Registration on the same terms and conditions as any similar securities of the Company or Company stockholder(s) for whose account the Registration Statement is to be filed included in such Registration and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under [this Section 2.3.1](#) shall enter into an underwriting agreement in customary form with the Underwriter(s) selected for such Underwritten Offering by the Company or Company stockholder(s) for whose account the Registration Statement is to be filed. For purposes of [this Section 2.3](#), the filing by the Company of an Automatic Shelf Registration Statement for offerings pursuant to Rule 415(a) (if available) that omits information with respect to any specific offering pursuant to Rule 430B shall not trigger any notification or participation rights hereunder until such time as the Company amends or supplements such Registration Statement to include information with respect to a specific offering of Registrable Securities (and such amendment or supplement shall trigger the notice and participation rights provided for in [this Section 2.3](#)).

2.3.2 [Reduction of Piggyback Registration](#). If the managing Underwriter or Underwriters in an Underwritten Registration that is to be a Piggyback Registration, in good faith, advises the Company and the Holders of Registrable Securities participating in the Piggyback Registration in writing that the dollar amount or number of shares of Common Stock that the Company desires to sell for its own account, taken together with (a) the shares of Common Stock, if any, as to which Registration has been demanded pursuant to separate written contractual arrangements with Persons other than the Holders of Registrable Securities hereunder, (b) the Registrable Securities as to which registration has been requested pursuant to [Section 2.3](#) and (c) the shares of Common Stock, if any, as to which Registration has been requested pursuant to separate written contractual piggy-back registration rights of other stockholders of the Company, exceeds the Maximum Number of Securities, then:

(i) If the Registration is undertaken for the Company's account, the Company shall include in any such Registration (A) first, Common Stock or other equity securities that the Company desires to sell for its own account, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to Section 2.3.1, Pro Rata, which can be sold without exceeding the Maximum Number of Securities; and (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Common Stock, if any, as to which Registration has been requested pursuant to written contractual piggy-back registration rights of other stockholders of the Company, which can be sold without exceeding the Maximum Number of Securities; and

(ii) If the Registration is pursuant to a request by Persons other than the Holders of Registrable Securities, then the Company shall include in any such Registration (A) first, Common Stock or other equity securities, if any, of such requesting Persons, other than the Holders of Registrable Securities, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to Section 2.3.1, Pro Rata, which can be sold without exceeding the Maximum Number of Securities; (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Common Stock or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (D) fourth, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A), (B) and (C), the Common Stock or other equity securities for the account of other Persons that the Company is obligated to register pursuant to separate written contractual arrangements with such Persons, which can be sold without exceeding the Maximum Number of Securities.

2.3.3 Piggyback Registration Withdrawal. Any Holder of Registrable Securities shall have the right to withdraw all or a portion of its Registrable Securities from a Piggyback Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of his, her or its intention to withdraw such Registrable Securities from such Piggyback Registration (a) in the case of a Piggyback Registration not involving an Underwritten Offering, the effectiveness of the applicable Registration Statement or (b) in the case of a Piggyback Registration involving an Underwritten Offering, prior to the pricing of such Underwritten Offering. The Company (whether on its own good faith determination or as the result of a request for withdrawal by Persons pursuant to separate written contractual obligations) may withdraw a Registration Statement filed with the Commission in connection with a Piggyback Registration at any time prior to the effectiveness of such Registration Statement. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with the Piggyback Registration prior to its withdrawal under this Section 2.3.3.

2.3.4 Unlimited Piggyback Registration Rights. For purposes of clarity, any Registration effected pursuant to this Section 2.3 shall not be counted as a Registration pursuant to Section 2.1.4.

2.4 Restrictions on Registration Rights. The Company shall not be obligated to effect, or to take any action to effect, any Registration pursuant to Section 2.1.4 or Section 2.3 during the period that is 60 days before the Company's good faith estimate of the date of filing of, and ending on a date that is 90 days after the effective date of, a Company-initiated registration, provided, that the Company is actively employing in good faith commercially reasonable efforts to cause such Registration Statement to become effective.

3.1.9 advise each seller of such Registrable Securities, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the Commission suspending the effectiveness of such Registration Statement or the initiation or threatening of any proceeding for such purpose and promptly use its commercially reasonable efforts to prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued;

3.1.10 at least five days prior to the filing of any Registration Statement or Prospectus or any amendment or supplement to such Registration Statement or Prospectus (or such shorter period of time as may be (a) necessary in order to comply with the Securities Act, the Exchange Act, and the rules and regulations promulgated under the Securities Act or Exchange Act, as applicable or (b) advisable in order to reduce the number of days that sales are suspended pursuant to Section 3.4), furnish a copy thereof to each seller of such Registrable Securities or its counsel (excluding any exhibits thereto and any filing made under the Exchange Act that is to be incorporated by reference therein);

3.1.11 notify the Holders at any time when a Prospectus relating to such Registration Statement is required to be delivered under the Securities Act, of the happening of any event as a result of which the Prospectus included in such Registration Statement, as then in effect, includes a Misstatement, and then to correct such Misstatement as set forth in Section 3.4 hereof;

3.1.12 in the event of an Underwritten Offering, a Shelf Takedown Block Trade, an Other Coordinated Offering, or a sale, by a broker, placement agent or sales agent pursuant to such Registration, permit a representative of the Holders, the Underwriters or other financial institutions facilitating such Underwritten Offering, Block Trade, Other Coordinated Offering, if any, and any attorney or accountant retained by such Holders, Underwriter or other financial institution to participate, at each such person's own expense, in the preparation of the Registration Statement, cause the Company's officers, directors and employees to supply all information reasonably requested by any such representative, Underwriter, attorney or accountant in connection with the Registration; provided, however, that such representatives or Underwriters, financial institution, attorney or accountant agree to confidentiality arrangements reasonably satisfactory to the Company, prior to the release or disclosure of any such information;

3.1.13 obtain a "cold comfort" letter from the Company's independent registered public accountants in the event of an Underwritten Offering, a Shelf Takedown Block Trade, an Other Coordinated Offering or a sale by a broker, placement agent or sales agent pursuant to such Registration (subject to such broker, placement agent or sales agent providing such certification or representation reasonably requested by the Company's independent registered public accountants and the Company's counsel) in customary form and covering such matters of the type customarily covered by "cold comfort" letters as the managing Underwriter may reasonably request, and reasonably satisfactory to a majority-in-interest of the participating Holders;

3.1.14 in the event of an Underwritten Offering, a Shelf Takedown Block Trade, an Other Coordinated Offering or a sale by a broker, placement agent or sales agent pursuant to such Registration, on the date the Registrable Securities are delivered for sale pursuant to such Registration, obtain an opinion, dated such date, of counsel representing the Company for the purposes of such Registration, addressed to the participating Holders, the broker, placement agent or sales agent, if any, and the Underwriters, if any, covering such legal matters with respect to the Registration in respect of which such opinion is being given as the Holders, broker, placement agent, sales agent, or Underwriter may reasonably request and as are customarily included in such opinions and negative assurance letters, and reasonably satisfactory to a majority in interest of the participating Holders and any Underwriter;

3.1.15 in the event of any Underwritten Offering, a Shelf Takedown Block Trade, an Other Coordinated Offering or a sale by a broker, placement agent or sales agent pursuant to such Registration, enter into and perform its obligations under an underwriting agreement or other purchase or sales agreement, in usual and customary form, with the managing Underwriter or broker, placement agent or sales agent of such offering or sale;

3.1.16 make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least 12 months beginning with the first day of the Company's first full calendar quarter after the effective date of the Registration Statement which satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any successor rule promulgated thereafter by the Commission);

3.1.17 in the event of any Underwritten Offering pursuant to Section 2.1.4, use its reasonable efforts to make available senior executives of the Company to participate in customary "road show" presentations that may be reasonably requested by the Underwriter in any Underwritten Offering; and

3.1.18 otherwise, in good faith, cooperate reasonably with, and take such customary actions as may reasonably be requested by the Holders, in connection with such Registration.

Notwithstanding the foregoing, the Company shall not be required to provide any documents or information to an Underwriter, broker, sales agent or placement agent if such Underwriter, broker, sales agent or placement agent has not then been named with respect to the applicable Underwritten Offering or other offering involving a Registration as an Underwriter, broker, sales agent or placement agent, as applicable.

3.2 Registration Expenses. The Registration Expenses of all Registrations shall be borne by the Company. It is acknowledged by the Holders that the Holders shall bear all incremental selling expenses relating to the sale of Registrable Securities, such as Underwriters' commissions and discounts, brokerage fees, Underwriter marketing costs and, other than as set forth in the definition of "Registration Expenses," all reasonable fees and expenses of any legal counsel representing the Holders.

3.3 Requirements for Participation in Offerings. Notwithstanding anything in this Agreement to the contrary, if any Holder does not provide the Company in writing (which may be by e-mail) such information and affidavits as the Company reasonably requests (or cause to be provided to the Company on its behalf) for use in connection with any such Registration Statement or Prospectus (the "**Holder Information**"), the Company may exclude such Holder's Registrable Securities from the applicable Registration Statement or Prospectus if the Company determines, based on the advice of counsel, that such information is necessary to effect the registration and such Holder continues thereafter to withhold such information. No Person may participate in any Underwritten Offering or other offering for equity securities of the Company pursuant to a Registration initiated by the Company hereunder unless such Person (a) agrees to sell such Person's securities on the basis provided in any underwriting, sales, distribution or placement arrangements approved by the Company and (b) completes and executes all customary questionnaires, powers of attorney, indemnities, lock-up agreements, underwriting agreements and other customary documents as may be reasonably required under the terms of such underwriting, sales, distribution or placement arrangements. The exclusion of a Holder's Registrable Securities as a result of this Section 3.3 shall not affect the registration of the other Registrable Securities to be included in such Registration.

3.4 Adverse Disclosure: Suspension of Sales

3.4.1 Upon receipt of written notice from the Company that a Registration Statement or Prospectus contains a Misstatement, each of the Holders shall forthwith discontinue disposition of Registrable Securities until he, she or it has received copies of a supplemented or amended Prospectus correcting the Misstatement (it being understood that the Company hereby covenants to prepare and file such supplement or amendment as soon as practicable after the time of such notice), or until he, she or it is advised in writing by the Company that the use of the Prospectus may be resumed.

3.4.2 If the filing, initial effectiveness or continued use of a Registration Statement in respect of any Registration at any time would (a) require the Company to make an Adverse Disclosure, (b) require the inclusion in such Registration Statement of financial statements that are unavailable to the Company for reasons beyond the Company's control, (c) materially interfere with a significant acquisition, corporate reorganization, or other similar transaction involving the Company, (d) render the Company unable to comply with requirements under the Securities Act or Exchange Act or (e) in the good faith judgment of the majority of the Board such Registration, be seriously detrimental to the Company and the majority of the Board concludes as a result that it is essential to defer such filing, initial effectiveness or continued use at such time, the Company may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, such Registration Statement for the shortest period of time, determined in good faith by the Board to be necessary for such purpose. In the event the Company exercises its rights under the preceding sentence, the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of the Prospectus relating to any Registration in connection with any sale or offer to sell Registrable Securities until such Holder receives written notice from the Company that such sales or offers of Registrable Securities may be resumed, and in each, maintain the confidentiality of such notice and its contents.

3.4.3 The right to delay or suspend any filing, initial effectiveness or continued use of a Registration Statement pursuant to Section 3.4 shall be exercised by the Company, in the aggregate, not more than ninety (90) days in any twelve (12)-month period.

3.5 Reporting Obligations: As long as any Holder shall own Registrable Securities, the Company, at all times while it shall be a reporting company under the Exchange Act, covenants to file timely (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to Sections 13(a) or 15(d) of the Exchange Act and to promptly furnish the Holders with true and complete copies of all such filings; provided that any documents publicly filed or furnished with the Commission pursuant to the Electronic Data Gathering, Analysis and Retrieval System shall be deemed to have been furnished or delivered to the Holders pursuant to this Section 3.5. Following such time as Rule 144 is available, the Company further covenants that it shall take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell shares of the Common Stock held by such Holder without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 promulgated under the Securities Act (or any successor rule promulgated thereafter by the Commission), including providing any legal opinions. Upon the request of any Holder, the Company shall deliver to such Holder a written certification of a duly authorized officer as to whether it has complied with such requirements.

3.6 Delay of Registration. No Holder shall have any right to obtain or seek an injunction restraining or otherwise delaying any Registration pursuant to this Agreement as the result of any controversy that might arise with respect to the interpretation or implementation of Article II or this Article III.

ARTICLE IV OTHER AGREEMENTS

4.1 Limitations on Subsequent Registration Rights. From and after the Closing Date, the Company shall not, without the prior written consent of the Holders of a majority of the Registrable Securities then outstanding, enter into any agreement with any holder or prospective holder of any securities of the Company that (a) would provide to such holder the right to include securities in any registration on other than either a pro rata basis with respect to the Registrable Securities or on a subordinate basis after all Holders have had the opportunity to include in the registration and offering all shares of Registrable Securities that they wish to so include or (b) allow such holder or prospective holder to initiate a demand for registration of any securities held by such holder or prospective holder; provided, however, that this limitation shall not apply to any additional Holder who becomes a party to this Agreement in accordance with Section 6.10.

4.2 “Market Stand-Off” Agreement.

4.2.1 Each Holder that is an executive officer, director or Holder in excess of 5% of the outstanding Common Stock (and for which it is customary for such Holder to agree to a lock-up) hereby agrees that, if requested by the managing Underwriter(s), it will not Transfer any shares of Common Stock or other equity securities of the Company (other than those included in such offering pursuant to this Agreement), without the prior written consent of the managing Underwriter, during the period commencing on the date of the final prospectus relating to the Registration by the Company of shares of its Common Stock or any other equity securities under the Securities Act on a registration statement (other than a Shelf Takedown Block Trade or Other Coordinated Offering), and ending on the date specified by the Company and the managing Underwriter (such period not to exceed 90 days). Each Holder further agrees to execute such agreements, including a customary lock-up agreement, as may be reasonably requested by the Underwriters in connection with such Registration that are consistent with this Section 4.2.1, in which case such agreement shall replace and supersede the obligations of this Section 4.2.1 with respect to such Registration.

4.2.2 In order to enforce the foregoing, the Company may impose stop-transfer instructions with respect to the shares of Common Stock or other equity securities of the Company of each Holder (and transferees and assignees thereof) until the end of such restricted period.

**ARTICLE V
INDEMNIFICATION AND CONTRIBUTION**

5.1 Indemnification.

5.1.1 The Company agrees to indemnify, to the extent permitted by law, each Holder of Registrable Securities, its officers, directors and agents and each Person who controls such Holder (within the meaning of the Securities Act) against all losses, claims, damages, liabilities and expenses (including without limitation reasonable and documented outside attorney’s fees) (collectively, “**Claims**”) caused by any untrue or alleged untrue statement of material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, and the Company will reimburse such Holder or other Person for any legal or other reasonable and documented expenses reasonably incurred by them in connection with investigating or defending such Claim, except insofar as the same are caused by or contained in any Holder Information or is based upon an omission or alleged omission from such Holder Information. The Company shall indemnify the Underwriters, their officers and directors and each Person who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to the indemnification of the Holder.

5.1.2 In connection with any Registration Statement in which a Holder of Registrable Securities is participating, such Holder shall furnish or cause to be furnished to the Company such Holder Information and, to the extent permitted by law, shall indemnify the Company, its directors, officers and agents and each Person who controls the Company (within the meaning of the Securities Act) against any Claims resulting from any untrue or alleged untrue statement of material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, and such Holder will reimburse the Company or such other Person for any legal or other reasonable and documented expenses reasonably incurred by them in connection with investigating or defending such Claim, but only to the extent that such untrue statement or omission is contained in (or not contained in, in the case of an omission) any information or affidavit so furnished in writing by or on behalf of such Holder expressly for use therein; provided, however, that the obligation to indemnify shall be several, not joint and several, among such Holders of Registrable Securities, and the liability of each such Holder of Registrable Securities shall be in proportion to and limited to the net

Table of Contents

proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement. The Holders of Registrable Securities shall indemnify the Underwriters, their officers, directors and each Person who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to indemnification of the Company.

5.1.3 Any Person entitled to indemnification herein shall (a) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any Person's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and (b) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

5.1.4 The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling Person of such indemnified party and shall survive the transfer of securities. The Company and each Holder of Registrable Securities participating in an offering also agrees to make such provisions as are reasonably requested by any indemnified party for contribution to such party in the event the Company's or such Holder's indemnification is unavailable for any reason.

5.1.5 If the indemnification provided under this Section 5.1 from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any Claims referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such Claims in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by (or not made by, in the case of an omission), or relates to information supplied by (or not supplied by in the case of an omission), such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action; provided, however, that the liability of any Holder under this Section 5.1.5 shall be limited to the amount of the net proceeds received by such Holder in such offering giving rise to such liability. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in Sections 5.1.1, 5.1.2 and 5.1.3, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 5.1.5 were determined by pro rata allocation or by any other method of allocation, which does not take account of the equitable considerations referred to in this Section 5.1.5. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 5.1.5 from any Person who was not guilty of such fraudulent misrepresentation.

6.2.1 This Agreement and the rights, duties and obligations of the Company hereunder may not be assigned or delegated by the Company in whole or in part.

6.3 Captions; Counterparts. The captions in this Agreement are for convenience only and shall not be considered a part of or affect the construction or interpretation of any provision of this Agreement. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

6.4 Construction. The words “include,” “includes,” and “including” will be deemed to be followed by “without limitation.” Pronouns in masculine, feminine, and neuter genders will be construed to include any other gender, and words in the singular form will be construed to include the plural and vice versa, unless the context otherwise requires. The words “this Agreement,” “herein,” “hereof,” “hereby,” “hereunder,” and words of similar import refer to this Agreement as a whole and not to any particular subdivision unless expressly so limited. The parties hereto intend that each representation, warranty and covenant contained herein will have independent significance. If any party hereto has breached any representation, warranty or covenant contained herein in any respect, the fact that there exists another representation, warranty or covenant relating to the same subject matter (regardless of the relative levels of specificity) which such party has not breached will not detract from or mitigate the fact that such party is in breach of the first representation, warranty or covenant. All references in this Agreement to numbers of shares, per share amounts and purchase prices shall be appropriately adjusted to reflect any stock split, stock dividend, stock combination, recapitalization or the like occurring after the date hereof.

6.5 Governing Law. This Agreement, and all claims or causes of action based upon, arising out of or related to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with the laws of the State of Delaware, without giving effect to principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of laws of another jurisdiction.

6.6 Consent to Jurisdiction; Waiver of Jury Trial. Any claims or causes of action based upon, arising out of or related to this Agreement or the transactions contemplated hereby shall be brought in the Court of Chancery of the State of Delaware or, if such court declines to exercise jurisdiction, any federal or state court located in New York County, New York, and each of the parties hereto irrevocably submits to the exclusive jurisdiction of each such court in any such claim or cause of action, waives any objection it may now or hereafter have to personal jurisdiction, venue or to convenience of forum, agrees that all claims and causes of action shall be heard and determined only in any such court, and agrees not to bring any claim or cause of action arising out of or relating to this Agreement or the transactions contemplated hereby in any other court. Nothing contained in this Agreement shall be deemed to affect the right of any party hereto to serve process in any manner permitted by law, or to commence legal proceedings or otherwise proceed against any other party hereto in any other jurisdiction, in each case, to enforce judgments obtained in any claim or cause of action brought pursuant to this Section 6.6. **EACH PARTY HERETO ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND, THEREFORE, EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION BASED UPON, ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.**

6.7 Amendments and Modifications. Upon the written consent of the Company and the Holders of at least a majority in interest of the Registrable Securities at the time in question, compliance with any of the provisions, covenants and conditions set forth in this Agreement may be waived, or any of such provisions, covenants or conditions may be amended or modified; provided, however, that notwithstanding the foregoing, any amendment hereto or waiver hereof shall also require (i) the written consent of the Sponsor so long as the Sponsor and its

affiliates hold, in the aggregate, at least 2% of the outstanding shares of Common Stock of the Company and (ii) following any dissolution of the Sponsor and assignment of rights under this Agreement to the Sponsor Holders pursuant to [Section 2.6](#) and [Section 6.2](#), the written consent of each Sponsor Member which, together with its Affiliates holds, in the aggregate, at least 2% of the outstanding shares of Common Stock of the Company; provided, further, that notwithstanding the foregoing, any amendment hereto or waiver hereof that adversely affects one Holder, solely in its capacity as a holder of the shares of capital stock of the Company, in a manner that is materially different from the other Holders (in such capacity) shall require the consent of the Holder so affected. No course of dealing between any Holder or the Company and any other party hereto or any failure or delay on the part of a Holder or the Company in exercising any rights or remedies under this Agreement shall operate as a waiver of any rights or remedies of any Holder or the Company. No single or partial exercise of any rights or remedies under this Agreement by a party shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder or thereunder by such party.

6.8 Termination of the Existing Registration Rights Agreement. The parties to the Existing Registration Rights Agreement hereby agree that, effective as of and contingent upon the Closing Date, the Existing Registration Rights Agreement shall be terminated automatically without any further action of the parties thereto, and the registration rights granted under this Agreement shall supersede any registration, qualification or similar rights of the Holders with respect to any of the shares or any securities of the Company granted under any other agreement, and any of such preexisting registration, qualification or similar rights and such agreements shall be terminated and of no further force and effect.

6.9 Term. Following the Closing Date, this Agreement shall terminate upon the date as of which (a) all of the Registrable Securities have been sold pursuant to a Registration Statement (but in no event prior to the applicable period referred to in Section 4(a)(3) of the Securities Act and Rule 174 thereunder (or any successor rule promulgated thereafter by the Commission)) or (b) the Holders of all Registrable Securities are permitted to sell the Registrable Securities under Rule 144 promulgated by the Commission (or any similar provision) under the Securities Act without limitation on the amount of securities sold or the manner of sale. The provisions of [Article VI](#) shall survive any termination.

6.10 Additional Holders. Subject to the prior written consent of the Holders holding a majority of the Registrable Securities, the Company may permit a Person to become a party to this Agreement by executing and delivering an additional counterpart signature page to this Agreement, and thereafter such Person shall be deemed a “Holder” for all purposes hereunder.

6.12 Aggregation of Stock. All shares of Registrable Securities held or acquired by Affiliates shall be aggregated together for the purpose of determining the availability of any rights under this Agreement and such Affiliates may apportion such rights as among themselves in any manner they deem appropriate.

This Agreement constitutes the entire agreement among the parties hereto relating to the transactions contemplated hereby and supersedes any other agreements, whether written or oral, that may have been made or entered into by or among any of the parties hereto or any of their respective Affiliates relating to the transactions contemplated hereby. No representations, warranties, covenants, understandings or agreements, oral or otherwise, relating to the transactions contemplated hereby exist between the parties hereto except as expressly set forth or referenced in this Agreement.

This SUBSCRIPTION AGREEMENT (this “Subscription Agreement”) is entered into on February 17, 2021, by and between Osprey Technology Acquisition Corp., a Delaware corporation (the “Issuer”), and the subscriber party set forth on the signature page hereto (“Subscriber”).

WHEREAS, substantially concurrently with the execution of this Subscription Agreement, the Issuer is entering into an Agreement and Plan of Merger, by and among the Issuer, Osprey Technology Merger Sub, Inc., a Delaware corporation (“MergerSub”), and BlackSky Holdings, Inc., a Delaware corporation (“Target”) (the “Merger Agreement”), whereby MergerSub will merge with and into Target, with Target surviving as a wholly owned subsidiary of the Issuer, on the terms and subject to the conditions set forth therein (the “Transactions”);

WHEREAS, to finance a portion of the Transactions, Subscriber desires to subscribe for and purchase from the Issuer that number of shares of the Issuer’s Class A common stock, par value \$0.0001 per share (the “Class A Shares”), set forth on the signature page hereto (the “Acquired Shares”) in a private placement for a purchase price of \$10.00 per share (the “Per Share Purchase Price”) and an aggregate purchase price set forth on the signature page hereto (the “Purchase Price”), and the Issuer desires to issue and sell to Subscriber the Acquired Shares in consideration of the payment of the Purchase Price by or on behalf of Subscriber to the Issuer on or prior to the Subscription Closing (as defined below);

WHEREAS, substantially concurrently with the execution of this Subscription Agreement, the Issuer is entering into: (a) separate subscription agreements with certain other investors that are existing directors or officers of, or otherwise affiliated or associated with or identified by, the Issuer or Target (the “Insider Subscription Agreements”) with an aggregate purchase price of \$20,000,000 (collectively, the “Insider PIPE Investors” and, such investment, the “Insider PIPE Investment”); and (b) separate subscription agreements (the “Other Subscription Agreements”) with certain other “qualified institutional buyers” (as such term is defined under Rule 144A of the Securities Act of 1933, as amended (the “Securities Act”), and institutional “accredited investors” (as such term is defined in Rule 501 under the Securities Act), with an aggregate purchase price of \$155,000,000 (inclusive of the Purchase Price); for a total aggregate purchase price of \$155,000,000 (the “PIPE Investment”); and

WHEREAS, the aggregate amount of Class A Shares to be sold by the Issuer pursuant to this Subscription Agreement, the Other Subscription Agreements and the Insider Subscription Agreements equals 17,500,000 Class A Shares.

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

1. Subscription. Subject to the terms and conditions hereof, Subscriber hereby agrees to subscribe for and purchase, and the Issuer hereby agrees to issue and sell to Subscriber, upon the payment of the Purchase Price, the Acquired Shares (such subscription and issuance, the “Subscription”).

2. Subscription Closing.

(a) The closing of the Subscription contemplated hereby (the “Subscription Closing”) shall occur substantially concurrent with, and be conditioned upon the prior or substantially concurrent consummation of the Transactions (the “Closing Date”). Not less than five (5) business days prior to the anticipated Closing Date, the Issuer shall provide written notice to Subscriber (the “Closing Notice”) of such anticipated Closing Date.

Table of Contents

Subscriber shall deliver to the Issuer on or before three (3) business days prior to the anticipated Closing Date (the “Funding Date”) the Purchase Price for the Acquired Shares by wire transfer of U.S. dollars in immediately available funds to the account specified by the Issuer in the Closing Notice, to be held by the Issuer or in escrow until the Closing Date. Not later than one (1) business day after the Closing Date, the Issuer shall deliver to Subscriber (1) the Acquired Shares in book entry form, in the name of Subscriber (or its nominee in accordance with its delivery instructions) or to a custodian designated by Subscriber, as applicable; and (2) a copy of the records of the Issuer’s transfer agent (the “Transfer Agent”) or other evidence showing Subscriber as the owner of the Acquired Shares on and as of the Closing Date. For purposes of this Subscription Agreement, “business day” shall mean a day, other than a Saturday, Sunday or other day on which commercial banks in New York, New York are authorized or required by law to close. In the event the Closing Date does not occur within two (2) business days after the Subscription Closing, the Issuer shall promptly (but not later than one (1) business day thereafter) return the Purchase Price to Subscriber by wire transfer of U.S. dollars in immediately available funds to the account specified by Subscriber, and any book entries or share certificates shall be deemed cancelled; provided that unless this Subscription Agreement has been terminated pursuant to Section 6 hereof, such return of funds shall not terminate this Subscription Agreement or relieve Subscriber of its obligation to purchase the Acquired Shares at the Subscription Closing.

(b) The Subscription Closing shall be subject to the conditions that, on the Closing Date:

(i) (x) solely with respect to Subscriber’s obligation to close, the representations and warranties made by the Issuer, and (y) solely with respect to the Issuer’s obligation to close, the representations and warranties made by Subscriber, in each case in this Subscription Agreement shall be true and correct in all material respects as of the Closing Date (other than those representations and warranties expressly made as of an earlier date, which shall be true and correct in all material respects as of such date), in each case without giving effect to the consummation of the Transactions;

(ii) there shall not be any law or order of any governmental authority having jurisdiction restraining, enjoining or otherwise prohibiting or making illegal the consummation of the transactions contemplated by this Subscription Agreement;

(iii) (A) all conditions precedent to the closing of the Transaction, including all necessary approvals of the Issuer’s stockholders and regulatory approvals, if any, shall have been satisfied (which shall be deemed satisfied if mutually determined by the parties to the Merger Agreement and other than those conditions under the Merger Agreement that, by their nature are to be satisfied in connection with the closing of the Transaction, including to the extent that any such condition is dependent upon the consummation of the sale, purchase and issuance of the Shares pursuant to this Subscription Agreement or the Other Subscription Agreements) or waived by the parties to the Merger Agreement as provided therein and (B) the closing of the Transaction shall be scheduled to occur concurrently with or on the same date as the Closing; and

(iv) the terms of the Merger Agreement (including the conditions thereto) shall not have been amended or waived in a manner that is materially adverse to Subscriber (in its capacity as such).

(c) At the Subscription Closing, the parties hereto shall execute and deliver such additional documents and take such additional actions as the parties reasonably may deem necessary in order to consummate the Subscription as contemplated by this Subscription Agreement.

(b) As of the Subscription Closing, the Acquired Shares will have been duly authorized and, when issued and delivered to Subscriber against full payment of the Purchase Price for the Acquired Shares in accordance with the terms of this Subscription Agreement and registered with the Transfer Agent, the Acquired Shares will be validly issued, fully paid and non-assessable and will not have been issued in violation of or subject to any preemptive or similar rights created under the Issuer's certificate of incorporation and bylaws or under the laws of the State of Delaware.

(c) This Subscription Agreement has been duly authorized, executed and delivered by the Issuer and assuming the due authorization, execution and delivery of the same by the Subscriber, is enforceable against it in accordance with its terms, except as may be limited or otherwise affected by (i) bankruptcy, insolvency, reorganization, fraudulent conveyance, arrangement, moratorium or other laws relating to or affecting the rights of creditors generally, and (ii) principles of equity, whether considered at law or equity.

(d) Subject to obtaining the Required Approvals, the execution, delivery and performance by the Issuer of this Subscription Agreement, including the issuance and sale of the Acquired Shares, will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Issuer pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Issuer is a party or by which the Issuer is bound or to which any of the property or assets of the Issuer is subject; (ii) the organizational documents of the Issuer; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Issuer or any of its properties that, in the case of clauses (i) and (iii), would be reasonably likely to have a material adverse effect on the business, financial condition or results of operations of the Issuer and its subsidiaries taken as a whole or materially and adversely affect the validity of the Acquired Shares or the legal authority of the Issuer to perform in all material respects its obligations hereunder (a "Material Adverse Effect").

(e) The Issuer is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization or other person in connection with the execution, delivery and performance by the Issuer of this Subscription Agreement (including, without limitation, the issuance of the Acquired Shares), other than (i) the filing with the Securities and Exchange Commission (the "Commission") of the Registration Statement (as defined below), (ii) filings required by applicable state securities laws, (iii) the Required Approvals; (iv) those required by the New York Stock Exchange or other applicable stock exchange on which the Acquired Shares are then listed ("NYSE"), including with respect to obtaining approval of the Issuer's stockholders, and (v) the failure of which to obtain would not be reasonably likely to have, individually or in the aggregate, a Material Adverse Effect.

(f) Assuming the accuracy of the Subscriber's representations and warranties set forth in Section 4 of this Subscription Agreement, no registration under the Securities Act is required for the offer and sale of the Acquired Shares by the Issuer to the Subscriber.

(g) Neither the Issuer nor any person acting on its behalf has offered or sold the Acquired Shares by any form of general solicitation or general advertising in violation of the Securities Act.

(h) The Issuer is not under any obligation to pay any broker's fee or commission in connection with the sale of the Shares other than to the Agents (as defined below).

(i) The Other Subscription Agreements reflect the same Per Share Purchase Price and other terms and conditions with respect to the purchase of the Acquired Shares that are no more favorable to such subscriber thereunder than the terms of this Subscription Agreement, other than terms particular to the regulatory requirements of such subscriber or its affiliates or related funds that are mutual funds or are otherwise subject to

regulations related to the timing of funding and the issuance of the related Acquired Shares. For the avoidance of doubt, this Section 3(i) shall not apply to any document entered into in connection with the Insider PIPE Investment; provided, however, that such Insider PIPE Investment shall be (i) with respect to the same class of common stock being acquired by Subscriber hereunder and at the same Per Share Purchase Price and with other economic terms that are substantially identical to those reflected herein (other than registration rights), and (ii) subject to a separate registration rights agreement which provides for registration of the Insider PIPE Investment within substantially the same time frame as hereunder and does not restrict Subscriber's registration rights hereunder.

(j) As of their respective filing dates, all reports required to be filed by the Issuer with the Commission since November 5, 2019 (the SEC Reports) complied in all material respects with the applicable requirements of the Securities Exchange Act of 1934, as amended (the Exchange Act), and the rules and regulations of the Commission promulgated thereunder. As of the date hereof, there are no material outstanding or unresolved comments in comment letters received by the Issuer from the staff of the Division of Corporation Finance of the Commission with respect to any of the SEC Reports.

(k) As of the date hereof, the issued and outstanding Class A Shares of the Issuer are registered pursuant to Section 12(b) of the Exchange Act and are listed for trading on the NYSE. There is no suit, action, claim, proceeding or investigation pending or, to the knowledge of the Issuer, threatened against the Issuer by the NYSE or the Commission with respect to any intention by such entity to deregister the Class A Shares or to prohibit or terminate the listing of the Class A Shares on the NYSE, excluding, for the purposes of clarity, the customary ongoing review by NYSE in connection with the Transactions. The Issuer has taken no action that is designed to terminate the registration of the Class A Shares under the Exchange Act prior to the Subscription Closing.

(l) As of the date hereof, Issuer has not received any written communication from a governmental authority that alleges that Issuer is not in compliance with or is in default or violation of any applicable law, except where such non-compliance, default or violation would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(m) The Issuer acknowledges and agrees that, notwithstanding anything herein to the contrary, the Acquired Shares may be pledged by Subscriber in connection with a bona fide margin agreement, which shall not be deemed to be a transfer, sale or assignment of the Acquired Shares hereunder, and Subscriber effecting a pledge of Acquired Shares shall not be required to provide the Issuer with any notice thereof or otherwise make any delivery to the Issuer pursuant to this Subscription Agreement. The Issuer hereby agrees to execute and deliver such documentation as a pledgee of the Acquired Shares may reasonably request in connection with a pledge of the Acquired Shares to such pledgee by Subscriber.

(n) There are no securities or instruments issued by or to which the Issuer is a party containing anti-dilution or similar provisions that will be triggered by the issuance of (i) the Acquired Shares or (ii) the Class A Shares to be issued pursuant to any Other Subscription Agreement, in each case, that have not been or will not be validly waived on or prior to the Closing Date.

(o) The authorized capital stock of Issuer consists of (i) 1,000,000 shares of preferred stock, par value \$0.0001 per share, of which no shares are issued or outstanding as of the date of this Subscription Agreement, (ii) 175,000,000 shares of common stock, consisting of 150,000,000 shares of Class A Shares and 25,000,000 shares of Class B common stock, par value \$0.0001 per share ("Class B Shares"), of which (A) 31,625,000 shares of Class A Shares are issued and outstanding as of the date of this Subscription Agreement and 7,906,250 shares of Class B Shares are issued and outstanding as of the date of this Subscription Agreement and (B) 24,137,500 warrants, each entitling the holder thereof to purchase one Class A Share, are outstanding issued and outstanding as of the date of this Subscription Agreement.

4. Subscriber Representations and Warranties. Subscriber represents and warrants that:

(a) Subscriber (i) has been duly formed or incorporated and is validly existing and in good standing under the laws of its jurisdiction of incorporation or formation, and (ii) has the requisite power and authority to enter into, deliver and perform its obligations under this Subscription Agreement.

(b) This Subscription Agreement has been duly authorized, executed and delivered by Subscriber and assuming the due authorization, execution and delivery of the same by the Issuer, this Subscription Agreement constitutes the valid and legally binding obligation of Subscriber, is enforceable against it in accordance with its terms, except as such enforceability may be limited or otherwise affected by (i) bankruptcy, insolvency, reorganization, fraudulent conveyance, arrangement, moratorium or other laws relating to or affecting the rights of creditors generally, and (ii) principles of equity, whether considered at law or equity.

(c) The execution, delivery and performance by Subscriber of this Subscription Agreement, the purchase of the Acquired Shares and the compliance by Subscriber with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated hereby, will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber or any of its subsidiaries pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber or any of its subsidiaries is a party or by which Subscriber or any of its subsidiaries is bound or to which any of the property or assets of Subscriber or any of its subsidiaries is subject; (ii) the organizational documents of Subscriber; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of its subsidiaries or any of their respective properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a material adverse effect on the legal authority or ability of Subscriber to perform in any material respects its obligations hereunder.

(d) Subscriber (i) is a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an institutional “accredited investor” (within the meaning of Rule 501(a) under the Securities Act), and, in each case, satisfying the applicable requirements set forth on [Schedule A](#) hereto, (ii) is acquiring the Acquired Shares only for its own account and not for the account of others, or if Subscriber is subscribing for the Acquired Shares as a fiduciary or agent for one or more investor accounts, each owner of such account is a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an institutional “accredited investor” (within the meaning of Rule 501(a) under the Securities Act) and Subscriber has full investment discretion with respect to each such account, and the full power and authority to make the acknowledgements, representations and agreements herein on behalf of each owner of each such account, and (iii) is not acquiring the Acquired Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act (and shall provide the requested information on [Schedule A](#) hereto). Subscriber is not an entity formed for the specific purpose of acquiring the Acquired Shares and is an “institutional account” as defined by FINRA Rule 4512(c), unless such newly formed entity is an entity in which all of the equity owners are “accredited investors” (within the meaning of Rule 501(a) under the Securities Act).

(e) Subscriber understands that the Acquired Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the Acquired Shares have not been registered under the Securities Act. Subscriber understands that the Acquired Shares may not be offered, resold, transferred, pledged or otherwise disposed of by Subscriber absent an effective registration statement under the Securities Act, except (i) to the Issuer or a subsidiary thereof, (ii) to non-U.S. persons pursuant to offers and sales that occur in an “offshore transaction” within the meaning of Regulation S under the Securities Act, (iii) pursuant to Rule 144 under the Securities Act, provided that all of the applicable conditions thereof have been met (including, without limitation, those set forth in Rule 144(i)) or (iv) pursuant to another applicable exemption from the registration requirements of the Securities Act, and that any certificates or book-entry records representing the Acquired Shares shall contain a legend to such effect. Subscriber acknowledges that the Acquired Shares will not be eligible for resale pursuant to Rule 144A promulgated under the Securities Act. Subscriber understands and

agrees that the Acquired Shares will be subject to the foregoing transfer restrictions and, as a result of these transfer restrictions, Subscriber may not be able to readily resell the Acquired Shares and may be required to bear the financial risk of an investment in the Acquired Shares for an indefinite period of time. Subscriber acknowledges and agrees that the Acquired Shares will not immediately be eligible for offer, resale, transfer, pledge or disposition pursuant to Rule 144 promulgated under the Securities Act, and that the provisions of Rule 144(i) will apply to the Acquired Shares. Subscriber understands that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Acquired Shares.

(f) Subscriber understands and agrees that Subscriber is purchasing the Acquired Shares directly from the Issuer. Subscriber further acknowledges that there have not been, and Subscriber hereby agrees that it is not relying on, any representations, warranties, covenants or agreements made to Subscriber by the Issuer, the Target, the Agent, any of their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives, any other party to the Transactions or any other person or entity, expressly or by implication, other than those representations, warranties, covenants and agreements of the Issuer expressly set forth in this Subscription Agreement, and Subscriber is not relying on representations, warranties or any statement by, on behalf of or with respect to the Issuer except for the representations and warranties set forth in Section 3 of this Subscription Agreement. Subscriber acknowledges that certain information provided to Subscriber was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections.

(g) Subscriber represents and warrants that its acquisition and holding of the Acquired Shares will not constitute or result in an non-exempt prohibited transaction under section 406 of the Employee Retirement Income Security Act of 1974, as amended, section 4975 of the Internal Revenue Code of 1986, as amended (the “Code”), or any applicable similar law.

(h) In making its decision to purchase the Acquired Shares, Subscriber represents that it has relied solely upon the independent investigation made by Subscriber. Subscriber acknowledges and agrees that Subscriber has received such information as Subscriber deems necessary in order to make an investment decision with respect to the Acquired Shares, including, without limitation, with respect to the Issuer and the Transactions. Without limiting the generality of the foregoing, Subscriber acknowledges that it has reviewed the Issuer’s filings with the Commission. Subscriber represents and agrees that Subscriber and Subscriber’s professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such information as Subscriber and such Subscriber’s professional advisor(s), if any, have deemed necessary to make an investment decision with respect to the Acquired Shares. The Agents or any of their respective directors, officers, employees, representatives or controlling persons has not made any independent investigation with respect to the Issuer, the Acquired Shares or the completeness or accuracy of any information provided to the Subscriber and has not made or makes any representation as to the Issuer or the quality or value of the Acquired Shares and the Agents and any of their respective affiliates may have acquired nonpublic information with respect to the Issuer which Subscriber agrees need not be provided to it. The Subscriber agrees that none of the Agents shall be liable to any Subscriber for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the Subscriber’s purchase of the Acquired Shares.

(k) Alone, or together with any professional advisor(s), Subscriber represents and acknowledges that Subscriber has adequately analyzed and fully considered the risks of an investment in the Acquired Shares and determined that the Acquired Shares are a suitable investment for Subscriber and that Subscriber is able at this time and in the foreseeable future to bear the economic risk of a total loss of Subscriber's investment in the Issuer. Subscriber acknowledges specifically that a possibility of total loss exists.

(l) Subscriber understands and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Acquired Shares or made any findings or determination as to the fairness of this investment.

(s) In connection with the issue and purchase of the Acquired Shares, none of the Agents nor any of their respective affiliates has acted as Subscriber's financial advisor or fiduciary.

(t) [Reserved].

(u) Subscriber either (1) is not a "foreign person" or a "foreign entity," as defined in Section 721 of the Defense Production Act of 1950, as amended, including, without limitation, all implementing regulations thereof (the "DPA"); is not controlled by a "foreign person," as defined in the DPA; and does not permit any foreign person affiliated with Subscriber, whether affiliated as a limited partner or otherwise, to obtain through the Investor any of the following with respect to the Issuer or the Target: (i) access to any "material nonpublic technical information" (as defined in the DPA) in the possession of the Issuer or the Target; (ii) membership or observer rights on the board of directors or equivalent governing body of the Issuer or the Target or the right to nominate an individual to a position on the board of directors or equivalent governing body of the Issuer or the Target; (iii) any involvement, other than through the voting of shares, in the substantive decision-making of the Issuer or the Target regarding (x) the use, development, acquisition, or release of any "critical technology" (as defined in the DPA), (y) the use, development, acquisition, safekeeping, or release of "sensitive personal data" (as defined in the DPA) of U.S. citizens maintained or collected by the Issuer or the Target, or (z) the management, operation, manufacture, or supply of "covered investment critical infrastructure" (as defined in the DPA); or (iv) "control" (as defined in the DPA) of the Issuer or the Target (each of (i) – (iv) a "DPA Triggering Right"); or (2) will not obtain any DPA Triggering Rights.

5. Registration Rights.

(a) The Issuer agrees that, within forty-five (45) calendar days after the Closing Date (the "Filing Date"), the Issuer will submit or file with the Commission (at the Issuer's sole cost and expense) a registration statement (the "Registration Statement") registering the resale of the Acquired Shares which are eligible for registration (determined as of two (2) business days prior to such submission or filing) (the "Registrable Shares"), and the Issuer shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof, but no later than the earlier of (i) the 90th calendar day following the Filing Date if the Commission notifies the Issuer that it will "review" the Registration Statement) and (ii) the 10th business day after the date the Issuer is notified (orally or in writing, whichever is earlier) by the Commission that the Registration Statement will not be "reviewed" or will not be subject to further review (such earlier date, the "Effectiveness Date"); provided, however, that the Issuer's obligations to include the Acquired Shares in the Registration Statement are contingent upon Subscriber furnishing in writing to the Issuer such information regarding Subscriber, the securities of the Issuer held by Subscriber and the intended method of disposition of the Acquired Shares as shall be reasonably requested by the Issuer to effect the registration of the Acquired Shares, and Subscriber shall execute such documents in connection with such registration as the Issuer may reasonably request that are customary of a selling stockholder in similar situations, including providing that the Issuer shall be entitled to postpone and suspend the effectiveness or use of the Registration Statement during any customary blackout or similar period or as permitted hereunder; provided that Subscriber shall not in connection with the foregoing be required to execute any lock-up or similar agreement or otherwise be subject to any contractual restriction on the ability to transfer the Acquired Shares. Any failure by the Issuer to file the Registration Statement by the Filing Date or to effect such Registration Statement by the Effectiveness Date shall not otherwise relieve the Issuer of its obligations to file or effect the Registration Statement as set forth above in this Section 5.

(b) At its expense the Issuer shall:

(i) except for such times as the Issuer is permitted hereunder to suspend the use of the prospectus forming part of a Registration Statement, use its commercially reasonable efforts to keep such registration, and any qualification, exemption or compliance under state securities laws which the Issuer determines to obtain, continuously effective with respect to Subscriber, and to keep the applicable Registration Statement or any subsequent shelf registration statement free of any material misstatements or omissions, until the earlier of the following: (i) Subscriber ceases to hold any Acquired Shares, (ii) the date all Acquired Shares held by Subscriber may be sold without restriction under Rule 144, including without limitation, any volume and manner of sale restrictions which may be applicable to affiliates under Rule 144 and without the requirement for the Issuer to be in compliance with the current public information required under Rule 144(c)(1) (or Rule 144(i) (2), if applicable), and (iii) two years from the Effectiveness Date of the Registration Statement. The period of time during which the Issuer is required hereunder to keep a Registration Statement effective is referred to herein as the "Registration Period";

(ii) advise Subscriber within five (5) business days:

(A) when a Registration Statement or any amendment thereto has been filed with the Commission and when such Registration Statement or any post-effective amendment thereto has become effective;

- (B) of any request by the Commission for amendments or supplements to any Registration Statement or the prospectus included therein or for additional information;
- (C) of the issuance by the Commission of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for such purpose;
- (D) of the receipt by the Issuer of any notification with respect to the suspension of the qualification of the Acquired Shares included therein for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and
- (E) subject to the provisions in this Subscription Agreement, of the occurrence of any event that requires the making of any changes in any Registration Statement or prospectus so that, as of such date, the statements therein are not misleading and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of a prospectus, in the light of the circumstances under which they were made) not misleading.

Notwithstanding anything to the contrary set forth herein, the Issuer shall not, when so advising Subscriber of such events, provide Subscriber with any material, nonpublic information regarding the Issuer other than to the extent that providing notice to Subscriber of the occurrence of the events listed in (A) through (E) above constitutes material, nonpublic information regarding the Issuer;

(iii) use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement as soon as reasonably practicable;

(iv) upon the occurrence of any event contemplated in Section 5(b)(ii)(E) above, except for such times as the Issuer is permitted hereunder to suspend, and has suspended, the use of a prospectus forming part of a Registration Statement, the Issuer shall use its commercially reasonable efforts to as soon as reasonably practicable prepare a post-effective amendment to such Registration Statement or a supplement to the related prospectus, or file any other required document so that, as thereafter delivered to purchasers of the Acquired Shares included therein, such prospectus will not include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(v) use its commercially reasonable efforts to cause all Acquired Shares to be listed on each securities exchange or market, if any, on which the Class A Shares issued by the Issuer have been listed; and

(vi) use its commercially reasonable efforts to take all other steps necessary to effect the registration of the Acquired Shares required hereby.

(c) Notwithstanding anything to the contrary in this Subscription Agreement, the Issuer shall be entitled to delay or postpone the effectiveness of the Registration Statement, and from time to time to require Subscriber not to sell under the Registration Statement or to suspend the effectiveness thereof, if the negotiation or consummation of a transaction by the Issuer or its subsidiaries is pending or an event has occurred, which negotiation, consummation or event the Issuer's board of directors reasonably believes, upon the advice of legal counsel, would require additional disclosure by the Issuer in the Registration Statement of material information that the Issuer has a bona fide business purpose for keeping confidential and the non-disclosure of which in the Registration Statement would be expected, in the reasonable determination of the Issuer's board of directors, upon the advice of legal counsel, to cause the Registration Statement to fail to comply with applicable disclosure requirements (each such circumstance, a "Suspension Event"); *provided, however*, that the Issuer may not delay or suspend the Registration Statement on more than three occasions or for more than ninety (90) consecutive calendar days, or more than one hundred and twenty (120) total calendar days, in each case during any twelve-month period. Upon receipt of any written notice from the Issuer of the happening of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the

Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein (in light of the circumstances under which they were made, in the case of the prospectus) not misleading, Subscriber agrees that (i) it will immediately discontinue offers and sales of the Acquired Shares under the Registration Statement (excluding, for the avoidance of doubt, sales conducted pursuant to Rule 144) until Subscriber receives copies of a supplemental or amended prospectus (which the Issuer agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Issuer that it may resume such offers and sales, and (ii) it will maintain the confidentiality of any information included in such written notice delivered by the Issuer unless otherwise required by law or subpoena. If so directed by the Issuer, Subscriber will deliver to the Issuer or, in Subscriber's sole discretion destroy, all copies of the prospectus covering the Acquired Shares in Subscriber's possession; *provided, however*, that this obligation to deliver or destroy all copies of the prospectus covering the Acquired Shares shall not apply (i) to the extent Subscriber is required to retain a copy of such prospectus (a) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (b) in accordance with a bona fide pre-existing document retention policy or (ii) to copies stored electronically on archival servers as a result of automatic data back-up.

(d) Indemnification.

(i) The Issuer agrees to indemnify, to the extent permitted by law, Subscriber (to the extent a seller under the Registration Statement), its directors and officers, partners, managers, members, stockholders and each person who controls Subscriber (within the meaning of the Securities Act), to the extent permitted by law, against all losses, claims, damages, liabilities and reasonable and documented out of pocket expenses (including without limitation reasonable and documented attorneys' fees of one law firm) caused by any untrue or alleged untrue statement of material fact contained in any Registration Statement, prospectus included in any Registration Statement ("**Prospectus**") or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, except insofar as the same are caused by or contained in any information furnished in writing to the Issuer by or on behalf of such Subscriber expressly for use therein.

(ii) In connection with any Registration Statement in which a Subscriber is participating, such Subscriber shall furnish to the Issuer in writing such information and affidavits as the Issuer reasonably requests for use in connection with any such Registration Statement or Prospectus and, to the extent permitted by law, shall indemnify the Issuer, its directors and officers and each person who controls the Issuer (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and reasonable and documented out of pocket expenses (including without limitation reasonable and documented attorneys' fees of one law firm) resulting from any untrue statement of material fact contained in the Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, but only to the extent that such untrue statement or omission is contained in any information or affidavit so furnished in writing by such Subscriber expressly for use therein; *provided, however*, that the liability of each such Subscriber shall be several and not joint and shall be in proportion to and limited to the net proceeds received by such Subscriber from the sale of Acquired Shares giving rise to such indemnification obligation.

(iii) Any person entitled to indemnification herein shall (1) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (*provided* that the failure to give prompt notice shall not impair any person's right to indemnification hereunder to the extent such failure has not prejudiced the indemnifying party) and (2) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement

made by the indemnified party without its consent (but such consent shall not be unreasonably withheld). An indemnifying party who elects not to assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of legal counsel to any indemnified party a conflict of interest exists between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement includes a statement or admission of fault and culpability on the part of such indemnified party or which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

(iv) The indemnification provided for under this Subscription Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person of such indemnified party and shall survive the transfer of securities.

(v) If the indemnification provided under this [Section 5\(d\)](#) from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations; provided, however, that the liability of Subscriber shall be limited to the net proceeds received by such Subscriber from the sale of Registrable Shares giving rise to such indemnification obligation. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by, or relates to information supplied by, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in [Sections 5\(d\)\(i\)](#), (ii) and (iii) above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this [Section 5\(d\)\(v\)](#) from any person who was not guilty of such fraudulent misrepresentation.

6. [Termination](#). This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earliest to occur of (a) such date and time as the Merger Agreement is terminated in accordance with its terms, (b) upon the mutual written agreement of each of the parties hereto and the Target to terminate this Subscription Agreement, (c) 11:59 PM Pacific Time on September 17, 2021 if the Subscription Closing has not occurred on or before such date; provided, that nothing herein will relieve any party from liability for any willful material breach hereof (including for the avoidance of doubt the Issuer's or Subscriber's willful breach of [Section 2\(b\)\(i\)\(x\)](#) or [Section 2\(b\)\(i\)\(y\)](#) of this Subscription Agreement, as applicable, with respect to its respective representations and warranties as of the Subscription Closing) prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such willful breach. The Issuer shall promptly notify Subscriber in writing of the termination of the Merger Agreement (other than such termination as a result of the closing thereunder). Upon the termination of this Subscription Agreement in accordance with this [Section 6](#), any monies paid by Subscriber to the Issuer in connection herewith shall be promptly (and in any event within two (2) business days after such termination) returned to Subscriber without any deduction or set-off.

7. Trust Account Waiver. Subscriber acknowledges that the Issuer is a blank check company with the powers and privileges to effect a merger, asset acquisition, reorganization or similar business combination involving the Issuer and one or more businesses or assets. Subscriber further acknowledges that, as described in the Issuer's prospectus relating to its initial public offering dated October 31, 2019 (the "Prospectus"), substantially all of the Issuer's assets consist of the cash proceeds of the Issuer's initial public offering and private placements of its securities, and substantially all of those proceeds have been deposited in a trust account (the "Trust Account") for the benefit of the Issuer, its public stockholders and the underwriters of its initial public offering. Except with respect to interest earned on the funds held in the Trust Account that may be released to the Issuer to pay its tax obligations, if any, the cash in the Trust Account may be disbursed only for the purposes set forth in the Prospectus. For and in consideration of the Issuer entering into this Subscription Agreement, the receipt and sufficiency of which are hereby acknowledged, Subscriber, on behalf of itself and its affiliates and representatives, hereby irrevocably waives any and all right, title and interest, or any claim of any kind they have or may have in the future as a result of, or arising out of, this Subscription Agreement, in or to any monies held in the Trust Account, and agrees not to seek recourse or make or bring any action, suit, claim or other proceeding against the Trust Account as a result of, or arising out of, this Subscription Agreement, the transactions contemplated hereby or the Acquired Shares, regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability. Subscriber acknowledges and agrees that it shall not have any redemption rights with respect to the Acquired Shares pursuant to the Issuer's certificate of incorporation in connection with the Transactions or any other business combination, any subsequent liquidation of the Trust Account or the Issuer or otherwise. In the event Subscriber has any claim against the Issuer as a result of, or arising out of, this Subscription Agreement, the transactions contemplated hereby or the Acquired Shares, it shall pursue such claim solely against the Issuer and its assets outside the Trust Account and not against the Trust Account or any monies or other assets in the Trust Account; provided, that nothing in this Section 7 shall be deemed to limit Subscriber's right, title, interest or claim to the Trust Account by virtue of Subscriber's record or beneficial ownership of Class A Shares acquired by any means other than pursuant to this Subscription Agreement.

8. Issuer's Covenants. At the request of the holder of the Acquired Shares, the Issuer shall reasonably cooperate with the holder of the Acquired Shares, and the holder of the Acquired Shares shall provide the Issuer with such certifications and other documentation, to effect the removal of the legend described in Section 4(e), and for the Issuer to issue a certificate without such legend to the holder of the Acquired Shares upon which it is stamped or issue to such holder by electronic delivery at the applicable balance account at The Depository Trust Company ("DTC"), if (i) such Acquired Shares are sold pursuant to an effective registration statement under the Securities Act, (ii) in connection with a sale, assignment or other transfer, such holder provides the Issuer with an opinion of counsel, in a form reasonably acceptable to the Issuer, to the effect that such sale, assignment or transfer of the Acquired Shares may be made without registration under the applicable requirements of the Securities Act, or (iii) the Acquired Shares are sold, assigned or transferred pursuant to Rule 144. The Issuer shall be responsible for the fees of its transfer agent and all DTC fees associated with such issuance.

9. [Reserved].

THE PARTIES HERETO IRREVOCABLY SUBMIT TO THE EXCLUSIVE JURISDICTION OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, THE SUPREME COURT OF THE STATE OF NEW YORK AND THE FEDERAL COURTS OF THE UNITED STATES OF AMERICA LOCATED IN THE STATE OF NEW YORK SOLELY IN RESPECT OF THE INTERPRETATION AND ENFORCEMENT OF THE PROVISIONS OF THIS SUBSCRIPTION AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY, AND HEREBY WAIVE, AND AGREE NOT TO ASSERT, AS A DEFENSE IN ANY ACTION, SUIT OR PROCEEDING FOR INTERPRETATION OR ENFORCEMENT HEREOF OR THAT SUCH ACTION, SUIT OR PROCEEDING MAY NOT BE BROUGHT OR IS NOT MAINTAINABLE IN SAID COURTS OR THAT VENUE THEREOF MAY NOT BE APPROPRIATE OR THAT THIS SUBSCRIPTION AGREEMENT MAY NOT BE ENFORCED IN OR BY SUCH COURTS, AND THE PARTIES HERETO IRREVOCABLY AGREE THAT ALL CLAIMS WITH RESPECT TO SUCH ACTION, SUIT OR PROCEEDING SHALL BE HEARD AND DETERMINED BY SUCH A NEW YORK STATE OR FEDERAL COURT. THE PARTIES HEREBY CONSENT TO AND GRANT ANY SUCH COURT JURISDICTION OVER THE PERSON OF SUCH PARTIES AND OVER THE SUBJECT MATTER OF SUCH DISPUTE AND AGREE THAT MAILING OF PROCESS OR OTHER PAPERS IN CONNECTION WITH SUCH ACTION, SUIT OR PROCEEDING IN THE MANNER PROVIDED IN SECTION 10(m) OR IN SUCH OTHER MANNER AS MAY BE PERMITTED BY LAW SHALL BE VALID AND SUFFICIENT SERVICE THEREOF.

EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS SUBSCRIPTION AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY

(p) If, any change in the Class A Shares shall occur between the date hereof and immediately prior to the Subscription Closing by reason of any reclassification, recapitalization, stock split (including reverse stock split) or combination, exchange or readjustment of shares, or any stock dividend, the number of Acquired Shares issued to Subscriber shall be appropriately adjusted to reflect such change.

11. Press Release. From and after the disclosure of the Disclosure Document, Subscriber shall no longer be subject to any confidentiality or similar obligations under any current agreement, whether written or oral, with the Issuer or any of its affiliates relating to the transactions contemplated by this Subscription Agreement, and, to the knowledge of the Issuer, Subscriber shall not be in possession of any material, non-public information received from the Issuer or any of its officers, directors, employees or agents. All press releases or other public communications relating to the transactions contemplated hereby between the Issuer and Subscriber, and the method of the release for publication thereof, shall be subject to the prior approval of (i) the Issuer and the Target, and (ii) to the extent such press release or public communication references Subscriber or its affiliates or investment advisers by name, Subscriber. The restriction in this Section 11 shall not apply to the extent such disclosure is required by applicable securities law, any governmental authority or stock exchange rule; provided, that in such an event, the applicable party shall use its commercially reasonable efforts to consult with the other party in advance as to its form, content and timing.

Schedule A-2

PART II
INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers

Section 145 of the DGCL provides, generally, that a corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation against all expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. A corporation may similarly indemnify such person for expenses actually and reasonably incurred by such person in connection with the defense or settlement of any action or suit by or in the right of the corporation, provided that such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, in the case of claims, issues and matters as to which such person shall have been adjudged liable to the corporation, provided that a court shall have determined, upon application, that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

In accordance with Section 102(b)(7) of the DGCL, Osprey's charter provides that a director will not be personally liable to Osprey or Osprey's stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to Osprey or Osprey's stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. No such provision shall eliminate or limit the liability of a director for any act or omission occurring prior to the date when such provision became effective. Accordingly, these provisions will have no effect on the availability of equitable remedies such as an injunction or rescission based on a director's breach of his or her duty of care.

Osprey's charter provides that Osprey will indemnify its present and former directors and officers to the maximum extent permitted by the DGCL and that such indemnification will not be exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw provision, agreement, vote of stockholders or disinterested directors or otherwise.

Osprey has entered into indemnification agreements with each of its current directors and executive officers. These agreements require Osprey to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to Osprey, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. Osprey also intends to enter into indemnification agreements with future directors and executive officers.

Item 22. Undertakings

The undersigned registrant hereby undertakes:

- A. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;
- B. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- C. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- D. That, for the purpose of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
- E. That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

Table of Contents

- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- F. That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.
- G. That every prospectus (i) that is filed pursuant to paragraph (F) immediately preceding, or (ii) that purports to meet the requirements of section 10(a) (3) of the Securities Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- H. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
- I. To respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.
- J. To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

SIGNATURES

EXECUTIVE EMPLOYMENT AGREEMENT

THIS EXECUTIVE EMPLOYMENT AGREEMENT (this "Agreement") is entered into as of January 03, 2019 (the "Effective Date") between Spaceflight Industries, Inc., a Delaware corporation (the "Company") and Brian O'Toole ("Executive") (collectively referred to as the "Parties" or each individually referred to as a "Party").

RECITALS

WHEREAS, the Company desires to employ Executive as its President (which employment is intended to include assignment of duties as the Chief Executive Officer of the Company's subsidiary BlackSky Global, LLC, a Delaware limited liability company ("BlackSky")), and to enter into an agreement embodying the terms of such employment; and

WHEREAS, Executive desires to accept such employment and enter into such an agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and mutual covenants herein and for other good and valuable consideration, the Parties agree as follows:

1. Duties and Scope of Employment.

(a) Positions and Duties. As of the Effective Date, Executive will serve as President of the Company. In this role, Executive will also be assigned duties as the Chief Executive Officer of BlackSky. The salary, benefits, and other compensation provided to Executive hereunder are intended to compensate Executive for all work performed for the Company and at the Company's direction, whether for the Company, BlackSky, or any of the Company's other subsidiaries. Executive will render such business and professional services in the performance of Executive's duties, consistent with Executive's position within the Company and BlackSky, or otherwise, as shall reasonably and lawfully be assigned to Executive by the Company's Chief Executive Officer, or, at any time the Company's Chief Executive Role is unfilled, by the Company's Board of Directors (the "Board") and, as such, from and after the date hereof, Executive shall report directly to and shall be subject to the direction of the Company's Chief Executive Officer or the Board, as applicable. Such duties as the Company's President may include, but not be limited to, strategic activities such as fundraising, partnership coordination, mergers and acquisitions, and certain executive searches. Executive's duties as BlackSky's Chief Executive Officer may include, but not be limited to, operational activities, including, without limitation, activities related to strategy, budget, and personnel. In performing Executive's duties hereunder, Executive shall be available for reasonable travel as the needs of the business require. The period of Executive's at-will employment under the terms of this Agreement is referred to herein as the "Employment Term."

(b) Board Position. Commencing on December 13, 2018 and thereafter during the Employment Term, Executive will serve as a member of the Board, subject to any Board and Company shareholder approvals. Executive agrees to resign from all Board positions and all officer positions with the Company, BlackSky, or any other subsidiary of the Company, upon termination of Executive's employment with the Company.

(c) Obligations. During the Employment Term, Executive will perform Executive's duties faithfully and to the best of Executive's ability and will devote Executive's full business efforts and time to the Company, including services to BlackSky or any other subsidiary, provided that Executive shall be permitted to (i) continue to participate as a member of the Board of Directors of the Catholic Leadership Institute and (ii) serve on the board of directors of not-for-profit or tax-exempt charitable organizations; provided, however, that with respect to each of the foregoing, such outside activities shall be subject to the Board's ongoing approval, compliance with this Agreement and the Confidentiality Agreement, and Executive's agreement and representation that such activities do not and will not materially interfere with Executive's performance of Executive's duties and responsibilities hereunder. For the duration of the Employment Term, Executive agrees not to actively engage in any other employment, occupation or consulting activity for any direct or indirect remuneration without the prior written approval of the Board.

2. At-Will Employment. The parties agree that Executive's employment with the Company will continue to be "at-will" employment and, as such, may be terminated at any time with or without cause, for any reason or no reason. Executive further understands and agrees that, as before, neither Executive's job performance nor promotions, commendations, bonuses or the like from the Company give rise to or in any way serve as the basis for modification, amendment, or extension, by implication or otherwise, of Executive's employment with the Company.

3. Compensation.

(a) Base Salary. During the Employment Term, the Company will pay Executive as compensation for Executive's services a base salary at a rate of \$375,000 per year, as may be modified from time to time at the discretion of the Board or a duly constituted committee of the Board (the "Base Salary"). The Base Salary will be paid in regular installments in accordance with the Company's normal payroll practices (subject to required withholdings). Any modification in Base Salary (together with the then existing Base Salary) shall serve as the "Base Salary" for future employment under this Agreement. The first and last payment will be adjusted, if necessary, to reflect a commencement or termination date other than the first or last working day of a pay period.

(b) 2018 Bonus. For calendar year 2018, Executive shall be eligible to receive a bonus equal to 50% of Executive's Base Salary (the "2018 Bonus"). The 2018 Bonus will be deemed earned only to the extent Executive remains employed in good standing with the Company through December 31, 2018, and shall be paid at the time and manner in which bonuses are normally paid to employees at Executive's level. In no event will payment of the 2018 Bonus be made later than March 15, 2019. No "prorated" or partial bonus will be provided in the event of Executive's separation from employment on or prior to December 31, 2018.

(c) Annual Bonus. Beginning in calendar year 2019, and for each calendar year thereafter during the Employment Term, Executive shall be eligible for an annual bonus, as described in and subject to the terms of this Section 3(c), based upon the achievement of certain Company and individual goals as determined by the Company in its discretion after consultation with Executive (the "Annual Bonus"). Such Company and individual goals will be communicated to Executive within 90 days following the beginning of the applicable calendar year. The Board will determine in its reasonable discretion whether the performance objectives for any Annual Bonus have been achieved. In connection with the Annual Bonus, subject to the corresponding performance levels being achieved, the Executive shall be eligible for an annual target bonus of 50% of the Executive's then-applicable Base Salary (the "Target Bonus") with an annual maximum bonus equal to 100% of the Target Bonus.

Any such Annual Bonus will be determined and, to the extent earned, paid on an annual basis, at the time and manner in which such bonuses are normally paid to employees at Executive's level, but in no event will such payment be made later than March 15 of the year following the year such Annual Bonus was earned. Receipt of any Annual Bonus is contingent upon Executive's continued employment with the Company through the date the Annual Bonus is earned and any Annual Bonus for a calendar year will not be considered earned if Executive's employment terminates on or before December 31 of the corresponding calendar year. No "prorated" or partial bonus will be provided in the event of Executive's earlier separation from employment.

(d) Retention Bonus. Subject to the terms of this Agreement, the Company agrees to pay the Executive \$476,500, subject to required withholdings (the "Retention Bonus"). Fifty percent (50%) of the Retention Bonus will be deemed earned and paid to Executive on June 1, 2019, and the remaining fifty percent (50%) of the Retention Bonus will be deemed earned and paid to Executive on June 1, 2020, in each case subject to Executive's continuing employment in good standing with the Company as of each applicable date, except as provided below.

(e) Equity. It will be recommended to the Board that, prior to December 31, 2018, the Board approve a reduction to the per share exercise price of Executive's current incentive stock option granted on March 28, 2018 for 1,336,699 shares of the Company's common stock (the "Current Option") to be equal to the fair market value per share on the date of the Board's approval of such reduction (and provided that no adjustment will be made in the event that the fair market value per share of Company common stock on such date of Board determination is greater than the per share exercise price of the Current Option). The determination of fair market value shall be made in a manner which complies with Section 409A of the Internal Revenue Code. Executive acknowledges and agrees that upon the modification to the Current Option's exercise price, the Current Option will be treated as granted on the date of modification for purposes of calculating the incentive stock option holding periods that must be met in order for the Current Option to be eligible for the favorable tax treatment available to incentive stock options. In addition, it will be recommended to the Board that it grant Executive a stock option to purchase 2,628,266 shares of the Company's common stock (the "Option"). The exercise price per share for the Option will be the fair market value of an underlying share of the Company's common stock on the date of grant, as determined by the Board in a manner intended to comply with Section 409A of the Code (as defined below). The vesting schedule of the Option will be as follows, and the vesting schedule of the Current Option shall be modified to reflect as follows: (i) 919,893 of the shares subject to the Option shall be fully vested as of the date of grant of the Option; and (ii) the remaining 1,708,373 shares shall be scheduled to vest monthly, commencing as of November 2, 2017, and continuing over the next thirty-six (36) months in equal monthly amounts subject to Executive's continuing employment with the Company. The Option shall be subject to the terms, definitions and conditions, including vesting requirements, of the Company's 2014 Equity Incentive Plan (the "Equity Plan") and a stock option agreement between Executive and the Company (the "Option Agreement"), both of which are incorporated herein by reference. No right to any stock is earned or accrued until such time that vesting occurs, nor does the grant confer any right to continue vesting or employment.

(f) Management Carveout Plan. The Company agrees to consider in good faith and work with management to develop a management carveout plan within a reasonable period of time, generally in accordance with the terms outlined in the email exchange among Executive and the members of the Compensation Committee of the Company's Board of Directors commenced by Executive on November 2, 2018.

4. Employee Benefits. During the Employment Term, Executive will be eligible to participate in the employee benefit plans currently and hereafter maintained by the Company of general applicability to similarly-situated senior executives of the Company, subject to the terms and conditions of the applicable policies and plans. The Company reserves the right to cancel or change the benefit plans and programs it offers to its employees at any time.

5. Business Expenses. During the Employment Term, the Company will reimburse Executive for reasonable business travel, entertainment or other business expenses incurred by Executive in the furtherance of or in connection with the performance of Executive's duties hereunder, in accordance with the Company's expense reimbursement policy as in effect from time to time. Except as expressly provided otherwise herein, no reimbursement payable to the Executive pursuant to any provision of this Agreement or pursuant to any plan or arrangement of the Company shall be paid later than the last day of the calendar year following the calendar year in which the related expense was incurred, and no such reimbursement during any calendar year shall affect the amounts eligible for reimbursement in any other calendar year, except, in each case, to the extent that the right to reimbursement does not provide for a "deferral of compensation" within the meaning of Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and the final regulations and any formal guidance issued thereunder ("Section 409A").

6. Termination on Death or Disability.

(a) Effectiveness. Executive's employment will terminate automatically upon Executive's death or, upon fourteen (14) days prior written notice from the Company, in the event of Disability.

(b) Effect of Termination. Upon any termination for death or Disability, Executive shall be entitled to: (i) Executive's Base Salary through the effective date of termination; (ii) the right to continue health care benefits under Title X of the Consolidated Budget Reconciliation Act of 1985, as amended ("COBRA"), for Executive and Executive's eligible dependents, at Executive's cost, to the extent required and available by law; (iii) reimbursement of expenses for which Executive is entitled to be reimbursed pursuant to Section 5 above, but for which Executive has not yet been reimbursed; (iv) any unpaid 2018 Bonus or Annual Bonus earned in the calendar year prior to the calendar year in which such termination occurs, payable at the time such 2018 Bonus or Annual Bonus would have otherwise been paid; and (v) no other severance or benefits of any kind, unless required by law or pursuant to any other written Company plans or policies, as then in effect.

7. Involuntary Termination for Cause; Resignation

(a) Effectiveness. Notwithstanding any other provision of this Agreement, the Company may terminate Executive's employment at any time for Cause or Executive may resign from Executive's employment with the Company at any time without Good Reason. Termination for Cause, or Executive's resignation (without Good Reason, as defined below), shall be effective on the date either Party gives notice to the other Party of such termination or resignation under this Agreement, unless otherwise agreed by the Parties. A resignation that is accelerated by the Company shall continue to be construed as a resignation under this Agreement.

(b) Effect of Termination. In the case of the Company's termination of Executive's employment for Cause, or Executive's resignation without Good Reason, Executive shall be entitled to receive: (i) Executive's Base Salary through the effective date of the termination or resignation, as applicable; (ii) reimbursement of all business expenses for which Executive is entitled to be reimbursed pursuant to Section 5 above, but for which Executive has not yet been reimbursed; (iii) the right to continue health care benefits under COBRA for Executive and Executive's eligible dependents, at Executive's cost, to the extent required and available by law; (iv) any unpaid 2018 Bonus or Annual Bonus earned in the calendar year prior to the calendar year in which such termination occurs, payable at the time such 2018 Bonus or Annual Bonus would have otherwise been paid; and (v) no other severance or benefits of any kind, unless required by law or pursuant to any other written Company plans or policies, as then in effect.

8. Involuntary Termination Without Cause; Resignation for Good Reason

(a) Effect of Termination. The Company shall also be entitled to terminate Executive without Cause at any time, and Executive shall be entitled to resign from employment with the Company for Good Reason, subject to the following:

(i) If, outside of the Change in Control Period (as defined below), Executive's employment is involuntarily terminated by the Company without Cause (excluding any termination due to death or Disability) or Executive resigns for Good Reason (as defined below), then, subject to the limitations of Sections 10 and 11 below, Executive shall be entitled to receive: (A) Executive's Base Salary through the date of termination; (B) continuing severance pay at a rate equal to one-hundred percent (100%) of Executive's monthly Base Salary, as then in effect (less applicable withholdings), for a period of six (6) months from the date of such termination, to be paid periodically in accordance with the Company's normal payroll practices; (C) a lump sum cash amount equal to any unpaid portion of the Retention Bonus Executive otherwise would have received had Executive remained employed with the Company through June 1, 2020, less applicable withholdings; (D) subject to Section 8(c) below, if Executive elects continuation coverage pursuant to COBRA within the time period prescribed pursuant to COBRA for Executive and Executive's eligible dependents, reimbursement for the COBRA premiums for such coverage (at the coverage levels in effect immediately prior to Executive's termination) until the earlier of (1) the maximum period of COBRA eligibility under the law, but not to exceed six (6) months from Executive's date of termination from employment with the Company, or (2) the date upon which Executive and/or Executive's eligible dependents become covered under similar plans; (E) if the termination or resignation occurs (x) in calendar year 2018, 100% of the 2018 Bonus amount, or (y) after calendar year 2018, an amount equal to Executive's then-applicable Target Bonus opportunity, prorated based on a fraction equal to the number of days that Executive remained employed with the Company during the year in which the termination or resignation occurs, divided by 365; (F) reimbursement of all expenses for which Executive is entitled to be reimbursed pursuant to Section 5 above, but for which Executive has not yet been reimbursed; and (G) no other severance or benefits of any kind, unless required by law or pursuant to any written Company plans or policies, as then in effect.

(ii) If, during the period beginning on and ending twelve (12) months after a Change in Control (the 'Change in Control Period'), Executive's employment is involuntarily terminated by the Company without Cause (excluding any termination due to death or Disability) or Executive resigns for Good Reason, then, subject to the limitations of Sections 10 and 11 below, Executive shall be entitled to receive: (A) Executive's Base Salary through the date of termination; (B) continuing severance pay at a rate equal to one-hundred percent (100%) of Executive's monthly Base Salary, as then in effect (less applicable withholding), for a period of six (6) months from the date of such termination, to be paid in accordance with the Company's normal payroll practices; (C) accelerated vesting as to One Hundred percent (100%) of the then-unvested portions of all of

Executive's outstanding equity awards (including, as applicable, but not limited to, the Current Option and the Option); (D) a lump sum cash amount equal to any unpaid portion of the Retention Bonus Executive otherwise would have received had Executive remained employed with the Company through June 1, 2020, less applicable withholdings; (E) if the termination or resignation occurs (x) in calendar year 2018, 100% of the 2018 Bonus amount, or (y) after calendar year 2018, an amount equal to Executive's then-applicable Target Bonus opportunity, prorated based on a fraction equal to the number of days that Executive remained employed with the Company during the year in which the termination or resignation occurs, divided by 365; (F) subject to Section 8(c) below, if Executive elects continuation coverage pursuant to COBRA within the time period prescribed pursuant to COBRA for Executive and Executive's eligible dependents, reimbursement for the COBRA premiums for such coverage (at the coverage levels in effect immediately prior to Executive's termination) until the earlier of (1) the maximum period of COBRA eligibility under the law, but not to exceed six (6) months from Executive's date of termination from employment with the Company, or (2) the date upon which Executive and/or Executive's eligible dependents become covered under similar plans; (G) reimbursement of all expenses for which Executive is entitled to be reimbursed pursuant to Section 5 above, but for which Executive has not yet been reimbursed; (H) any unpaid 2018 Bonus or Annual Bonus earned in the calendar year prior to the calendar year in which such termination occurs, payable at the time such 2018 Bonus or Annual Bonus would have otherwise been paid; and (I) no other severance or benefits of any kind, unless required by law or pursuant to any written Company plans or policies, as then in effect.

(b) Conditions Precedent. Any severance, equity acceleration, COBRA reimbursements, or other payments or benefits contemplated by Section 8(a) above are conditional on Executive: (i) continuing to comply with the terms of this Agreement and the Confidentiality Agreement (as defined in Section 12(a) below); and (ii) signing and not revoking a separation agreement and release of claims in a form substantially similar to that attached hereto as Exhibit A (the "Separation Agreement") and provided that such Separation Agreement becomes effective and irrevocable no later than sixty (60) days following the termination date or such earlier date required by the Separation Agreement (such deadline, the "Release Deadline"); provided, however, the Parties agree to modify the Separation Agreement to comply with and be enforceable under applicable laws at the time of execution of the Separation Agreement and to comport with any necessary modifications to the timing and amount of payments and other benefits as set forth in Sections 10 and 11 below. If the Separation Agreement is not signed or is revoked by Executive prior to the Release Deadline, Executive will forfeit any rights to severance or benefits under Section 8(a), or elsewhere in this Agreement. Any severance payments under this Agreement that would not be considered Deferred Compensation Separation Benefits (as defined in Section 10) will be paid on, or, in the case of installments, will not commence until, the first payroll date that occurs on or after the date the Release becomes effective and irrevocable, except that any payment made under clause (E) of Section 8(a) (i) and 8(a)(ii) relating to Executive's target bonus severance (the "Bonus Severance") will be paid during the first calendar quarter, but not later than March 15, of the year immediately following the year in which the termination of Executive's employment occurs (and intended to be paid generally at the same time as bonus payments are made to other participants of the Company's bonus plan or program under which Executive's bonus otherwise would have been payable had Executive remained a participant thereunder), but no earlier than the date on which the Separation Agreement becomes effective and irrevocable; and any such installment payments that would have been made to Executive during the period prior to the date the Release becomes effective and irrevocable but for the preceding sentence will be paid to Executive on the first payroll date that occurs on or after the date the Release becomes effective and irrevocable. Any severance payments or other benefits under this Agreement that would be considered Deferred Compensation Separation Benefits will be paid on, or, in the case

of installments, will not commence until, the sixtieth (60th) day following Executive's separation from service (or with respect to any Bonus Severance, paid on March 1 of the year immediately following the year in which Executive's separation from service occurs), or, if later, such time as required by Section 10. Except as required by Section 10, any installment payments that would have been made to Executive during the sixty (60) day period immediately following Executive's separation from service but for the preceding sentence will be paid to Executive on the sixtieth (60th) day following Executive's separation from service and the remaining payments will be made as provided in this Agreement, unless subject to the six (6)-month payment delay under Section 10. Notwithstanding the foregoing, this Section 8(b) shall not limit Executive's ability to obtain expense reimbursements under Section 5 or any other compensation or benefits otherwise required by law or in accordance with written Company plans or policies, as then in effect.

(c) The COBRA reimbursements under Section 8(a)(i) or Section 8(a)(ii), as applicable, will be made by the Company to Executive consistent with the Company's normal expense reimbursement policy. Notwithstanding anything in this Agreement, if the Company determines in its sole discretion that it cannot provide the COBRA reimbursements without potentially violating, or being subject to an excise tax under, applicable law (including, without limitation, Section 2716 of the Public Health Service Act), the Company will in lieu thereof provide to Executive a taxable monthly payment in an amount equal to the monthly COBRA premium that Executive would be required to pay to continue Executive's group health coverage in effect on the termination of employment date (which amount will be based on the premium for the first month of COBRA coverage), which payments will be made regardless of whether Executive elects COBRA continuation coverage and will commence on the month following Executive's termination of employment and will end on the earlier of (x) the date upon which Executive obtains other employment or (y) the date the Company has paid an amount equal to six (6) monthly payments. For the avoidance of doubt, the taxable payments in lieu of COBRA reimbursements may be used for any purpose, including, but not limited to continuation coverage under COBRA, and will be subject to all applicable tax withholdings.

9. Definitions.

(a) Cause. For purposes of this Agreement, "Cause" shall mean:

(i) Executive's intentional and material failure to perform Executive's lawful duties as assigned by the Company and/or BlackSky (other than any such failure resulting from death or Disability);

(ii) Executive's intentional and material breach of any fiduciary duty to the Company and/or BlackSky;

(iii) Executive's engagement in dishonesty, misrepresentation, illegal conduct, gross negligence or gross misconduct related to Executive's employment duties to the Company and/or BlackSky that causes or could reasonably be anticipated to cause material harm to the Company and/or BlackSky;

(iv) Executive's embezzlement, misappropriation or fraud, whether or not related to Executive's employment with the Company;

(v) Executive's conviction of or plea of guilty or *nolo contendere* to a crime that constitutes a felony; or Executive's conviction of or plea of guilty or *nolo contendere* to a crime that constitutes a misdemeanor involving moral turpitude, if such misdemeanor is work-related, or otherwise impairs Executive's ability to perform services for the Company or BlackSky or results in reputational or financial harm to the Company, BlackSky, or any of its or their affiliates;

(vi) Executive's willful unauthorized disclosure of Company Confidential Information or Associated Third Party Confidential Information (both as defined in the Confidentiality Agreement);

(vii) Executive's material breach of any material obligation under this Agreement, the Confidentiality Agreement, or any other agreement between Executive and the Company or between Executive and BlackSky; or

(viii) the Company's ceasing to be a direct or indirect parent corporation or affiliate of BlackSky, provided that Executive's employment is transferred to or Executive otherwise continues as an employee of BlackSky or a successor of BlackSky (where "successor" has the meaning ascribed to such term in Section 14 below).

In the case of Sections 9(a)(i), (ii), (iii), (vi) and (vii) above, for "Cause" to exist, (A) the Company's Board of Directors must provide written notice of the acts or omissions constituting the grounds of "Cause" to Executive, to the extent then known to the Board of Directors; and (B) Executive must have failed to cure such conduct within 30 days after such notice has been tendered.

(b) Change in Control. For purposes of this Agreement, "Change in Control" shall have the meaning ascribed to such term in the Equity Plan, as amended from time to time.

(c) Disability. For purposes of this Agreement, "Disability" or "Disabled" means that Executive, at the time notice is given, has been unable to substantially perform Executive's duties under this Agreement for not less than one-hundred and twenty (120) work days within a twelve (12) consecutive month period as a result of Executive's incapacity due to a physical or mental condition and, if reasonable accommodation is required by law, after any reasonable accommodation.

(d) Good Reason. For purposes of this Agreement, "Good Reason" means Executive's termination of Executive's employment in accordance with the next sentence after the occurrence of one or more of the following events without Executive's consent:

(i) a material reduction of Executive's material duties, authorities, or responsibilities as in effect immediately prior to such reduction, including a reduction to divisional duties, authorities or responsibilities; provided, however, that continued employment by the Company, or transfer of employment to BlackSky or another entity with substantially the same duties, authorities, or responsibilities with respect to BlackSky's business and operations will not constitute "Good Reason" (for example, "Good Reason" does not exist if Executive is performing services for BlackSky or a successor with substantially the same duties, authorities, or responsibilities with respect to BlackSky's business that Executive had immediately prior to a Change in Control regardless of whether Executive's title is revised to reflect Executive's placement within the overall corporate hierarchy or whether Executive provides services to a subsidiary, affiliate, business unit or otherwise, and regardless of whether Executive remains employed by the Company as its President (or otherwise)); and provided, further, that Executive's cessation of employment with the Company but transfer of continued employment with BlackSky with substantially the same duties, authorities or responsibility with respect to BlackSky's business and operations also will not constitute "Good Reason"; or

(ii) a material change in the geographic location of Executive's primary work facility or location; provided, that a relocation of less than 30 miles from Executive's then present work location will not be considered a material change in geographic location; or

(iii) a reduction in Executive's Base Salary by more than ten percent (10%); provided, however, that a reduction in excess of ten percent (10%) shall not constitute "Good Reason" if it is made in connection with an across-the-board reduction by the Company of all base salaries for similarly situated employees by a percentage at least equal to the percentage by which Executive's Base Salary is reduced.

In order for Executive's termination of Executive's employment to be for Good Reason, Executive must not terminate employment with the Company without first providing the Company with written notice of the acts or omissions constituting the grounds for "Good Reason" within 90 days of the initial existence of the grounds for "Good Reason" and a cure period of 30 days following the date of written notice (the "Cure Period"), such grounds must not have been cured during such time, and Executive must terminate Executive's employment within 30 days following the Cure Period.

10. Section 409A.

(a) Notwithstanding anything to the contrary in this Agreement, no severance pay or benefits to be paid or provided to Executive, if any, pursuant to this Agreement, when considered together with any other severance payments or separation benefits that are considered deferred compensation under Section 409A (together, the "Deferred Compensation Separation Benefits") will be paid or otherwise provided until Executive has a "separation from service" within the meaning of Section 409A. To the extent necessary to comply with Section 409A, any references to termination of employment, employment termination, or similar terms will mean a separation from service within the meaning of Section 409A.

(b) Notwithstanding anything to the contrary in this Agreement, if Executive is a "specified employee" within the meaning of Section 409A at the time of Executive's termination (other than due to death), then the Deferred Compensation Separation Benefits that are payable within the first six (6) months following Executive's separation from service, will become payable on the first payroll date that occurs on or after the date six (6) months and one (1) day following the date of Executive's separation from service. All subsequent Deferred Compensation Separation Benefits, if any, will be payable in accordance with the payment schedule applicable to each payment or benefit. Notwithstanding anything herein to the contrary, if Executive dies following Executive's separation from service, but prior to the six (6) month anniversary of the separation from service, then any payments delayed in accordance with this paragraph will be payable in a lump sum as soon as administratively practicable after the date of Executive's death and all other Deferred Compensation Separation Benefits will be payable in accordance with the payment schedule applicable to each payment or benefit. Each payment and benefit payable under this Agreement is intended to constitute separate payments for purposes of Section 1.409A-2(b)(2) of the Treasury Regulations.

(c) Any amount paid under this Agreement that satisfies the requirements of the "short-term deferral" rule set forth in Section 1.409A-1(b)(4) of the Treasury Regulations will not constitute Deferred Compensation Separation Benefits for purposes of clause (a) above.

(d) Any amount paid under this Agreement that qualifies as a payment made as a result of an involuntary separation from service pursuant to Section 1.409A-1(b)(9)(iii) of the Treasury Regulations that does not exceed the Section 409A Limit will not constitute Deferred Compensation Separation Benefits for purposes of clause (a) above. For purposes of this Agreement, "Section 409A Limit" will mean the lesser of two (2) times: (i) Executive's annualized compensation based upon the annual rate of pay paid to Executive during the Executive's taxable year preceding Executive's taxable year of Executive's termination of employment as determined under Treasury Regulation Section 1.409A-1(b)(9)(iii)(A)(1) and any Internal Revenue Service guidance issued with respect thereto; or (ii) the maximum amount that may be taken into account under a qualified plan pursuant to Section 401(a)(17) of the Code for the year in which Executive's employment is terminated.

(e) To the extent necessary to comply with Section 409A, with respect to any reimbursement or in-kind benefit plan or arrangement in which Executive participates, (i) the amount eligible for reimbursement or in-kind benefit in one calendar year may not affect the amount eligible for reimbursement or in-kind benefit in any other calendar year, (ii) the right to the applicable reimbursement or benefit is not subject to liquidation or exchange for another benefit or payment, and (iii) to the extent there is any reimbursement of an expense, such reimbursement must be made on or before the last day of the calendar year following the calendar year in which the expense was incurred, and (iv) except as specifically provided herein or in the applicable reimbursement arrangement, in-kind benefits will only be provided, and reimbursements will only be made for expenses incurred, during Executive's lifetime.

(f) This Agreement is intended to be exempt from or comply with the requirements of Section 409A so that none of the severance payments and benefits to be provided hereunder will be subject to the additional tax imposed under Section 409A, and any ambiguities or ambiguous terms herein will be interpreted according to such intent. The Company and Executive agree to work together in good faith to consider amendments to this Agreement and to take such reasonable actions which are necessary, appropriate or desirable to avoid imposition of any additional tax or income recognition prior to actual payment to Executive under Section 409A. In no event will the Company, BlackSky, or any of their respective subsidiaries or affiliates have any liability or obligation to indemnify, reimburse, or hold harmless Executive for any taxes imposed, or other costs incurred, as a result of Section 409A.

11. Limitation on Payments. In the event that the benefits provided for in this Agreement or otherwise payable to Executive (a) constitute "parachute payments" within the meaning of Section 280G of the Code and (b) but for this Section 11 would be subject to the excise tax imposed by Section 4999 of the Code, then Executive's benefits will be either (i) delivered in full, or (ii) delivered as to such lesser extent which would result in no portion of such benefits being subject to excise tax under Section 4999 of the Code, whichever of the foregoing amounts, taking into account the applicable federal, state and local income taxes and the excise tax imposed by Section 4999, results in the receipt by Executive on an after-tax basis, of the greatest amount of benefits, notwithstanding that all or some portion of such benefits may be taxable under Section 4999 of the Code. If a reduction in amounts to be paid must be made, reduction shall occur in the following order: first, reduction of cash payments, which shall occur in reverse chronological order such that the cash payment owed on the latest date following the occurrence of the event triggering such excise tax will be the first cash payment to be reduced; second, cancellation of equity awards that were granted "contingent on a change in ownership or control" within the meaning of Section 280G of the Code in the reverse order of date of grant of the awards (that is, the most recently granted equity awards will be cancelled first); third, cancellation of accelerated vesting of equity awards, which shall occur in the reverse order of the date of grant for such stock awards (i.e., the vesting of the most recently granted stock awards will be reduced first); and fourth, reduction of employee benefits, which shall occur in reverse chronological order such that

the benefit owed on the latest date following the occurrence of the event triggering such excise tax will be the first benefit to be reduced. If two or more equity awards are granted on the same date, each award will be reduced on a pro-rata basis. In no event shall Executive have any discretion with respect to the ordering of payment reductions. Unless the Company and Executive otherwise agree in writing, any determination required under this Section will be made in writing by a nationally recognized certified professional services firm selected by the Company, the Company's legal counsel or such other person or entity to which the parties mutually agree (the "Firm"), whose determination will be conclusive and binding upon Executive and the Company for all purposes. For purposes of making the calculations required by this Section, the Firm may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of Sections 280G and 4999 of the Code. The Company and Executive will furnish to the Firm such information and documents as the Firm may reasonably request in order to make a determination under this Section 11. The Company will bear all costs and make all payments for the Firm's services reasonably required in connection with any calculations contemplated by this Section 11.

12. Company Matters.

(a) Proprietary Information and Inventions. Executive acknowledges and agrees that, as a condition of employment, Executive is required to sign and abide by the terms of the Company's At-Will Employment, Confidential Information, Invention Assignment, and Arbitration Agreement (the "Confidentiality Agreement"), including the arbitration agreement and provisions governing the non-disclosure of confidential information and restrictive covenants contained therein. A copy of the Confidentiality Agreement is attached hereto as Exhibit B.

(b) Ventures. If, during Executive's employment, Executive is engaged in or associated with planning or implementing of any project, program or venture involving the Company and any third parties, all rights in such project, program or venture shall belong to the Company (or third party, to the extent provided in any agreement between the Company and the third party). Except as approved by the Board in writing, Executive shall not be entitled to any interest in such project, program or venture or to any commission, finder's fee or other compensation in connection therewith other than the salary or other compensation to be paid to Executive as provided in this Agreement.

(c) Notification of New Employer. In the event that Executive leaves the employ of the Company, Executive grants consent to notification by the Company to Executive's new employer about Executive's rights and obligations under this Agreement and the Confidentiality Agreement.

13. Arbitration. IN CONSIDERATION OF EXECUTIVE'S EMPLOYMENT WITH THE COMPANY, ITS PROMISE TO ARBITRATE ALL EMPLOYMENT-RELATED DISPUTES AND EXECUTIVE'S RECEIPT OF THE COMPENSATION, PAY RAISES AND OTHER BENEFITS PAID TO EXECUTIVE BY THE COMPANY, AT PRESENT AND IN THE FUTURE, EXECUTIVE AGREES THAT ANY AND ALL CONTROVERSIES, CLAIMS, OR DISPUTES WITH ANYONE (INCLUDING THE COMPANY AND ANY EMPLOYEE, OFFICER, DIRECTOR, SHAREHOLDER OR BENEFIT PLAN OF THE COMPANY, IN THEIR CAPACITY AS SUCH OR OTHERWISE), ARISING OUT OF, RELATING TO, OR RESULTING FROM EXECUTIVE'S EMPLOYMENT WITH THE COMPANY OR THE TERMINATION OF EXECUTIVE'S EMPLOYMENT WITH THE COMPANY, INCLUDING ANY BREACH OF THIS AGREEMENT, SHALL BE SUBJECT TO BINDING ARBITRATION, AS SET FORTH IN THE CONFIDENTIALITY AGREEMENT.

14. Assignment. This Agreement will inure to the benefit of any successor of the Company or of any successor of BlackSky in the event that Executive's employment is transferred to BlackSky or such successor in connection with such successor taking over the business of BlackSky, and accordingly any such successor of the Company or BlackSky, as applicable, will be deemed substituted for the Company under the terms of this Agreement for such purposes. For this purpose, "successor" means any person, firm, corporation or other business entity which at any time, whether by purchase, merger or otherwise, directly or indirectly acquires all or substantially all of the assets or business of the Company or BlackSky, as applicable. None of the rights of Executive to receive any form of compensation payable pursuant to this Agreement may be assigned or transferred except by will or the laws of descent and distribution. Any other attempted assignment, transfer, conveyance or other disposition of Executive's right to compensation or other benefits will be null and void.

15. Notices. All notices, requests, demands and other communications called for under this Agreement shall be in writing and shall be delivered personally by hand or by courier, mailed by United States first-class mail, postage prepaid, to the Party to be notified at the address indicated for such Party on the signature page to this Agreement, or at such other address as such Party may designate by ten (10) days' advance written notice to the other Parties hereto. All such notices and other communications shall be deemed given upon personal delivery, three (3) days after the date of mailing.

16. Severability. In the event that any provision hereof becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement will continue in full force and effect without said provision.

17. Integration. This Agreement, together with the Equity Plan, the Current Option agreement, and the Confidentiality Agreement, represents the entire agreement and understanding between the parties as to the subject matter herein and supersedes all prior or contemporaneous agreements whether written or oral. No waiver, alteration, or modification of any of the provisions of this Agreement will be binding unless in writing and signed by duly authorized representatives of the parties hereto.

18. Tax Withholding. All payments made pursuant to this Agreement will be subject to withholding of applicable taxes.

19. Waiver. No Party shall be deemed to have waived any right, power or privilege under this Agreement or any provisions hereof unless such waiver shall have been duly executed in writing and acknowledged by the Party to be charged with such waiver. The failure of any Party at any time to insist on performance of any of the provisions of this Agreement shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this Agreement or any part hereof. No waiver of any breach of this Agreement shall be held to be a waiver of any other subsequent breach.

20. Governing Law. This Agreement will be governed by the laws of the Commonwealth of Virginia (with the exception of its conflict of law provisions).

21. Acknowledgment. Executive acknowledges that Executive has had the opportunity to discuss this matter with and obtain advice from Executive's legal counsel, has had sufficient time to, and has carefully read and fully understands all the provisions of this Agreement, and is knowingly and voluntarily entering into this Agreement.

22. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original, and all such counterparts shall constitute but one instrument.

23. Effect of Headings. The section and subsection headings contained herein are for convenience only and shall not affect the construction hereof.

24. Construction of Agreement. This Agreement has been negotiated by the respective Parties, and the language shall not be construed for or against either Party.

25. Protected Activity Not Prohibited. Employee understands that nothing in this Agreement shall in any way limit or prohibit Employee from engaging in any Protected Activity. For purposes of this Agreement, "Protected Activity" shall mean filing a charge, complaint, or report with, or otherwise communicating, cooperating, or participating in any investigation or proceeding that may be conducted by, any federal, state or local government agency or commission, including the Securities and Exchange Commission, the Equal Employment Opportunity Commission, the Occupational Safety and Health Administration, and the National Labor Relations Board ("Government Agencies"). Employee understands that in connection with such Protected Activity, Employee is permitted to disclose documents or other information as permitted by law, and without giving notice to, or receiving authorization from, the Company. Notwithstanding the foregoing, Employee agrees to take all reasonable precautions to prevent any unauthorized use or disclosure of any information that may constitute Company confidential information under the Confidentiality Agreement to any parties other than the Government Agencies. Employee further understands that "Protected Activity" does not include the disclosure of any Company attorney-client privileged communications. Any language in the Confidentiality Agreement regarding Employee's right to engage in Protected Activity that conflicts with, or is contrary to, this paragraph is superseded by this Agreement. In addition, pursuant to the Defend Trade Secrets Act of 2016, Employee is notified that an individual will not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that: (a) is made in confidence to a federal, state, or local government official (directly or indirectly) or to an attorney solely for the purpose of reporting or investigating a suspected violation of law, or (b) is made in a complaint or other document filed in a lawsuit or other proceeding, if (and only if) such filing is made under seal. In addition, an individual who files a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose the trade secret to the individual's attorney and use the trade secret information in the court proceeding, if the individual files any document containing the trade secret under seal and does not disclose the trade secret, except pursuant to court order.

26. Attorney's Fees. Each party shall bear its own attorney's fees and costs incurred in any action or dispute arising out of this Agreement and/or the employment relationship.

27. Clawback Provisions. Notwithstanding any other provisions in this Agreement to the contrary, any incentive-based compensation, or any other compensation, paid to Executive pursuant to this Agreement or any other agreement or arrangement with the Company or any of its affiliates, which is subject to recovery under any law, government regulation or stock exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement (or any policy adopted by the Company or any of their affiliates pursuant to any such law, government regulation or stock exchange listing requirement), including for any violations of the Confidentiality Agreement, if applicable.

(FORM OF SEPARATION AGREEMENT)

SEPARATION AGREEMENT AND RELEASE

This Separation Agreement and Release ("Agreement") is made by and between Brian O'Toole ("Employee") and Spaceflight Industries, Inc. (the "Company") (collectively referred to as the "Parties" or individually referred to as a "Party").

WHEREAS, Employee was employed at-will by the Company pursuant to that certain Executive Employment Agreement between the Parties, dated [•];

WHEREAS, Employee signed an At-Will Employment, Confidential Information, Invention Assignment, and Arbitration Agreement with the Company on [•] (the "Confidentiality Agreement");

WHEREAS, the Company and Employee have entered into Stock Option Agreement(s), dated [•], granting Employee the option to purchase shares of the Company's common stock subject to the terms and conditions of the applicable Equity Incentive Plan and the respective Stock Option Agreement(s) (collectively the "Stock Agreements");

WHEREAS, Employee separated from employment with the Company effective [•] (the "Separation Date"); and

WHEREAS, the Parties wish to resolve any and all disputes, claims, complaints, grievances, charges, actions, petitions, and demands that the Employee may have against the Company and any of the Releasees as defined below, including, but not limited to, any and all claims arising out of or in any way related to Employee's employment with or separation from the Company;

NOW, THEREFORE, in consideration of the mutual promises made herein, the Company and Employee hereby agree as follows:

COVENANTS

1. Consideration. In consideration of Employee's execution of this Agreement and Employee's fulfillment of all of its terms and conditions, and provided that Employee does not revoke the Agreement under Section 6 below, the Company agrees as follows:

a. Separation Payment. The Company agrees to pay Employee a total of [•] Dollars (\$[•]), at the rate of [•] Dollars (\$[•]) per month, less applicable withholdings, for six (6) months from the first regular payroll date following the Effective Date, in accordance with the Company's regular payroll practices.

b. COBRA Reimbursement. The Company shall reimburse Employee for the payments Employee makes for COBRA coverage for a period of up to six (6) months, or until Employee has secured health insurance coverage through another employer, whichever occurs first, provided Employee timely elects and pays for continuation coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended ("COBRA"), within the time period prescribed pursuant to COBRA. COBRA reimbursements shall be made by the Company to Employee consistent with the Company's normal expense reimbursement policy, provided that Employee submits documentation to the Company substantiating Employee's payments for COBRA coverage. Notwithstanding the preceding, if the Company determines in its sole discretion that it cannot provide COBRA reimbursement benefits without potentially violating applicable law (including, without limitation, Section 2716 of the Public Health Service Act), the Company will instead provide the Employee a taxable payment in an amount equal to the monthly COBRA premium, grossed up for income tax purposes, that the Employee would be required to pay to continue the Employee's group health coverage in effect on the date of termination of employment (which amount will be based on the premium for the first month of COBRA coverage), which payments will be made regardless of whether the Employee elects COBRA continuation coverage and will commence in the month following the month of the Separation Date and continue for the period of months indicated in this paragraph.

c. General. Employee acknowledges that without this Agreement, Employee is otherwise not entitled to the consideration listed in this Section 1.

2. Stock. The Parties agree that for purposes of determining the number of shares of the Company's common stock that Employee is entitled to purchase from the Company, pursuant to the exercise of outstanding options, Employee will be considered to have vested only up to the Separation Date. Employee acknowledges that as of the Separation Date, Employee will have vested in [*] options and no more. The exercise of Employee's vested options and shares shall continue to be governed by the terms and conditions of the Company's Stock Agreements.

3. Benefits. Employee's health insurance benefits shall cease on [*], subject to Employee's right to continue Employee's health insurance under COBRA. Employee's participation in all benefits and incidents of employment, including, but not limited to, vesting in stock options, and the accrual of bonuses, vacation, and paid time off, ceased as of the Separation Date.

4. Payment of Salary and Receipt of All Benefits. Employee acknowledges and represents that, other than the consideration set forth in this Agreement, the Company and its agents have paid or provided all salary, wages, bonuses, accrued vacation/paid time off, notice periods, premiums, leaves, housing allowances, relocation costs, interest, severance, outplacement costs, fees, reimbursable expenses, commissions, stock, stock options, vesting, and any and all other benefits and compensation due to Employee.

5. Release of Claims. Employee agrees that the foregoing consideration represents settlement in full of all outstanding obligations owed to Employee by the Company and its current and former officers, directors, employees, agents, investors, attorneys, shareholders, administrators, affiliates, benefit plans, plan administrators, insurers, trustees, divisions, and subsidiaries, and predecessor and successor corporations and assigns (collectively, the "Releasees"). Employee, on Employee's own behalf and on behalf of Employee's respective heirs, family members, executors, agents, and assigns, hereby and forever releases the Releasees from, and agrees not to sue concerning, or in any manner to institute, prosecute, or pursue, any claim, complaint, charge, duty, obligation, or cause of action relating to any matters of any kind, whether presently known or unknown, suspected or unsuspected, that Employee may possess against any of the Releasees arising from any omissions, acts, facts, or damages that have occurred up until and including the date Employee signs this Agreement, including, without limitation:

a. any and all claims relating to or arising from Employee's employment relationship with the Company and the termination of that relationship;

b. any and all claims relating to, or arising from, Employee's right to purchase, or actual purchase of shares of stock of the Company, including, without limitation, any claims for fraud, misrepresentation, breach of fiduciary duty, breach of duty under applicable state corporate law, and securities fraud under any state or federal law;

c. any and all claims under the law of any jurisdiction, including, but not limited to, wrongful discharge of employment; constructive discharge from employment; termination in violation of public policy; discrimination; harassment; retaliation; breach of contract, both express and implied; breach of covenant of good faith and fair dealing, both express and implied; promissory estoppel; negligent or intentional infliction of emotional distress; fraud; negligent or intentional misrepresentation; negligent or intentional interference with contract or prospective economic advantage; unfair business practices; defamation; libel; slander; negligence; personal injury; assault; battery; invasion of privacy; false imprisonment; conversion; and disability benefits;

d. any and all claims for violation of any federal, state, or municipal statute, including, but not limited to, Title VII of the Civil Rights Act of 1964; the Civil Rights Act of 1991; the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990; the Equal Pay Act; the Fair Labor Standards Act, except as prohibited by law; the Fair Credit Reporting Act; the Age Discrimination in Employment Act of 1967; the Older Workers Benefit Protection Act; the Employee Retirement Income Security Act of 1974; the Worker Adjustment and Retraining Notification Act; the Family and Medical Leave Act, except as prohibited by law; the Uniformed Services Employment and Reemployment Rights Act; Virginians with Disabilities Act; the Virginia Human Rights Act; the Virginia Equal Pay Act; the Virginia Minimum Wage Act; and the Virginia Wage Payment and Collection Act;

e. any and all claims for violation of the federal or any state constitution;

f. any and all claims arising out of any other laws and regulations relating to employment or employment discrimination;

g. any claim for any loss, cost, damage, or expense arising out of any dispute over the nonwithholding or other tax treatment of any of the proceeds received by Employee as a result of this Agreement; and

h. any and all claims for attorneys' fees and costs.

Employee agrees that the release set forth in this section shall be and remain in effect in all respects as a complete general release as to the matters released. This release does not extend to any obligations incurred under this Agreement. This release does not release claims that cannot be released as a matter of law, including any Protected Activity (as defined below). Any and all disputed wage claims that are released herein shall be subject to binding arbitration in accordance with Section 18, except as required by applicable law. This release does not extend to any right Employee may have to unemployment compensation benefits or workers' compensation benefits.

6. Acknowledgment of Waiver of Claims under ADEA. Employee understands and acknowledges that Employee is waiving and releasing any rights Employee may have under the Age Discrimination in Employment Act of 1967 ("ADEA"), and that this waiver and release is knowing and voluntary. Employee understands and agrees that this waiver and release does not apply to any rights or claims that may arise under the ADEA after the date Employee signs this Agreement. Employee understands and acknowledges that the consideration given for this waiver and release is in addition to anything of value to which Employee was already entitled. Employee further understands and acknowledges that Employee has been advised by this writing that: (a) Employee should consult with an attorney prior to executing this Agreement; (b) Employee has twenty-one (21) days within which to consider this Agreement; (c) Employee has seven (7) days following Employee's execution of this Agreement to revoke this Agreement; (d) this Agreement shall not be effective until after the revocation period has expired; and (e) nothing in this Agreement prevents or precludes Employee from challenging or seeking a determination in good faith of the validity of this waiver under the ADEA, nor does it impose any condition precedent, penalties, or costs for doing so, unless specifically authorized by federal law. In the event Employee signs this Agreement and returns it to the Company in less than the 21-day period identified above, Employee hereby acknowledges that Employee has freely and voluntarily chosen to waive the time period allotted for considering this Agreement. Employee acknowledges and understands that revocation must be accomplished by a written notification to the person executing this Agreement on the Company's behalf that is received prior to the Effective Date. The Parties agree that changes, whether material or immaterial, do not restart the running of the 21-day period.

7. Unknown Claims. Employee acknowledges that Employee has been advised to consult with legal counsel and that Employee is familiar with the principle that a general release does not extend to claims that the releaser does not know or suspect to exist in Employee's favor at the time of executing the release, which, if known by Employee, must have materially affected Employee's settlement with the Releasees. Employee, being aware of said principle, agrees to expressly waive any rights Employee may have to that effect, as well as under any other statute or common law principles of similar effect.

8. No Pending or Future Lawsuits. Employee represents that Employee has no lawsuits, claims, or actions pending in Employee's name, or on behalf of any other person or entity, against the Company or any of the other Releasees. Employee also represents that Employee does not intend to bring any claims on Employee's own behalf or on behalf of any other person or entity against the Company or any of the other Releasees.

9. Application for Employment. Employee understands and agrees that, as a condition of this Agreement, Employee shall not be entitled to any employment with the Company, and Employee hereby waives any right, or alleged right, of employment or re-employment with the Company. Employee further agrees not to apply for employment with the Company and not otherwise pursue an independent contractor or vendor relationship with the Company.

10. Confidentiality. Subject to Section 21 below governing Protected Activity, Employee agrees to maintain in complete confidence the existence of this Agreement, the contents and terms of this Agreement, and the consideration for this Agreement (hereinafter collectively referred to as "Separation Information"). Except as required by law, Employee may disclose Separation Information only to Employee's immediate family members, the Court in any proceedings to enforce the terms of this Agreement, Employee's counsel, and Employee's accountant and any professional tax advisor to the extent that they need to know the Separation Information in order to provide advice on tax treatment or to prepare tax returns, and must prevent disclosure of any Separation Information to all other third parties. Employee agrees that Employee will not publicize, directly or indirectly, any Separation Information.

11. Trade Secrets and Confidential Information/Company Property. Employee reaffirms and agrees to observe and abide by the terms of the Confidentiality Agreement, specifically including the provisions therein regarding nondisclosure of the Company's trade secrets and confidential and proprietary information, and all restrictive covenants. Employee also agrees that the above reaffirmation and agreement with the Confidentiality Agreement shall constitute a new and separately enforceable agreement to abide by the terms of the Confidentiality Agreement, entered and effective as of the Effective Date. Employee specifically acknowledges and agrees that any violation of the restrictive covenants in the Confidentiality Agreement shall constitute a material breach of this Agreement. Employee's signature below constitutes Employee's certification under penalty of perjury that Employee has returned all documents and other items provided to Employee by the Company, developed or obtained by Employee in connection with Employee's employment with the Company, or otherwise belonging to the Company, including, but not limited to, all passwords to any software or other programs or data that Employee used in performing services for the Company.

12. No Cooperation. Subject to Section 21 below governing Protected Activity, Employee agrees that Employee will not knowingly encourage, counsel, or assist any attorneys or their clients in the presentation or prosecution of any disputes, differences, grievances, claims, charges, or complaints by any third party against any of the Releasees, unless under a subpoena or other court order to do so or as related directly to the ADEA waiver in this Agreement. Employee agrees both to immediately notify the Company upon receipt of any such subpoena or court order, and to furnish, within three (3) business days of its receipt, a copy of such subpoena or other court order. If approached by anyone for counsel or assistance in the presentation or prosecution of any disputes, differences, grievances, claims, charges, or complaints against any of the Releasees, Employee shall state no more than that Employee cannot provide counsel or assistance.

13. Nondisparagement. Employee agrees to refrain from any disparagement, defamation, libel, or slander of any of the Releasees, and agrees to refrain from any tortious interference with the contracts and relationships of any of the Releasees. Employee shall direct any inquiries by potential future employers to the Company's human resources department, which shall use its best efforts to provide only the Employee's last position and dates of employment.

14. Breach. In addition to the rights provided in the "Attorneys' Fees" section below, Employee acknowledges and agrees that any material breach of this Agreement, unless such breach constitutes a legal action by Employee challenging or seeking a determination in good faith of the validity of the waiver herein under the ADEA, or of any provision of the Confidentiality Agreement shall entitle the Company immediately to recover and/or cease providing the consideration provided to Employee under this Agreement and to obtain damages, except as provided by law, provided, however, that the Company shall not recover One Hundred Dollars (\$100.00) of the consideration already paid pursuant to this Agreement, and such amount shall serve as full and complete consideration for the promises and obligations assumed by Employee under this Agreement and the Confidentiality Agreement.

15. No Admission of Liability. Employee understands and acknowledges that this Agreement constitutes a compromise and settlement of any and all actual or potential disputed claims by Employee. No action taken by the Company hereto, either previously or in connection with this Agreement, shall be deemed or construed to be (a) an admission of the truth or falsity of any actual or potential claims or (b) an acknowledgment or admission by the Company of any fault or liability whatsoever to Employee or to any third party.

16. Nonsolicitation. Employee agrees that for a period of twelve (12) months immediately following the Effective Date of this Agreement, Employee shall not directly or indirectly solicit any of the Company's employees to leave their employment at the Company.

17. Costs. The Parties shall each bear their own costs, attorneys' fees, and other fees incurred in connection with the preparation of this Agreement.

18. ARBITRATION. THE PARTIES AGREE THAT ANY AND ALL DISPUTES ARISING OUT OF THE TERMS OF THIS AGREEMENT, THEIR INTERPRETATION, EMPLOYEE'S EMPLOYMENT WITH THE COMPANY OR THE TERMS THEREOF, AND ANY OF THE MATTERS HEREIN RELEASED, SHALL BE SUBJECT TO BINDING ARBITRATION UNDER THE FEDERAL ARBITRATION ACT (THE "FAA"). THE FAA'S SUBSTANTIVE AND PROCEDURAL RULES SHALL GOVERN AND APPLY TO THIS ARBITRATION AGREEMENT WITH FULL FORCE AND EFFECT, AND ANY STATE COURT OF COMPETENT JURISDICTION MAY STAY PROCEEDINGS PENDING ARBITRATION OR COMPEL ARBITRATION IN THE SAME MANNER AS A FEDERAL COURT UNDER THE FAA. EMPLOYEE AGREES THAT, TO THE FULLEST EXTENT PERMITTED BY LAW, EMPLOYEE MAY BRING ANY SUCH ARBITRATION PROCEEDING ONLY IN EMPLOYEE'S INDIVIDUAL CAPACITY. ANY ARBITRATION WILL OCCUR IN FAIRFAX COUNTY, VIRGINIA, BEFORE JAMS, PURSUANT TO ITS EMPLOYMENT ARBITRATION RULES & PROCEDURES ("JAMS RULES"), EXCEPT AS EXPRESSLY PROVIDED IN THIS SECTION 18. THE PARTIES AGREE THAT THE ARBITRATOR SHALL HAVE THE POWER TO DECIDE ANY MOTIONS BROUGHT BY ANY PARTY TO THE ARBITRATION, INCLUDING MOTIONS FOR SUMMARY JUDGMENT AND/OR ADJUDICATION, AND MOTIONS TO DISMISS AND DEMURRERS, APPLYING THE STANDARDS SET FORTH UNDER THE RULES OF SUPREME COURT OF VIRGINIA APPLICABLE TO CIVIL ACTIONS. THE PARTIES AGREE THAT THE ARBITRATOR SHALL ISSUE A WRITTEN DECISION ON THE MERITS. THE PARTIES ALSO AGREE THAT THE ARBITRATOR SHALL HAVE THE POWER TO AWARD ANY REMEDIES AVAILABLE UNDER APPLICABLE LAW, AND THAT THE ARBITRATOR MAY AWARD ATTORNEYS' FEES AND COSTS TO THE PREVAILING PARTY, WHERE PERMITTED BY APPLICABLE LAW. THE ARBITRATOR MAY GRANT INJUNCTIONS AND OTHER RELIEF IN SUCH DISPUTES. THE ARBITRATOR SHALL APPLY SUBSTANTIVE AND PROCEDURAL VIRGINIA LAW TO ANY DISPUTE OR CLAIM, WITHOUT REFERENCE TO ANY CONFLICT-OF-LAW PROVISIONS OF ANY JURISDICTION. THE DECISION OF THE ARBITRATOR SHALL BE

FINAL, CONCLUSIVE, AND BINDING ON THE PARTIES TO THE ARBITRATION. THE PARTIES AGREE THAT THE PREVAILING PARTY IN ANY ARBITRATION SHALL BE ENTITLED TO INJUNCTIVE RELIEF IN ANY COURT OF COMPETENT JURISDICTION TO ENFORCE THE ARBITRATION AWARD. THE PARTIES TO THE ARBITRATION SHALL EACH PAY AN EQUAL SHARE OF THE COSTS AND EXPENSES OF SUCH ARBITRATION, AND EACH PARTY SHALL SEPARATELY PAY FOR ITS RESPECTIVE COUNSEL FEES AND EXPENSES; PROVIDED, HOWEVER, THAT THE ARBITRATOR SHALL AWARD ATTORNEYS' FEES AND COSTS TO THE PREVAILING PARTY, EXCEPT AS PROHIBITED BY LAW. THE PARTIES HEREBY AGREE TO WAIVE THEIR RIGHT TO HAVE ANY DISPUTE BETWEEN THEM RESOLVED IN A COURT OF LAW BY A JUDGE OR JURY. NOTWITHSTANDING THE FOREGOING, THIS SECTION WILL NOT PREVENT EITHER PARTY FROM SEEKING INJUNCTIVE RELIEF (OR ANY OTHER PROVISIONAL REMEDY) FROM ANY COURT HAVING JURISDICTION OVER THE PARTIES AND THE SUBJECT MATTER OF THEIR DISPUTE RELATING TO THIS AGREEMENT AND THE AGREEMENTS INCORPORATED HEREIN BY REFERENCE. SHOULD ANY PART OF THE ARBITRATION AGREEMENT CONTAINED IN THIS PARAGRAPH CONFLICT WITH ANY OTHER ARBITRATION AGREEMENT BETWEEN THE PARTIES, THE PARTIES AGREE THAT THIS ARBITRATION AGREEMENT SHALL GOVERN.

19. Tax Consequences. The Company makes no representations or warranties with respect to the tax consequences of the payments and any other consideration provided to Employee or made on Employee's behalf under the terms of this Agreement. Employee agrees and understands that Employee is responsible for payment, if any, of local, state, and/or federal taxes on the payments and any other consideration provided hereunder by the Company and any penalties or assessments thereon. Employee further agrees to indemnify and hold the Releasees harmless from any claims, demands, deficiencies, penalties, interest, assessments, executions, judgments, or recoveries by any government agency against the Company for any amounts claimed due on account of (a) Employee's failure to pay or delayed payment of, federal or state taxes, or (b) damages sustained by the Company by reason of any such claims, including attorneys' fees and costs.

20. Authority. The Company represents and warrants that the undersigned has the authority to act on behalf of the Company and to bind the Company and all who may claim through it to the terms and conditions of this Agreement. Employee represents and warrants that Employee has the capacity to act on Employee's own behalf and on behalf of all who might claim through Employee to bind them to the terms and conditions of this Agreement. Each Party warrants and represents that there are no liens or claims of lien or assignments in law or equity or otherwise of or against any of the claims or causes of action released herein.

21. Protected Activity Not Prohibited. Employee understands that nothing in this Agreement shall in any way limit or prohibit Employee from engaging in any Protected Activity. For purposes of this Agreement, "Protected Activity" shall mean filing a charge, complaint, or report with, or otherwise communicating, cooperating, or participating in any investigation or proceeding that may be conducted by, any federal, state or local government agency or commission, including the Securities and Exchange Commission, the Equal Employment Opportunity Commission, the Occupational Safety and Health Administration, and the National Labor Relations Board ("Government Agencies"). Employee understands that in connection with such Protected Activity, Employee is permitted to disclose documents or other information as permitted by law, and without giving notice to, or receiving authorization from, the Company. Notwithstanding the foregoing, Employee agrees to take all reasonable precautions to prevent any unauthorized use or disclosure of any information that may constitute Company confidential information under the Confidentiality Agreement to any parties other than the Government Agencies. Employee further understands that "Protected Activity" does not include the disclosure of any Company attorney-client privileged communications or attorney work product. Any language in the Confidentiality Agreement regarding Employee's right to engage in Protected Activity that conflicts with, or is contrary to, this paragraph is superseded by this Agreement. In addition, pursuant to the Defend Trade Secrets Act of 2016,

Employee is notified that an individual will not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that (a) is made in confidence to a federal, state, or local government official (directly or indirectly) or to an attorney *solely* for the purpose of reporting or investigating a suspected violation of law, or (b) is made in a complaint or other document filed in a lawsuit or other proceeding, if (and only if) such filing is made under seal. In addition, an individual who files a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose the trade secret to the individual's attorney and use the trade secret information in the court proceeding, if the individual files any document containing the trade secret under seal and does not disclose the trade secret, except pursuant to court order. Finally, nothing in this Agreement constitutes a waiver of any rights Employee may have under the Sarbanes-Oxley Act or Section 7 of the National Labor Relations Act.

22. No Representations. Employee represents that Employee has had an opportunity to consult with an attorney, and has carefully read and understands the scope and effect of the provisions of this Agreement. Employee has not relied upon any representations or statements made by the Company that are not specifically set forth in this Agreement.

23. Section 409A. It is intended that this Agreement comply with, or be exempt from, Code Section 409A and the final regulations and official guidance thereunder ("Section 409A") and any ambiguities herein will be interpreted to so comply and/or be exempt from Section 409A. Each payment and benefit to be paid or provided under this Agreement is intended to constitute a series of separate payments for purposes of Section 1.409A-2(b)(2) of the Treasury Regulations. Payments under Section 1 of this Agreement will be made no later than March 15, [•]. The Company and Employee will work together in good faith to consider either (i) amendments to this Agreement; or (ii) revisions to this Agreement with respect to the payment of any awards, which are necessary or appropriate to avoid imposition of any additional tax or income recognition prior to the actual payment to Employee under Section 409A. In no event will the Releasees reimburse Employee for any taxes that may be imposed on Employee as a result of Section 409A.

24. Severability. In the event that any provision or any portion of any provision hereof or any surviving agreement made a part hereof becomes or is declared by a court of competent jurisdiction or arbitrator to be illegal, unenforceable, or void, this Agreement shall continue in full force and effect without said provision or portion of provision.

25. Attorneys' Fees. Except with regard to a legal action challenging or seeking a determination in good faith of the validity of the waiver herein under the ADEA, in the event that either Party brings an action to enforce or effect its rights under this Agreement, the prevailing Party shall be entitled to recover its costs and expenses, including the costs of mediation, arbitration, litigation, court fees, and reasonable attorneys' fees incurred in connection with such an action.

26. Entire Agreement. This Agreement represents the entire agreement and understanding between the Company and Employee concerning the subject matter of this Agreement and Employee's employment with and separation from the Company and the events leading thereto and associated therewith, and supersedes and replaces any and all prior agreements and understandings concerning the subject matter of this Agreement and Employee's relationship with the Company, with the exception of the Confidentiality Agreement and the Stock Agreements.

27. No Oral Modification. This Agreement may only be amended in a writing signed by Employee and the Company's Chief Executive Officer.

28. Governing Law. This Agreement shall be governed by the laws of the Commonwealth of Virginia, without regard for choice-of-law provisions. Employee consents to personal and exclusive jurisdiction and venue in the Commonwealth of Virginia.

29. Effective Date. Employee understands that this Agreement shall be null and void if not executed by Employee within the twenty-one (21) day period set forth under Section 6 above. Each Party has seven (7) days after that Party signs this Agreement to revoke it. This Agreement will become effective on the eighth (8th) day after Employee signed this Agreement, so long as it has been signed by the Parties and has not been revoked by either Party before that date (the "Effective Date").

30. Counterparts. This Agreement may be executed in counterparts and by facsimile, and each counterpart and facsimile shall have the same force and effect as an original and shall constitute an effective, binding agreement on the part of each of the undersigned.

31. Voluntary Execution of Agreement. Employee understands and agrees that Employee executed this Agreement voluntarily, without any duress or undue influence on the part or behalf of the Company or any third party, with the full intent of releasing all of Employee's claims against the Company and any of the other Releasees. Employee acknowledges that:

- (a) Employee has read this Agreement;
- (b) Employee has been represented in the preparation, negotiation, and execution of this Agreement by legal counsel of Employee's own choice or has elected not to retain legal counsel;
- (c) Employee understands the terms and consequences of this Agreement and of the releases it contains; and
- (d) Employee is fully aware of the legal and binding effect of this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement on the respective dates set forth below.

EXHIBIT B

(CONFIDENTIALITY AGREEMENT)

SPACEFLIGHT INDUSTRIES, INC.
AT-WILL EMPLOYMENT, CONFIDENTIAL INFORMATION,
INVENTION ASSIGNMENT AND ARBITRATION AGREEMENT

As a condition of my employment with Spaceflight Industries, Inc. (the “**Company**”), and in consideration of my employment with the Company and my receipt of the compensation now and hereafter paid to me by the Company, I agree to the following provisions of this At-Will Employment, Confidential Information, Invention Assignment, and Arbitration Agreement (this “**Agreement**”):

1. AT-WILL EMPLOYMENT

I UNDERSTAND AND ACKNOWLEDGE THAT MY EMPLOYMENT WITH THE COMPANY IS FOR NO SPECIFIED TERM AND CONSTITUTES “AT-WILL” EMPLOYMENT. I ALSO UNDERSTAND THAT ANY REPRESENTATION TO THE CONTRARY IS UNAUTHORIZED AND NOT VALID UNLESS IN WRITING AND SIGNED BY THE PRESIDENT OR CEO OF THE COMPANY. ACCORDINGLY, I ACKNOWLEDGE THAT MY EMPLOYMENT RELATIONSHIP MAY BE TERMINATED AT ANY TIME, WITH OR WITHOUT GOOD CAUSE OR FOR ANY OR NO CAUSE, AT MY OPTION OR AT THE OPTION OF THE COMPANY, WITH OR WITHOUT NOTICE. I FURTHER ACKNOWLEDGE THAT THE COMPANY MAY MODIFY JOB TITLES, SALARIES, AND BENEFITS FROM TIME TO TIME AS IT DEEMS NECESSARY.

2. CONFIDENTIALITY

A. Definition of Company Confidential Information. I understand that “**Company Confidential Information**” means information (including any and all combinations of individual items of information) that the Company has or will develop, acquire, create, compile, discover or own, that has value in or to the Company’s business which is not generally known and which the Company wishes to maintain as confidential. Company Confidential Information includes both information disclosed by the Company to me, and information developed or learned by me during the course of my employment with the Company. Company Confidential Information also includes all information of which the unauthorized disclosure could be detrimental to the interests of the Company, whether or not such information is identified as Company Confidential Information. By example, and without limitation, Company Confidential Information includes any and all non-public information that relates to the actual or anticipated business and/or products, research or development of the Company, or to the Company’s technical data, trade secrets, or know-how, including, but not limited to, research, product plans, or other information regarding the Company’s products or services and markets therefor, customer lists and customers (including, but not limited to, customers of the Company on which I called or with which I may become acquainted during the term of my employment), software, developments, inventions, discoveries, ideas, processes, formulas, technology, designs, drawings, engineering, hardware configuration information, marketing, finances, and other business information disclosed by the Company either directly or indirectly in writing, orally or by drawings or inspection of premises, parts, equipment, or other Company property. Notwithstanding the foregoing, Company Confidential Information shall not include any such information which I can establish (i) was publicly known or made generally available prior to the time of disclosure by the Company to me; (ii) becomes publicly known or made generally available after disclosure by the Company to me through no wrongful action or omission by me; or (iii) is in my rightful possession, without confidentiality obligations, at the time of disclosure by the Company as shown by my then-contemporaneous written records; provided that any combination of individual items of information shall not be deemed to be within any of the foregoing exceptions merely because one or more of the individual items are within such exception, unless the combination as a whole is within such exception. I understand that nothing in this Agreement limits employees’ rights to discuss the terms, wages, and working conditions of their employment, as protected by applicable law.

B. Nonuse and Nondisclosure. I agree that during and after my employment with the Company, I will hold in the strictest confidence, and take all reasonable precautions to prevent any unauthorized use or disclosure of Company Confidential Information. I will not (i) use Company Confidential Information for any purpose whatsoever other than for the benefit of the Company in the course of my employment, or (ii) disclose Company Confidential Information to any third party without the prior written authorization of the President, CEO, or the Board of Directors of the Company. Prior to disclosure when compelled by applicable law; I shall provide prior written notice to the President, CEO, and General Counsel of the Company (as applicable). I agree that I obtain no title to any Company Confidential Information, and that the Company retains all Confidential Information as the sole property of the Company. I understand that my unauthorized use or disclosure of Company Confidential Information during my employment may

lead to disciplinary action, up to and including immediate termination and legal action by the Company. I understand that my obligations under this **Section 2.B** shall continue after termination of my employment and also that nothing in this Agreement prevents me from engaging in protected activity, as described in Section 14 below.

C. Former Employer Confidential Information. I agree that during my employment with the Company, I will not improperly use, disclose, or induce the Company to use any proprietary information or trade secrets of any former employer or other person or entity with which I have an obligation to keep such proprietary information or trade secrets in confidence. I further agree that I will not bring onto the Company's premises or transfer onto the Company's technology systems any unpublished document, proprietary information, or trade secrets belonging to any such third party unless disclosure to, and use by, the Company has been consented to in writing by such third party and the Company.

D. Third Party Information. I recognize that the Company has received, and in the future may receive, from third parties (for example, customers, suppliers, licensors, licensees, partners, and collaborators) as well as its subsidiaries and affiliates ("**Associated Third Parties**"), information which the Company is required to maintain and treat as confidential or proprietary information of such Associated Third Parties ("**Associated Third Party Confidential Information**"), and I agree to use such Associated Third Party Confidential Information only as directed by the Company and to not use or disclose such Associated Third Party Confidential Information in a manner that would violate the Company's obligations to such Associated Third Parties. By way of example, Associated Third Party Confidential Information may include the habits or practices of Associated Third Parties, the technology of Associated Third Parties, requirements of Associated Third Parties, and information related to the business conducted between the Company and such Associated Third Parties. I agree at all times during my employment with the Company and thereafter, that I owe the Company and its Associated Third Parties a duty to hold all such Associated Third Party Confidential Information in the strictest confidence, and not to use it or to disclose it to any person, firm, corporation, or other third party except as necessary in carrying out my work for the Company consistent with the Company's agreement with such Associated Third Parties. I further agree to comply with any and all Company policies and guidelines that may be adopted from time to time regarding Associated Third Parties and Associated Third Party Confidential Information. I understand that my unauthorized use or disclosure of Associated Third Party Confidential Information or violation of any Company policies during my employment may lead to disciplinary action, up to and including immediate termination and legal action by the Company.

3. OWNERSHIP

A. Assignment of Inventions. As between the Company and myself, I agree that all right, title, and interest in and to any and all copyrightable material, notes, records, ideas, drawings, designs, logos, inventions, improvements, developments, discoveries and trade secrets conceived, discovered, authored, invented, developed or reduced to practice by me, solely or in collaboration with others, during the period of time I am in the employ of the Company (including during my off-duty hours), or with the use of the Company's equipment, supplies, facilities, or Company Confidential Information, and any copyrights, patents, trade secrets, mask work rights or other intellectual property rights relating to the foregoing, except as provided in **Section 3.G** below (collectively, "**Inventions**"), are the sole property of the Company. I also agree to promptly make full written disclosure to the Company of any Inventions, and to deliver and assign and hereby irrevocably assign fully to the Company all of my right, title and interest in and to Inventions. I agree that this assignment includes a present conveyance to the Company of ownership of Inventions that are not yet in existence. I further acknowledge that all original works of authorship that are made by me (solely or jointly with others) within the scope of and during the period of my employment with the Company and that are protectable by copyright are "works made for hire," as that term is defined in the United States Copyright Act. I understand and agree that the decision whether or not to commercialize or market any Inventions is within the Company's sole discretion and for the Company's sole benefit, and that no royalty or other consideration will be due to me as a result of the Company's efforts to commercialize or market any such Inventions. I understand that any and all Inventions that I may work on with personnel of the Company's subsidiaries or other affiliates constitute joint research between the Company and its subsidiaries or other affiliates, as applicable, for the purposes of 35 U.S.C. section 103(c)(2).

B. *Pre-Existing Materials*. I will inform the Company in writing before incorporating any inventions, discoveries, ideas, original works of authorship, developments, improvements, trade secrets and other proprietary information or intellectual property rights owned by me or in which I have an interest prior to, or separate from, my employment with the Company, including without limitation, any such inventions that meet the criteria set forth herein under **Section 3.G (“Prior Inventions”)** into any Invention or otherwise utilizing any such Prior Invention in the course of my employment with the Company, and the Company is hereby granted a nonexclusive, royalty-free, perpetual, irrevocable, transferable worldwide license (with the right to grant and authorize sublicenses) to make, have made, use, import, offer for sale, sell, reproduce, distribute, modify, adapt, prepare derivative works of, display, perform, and otherwise exploit such incorporated or utilized Prior Inventions, without restriction, including, without limitation, as part of or in connection with such Invention, and to practice any method related thereto. I will not incorporate any inventions, discoveries, ideas, original works of authorship, developments, improvements, trade secrets and other proprietary information or intellectual property rights owned by any third party into any Invention without the Company’s prior written permission. I have attached hereto as Exhibit A, a list describing all Prior Inventions that relate to the Company’s current or anticipated business, products, or research and development or, if no such list is attached, I represent and warrant that there are no such Prior Inventions. Furthermore, I represent and warrant that if any Prior Inventions are included on Exhibit A, they will not materially affect my ability to perform all obligations under this Agreement.

C. *Moral Rights*. Any assignment to the Company of Inventions includes all rights of attribution, paternity, integrity, modification, disclosure and withdrawal, and any other rights throughout the world that may be known as or referred to as “moral rights,” “artist’s rights,” “droit moral,” or the like (collectively, “**Moral Rights**”). To the extent that Moral Rights cannot be assigned under applicable law, I hereby waive and agree not to enforce any and all Moral Rights, including, without limitation, any limitation on subsequent modification, to the extent permitted under applicable law.

D. *Maintenance of Records*. I agree to keep and maintain adequate, current, accurate, and authentic written records of all Inventions made by me (solely or jointly with others) during the term of my employment with the Company. The records will be in the form of notes, sketches, drawings, electronic files, reports, or any other format that may be specified by the Company. As between the Company and myself, the records are and will be available to and remain the sole property of the Company at all times.

E. *Further Assurances*. I agree to assist the Company, or its designee, at the Company’s expense, in every proper way to secure the Company’s rights in the Inventions in any and all countries, including the disclosure to the Company of all pertinent information and data with respect thereto, the execution of all applications, specifications, oaths, assignments, and all other instruments that the Company shall deem proper or necessary in order to apply for, register, obtain, maintain, defend, and enforce such rights, and in order to deliver, assign and convey to the Company, its successors, assigns, and nominees the sole and exclusive rights, title, and interest in and to all Inventions, and testifying in a suit or other proceeding relating to such Inventions. I further agree that my obligations under this **Section 3.E** shall continue after the termination of this Agreement.

F. *Attorney-in-Fact*. I agree that, if the Company is unable because of my unavailability, mental or physical incapacity, or for any other reason to secure my signature with respect to any Inventions, including, without limitation, for the purpose of applying for or pursuing any application for any United States or foreign patents or mask work or copyright registrations covering the Inventions assigned to the Company in **Section 1.A**, then I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents as my agent and attorney-in-fact, to act for and on my behalf to execute and file any papers and oaths, and to do all other lawfully permitted acts with respect to such Inventions to further the prosecution and issuance of patents, copyright and mask work registrations with the same legal force and effect as if executed by me. This power of attorney shall be deemed coupled with an interest, and shall be irrevocable.

G. *Exception to Assignments*. I UNDERSTAND THAT THE PROVISIONS OF THIS AGREEMENT REQUIRING ASSIGNMENT OF INVENTIONS (AS DEFINED UNDER **SECTION 3.A** ABOVE) TO THE COMPANY DO NOT APPLY TO ANY INVENTION THAT I DEVELOP ENTIRELY ON MY OWN TIME WITHOUT USING THE COMPANY’S EQUIPMENT, SUPPLIES, FACILITIES, OR TRADE SECRET INFORMATION, EXCEPT FOR THOSE INVENTIONS MEETING THE FOREGOING CRITERIA THAT EITHER (I) RELATE AT THE TIME OF CONCEPTION OR REDUCTION TO PRACTICE OF SUCH INVENTION TO THE COMPANY’S BUSINESS, OR ACTUAL OR DEMONSTRABLY ANTICIPATED RESEARCH OR

DEVELOPMENT OF THE COMPANY OR (II) RESULT FROM ANY WORK THAT I PERFORM FOR THE COMPANY. I WILL ADVISE THE COMPANY PROMPTLY IN WRITING OF ANY INVENTIONS THAT I BELIEVE CONSTITUTES AN INVENTION COVERED BY THE EXCEPTION TO ASSIGNMENT DESCRIBED IN THIS **SECTION 3.G** AND IS NOT OTHERWISE DISCLOSED ON EXHIBIT A TO PERMIT A DETERMINATION OF OWNERSHIP BY THE COMPANY. ANY SUCH DISCLOSURE WILL BE RECEIVED IN CONFIDENCE.

4. CONFLICTING OBLIGATIONS

A. Current Obligations. I agree that during the term of my employment with the Company, I will not engage in or undertake any other employment, occupation, consulting relationship, or commitment that is directly related to the business in which the Company is now involved or becomes involved or has plans to become involved, nor will I engage in any other activities that conflict with my obligations to the Company.

B. Prior Relationships. Without limiting **Section 4.A**, I represent and warrant that I have no other agreements, relationships, or commitments to any other person or entity that conflict with the provisions of this Agreement, my obligations to the Company under this Agreement, or my ability to become employed and perform the services for which I am being hired by the Company. I further agree that if I have signed a confidentiality agreement or similar type of agreement with any former employer or other entity, I will comply with the terms of any such agreement to the extent that its terms are lawful under applicable law. I represent and warrant that after undertaking a careful search (including searches of my computers, cell phones, electronic devices, and documents), I have returned all property and confidential information belonging to all prior employers (and/or other third parties I have performed services for in accordance with the terms of my applicable agreement). Moreover, I agree to fully indemnify the Company, its directors, officers, agents, employees, investors, shareholders, administrators, affiliates, divisions, subsidiaries, predecessor and successor corporations, and assigns for all verdicts, judgments, settlements, and other losses incurred by any of them resulting from my breach of my obligations under any agreement with a third party to which I am a party or obligation to which I am bound, as well as any reasonable attorneys' fees and costs if the plaintiff is the prevailing party in such an action, except as prohibited by law.

5. RETURN OF COMPANY MATERIALS

A. Definition of Electronic Media Equipment and Electronic Media Systems. I understand that "**Electronic Media Equipment**" includes, but is not limited to, computers, external storage devices, thumb drives, mobile devices (including, but not limited to smart phones, tablets, and e-readers), telephone equipment, and other electronic media devices. I understand that "**Electronic Media Systems**" includes, but is not limited to, computer servers, messaging and email systems or accounts, applications for computers or mobile devices, and web-based services (including cloud-based information storage accounts).

B. Return of Company Property. I understand that anything that I created or worked on for the Company while working for the Company belongs solely to the Company and that I cannot remove, retain, or use such information without the Company's express written permission. Accordingly, upon separation from employment with the Company or upon the Company's request at any other time, I will immediately deliver to the Company, and will not keep in my possession, recreate, or deliver to anyone else, any and all Company property, including, but not limited to, Company Confidential Information, Associated Third Party Confidential Information, all Company equipment including all Company Electronic Media Equipment, all tangible embodiments of the Inventions, all electronically stored information and passwords to access such information, Company credit cards, records, data, notes, notebooks, reports, files, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, materials, photographs, charts, any other documents and property, and reproductions of any of the foregoing items, including, without limitation, those records maintained pursuant to **Section 3.D**. Notwithstanding the foregoing, I understand that I am allowed to keep a copy of the Company's employee handbook and personnel records relating to my employment.

C. Return of Company Information on Company Electronic Media Equipment. In connection with my obligation to return information to the Company, I agree that I will not copy, delete, or alter any information, including personal information voluntarily created or stored, contained in Company Electronic Media Equipment before I return the information to the Company.

D. Return of Company Information on Personal Electronic Media Equipment. In addition, if I have used any personal Electronic Media Equipment or personal Electronic Media Systems to create, receive, store, review, prepare or transmit any Company information, including but not limited to, Company Confidential Information, I agree to make a prompt and reasonable search for such information in good faith, including reviewing any personal Electronic Media Equipment or personal Electronic Media Systems to locate such information and if I locate such information I agree to notify the Company of that fact and then provide the Company with a computer-useable copy of all such Company information from those equipment and systems. I agree to cooperate reasonably with the Company to verify that the necessary copying is completed (including upon request providing a sworn declaration confirming the return of property and deletion of information), and, upon confirmation of compliance by the Company, I agree to delete and expunge all Company information.

E. No Expectation of Privacy in Company Property. I understand that I have no expectation of privacy in Company property, and I agree that any Company property is subject to inspection by Company personnel at any time with or without further notice. As to any personal Electronic Media Equipment or personal Electronic Media Systems that I have used for Company purposes, I agree that the Company, at its sole discretion, may have reasonable access, as determined by the Company in good faith, to such personal Electronic Media Equipment or personal Electronic Media Systems to review, retrieve, destroy, or ensure the permanent deletion of Company information from such equipment or systems or to take such other actions necessary to protect the Company or Company property, as determined by the Company reasonably and in good faith. I also consent to an exit interview and an audit to confirm my compliance with this **Section 5**, and I will certify in writing that I have complied with the requirements of this **Section 5**.

6. TERMINATION CERTIFICATION

Upon separation from employment with the Company, I agree to immediately sign and deliver to the Company the "Termination Certification" attached hereto as Exhibit B.

7. NOTIFICATION OF NEW EMPLOYER

In the event that I leave the employ of the Company, I hereby grant consent to notification by the Company to my new employer about my obligations under this Agreement. I also agree to keep the Company advised of my home and business address for a period of three (3) years after termination of my employment with the Company, so that the Company can contact me regarding my continuing obligations provided by this Agreement.

8. COVENANT NOT TO COMPETE AND NO SOLICITATION

A. Covenant Not to Compete. I agree that during the course of my employment and for a period of twelve (12) months immediately following the termination of my relationship with the Company for any reason, whether with or without cause, at the option either of the Company or myself, with or without notice, I will not, in the same or similar role or scope as during my employment with the Company or in a role in which I directly or indirectly contribute my knowledge related to the Covered Business, without the prior written consent of the Company, whether paid or not: (i) serve as a partner, principal, licensor, licensee, employee, consultant, officer, director, manager, agent, affiliate, representative, advisor, promoter, associate, investor, or otherwise for (except for passive ownership of one percent (1%) or less of any entity whose securities have been registered under the Securities Act of 1933, as amended, or Section 12 of the Securities Exchange Act of 1934, as amended); (ii) directly or indirectly, own, purchase, organize or take preparatory steps for the organization of; or (iii) build, design, finance, acquire, lease, operate, manage, control, invest in, work or consult for or otherwise join, participate in or affiliate myself with, any business whose business, products or operations are in any respect involved in the Covered Business. For purposes of this Agreement, "Covered Business" shall mean any business in which the Company or the Company's subsidiary, BlackSky Global, LLC ("**BlackSky**"), is engaged or in which the Company or BlackSky has plans to be engaged, or any service that the Company or BlackSky provides or has plans to provide. The foregoing covenant shall cover my activities in every part of the Territory. For purposes of this Agreement, "Territory" shall mean: (i) all counties in the Commonwealth of Virginia; (ii) all other states, commonwealths, or districts of the United States of America in which the Company or BlackSky provided goods or services, had customers, or otherwise conducted business at any time during the two-year period prior to the date of the termination of my relationship with the Company; and (iii) any other countries from which the Company or BlackSky

maintains non-trivial operations or facilities, provided goods or services, had customers, or otherwise conducted business at any time during the two-year period prior to the date of the termination of my relationship with the Company. Should I obtain other employment during my employment with the Company or within twelve (12) months immediately following the termination of my relationship with the Company, I agree to provide written notification to the Company as to the name and address of my new employer, the position that I expect to hold, and a general description of my duties and responsibilities, at least three (3) business days prior to starting such employment.

B. No Solicitation.

(1) *Non-Solicitation of Customers.* I agree that for a period of twelve (12) months immediately following the termination of my relationship with the Company for any reason, whether with or without cause, at the option either of the Company or myself, with or without notice, I will not contact, or cause to be contacted, directly or indirectly, or engage in any form of oral, verbal, written, recorded, transcribed, or electronic communication with any Customer for the purposes of conducting business that is competitive or similar to that of the Company or for the purpose of disadvantaging the Company's or BlackSky's business in any way. For purposes of this Agreement, "Customer" shall mean all persons or entities that have used or inquired of the Company's or BlackSky's services at any time during the two-year period preceding the termination of my employment with the Company. I acknowledge and agree that the Customers did not use or inquire of the Company's or BlackSky's services, as applicable, solely as a result of my efforts, and that the efforts of other Company or BlackSky personnel and resources are responsible for the Company's or BlackSky's relationship with the Customers. I further acknowledge and agree that the identity of the Customers is not readily ascertainable or discoverable through public sources, and that the any of the Company's or BlackSky's lists of Customers was cultivated with great effort and secured through the expenditure of considerable time and money by the Company and/or BlackSky, as applicable.

(2) *Non-Solicitation of Employees.* I agree that for a period of twelve (12) months immediately following the termination of my relationship with the Company for any reason, whether with or without cause, at the option either of the Company or myself, with or without notice, I will not directly or indirectly solicit, or attempt to solicit, any employee of the Company or BlackSky to leave their employment with the Company or BlackSky, as applicable, nor will I contact any employee of the Company or BlackSky, or cause an employee of the Company or BlackSky to be contacted, for the purpose of leaving employment with the Company or BlackSky, as applicable.

(3) *Non-Solicitation of Others.* I agree that for a period of twelve (12) months immediately following the termination of my relationship with the Company for any reason, whether with or without cause, at the option either of the Company or myself, with or without notice, I will not solicit, encourage, or induce, or cause to be solicited, encouraged or induced, directly or indirectly, any franchisee, joint venture, supplier, vendor or contractor who conducted business with the Company or BlackSky at any time during the two-year period preceding the termination of my employment with the Company, to terminate or adversely modify any business relationship with the Company or BlackSky, as applicable, or not to proceed with, or enter into, any business relationship with the Company or BlackSky, nor shall I otherwise interfere with any business relationship between the Company or BlackSky and any such franchisee, joint venture, supplier, vendor or contractor.

C. Acknowledgements. I acknowledge that I will derive significant value from the Company's and BlackSky's agreement to provide me with Company Confidential Information and BlackSky's Associated Third Party Confidential Information to enable me to optimize the performance of my duties to the Company, which such duties include provision of services to BlackSky. I further acknowledge that my fulfillment of the obligations contained in this Agreement, including, but not limited to, my obligation neither to disclose nor to use Company Confidential Information other than for the Company's exclusive benefit and my obligations not to compete and not to solicit contained in subsections (A) and (B) above, is necessary to protect Company Confidential Information and BlackSky's Associated Third Party Confidential Information and, consequently, to preserve the value and goodwill of the Company and BlackSky. I also acknowledge the time, geographic and scope limitations of my obligations under subsections (A) and (B) above are fair and reasonable in all respects, especially in light of the Company's and BlackSky's need to protect Company Confidential Information and BlackSky's Associated Third Party Confidential Information and the scope and nature of the Company's and BlackSky's businesses, and that I will not be precluded from gainful employment if I am obligated not to compete with the Company and BlackSky or solicit its or their customers, employees, or others during

the period and within the Territory as described above. In the event of my breach or violation of this **Section 8**, or good faith allegation by the Company of my breach or violation of this **Section 8**, the restricted periods set forth in this **Section 8** shall be tolled until such breach or violation, or dispute related to an allegation by the Company that I have breached or violated this **Section 8**, has been duly cured or resolved, as applicable. I agree that nothing in this **Section 8** shall affect my continuing obligations under this Agreement during and after this twelve (12) month period, including, without limitation, my obligations under **Section 2**.

D. Separate Covenants. The covenants contained in subsections (A) and (B) above shall be construed as a series of separate covenants, one for each city, county and state of any geographic area in the Territory. Except for geographic coverage, each such separate covenant shall be deemed identical in terms to the covenant contained in subsections (A) and (B) above. If, in any judicial or arbitral proceeding, a court or arbitrator refuses to enforce any of such separate covenants (or any part thereof), then such unenforceable covenant (or such part) shall be revised, or if revision is not permitted it shall be eliminated from this Agreement, to the extent necessary to permit the remaining separate covenants (or portions thereof) to be enforced. In the event that the provisions of subsections (A) and (B) above are deemed to exceed the time, geographic or scope limitations permitted by applicable law, then such provisions shall be reformed to the maximum time, geographic or scope limitations, as the case may be, then permitted by such law. In the event that the applicable court or arbitrator does not exercise the power granted to it in the prior sentence, I and the Company agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term.

9. CONFLICT OF INTEREST GUIDELINES

I agree to diligently adhere to all policies of the Company, including the Company's insider trading policies and the Company's Conflict of Interest Guidelines. A copy of the Company's current Conflict of Interest Guidelines is attached as Exhibit C hereto, but I understand that these Conflict of Interest Guidelines may be revised from time to time during my employment.

10. REPRESENTATIONS

Without limiting my obligations under **Section 3.E** above, I agree to execute any proper oath or verify any proper document required to carry out the terms of this Agreement. I represent and warrant that my performance of all the terms of this Agreement will not breach any agreement to keep in confidence information acquired by me in confidence or in trust prior to my employment by the Company. I hereby represent and warrant that I have not entered into, and I will not enter into, any oral or written agreement in conflict herewith.

11. AUDIT

I acknowledge that I have no reasonable expectation of privacy in any Company Electronic Media Equipment or Company Electronic Media Systems. All information, data, and messages created, received, sent, or stored in Electronic Media Equipment or Company Electronic Media Systems are, at all times, the property of the Company. As such, the Company has the right to audit and search all such items and systems, without further notice to me, to ensure that the Company is licensed to use the software on the Company's devices in compliance with the Company's software licensing policies, to ensure compliance with the Company's policies, and for any other business-related purposes in the Company's sole discretion. I understand that I am not permitted to add any unlicensed, unauthorized, or non-compliant applications to the Company's technology systems, including, without limitation, open source or free software not authorized by the Company, and that I shall refrain from copying unlicensed software onto the Company's technology systems or using non-licensed software or websites. I understand that it is my responsibility to comply with the Company's policies governing use of the Company's documents and the internet, email, telephone, and technology systems to which I will have access in connection with my employment. In addition, as to any personal Electronic Media Equipment or personal Electronic Media Systems or other personal property that I have used for Company purposes, I agree that the Company may have reasonable access to such personal Electronic Media Equipment or personal Electronic Media Systems or other personal property to review, retrieve, destroy, or ensure the permanent deletion of Company information from such equipment or systems or property or take such other actions that are needed to protect the Company or Company property, as determined by the Company reasonably and in good faith.

I am aware that the Company has or may acquire software and systems that are capable of monitoring and recording all Company network traffic to and from any Company Electronic Media Equipment or Company Electronic Media Systems. The Company reserves the right to access, review, copy, and delete any of the information, data, or messages accessed through Company Electronic Media Equipment or Company Electronic Media Systems, with or without notice to me and/or in my absence. This includes, but is not limited to, all e-mail messages sent or received, all website visits, all chat sessions, all news group activity (including groups visited, messages read, and postings by me), and all file transfers into and out of the Company's internal networks. The Company further reserves the right to retrieve previously deleted messages from e-mail or voicemail and monitor usage of the Internet, including websites visited and any information I have downloaded. In addition, the Company may review Internet and technology systems activity and analyze usage patterns, and may choose to publicize this data to assure that technology systems are devoted to legitimate business purposes.

12. ARBITRATION AND EQUITABLE RELIEF

A. Arbitration. IN CONSIDERATION OF MY EMPLOYMENT WITH THE COMPANY, ITS PROMISE TO ARBITRATE ALL EMPLOYMENT-RELATED DISPUTES WITH ME, AND MY RECEIPT OF COMPENSATION AND OTHER COMPANY BENEFITS, AT PRESENT AND IN THE FUTURE, I AGREE THAT ANY AND ALL CONTROVERSIES, CLAIMS, OR DISPUTES THAT I MAY HAVE WITH THE COMPANY (INCLUDING ANY COMPANY EMPLOYEE, OFFICER, DIRECTOR, TRUSTEE, OR BENEFIT PLAN OF THE COMPANY, IN THEIR CAPACITY AS SUCH OR OTHERWISE), ARISING OUT OF, RELATING TO, OR RESULTING FROM MY EMPLOYMENT OR RELATIONSHIP WITH THE COMPANY OR THE TERMINATION OF MY EMPLOYMENT OR RELATIONSHIP WITH THE COMPANY, INCLUDING ANY BREACH OF THIS AGREEMENT, SHALL BE SUBJECT TO BINDING ARBITRATION UNDER THE FEDERAL ARBITRATION ACT (THE "FAA"). THE FAA'S SUBSTANTIVE AND PROCEDURAL RULES SHALL GOVERN AND APPLY TO THIS ARBITRATION AGREEMENT WITH FULL FORCE AND EFFECT, AND ANY STATE COURT OF COMPETENT JURISDICTION MAY STAY PROCEEDINGS PENDING ARBITRATION OR COMPEL ARBITRATION IN THE SAME MANNER AS A FEDERAL COURT UNDER THE FAA. I FURTHER AGREE THAT, TO THE FULLEST EXTENT PERMITTED BY LAW, I MAY BRING ANY SUCH ARBITRATION PROCEEDING ONLY IN MY INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF, REPRESENTATIVE OR CLASS MEMBER IN ANY PURPORTED CLASS, COLLECTIVE OR REPRESENTATIVE LAWSUIT OR PROCEEDING. DISPUTES THAT I AGREE TO ARBITRATE, AND THEREBY AGREE TO WAIVE ANY RIGHT TO A TRIAL BY JURY, INCLUDE ANY STATUTORY CLAIMS UNDER LOCAL, STATE, OR FEDERAL LAW, INCLUDING, BUT NOT LIMITED TO, CLAIMS UNDER TITLE VII OF THE CIVIL RIGHTS ACT OF 1964, THE CIVIL RIGHTS ACT OF 1991, THE FAIR LABOR STANDARDS ACT, THE AMERICANS WITH DISABILITIES ACT OF 1990, THE AGE DISCRIMINATION IN EMPLOYMENT ACT OF 1967, THE OLDER WORKERS BENEFIT PROTECTION ACT, THE WORKER ADJUSTMENT AND RETRAINING NOTIFICATION ACT, THE FAIR CREDIT REPORTING ACT, THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, THE FAMILY AND MEDICAL LEAVE ACT, CLAIMS RELATING TO EMPLOYMENT STATUS, CLASSIFICATION AND RELATIONSHIP WITH THE COMPANY, CLAIMS OF HARASSMENT, DISCRIMINATION, WRONGFUL TERMINATION, BREACH OF CONTRACT, AND ANY STATUTORY OR COMMON LAW CLAIMS. I ALSO AGREE TO ARBITRATE ANY AND ALL DISPUTES ARISING OUT OF OR RELATING TO THE INTERPRETATION OR APPLICATION OF THIS AGREEMENT TO ARBITRATE, BUT NOT DISPUTES ABOUT THE ENFORCEABILITY, REVOCABILITY OR VALIDITY OF THIS AGREEMENT TO ARBITRATE. WITH RESPECT TO ALL SUCH CLAIMS AND DISPUTES THAT I AGREE TO ARBITRATE, I HEREBY EXPRESSLY AGREE TO WAIVE, AND DO WAIVE, ANY RIGHT TO A TRIAL BY JURY. I FURTHER UNDERSTAND THAT THIS AGREEMENT TO ARBITRATE ALSO APPLIES TO ANY DISPUTES THAT THE COMPANY MAY HAVE WITH ME. I UNDERSTAND THAT NOTHING IN THIS AGREEMENT CONSTITUTES A WAIVER OF ANY RIGHTS I MAY HAVE UNDER APPLICABLE LAW, SUCH AS THE SARBANES-OXLEY ACT, INCLUDING ANY RIGHTS PROHIBITING COMPULSORY ARBITRATION.

B. Procedure. I AGREE THAT ANY ARBITRATION WILL BE ADMINISTERED BY JAMS, PURSUANT TO ITS EMPLOYMENT ARBITRATION RULES & PROCEDURES (THE "JAMS RULES"), WHICH ARE AVAILABLE AT <http://www.jamsadr.com/rules-employment-arbitration/> AND FROM THE COMPANY. PROVIDED, HOWEVER, THAT THE JAMS RULES SHALL NOT CONTRADICT OR OTHERWISE ALTER THE

TERMS OF THIS AGREEMENT. THE ARBITRATION SHALL BE BEFORE A SINGLE ARBITRATOR WHO SHALL BE A FORMER FEDERAL OR STATE COURT JUDGE. THE ARBITRATION SHALL APPLY THE FEDERAL RULES OF CIVIL PROCEDURE, EXCEPT TO THE EXTENT SUCH RULES CONFLICT WITH THE JAMS RULES. IF THE JAMS RULES CANNOT BE ENFORCED AS TO THE ARBITRATION, THEN THE PARTIES AGREE THAT THEY WILL ARBITRATE THIS DISPUTE UNDER THE FAA AND PURSUANT TO THE ARBITRATION PROVISIONS SET FORTH IN THE VIRGINIA UNIFORM ARBITRATION ACT, VA. CODE SECTION 8.01-577 ET SEQ. (THE “**THE RULES**”). I UNDERSTAND THAT THE PARTIES TO THE ARBITRATION SHALL EACH PAY AN EQUAL SHARE OF THE COSTS AND EXPENSES OF SUCH ARBITRATION (“ARBITRATION COSTS”), EXCEPT AS PROHIBITED BY LAW, AND UNDERSTAND THAT EACH PARTY SHALL SEPARATELY PAY ITS RESPECTIVE ATTORNEYS’ FEES AND COSTS. IN THE EVENT THAT JAMS FAILS, REFUSES, OR OTHERWISE DOES NOT ENFORCE THE AFOREMENTIONED ARBITRATION COSTS SHARING PROVISION, EITHER PARTY MAY COMMENCE AN ACTION TO RECOVER SUCH AMOUNTS AGAINST THE NON-PAYING PARTY IN COURT AND THE NON-PAYING PARTY SHALL REIMBURSE THE MOVING PARTY FOR THE ATTORNEYS’ FEES AND COSTS INCURRED IN CONNECTION WITH SUCH ACTION. I AGREE THAT THE ARBITRATOR SHALL CONSIDER AND SHALL HAVE THE POWER TO DECIDE ANY MOTIONS BROUGHT BY ANY PARTY TO THE ARBITRATION, INCLUDING MOTIONS FOR SUMMARY JUDGMENT AND/OR ADJUDICATION, AND MOTIONS TO DISMISS, PRIOR TO ANY ARBITRATION HEARING. I AGREE THAT THE ARBITRATOR SHALL ISSUE A WRITTEN DECISION ON THE MERITS. I ALSO AGREE THAT THE ARBITRATOR SHALL HAVE THE POWER TO AWARD ANY REMEDIES AVAILABLE UNDER APPLICABLE LAW. I AGREE THAT THE DECREE OR AWARD RENDERED BY THE ARBITRATOR MAY BE ENTERED AS A FINAL AND BINDING JUDGMENT IN ANY COURT HAVING JURISDICTION THEREOF. I AGREE THAT THE ARBITRATOR SHALL APPLY SUBSTANTIVE VIRGINIA LAW TO ANY DISPUTE OR CLAIM, WITHOUT REFERENCE TO RULES OF CONFLICT OF LAW. TO THE EXTENT THAT THE JAMS RULES CONFLICT WITH SUBSTANTIVE VIRGINIA LAW, VIRGINIA LAW SHALL TAKE PRECEDENCE. I AGREE THAT THE DECISION OF THE ARBITRATOR SHALL BE IN WRITING. I AGREE THAT ARBITRATION UNDER THIS AGREEMENT SHALL BE CONDUCTED IN FAIRFAX COUNTY, VIRGINIA.

C. *Remedy.* EXCEPT AS PROVIDED BY THE RULES AND THIS AGREEMENT, ARBITRATION SHALL BE THE SOLE, EXCLUSIVE AND FINAL REMEDY FOR ANY DISPUTE BETWEEN ME AND THE COMPANY. ACCORDINGLY, EXCEPT AS PROVIDED FOR BY THE RULES OR THIS AGREEMENT, NEITHER I NOR THE COMPANY WILL BE PERMITTED TO PURSUE OR PARTICIPATE IN A COURT ACTION REGARDING CLAIMS THAT ARE SUBJECT TO ARBITRATION.

D. *Availability of Injunctive Relief.* I AGREE THAT ANY PARTY MAY ALSO PETITION THE COURT FOR INJUNCTIVE RELIEF WHERE EITHER PARTY ALLEGES OR CLAIMS A VIOLATION OF THE AT-WILL EMPLOYMENT, CONFIDENTIAL INFORMATION, INVENTION ASSIGNMENT, AND ARBITRATION AGREEMENT BETWEEN ME AND THE COMPANY OR ANY OTHER AGREEMENT REGARDING TRADE SECRETS, CONFIDENTIAL INFORMATION, NONCOMPETITION OR NONSOLICITATION. I UNDERSTAND THAT ANY BREACH OR THREATENED BREACH OF SUCH AN AGREEMENT WILL CAUSE IRREPARABLE INJURY AND THAT MONEY DAMAGES WILL NOT PROVIDE AN ADEQUATE REMEDY THEREFOR AND BOTH PARTIES HEREBY CONSENT TO THE ISSUANCE OF AN INJUNCTION WITHOUT POSTING OF A BOND. IN THE EVENT EITHER PARTY SEEKS INJUNCTIVE RELIEF, THE PREVAILING PARTY SHALL BE ENTITLED TO RECOVER REASONABLE COSTS AND ATTORNEYS’ FEES WITHOUT REGARD FOR THE PREVAILING PARTY IN THE FINAL JUDGMENT, IF ANY. SUCH ATTORNEYS’ FEES AND COSTS SHALL BE RECOVERABLE ON WRITTEN DEMAND AT ANY TIME, INCLUDING, BUT NOT LIMITED TO, PRIOR TO ENTRY OF A FINAL JUDGMENT, IF ANY, BY THE COURT, AND MUST BE PAID WITHIN THIRTY (30) DAYS AFTER DEMAND OR ELSE SUCH AMOUNTS SHALL BE SUBJECT TO THE ACCRUAL OF INTEREST AT A RATE EQUAL TO THE MAXIMUM STATUTORY RATE.

E. *Administrative Relief.* I UNDERSTAND THAT THIS AGREEMENT DOES NOT PROHIBIT ME FROM PURSUING AN ADMINISTRATIVE CLAIM WITH A LOCAL, STATE, OR FEDERAL ADMINISTRATIVE BODY OR GOVERNMENT AGENCY THAT IS AUTHORIZED TO ENFORCE OR ADMINISTER LAWS

RELATED TO EMPLOYMENT, INCLUDING, BUT NOT LIMITED TO, THE VIRGINIA DIVISION OF HUMAN RIGHTS, THE EQUAL EMPLOYMENT OPPORTUNITY COMMISSION, THE NATIONAL LABOR RELATIONS BOARD, THE SECURITIES AND EXCHANGE COMMISSION, OR THE WORKERS' COMPENSATION BOARD. THIS AGREEMENT DOES, HOWEVER, PRECLUDE ME FROM PURSUING A COURT ACTION REGARDING ANY SUCH CLAIM, EXCEPT AS PERMITTED BY LAW.

F. *Voluntary Nature of Agreement.* I ACKNOWLEDGE AND AGREE THAT I AM EXECUTING THIS AGREEMENT VOLUNTARILY AND WITHOUT ANY DURESS OR UNDUE INFLUENCE BY THE COMPANY OR ANYONE ELSE. I FURTHER ACKNOWLEDGE AND AGREE THAT I HAVE CAREFULLY READ THIS AGREEMENT AND THAT I HAVE ASKED ANY QUESTIONS NEEDED FOR ME TO UNDERSTAND THE TERMS, CONSEQUENCES, AND BINDING EFFECT OF THIS AGREEMENT AND FULLY UNDERSTAND IT, INCLUDING THAT I AM WAIVING MY RIGHT TO A JURY TRIAL. FINALLY, I AGREE THAT I HAVE BEEN PROVIDED AN OPPORTUNITY TO SEEK THE ADVICE OF AN ATTORNEY OF MY CHOICE BEFORE SIGNING THIS AGREEMENT.

13. MISCELLANEOUS

A. *Governing Law; Consent to Personal Jurisdiction.* With the exception of the arbitration requirements set forth in Section 12 herein (to the extent governed by the FAA as indicated therein), this Agreement will be governed by the laws of the Commonwealth of Virginia without regard to Virginia's conflicts of law rules that may result in the application of the laws of any jurisdiction other than Virginia. To the extent that any lawsuit is permitted under this Agreement, I hereby expressly consent to the personal and exclusive jurisdiction and venue of the state and federal courts located in Virginia for any lawsuit filed against me by the Company.

B. *Assignability.* This Agreement will be binding upon my heirs, executors, assigns, administrators, and other legal representatives, and will be for the benefit of the Company, its successors, and its assigns. The Associated Third Parties are intended third-party beneficiaries to this Agreement with respect to my obligations in **Section 2**. Error! Reference source not found.. Notwithstanding anything to the contrary herein, the Company may assign this Agreement and its rights and obligations under this Agreement to any successor to all or substantially all of the Company's relevant assets, whether by merger, consolidation, reorganization, reincorporation, sale of assets or stock, or otherwise. For avoidance of doubt, the Company's successors and assigns are authorized to enforce the Company's rights under this Agreement.

C. *Entire Agreement.* This Agreement, together with the Exhibits herein and any executed written offer letter between me and the Company, to the extent such materials are not in conflict with this Agreement, sets forth the entire agreement and understanding between the Company and me with respect to the subject matter herein and supersedes all prior written and oral agreements, discussions, or representations between us, including, but not limited to, any representations made during my interview(s) or relocation negotiations. I represent and warrant that I am not relying on any statement or representation not contained in this Agreement. Any subsequent change or changes in my duties, salary, compensation, conditions or any other terms of my employment will not affect the validity or scope of this Agreement.

D. *Headings.* Headings are used in this Agreement for reference only and shall not be considered when interpreting this Agreement.

E. *Severability.* If a court or other body of competent jurisdiction finds, or the Parties mutually believe, any provision of this Agreement, or portion thereof, to be invalid or unenforceable, such provision will be enforced to the maximum extent permissible so as to effect the intent of the Parties, and the remainder of this Agreement will continue in full force and effect.

F. *Modification, Waiver.* No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, will be effective unless in a writing signed by the President or CEO of the Company and me. Waiver by the Company of a breach of any provision of this Agreement will not operate as a waiver of any other or subsequent breach.

14. PROTECTED ACTIVITY NOT PROHIBITED

I understand that nothing in this Agreement limits or prohibits me from filing a charge or complaint with, or otherwise communicating or cooperating with or participating in any investigation or proceeding that may be conducted by, any federal, state or local government agency or commission, including the Securities and Exchange Commission, the Equal Employment Opportunity Commission, the Occupational Safety and Health Administration, and the National Labor Relations Board (“**Government Agencies**”), including disclosing documents or other information as permitted by law, without giving notice to, or receiving authorization from, the Company. Notwithstanding, in making any such disclosures or communications, I agree to take all reasonable precautions to prevent any unauthorized use or disclosure of any information that may constitute Company Confidential Information to any parties other than the Government Agencies. I further understand that I am not permitted to disclose the Company’s attorney-client privileged communications or attorney work product. In addition, I hereby acknowledge that the Company has provided me with notice in compliance with the Defend Trade Secrets Act of 2016 regarding immunity from liability for limited disclosures of trade secrets. SPACEFLIGHT INDUSTRIES, INC. TERMINATION CERTIFICATION

This is to certify that I do not have in my possession, nor have I failed to return, any devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, materials, equipment, any other documents or property, or reproductions of any and all aforementioned items belonging to Spaceflight Industries, Inc. (the “**Company**”). Notwithstanding the foregoing, I understand that I may keep a copy of the Company’s employee handbook and personnel records relating to me.

I further certify that I have complied with all the terms of the Company’s At-Will Employment, Confidential Information, Invention Assignment, and Arbitration Agreement (the “**Agreement**”) signed by me, including the reporting of any inventions and original works of authorship (as defined therein) conceived or made by me (solely or jointly with others), as covered by that Agreement.

I understand that pursuant to the Agreement, and subject to its protected activity exclusion, I am obligated to preserve, as confidential, all Company Confidential Information and Associated Third Party Confidential Information, including trade secrets, confidential knowledge, data, or other proprietary information relating to products, processes, know-how, designs, formulas, developmental or experimental work, computer programs, databases, other original works of authorship, customer lists, business plans, financial information, or other subject matter pertaining to any business of the Company or any of its employees, clients, consultants, or licensees.

I also acknowledge that under the Agreement, for twelve (12) months from this date, I will not engage in any of the activities prohibited by Section 8 of the Agreement, including competition with the Company in the “Territory” defined in Section 8.A of the Agreement, and solicitation of employees, customers, vendors, consultants, collaborators, agents, and contractors of the Company. After leaving the Company’s employment, I will be employed by _____ in the position of _____.

11. Making any unlawful agreement with distributors with respect to prices.
12. Improperly using or authorizing the use of any inventions that are the subject of patent claims of any other person or entity.
13. Engaging in any conduct that is not in the best interest of the Company.

Each officer, employee, and independent contractor must take every necessary action to ensure compliance with these guidelines and to bring problem areas to the attention of higher management for review. Notwithstanding, in making any such disclosures or communications, employees must take all reasonable precautions to prevent any unauthorized use or disclosure of any information that may constitute Company Confidential Information to any parties other than the Government Agencies. Employees may not disclose the Company's attorney-client privileged communications or attorney work product.

EXECUTIVE EMPLOYMENT AGREEMENT

THIS EXECUTIVE EMPLOYMENT AGREEMENT (this "Agreement") is entered into as of February 18, 2019 (the "Effective Date") between Spaceflight Industries, Inc., a Delaware corporation (the "Company") and Brian Daum ("Executive") (collectively referred to as the "Parties" or each individually referred to as a "Party").

RECITALS

WHEREAS, the Company desires to employ Executive as its Chief Financial Officer and Chief Operating Officer and to enter into an agreement embodying the terms of such employment; and

WHEREAS, Executive desires to accept such employment and enter into such an agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and mutual covenants herein and for other good and valuable consideration, the Parties agree as follows:

1. Duties and Scope of Employment.

(a) Positions and Duties. As of the Effective Date, Executive will serve as Chief Financial Officer of the Company. In this role, Executive will also be assigned duties as are commonly assigned to a Chief Operating Officer. The salary, benefits, and other compensation provided to Executive hereunder are intended to compensate Executive for all work performed for the Company and at the Company's direction, whether for the Company or any of the Company's subsidiaries. Executive will render such business and professional services in the performance of Executive's duties, consistent with Executive's position within the Company, or otherwise, as shall reasonably and lawfully be assigned to Executive by the Company's President, or, at any time the Company's President role is unfilled, by the Company's Board of Directors (the "Board") and, as such, from and after the date hereof, Executive shall report directly to and shall be subject to the direction of the Company's President or the Board, as applicable. Such duties may include, but not be limited to, activities such as overseeing cross-functional organizational operations to ensure effective financial and operational procedures are in place to drive sustainable growth and meet business goals. In performing Executive's duties hereunder, Executive shall be available for reasonable travel as the needs of the business require. The period of Executive's at-will employment under the terms of this Agreement is referred to herein as the "Employment Term."

(b) Obligations. During the Employment Term, Executive will perform Executive's duties faithfully and to the best of Executive's ability and will devote Executive's full business efforts and time to the Company. For the duration of the Employment Term, Executive agrees not to actively engage in any other employment, occupation or consulting activity for any direct or indirect remuneration without the prior written approval of the Board.

2. At-Will Employment. The parties agree that Executive's employment with the Company will be "at-will" employment and, as such, may be terminated at any time with or without cause, for any reason or no reason. Executive further understands and agrees that neither Executive's job performance nor promotions, commendations, bonuses or the like from the Company give rise to or in any way serve as the basis for modification, amendment, or extension, by implication or otherwise, of Executive's employment with the Company.

3. Compensation.

(a) Base Salary. During the Employment Term, the Company will pay Executive as compensation for Executive's services a base salary at a rate of \$275,000 per year, as may be modified from time to time at the discretion of the Board or a duly constituted committee of the Board (the "Base Salary"). The Base Salary will be paid in regular installments in accordance with the Company's normal payroll practices (subject to required withholdings). Any modification in Base Salary (together with the then existing Base Salary) shall serve as the "Base Salary" for future employment under this Agreement. The first and last payment will be adjusted, if necessary, to reflect a commencement or termination date other than the first or last working day of a pay period.

(b) Annual Bonus. Executive shall be eligible for an annual bonus, as described in and subject to the terms of this Section 3(b), based upon the achievement of certain Company and individual goals as determined by the Company in its discretion after consultation with Executive (the "Annual Bonus"). The Board will determine in its reasonable discretion whether the performance objectives for any Annual Bonus have been achieved. In connection with the Annual Bonus, subject to the corresponding performance levels being achieved, the Executive shall be eligible for an annual target bonus of 50% of the Executive's then-applicable Base Salary (the "Target Bonus") with an annual maximum bonus equal to 100% of the Target Bonus. The Target Bonus amount may be modified from time to time at the discretion of the Board or a duly constituted committee of the Board.

Any such Annual Bonus will be determined and, to the extent earned, paid on an annual basis, at the time and manner in which such bonuses are normally paid to employees at Executive's level, but in no event will such payment be made later than March 15 of the year following the year such Annual Bonus was earned. Receipt of any Annual Bonus is contingent upon Executive's continued employment with the Company through the date the Annual Bonus is earned and any Annual Bonus for a calendar year will not be considered earned if Executive's employment terminates on or before December 31 of the corresponding calendar year. Except as otherwise provided in Section 8 below, no "prorated" or partial bonus will be provided in the event of Executive's earlier separation from employment.

(d) Equity. It will be recommended to the Board that it grant Executive a stock option to purchase 3,361,045 shares of the Company's common stock (the "Option"). The exercise price per share for the Option will be the fair market value of an underlying share of the Company's common stock on the date of grant, as determined by the Board in a manner intended to comply with Section 409A of the Code (as defined below). The vesting schedule of the Option will be as follows: (i) twenty-five percent (25%) of the shares subject to the Option shall vest on the one (1) year anniversary of the Effective Date; and (ii) one forty-eighth (1/48th) of the shares subject to the Option shall vest each month thereafter on the same day of the month as the Effective Date (and if there is no corresponding day, on the last day of the month), subject to Executive continuing to be a service provider to the Company on each such date. Notwithstanding the foregoing, if there is a Change in Control, (A) fifty percent (50%) of the unvested shares subject to the Option shall vest upon the closing of such Change in Control and (B) the remaining fifty percent of the unvested shares subject to the Option shall vest upon the earlier of (I) the termination of Executive's employment without Cause

or Executive's resignation for Good Reason during the 12-month period immediately following the Change in Control or (II) twelve (12) months following the Change in Control (collectively, such acceleration terms, the "Option Acceleration"). For the avoidance of doubt, the Conditions Precedent described in Section 8(b) shall apply to the Option Acceleration in the event of clause (I) in the preceding sentence. The Option shall be subject to the terms, definitions and conditions, including vesting requirements, of the Company's 2014 Equity Incentive Plan (the "Equity Plan") and a stock option agreement between Executive and the Company (the "Option Agreement"), both of which are incorporated herein by reference. No right to any stock is earned or accrued until such time that vesting occurs, nor does the grant confer any right to continue vesting or employment.

4. Employee Benefits. During the Employment Term, Executive will be eligible to participate in the employee benefit plans currently and hereafter maintained by the Company of general applicability to similarly-situated senior executives of the Company, subject to the terms and conditions of the applicable policies and plans. The Company reserves the right to cancel or change the benefit plans and programs it offers to its employees at any time.

5. Business Expenses. During the Employment Term, the Company will reimburse Executive for reasonable business travel, entertainment or other business expenses incurred by Executive in the furtherance of or in connection with the performance of Executive's duties hereunder, in accordance with the Company's expense reimbursement policy as in effect from time to time. Except as expressly provided otherwise herein, no reimbursement payable to the Executive pursuant to any provision of this Agreement or pursuant to any plan or arrangement of the Company shall be paid later than the last day of the calendar year following the calendar year in which the related expense was incurred, and no such reimbursement during any calendar year shall affect the amounts eligible for reimbursement in any other calendar year, except, in each case, to the extent that the right to reimbursement does not provide for a "deferral of compensation" within the meaning of Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and the final regulations and any formal guidance issued thereunder ("Section 409A").

6. Termination on Death or Disability.

(a) Effectiveness. Executive's employment will terminate automatically upon Executive's death or, upon fourteen (14) days prior written notice from the Company, in the event of Disability.

(b) Effect of Termination. Upon any termination for death or Disability, Executive shall be entitled to: (i) Executive's Base Salary through the effective date of termination; (ii) the right to continue health care benefits under Title X of the Consolidated Budget Reconciliation Act of 1985, as amended ("COBRA"), for Executive and Executive's eligible dependents, at Executive's cost, to the extent required and available by law; (iii) reimbursement of expenses for which Executive is entitled to be reimbursed pursuant to Section 5 above, but for which Executive has not yet been reimbursed; and (iv) no other severance or benefits of any kind, unless required by law or pursuant to any other written Company plans or policies, as then in effect.

7. Involuntary Termination for Cause: Resignation

(a) Effectiveness. Notwithstanding any other provision of this Agreement, the Company may terminate Executive's employment at any time for Cause or Executive may resign from Executive's employment with the Company at any time without Good Reason. Termination for Cause, or Executive's resignation (without Good Reason, as defined below), shall be effective on the date either Party gives notice to the other Party of such termination or resignation under this Agreement, unless otherwise agreed by the Parties. A resignation that is accelerated by the Company shall continue to be construed as a resignation under this Agreement.

(b) Effect of Termination. In the case of the Company's termination of Executive's employment for Cause, or Executive's resignation without Good Reason, Executive shall be entitled to receive: (i) Executive's Base Salary through the effective date of the termination or resignation, as applicable; (ii) reimbursement of all business expenses for which Executive is entitled to be reimbursed pursuant to Section 5 above, but for which Executive has not yet been reimbursed; (iii) the right to continue health care benefits under COBRA for Executive and Executive's eligible dependents, at Executive's cost, to the extent required and available by law; and (iv) no other severance or benefits of any kind, unless required by law or pursuant to any other written Company plans or policies, as then in effect.

8. Involuntary Termination Without Cause: Resignation for Good Reason

(a) Effect of Termination. The Company shall also be entitled to terminate Executive without Cause at any time, and Executive shall be entitled to resign from employment with the Company for Good Reason, subject to the following:

(i) If, outside of the Change in Control Period (as defined below), Executive's employment is involuntarily terminated by the Company without Cause (excluding any termination due to death or Disability) or Executive resigns for Good Reason (as defined below), then, subject to the limitations of Sections 10 and 11 below, Executive shall be entitled to receive: (A) Executive's Base Salary through the date of termination; (B) continuing severance pay at a rate equal to one-hundred percent (100%) of Executive's monthly Base Salary, as then in effect (less applicable withholdings), for a period of six (6) months from the date of such termination, to be paid periodically in accordance with the Company's normal payroll practices; (C) subject to Section 8(c) below, if Executive elects continuation coverage pursuant to COBRA within the time period prescribed pursuant to COBRA for Executive and Executive's eligible dependents, reimbursement for the COBRA premiums for such coverage (at the coverage levels in effect immediately prior to Executive's termination) until the earlier of (1) the maximum period of COBRA eligibility under the law, but not to exceed six (6) months from Executive's date of termination from employment with the Company, or (2) the date upon which Executive and/or Executive's eligible dependents become covered under similar plans; (D) an amount equal to Executive's then-applicable Target Bonus opportunity, prorated based on a fraction equal to the number of days that Executive remained employed with the Company during the year in which the termination or resignation occurs, divided by 365; (E) reimbursement of all expenses for which Executive is entitled to be reimbursed pursuant to Section 5 above, but for which Executive has not yet been reimbursed; and (F) no other severance or benefits of any kind, unless required by law or pursuant to any written Company plans or policies, as then in effect.

(ii) If, during the period beginning on and ending six (6) months after a Change in Control (the "Change in Control Period"), Executive's employment is involuntarily terminated by the Company without Cause (excluding any termination due to death or Disability) or Executive resigns for Good Reason, then, subject to the limitations of Sections 10 and 11 below, Executive shall be entitled to receive: (A) Executive's Base Salary through the date of termination; (B) continuing severance pay at a rate equal to one-hundred percent (100%) of Executive's monthly Base Salary, as then in effect (less applicable withholding), for a period of six (6) months from the date of such termination, to be paid in accordance with the Company's normal payroll practices; (C) an amount equal to Executive's then-applicable Target Bonus opportunity, prorated based on a fraction equal to the number of days that Executive remained employed with the Company during the year in which the termination or resignation occurs, divided by 365; (D) subject to Section 8(c) below, if Executive elects continuation coverage pursuant to COBRA within the time period prescribed pursuant to COBRA for Executive and Executive's eligible dependents, reimbursement for the COBRA premiums for such coverage (at the coverage levels in effect immediately prior to Executive's termination) until the earlier of (1) the maximum period of COBRA eligibility under the law, but not to exceed six (6) months from Executive's date of termination from employment with the Company, or (2) the date upon which Executive and/or Executive's eligible dependents become covered under similar plans; (E) reimbursement of all expenses for which Executive is entitled to be reimbursed pursuant to Section 5 above, but for which Executive has not yet been reimbursed; and (F) no other severance or benefits of any kind, other than the Option Acceleration, unless required by law or pursuant to any written Company plans or policies, as then in effect.

(b) Conditions Precedent. Any severance, equity acceleration, COBRA reimbursements, or other payments or benefits contemplated by Section 8(a) above are conditional on Executive: (i) continuing to comply with the terms of this Agreement and the Confidentiality Agreement (as defined in Section 12(a) below); and (ii) signing and not revoking a separation agreement and release of claims in a form satisfactory to the Company, including, but not limited to, a general release and other provisions required by the Company (the "Separation Agreement") and provided that such Separation Agreement becomes effective and irrevocable no later than sixty (60) days following the termination date or such earlier date required by the Separation Agreement (such deadline, the "Release Deadline"). If the Separation Agreement is not signed or is revoked by Executive prior to the Release Deadline, Executive will forfeit any rights to severance or benefits under Section 8(a), or elsewhere in this Agreement. Any severance payments under this Agreement that would not be considered Deferred Compensation Separation Benefits (as defined in Section 10) will be paid on, or, in the case of installments, will not commence until, the first payroll date that occurs on or after the date the Release becomes effective and irrevocable, except that any payment made under clause (D) of Section 8(a)(i) and 8(a)(ii) relating to Executive's target bonus severance (the "Bonus Severance") will be paid during the first calendar quarter, but not later than March 15, of the year immediately following the year in which the termination of Executive's employment occurs (and intended to be paid generally at the same time as bonus payments are made to other participants of the Company's bonus plan or program under which Executive's bonus otherwise would have been payable had Executive remained a participant thereunder), but no earlier than the date on which the Separation Agreement becomes effective and irrevocable; and any such installment payments that would have been made to Executive during the period prior to the date the Release becomes effective and irrevocable but for the preceding sentence will be paid to Executive on the first payroll date that occurs on or after the date the Release becomes effective and irrevocable. Any severance payments or other benefits under this Agreement that would be considered Deferred Compensation Separation Benefits

will be paid on, or, in the case of installments, will not commence until, the sixtieth (60th) day following Executive's separation from service (or with respect to any Bonus Severance, paid on March 1 of the year immediately following the year in which Executive's separation from service occurs), or, if later, such time as required by Section 10. Except as required by Section 10, any installment payments that would have been made to Executive during the sixty (60) day period immediately following Executive's separation from service but for the preceding sentence will be paid to Executive on the sixtieth (60th) day following Executive's separation from service and the remaining payments will be made as provided in this Agreement, unless subject to the six (6)-month payment delay under Section 10. Notwithstanding the foregoing, this Section 8(b) shall not limit Executive's ability to obtain expense reimbursements under Section 5 or any other compensation or benefits otherwise required by law or in accordance with written Company plans or policies, as then in effect.

(c) The COBRA reimbursements under Section 8(a)(i) or Section 8(a)(ii), as applicable, will be made by the Company to Executive consistent with the Company's normal expense reimbursement policy. Notwithstanding anything in this Agreement, if the Company determines in its sole discretion that it cannot provide the COBRA reimbursements without potentially violating, or being subject to an excise tax under, applicable law (including, without limitation, Section 2716 of the Public Health Service Act), the Company will in lieu thereof provide to Executive a taxable monthly payment in an amount equal to the monthly COBRA premium that Executive would be required to pay to continue Executive's group health coverage in effect on the termination of employment date (which amount will be based on the premium for the first month of COBRA coverage), which payments will be made regardless of whether Executive elects COBRA continuation coverage and will commence on the month following Executive's termination of employment and will end on the earlier of (x) the date upon which Executive obtains other employment or (y) the date the Company has paid an amount equal to six (6) monthly payments. For the avoidance of doubt, the taxable payments in lieu of COBRA reimbursements may be used for any purpose, including, but not limited to continuation coverage under COBRA, and will be subject to all applicable tax withholdings.

9. Definitions.

(a) Cause. For purposes of this Agreement, "Cause" shall mean:

(i) Executive's intentional and material failure to perform Executive's lawful duties as assigned by the Company (other than any such failure resulting from death or Disability);

(ii) Executive's intentional and material breach of any fiduciary duty to the Company or any of its subsidiaries;

(iii) Executive's engagement in dishonesty, misrepresentation, illegal conduct, gross negligence or gross misconduct related to Executive's employment duties to the Company (or any of its subsidiaries) that causes or could reasonably be anticipated to cause material harm to the Company;

(iv) Executive's embezzlement, misappropriation or fraud, whether or not related to Executive's employment with the Company;

(v) Executive's conviction of or plea of guilty or *nolo contendere* to a crime that constitutes a felony; or Executive's conviction of or plea of guilty or *nolo contendere* to a crime that constitutes a misdemeanor involving moral turpitude, if such misdemeanor is work-related, or otherwise impairs Executive's ability to perform services for the Company or any of its subsidiaries, or results in reputational or financial harm to the Company or any of subsidiaries or affiliates;

(vi) Executive's willful unauthorized disclosure of Company Confidential Information or Associated Third Party Confidential Information (both as defined in the Confidentiality Agreement); or

(vii) Executive's material breach of any material obligation under this Agreement, the Confidentiality Agreement, or any other agreement between Executive and the Company or any of its subsidiaries.

(b) Change in Control. For purposes of this Agreement, "Change in Control" shall have the meaning ascribed to such term in the Equity Plan, as amended from time to time.

(c) Disability. For purposes of this Agreement, "Disability" or "Disabled" means that Executive, at the time notice is given, has been unable to substantially perform Executive's duties under this Agreement for not less than one-hundred and twenty (120) work days within a twelve (12) consecutive month period as a result of Executive's incapacity due to a physical or mental condition and, if reasonable accommodation is required by law, after any reasonable accommodation.

(d) Good Reason. For purposes of this Agreement, "Good Reason" means Executive's termination of Executive's employment in accordance with the next sentence after the occurrence of one or more of the following events without Executive's consent:

(i) a material reduction of Executive's material duties, authorities, or responsibilities as in effect immediately prior to such reduction, including a reduction to divisional duties, authorities or responsibilities; provided, however, that continued employment by the Company, or transfer of employment to another entity with substantially the same duties, authorities, or responsibilities with respect to the Company's business and operations will not constitute "Good Reason"; and provided, further, that Executive's cessation of employment with the Company but transfer of continued employment with a subsidiary of the Company with substantially the same duties, authorities or responsibility with respect to Company's business and operations also will not constitute "Good Reason"; or

(ii) a material change in the geographic location of Executive's primary work facility or location; provided, that a relocation of less than 30 miles from Executive's then present work location will not be considered a material change in geographic location; or

(iii) a reduction in Executive's Base Salary by more than ten percent (10%); provided, however, that a reduction in excess of ten percent (10%) shall not constitute "Good Reason" if it is made in connection with an across-the-board reduction by the Company of all base salaries for similarly situated employees by a percentage at least equal to the percentage by which Executive's Base Salary is reduced.

In order for Executive's termination of Executive's employment to be for Good Reason, Executive must not terminate employment with the Company without first providing the Company with written notice of the acts or omissions constituting the grounds for "Good Reason" within 90 days of the initial existence of the grounds for "Good Reason" and a cure period of 30 days following the date of written notice (the "Cure Period"), such grounds must not have been cured during such time, and Executive must terminate Executive's employment within 30 days following the Cure Period.

10. Section 409A.

(a) Notwithstanding anything to the contrary in this Agreement, no severance pay or benefits to be paid or provided to Executive, if any, pursuant to this Agreement, when considered together with any other severance payments or separation benefits that are considered deferred compensation under Section 409A (together, the "Deferred Compensation Separation Benefits") will be paid or otherwise provided until Executive has a "separation from service" within the meaning of Section 409A. To the extent necessary to comply with Section 409A, any references to termination of employment, employment termination, or similar terms will mean a separation from service within the meaning of Section 409A.

(b) Notwithstanding anything to the contrary in this Agreement, if Executive is a "specified employee" within the meaning of Section 409A at the time of Executive's termination (other than due to death), then the Deferred Compensation Separation Benefits that are payable within the first six (6) months following Executive's separation from service, will become payable on the first payroll date that occurs on or after the date six (6) months and one (1) day following the date of Executive's separation from service. All subsequent Deferred Compensation Separation Benefits, if any, will be payable in accordance with the payment schedule applicable to each payment or benefit. Notwithstanding anything herein to the contrary, if Executive dies following Executive's separation from service, but prior to the six (6) month anniversary of the separation from service, then any payments delayed in accordance with this paragraph will be payable in a lump sum as soon as administratively practicable after the date of Executive's death and all other Deferred Compensation Separation Benefits will be payable in accordance with the payment schedule applicable to each payment or benefit. Each payment and benefit payable under this Agreement is intended to constitute separate payments for purposes of Section 1.409A-2(b)(2) of the Treasury Regulations.

(c) Any amount paid under this Agreement that satisfies the requirements of the "short-term deferral" rule set forth in Section 1.409A-1(b)(4) of the Treasury Regulations will not constitute Deferred Compensation Separation Benefits for purposes of clause (a) above.

(d) Any amount paid under this Agreement that qualifies as a payment made as a result of an involuntary separation from service pursuant to Section 1.409A-1(b)(9)(iii) of the Treasury Regulations that does not exceed the Section 409A Limit will not constitute Deferred Compensation Separation Benefits for purposes of clause (a) above. For purposes of this Agreement, "Section 409A Limit" will mean the lesser of two (2) times: (i) Executive's annualized compensation based upon the annual rate of pay paid to Executive during the Executive's taxable year preceding Executive's taxable year of Executive's termination of employment as determined under Treasury Regulation Section 1.409A-1(b)(9)(iii)(A)(1) and any Internal Revenue Service guidance issued with respect thereto; or (ii) the maximum amount that may be taken into account under a qualified plan pursuant to Section 401(a)(17) of the Code for the year in which Executive's employment is terminated.

(e) To the extent necessary to comply with Section 409A, with respect to any reimbursement or in-kind benefit plan or arrangement in which Executive participates, (i) the amount eligible for reimbursement or in-kind benefit in one calendar year may not affect the amount eligible for reimbursement or in-kind benefit in any other calendar year, (ii) the right to the applicable reimbursement or benefit is not subject to liquidation or exchange for another benefit or payment, and (iii) to the extent there is any reimbursement of an expense, such reimbursement must be made on or before the last day of the calendar year following the calendar year in which the expense was incurred, and (iv) except as specifically provided herein or in the applicable reimbursement arrangement, in-kind benefits will only be provided, and reimbursements will only be made for expenses incurred, during Executive's lifetime.

(f) This Agreement is intended to be exempt from or comply with the requirements of Section 409A so that none of the severance payments and benefits to be provided hereunder will be subject to the additional tax imposed under Section 409A, and any ambiguities or ambiguous terms herein will be interpreted according to such intent. The Company and Executive agree to work together in good faith to consider amendments to this Agreement and to take such reasonable actions which are necessary, appropriate or desirable to avoid imposition of any additional tax or income recognition prior to actual payment to Executive under Section 409A. In no event will the Company or any of its respective subsidiaries or affiliates have any liability or obligation to indemnify, reimburse, or hold harmless Executive for any taxes imposed, or other costs incurred, as a result of Section 409A.

11. Limitation on Payments. In the event that the benefits provided for in this Agreement or otherwise payable to Executive (a) constitute "parachute payments" within the meaning of Section 280G of the Code and (b) but for this Section 11 would be subject to the excise tax imposed by Section 4999 of the Code, then Executive's benefits will be either (i) delivered in full, or (ii) delivered as to such lesser extent which would result in no portion of such benefits being subject to excise tax under Section 4999 of the Code, whichever of the foregoing amounts, taking into account the applicable federal, state and local income taxes and the excise tax imposed by Section 4999, results in the receipt by Executive on an after-tax basis, of the greatest amount of benefits, notwithstanding that all or some portion of such benefits may be taxable under Section 4999 of the Code. If a reduction in amounts to be paid must be made, reduction shall occur in the following order: first, reduction of cash payments, which shall occur in reverse chronological order such that the cash payment owed on the latest date following the occurrence of the event triggering such excise tax will be the first cash payment to be reduced; second, cancellation of equity awards that were granted "contingent on a change in ownership or control" within the meaning of Section 280G of the Code in the reverse order of date of grant of the awards (that is, the most recently granted equity awards will be cancelled first); third, cancellation of accelerated vesting of equity awards, which shall occur in the reverse order of the date of grant for such stock awards (i.e., the vesting of the most recently granted stock awards will be reduced first); and fourth, reduction of employee benefits, which shall occur in reverse chronological order such that the benefit owed on the latest date following the occurrence of the event triggering such excise tax will be the first benefit to be reduced. If two or more equity awards are granted on the same date, each award will be reduced on a pro-rata basis. In no event shall Executive have any discretion with respect to the ordering of payment reductions. Unless the Company and Executive otherwise agree in writing, any determination required under this Section will be made in writing by a nationally recognized certified professional services firm selected by the Company, the Company's legal counsel or such other person or entity to which the parties mutually agree (the "Firm"), whose determination will be conclusive and

binding upon Executive and the Company for all purposes. For purposes of making the calculations required by this Section, the Firm may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of Sections 280G and 4999 of the Code. The Company and Executive will furnish to the Firm such information and documents as the Firm may reasonably request in order to make a determination under this Section 11. The Company will bear all costs and make all payments for the Firm's services reasonably required in connection with any calculations contemplated by this Section 11.

12. Company Matters.

(a) Proprietary Information and Inventions. Executive acknowledges and agrees that, as a condition of employment, Executive is required to sign and abide by the terms of the Company's At-Will Employment, Confidential Information, Invention Assignment, and Arbitration Agreement (the "Confidentiality Agreement"), including the arbitration agreement and provisions governing the non-disclosure of confidential information and restrictive covenants contained therein. A copy of the Confidentiality Agreement is attached hereto as Exhibit A.

(b) Ventures. If, during Executive's employment, Executive is engaged in or associated with planning or implementing of any project, program or venture involving the Company and any third parties, all rights in such project, program or venture shall belong to the Company (or third party, to the extent provided in any agreement between the Company and the third party). Except as approved by the Board in writing, Executive shall not be entitled to any interest in such project, program or venture or to any commission, finder's fee or other compensation in connection therewith other than the salary or other compensation to be paid to Executive as provided in this Agreement.

(c) Notification of New Employer. In the event that Executive leaves the employ of the Company, Executive grants consent to notification by the Company to Executive's new employer about Executive's rights and obligations under this Agreement and the Confidentiality Agreement.

13. Arbitration. IN CONSIDERATION OF EXECUTIVE'S EMPLOYMENT WITH THE COMPANY, ITS PROMISE TO ARBITRATE ALL EMPLOYMENT-RELATED DISPUTES AND EXECUTIVE'S RECEIPT OF THE COMPENSATION, PAY RAISES AND OTHER BENEFITS PAID TO EXECUTIVE BY THE COMPANY, AT PRESENT AND IN THE FUTURE, EXECUTIVE AGREES THAT ANY AND ALL CONTROVERSIES, CLAIMS, OR DISPUTES WITH ANYONE (INCLUDING THE COMPANY AND ANY EMPLOYEE, OFFICER, DIRECTOR, SHAREHOLDER OR BENEFIT PLAN OF THE COMPANY, IN THEIR CAPACITY AS SUCH OR OTHERWISE), ARISING OUT OF, RELATING TO, OR RESULTING FROM EXECUTIVE'S EMPLOYMENT WITH THE COMPANY OR THE TERMINATION OF EXECUTIVE'S EMPLOYMENT WITH THE COMPANY, INCLUDING ANY BREACH OF THIS AGREEMENT, SHALL BE SUBJECT TO BINDING ARBITRATION, AS SET FORTH IN THE CONFIDENTIALITY AGREEMENT.

14. Assignment. This Agreement will inure to the benefit of any successor of the Company and accordingly any such successor of the Company will be deemed substituted for the Company under the terms of this Agreement for such purposes. For this purpose, "successor" means any person, firm, corporation or other business entity which at any time, whether by purchase, merger or otherwise, directly or indirectly acquires all or substantially all of the assets or business of the Company. None of

the rights of Executive to receive any form of compensation payable pursuant to this Agreement may be assigned or transferred except by will or the laws of descent and distribution. Any other attempted assignment, transfer, conveyance or other disposition of Executive's right to compensation or other benefits will be null and void.

15. Notices. All notices, requests, demands and other communications called for under this Agreement shall be in writing and shall be delivered personally by hand or by courier, mailed by United States first-class mail, postage prepaid, to the Party to be notified at the address indicated for such Party on the signature page to this Agreement, or at such other address as such Party may designate by ten (10) days' advance written notice to the other Parties hereto. All such notices and other communications shall be deemed given upon personal delivery, three (3) days after the date of mailing.

16. Severability. In the event that any provision hereof becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement will continue in full force and effect without said provision.

17. Integration. This Agreement, together with the Equity Plan, and the Confidentiality Agreement, represents the entire agreement and understanding between the parties as to the subject matter herein and supersedes all prior or contemporaneous agreements whether written or oral. No waiver, alteration, or modification of any of the provisions of this Agreement will be binding unless in writing and signed by duly authorized representatives of the parties hereto.

18. Tax Withholding. All payments made pursuant to this Agreement will be subject to withholding of applicable taxes.

19. Waiver. No Party shall be deemed to have waived any right, power or privilege under this Agreement or any provisions hereof unless such waiver shall have been duly executed in writing and acknowledged by the Party to be charged with such waiver. The failure of any Party at any time to insist on performance of any of the provisions of this Agreement shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this Agreement or any part hereof. No waiver of any breach of this Agreement shall be held to be a waiver of any other subsequent breach.

20. Governing Law. This Agreement will be governed by the laws of the Commonwealth of Virginia (with the exception of its conflict of law provisions).

21. Acknowledgment. Executive acknowledges that Executive has had the opportunity to discuss this matter with Executive's legal counsel, has had sufficient time to, and has carefully read and fully understands all the provisions of this Agreement, and is knowingly and voluntarily entering into this Agreement.

22. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original, and all such counterparts shall constitute but one instrument.

23. Effect of Headings. The section and subsection headings contained herein are for convenience only and shall not affect the construction hereof.

24. Construction of Agreement. This Agreement has been negotiated by the respective Parties, and the language shall not be construed for or against either Party.

25. Protected Activity Not Prohibited. Employee understands that nothing in this Agreement shall in any way limit or prohibit Employee from engaging in any Protected Activity. For purposes of this Agreement, “Protected Activity” shall mean filing a charge, complaint, or report with, or otherwise communicating, cooperating, or participating in any investigation or proceeding that may be conducted by, any federal, state or local government agency or commission, including the Securities and Exchange Commission, the Equal Employment Opportunity Commission, the Occupational Safety and Health Administration, and the National Labor Relations Board (“Government Agencies”). Employee understands that in connection with such Protected Activity, Employee is permitted to disclose documents or other information as permitted by law, and without giving notice to, or receiving authorization from, the Company. Notwithstanding the foregoing, Employee agrees to take all reasonable precautions to prevent any unauthorized use or disclosure of any information that may constitute Company confidential information under the Confidentiality Agreement to any parties other than the Government Agencies. Employee further understands that “Protected Activity” does not include the disclosure of any Company attorney-client privileged communications. Any language in the Confidentiality Agreement regarding Employee’s right to engage in Protected Activity that conflicts with, or is contrary to, this paragraph is superseded by this Agreement. In addition, pursuant to the Defend Trade Secrets Act of 2016, Employee is notified that an individual will not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that: (a) is made in confidence to a federal, state, or local government official (directly or indirectly) or to an attorney solely for the purpose of reporting or investigating a suspected violation of law, or (b) is made in a complaint or other document filed in a lawsuit or other proceeding, if (and only if) such filing is made under seal. In addition, an individual who files a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose the trade secret to the individual’s attorney and use the trade secret information in the court proceeding, if the individual files any document containing the trade secret under seal and does not disclose the trade secret, except pursuant to court order.

26. Attorney’s Fees. Each party shall bear its own attorney’s fees and costs incurred in any action or dispute arising out of this Agreement and/or the employment relationship.

27. Clawback Provisions. Notwithstanding any other provisions in this Agreement to the contrary, any incentive-based compensation, or any other compensation, paid to Executive pursuant to this Agreement or any other agreement or arrangement with the Company or any of its affiliates, which is subject to recovery under any law, government regulation or stock exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement (or any policy adopted by the Company or any of their affiliates pursuant to any such law, government regulation or stock exchange listing requirement), including for any violations of the Confidentiality Agreement, if applicable.

EXHIBIT A

(CONFIDENTIALITY AGREEMENT)

SPACEFLIGHT INDUSTRIES, INC.
AT-WILL EMPLOYMENT, CONFIDENTIAL INFORMATION,
INVENTION ASSIGNMENT AND ARBITRATION AGREEMENT

As a condition of my employment with Spaceflight Industries, Inc. (the “**Company**”), and in consideration of my employment with the Company and my receipt of the compensation now and hereafter paid to me by the Company, I agree to the following provisions of this At-Will Employment, Confidential Information, Invention Assignment, and Arbitration Agreement (this “**Agreement**”):

1. AT-WILL EMPLOYMENT

I UNDERSTAND AND ACKNOWLEDGE THAT MY EMPLOYMENT WITH THE COMPANY IS FOR NO SPECIFIED TERM AND CONSTITUTES “AT-WILL” EMPLOYMENT. I ALSO UNDERSTAND THAT ANY REPRESENTATION TO THE CONTRARY IS UNAUTHORIZED AND NOT VALID UNLESS IN WRITING AND SIGNED BY THE PRESIDENT OR CEO OF THE COMPANY. ACCORDINGLY, I ACKNOWLEDGE THAT MY EMPLOYMENT RELATIONSHIP MAY BE TERMINATED AT ANY TIME, WITH OR WITHOUT GOOD CAUSE OR FOR ANY OR NO CAUSE, AT MY OPTION OR AT THE OPTION OF THE COMPANY, WITH OR WITHOUT NOTICE. I FURTHER ACKNOWLEDGE THAT THE COMPANY MAY MODIFY JOB TITLES, SALARIES, AND BENEFITS FROM TIME TO TIME AS IT DEEMS NECESSARY.

2. CONFIDENTIALITY

A. *Definition of Company Confidential Information.* I understand that “**Company Confidential Information**” means information (including any and all combinations of individual items of information) that the Company has or will develop, acquire, create, compile, discover or own, that has value in or to the Company’s business which is not generally known and which the Company wishes to maintain as confidential. Company Confidential Information includes both information disclosed by the Company to me, and information developed or learned by me during the course of my employment with the Company. Company Confidential Information also includes all information of which the unauthorized disclosure could be detrimental to the interests of the Company, whether or not such information is identified as Company Confidential Information. By example, and without limitation, Company Confidential Information includes any and all non-public information that relates to the actual or anticipated business and/or products, research or development of the Company, or to the Company’s technical data, trade secrets, or know-how, including, but not limited to, research, product plans, or other information regarding the Company’s products or services and markets therefor, customer lists and customers (including, but not limited to, customers of the Company on which I called or with which I may become acquainted during the term of my employment), software, developments, inventions, discoveries, ideas, processes, formulas, technology, designs, drawings, engineering, hardware configuration information, marketing, finances, and other business information disclosed by the Company either directly or indirectly in writing, orally or by drawings or inspection of premises, parts, equipment, or other Company property. Notwithstanding the foregoing, Company Confidential information shall not include any such information which I can establish (i) was publicly known or made generally available prior to the time of disclosure by the Company to me; (ii) becomes publicly known or made generally available after disclosure by the Company to me through no wrongful action or omission by me; or (iii) is in my rightful possession, without confidentiality obligations, at the time of disclosure by the Company as shown by my then-contemporaneous written records; provided that any combination of individual items of information shall not be deemed to be within any of the foregoing exceptions merely because one or more of the individual items are within such exception, unless the combination as a whole is within such exception. I understand that nothing in this Agreement limits employees’ rights to discuss the terms, wages, and working conditions of their employment, as protected by applicable law.

B. Nonuse and Nondisclosure. I agree that during and after my employment with the Company, I will hold in the strictest confidence, and take all reasonable precautions to prevent any unauthorized use or disclosure of Company Confidential Information. I will not (i) use Company Confidential Information for any purpose whatsoever other than for the benefit of the Company in the course of my employment, or (ii) disclose Company Confidential Information to any third party without the prior written authorization of the President, CEO, or the Board of Directors of the Company. Prior to disclosure when compelled by applicable law; I shall provide prior written notice to the President, CEO, and General Counsel of the Company (as applicable). I agree that I obtain no title to any Company Confidential Information, and that the Company retains all Confidential Information as the sole property of the Company. I understand that my unauthorized use or disclosure of Company Confidential Information during my employment may lead to disciplinary action, up to and including immediate termination and legal action by the Company. I understand that my obligations under this **Section 2.B** shall continue after termination of my employment and also that nothing in this Agreement prevents me from engaging in protected activity, as described in Section 14 below.

C. Former Employer Confidential Information. I agree that during my employment with the Company, I will not improperly use, disclose, or induce the Company to use any proprietary information or trade secrets of any former employer or other person or entity with which I have an obligation to keep such proprietary information or trade secrets in confidence. I further agree that I will not bring onto the Company's premises or transfer onto the Company's technology systems any unpublished document, proprietary information, or trade secrets belonging to any such third party unless disclosure to, and use by, the Company has been consented to in writing by such third party and the Company.

D. Third Party Information. I recognize that the Company has received, and in the future may receive, from third parties (for example, customers, suppliers, licensors, licensees, partners, and collaborators) as well as its subsidiaries and affiliates ("**Associated Third Parties**"), information which the Company is required to maintain and treat as confidential or proprietary information of such Associated Third Parties ("**Associated Third Party Confidential Information**"), and I agree to use such Associated Third Party Confidential Information only as directed by the Company and to not use or disclose such Associated Third Party Confidential Information in a manner that would violate the Company's obligations to such Associated Third Parties. By way of example, Associated Third Party Confidential Information may include the habits or practices of Associated Third Parties, the technology of Associated Third Parties, requirements of Associated Third Parties, and information related to the business conducted between the Company and such Associated Third Parties. I agree at all times during my employment with the Company and thereafter, that I owe the Company and its Associated Third Parties a duty to hold all such Associated Third Party Confidential Information in the strictest confidence, and not to use it or to disclose it to any person, firm, corporation, or other third party except as necessary in carrying out my work for the Company consistent with the Company's agreement with such Associated Third Parties. I further agree to comply with any and all Company policies and guidelines that may be adopted from time to time regarding Associated Third Parties and Associated Third Party Confidential Information. I understand that my unauthorized use or disclosure of Associated Third Party Confidential Information or violation of any Company policies during my employment may lead to disciplinary action, up to and including immediate termination and legal action by the Company.

3. OWNERSHIP

A. Assignment of Inventions. As between the Company and myself, I agree that all right, title, and interest in and to any and all copyrightable material, notes, records, ideas, drawings, designs, logos, inventions, improvements, developments, discoveries and trade secrets conceived, discovered, authored, invented, developed or reduced to practice by me, solely or in collaboration with others, during the period of time I am in the employ of the Company (including during my off-duty hours), or with the use of the Company's equipment, supplies, facilities, or Company Confidential Information, and any copyrights, patents, trade secrets, mask work rights or other intellectual property rights relating to the

foregoing, except as provided in **Section 3.G** below (collectively, “**Inventions**”), are the sole property of the Company. I also agree to promptly make full written disclosure to the Company of any Inventions, and to deliver and assign and hereby irrevocably assign fully to the Company all of my right, title and interest in and to Inventions. I agree that this assignment includes a present conveyance to the Company of ownership of Inventions that are not yet in existence. I further acknowledge that all original works of authorship that are made by me (solely or jointly with others) within the scope of and during the period of my employment with the Company and that are protectable by copyright are “works made for hire,” as that term is defined in the United States Copyright Act. I understand and agree that the decision whether or not to commercialize or market any Inventions is within the Company’s sole discretion and for the Company’s sole benefit, and that no royalty or other consideration will be due to me as a result of the Company’s efforts to commercialize or market any such Inventions. I understand that any and all Inventions that I may work on with personnel of the Company’s subsidiaries or other affiliates constitute joint research between the Company and its subsidiaries or other affiliates, as applicable, for the purposes of 35 U.S.C. section 103(c)(2).

B. Pre-Existing Materials. I will inform the Company in writing before incorporating any inventions, discoveries, ideas, original works of authorship, developments, improvements, trade secrets and other proprietary information or intellectual property rights owned by me or in which I have an interest prior to, or separate from, my employment with the Company, including without limitation, any such inventions that meet the criteria set forth herein under **Section 3.G** (“**Prior Inventions**”) into any Invention or otherwise utilizing any such Prior Invention in the course of my employment with the Company, and the Company is hereby granted a nonexclusive, royalty-free, perpetual, irrevocable, transferable worldwide license (with the right to grant and authorize sublicenses) to make, have made, use, import., offer for sale, sell, reproduce, distribute, modify, adapt, prepare derivative works of, display, perform, and otherwise exploit such incorporated or utilized Prior Inventions, without restriction, including, without limitation, as part of or in connection with such Invention, and to practice any method related thereto. I will not incorporate any inventions, discoveries, ideas, original works of authorship, developments, improvements, trade secrets and other proprietary information or intellectual property rights owned by any third party into any Invention without the Company’s prior written permission. I have attached hereto as Exhibit A, a list describing all Prior Inventions that relate to the Company’s current or anticipated business, products, or research and development or, if no such list is attached, I represent and warrant that there are no such Prior Inventions. Furthermore, I represent and warrant that if any Prior Inventions are included on Exhibit A, they will not materially affect my ability to perform all obligations under this Agreement.

C. Moral Rights. Any assignment to the Company of Inventions includes all rights of attribution, paternity, integrity, modification, disclosure and withdrawal, and any other rights throughout the world that may be known as or referred to as “moral rights,” “artist’s rights,” “droit moral,” or the like (collectively, “**Moral Rights**”). To the extent that Moral Rights cannot be assigned under applicable law, I hereby waive and agree not to enforce any and all Moral Rights, including, without limitation, any limitation on subsequent modification, to the extent permitted under applicable law.

D. Maintenance of Records. I agree to keep and maintain adequate, current, accurate, and authentic written records of all Inventions made by me (solely or jointly with others) during the term of my employment with the Company. The records will be in the form of notes, sketches, drawings, electronic files, reports, or any other format that may be specified by the Company. As between the Company and myself, the records are and will be available to and remain the sole property of the Company at all times.

E. Further Assurances. I agree to assist the Company, or its designee, at the Company’s expense, in every proper way to secure the Company’s rights in the Inventions in any and all countries, including the disclosure to the Company of all pertinent information and data with respect thereto, the

execution of all applications, specifications, oaths, assignments, and all other instruments that the Company shall deem proper or necessary in order to apply for, register, obtain, maintain, defend, and enforce such rights, and in order to deliver, assign and convey to the Company, its successors, assigns, and nominees the sole and exclusive rights, title, and interest in and to all Inventions, and testifying in a suit or other proceeding relating to such Inventions. I further agree that my obligations under this **Section 3.E** shall continue after the termination of this Agreement.

F. Attorney-in-Fact. I agree that, if the Company is unable because of my unavailability, mental or physical incapacity, or for any other reason to secure my signature with respect to any Inventions, including, without limitation, for the purpose of applying for or pursuing any application for any United States or foreign patents or mask work or copyright registrations covering the Inventions assigned to the Company in **Section 3.A**, then I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents as my agent and attorney-in-fact, to act for and on my behalf to execute and file any papers and oaths, and to do all other lawfully permitted acts with respect to such Inventions to further the prosecution and issuance of patents, copyright and mask work registrations with the same legal force and effect as if executed by me. This power of attorney shall be deemed coupled with an interest, and shall be irrevocable.

G. Exception to Assignments. I UNDERSTAND THAT THE PROVISIONS OF THIS AGREEMENT REQUIRING ASSIGNMENT OF INVENTIONS (AS DEFINED UNDER **SECTION 3.A** ABOVE) TO THE COMPANY DO NOT APPLY TO ANY INVENTION THAT I DEVELOP ENTIRELY ON MY OWN TIME WITHOUT USING THE COMPANY'S EQUIPMENT, SUPPLIES, FACILITIES, OR TRADE SECRET INFORMATION, EXCEPT FOR THOSE INVENTIONS MEETING THE FOREGOING CRITERIA THAT EITHER (I) RELATE AT THE TIME OF CONCEPTION OR REDUCTION TO PRACTICE OF SUCH INVENTION TO THE COMPANY'S BUSINESS, OR ACTUAL OR DEMONSTRABLY ANTICIPATED RESEARCH OR DEVELOPMENT OF THE COMPANY OR (II) RESULT FROM ANY WORK THAT I PERFORM FOR THE COMPANY. I WILL ADVISE THE COMPANY PROMPTLY IN WRITING OF ANY INVENTIONS THAT I BELIEVE CONSTITUTES AN INVENTION COVERED BY THE EXCEPTION TO ASSIGNMENT DESCRIBED IN THIS **SECTION 3.G** AND IS NOT OTHERWISE DISCLOSED ON EXHIBIT A TO PERMIT A DETERMINATION OF OWNERSHIP BY THE COMPANY. ANY SUCH DISCLOSURE WILL BE RECEIVED IN CONFIDENCE.

4. CONFLICTING OBLIGATIONS

A. Current Obligations. I agree that during the term of my employment with the Company, I will not engage in or undertake any other employment, occupation, consulting relationship, or commitment that is directly related to the business in which the Company is now involved or becomes involved or has plans to become involved, nor will I engage in any other activities that conflict with my obligations to the Company.

B. Prior Relationships. Without limiting **Section 4.A**, I represent and warrant that I have no other agreements, relationships, or commitments to any other person or entity that conflict with the provisions of this Agreement, my obligations to the Company under this Agreement, or my ability to become employed and perform the services for which I am being hired by the Company. I further agree that if I have signed a confidentiality agreement or similar type of agreement with any former employer or other entity, I will comply with the terms of any such agreement to the extent that its terms are lawful under applicable law. I represent and warrant that after undertaking a careful search (including searches of my computers, cell phones, electronic devices, and documents), I have returned all property and confidential information belonging to all prior employers (and/or other third parties I have performed services for in accordance with the terms of my applicable agreement). Moreover, I agree to fully indemnify the

Company, its directors, officers, agents, employees, investors, shareholders, administrators, affiliates, divisions, subsidiaries, predecessor and successor corporations, and assigns for all verdicts, judgments, settlements, and other losses incurred by any of them resulting from my breach of my obligations under any agreement with a third party to which I am a party or obligation to which I am bound, as well as any reasonable attorneys' fees and costs if the plaintiff is the prevailing party in such an action, except as prohibited by law.

5. RETURN OF COMPANY MATERIALS

A. Definition of Electronic Media Equipment and Electronic Media Systems. I understand that “**Electronic Media Equipment**” includes, but is not limited to, computers, external storage devices, thumb drives, mobile devices (including, but not limited to smart phones, tablets, and e-readers), telephone equipment, and other electronic media devices. I understand that “**Electronic Media Systems**” includes, but is not limited to, computer servers, messaging and email systems or accounts, applications for computers or mobile devices, and web-based services (including cloud-based information storage accounts).

B. Return of Company Property. I understand that anything that I created or worked on for the Company while working for the Company belongs solely to the Company and that I cannot remove, retain, or use such information without the Company's express written permission. Accordingly, upon separation from employment with the Company or upon the Company's request at any other time, I will immediately deliver to the Company, and will not keep in my possession, recreate, or deliver to anyone else, any and all Company property, including, but not limited to, Company Confidential Information, Associated Third Party Confidential Information, all Company equipment including all Company Electronic Media Equipment, all tangible embodiments of the Inventions, all electronically stored information and passwords to access such information, Company credit cards, records, data, notes, notebooks, reports, files, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, materials, photographs, charts, any other documents and property, and reproductions of any of the foregoing items, including, without limitation, those records maintained pursuant to **Section 3.D**. Notwithstanding the foregoing, I understand that I am allowed to keep a copy of the Company's employee handbook and personnel records relating to my employment.

C. Return of Company Information on Company Electronic Media Equipment. In connection with my obligation to return information to the Company, I agree that I will not copy, delete, or alter any information, including personal information voluntarily created or stored, contained in Company Electronic Media Equipment before I return the information to the Company.

D. Return of Company Information on Personal Electronic Media Equipment. In addition, if I have used any personal Electronic Media Equipment or personal Electronic Media Systems to create, receive, store, review, prepare or transmit any Company information, including but not limited to, Company Confidential Information, I agree to make a prompt and reasonable search for such information in good faith, including reviewing any personal Electronic Media Equipment or personal Electronic Media Systems to locate such information and if I locate such information I agree to notify the Company of that fact and then provide the Company with a computer-useable copy of all such Company information from those equipment and systems. I agree to cooperate reasonably with the Company to verify that the necessary copying is completed (including upon request providing a sworn declaration confirming the return of property and deletion of information), and, upon confirmation of compliance by the Company, I agree to delete and expunge all Company information.

E. No Expectation of Privacy in Company Property. I understand that I have no expectation of privacy in Company property, and I agree that any Company property is subject to inspection by Company personnel at any time with or without further notice. As to any personal Electronic Media Equipment or personal Electronic Media Systems that I have used for Company purposes, I agree that the

Company, at its sole discretion, may have reasonable access, as determined by the Company in good faith, to such personal Electronic Media Equipment or personal Electronic Media Systems to review, retrieve, destroy, or ensure the permanent deletion of Company information from such equipment or systems or to take such other actions necessary to protect the Company or Company property, as determined by the Company reasonably and in good faith. I also consent to an exit interview and an audit to confirm my compliance with this **Section 5**, and I will certify in writing that I have complied with the requirements of this **Section 5**.

6. TERMINATION CERTIFICATION

Upon separation from employment with the Company, I agree to immediately sign and deliver to the Company the "Termination Certification" attached hereto as Exhibit B.

7. NOTIFICATION OF NEW EMPLOYER

In the event that I leave the employ of the Company, I hereby grant consent to notification by the Company to my new employer about my obligations under this Agreement. I also agree to keep the Company advised of my home and business address for a period of one (1) year after termination of my employment with the Company, so that the Company can contact me regarding my continuing obligations provided by this Agreement.

8. COVENANT NOT TO COMPETE AND NO SOLICITATION

A. Covenant Not to Compete. I agree that during the course of my employment and for a period of twelve (12) months immediately following the termination of my relationship with the Company for any reason, whether with or without cause, at the option either of the Company or myself, with or without notice, I will not, in the same or similar role or scope as during my employment with the Company, without the prior written consent of the Company, whether paid or not: (i) serve as a partner, principal, licensor, licensee, employee, consultant, officer, director, manager, agent, affiliate, representative, advisor, promoter, associate, investor, or otherwise for (except for passive ownership of one percent (1%) or less of any entity whose securities have been registered under the Securities Act of 1933, as amended, or Section 12 of the Securities Exchange Act of 1934, as amended); (ii) directly or indirectly, own, purchase, organize or take preparatory steps for the organization of; or (iii) build, design, finance, acquire, lease, operate, manage, control, invest in, work or consult for or otherwise join, participate in or affiliate myself with, any business whose business, products or operations in which I would be directly or indirectly involved are in any respect involved in the Covered Business. For purposes of this Agreement, "**Covered Business**" shall mean any business in which the Company, or any subsidiary of the Company for which I provided services in connection with my employment with the Company (each, a "**Subsidiary**"), is engaged or in which the Company or a Subsidiary has plans to be engaged, or any service that the Company or a Subsidiary provides or has plans to provide. The foregoing covenant shall cover my activities in every part of the Territory. For purposes of this Agreement, "Territory" shall mean: (i) all counties in the Commonwealth of Virginia; (ii) all other states, commonwealths, or districts of the United States of America in which the Company or a Subsidiary provided goods or services, had customers, or otherwise conducted business at any time during the two-year period prior to the date of the termination of my relationship with the Company; and (iii) any other countries from which the Company or a Subsidiary maintains non-trivial operations or facilities, provided goods or services, had customers, or otherwise conducted business at any time during the two-year period prior to the date of the termination of my relationship with the Company. Should I obtain other employment during my employment with the Company or within twelve (12) months immediately following the termination of my relationship with the Company, I agree to provide written notification to the Company as to the name and address of my new employer, the position that I expect to hold, and a general description of my duties and responsibilities, at least three (3) business days prior to starting such employment.

B. *No Solicitation.*

(1) *Non-Solicitation of Customers.* I agree that for a period of twelve (12) months immediately following the termination of my relationship with the Company for any reason, whether with or without cause, at the option either of the Company or myself, with or without notice, I will not contact, or cause to be contacted, directly or indirectly, or engage in any form of oral, verbal, written, recorded, transcribed, or electronic communication with any Customer for the purposes of conducting business that is competitive or similar to that of the Company or for the purpose of disadvantaging the Company's or a Subsidiary's business in any way. For purposes of this Agreement, "Customer" shall mean all persons or entities that have used or inquired of the Company's or a Subsidiary's services at any time during the two-year period preceding the termination of my employment with the Company and with whom I had business contact during my employment with the Company. I acknowledge and agree that the Customers did not use or inquire of the Company's or a Subsidiary's services, as applicable, solely as a result of my efforts, and that the efforts of other Company or Subsidiary personnel and resources are responsible for the Company's or a Subsidiary's relationship with the Customers. I further acknowledge and agree that the identity of the Customers is not readily ascertainable or discoverable through public sources, and that the any of the Company's or a Subsidiary's lists of Customers was cultivated with great effort and secured through the expenditure of considerable time and money by the Company and/or a Subsidiary, as applicable.

(2) *Non-Solicitation of Employees.* I agree that for a period of twelve (12) months immediately following the termination of my relationship with the Company for any reason, whether with or without cause, at the option either of the Company or myself, with or without notice, I will not directly or indirectly solicit, or attempt to solicit, any employee of the Company or a Subsidiary to leave their employment with the Company or a Subsidiary, as applicable, nor will I contact any employee of the Company or a Subsidiary, or cause an employee of the Company or a Subsidiary to be contacted, for the purpose of leaving employment with the Company or a Subsidiary, as applicable.

(3) *Non-Solicitation of Others.* I agree that for a period of twelve (12) months immediately following the termination of my relationship with the Company for any reason, whether with or without cause, at the option either of the Company or myself, with or without notice, I will not solicit, encourage, or induce, or cause to be solicited, encouraged or induced, directly or indirectly, any franchisee, joint venture, supplier, vendor or contractor who conducted business with the Company or a Subsidiary at any time during the two-year period preceding the termination of my employment with the Company, to terminate or adversely modify any business relationship with the Company or a Subsidiary, as applicable, or not to proceed with, or enter into, any business relationship with the Company or a Subsidiary, nor shall I otherwise interfere with any business relationship between the Company or a Subsidiary and any such franchisee, joint venture, supplier, vendor or contractor.

C. *Acknowledgements.* I acknowledge that I will derive significant value from the Company's and the Subsidiaries' agreement to provide me with Company Confidential Information and Associated Third Party Confidential Information to enable me to optimize the performance of my duties to the Company, which such duties include provision of services to the Subsidiaries. I further acknowledge that my fulfillment of the obligations contained in this Agreement, including, but not limited to, my obligation neither to disclose nor to use Company Confidential Information other than for the Company's exclusive benefit and my obligations not to compete and not to solicit contained in subsections (A) and (B) above, is necessary to protect Company Confidential Information and Associated Third Party Confidential Information and, consequently, to preserve the value and goodwill of the Company and the Subsidiaries. I also acknowledge the time, geographic and scope limitations of my obligations under subsections (A) and (B) above are fair and reasonable in all respects, especially in light of the Company's and the Subsidiaries' need to protect Company Confidential Information and Associated Third Party Confidential

Information and the scope and nature of the Company's and the Subsidiaries' businesses, and that I will not be precluded from gainful employment if I am obligated not to compete with the Company and the Subsidiaries or solicit its or their customers, employees, or others during the period and within the Territory as described above. In the event of my breach or violation of this **Section 8**, or good faith allegation by the Company of my breach or violation of this **Section 8**, the restricted periods set forth in this **Section 8** shall be tolled until such breach or violation, or dispute related to an allegation by the Company that I have breached or violated this **Section 8**, has been duly cured or resolved, as applicable. I agree that nothing in this **Section 8** shall affect my continuing obligations under this Agreement during and after this twelve (12) month period, including, without limitation, my obligations under **Section 2**.

D. Separate Covenants. The covenants contained in subsections (A) and (B) above shall be construed as a series of separate covenants, one for each city, county and state of any geographic area in the Territory. Except for geographic coverage, each such separate covenant shall be deemed identical in terms to the covenant contained in subsections (A) and (B) above. If, in any judicial or arbitral proceeding, a court or arbitrator refuses to enforce any of such separate covenants (or any part thereof), then such unenforceable covenant (or such part) shall be revised, or if revision is not permitted it shall be eliminated from this Agreement, to the extent necessary to permit the remaining separate covenants (or portions thereof) to be enforced. In the event that the provisions of subsections (A) and (B) above are deemed to exceed the time, geographic or scope limitations permitted by applicable law, then such provisions shall be reformed to the maximum time, geographic or scope limitations, as the case may be, then permitted by such law. In the event that the applicable court or arbitrator does not exercise the power granted to it in the prior sentence, I and the Company agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term.

9. CONFLICT OF INTEREST GUIDELINES

I agree to diligently adhere to all policies of the Company, including the Company's insider trading policies and the Company's Conflict of Interest Guidelines. A copy of the Company's current Conflict of Interest Guidelines is attached as Exhibit C hereto, but I understand that these Conflict of Interest Guidelines may be revised from time to time during my employment.

10. REPRESENTATIONS

Without limiting my obligations under **Section 3.E** above, I agree to execute any proper oath or verify any proper document required to carry out the terms of this Agreement. I represent and warrant that my performance of all the terms of this Agreement will not breach any agreement to keep in confidence information acquired by me in confidence or in trust prior to my employment by the Company. I hereby represent and warrant that I have not entered into, and I will not enter into, any oral or written agreement in conflict herewith.

11. AUDIT

I acknowledge that I have no reasonable expectation of privacy in any Company Electronic Media Equipment or Company Electronic Media Systems. All information, data, and messages created, received, sent, or stored in Electronic Media Equipment or Company Electronic Media Systems are, at all times, the property of the Company. As such, the Company has the right to audit and search all such items and systems, without further notice to me, to ensure that the Company is licensed to use the software on the Company's devices in compliance with the Company's software licensing policies, to ensure compliance with the Company's policies, and for any other business-related purposes in the Company's sole discretion. I understand that I am not permitted to add any unlicensed, unauthorized, or non-compliant applications to the Company's technology systems, including, without limitation, open source or free

software not authorized by the Company, and that I shall refrain from copying unlicensed software onto the Company's technology systems or using non-licensed software or websites. I understand that it is my responsibility to comply with the Company's policies governing use of the Company's documents and the internet, email, telephone, and technology systems to which I will have access in connection with my employment. In addition, as to any personal Electronic Media Equipment or personal Electronic Media Systems or other personal property that I have used for Company purposes, I agree that the Company may have reasonable access to such personal Electronic Media Equipment or personal Electronic Media Systems or other personal property to review, retrieve, destroy, or ensure the permanent deletion of Company information from such equipment or systems or property or take such other actions that are needed to protect the Company or Company property, as determined by the Company reasonably and in good faith.

I am aware that the Company has or may acquire software and systems that are capable of monitoring and recording all Company network traffic to and from any Company Electronic Media Equipment or Company Electronic Media Systems. The Company reserves the right to access, review, copy, and delete any of the information, data, or messages accessed through Company Electronic Media Equipment or Company Electronic Media Systems, with or without notice to me and/or in my absence. This includes, but is not limited to, all e-mail messages sent or received, all website visits, all chat sessions, all news group activity (including groups visited, messages read, and postings by me), and all file transfers into and out of the Company's internal networks. The Company further reserves the right to retrieve previously deleted messages from e-mail or voicemail and monitor usage of the Internet, including websites visited and any information I have downloaded. In addition, the Company may review Internet and technology systems activity and analyze usage patterns, and may choose to publicize this data to assure that technology systems are devoted to legitimate business purposes.

12. ARBITRATION AND EQUITABLE RELIEF

A. *Arbitration.* IN CONSIDERATION OF MY EMPLOYMENT WITH THE COMPANY, ITS PROMISE TO ARBITRATE ALL EMPLOYMENT-RELATED DISPUTES WITH ME, AND MY RECEIPT OF COMPENSATION AND OTHER COMPANY BENEFITS, AT PRESENT AND IN THE FUTURE, I AGREE THAT ANY AND ALL CONTROVERSIES, CLAIMS, OR DISPUTES THAT I MAY HAVE WITH THE COMPANY (INCLUDING ANY COMPANY EMPLOYEE, OFFICER, DIRECTOR, TRUSTEE, OR BENEFIT PLAN OF THE COMPANY, IN THEIR CAPACITY AS SUCH OR OTHERWISE), ARISING OUT OF, RELATING TO, OR RESULTING FROM MY EMPLOYMENT OR RELATIONSHIP WITH THE COMPANY OR THE TERMINATION OF MY EMPLOYMENT OR RELATIONSHIP WITH THE COMPANY, INCLUDING ANY BREACH OF THIS AGREEMENT, SHALL BE SUBJECT TO BINDING ARBITRATION UNDER THE FEDERAL ARBITRATION ACT (THE "FAA"). THE FAA'S SUBSTANTIVE AND PROCEDURAL RULES SHALL GOVERN AND APPLY TO THIS ARBITRATION AGREEMENT WITH FULL FORCE AND EFFECT, AND ANY STATE COURT OF COMPETENT JURISDICTION MAY STAY PROCEEDINGS PENDING ARBITRATION OR COMPEL ARBITRATION IN THE SAME MANNER AS A FEDERAL COURT UNDER THE FAA. I FURTHER AGREE THAT, TO THE FULLEST EXTENT PERMITTED BY LAW, I MAY BRING ANY SUCH ARBITRATION PROCEEDING ONLY IN MY INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF, REPRESENTATIVE OR CLASS MEMBER IN ANY PURPORTED CLASS, COLLECTIVE OR REPRESENTATIVE LAWSUIT OR PROCEEDING. DISPUTES THAT I AGREE TO ARBITRATE, AND THEREBY AGREE TO WAIVE ANY RIGHT TO A TRIAL BY JURY, INCLUDE ANY STATUTORY CLAIMS UNDER LOCAL, STATE, OR FEDERAL LAW, INCLUDING, BUT NOT LIMITED TO, CLAIMS UNDER TITLE VII OF THE CIVIL RIGHTS ACT OF 1964, THE CIVIL RIGHTS ACT OF 1991, THE FAIR LABOR STANDARDS ACT, THE AMERICANS WITH DISABILITIES ACT OF 1990, THE AGE DISCRIMINATION IN

EMPLOYMENT ACT OF 1967, THE OLDER WORKERS BENEFIT PROTECTION ACT, THE WORKER ADJUSTMENT AND RETRAINING NOTIFICATION ACT, THE FAIR CREDIT REPORTING ACT, THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, THE FAMILY AND MEDICAL LEAVE ACT, CLAIMS RELATING TO EMPLOYMENT STATUS, CLASSIFICATION AND RELATIONSHIP WITH THE COMPANY, CLAIMS OF HARASSMENT, DISCRIMINATION, WRONGFUL TERMINATION, BREACH OF CONTRACT, AND ANY STATUTORY OR COMMON LAW CLAIMS. I ALSO AGREE TO ARBITRATE ANY AND ALL DISPUTES ARISING OUT OF OR RELATING TO THE INTERPRETATION OR APPLICATION OF THIS AGREEMENT TO ARBITRATE, BUT NOT DISPUTES ABOUT THE ENFORCEABILITY, REVOCABILITY OR VALIDITY OF THIS AGREEMENT TO ARBITRATE. WITH RESPECT TO ALL SUCH CLAIMS AND DISPUTES THAT I AGREE TO ARBITRATE, I HEREBY EXPRESSLY AGREE TO WAIVE, AND DO WAIVE, ANY RIGHT TO A TRIAL BY JURY. I FURTHER UNDERSTAND THAT THIS AGREEMENT TO ARBITRATE ALSO APPLIES TO ANY DISPUTES THAT THE COMPANY MAY HAVE WITH ME. I UNDERSTAND THAT NOTHING IN THIS AGREEMENT CONSTITUTES A WAIVER OF ANY RIGHTS I MAY HAVE UNDER APPLICABLE LAW, SUCH AS THE SARBANES-OXLEY ACT, INCLUDING ANY RIGHTS PROHIBITING COMPULSORY ARBITRATION.

B. *Procedure.* I AGREE THAT ANY ARBITRATION WILL BE ADMINISTERED BY JAMS, PURSUANT TO ITS EMPLOYMENT ARBITRATION RULES & PROCEDURES (THE "JAMS RULES"), WHICH ARE AVAILABLE AT <http://www.jamsadr.com/rules-employment-arbitration/> AND FROM THE COMPANY. PROVIDED, HOWEVER, THAT THE JAMS RULES SHALL NOT CONTRADICT OR OTHERWISE ALTER THE TERMS OF THIS AGREEMENT. THE ARBITRATION SHALL BE BEFORE A SINGLE ARBITRATOR WHO SHALL BE A FORMER FEDERAL OR STATE COURT JUDGE. THE ARBITRATION SHALL APPLY THE FEDERAL RULES OF CIVIL PROCEDURE, EXCEPT TO THE EXTENT SUCH RULES CONFLICT WITH THE JAMS RULES. IF THE JAMS RULES CANNOT BE ENFORCED AS TO THE ARBITRATION, THEN THE PARTIES AGREE THAT THEY WILL ARBITRATE THIS DISPUTE UNDER THE FAA AND PURSUANT TO THE ARBITRATION PROVISIONS SET FORTH IN IN THE VIRGINIA UNIFORM ARBITRATION ACT, VA. CODE SECTION 8.01-577 ET SEQ. (THE "**THE RULES**"). I UNDERSTAND THAT THE PARTIES TO THE ARBITRATION SHALL EACH PAY AN EQUAL SHARE OF THE COSTS AND EXPENSES OF SUCH ARBITRATION ("ARBITRATION COSTS"), EXCEPT AS PROHIBITED BY LAW. AND UNDERSTAND THAT EACH PARTY SHALL SEPARATELY PAY ITS RESPECTIVE ATTORNEYS' FEES AND COSTS. IN THE EVENT THAT JAMS FAILS, REFUSES, OR OTHERWISE DOES NOT ENFORCE THE AFOREMENTIONED ARBITRATION COSTS SHARING PROVISION, EITHER PARTY MAY COMMENCE AN ACTION TO RECOVER SUCH AMOUNTS AGAINST THE NON-PAYING PARTY IN COURT AND THE NON-PAYING PARTY SHALL REIMBURSE THE MOVING PARTY FOR THE ATTORNEYS' FEES AND COSTS INCURRED IN CONNECTION WITH SUCH ACTION. I AGREE THAT THE ARBITRATOR SHALL CONSIDER AND SHALL HAVE THE POWER TO DECIDE ANY MOTIONS BROUGHT BY ANY PARTY TO THE ARBITRATION, INCLUDING MOTIONS FOR SUMMARY JUDGMENT AND/OR ADJUDICATION, AND MOTIONS TO DISMISS, PRIOR TO ANY ARBITRATION HEARING. I AGREE THAT THE ARBITRATOR SHALL ISSUE A WRITTEN DECISION ON THE MERITS. I ALSO AGREE THAT THE ARBITRATOR SHALL HAVE THE POWER TO AWARD ANY REMEDIES AVAILABLE UNDER APPLICABLE LAW. I AGREE THAT THE DECREE OR AWARD RENDERED BY THE ARBITRATOR MAY BE ENTERED AS A FINAL AND BINDING JUDGMENT IN ANY COURT HAVING JURISDICTION THEREOF. I AGREE THAT THE ARBITRATOR SHALL APPLY SUBSTANTIVE VIRGINIA LAW TO ANY DISPUTE OR CLAIM, WITHOUT REFERENCE TO RULES OF CONFLICT OF LAW. TO THE EXTENT THAT THE JAMS RULES CONFLICT WITH SUBSTANTIVE VIRGINIA LAW, VIRGINIA LAW SHALL TAKE PRECEDENCE. I AGREE THAT THE DECISION OF THE ARBITRATOR SHALL BE IN WRITING. I AGREE THAT ARBITRATION UNDER THIS AGREEMENT SHALL BE CONDUCTED IN FAIRFAX COUNTY, VIRGINIA.

C. Remedy. EXCEPT AS PROVIDED BY THE RULES AND THIS AGREEMENT, ARBITRATION SHALL BE THE SOLE, EXCLUSIVE AND FINAL REMEDY FOR ANY DISPUTE BETWEEN ME AND THE COMPANY. ACCORDINGLY, EXCEPT AS PROVIDED FOR BY THE RULES OR THIS AGREEMENT, NEITHER I NOR THE COMPANY WILL BE PERMITTED TO PURSUE OR PARTICIPATE IN A COURT ACTION REGARDING CLAIMS THAT ARE SUBJECT TO ARBITRATION.

D. Availability of Injunctive Relief. I AGREE THAT ANY PARTY MAY ALSO PETITION THE COURT FOR INJUNCTIVE RELIEF WHERE EITHER PARTY ALLEGES OR CLAIMS A VIOLATION OF THE AT-WILL EMPLOYMENT, CONFIDENTIAL INFORMATION, INVENTION ASSIGNMENT, AND ARBITRATION AGREEMENT BETWEEN ME AND THE COMPANY OR ANY OTHER AGREEMENT REGARDING TRADE SECRETS, CONFIDENTIAL INFORMATION, NONCOMPETITION OR NONSOLICITATION. I UNDERSTAND THAT ANY BREACH OR THREATENED BREACH OF SUCH AN AGREEMENT WILL CAUSE IRREPARABLE INJURY AND THAT MONEY DAMAGES WILL NOT PROVIDE AN ADEQUATE REMEDY THEREFOR AND BOTH PARTIES HEREBY CONSENT TO THE ISSUANCE OF AN INJUNCTION WITHOUT POSTING OF A BOND. IN THE EVENT EITHER PARTY SEEKS INJUNCTIVE RELIEF, THE PREVAILING PARTY SHALL BE ENTITLED TO RECOVER REASONABLE COSTS AND ATTORNEYS' FEES WITHOUT REGARD FOR THE PREVAILING PARTY IN THE FINAL JUDGMENT, IF ANY. SUCH ATTORNEYS' FEES AND COSTS SHALL BE RECOVERABLE ON WRITTEN DEMAND AT ANY TIME, INCLUDING, BUT NOT LIMITED TO, PRIOR TO ENTRY OF A FINAL JUDGMENT, IF ANY, BY THE COURT, AND MUST BE PAID WITHIN THIRTY (30) DAYS AFTER DEMAND OR ELSE SUCH AMOUNTS SHALL BE SUBJECT TO THE ACCRUAL OF INTEREST AT A RATE EQUAL TO THE MAXIMUM STATUTORY RATE.

E. Administrative Relief I UNDERSTAND THAT THIS AGREEMENT DOES NOT PROHIBIT ME FROM PURSUING AN ADMINISTRATIVE CLAIM WITH A LOCAL, STATE, OR FEDERAL ADMINISTRATIVE BODY OR GOVERNMENT AGENCY THAT IS AUTHORIZED TO ENFORCE OR ADMINISTER LAWS RELATED TO EMPLOYMENT, INCLUDING, BUT NOT LIMITED TO, THE VIRGINIA DIVISION OF HUMAN RIGHTS, THE EQUAL EMPLOYMENT OPPORTUNITY COMMISSION, THE NATIONAL LABOR RELATIONS BOARD, THE SECURITIES AND EXCHANGE COMMISSION, OR THE WORKERS' COMPENSATION BOARD. THIS AGREEMENT DOES, HOWEVER, PRECLUDE ME FROM PURSUING A COURT ACTION REGARDING ANY SUCH CLAIM, EXCEPT AS PERMITTED BY LAW.

F. Voluntary Nature of Agreement. I ACKNOWLEDGE AND AGREE THAT I AM EXECUTING THIS AGREEMENT VOLUNTARILY AND WITHOUT ANY DURESS OR UNDUE INFLUENCE BY THE COMPANY OR ANYONE ELSE. I FURTHER ACKNOWLEDGE AND AGREE THAT I HAVE CAREFULLY READ THIS AGREEMENT AND THAT I HAVE ASKED ANY QUESTIONS NEEDED FOR ME TO UNDERSTAND THE TERMS, CONSEQUENCES, AND BINDING EFFECT OF THIS AGREEMENT AND FULLY UNDERSTAND IT, INCLUDING THAT I AM WAIVING MY RIGHT TO A JURY TRIAL. FINALLY, I AGREE THAT I HAVE BEEN PROVIDED AN OPPORTUNITY TO SEEK THE ADVICE OF AN ATTORNEY OF MY CHOICE BEFORE SIGNING THIS AGREEMENT.

13. MISCELLANEOUS

A. Governing Law; Consent to Personal Jurisdiction. With the exception of the arbitration requirements set forth in Section 12 herein (to the extent governed by the FAA as indicated therein), this Agreement will be governed by the laws of the Commonwealth of Virginia without regard to Virginia's conflicts of law rules that may result in the application of the laws of any jurisdiction other than Virginia. To the extent that any lawsuit is permitted under this Agreement, I hereby expressly consent to the personal and exclusive jurisdiction and venue of the state and federal courts exercising jurisdiction over Fairfax County, Virginia for any lawsuit filed against me by the Company.

B. Assignability. This Agreement will be binding upon my heirs, executors, assigns, administrators, and other legal representatives, and will be for the benefit of the Company, its successors, and its assigns. The Associated Third Parties are intended third-party beneficiaries to this Agreement with respect to my obligations in **Section 2.D**. Notwithstanding anything to the contrary herein, the Company may assign this Agreement and its rights and obligations under this Agreement to any successor to all or substantially all of the Company's relevant assets, whether by merger, consolidation, reorganization, reincorporation, sale of assets or stock, or otherwise. For avoidance of doubt, the Company's successors and assigns are authorized to enforce the Company's rights under this Agreement.

C. Entire Agreement. This Agreement, together with the Exhibits herein and any executed written offer letter between me and the Company, to the extent such materials are not in conflict with this Agreement, sets forth the entire agreement and understanding between the Company and me with respect to the subject matter herein and supersedes all prior written and oral agreements, discussions, or representations between us, including, but not limited to, any representations made during my interview(s) or relocation negotiations. I represent and warrant that I am not relying on any statement or representation not contained in this Agreement. Any subsequent change or changes in my duties, salary, compensation, conditions or any other terms of my employment will not affect the validity or scope of this Agreement.

D. Headings. Headings are used in this Agreement for reference only and shall not be considered when interpreting this Agreement.

E. Severability. If a court or other body of competent jurisdiction finds, or the Parties mutually believe, any provision of this Agreement, or portion thereof, to be invalid or unenforceable, such provision will be enforced to the maximum extent permissible so as to effect the intent of the Parties, and the remainder of this Agreement will continue in full force and effect.

F. Modification, Waiver. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, will be effective unless in a writing signed by the President or CEO of the Company and me. Waiver by the Company of a breach of any provision of this Agreement will not operate as a waiver of any other or subsequent breach.

G. Survivorship. The rights and obligations of the Parties to this Agreement will survive termination of my employment with the Company.

14. PROTECTED ACTIVITY NOT PROHIBITED

I understand that nothing in this Agreement limits or prohibits me from filing a charge or complaint with, or otherwise communicating or cooperating with or participating in any investigation or proceeding that may be conducted by, any federal, state or local government agency or commission, including the Securities and Exchange Commission, the Equal Employment Opportunity Commission, the Occupational Safety and Health Administration, and the National Labor Relations Board ("**Government Agencies**"), including disclosing documents or other information as permitted by law, without giving notice to, or receiving authorization from, the Company. Notwithstanding, in making any such disclosures or communications, I agree to take all reasonable precautions to prevent any unauthorized use or disclosure of any information that may constitute Company Confidential Information to any parties other than the Government Agencies. I further understand that I am not permitted to disclose the Company's attorney-client privileged communications or attorney work product. In addition, I hereby acknowledge that the Company has provided me with notice in compliance with the Defend Trade Secrets Act of 2016 regarding immunity from liability for limited disclosures of trade secrets. EXHIBIT C

SPACEFLIGHT INDUSTRIES, INC. CONFLICT OF INTEREST GUIDELINES

It is the policy of Spaceflight Industries, Inc. to conduct its affairs in strict compliance with the letter and spirit of the law and to adhere to the highest principles of business ethics. Accordingly, all officers, employees, and independent contractors must avoid activities that are in conflict, or give the appearance of being in conflict, with these principles and with the interests of the Company. The following are potentially compromising situations that must be avoided:

1. Revealing confidential information to outsiders or misusing confidential information. Unauthorized divulging of information is a violation of this policy whether or not for personal gain and whether or not harm to the Company is intended. (The At-Will Employment, Confidential Information, Invention Assignment, and Arbitration Agreement elaborates on this principle and is a binding agreement.)

2. Accepting or offering substantial gifts, excessive entertainment, favors, or payments that may be deemed to constitute undue influence or otherwise be improper or embarrassing to the Company.

3. Participating in civic or professional organizations that might involve divulging confidential information of the Company.

4. Initiating or approving personnel actions affecting reward or punishment of employees or applicants where there is a family relationship or is, or appears to be, a personal or social involvement.

5. Initiating or approving any form of personal or social harassment of employees.

6. Investing or holding outside directorship in suppliers, customers, or competing companies, including financial speculations, where such investment or directorship might influence in any manner a decision or course of action of the Company.

7. Borrowing from or lending to employees, customers, or suppliers,

8. Acquiring real estate of interest to the Company.

9. Improperly using or disclosing to the Company any proprietary information or trade secrets of any other employer or other person or entity with whom obligations of confidentiality exist.

10. Unlawfully discussing prices, costs, customers, sales, or markets with competing companies or their employees.

11. Making any unlawful agreement with distributors with respect to prices.

12. Improperly using or authorizing the use of any inventions that are the subject of patent claims of any other person or entity.

13. Engaging in any conduct that is not in the best interest of the Company.

Each officer, employee, and independent contractor must take every necessary action to ensure compliance with these guidelines and to bring problem areas to the attention of higher management for review. Violations of this conflict of interest policy may result in immediate termination of employment.

Nothing in these guidelines is intended to limit employees' rights to discuss the terms, wages, and working conditions of their employment, as protected by applicable law, including any rights an employee may have under Section 7 of the National Labor Relations Act. Also, nothing in these guidelines limits or prohibits employees from filing a charge or complaint with, or otherwise communicating or cooperating with or participating in any investigation or proceeding that may be conducted by, any federal, state or local government agency or commission, including the Securities and Exchange Commission, the Equal Employment Opportunity Commission, the Occupational Safety and Health Administration, and the National

Labor Relations Board (“Government Agencies”), including disclosing documents or other information as permitted by law, without giving notice to, or receiving authorization from, the Company. Notwithstanding, in making any such disclosures or communications, employees must take all reasonable precautions to prevent any unauthorized use or disclosure of any information that may constitute Company Confidential Information to any parties other than the Government Agencies. Employees may not disclose the Company’s attorney-client privileged communications or attorney work product.

All other terms contained in this Agreement, unless otherwise indicated, shall have the meaning provided by the Code to the extent such terms are defined therein.

Subject to and upon the terms and conditions of this Agreement, on the Effective Date, each of the Lenders shall make an Advance in an aggregate principal amount equal to such Lender’s Effective Date Commitment; provided that (a) no Lender shall be required to fund any amount in excess of its respective Effective Date Commitment on the Effective Date and (b) any Advance may be repaid or prepaid in accordance with the provisions hereof, but once repaid or prepaid, no Advance may be reborrowed; provided further that each of the Co-Borrowers and the Lenders (x) acknowledge that Advances made by Seahawk to Parent and the other Co-Borrowers, together with all the accrued and unpaid interest with respect to such Advances (and all other Obligations with respect thereto), in each case, pursuant to the Existing Loan and Security Agreement is equal to \$18,445,745 (the “Seahawk **Rollover Advance**”), (y) hereby agree that the Seahawk Rollover Advance shall be deemed an Advance made on the Effective Date pursuant to this Agreement, and (z) hereby agree that such Seahawk Rollover Advance shall be inclusive of all Obligations owed by the Co-Borrowers to Seahawk under the Existing Credit Agreement as of the Effective Date.

2.1.2 Repayment.

(a) *Interest Payment Dates.* During the PIK Interest Period, the aggregate principal amount of all outstanding Advances shall accrue interest at the applicable per annum rate set forth in Section 2.1.4(a). The amount of all interest accrued during the PIK Interest Period (“**PIK Interest**”) shall be added, on a pro-rata basis, to the outstanding principal amount of each Lender’s Advances on each anniversary of the Effective Date through (each, a “**PIK Interest Payment Date**”). From the end of the PIK Interest Period through the Maturity Date (or earlier prepayment or repayment), the aggregate principal amount of all outstanding Advances (including, for the avoidance of doubt any capitalized PIK Interest) shall accrue interest at the applicable per annum rate set forth in Section 2.1.4(a). Interest accrued after the PIK Interest Period shall be payable in cash semi-annually in arrears, commencing with the first Business Day of the month that is six months following the last day of the PIK Interest Period.

(b) *Principal and Interest Payments.* All then unpaid principal amount of each Advance owed by the Co-Borrowers to the Lenders, together with all accrued and unpaid interest, fees, and other amounts due and owing by the Co-Borrowers pursuant to this Agreement, shall be due and payable on the Maturity Date; provided, however, that if the Advances are repaid or prepaid prior the end of the PIK Interest Period, all interest occurred since the most recent PIK Interest Payment Date shall be due and payable in cash.

2.1.3 Prepayment.

(a) *Mandatory Prepayment Upon an Acceleration.* Without duplication of Section 2.1.3(b), if the Advances are accelerated in accordance with Section 9.1 following the occurrence and during the continuance of an Event of Default, the Co-Borrowers shall immediately pay to the Lenders an amount equal to the sum of (x) the outstanding principal amount of the Advances, plus accrued and unpaid interest with respect to the Advances, and (y) all other sums, if any, that shall have become due and payable hereunder, in each case, subject to the payment priorities set forth in Section 9.14.

(b) *Mandatory Prepayment Upon a Change of Control.* Without duplication of Section 2.1.3(a), upon the occurrence of a Change of Control, the Co-Borrowers shall within five (5) Business Days of such occurrence pay to the Lenders an amount equal to the sum of (x) the outstanding principal amount of the Advances, plus accrued and unpaid interest with respect to the Advances, (y) an amount equal to 1% of the aggregate principal amount of Advances outstanding at the time of such occurrence, and (z) all other sums, if any, that shall have become due and payable hereunder, in each case, subject to the payment priorities set forth in Section 9.14.

(c) *Voluntary Prepayment.* Co-Borrowers shall be permitted to prepay all or any portion of the Advances, in each case, without premium or penalty (except for prepayments made pursuant to Section 2.1.3(b) which are made in connection with a Change of Control), in an amount not less than the lesser of (i) the total amount of Advances outstanding under this Agreement or (ii) \$1,000,000, in each case, so long as (1) such Co-Borrower delivers written notice to each Lender of its election to prepay the Advances (or any portion thereof) at least five (5) Business Days (or such lesser amount permitted by the Required Lenders in their reasonable discretion) prior to such prepayment and (2) such Co-Borrowers pay, on the date of such prepayment (x) all outstanding principal due in connection with the Advances (or portion

thereof) to be prepaid, plus accrued and unpaid interest thereon, and (y) all other sums, if any, that shall have become due and payable hereunder in connection with such Advances (or portion thereof); provided that a notice of the prepayment delivered by any Co-Borrower may state that such notice of prepayment is conditioned upon the occurrence of other events, in which case such notice may be revoked by such Co-Borrower (by notice to each Lender on or prior to the specified effective date of such event) if such condition is not satisfied; provided, further that with respect to any prepayments made pursuant to Section 2.1.3(b) which are made in connection with a Change of Control, the Co-Borrowers shall pay to the Lenders an amount equal to the sum of (x) all outstanding principal due in connection with the Advances (or portion thereof) to be prepaid, plus accrued and unpaid interest thereon plus (y) all other sums, if any, that shall have become due and payable hereunder in connection with such Advances (or portion thereof) plus (z) an amount equal to 1% of the aggregate principal amount of such Advances (or portion thereof).

(d) *Application of Voluntary Prepayments.* Such voluntary prepayments pursuant to the forgoing clause (d) shall be applied: (i) first, to the Collateral Agent to repay all Agent Expenses then due and owing in accordance with Section 2.3, (ii) second, to the Lenders in accordance with each such Lender's Pro Rata Share to repay all Lender Expenses then due and owing in accordance with Section 2.3, (iii) third, to the Lenders in accordance with each such Lender's Pro Rata Share, to the payment in full of all accrued and unpaid interest on the Advances (or portion thereof), (iv) fourth, to the Lenders in accordance with each such Lender's Pro Rata Share, to the payment in full of the then outstanding principal amount of the Advances (or portion thereof) being prepaid, in direct order of maturity or as otherwise directed by the Co-Borrowers and (v) fifth, to the Lenders in accordance with each such Lender's Pro Rata Share, to payment in full of all other costs, expenses or fees and other sums, if any, then due and payable hereunder.

2.1.4 Interest on the Advances.

(a) *Interest Rate.* Subject to Sections 2.1.2 and 2.1.4(b), the principal amount outstanding for each Advance shall accrue interest at a per annum rate equal to the applicable interest rate set forth opposite the corresponding period set forth in the chart below:

| <u>Applicable Period</u> | <u>Interest Rate</u> |
|---|----------------------|
| PIK-Interest Period | 4.0% |
| November 1, 2022 through October 31, 2023 | 9.0% |
| November 1, 2023 to the Maturity Date | 10.0% |

(b) *Default Rate.* Upon the occurrence and during the continuance of an Event of Default, upon the election of the Required Lenders, Obligations shall bear interest at a rate per annum which is two percentage points (2.00%) above the rate that is otherwise applicable thereto (the "**Default Rate**") unless the Required Lenders otherwise elect from time to

time in their sole discretion to impose a smaller increase. Fees and expenses which are required to be paid by Co-Borrowers pursuant to the Loan Documents (including, without limitation, Agent Expenses and Lender Expenses to the extent provided under Section 2.3) but are not paid when due shall bear interest until paid at a rate equal to the highest rate applicable to the Advances. Payment or acceptance of the increased interest rate provided in this Section 2.1.4(b) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Lenders.

(c) *Computation; 360-Day Year.* In computing interest for Advances, the date the Advance is funded shall be included and the date of payment shall be excluded; provided, that if any Advance is repaid on the same day on which it is made, such day shall be included in computing interest on such Advance. Interest shall be computed on the basis of a 360-day year for the actual number of days elapsed.

(d) *Payments; Application of Payments.*

(i) All payments (including prepayments) to be made by Co-Borrowers under any Loan Document shall be made in immediately available funds in U.S. Dollars, without setoff or counterclaim, before 12:00 p.m. New York City time on the date when due. Payments of principal and/or interest received after 12:00 p.m. New York City time are considered received at the opening of business on the next Business Day. When a payment is due on a day that is not a Business Day, the payment shall be due the next Business Day, and additional fees or interest, as applicable, shall continue to accrue until paid.

(ii) Co-Borrowers shall have no right to specify the order or the accounts to which Collateral Agent or the Lenders shall allocate or apply any payments required to be made by Co-Borrowers to the Collateral Agent or the Lenders or otherwise received by the Collateral Agent or the Lenders under this Agreement when any such allocation or application is not specified elsewhere in this Agreement.

2.2 Mechanics for Advances; Reductions of Commitments; Deductions

2.2.1 **Deductions.** Each Lender may deduct fees, permitted Lender Expenses, Advances which become due pursuant to this Agreement, and other amounts, in each case, due pursuant to this Agreement from any Advances required to be made by such Lender.

2.2.2 **Procedures for Borrowing.** Parent will deliver a completed Payment/Advance Form to each Lender with each request for an Advance not later than 12:00 p.m., New York City time, at least three (3) Business Days before the date of the proposed Advance and such Payment/Advance Form shall specify such Lender's applicable Pro Rata Advance Amount with respect to such Advance. If Co-Borrowers satisfy the conditions set forth in Section 3, each Lender shall disburse its respective Pro Rata Advance Amount with respect to such Advance by transfer to the deposit account of Parent designated in writing by Parent. The Lenders may rely on information set forth in, or provided with, the Payment/Advance Form. The Lenders may make an Advance under this Agreement based on instructions from a Responsible Officer of Parent or his or her designee. The Lenders may rely on any telephone notice given by

a person whom the Lenders reasonably believe is a Responsible Officer of Parent or designee thereof. Co-Borrowers shall indemnify the Lenders for any loss any Lender suffers due to such reasonable reliance. Notwithstanding anything herein to the contrary each Lender severally commits to make Advances in an aggregate principal amount equal to such Lender's applicable Commitment and no Lender shall have liability for the Commitments provided by any other Lender.

2.2.3 Optional Reduction or Termination of Commitments. The Co-Borrowers may at any time, or from time to time reduce the Commitments; provided that any such reduction of Commitments shall be made on a pro rata basis with respect to the remaining unfunded Commitments of all Lenders; provided further that each reduction of the Commitments shall be in an amount that is an integral multiple of \$1,000,000 or such lesser amount as may constitute the remaining undrawn portion of the Commitments. Parent shall notify each Lender of any election to terminate or reduce the Commitments under this Section 2.2.3 at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Each notice delivered by Parent pursuant to this Section 2.2.3 shall be irrevocable; provided that a notice of the reduction of the Commitments to \$0 delivered by the Co-Borrowers may state that such notice is conditioned upon the occurrence of other events, in which case such notice may be revoked by the Co-Borrowers (by notice to each Lender on or prior to the specified effective date of such event) if such condition is not satisfied.

2.3 Lender Expenses and Agent Expenses; Taxes; Illegality.

(a) **Collateral Agent and Lender Expenses.** Co-Borrowers shall pay all Agent Expenses and Lender Expenses (including reasonable and documented attorneys' fees and expenses, plus expenses for documentation and negotiation of this Agreement) incurred through and after the Effective Date, when due; provided that the aggregate amount of Agent Expenses and Lender Expenses in connection with the closing of this Agreement and the other Loan Documents on or about the Effective Date shall not exceed Two Hundred Fifty Thousand Dollars (\$250,000) per Lender.

(b) **[Reserved].**

(c) **Taxes.**

(i) For purposes of this Section 2.3(c), the term "applicable law" includes FATCA. Any and all payments by or on account of any obligation of the Co-Borrowers under any Loan Document shall be made without deduction or withholding for any Taxes except as required by applicable law. If applicable law (as determined in the good faith discretion of the applicable Co-Borrower) requires the deduction or withholding of any Tax from any payments made by a Co-Borrower (including payments under this paragraph), then the Co-Borrower shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Co-Borrower shall be increased as necessary so that after such deduction or withholding of Indemnified Taxes has been made (including such deductions and withholdings applicable to additional sums payable

under this Section) the applicable Lender receives an amount equal to the sum it would have received had no such deduction or withholding been made. Upon Lender request, as soon as practicable after any payment of Taxes by any Co-Borrower to a Governmental Authority, as provided in this Section, the Co-Borrower will deliver to such Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return reporting such payment or other evidence of such payment reasonably satisfactory to such Lender. Upon Lender request, the Co-Borrower will confirm that it has paid the Taxes required under this Section by giving such Lender official tax receipts (or notarized copies) within thirty (30) days after the date of such request.

(ii) The Co-Borrowers shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(iii) The Co-Borrowers shall jointly and severally indemnify the applicable Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Lender or required to be withheld or deducted from a payment to such Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to a Co-Borrower by such Lender shall be conclusive absent manifest error.

(iv) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes (including any tax credit in lieu of a refund) as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to indemnified party the amount paid over pursuant to this paragraph (iv) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (iv), in no event will any Lender be required to pay any amount to any Co-Borrower pursuant to this paragraph (iv) the payment of which would place such Lender in a less favorable net-after-Tax position than such Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(v) Each Lender that is entitled to an exemption from or reduction of withholding tax with respect to payments made under any Loan Documents shall deliver to the Co-Borrowers at the time or times reasonably requested by the Co-Borrowers such properly completed and executed documentation reasonably requested by the Co-Borrowers as may permit such payments to be made without withholding or at a reduced rate of withholding. In addition, each Lender, if and to the extent reasonably requested by the Co-Borrowers, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Co-Borrowers as will enable the Co-Borrowers to determine whether or not such Lender are subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in clauses (1) and (2) below) shall not be required if in such Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Without limiting the generality of the foregoing:

(1) Each Lender shall, to the extent it is legally entitled to do so, deliver to the Co-Borrowers (in such number of copies as shall be requested) on or prior to the Effective Date (and from time to time thereafter upon the reasonable request of the Co-Borrowers) executed copies of any form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax (including, without limitation, (i) executed copies of IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of any income tax treaty to which the United States is a party, (ii) a certificate to the effect that such Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Tax Code, a "10-percent shareholder" of the Co-Borrowers within the meaning of Section 881(c)(3)(B) of the Tax Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Tax Code, together with executed copies of IRS Form W-8BEN-E, (iii) executed copies of IRS Form W-8ECI and (iv) executed copies of Form W-8IMY, together with executed copies of IRS Form W-8BEN-E or IRS Form W-8ECI, as applicable), duly completed, together with such supplementary documentation as may be prescribed by applicable law or reasonably requested by the Co-Borrowers to permit the Co-Borrowers to determine any withholding or deduction required to be made.

(2) If a payment made to any Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Tax Code, as applicable), such Lender shall deliver to the Co-Borrowers at the time or times prescribed by law and as such time or times reasonably requested by the Co-Borrowers such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the

Tax Code) and such additional documentation reasonably requested by the Co-Borrowers as may be necessary for the Co-Borrowers to comply with their obligations under FATCA and to determine that such Lender has complied with its obligations under FATCA or determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (2), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(d) **Illegality.** If a Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender to perform any of its obligations hereunder or to make, maintain or fund or charge interest with respect to any Advance, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Co-Borrowers, any obligation of such Lender to issue, make, maintain, fund or charge interest with respect to any Advance shall be suspended until such Lender notifies the Co-Borrowers that the circumstances giving rise to such determination no longer exist.

(e) **Survival.** All of the Co-Borrowers' and the Lenders' obligations under this Section 2.3 shall survive repayment of all other Obligations hereunder.

2.4 **Power of Attorney.** Subject to the terms of the Mitsui Intercreditor Agreement (if applicable), each Co-Borrower irrevocably appoints Collateral Agent and its successors and assigns as attorney-in-fact and authorizes Collateral Agent and its successors and assigns, to, at the direction of the Required Lenders, following the occurrence of and during the continuance of an Event of Default (and automatically terminating when no Event of Default is continuing): (a) sell, assign, transfer, pledge, compromise, or discharge all or any part of its Accounts; (b) demand, collect, sue, and give releases to any Account Debtor for monies due and compromise, prosecute, or defend any action, claim, case or proceeding about its Accounts, including filing a claim or voting a claim in any bankruptcy case in Collateral Agent's or such Co-Borrower's name, as Collateral Agent (at the direction of the Required Lenders) chooses; (c) prepare, file and sign such Co-Borrower's name on any notice, claim, assignment, demand, draft, or notice of or satisfaction of lien or mechanics' lien or similar document; (d) notify all Account Debtors to pay Collateral Agent directly provided that Collateral Agent shall endeavor to have conversations with the Co-Borrower's prior to Collateral Agent making any such notifications; (e) receive, open, and dispose of mail addressed to such Co-Borrower; (f) endorse such Co-Borrower's name on checks or other instruments (to the extent necessary to pay amounts owed pursuant to any of the Loan Documents); and (g) execute on such Co-Borrower's behalf any instruments, documents, financing statements to perfect Collateral Agent's interests in its Accounts and Collateral and do all acts and things necessary or prudent, as determined solely and exclusively by Collateral Agent to protect or preserve, Collateral Agent's rights and remedies under the Loan Documents, as directed by the Required Lenders.

2.5 **[Reserved]**.

2.6 Use of Proceeds. The proceeds of the Advances may be used as follows: (i) repayment of a principal amount of obligations under the SVB Loan Agreement in an amount not to exceed \$28,000,000, plus accrued and unpaid interest and fees thereon; (ii) to pay \$7,100,000 to the Industrial JV on or about the Effective Date, (iii) debt service payments (including, without limitation, payments and prepayments of principal, premiums (if any), interest, expenses, costs and fees) for the Indebtedness under the Mitsui Loan Documents and any other Permitted Indebtedness; (iv) financing fees, costs and expenses in connection with the Transaction; and (v) working capital and general corporate purposes.

2.7 Request for Incremental Advances.

2.7.1 **Request for Incremental Term Loan Commitments**. At any time after the Effective Date, Parent may, from time to time by written notice to any Lender, add one or more (a) increases to any Lender's existing Commitments or (b) new commitments from one or more other Persons selected by the Parent (and subject to the approval of the Required Lenders, not to be unreasonably withheld, conditioned or delayed) not previously party to this Agreement (each Commitment increase or new commitment, an **"Incremental Term Loan Commitment"**, and each term loan, an **"Incremental Term Loan"**, and collectively, the **"Incremental Term Loan Facilities"** and each such existing Lender or other Person providing an Incremental Term Loan Facility, an **"Incremental Lender"** and, collectively, the **"Incremental Lenders"**) to make one or more additional Advances; provided that no Lender shall have any obligation to provide an Incremental Term Loan Facility and such determination of providing any Incremental Term Loan Facility will be in such Lender's sole discretion; provided further that the aggregate amount of all Incremental Term Loan Facilities pursuant to this Agreement shall not exceed \$41,554,255; provided further that the sum of (1) the aggregate principal amount of all Advances (including Incremental Term Loans) made pursuant to this Agreement and (2) the aggregate principal amount outstanding under the Commercial Credit Facility, shall not exceed \$110,000,000 at the time of such applicable Advance (the **"Aggregate Cap"**).

2.7.2 **Term Loan Commitment Effective Date and Allocations**. Parent shall determine the effective date (the **"Incremental Term Loan Effective Date"**) and the final allocation of any Incremental Term Loan Facility. Parent shall notify all Lenders of the final allocation of any Incremental Term Loan Facility and the Incremental Term Loan Effective Date on or prior to such Incremental Term Loan Effective Date.

2.7.3 **Terms of Incremental Term Loan Commitments**. The terms of each Incremental Term Loan Facility (which shall be set forth in the relevant Incremental Amendment) shall be determined by the Borrower and the applicable Incremental Lenders; provided that:

(a) each such Incremental Term Loan Facility (a) shall have a final maturity that is no earlier than the final stated maturity date of the Advances outstanding at the time such Incremental Term Loan Facility is incurred (the **"Existing Advances"**), (b) shall have a weighted average life to maturity that is no shorter than the weighted average life to maturity of the Existing Advances, (c) may share ratably in any prepayments of the Existing Advances unless the Co-Borrowers and the Incremental Lenders with respect to such Incremental Term Loan Facility agree to a less than pro rata share of such prepayments, (d) may provide for interest, fees, original issue discount, or other premiums, in each case as agreed among the Co-Borrowers and such Incremental Lenders with respect to such Incremental Term Loan Facility and

(e) except to the extent set forth in the foregoing clause (a) through (d), shall have the same terms as the Existing Advances; provided that additional terms and conditions may be added for the benefit of the Incremental Lenders (in their capacities as lenders hereunder) so long as such additional terms and conditions are also provided for the benefit of the Lenders holding any Existing Advances (the “**MFN Provision**”); and

(b) each Advance made pursuant to any Incremental Term Loan Facility and any accrued and unpaid interest thereon shall in each case, constitute Obligations of the Co-Borrowers.

2.7.4 Conditions to Effectiveness of Incremental Term Loan Facility. Subject in all respect to the MFN Provision (if applicable), (x) any Incremental Term Loan Facility shall become effective as of such Incremental Term Loan Effective Date and (y) any funding of an Incremental Term Loan and the effectiveness of any Incremental Term Loan Commitment, in each case, shall be subject to the following conditions precedent:

(a) the Co-Borrowers shall have executed an Incremental Amendment in form and substance reasonably acceptable to Parent and the applicable Incremental Lenders (and to the extent such Incremental Amendment provides any additional terms and conditions for the benefit of the Incremental Lenders (in their capacities as lenders hereunder), such Incremental Amendment shall give effect to the MFN Provision), which shall be part of and integrated with this Agreement upon the execution of such Incremental Amendment;

(b) the conditions of Section 3.2 have been satisfied with respect to such Incremental Term Loan Commitment.

2.7.5 Incremental Amendments. Each such Incremental Term Loan Commitment shall be effected pursuant to an amendment (an “**Incremental Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Co-Borrowers, and the applicable Incremental Lenders and acknowledged by the Collateral Agent (which acknowledgement shall not be unreasonably withheld, conditioned, delayed or denied), which Incremental Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of Parent, Collateral Agent and the Incremental Lenders, to effect the provisions of this Section 2.7; provided that, to the extent that such Incremental Amendment and such Incremental Term Loan Commitments do not violate any applicable provisions in this Agreement (including the MFN Provision, to the extent applicable), notwithstanding the foregoing or the requirements set forth in Section 12.7 or elsewhere in this Agreement, (a) such Incremental Amendment shall only be required to consist of (i) a joinder of and acknowledgment to this Agreement signed solely by each of the Incremental Lenders and the Co-Borrowers in the form attached as Exhibit E, (ii) a joinder with respect to any other applicable Loan Documents (including the Mitsui Intercreditor Agreement if applicable) signed by solely by each of the Incremental Lenders and the other parties to such Loan Documents (other than the Lenders), and (iii) a supplement to Schedule I hereof reflecting such Incremental Increases attached to such joinder and acknowledgment (the “**Joinder Documentation**”) and (b) neither the consent of any other Lender nor the consent of the Collateral Agent shall not be required with respect the execution and delivery of the Joinder Documentation.

2.8 Defaulting Lenders.

2.8.1 **Adjustments.** Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(a) *Waivers and Amendments.* Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 12.7.

(b) *Reallocation of Payments.* Any payment of principal, interest, fees or other amounts received by the Lenders or Collateral Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 9 or otherwise), shall be applied by the Co-Borrowers at such time or times as follows: first, as Parent may request (so long as no Default exists), to the funding of any Advance in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; second, if so determined by the Required Lenders (for the purposes of clarity, not inclusive of any Defaulting Lender) and Parent, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of such Defaulting Lender to fund Advances under this Agreement; third, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; fourth, so long as no Default exists, to the payment of any amounts owing to any Co-Borrower as a result of any judgment of a court of competent jurisdiction obtained by any Co-Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and fifth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided, that, if (A) such payment is a payment of the principal amount of any Advances in respect of which such Defaulting Lender has not fully funded its appropriate share and (B) such Advances were made at a time when the conditions set forth in Section 3 were satisfied or waived, such payment shall be applied solely to pay the Advances of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Advances of such Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.8.1(b) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents thereto.

2.8.2 **Defaulting Lender Cure.** If Parent and the Required Lenders (for the purposes of clarity, not inclusive of any Defaulting Lender) agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, that Lender will, to the extent applicable, purchase that portion of outstanding Advances of the other Lenders or take such other actions as necessary to cause the Advances to be held on a pro rata basis by the Lenders in accordance with their applicable Pro Rata Shares, whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of any Co-Borrower while that Lender was a Defaulting Lender; provided further that, except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

3. CONDITIONS OF LOANS

3.1 Conditions Precedent to Initial Credit Extension The Lenders' obligation to make the initial Advance on the Effective Date is subject to the condition precedent that the Lenders shall have received, in form and substance reasonably satisfactory to the Lenders, the following:

- (a) delivery of this Agreement, duly executed by the parties hereto;
- (b) delivery of (1) the Mitsui Intercreditor Agreement on the terms set forth in Exhibit F hereto and (2) the Mitsui Loan Agreement, and evidence of the funding thereunder, which shall have been consummated or shall be consummated simultaneously or substantially concurrently with the closing under this Agreement on the terms set forth in Exhibit G hereto;
- (c) delivery of the other Loan Documents that are required to be executed on the Effective Date;
- (d) delivery of the Equity Documents that are required to be executed on the Effective Date;
- (e) the Collateral Agent shall have received a certificate of a Responsible Officer or applicable manager of each Co-Borrower, dated the Effective Date, certifying as to the Operating Documents of such Co-Borrower (which, to the extent filed with a Governmental Authority, shall be certified as of a recent date by such Governmental Authority), the resolutions of such Co-Borrower's board of directors, members, or managers, as applicable, approving the Loan Documents and the transactions contemplated thereby, the good standing, existence or its equivalent of such Co-Borrower and of the incumbency (including specimen signatures) of the Responsible Officers of such Co-Borrower;
- (f) certified copies, dated as of a recent date, of financing statement searches, as Collateral Agent shall request, accompanied by written evidence (including any UCC termination statements) that the Liens indicated in any such financing statements either constitute Permitted Liens or have been or, in connection with the initial Advance, will be terminated or released;

The agreement of the Lenders to make each Advance, including the initial Advance on the Effective Date or any Incremental Term Loan, and the effectiveness of any Incremental Loan Commitment, in each case, is subject to the following (unless waived by the Lenders funding such Advance):

(b) no Default or Event of Default shall have occurred and shall be continuing or would result from such Advance; and

The Co-Borrowers expressly agree that an Advance made prior to the receipt by Collateral Agent or any Lender of any such item shall not constitute a waiver by Collateral Agent or any Lender of the Co-Borrowers' obligation to deliver such item, and the making of any Advance in the absence of a required item shall be in each Lender's sole discretion.

3.4 Post-Closing Covenant to Deliver. Following the Effective Date, the Co-Borrowers agree to deliver the following items within the time periods set forth therein:

4. CREATION OF SECURITY INTEREST

4.1 Grant of Security Interest. Each Co-Borrower hereby grants Collateral Agent for the benefit of all Lenders, to secure the payment and performance in full of all of the Obligations, a continuing security interest in, to and under and pledges to Collateral Agent, the Collateral, wherever located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof. Each Co-Borrower represents, warrants, and covenants that the security interest granted herein shall be and shall at all times continue to be a perfected security interest in the Collateral subject only to Permitted Liens. If any Co-Borrower shall at any time acquire a commercial tort claim valued by such Co-Borrower at more than One Hundred Thousand Dollars (\$100,000), such Co-Borrower shall promptly notify the Lenders in a writing signed by such Co-Borrower of the general details thereof and grant to Collateral Agent in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Required Lenders.

If this Agreement is terminated, Collateral Agent's Lien in the Collateral shall continue until the Obligations (other than inchoate indemnity obligations) are satisfied in full, and at such time, Collateral Agent shall promptly, at the Co-Borrowers' sole cost and expense, terminate its security interest in the Collateral and all rights therein shall revert to the Co-Borrowers.

4.2 Authorization to File. Each Co-Borrower hereby authorizes Collateral Agent to (i) file financing statements, without notice to such Co-Borrower, with all appropriate jurisdictions to perfect or protect Collateral Agent's interest or rights hereunder and (ii) file the Intellectual Property Security Agreements in the United States Patent and Trademark Office and the United States Copyright Office to perfect or protect Collateral Agent's interest in or rights hereunder. Any such financing statements may indicate the Collateral as "all assets of the Debtor" or words of similar effect, or as being of an equal or lesser scope, or with greater detail, all in Collateral Agent's discretion (at the direction of the Required Lenders).

5. REPRESENTATIONS AND WARRANTIES

Each Co-Borrower represents and warrants as follows:

5.1 Due Organization and Authorization. Co-Borrower and each of its Subsidiaries are duly existing and in good standing as Registered Organizations in their respective jurisdictions of formation and are qualified and licensed to do business and are in good standing in any other jurisdiction in which the conduct of their respective business or ownership of property requires that they be qualified except where the failure to do so could not reasonably be expected to have a Material Adverse Effect. In connection with this Agreement, Co-Borrower has delivered to Collateral Agent a completed certificate signed by Co-Borrower, entitled Perfection Certificate (the "**Perfection Certificate**"). Co-Borrower represents and warrants to Collateral Agent that, in each case, except as may have been updated by a notification to Collateral Agent pursuant to Section 7.2, (a) Co-Borrower's exact legal name is that indicated on the Perfection Certificate and on the signature page hereof; (b) Co-Borrower is an organization of the type and is organized in the jurisdiction set forth in the Perfection Certificate; (c) the Perfection Certificate accurately sets forth Co-Borrower's organizational identification number

or accurately states that Co-Borrower has none; (d) the Perfection Certificate accurately sets forth Co-Borrower's place of business, or, if more than one, its chief executive office as well as Co-Borrower's mailing address (if different than its chief executive office); (e) other than as set forth on the Perfection Certificate, Co-Borrower (and each of its predecessors) has not, in the past five (5) years, changed its jurisdiction of formation, corporate structure, organizational type, or any organizational number assigned by its jurisdiction; and (f) all other information set forth on the Perfection Certificate pertaining to Co-Borrower and each of its Subsidiaries is true, accurate and complete in all material respects (it being understood and agreed that Co-Borrower may from time to time update certain information in the Perfection Certificate after the Effective Date to the extent permitted by one or more specific provisions in this Agreement). If Co-Borrower is not now a Registered Organization but later becomes one, Co-Borrower shall promptly notify Lender of such occurrence and provide Lender with Co-Borrower's organizational identification number.

The execution, delivery and performance by Co-Borrower of the Loan Documents to which it is a party have been duly authorized by such Co-Borrower, and do not (i) conflict with any of Co-Borrower's organizational documents, (ii) contravene, conflict with, constitute a default under or violate any material Requirement of Law, (iii) contravene, conflict with or violate any applicable order, writ, judgment, injunction, decree, determination or award of any Governmental Authority by which Co-Borrower or any of its Subsidiaries or any of their property or assets are bound, (iv) require any action by, filing, registration, or qualification with, or Governmental Approval from, any Governmental Authority (except such Governmental Approvals which have already been obtained and are in full force and effect and filings necessary to perfect Liens granted under the Loan Documents or are being obtained pursuant to Section 6.1(b) of this Agreement) or (v) constitute an event of default under any material agreement by which Co-Borrower is bound. Co-Borrower is not in default under any agreement to which it is a party or by which it is bound in which the default could reasonably be expected to result in a Material Adverse Effect.

5.2 Collateral. Co-Borrower has good title to, has rights in, and the power to transfer, each item of the Collateral upon which it purports to grant a Lien hereunder, free and clear of any and all Liens except Permitted Liens. Co-Borrower has no deposit accounts other than those described in the Perfection Certificate delivered to Lender in connection herewith or those for which Co-Borrower has given Collateral Agent notice and taken such actions as are necessary to give Lender a perfected security interest therein pursuant to the terms of and to the extent required by Section 6.5.

The Collateral is not in the possession of any third party bailee (such as a warehouse) except as otherwise provided in the Perfection Certificate or as permitted pursuant to Section 7.2 of this Agreement. None of the components of the Collateral are currently being maintained at locations other than as provided in the Perfection Certificate or as permitted pursuant to Section 7.2 of this Agreement.

Co-Borrower is the sole owner of the Intellectual Property which it owns or purports to own. To the best of Co-Borrower's knowledge, each Patent which it owns or purports to own and which is material to Co-Borrower's business is valid and enforceable, and no part of the Intellectual Property which Co-Borrower owns or purports to own and which is material to each

Co-Borrower's business has been judged invalid or unenforceable, in whole or in part. No claim has been made in writing that any part of its owned Intellectual Property violates the rights of any third party except to the extent such claim would not reasonably be expected to result in a Material Adverse Effect. Except as noted on the Perfection Certificate or as disclosed to Collateral Agent pursuant to Section 6.9(b) of this Agreement, Co-Borrower is not a party to, nor is it bound by, any Restricted License.

5.3 Litigation. Other than as disclosed in the Perfection Certificate or as otherwise disclosed in writing pursuant to Section 6.2, there are no actions or proceedings pending or, to the knowledge of such Co-Borrower's Responsible Officers, threatened in writing by or against Co-Borrower or any Subsidiary that would reasonably be expected to result in a fine, penalty or other monetary damages of more than, individually or in the aggregate, One Hundred Thousand Dollars (\$100,000).

5.4 No Material Deviation in Financial Statements and Deterioration in Financial Condition To the best of management's knowledge, the consolidated income statement covering the period from January 2019 to September 2019 delivered to the Lender fairly presents in all material respects the Borrower and its Subsidiaries' consolidated operating results as of the date and for the period presented therein. The parties acknowledge that associated balance sheet and statement of cash flows remain subject to audit and other accounting adjustments that will be posted upon completion of the Company's 2018 financial audit. There has not been any material deterioration in Co-Borrower's consolidated financial condition since the date of the most recent financial statements submitted to Collateral Agent.

5.5 Solvency. After giving effect to the transactions entered into or effected on or about the Effective Date: (i) the fair salable value on a going concern basis of the Co-Borrowers' assets on a consolidated basis (including goodwill minus disposition costs) will exceed the fair value of their liabilities; (ii) the Co-Borrowers on a consolidated basis will not be left with unreasonably small capital after the transactions contemplated by this Agreement to be effected on the Effective Date; and (iii) Parent, taken on a consolidated basis with its Subsidiaries will be able to pay its debts (including trade debts) generally as they mature.

5.6 Regulatory Compliance. Co-Borrower is not an "investment company" or a company "controlled" by an "investment company" under the Investment Company Act of 1940, as amended. Co-Borrower is not engaged as one of its important activities in extending credit for margin stock (under Regulations X, T and U of the Federal Reserve Board of Governors). Co-Borrower has complied in all material respects with the Federal Fair Labor Standards Act. Co-Borrower has not violated any laws, ordinances or rules, the violation of which could reasonably be expected to cause a Material Adverse Effect. None of Co-Borrower's or any Subsidiary's properties or assets has been used by Co-Borrower or any Subsidiary or, to the best of Co-Borrower's knowledge, by previous Persons, in disposing, producing, storing, treating, or transporting any hazardous substance other than in material compliance with the law. Co-Borrower and each of its Subsidiaries have obtained all consents, approvals and authorizations of, made all declarations or filings with, and given all notices to, all Governmental Authorities that are necessary to continue their respective businesses as currently conducted, in each case, except to the extent that any non-compliance could not reasonably be expected to have a Material Adverse Effect.

5.7 Subsidiaries. Co-Borrower does not own any stock, partnership interest or other equity securities except for Permitted Investments.

5.8 Tax Returns and Payments; Pension Contributions Co-Borrower and each Subsidiary have (i) timely filed all required federal tax returns and timely paid all federal taxes owed by Co-Borrower and each Subsidiary, and (ii) timely filed or obtained extensions for filing all required material foreign, state and local tax returns and reports, and Co-Borrower and each Subsidiary have timely paid all material foreign, state and local taxes, assessments, deposits and contributions owed by Co-Borrower and each Subsidiary except to the extent such taxes, individually or in the aggregate, are less than One Hundred Thousand Dollars (\$100,000). Notwithstanding the forgoing, Co-Borrower may defer payment of any contested taxes in accordance with Section 6.3. Co-Borrower is unaware of any claims or adjustments proposed for any of Co-Borrower's prior tax years which could result in additional taxes becoming due and payable by Co-Borrower in excess of One Hundred Thousand Dollars (\$100,000). Co-Borrower has paid all amounts necessary to fund all present pension, profit sharing and deferred compensation plans in accordance with their terms, and Co-Borrower has not withdrawn from participation in, and has not permitted partial or complete termination of, or permitted the occurrence of any other event with respect to, any such plan which could reasonably be expected to result in any material liability of Co-Borrower, including any liability to the Pension Benefit Guaranty Corporation or its successors or any other governmental agency.

5.9 Full Disclosure. No written representation, warranty or other statement of Co-Borrower in any certificate or written statement given to Collateral Agent, as of the date such representation, warranty, or other statement was made, taken together with all such written certificates and written statements given to Collateral Agent, contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements contained in the certificates or statements not materially misleading (it being recognized by Collateral Agent and the Lenders that any projections and forecasts provided by Co-Borrower in good faith and based upon reasonable assumptions are not viewed as facts and that actual results during the period or periods covered by such projections and forecasts may differ from the projected or forecasted results).

5.10 Other Agreements. The Industrial JV LLCA, the Satellite Program Contract, the Technology License Agreement and the JCMA have not been amended or modified in any way not previously disclosed in writing to the Lenders prior to the Effective Date and remain in full force and effect as of the Effective Date, in each case, except to the extent modified by or in connection with the consent contemplated in Section 3.1(l) hereof.

5.11 2018 Audited Financial Statements. The delay of the delivery of the Parent's financial audit for the fiscal year ending December 31, 2018 shall not result in a default under any Material Agreement (other than the Mitsui Loan Agreement and the SVB Loan Agreement) to which any Co-Borrower or any of its Subsidiaries is a party, in and of itself or as a result of the occurrence of a default under the Mitsui Loan Agreement or the SVB Loan Agreement, resulting in a right by such third party or parties, whether or not exercised, to accelerate the maturity of any Indebtedness under a Material Agreement or otherwise terminate such Material Agreement, as applicable. "Material Agreement" is any agreement in respect of Indebtedness in an amount in excess of Two Hundred Fifty Thousand Dollars (\$250,000) or the subject matter of which has a contract value in an aggregate amount in excess of Two Hundred Fifty Thousand Dollars (\$250,000).

6. AFFIRMATIVE COVENANTS

The Co-Borrowers shall do all of the following:

6.1 Government Compliance.

(a) Except as permitted by Sections 7.2 and 7.3, maintain their and all their Subsidiaries' legal existence and good standing in their respective jurisdictions of formation and maintain qualification in each jurisdiction in which the failure to so qualify would reasonably be expected to result in a Material Adverse Effect. The Co-Borrowers shall comply, and have each Subsidiary comply, with all laws, ordinances and regulations to which it is subject, noncompliance with which could reasonably result in a Material Adverse Effect.

(b) Obtain all of the Governmental Approvals necessary for the performance by the Co-Borrowers of their obligations under the Loan Documents to which it is a party and the grant of a security interest to Collateral Agent in the Collateral. The Co-Borrowers shall promptly provide copies of any such obtained Governmental Approvals to each Lender.

(b) Allow Collateral Agent (at the direction of the Required Lenders) to inspect the Collateral and audit and copy each Co-Borrower's Books, including, but not limited to, such Co-Borrower's Accounts, upon reasonable notice to such Co-Borrower and during normal business hours. Such inspections or audits shall be conducted no more often than once every twelve (12) months unless an Event of Default has occurred and is continuing. After the occurrence and during the continuance of an Event of Default, Collateral Agent (at the direction of the Required Lenders) may audit the Co-Borrowers' Collateral at the Co-Borrowers' expense, including, but not limited to, the Co-Borrowers' Accounts as frequently as Collateral Agent (at the direction of the Required Lenders) deems necessary at the Co-Borrowers' expense and at Collateral Agent's (at the direction of the Required Lenders) sole and exclusive discretion, without notification to and authorization from the Co-Borrowers. Promptly notify and allow any one (1) officer, director, employee or consultant of the Collateral Agent to attend and observe each meeting of the board of directors or other equivalent governing body of each Co-Borrower.

(c) Provide each Lender with each notice or other correspondence received from the SEC (or comparable agency in any applicable non-U.S. jurisdiction) or any regulatory entity concerning any investigation or possible investigation or other inquiry by such agency regarding financial or other operational results of any Co-Borrower or any Subsidiary thereof.

(d) Promptly, but in any event within two (2) Business Days, notify each Lender:

- (iii) of any material change in accounting policies or financial reporting practices by any Co-Borrower or any Subsidiary thereof.

Each notice pursuant to the foregoing Sections 6.2(d)(i) and (ii) shall be accompanied by a statement of a Responsible Officer of Parent setting forth details of the occurrence referred to therein and, to the extent applicable, stating what action Parent has taken and proposes to take with respect thereto. Each notice pursuant to the foregoing Section 6.2(d)(i) shall describe with particularity any and all provisions of this Agreement and any other Loan Document that have been breached, if any.

(e) Concurrently with the delivery of materials pursuant to subsection 6.2(a)(ii), the Co-Borrowers will notify the Collateral Agent in writing of any acquisition by the Co-Borrowers of any registration of or application for any material Copyright, Patent or Trademark constituting Collateral, and each applicable Co-Borrower shall take such actions as may be reasonably requested by the Collateral Agent to perfect the security interest granted to the Collateral Agent and the other Lenders, to the extent provided herein in respect of any Copyright, Patent or Trademark constituting Collateral, by the making of appropriate filings in the United States Patent and Trademark Office or United States Copyright Office.

6.3 Taxes. Make, and cause each Subsidiary to make, timely payment of all federal and all material foreign, state, and local taxes or assessments, in each case, other than taxes and assessments which the Co-Borrowers (a) (i) contest in good faith, with adequate reserves maintained in accordance with GAAP, (ii) notify each Lender in writing of the commencement of, and any material development in, the proceedings and (iii) post bonds or take any other steps required to prevent the Governmental Authority levying such contested taxes from obtaining a Lien upon any of the Collateral that is other than a "Permitted Lien" or (b) to the extent such taxes, individually or in the aggregate, are less than Two Hundred Fifty Thousand Dollars (\$250,000).

6.4 Insurance. Keep their businesses and the Collateral insured for risks and in amounts standard for companies in the Co-Borrowers' industry and location. All liability policies with respect to Collateral shall show, or have endorsements showing, Collateral Agent as an additional insured. All policies (or their respective endorsements) shall provide that the insurer shall give

Collateral Agent at least twenty (20) days' notice before canceling, materially amending, or declining to renew its policy. At Collateral Agent's (at the direction of the Required Lenders) request, the Co-Borrowers shall deliver certified copies of policies and evidence of all premium payments. Proceeds payable under any policy shall, at Collateral Agent's option (at the direction of the Required Lenders), be payable to Collateral Agent on account of the Obligations. Notwithstanding the foregoing, (a) so long as no Event of Default has occurred and is continuing, each of the Co-Borrowers shall have the option of applying the proceeds of any casualty policy toward the replacement or repair of destroyed or damaged property useful to such Co-Borrower's business or acquiring other property otherwise used or useful in any Co-Borrower's business; provided that any such replaced or repaired or new property shall be deemed Collateral unless otherwise excluded or permitted to be excluded hereunder, and (b) after the occurrence and during the continuance of an Event of Default, all proceeds payable under such casualty policy shall, at the option of Collateral Agent (at the direction of the Required Lenders), be payable to Collateral Agent on account of the Obligations. If an Event of Default has occurred and is continuing and if the Co-Borrowers fail to obtain insurance as required under this Section 6.4 or to pay any amount or furnish any required proof of payment to third persons and Collateral Agent, Collateral Agent may make all or part of such payment or obtain such insurance policies required in this Section 6.4, and take any action under the policies Collateral Agent (at the direction of the Required Lenders) deems prudent.

6.5 Deposit Accounts. Promptly notify each Lender in writing upon the acquisition or creation by any Co-Borrower or by any Subsidiary of any Co-Borrower of any Collateral Account not listed on the Perfection Certificate provided to Collateral Agent as of the Effective Date. Within forty-five (45) days of (a) the Effective Date with respect to Collateral Accounts held by the Co-Borrowers on the Effective Date and (b) in all other cases, the acquisition or creation of a Collateral Account, provide for the execution of a Control Agreement with respect thereto. Notwithstanding the foregoing or anything to the contrary herein or in any other Loan Document, the provisions of the foregoing shall not apply to Excluded Accounts.

6.6 Inventory; Returns; Certain Notices. Keep all Inventory in good and marketable condition, free from material defects. Returns and allowances between Co-Borrowers and their Account Debtors shall follow the Co-Borrowers' customary practices as they exist at the Effective Date. If, at any time during the term of this Agreement, any representation, warranty or covenant set forth in this Agreement or the other Loan Documents is no longer true in all material respects, the Co-Borrowers will promptly advise each Lender.

6.7 Further Assurances. Execute any further instruments and take further action as Collateral Agent (at the direction of the Required Lenders) reasonably requests to perfect or continue Collateral Agent's Lien in the Collateral or to effect the purposes of this Agreement and the other Loan Documents.

6.8 Formation or Acquisition of Subsidiaries. Notwithstanding and without limiting the negative covenants contained in Sections 7.3 and 7.7 hereof, at the time that a Co-Borrower forms any direct or indirect Subsidiary or acquires any direct or indirect Subsidiary after the Effective Date (including, without limitation, pursuant to a Division), such Co-Borrower shall, within thirty (30) days of such acquisition (a) cause such new Subsidiary to provide to Collateral Agent a joinder to the Loan Agreement to cause such Subsidiary to become a Co-Borrower,

together with such appropriate financing statements and/or Control Agreements, all in form and substance reasonably satisfactory to Collateral Agent (as directed by the Required Lenders) (including being sufficient to grant Collateral Agent a Lien (subject to Permitted Liens) in and to the assets of such newly formed or acquired Subsidiary), (b) provide to Bank appropriate certificates and powers and financing statements pledging all of the direct or beneficial ownership interest in such new Subsidiary in form and substance reasonably satisfactory to Collateral Agent (as directed by the Required Lenders), and (c) provide to Collateral Agent all other documentation in form and substance reasonably satisfactory to Collateral Agent (as directed by the Required Lenders), which in its reasonable determination is necessary and appropriate with respect to the execution and delivery of the applicable documentation referred to above. Any document, agreement, or instrument executed or issued pursuant to this Section 6.8 shall be a Loan Document.

6.9 Protection of Intellectual Property Rights

8.6 Other Agreements. There is, under any agreement to which any Co-Borrower or any of its Subsidiaries is a party with a third party or parties, (a) any default resulting in a right by such third party or parties, whether or not exercised, to accelerate the maturity of any Indebtedness in an amount individually or in the aggregate in excess of Two Hundred Fifty Thousand Dollars (\$250,000) (including, without limitation, the SVB Loan Agreement and the Mitsui Loan Agreement, if applicable) or (b) any default by such Co-Borrower, the result of which the Lenders unanimously determine could result in a Material Adverse Change;

9. AGENT'S AND LENDER'S RIGHTS AND REMEDIES

9.1 Rights and Remedies. Upon the occurrence and during the continuance of an Event of Default, Collateral Agent (at the direction of the Required Lenders), may, without notice or demand, do any or all of the following:

(a) declare all Obligations immediately due and payable (but if an Event of Default described in Section 8.4 of this Agreement occurs, all Obligations are immediately due and payable without any action by Collateral Agent);

(b) settle or adjust disputes and claims directly with Account Debtors for amounts, on terms and in any order that Collateral Agent (at the direction of the Required Lenders) considers advisable and notify any Person owing a Co-Borrower money of Collateral Agent's security interest in such funds and verify the amount of such account and such Co-Borrower shall collect all payments in trust for Collateral Agent and, if requested by Collateral Agent (at the direction of the Required Lenders), immediately deliver the payments to each applicable Lender in the form received from the Account Debtor, with proper endorsements for deposit;

(c) make any payments and do any acts it considers necessary or reasonable to protect its security interest in the Collateral, the Co-Borrowers shall assemble the Collateral if Collateral Agent (at the direction of the Required Lenders) requests and make it available as Collateral Agent (at the direction of the Required Lenders) designates and Collateral Agent (at the direction of the Required Lenders) may enter premises where the Collateral is located, take and maintain possession of any part of the Collateral, and pay, purchase, contest, or compromise any Lien (other than the IP Holdco Liens) which appears to be prior or superior to its security interest and pay all expenses incurred, with each Co-Borrower grants Collateral Agent a license to enter and occupy any of its premises, without charge, to exercise any of Collateral Agent's rights or remedies;

(d) apply to the Obligations any (i) balances and deposits of a Co-Borrower it holds, or (ii) any amount held by Collateral Agent owing to or for the credit or the account of a Co-Borrower;

(f) place a “hold” on any account maintained with Collateral Agent and/or deliver a notice of exclusive control, any entitlement order, or other directions or instructions pursuant to any Control Agreement or similar agreements providing control of any Collateral;

(g) demand and receive possession of each Co-Borrower’s Books; and

(h) exercise all rights and remedies available to Collateral Agent under the Loan Documents or at law or equity, including all remedies provided under the Code (including disposal of the Collateral pursuant to the terms thereof).

9.2 Protective Payments. If a Co-Borrower fails to obtain the insurance called for by Section 6.4 of this Agreement or fails to pay any premium thereon or fails to pay any other amount which such Co-Borrower is obligated to pay under this Agreement or any other Loan Document, Collateral Agent (at the direction of the Required Lenders) may obtain such insurance or make such payment, and all amounts so paid by Collateral Agent are Agent Expenses and immediately due and payable, bearing interest at the then highest rate applicable to the Obligations, and secured by the Collateral. Collateral Agent will make reasonable efforts to provide the Co-Borrowers with notice of Collateral Agent obtaining such insurance at the time it is obtained or within a reasonable time thereafter. No payments by Collateral Agent are deemed an agreement to make similar payments in the future or Collateral Agent’s or the Lenders’ waiver of any Event of Default.

9.3 Collateral Agent’s Liability for Collateral. So long as Collateral Agent treats the Collateral with substantially the same standard of care as it would its own property and complies with the Code regarding the safekeeping of Collateral in the possession of, or under the control of Collateral Agent, Collateral Agent shall not be liable or responsible for: (a) the safekeeping of the Collateral; (b) any loss or damage to the Collateral; (c) any diminution in the value of the Collateral; or (d) any act or default of any carrier, warehouseman, bailee, or other Person. The Co-Borrowers bear all risk of loss, damage or destruction of the Collateral.

9.4 No Waiver; Remedies Cumulative. Collateral Agent’s or any Lender’s failure, at any time or times, to require strict performance by Co-Borrowers of any provision of this Agreement or any other Loan Document shall not waive, affect, or diminish any right of Collateral Agent or any Lender’s thereafter to demand strict performance and compliance herewith or therewith. No waiver hereunder shall be effective unless signed by the party granting the waiver and then is only effective for the specific instance and purpose for which it is given. Collateral Agent’s or each Lender’s rights and remedies under this Agreement and the other Loan Documents are cumulative. Collateral Agent and each Lender has all rights and remedies provided under the Code, by law, or in equity. Collateral Agent’s or each Lender’s exercise of one right or remedy is not an election and shall not preclude Collateral Agent or any Lender from exercising any other remedy under this Agreement or other remedy available at law or in equity, and Collateral Agent’s or each Lender’s waiver of any Event of Default is not a continuing waiver. Collateral Agent’s or any Lender’s delay in exercising any remedy is not a waiver, election, or acquiescence.

9.5 Demand Waiver. Each Co-Borrower waives demand, notice of default or dishonor, notice of payment and nonpayment, notice of any default, nonpayment at maturity, release, compromise, settlement, extension, or renewal of accounts, documents, instruments, chattel paper, and guarantees held by Collateral Agent or any Lender on which such Co-Borrower is liable.

9.6 Co-Borrower Liability. Each Co-Borrower hereby appoints the other Co-Borrowers as agent for itself for all purposes hereunder, including with respect to requesting Advances hereunder. Each Co-Borrower hereunder shall be jointly and severally obligated to repay all Advances made hereunder, regardless of which Co-Borrower actually receives said Advances, as if each Co-Borrower hereunder directly received all Advances. Each Co-Borrower waives (a) any suretyship defenses available to it under the Code or any other applicable law and (b) any right to require Collateral Agent or any Lender to: (i) proceed against any Co-Borrower or any other person; (ii) proceed against or exhaust any security; or (iii) pursue any other remedy. Collateral Agent may exercise or not exercise any right or remedy it has against any Co-Borrower or any security it holds (including the right to foreclose by judicial or non-judicial sale) without affecting any Co-Borrower's liability.

Notwithstanding any other provision of this Agreement or other related document, each Co-Borrower irrevocably waives all rights that it may have at law or in equity (including, without limitation, any law subrogating such Co-Borrower to the rights of Collateral Agent or any Lender under this Agreement) to seek contribution, indemnification or any other form of reimbursement from any other Co-Borrower, or any other Person now or hereafter primarily or secondarily liable for any of the Obligations, for any payment made by such Co-Borrower with respect to the Obligations in connection with this Agreement or otherwise and all rights that it might have to benefit from, or to participate in, any security for the Obligations as a result of any payment made by such Co-Borrower with respect to the Obligations in connection with this Agreement or otherwise. Any agreement providing for indemnification, reimbursement or any other arrangement prohibited under this Section 9.6 shall be null and void. If any payment is made to a Co-Borrower in contravention of this Section 9.6, such Co-Borrower shall hold such payment in trust for Collateral Agent or the applicable Lender and such payment shall be promptly delivered to Collateral Agent or the applicable Lender for application to the Obligations, whether matured or unmatured.

9.7 Agency Appointment and Duties.

9.7.1 Appointment of Collateral Agent. Seahawk hereby resigns as Collateral Agent under the Existing Loan and Security Agreement and each Lender hereby irrevocably appoints Intelsat (together with any successor Collateral Agent pursuant to Section 9.8) as Collateral Agent hereunder and other Loan Documents and authorizes Collateral Agent to (i) execute and deliver the Loan Documents and accept delivery thereof on its behalf from Borrower or any of its Subsidiaries, (ii) take such action on its behalf and to exercise all rights, powers and remedies and perform the duties as are expressly delegated to Collateral Agent under such Loan Documents, (iii) act as agent of such Lender for purposes of acquiring, holding, enforcing and perfecting all Liens granted by the Co-Borrowers on the Collateral to secure any of the Obligations and (iv) exercise such powers as are reasonably incidental thereto. Notwithstanding anything to the contrary in this Agreement, the Existing Loan and Security Agreement or the Loan Documents (as defined in the Existing Loan and Security Agreement), Seahawk shall have no further obligations or liabilities in its capacity as Collateral Agent under the Existing Loan and Security Agreement after the Effective Date.

9.7.2 Duties as Collateral Agent. Without limiting the generality of Section 9.7.1, Collateral Agent shall have the sole and exclusive right and authority (to the exclusion of the Lenders), and is hereby authorized, to (i) file and prove claims and file other documents necessary or desirable to allow the claims of the Lenders with respect to any Obligation in any proceeding described in Section 8.4 or any other bankruptcy, insolvency or similar proceeding (but not to vote, consent or otherwise act on behalf of such Lender), (ii) act as collateral agent for each Lender for purposes of acquiring, holding, enforcing and perfecting all Liens created by the Loan Documents and all other purposes stated therein, (iii) manage, supervise and otherwise deal with the Collateral, (iv) take such other action as is necessary or desirable to maintain the perfection and priority of the Liens created or purported to be created by the Loan Documents, (v) except as may be otherwise specified in any Loan Document, exercise all remedies given to Collateral Agent and the other Lenders with respect to the Collateral, whether under the Loan Documents, applicable Requirement of Law or otherwise, (vi) enter into any subordination agreement or intercreditor agreement with respect to Indebtedness of any Co-Borrower permitted hereunder (including, without limitation, the Mitsui Intercreditor Agreement if applicable), (vii) enter into non-disturbance agreements and similar agreements and (viii) execute any amendment, consent or waiver under the Loan Documents on behalf of any Lender that has consented in writing to such amendment, consent or waiver; provided that Collateral Agent hereby appoints, authorizes and directs each Lender to act as collateral sub-agent and/or bailee for Collateral Agent and the Lenders for purposes of the perfection of all Liens with respect to the Collateral that are assets which, in accordance with the Code, can be perfected only by possession or control (or where the security interest of a secured party with possession or control has priority over the security interest of another secured party) and Collateral Agent and each Lender hereby acknowledges that it holds possession or control of any such Collateral for the benefit of Collateral Agent as secured party; provided further that should any Lender obtain possession or control of any such Collateral, such Lender shall notify Collateral Agent thereof, and, promptly upon Collateral Agent's request therefor shall deliver possession or control of such Collateral to Collateral Agent or in accordance with Collateral Agent's instructions. Co-Borrowers by their execution and delivery of this Agreement hereby consent to the foregoing.

9.7.3 Binding Effect. Each Lender agrees that (a) any action taken by Collateral Agent or the Required Lenders (or, if expressly required hereby, a greater proportion of the Lenders) in accordance with the provisions of the Loan Documents, (b) any action taken by Collateral Agent in reliance upon the instructions of the Required Lenders (or, where so required, such greater proportion) and (c) the exercise by Collateral Agent or the Required Lenders (or, where so required, such greater proportion) of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, in each case, shall be authorized and binding upon all of the Lenders.

9.7.4 Release; Covenant Not to Sue

(a) In consideration of the agreements of Lender contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Co-Borrower, on behalf of itself and its successors, assigns, and other legal representatives (each Co-Borrower and all such other Persons being hereinafter referred to collectively as the “**Releasors**” and individually as a “**Releasor**”), hereby absolutely, unconditionally and irrevocably releases, remises and forever discharges Seahawk, and its successors and assigns, and their present and former shareholders, members, managers, affiliates, subsidiaries, divisions, predecessors, directors, officers, attorneys, employees, agents, legal representatives, and other representatives (Seahawk and all such other Persons being hereinafter referred to collectively as the “**Releasees**” and individually as a “**Releasee**”), of and from all known demands, actions, causes of action, suits, covenants, contracts, controversies, agreements, promises, sums of money, accounts, bills, reckonings, damages and any and all other claims, counterclaims, defenses, rights of set off, demands and liabilities whatsoever of every name and nature, suspected or unsuspected, both at law and in equity, which any Releasor may now own, hold, have or claim to have against the Releasees or any of them for, upon, or by reason of any circumstance, action, cause or thing whatsoever which arises at any time on or prior to the Effective Date, in any way related to or in connection with Seahawk's role as Collateral Agent under the Existing Loan and Security Agreement, or any of the other Loan Documents or transactions thereunder or related thereto (individually, a “**Released Claim**” and collectively, “**Released Claims**”).

(b) Each Releasor understands, acknowledges and agrees that the release set forth above may be pleaded as a full and complete defense and may be used as a basis for an injunction against any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of the provisions of such release.

(c) Each Releasor hereby agrees that no fact, event, circumstance, evidence or transaction which could now be asserted or which may hereafter be discovered shall affect in any manner the final, absolute and unconditional nature of the release set forth above.

Each Releasor hereby absolutely, unconditionally, and irrevocably covenants and agrees with and in favor of each Releasee that it will not sue (at law, in equity, in any regulatory proceeding or otherwise) any Releasee on the basis of any Claim released, remised, and discharged by any Releasor pursuant to this Section 9.7.4. If any Releasor violates the foregoing covenant, each Releasor for itself and its successors and assigns, and other legal representatives, agrees to pay, in addition to such other damages as any Releasee may sustain as a result of such violation, all attorneys' fees and costs incurred by any Releasee as a result of such violation.

9.8 Successor Collateral Agents. Collateral Agent may at any time give notice of its resignation to the Lenders and the Co-Borrowers. Upon receipt of any such notice of its resignation, the Required Lenders shall have the right, subject to the consent of Parent (such consent not to be unreasonably withheld or delayed) to appoint a successor Collateral Agent. If no successor Collateral Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Collateral Agent gives notice of its resignation, then the retiring Collateral Agent may on behalf of the Lenders, appoint a successor Collateral Agent, subject to the consent of Parent (such consent not to be unreasonably withheld or delayed). Effective immediately upon its resignation, (i) the retiring Collateral Agent shall be discharged from its duties and obligations under the Loan Documents (other than remaining named as a “secured party” or similar capacity on any financing statements on behalf of all the

Lenders or on any agreements entered into for the purpose of perfection, in each case, until such time as a successor agent is appointed), (ii) the Lenders shall assume and perform all of the duties of Collateral Agent until a successor Collateral Agent shall have accepted a valid appointment hereunder, (iii) the retiring Collateral Agent and its Affiliates shall no longer have the benefit of any provision of any Loan Document other than with respect to any actions taken or omitted to be taken while such retiring Collateral Agent was, or because such Collateral Agent had been, validly acting as Collateral Agent under the Loan Documents and (iv) the retiring Collateral Agent shall take such action as may be reasonably necessary to assign to the successor Collateral Agent its rights as Collateral Agent under the Loan Documents. Effective immediately upon its acceptance of a valid appointment as Collateral Agent, a successor Collateral Agent shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Collateral Agent under the Loan Documents.

9.9 Collateral Agent Indemnification and Reimbursement. To the extent not reimbursed by the Co-Borrowers, Collateral Agent shall be indemnified by the Lenders (an “**Indemnifying Lender**”), on a several basis in proportion to each Lender’s Pro Rata Share, and each Indemnifying Lender agrees to reimburse the Collateral Agent for the Indemnifying Lender’s Pro Rata Share of the following items (an “**Indemnified Payment**”):

9.9.1 all reasonable out-of-pocket costs and expenses of the Collateral Agent incurred by the Collateral Agent in connection with the discharge of its activities under this Agreement, including reasonable legal expenses and attorneys’ fees; provided, that the Collateral Agent shall consult with the other Lenders regarding the incurrence of such costs and expenses at reasonable intervals (but not more often than monthly); and

9.9.2 from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever, which may be imposed on, incurred by or asserted against the Collateral Agent in any way relating to or arising out of this Agreement, or any action taken or omitted by the Collateral Agent hereunder; provided that the Indemnifying Lenders shall not be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements, if the same results from the Agent’s gross negligence or willful misconduct.

9.10 Release of Collateral or Co-Borrowers. Each Lender hereby consents to the release and hereby directs Collateral Agent to automatically release or subordinate the following (and the Collateral Agent acknowledges and agrees to the same) without any further action by any other party:

9.10.1 any Co-Borrower (other than the Parent) of its obligations hereunder (including any guaranty of the Obligations) if all of the Equity Interests in such Co-Borrower owned by any other Co-Borrower or any of its Subsidiaries are disposed in a transaction permitted under the Loan Documents (including pursuant to a waiver or consent), to the extent that, after giving effect to such transaction, such Person would not be required to be a Co-Borrower or otherwise guarantee any Obligations hereunder; and

9.10.2 any Lien held by Collateral Agent for the benefit of the Lender against (i) any Collateral that is disposed of by a Co-Borrower in any transaction permitted by the Loan Documents (including pursuant to a valid waiver or consent), to the extent all Liens required to be granted in such Collateral pursuant to the Loan Documents after giving effect thereto have been granted, (ii) any property subject to a Lien described in clause (c) of the definition of Permitted Liens and (iii) all of the Collateral and all Co-Borrowers, upon (A) termination of the aggregate Commitments and (B) payment and satisfaction in full of all Loans and all other Obligations (other than inchoate indemnity obligations) that Collateral Agent has been notified in writing are then due and payable.

Each Lender hereby directs Collateral Agent, and Collateral Agent hereby agrees, upon receipt of reasonable advance notice from Parent, to execute and deliver or file such documents and to perform other actions reasonably necessary to release the guaranties and Liens when and as directed in this Section 9.10, which shall include, without limitations, all Lien releases with respect to any Mitsui Collateral transferred pursuant to the Mitsui Share Purchase Agreement which are required or reasonably requested by any Co-Borrower in connection with the entry into and effectiveness of the Mitsui Share Purchase Agreement and the Mitsui Loan Documents, and the consummation of the transactions contemplated thereby.

9.11 Exculpatory Provisions.

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Collateral Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Collateral Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any debtor relief law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any debtor relief law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Co-Borrowers or any of its Affiliates that is communicated to or obtained by the Person serving as the Collateral Agent or any of its Affiliates in any capacity.

9.11.2 The Collateral Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Collateral Agent shall believe in good faith shall be necessary) or (ii) in the absence of its own gross negligence or willful misconduct, as determined by a court of competent jurisdiction by a final and nonappealable judgment. The Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of an Advance that by its terms must be fulfilled to the satisfaction of each Lender, the Collateral Agent may presume that such condition is satisfactory to such Lender unless the Collateral Agent shall have received notice to the contrary from such Lender prior to the making of such Loan or the issuance, extension, renewal or increase of such Advance. The Collateral Agent may consult with legal counsel, independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

9.13 Additional Lenders. The benefit of the provisions of the Loan Documents directly relating to the Collateral or any Lien granted thereunder shall extend to and be available to any Person that is not then currently a Lender (including, without limitation, as an Incremental Lender pursuant to Section 2.7) as long as, by accepting such benefits, such Person agrees to be bound by (and, if requested by Collateral Agent (as directed by the Required Lenders), shall confirm such agreement in a writing in form and substance acceptable to Collateral Agent) this Section 9 and the decisions and actions of Collateral Agent and the Required Lenders to the same extent any Lender is or would be bound and such Person agrees that it will be bound by and comply with all provisions of this Agreement and the other Loan Documents.

11. CHOICE OF LAW, VENUE, JURY TRIAL WAIVER AND JUDICIAL REFERENCE

Except as otherwise expressly provided in any of the Loan Documents, New York law governs the Loan Documents without regard to principles of conflicts of law. The Co-Borrowers, Collateral Agent and the Lenders each submit to the exclusive jurisdiction of the State and Federal courts in New York County, New York; provided that nothing in this Agreement shall be deemed to operate to preclude Collateral Agent from bringing suit or taking other legal action in any other jurisdiction to realize on the Collateral or any other security for the Obligations, or to enforce a judgment or other court order in favor of Collateral Agent. Each Co-Borrower expressly submits and consents in advance to such jurisdiction in any action or suit commenced in any such court, and each Co-Borrower hereby waives any objection that it may have based upon lack of personal jurisdiction, improper venue, or forum non conveniens and hereby consents to the granting of such legal or equitable relief as is deemed appropriate by such court. Each Co-Borrower hereby waives personal service of the summons, complaints, and other process issued in such action or suit and agrees that service of such summons, complaints, and other process may be made by registered or certified mail addressed to such Co-Borrower at the address set forth in, or subsequently provided to such Co-Borrower in accordance with, Section 10 of this Agreement and that service so made shall be deemed completed upon the earlier to occur of a Co-Borrower's actual receipt thereof or three (3) days after deposit in the U.S. mails, proper postage prepaid.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE CO-BORROWERS, COLLATERAL AGENT AND THE LENDERS EACH WAIVE THEIR RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION ARISING OUT OF OR BASED UPON THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY CONTEMPLATED TRANSACTION, INCLUDING CONTRACT, TORT, BREACH OF DUTY AND ALL OTHER CLAIMS. THIS WAIVER IS A MATERIAL INDUCEMENT FOR ALL PARTIES TO ENTER INTO THIS AGREEMENT. EACH PARTY HAS REVIEWED THIS WAIVER WITH ITS COUNSEL.

12. GENERAL PROVISIONS

12.1 Successors and Assigns. This Agreement binds and is for the benefit of the successors and permitted assigns of each party. The Co-Borrowers may not assign this Agreement or any rights or obligations under it without each Lender's prior written consent (which may be granted or withheld in such Lender's discretion). Each Lender has the right, with the prior written consent of Parent so long as no Event of Default has occurred and is continuing (which shall not be unreasonably withheld, conditioned or delayed and will be deemed provided if no response is provided to such Lender within five (5) Business Days of Lender providing Parent notice of such proposed assignment), to sell, transfer, assign, negotiate, or grant participation in all or any part of, or any interest in, Lender's obligations, rights, and benefits under this Agreement and the other Loan Documents; provided that if Seahawk and its Affiliates

no longer own (or provide the Collateral Agent and Parent with a copy of a fully executed agreement providing for Seahawk's and/or its Affiliates' sale of all of the preferred stock, limited or general partnership interests, common stock or any limited liability company membership interests of Parent owned by all such entities to a bona fide third-party purchaser) any preferred stock, limited or general partnership interests, common stock or any limited liability company membership interests of Parent or Co-Borrowers, Seahawk may sell, transfer, assign, negotiate, or grant participation in all or any part of, or any interest in, Seahawk's Advances, obligations, rights, and benefits under this Agreement and the other Loan Documents to any entity that is not a Disqualified Assignee without prior consultation with or consent of any Co-Borrower, Parent or any other Lender. Such Lender, acting solely for this purpose as an agent of the Co-Borrowers, shall maintain at one of its offices a copy of each sale or assignment of each Lender's interest pursuant to this Section 12.1 and a register for the recordation of the names and addresses of any successors, assigns or participants and the principal amounts (and stated interest) of any Advances owing to such successors, assigns or participants pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Co-Borrowers and Collateral Agent and applicable Lender shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as the beneficial owner of such Person's applicable portion of the Advances and rights under the Loan Documents hereunder for all purposes of this Agreement. The Register shall be available for inspection by any Co-Borrower at any reasonable time and from time to time upon reasonable prior notice. The parties agree that the foregoing is intended to comply with the definition of "registered form" as provided in Section 5f.103-1(c) of the Treasury Regulations promulgated under the Tax Code and shall be interpreted consistently therewith.

12.2 Indemnification. The Co-Borrowers agree to indemnify, defend and hold Collateral Agent and the Lenders and their respective directors, officers, employees, agents, attorneys, or any other Person affiliated with or representing Collateral Agent or any Lender (each, an "**Indemnified Person**") harmless against: (a) all obligations, demands, claims, and liabilities (collectively, "**Claims**") claimed or asserted by any other party in connection with the transactions contemplated by the Loan Documents; and (b) all losses or expenses (including Agent Expenses and Lender Expenses provided for under this Agreement), in the case of the foregoing clauses (a) and (b), in any way suffered, incurred, or paid by such Indemnified Person as a result of, following from, consequential to, or arising from transactions between Collateral Agent, the Lenders and the Co-Borrowers contemplated by the Loan Documents (including reasonable and documented attorneys' fees and expenses), except, in each case, for Claims and/or losses directly caused by such Indemnified Person's gross negligence or willful misconduct.

12.3 Right of Set-Off. Each Co-Borrower hereby grants to each Lender, a lien, security interest and right of setoff as security for all Obligations to such Lender, whether now existing or hereafter arising upon and against all deposits, credits, collateral and property, now or hereafter in the possession, custody, safekeeping or control of such Lender or any entity under the control of such Lender (including a subsidiary of such Lender) or in transit to any of them. At any time after the occurrence and during the continuance of an Event of Default, without demand or notice, such Lender may set off the same or any part thereof and apply the same to any liability or obligation of Co-Borrowers even though unmatured and regardless of the adequacy of any other collateral securing the Obligations. ANY AND ALL RIGHTS TO

REQUIRE AGENT ANY LENDER TO EXERCISE ITS RIGHTS OR REMEDIES WITH RESPECT TO ANY OTHER COLLATERAL WHICH SECURES THE OBLIGATIONS, PRIOR TO EXERCISING ITS RIGHT OF SETOFF WITH RESPECT TO SUCH DEPOSITS, CREDITS OR OTHER PROPERTY OF CO-BORROWERS, ARE HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVED.

12.4 Time of Essence. Time is of the essence for the performance of all Obligations in this Agreement.

12.5 Correction of Loan Documents. Collateral Agent may correct patent errors and fill in any blanks in the Loan Documents consistent with the agreement of the parties so long as Collateral Agent provides the Co-Borrowers with written notice of such correction and allows the Co-Borrowers at least ten (10) days to object to such correction. In the event of such objection, such correction shall not be made except by an amendment signed by both Collateral Agent and the Co-Borrowers.

12.6 Severability of Provisions. Each provision of this Agreement is severable from every other provision in determining the enforceability of any provision.

12.7 Amendments in Writing; Waiver; Integration. The provisions of this Agreement and the other agreements enumerated below may be modified, amended or waived only by a written instrument signed by (i) the Co-Borrowers and (ii) the Required Lenders; provided that no such modification, amendment or waiver shall, without the written consent of all of the affected Lenders, (a) reduce the principal amount of any Advance, (b) reduce the rate of interest of any Advance, (c) increase the Commitment of any Lender, (d) modify the payment waterfall provisions of Section 9.14 or Section 2.1.3(d), (e) except as otherwise permitted by this Section 12.7, change any provision of this Section 12.7 or reduce the percentages specified in the definitions of "Required Lenders", (f) modify in any respect materially adverse to the Lenders (in their capacities as lenders hereunder): (i) the Industrial JV LLCA (except to the extent modified by or in connection with the consent contemplated in Section 3.1(l) hereof), (ii) the Mitsui Intercreditor Agreement, Mitsui Loan Agreement or any Mitsui Loan Document, or (iii) the SVB Loan Agreement, the other "Loan Documents" as defined under the SVB Loan Agreement or any loan or security documents entered into in connection with the Commercial Credit Facility, in each case, in any respect, taken as a whole, (g) release Co-Borrowers comprising all or substantially all of the credit support for the Obligations Agreement (other than as authorized hereunder or the other Loan Documents), (h) release all or substantially all of the Collateral (other than as authorized hereunder or the other Loan Documents) or (i) subordinate the Obligations owed to one party hereunder to those of another party hereunder (other than as authorized hereunder or the other Loan Documents); provided, however, that no waiver of or consent to an Event of Default (or any event or violation that gives rise to an Event of Default), waiver of any prepayment, or any amendment of any financial covenant (or any related financial definition) shall be deemed to be a reduction of principal or interest. Without limiting the generality of the foregoing, no oral promise or statement, nor any action, inaction, delay, failure to require performance or course of conduct shall operate as, or evidence, an amendment, supplement or waiver or have any other effect on any Loan Document. Any waiver granted shall be limited to the specific circumstance expressly described in it, and shall not apply to any subsequent or other circumstance, whether similar or dissimilar, or give rise to, or evidence, any

obligation or commitment to grant any further waiver. The Loan Documents represent the entire agreement about this subject matter and supersede prior negotiations or agreements. All prior agreements, understandings, representations, warranties, and negotiations between the parties about the subject matter of the Loan Documents merge into the Loan Documents. Notwithstanding anything to the contrary herein, a Defaulting Lender shall not have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

12.8 Joinder. Without duplication of any other requirements hereunder (including, without limitation, those requirements set forth in Section 2.7), in the event that this Agreement is amended, restated or otherwise modified from time to time to provide for additional Commitments, including, without limitation, in connection with any Incremental Term Loan Commitment pursuant to Section 2.7 (a “Subsequent **Closing**”), (i) any Person that is not a Lender prior to such Subsequent Closing under this Agreement shall, prior to the effectiveness of such Subsequent Closing, execute all documents reasonably requested by the Co-Borrowers and Required Lenders immediately prior to the Subsequent Closing, including, without limitation, a joinder in the form of Exhibit E and any other necessary joinder or amendments to this Agreement and any applicable intercreditor agreements, including, without limitation, becoming a party to the Mitsui Intercreditor Agreement if applicable, and (ii) Schedule I hereto shall be supplemented to reflect such additional Commitments and such Person as a new Lender hereunder.

12.9 Counterparts. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, is an original, and all taken together, constitute one Agreement.

12.10 Survival. All covenants, representations and warranties made in this Agreement continue in full force until this Agreement has terminated pursuant to its terms and all Obligations (other than inchoate indemnity obligations and any other obligations which, by their terms, are to survive the termination of this Agreement) have been paid in full and satisfied. The obligation of the Co-Borrowers in Section 12.2 of this Agreement to indemnify Collateral Agent and the Lenders shall survive until the statute of limitations with respect to such claim or cause of action shall have run.

12.11 Confidentiality. In handling any confidential information, Collateral Agent, the Lenders and the Co-Borrowers shall exercise the same degree of care that they exercise for their own proprietary information, but disclosure of information may be made: (a) to Collateral Agent’s and the Lenders’ Subsidiaries or Affiliates (such Subsidiaries and Affiliates, together with Collateral Agent and the Lenders, each a “Lender **Entity**” and collectively, the “Lender **Entities**”) or to the Co-Borrowers’ Subsidiaries or Affiliates provided that such Subsidiaries or Affiliates shall agree to be bound by the confidentiality provisions set forth in this Section 12.11; (b) with respect to any Lender, to prospective transferees or purchasers of any interest in the

Advances (provided, however, such Lender shall use its best efforts to obtain any prospective transferee's or purchaser's agreement to the terms of this Section 12.11); (c) as required by law, regulation, subpoena, or other order; (d) to Collateral Agent's or any Lender's or Co-Borrowers' regulators or as otherwise required in connection with Collateral Agent's, the Lenders' or Co-Borrowers' examination or audit; (e) with respect to Collateral Agent, as Collateral Agent considers appropriate in exercising remedies under the Loan Documents; and (f) to third-party service providers of Collateral Agent, the Lenders or the Co-Borrowers so long as such service providers have executed a confidentiality agreement with Collateral Agent, the Lenders or the Co-Borrowers, as applicable, with terms no less restrictive than those contained herein. Confidential information does not include information that is: (i) either in the public domain other than as a result of Collateral Agent's the Lenders' or Co-Borrowers', as applicable breach of this section or is in Collateral Agent's, the Lenders' or Co-Borrowers', as applicable, possession when disclosed to Lender or the Co-Borrowers, as applicable; or (ii) disclosed to Collateral Agent, the Lenders or the Co-Borrowers, as applicable by a third party on a non-confidential basis if Collateral Agent, the Lenders or the Co-Borrowers, as applicable, do not know that the third party is prohibited from disclosing the information.

Lender Entities may use anonymous forms of confidential information for aggregate datasets, for analyses or reporting, and for any other uses not expressly prohibited in writing by the Co-Borrowers. The provisions of the immediately preceding sentence shall survive termination of this Agreement.

12.12 Electronic Execution of Documents. The words "execution," "signed," "signature" and words of like import in any Loan Document shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity and enforceability as a manually executed signature or the use of a paper-based recordkeeping systems, as the case may be, to the extent and as provided for in any applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act.

12.13 Captions. The headings used in this Agreement are for convenience only and shall not affect the interpretation of this Agreement.

12.14 Construction of Agreement. The parties mutually acknowledge that they and their attorneys have participated in the preparation and negotiation of this Agreement. In cases of uncertainty this Agreement shall be construed without regard to which of the parties caused the uncertainty to exist.

12.15 Relationship. The relationship of the parties to this Agreement is determined solely by the provisions of this Agreement. Shares pursuant to this Agreement to be a taxable transaction for U.S. federal income tax purposes, and shall, in accordance with Section 6.6, prepare all Tax Returns consistent with, and shall not take any position inconsistent with, such intention, unless otherwise required by a taxing authority.

(b) Payment of Consideration to Seller.

(i) **Purchase Price.** Subject to the adjustment in accordance with Section 1.1(c) below, the aggregate purchase price for the Company Shares shall be sum of (A) the Final Purchase Price and (B) the aggregate Earn-Out Payments (if any, and subject to Offset pursuant to Section 1.1(d)(iii)(8)).

(ii) **Closing Payments.** At the Closing, Buyer shall pay, or cause to be paid, the following amounts by wire transfer of immediately available funds:

(1) to the applicable holders (the "**Debt Payoff Recipients**") thereof in accordance with payment instructions set forth in the Payoff Letter(s), the Closing Indebtedness set forth on Section 1.1(b)(ii)(1) of the Disclosure Schedule (the "**Payoff Indebtedness**");⁴

(2) to the applicable recipients thereof as set forth on the Estimated Closing Statement, the Transaction Expenses that have not been separately paid by the Seller, the Company, or on their behalf prior to the Closing, in accordance with payment instructions delivered in writing by or on behalf of the Company to Buyer at least two (2) Business Days prior to the Closing Date; and

(3) to the Seller, an amount in cash equal to the sum of (A) the EBITDA Condition Payment (if any) *minus* the Contingent Holdback Amount (if any), each as determined in accordance with Section 1.4(a), (B) the Adjusted Purchase Price as set forth on the Estimated Closing Statement, and (C) any amounts required to be reimbursed to the Seller in respect of any New Mission Failure Contribution or Cash Management Change Contribution pursuant to Section 6.18(c), to the account designated by the Seller in writing no less than two (2) Business Days prior to the Closing Date.

(c) Purchase Price Adjustments.

(i) Promptly, but in any event within ninety (90) days after the Closing, Buyer shall deliver or cause to be delivered to the Seller a statement (the "**Closing Statement**") setting forth Buyer's good faith calculations, together with reasonably detailed supporting documents, of (A) the Pre-Closing Leakage Amount, (B) the aggregate amount of all Closing Indebtedness, (C) the aggregate amount of the Transaction Expenses that were not separately paid by the Seller, the Company, or on their behalf prior to the Closing, (D) the Normalized EBITDA, (E) the Net Working Capital Adjustment Amount, (F) the resulting calculation of the Adjusted Purchase Price and (G) the Net Assets of the Company. Unless, within the thirty (30) day period following the Seller's receipt of the Closing Statement (the "**Review Period**"), the Seller delivers written notice to Buyer (the "**Dispute Notice**") setting forth in reasonable detail any and all items of disagreement related to the Pre-Closing Leakage Amount, the Closing Indebtedness, the Transaction Expenses that were not paid prior to the Closing, the Net Working Capital Adjustment Amount and the Adjusted Purchase Price, in each case as set forth on the Closing Statement (each, an "**Item of Dispute**"), the Closing Statement shall be conclusive and binding upon the Seller and Buyer. The Seller shall use its reasonable commercial efforts to cooperate with Buyer in connection with the preparation of the Closing Statement. After the delivery of the Closing Statement, Buyer shall cause the Company to reasonably cooperate with the Seller in connection with its review of the Closing Statement, including, without limitation, by providing the Seller and its accountants reasonable access, during normal business hours and upon reasonable advance notice, to materials used in the preparation of the Closing Statement to the extent reasonably necessary for the Seller and its accountants to complete such review.

(ii) If the Seller delivers the Dispute Notice to Buyer prior to the termination of the Review Period, Buyer and the Seller shall use reasonable efforts for a period of thirty (30) days (or such longer period agreed in writing between Buyer and the Seller) after Buyer's receipt of the Dispute Notice (the "Discussion Period") to resolve the Items of Dispute, and if any Item of Dispute is so resolved, the Closing Statement shall be modified as necessary to reflect such resolution. During the Discussion Period, Buyer and the Seller shall be permitted to discuss with the other party the Dispute Notice and shall be provided copies of such work papers and supporting records related to the items set forth on the Dispute Notice as it may reasonably request from the other party so as to allow it to become informed regarding the calculation of such items and the accounting procedures, methodologies, tests and approaches used in connection therewith; provided that neither party's accountants shall be obligated to make any work papers available except in accordance with such accountants' normal disclosure procedures and then only upon execution of a customary agreement relating to such access to work papers in form and substance reasonably satisfactory to such accountants. If all Items of Dispute are so resolved, the Closing Statement (as so modified) shall be conclusive and binding on all of the parties hereto. If one or more Items of Dispute remains unresolved after the expiration of the Discussion Period, or at any time prior thereto to the extent mutually agreed-upon by the parties, Buyer or the Seller may submit such Items of Dispute to the Neutral Arbiter. Buyer and the Seller shall request that the Neutral Arbiter render a determination as to each unresolved Item of Dispute within thirty (30) days after its retention, and the parties hereto shall cooperate with the Neutral Arbiter so as to enable it to make such determination as quickly and as accurately as practicable. The Neutral Arbiter's role shall be limited to resolving the submitted Items in Dispute and determining the correct calculations to be used on only such Items in Dispute in a manner consistent with this Section 1.1(c), and the Neutral Arbiter shall not make any other determination, including any determination as to whether any other items on the Closing Statement are correct, except as required in connection with the Neutral Arbiter's resolution of such Items of Dispute. The Neutral Arbiter shall (x) use the definitions set forth herein with no consideration given to any modification of such definitions, (y) be limited to those adjustments, if any, required to be made for the Closing Statement to comply with the provisions of this Agreement and (z) not assign a value to any item greater than the greatest value for such item claimed by the Seller or Buyer or less than the smallest value for such item claimed by the Seller or Buyer, and the Neutral Arbiter's determination shall be based solely on presentations and supporting material provided by the parties and not pursuant to any independent review. The Neutral Arbiter's determination as to each Item of Dispute submitted to it shall be in writing and shall be conclusive and binding upon the parties hereto (absent manifest error, fraud or willful misconduct as determined by a non-appealable and binding decision of a court of law having jurisdiction over the parties), and the Closing Statement shall be modified to the extent necessary to reflect such determination. The Seller and Buyer shall make available to the Neutral Arbiter (if applicable) such books, records and other information (including work papers) as the Neutral Arbiter may reasonably request in order to review the Closing Statement and the Dispute Notice. The fees and expenses of the Neutral Arbiter shall be allocated to be paid by Buyer, on the one hand, and/or the Seller, on the other, based upon the percentage which the portion of the contested amount not awarded to each party bears to the amount actually contested by such party, as determined by the Neutral Arbiter. Subject to the foregoing sentence, each of Buyer and the Seller shall be responsible for each of its own fees and expenses incurred in connection with this Section 1.1(c).

(iii) The final, binding and conclusive calculation of the Pre-Closing Leakage Amount, the aggregate amount of all Closing Indebtedness, the aggregate amount of the Transaction Expenses that were not separately paid by the Seller, the Company, or on their behalf prior to the Closing, the Net Assets of the Company and the Net Working Capital Adjustment Amount, based either upon agreement or deemed agreement by Buyer and the Seller or the written determination delivered by the Neutral Arbiter, in each case, in accordance with this Section 1.1(c), will be the "Final Pre-Closing Leakage Amount", "Final Closing Indebtedness", "Final Transaction Expenses", "Final Net Assets" and "Final Net Working Capital Adjustment Amount", respectively, for all purposes of this Agreement.

(iv) Within ten (10) Business Days after the Closing Statement becomes final and binding upon the parties hereto in accordance with the terms of this Section 1.1(c), the Adjusted Purchase Price shall be adjusted as follows (as so adjusted, the "Final Purchase Price") and the following applicable payments shall be made or caused to be made by the applicable parties by wire transfer of immediately available funds:

(1) if the Final Pre-Closing Leakage Amount is less than the Estimated Pre-Closing Leakage Amount, then Buyer shall make, or cause the Company to make, a cash payment to the Seller equal to the amount of such difference;

(2) if the Final Pre-Closing Leakage Amount is greater than the Estimated Pre-Closing Leakage Amount, then the Seller shall make a cash payment to Buyer equal to the amount of such difference;

(3) if the Final Closing Indebtedness is greater than the Estimated Closing Indebtedness, then the Seller shall make a cash payment to Buyer equal to the amount of such difference;

(4) if the Final Closing Indebtedness is less than the Estimated Closing Indebtedness, then Buyer shall make, or cause the Company to make, a cash payment to the Seller equal to the amount of such difference;

(5) if the Final Transaction Expenses are greater than the Estimated Transaction Expenses, then the Seller shall make a cash payment to Buyer equal to the amount of such difference;

(6) if the Final Transaction Expenses are less than the Estimated Transaction Expenses, then Buyer shall make, or cause the Company to make, a cash payment to the Seller equal to the amount of such difference;

(7) if, notwithstanding any Net Asset Increase Event, the Final Net Assets are less than [***] (the amount of any such difference, the "Net Asset Shortfall"), then the Seller shall make a cash payment to Buyer equal to the amount of the Net Asset Shortfall;

(8) if the Final Net Working Capital Adjustment Amount is greater than the Estimated Net Working Capital Adjustment Amount, then the Seller shall make a cash payment to Buyer equal to the amount of such difference; and

(9) if the Final Net Working Capital Adjustment Amount is less than the Estimated Net Working Capital Adjustment Amount, then Buyer shall make, or cause the Company to make, a cash payment to the Seller equal to the amount of such difference.

(v) Any adjustments to the Adjusted Purchase Price and any required payments between Buyer and the Seller under (A) Section 1.1(c)(iv) may be netted against each other as applicable and (B) Sections 1.1(c)(iv)(2), 1.1(c)(iv)(3), 1.1(c)(iv)(5), 1.1(c)(iv)(7) and 1.1(c)(iv)(8) may, subject to the proviso in Section 1.4(c)(i), to the extent not paid by the Seller, and without limitation to any of Buyer's other remedies hereunder, be Offset by Buyer against the Contingent Holdback Amount (if any) and any Earn-Out Payments.

(vi) Any payments made pursuant to this Section 1.1(c) will be treated as adjustments to the Adjusted Purchase Price for Tax purposes and such agreed treatment will govern for purposes of this Agreement, unless otherwise required by Legal Requirements.

(d) Earn-Out.

(i) Earn-Out Payments. Following the final determination of each of the Earn-Out Payments (if any) in accordance with the procedures and timing set forth in Section 1.1(d)(iii), Buyer shall, consistent with the time periods set forth in such Section and net of any Contingent Holdback Amount provided for in Section 1.4(a), pay, or cause the Company to pay, to the Seller, the Earn-Out Payments (if and to the extent payable). For purposes of this Agreement, the "Earn-Out Payments" shall consist of the EBITDA Condition Payment (if any) *plus* the Blacksky Condition Payment (if any) *plus* the Orders Condition Payment (if any); provided that the aggregate amount of any and all Earn-Out Payments made pursuant to this Agreement shall not exceed [***].

(ii) Earn-Out Covenants. Buyer shall at all times act in good faith with respect to its obligations in this Section 1.1(d), provided, that nothing in this Agreement shall be deemed to require Buyer or any of its Affiliates (including, from and after the Closing, the Company) engaged in the operation or conduct of the business of the Company to be under any obligation to operate the business of Buyer or any of its Affiliates (including, from and after the Closing, the Company) so as to maximize the amount of the Earn-Out Payments (if any); and provided, further, and without limiting the foregoing proviso, that nothing in this Agreement will prohibit Buyer or its Affiliates (including, from and after the Closing, the Company) from making any business decisions or taking any actions regarding the operation of their respective businesses, including (A) integrating the operations of Company or its business with the other businesses and divisions of Buyer and its Affiliates, including compliance with the employment practices, regulatory matters, intellectual property protections and practices, accounting policies, internal controls and other general corporate policies of Buyer and its Affiliates, (B) reducing or downsizing the operations of the Company or its business, including the working capital, liquidity, capital expenditure and human resource levels and other support and development commitments with respect to the Company or its business, or (C) otherwise changing the businesses or business plans of Buyer or its Affiliates (including, from and after the Closing, the Company), except (x) to the extent any such business decision is made or other action taken for the sole purpose of reducing the amount of any Earn-Out Payments in accordance with this Agreement or (y) solely with respect to the Blacksky Condition, to the extent that Buyer intentionally or materially breaches any Blacksky Qualifying Contract and such breach results in the termination by Blacksky of such Blacksky Qualifying Contract in accordance with the terms thereof. The Seller agrees that it will have no claim or other rights related to decisions made or actions taken by Buyer and its Affiliates after the Closing made in accordance with this Section 1.1(d)(ii), even if such decisions or actions result in a reduction or elimination of any or all of the Earn-Out Payments.

(iii) Earn-Out Payments Calculation and Timing; Objections.

(1) Within sixty (60) days after each of the EBITDA Condition Date (if occurring after the Closing Date), the Blacksky Condition Date and the Orders Condition Date, Buyer shall deliver, or cause to be delivered, to the Seller a memorandum (an "Earn-Out Notice"), specifying in reasonable detail Buyer's determination of the applicable Earn-Out Payments (if any) and their respective components.

(2) The Seller may within thirty (30) days of receiving an Earn-Out Notice make any objection in writing (an "Earn-Out Objection Notice") to any item in such Earn-Out Notice (any such disputed item, a "Disputed Earn-Out Item"), and such Earn-Out Objection Notice must be delivered to Buyer prior to the expiration of such thirty (30)-day period. If no such Earn-Out Objection Notice is delivered to Buyer within such thirty (30)-day period, then the applicable Earn-Out Notice shall automatically become final and binding on Buyer and the Seller without further action by either party, and Buyer shall distribute (or cause the Company or any of their agents to distribute) any Earn-Out Payment set forth in such Earn-Out Notice to the Seller promptly, and in all events no later than thirty (30) days following the date upon which such Earn-Out Notice is so deemed final and binding.

(3) At any time following delivery of an Earn-Out Objection Notice pursuant to Section 1.1(d)(iii)(2), Buyer and the Seller shall negotiate in good faith to resolve the Disputed Earn-Out Items set forth in the applicable Earn-Out Objection Notice, and Buyer's obligation to make the disputed Earn-Out Payment shall be suspended until resolution of such Disputed Earn-Out Items in accordance with the terms hereof. If the Seller and Buyer are unable to reach agreement concerning any such Disputed Earn-Out Items, either of them may submit such dispute to the Neutral Arbiter for resolution pursuant to this Section 1.1(d)(iii) and instruct the Neutral Arbiter to review the Disputed Earn-Out Items or amounts for the purpose of finally determining such Earn-Out Notice and the amount of the applicable Earn-Out Payment, if any. In making such determination and calculations, the Neutral Arbiter shall consider only (a) those items or amounts in the applicable Earn-Out Notice as to which the Seller has made timely written objection pursuant to Section 1.1(d)(iii)(2) and which remain in dispute and (b) the methodologies set forth in this Section 1.1(d). The Neutral Arbiter may not assign a value to any Disputed Earn-Out Item greater than the greatest value for such item claimed by either party or smaller than the smallest value for such item claimed by either party. Buyer and the Seller shall instruct the Neutral Arbiter to use its commercially reasonable efforts to deliver to the Seller and Buyer as promptly as practicable (but in no event later than thirty (30) days after submission) a report setting forth the Neutral Arbiter's calculation of the Disputed Earn-Out Items. Such report shall be final, non-appealable and binding upon the Seller, Buyer and the Company, and the resulting Earn-Out Notice and calculation of the applicable Earn-Out Payment, if any, shall be final for all purposes of this Agreement and non-appealable. The fees and expenses of the Neutral Arbiter in connection with this Section 1.1(d)(iii) shall be paid fifty percent (50%) by the Seller and fifty percent (50%) by Buyer provided, that if the difference between the amount that would have resulted from the use of the proposed calculations of one party compared to the final determination of the Neutral Arbiter is more than twice as great as the amount that would have resulted from the use of the other party's proposed calculations compared to the final determination of the Neutral Arbiter, the first party shall pay all of the fees and expenses of the Neutral Arbiter plus the other party's reasonable costs and expenses associated with such dispute, including fees and expenses of such other party's consultants and attorneys. To the extent not paid by the Seller, and without limitation to Section 1.1(d)(iii)(8), Buyer may offset against any of the Earn-Out Payments (or otherwise seek recourse in accordance with Section 1.4(c)), the portion of such fees and expenses for which Seller is responsible.

(4) Promptly following the resolution of any Disputed Earn-Out Items with respect to an Earn-Out Notice, Buyer shall distribute (or cause the Company or their agents to distribute) the agreed upon applicable Earn-Out Payment to the Seller.

(5) Notwithstanding anything in Section 1.1(d)(iii)(3) to the contrary, if Buyer delivers an Earn-Out Notice stating that an Earn-Out Payment is payable, and any Buyer Indemnified Party has the right for an Offset pursuant to Section 1.1(d)(iii)(8) for an outstanding claim for Losses against the Seller that have not yet been paid, then Buyer shall distribute (or cause the Company or their agents to distribute), subject to Section 1.1(c)(v)(B), the portion, if any, of such Earn-Out Payment that is in excess of such claimed and unpaid Losses to the Seller, and that portion of such Earn-Out Payment that is equal to such claimed and unpaid Losses may be retained by Buyer pending final resolution of such claim in accordance with this Agreement. Upon final resolution of such claim in accordance with this Agreement, then any such amount in dispute shall either be (A) distributed to the Seller or (B) permanently retained by Buyer in accordance with such resolution, and such retention shall be deemed appropriate (either partial or full, as applicable) satisfaction of any amounts owed by the Seller with respect to such Losses.

(6) The Seller may not sell, exchange, transfer or otherwise dispose of its right to receive any portion of the Earn-Out Payments, other than to its Affiliates.

(7) Buyer shall cause the Company to maintain adequate books and records sufficient to calculate the Earn-Out Payments and, following the issuance of each Earn-Out Notice, provide the Seller reasonable access to documentation reasonably supporting the calculations set forth in such Earn-Out Notice, during regular business hours as may be reasonably requested by the Seller in its review thereof.

(8) Without limiting any other rights of the Buyer indemnified Parties under Section 1.4 or Article VIII Buyer may offset indemnification Claims for Losses arising under, and subject to the limitations of, Article VIII and withhold payments to the Seller ("Offset"), in the manner set forth in Section 1.4(c) and this Section 1.4(d), from any Earn-Out Payments that may become due and payable to the Seller pursuant to this Section 1.1(d); provided, that any exercise of such right of Offset by a Buyer Indemnified Party shall be permitted only after exhaustion of the Contingent Holdback Amount available as of the date of such indemnification Claim. Any amounts so Offset will operate as a discharge, to the extent of the amount withheld, of the Seller's obligations under Article VIII. Any such amounts Offset by Buyer in good faith, whether or not ultimately determined to be justified, will not constitute a breach by Buyer of the obligation against which the amounts Offset was made or any covenant or agreement made by Buyer under this Agreement or otherwise. Neither the exercise of nor the failure to exercise such right of Offset will constitute an election of remedies or limit Buyer in any manner in the enforcement of any other remedies that may be available to it: provided, that the Buyer indemnified Parties shall not have a right to indemnification pursuant to Article VIII with respect to any Losses to the extent that such Losses are credited to Buyer pursuant to the right of Offset or are otherwise duplicative of Losses that have been previously recovered by the Buyer Indemnified Parties hereunder.

1.4 Contingent Holdback Amount.

(a) At the Closing, if any EBITDA Condition Payment shall by such time have been deemed payable in accordance with Section 1.1(d)(iii), Buyer shall not pay, but as described in Section 1.1(b)(ii)(3), shall withhold from any EBITDA Condition Payment, a cash amount equal to [***] the “Contingent Holdback Amount”) that is otherwise payable to the Seller pursuant to Section 1.1(d)(iii), as partial security for the satisfaction of any amounts owing from the Seller (x) to Buyer resulting from any post-Closing adjustment to the Adjusted Purchase Price pursuant to Section 1.1(c)(iv) or (y) to any Buyer Indemnified Party in connection with any Indemnification Claims pursuant to Article VIII.

(b) On the Expiration Date, Buyer shall pay or cause to be paid, by wire transfer of immediately available funds, any Contingent Holdback Amount to the account designated by the Seller in writing to Buyer at least two (2) Business Days prior to such date; provided that such amount to be paid to Seller (if any) shall be reduced dollar-for-dollar by the amount of any previous recovery or Offset against any Contingent Holdback Amount by Buyer or any other Buyer Indemnified Party pursuant to Section 1.1(c)(iv) or Article VIII, as applicable. Notwithstanding the foregoing, if any Buyer Indemnified Party has timely made one or more Indemnification Claims pursuant to Section 8.5 that has not been resolved as of the Expiration Date, then Buyer may withhold, with respect to each such Indemnification Claim, either (A) the amount up to the full amount of any Contingent Holdback Amount equal to the amount of the Losses that the Buyer Indemnified Parties have paid, incurred, suffered or sustained (or reasonably anticipate that they may pay, incur, suffer or sustain) as set forth in such Indemnification Claim and reasonably supported by applicable documentation thereof or (B) if the amount of the Losses that the Buyer Indemnified Parties have paid, incurred, suffered or sustained (or reasonably anticipate that they may pay, incur, suffer or sustain) with respect to such Indemnification Claim is not reasonably determinable, an amount up to the full amount of any Contingent Holdback Amount equal to Buyer’s reasonable and good faith estimate of the amount of such Losses paid, incurred, suffered, sustained or reasonably anticipated to be paid, incurred, suffered or sustained, in each case until such time as such Indemnification Claim has been finally resolved, upon which any Contingent Holdback Amount will be adjusted pursuant to Article VIII and the balance (if any) will be released to the account designated by the Seller to Buyer in writing (subject to any continued withholding with respect to other unresolved claims pursuant to this Section 1.4(b)).

(c) Any Buyer Indemnified Party shall seek recovery for eligible Losses subject to indemnification under Section 8.2(a) from the following sources, and in the following sequence:

(i) Prior to the Expiration Date (but without limitation to the withholding provisions of Section 1.4(b)), from any Contingent Holdback Amount; provided, however, that Buyer may, in its sole discretion, require that any amounts due and payable pursuant to Section 8.2(a) in respect of any Pre-Closing Leakage Amount or Net Asset Shortfall be paid by Seller to the applicable Buyer Indemnified Party by wire transfer of immediately available funds, and such amount shall not be issued from, and shall not set off against or otherwise reduce, any remaining available monies retained by the Buyer as any Contingent Holdback Amount.

(ii) If the remaining funds comprising any Contingent Holdback Amount at any given time are not sufficient to cover the aggregate amount due and payable to any Buyer Indemnified Party from the Seller pursuant to Section 8.2(a), then Buyer shall inform the Seller in writing of such deficiency and, subject to the terms and conditions of Article VIII (including, without limitation, the Indemnity Cap (if applicable)), the Seller shall pay to the applicable Buyer Indemnified Party the amount of such deficiency due and payable pursuant to Article VIII by wire transfer of immediately available funds within fifteen (15) days of receipt of such written notice; provided that, if any such Losses in respect of a claim for indemnification pursuant to Section 8.2(a)(i) exceed the Indemnity Cap as calculated at the time of the applicable Indemnification Claim for such Losses is made, but the value of the Indemnity Cap is subsequently increased in accordance with the definition thereof as of the EBITDA Condition Date, Blacksky Condition Date or Orders Condition Date, as the case may be, and, as of such time, there remain amounts for Losses for which the applicable Buyer Indemnified Party is entitled to reimbursement or other recovery as provided herein, then the Seller shall pay to the applicable Buyer Indemnified Party the amount of such excess up to the then-applicable Indemnity Cap (other than (A) in the event of fraud or (B) with respect to any breach or failure to be true of, or any inaccuracy in, any of the Fundamental Representations or any of the representations and warranties in Section 2.23(c), with respect to which, pursuant to Article VIII, the Indemnity Cap will not apply) within fifteen (15) Business Days after any such increase(s); provided further that, in the event such Losses arise from an Indemnification Claim pursuant to Section 8.2(a)(ii), (iv), or (vi), or any breach or failure to be true of, or inaccuracy in, any of the Fundamental Representations, the obligations of the Seller to make payment of funds as set forth in this Section 1.4(c) shall be limited to, and shall in no event exceed, the Total Consideration minus applicable sums included in, previously recovered against, or previously issued from, any Contingent Holdback Amount or Offset against any Earn-Out Payments. Notwithstanding the foregoing or anything in this Agreement to the contrary, and without prejudice to any other right or remedy Buyer has or may have, Buyer may Offset any amount to which it may be entitled under Article VIII from any Earn-Out Payments (including, without limitation, from any EBITDA Condition Payment not already paid in part and withheld in part at the Closing) payable either at the time of such Indemnification Claim or at any time thereafter.

(d) Notwithstanding anything to the contrary herein, Indemnification Claims timely made pursuant to Article VIII and for which the indemnifiable Losses of any applicable Buyer Indemnified Party exceed the then-applicable Indemnity Cap, shall not be deemed waived or otherwise prejudiced to the extent that Buyer's recourse under Section 1.4(c) must await the EBITDA Condition Date (if any), Blacksky Condition Date or Orders Condition Date. Set forth on Exhibit H attached hereto are example calculations of the Earn-Out Payments, Offset and Indemnity Cap solely for illustrative purposes.

The Company has the requisite corporate power and authority to carry on its business as and where currently conducted. The Company is duly qualified or licensed to do business, is not in a state of suspension, and is in good standing in each jurisdiction where the character of the properties and assets of the Company, or the nature of the Business, makes such qualification or licensing necessary, except where the failure to so qualify would not, individually or in the aggregate, have or reasonably be expected to have a Company Material Adverse Effect. The Company has Made Available true, correct, complete and up-to-date copies of its articles of incorporation and bylaws (and any amendments thereto), each in full force and effect on the date hereof (collectively, the “Governing Documents”). The operations now being conducted by the Company are not now and have never been conducted by the Company under any name other than “Spaceflight”.

(b) The Company does not have, and has never had, any Subsidiaries and does not otherwise (i) own, and has never otherwise owned, any shares of capital stock or any interest in, (ii) control, or (iii) have any obligation or requirement to provide capital contributions to or invest in, directly or indirectly, any other corporation, limited liability company, unlimited liability company, partnership, association, or other business entity.

(c) A complete list of all of the directors and officers of the Company as of the date of this Agreement is set forth in Section 2.1(c) of the Disclosure Schedule.

2.2 Authority and Enforceability. The Company has all requisite power and authority to enter into this Agreement and any Related Agreements to which it is or will be a party as reasonably required in connection herewith or otherwise contemplated hereby (collectively, the “Company Related Agreements”) and to perform its obligations hereunder and thereunder and otherwise necessary for the consummation of the Transactions. The execution, delivery and performance by the Company of this Agreement and the Company Related Agreements and the consummation of the Transactions have been duly and validly authorized by all necessary corporate action

on the part of the Company, including the unanimous consent of the board of directors of the Company, and no other corporate act or proceeding by or on behalf of the Company is necessary to authorize the execution, delivery and performance of this Agreement or the Company Related Agreements or the Transactions. This Agreement and the Company Related Agreements have been (or will be, when executed and delivered), duly and validly executed and delivered by the Company, and, assuming the due authorization, execution and delivery by the other parties hereto and thereto, constitutes (or will constitute, when executed and delivered), a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, subject to (a) Legal Requirements of general application relating to bankruptcy, insolvency, moratorium, the relief of debtors and enforcement of creditors' rights in general, and (b) rules of law governing specific performance, injunctive relief, other equitable remedies and other general principles of equity.

Section 2.4 of the Disclosure Schedule sets forth all necessary consents, waivers, notices and approvals of parties to any Contracts as are required thereunder in connection with the Transactions, or for any such Contract to remain in full force and effect without limitation, modification or alteration after the Closing so as to not result in any of the conflicts, results, defaults, acceleration, rights or losses described in clauses (b)(i) through (v) above from and after the Closing (the "Consents"). Except for (x) restrictions imposed by the U.S. Government in connection with obtaining CFIUS Clearance and ITAR Clearance and the requirements of Export Laws and (y) restrictions that are generally applicable to any U.S. Person that owns or operates the Business, no Legal Requirement is currently in effect, and the Company is not aware of any Contract, that would impose any material restrictions on the ability of a non-U.S. Person to directly or indirectly own or operate the Business in the manner in which it is currently conducted.

2.5 Company Capital Structure.

(a) The authorized share capital of the Company consists of (i) 1,500,000 shares of Company common stock, of which, 829,303 shares of Company common stock are issued and outstanding and (ii) 386,399 shares of Company preferred stock, of which 386,397 shares of Company preferred stock are issued and

The Financials are true and correct in all material respects and have been prepared from the books and records of the Company and the Seller and its Subsidiaries, as applicable, and in accordance with GAAP consistently applied on a consistent basis throughout the periods indicated and consistent with each other (except that the Unaudited Financials do not need to contain footnotes and other presentation items that may be required by GAAP). The Financials present fairly and accurately the financial condition, operating results and cash flows of the Company and the Seller and its Subsidiaries, as applicable, as of the dates and during the periods indicated therein, subject in the case of the Unaudited Financials to normal year-end adjustments, which are not material in amount or significance in any individual case or in the aggregate. Such Company Securities are not subject to any Liens or to any rights of first refusal of any kind, or any option or other Contract or commitment that could require the Seller to sell, transfer or otherwise dispose of the Company Securities. No Person other than the Seller has any beneficial interest in or a right to acquire any of such Company Securities. At the Closing, Buyer will receive good and valid title to such Company Securities, free and clear of all Liens. There are no outstanding loans from the Company to the Seller.

3.3 Litigation. There is no current, pending, or to the Knowledge of the Seller, threatened, Action of any nature against or affecting the Seller, arising out of or relating to (i) the Seller's beneficial ownership of Company Securities or rights to acquire Company Securities, (ii) the Seller's capacity as a party hereto, (iii) the Transactions, (iv) any contribution of assets (tangible and intangible) by the Seller (or any of its Affiliates) to the Company (or any of its Affiliates), or (v) any other agreement between the Seller (or any of its Affiliates) and the Company (or any of its Affiliates), nor to the Knowledge of the Seller is there any reasonable basis therefor. There is no current, pending or, to the Knowledge of the Seller, threatened, Action against the Seller with respect to which the Seller has a contractual right or a right to indemnification from the Company related to facts and circumstances existing prior to the Closing, nor, to the Knowledge of the Seller, are there any facts or circumstances that would reasonably be expected to give rise to such an Action. The Seller does not have any claim against the Company whether present or future, contingent or unconditional, fixed or variable under any Contract or on any other basis whatsoever, whether in equity or at law.

3.4 Authority and Enforceability. The Seller has all requisite power and authority to enter into this Agreement and any Related Agreements to which it is or will be a party (the "Seller Related Agreements") and to perform its obligations hereunder and thereunder which are otherwise necessary for the consummation of the Transactions. The execution, delivery and performance by the Seller of this Agreement and any Seller Related Agreements and the performance of its obligations hereunder and thereunder (including the Transactions) have been duly and validly authorized by all necessary action on the part of the Seller, including the unanimous consent of the board of directors of the Seller and the consent of the holders of a majority of the outstanding capital stock of the Seller entitled to vote thereon, and no further action is required on the part of the Seller to authorize the execution, delivery and performance of this Agreement and any Seller Related Agreements and the Transactions. This Agreement and each of the Seller Related Agreements has been, duly and validly executed and delivered by the Seller, and assuming the due authorization, execution and delivery by the other parties hereto and thereto, constitute the valid and binding obligations of the Seller, enforceable against the Seller in accordance with their respective terms, subject to (a) Legal Requirements of general application relating to bankruptcy, insolvency, moratorium, the relief of debtors and enforcement of creditors' rights in general, and (b) rules of law governing specific performance, injunctive relief, other equitable remedies and other general principles of equity.

3.5 No Conflicts. The execution and delivery by the Seller of this Agreement and any Seller Related Agreement, the compliance by the Seller with the provisions of this Agreement and each Seller Related Agreement and the performance of the Seller's obligations under this Agreement and each Seller Related Agreement, in each case, will not, (a) conflict with any term or provision of the certificate of incorporation, bylaws or other charter or organizational documents of the Seller, (b)(i) conflict with, (ii) result in a breach of or constitute (with or without due notice or lapse of time or both) a default under, (iii) result in the acceleration or termination of rights or obligations under, or create in any party the right to accelerate performance under, terminate, modify, amend or cancel, or cause a loss or adverse modification of, (iv) require any notice, consent or waiver under, or (v) impair or result in the loss of any right or benefit to which the Seller is entitled under, in each case, any material Contract, material Permit, or Lien to which the Seller is a party or by which the Seller or any of the Seller's properties, assets (whether tangible or intangible) or business is subject to or bound, (c) violate (with or without notice or

lapse of time or both) in any respect any Legal Requirement applicable to the Seller or any of the Seller's properties or assets (whether tangible or intangible), or (d) prevent, alter or delay the Seller's ability to consummate the Transactions, except, in each case of clauses (a)-(d) above, (A) for such breaches, defaults, conflicts, violations, amendments, cancellation, impairments, terminations, accelerations or Liens that would not reasonably be expected to have a material adverse effect on Seller's ability to consummate the Transactions and (B) for CFIUS Clearance and ITAR Clearance.

3.6 Governmental Filings and Consents. No consent, waiver, approval, order or authorization of, notice to, or registration, qualification, designation, declaration or filing with, any Governmental Entity is required on the part of the Seller in connection with the execution and delivery of this Agreement or the Seller Related Agreements or the performance of its obligations hereunder and thereunder, except for CFIUS Clearance, ITAR Clearance and such consents, waivers, orders, authorizations, filings, qualifications, designations, declarations, approvals, notices and registrations which, if not obtained or made, would not prevent, alter or delay the Seller's ability to consummate the Transactions.

3.7 Solvency. Upon giving effect to the Transactions: (a) the Fair Salable Value of the Seller Assets in the aggregate will exceed all of the probable liabilities of the Seller Business as they become absolute and matured; (b) the Seller will not have, or have access to, an unreasonably small amount of capital for the Seller Business; and (c) the Seller will be able to pay the liabilities of the Seller Business as they become absolute and mature, in the ordinary course of business, taking into account the timing of and amounts of cash to be received by the Seller Business and the timing of and amounts of cash to be payable on or in respect of any Indebtedness of the Seller Business. For purposes of this Section 3.7: (i) "Fair Salable Value" means the amount that may be realized if the aggregate assets (including goodwill) of the Seller Business are sold as an entirety with reasonable promptness in an arms'-length transaction under then-current conditions for the sale of comparable business enterprises; (ii) "Seller Assets" means all of the assets of the Seller and its Subsidiaries (other than the Company and other than the assets used, held for use or intended for use in connection with or relating to the Business); and (iii) "Seller Business" means the business of the Seller and its Subsidiaries (other than the Company and other than the Business).

3.8 Brokers or Finders. The Seller does not have, directly or indirectly, any liability for any investment bankers', brokerage or finders' fees, agents' commissions or similar fees in connection with this Agreement or the Transactions.

3.9 No Other Representation or Warranties. Except for the representations and warranties contained in this Article III or as otherwise expressly set forth in Article II hereof, the Seller does not make any representation or warranty, express or implied. All such additional representations and warranties are hereby disclaimed.

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer hereby represents and warrants to the Seller as follows:

4.1 Organization and Good Standing. Buyer is duly organized, validly existing and in good standing under the laws of [•] and has the requisite entity power and authority to own, lease and operate its properties and to carry on its business as now being conducted. Buyer is duly qualified or licensed to do business and is in good standing under the laws of each jurisdiction in which the nature of its business or the ownership or leasing of its properties and assets makes such qualification or licensing necessary, other than in such jurisdictions where the failure to so qualify would not, individually or in the aggregate, reasonably be expected to impair, prevent or delay the consummation of the Transactions.

4.2 No Conflicts. The execution and delivery of this Agreement by Buyer and any Buyer Related Agreement, the compliance by Buyer with the provisions of this Agreement and each Buyer Related Agreement, and the performance of Buyer's obligations under this Agreement and each Buyer Related Agreement, in each case, will not: (a) conflict with or violate the certificate of incorporation, articles, bylaws or equivalent organizational or governing documents of Buyer; (b)(i) conflict with, (ii) result in a breach of or constitute (with or without due notice or lapse of time or both) a default under, (iii) result in the acceleration or termination of rights or obligations under, or create in any party the right to accelerate performance under, terminate, modify, amend or cancel, or cause a loss or adverse modification of, (iv) require any notice, consent or waiver under, or (v) impair or result in the loss of any right or benefit to which Buyer is entitled under, in each case, any material Contract, material Permit, or Lien to which Buyer is a party or by which Buyer or any of Buyer's properties, assets (whether tangible or intangible) or business is subject to or bound, (c) violate (with or without notice or lapse of time or both) in any respect any Legal Requirement applicable to Buyer or any of Buyer's properties or assets (whether tangible or intangible), or (d) prevent, alter or delay Buyer's ability to consummate the Transactions, except, in each case of clauses (a)-(d) above, (A) for such breaches, defaults, conflicts, violations, amendments, cancellation, impairments, terminations, accelerations or Liens that would not reasonably be expected to have a material adverse effect on Buyer's ability to consummate the Transactions and (B) for CFIUS Clearance and ITAR Clearance.

4.3 Authority and Enforceability. Buyer has all requisite power and authority to enter into this Agreement and any Related Agreements to which it is or will be a party (the "Buyer Related Agreements") and to perform its obligations hereunder and thereunder which are otherwise necessary for the consummation of the Transactions. The execution, delivery and performance by Buyer of this Agreement and any Buyer Related Agreements and the performance of its obligations hereunder and thereunder (including the Transactions) have been duly and validly authorized by all necessary action on the part of Buyer, and no further action is required on the part of Buyer to authorize the execution, delivery and performance of this Agreement and any Buyer Related Agreements and the Transactions. This Agreement and each of the Buyer Related Agreements have been (or will be, when executed and delivered), duly and validly executed and delivered by Buyer, and assuming the due authorization, execution and delivery by the other parties hereto and thereto, constitute (or will constitute, when executed and delivered) the valid and binding obligations of Buyer, enforceable against Buyer in accordance with their respective terms, subject to (a) Legal Requirements of general application relating to bankruptcy, insolvency, moratorium, the relief of debtors and enforcement of creditors' rights in general, and (b) rules of law governing specific performance, injunctive relief, other equitable remedies and other general principles of equity.

4.4 Governmental Filings and Consents. No consent, waiver, approval, order or authorization of, notice to, or registration, qualification, designation, declaration or filing with, any Governmental Entity is required on the part of Buyer in connection with the execution and delivery of this Agreement or the Buyer Related Agreements or the performance of its obligations hereunder and thereunder, except for CFIUS Clearance, ITAR Clearance and such other consents, waivers, approvals, orders, authorizations, registrations, qualifications, designations, declarations and filings (i) as may be required under applicable securities laws and state "blue sky" laws, and (ii) which, if not obtained or made, would not prevent, alter or delay Buyer's ability to consummate the Transactions.

4.5 Capital Resources. At the Closing, Buyer shall have sufficient immediately available funds, in cash, in an aggregate amount, to pay the Adjusted Purchase Price and to consummate the Transactions. Buyer understands that Buyer's obligations hereunder are not in any way contingent or otherwise subject to (a) the consummation of any financing arrangements or obtaining any financing or (b) the availability of any financing to Buyer or any of its Affiliates.

4.6 No Action. There is no Action pending or, to the Knowledge of Buyer, threatened in writing against Buyer or any of its Affiliates (a) challenging or seeking to restrain, delay or prohibit any of the Transactions or (b) preventing Buyer from performing in all material respects its obligations under any Related Agreements to which Buyer is or will be a party.

4.7 Acknowledgement by Buyer.

(a) Buyer has conducted its own independent review and analysis of the Company, its business and the assets, Liabilities, results of operations and financial condition of the Company, and acknowledges that Buyer has been provided access to the personnel, properties, premises and records of the Company for such purpose and that Buyer and its Representatives have been provided with the opportunity to ask questions of the officers and management employees of the Company and to acquire such additional information about the business and the assets, Liabilities, results of operations and financial condition of the Company as Buyer and its Representatives have requested. Buyer is an informed and sophisticated participant in the Transactions and has undertaken such investigation, and has been provided with and has evaluated such documents and information, as it has deemed necessary in connection with the execution, delivery and performance of this Agreement and the other agreements related hereto and the consummation of the Transactions.

(b) Buyer acknowledges that it is consummating the Transactions without any representation or warranty, express or implied, by the Company or the Seller or any other Person on behalf of the Company or the Seller except as expressly set forth in Article II or Article III (in each case, as modified by the Disclosure Schedule) or in any Company Related Agreement or Seller Related Agreement. Buyer acknowledges that, except for the matters that are expressly covered by the provisions of this Agreement or in any Company Related Agreement or Seller Related Agreement, it is relying on its own investigation and analysis in entering into both the agreements contemplated hereby and the Transactions.

4.8 Brokers or Finders. Buyer does not have, directly or indirectly, any liability for any investment bankers', brokerage or finders' fees, agents' commissions or similar fees in connection with this Agreement or the Transactions.

**ARTICLE V

(k) adopt or change accounting methods, practices or policies (including any change in depreciation or amortization policies or rates or any change to practices that would impact the methodology for recognizing revenue) other than as required by changes to GAAP arising after the date hereof;

(l) except as otherwise required (i) by any Company Employee Plan existing on or prior to the date hereof, or (ii) under any applicable Legal Requirement, (A) increase or grant any increase in the compensation, severance, or employee benefits of, or pay, grant or promise any severance or bonus to, any current or former Company Employee or other current officer, director, employee, consultant or independent contractor of the Seller primarily working in connection with the Business (each of whom is identified in Annex B attached hereto) (a "Seller Business Employee") other than any promotion- or merit-based increases in compensation in the ordinary course of business, (B) take any action to accelerate the vesting or payment of any compensation or benefits under any Company Employee Plan or Seller Employee Plan, other than with respect to any equity awards granted under a Seller Employee Plan, for the benefit of any Company Employee or Seller Business Employee other than as may apply generally to all other similarly situated participants of any Seller Employee Plan, (C) hire any employee or consultant into the Business (other than to fill an open position or replace a terminating or terminated employee or consultant, in the ordinary course of business) other than in relation to transfers of Seller Business Employees to the Company pursuant to the Reorganization, or (D) terminate any Company Employee or Seller Business Employee, other than for cause and other than in relation to transfers of Seller Business Employees to the Company pursuant to the Reorganization;

(m) make or change any material Tax election, adopt or change any Tax accounting method, amend any income or other material Tax Returns, enter into any closing agreement in respect of Taxes, settle or compromise any Tax claim or assessment, or consent to any extension or waiver of the limitations period applicable to any Tax claim or assessment;

(t) take, commit, or agree in writing or otherwise to take, any of the actions described in clause (a) – (s) of this Section 5.2, or any other action that would prevent the Seller or the Company from performing, or causing the Seller or the Company not to perform, the actions contemplated to be performed by them under this Agreement.

**ARTICLE VI
ADDITIONAL AGREEMENTS**

6.1 Efforts to Close.

(a) Subject to the terms and conditions provided in this Agreement and except as otherwise provided in this Agreement, each of the parties hereto shall cooperate with each other and use commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable, or as required under applicable Legal Requirements, to consummate and make effective the Transactions as promptly as practicable, including by using commercially reasonable efforts to take all action necessary to satisfy all of the conditions to the obligations of the other party or parties hereto to effect the Transactions set forth in Article VII, to obtain all necessary waivers, consents, approvals and other documents required to be delivered by such party hereunder and to effect all necessary registrations and filings and to remove any injunctions or other impediments or delays, legal or otherwise, in each case in order to consummate and make effective the Transactions for the purpose of securing to the parties hereto the benefits contemplated by this Agreement.

(b) Each of the Seller, the Company and Buyer shall use their commercially reasonable best efforts to prepare and file all necessary documentation, effect all necessary applications, notices, petitions, registration, filings and other documents, and obtain the authorization, approval or consent of any Governmental Entity, whether U.S. federal, state, local or foreign, and all other approvals and consents from any other Person (including the Required Consents) that may be reasonably required in connection with the consummation of the Transactions. To the extent permitted by Legal Requirements, and subject to all applicable privileges (including the attorney-client privilege), each of the parties hereto shall promptly inform the other of any material communication between the Company or Buyer (as applicable) and any Governmental Entity regarding the Transactions. If the Company or Buyer or any Affiliate thereof shall receive any formal or informal request for supplemental information or documentary material from any Governmental Entity with respect to the Transactions, then the Company or Buyer (as applicable) shall make, or cause to be made, as soon as reasonably practicable, a response in compliance with such request.

(c) Pursuant to Section 721 and the CFIUS Regulations, Buyer, and the Seller shall use their commercially reasonable best efforts to prepare and file with CFIUS (1) a draft joint voluntary notice of the Transactions within fifteen (15) Business Days following the date of this Agreement and (2) a formal joint voluntary notice pursuant to Section 721, as promptly as practicable after receipt of CFIUS comments on such draft joint voluntary notice or confirmation by CFIUS that it has no comments. Buyer or Seller shall make all commercially reasonable best efforts to secure CFIUS Clearance as promptly as practicable after the date of the filing of the joint voluntary notice; provided that for purposes of this Section 6.1(c), "commercially reasonable best efforts" shall mean, in respect of obtaining CFIUS Clearance, that each party shall pay all costs, expenses and fees incurred by each such party in connection therewith and the parties shall otherwise take all such commercially reasonable actions and agree to such commercially reasonable requirements or conditions to mitigate any national security concerns as may be requested or required by CFIUS in connection with, or as a condition of, the CFIUS Clearance; provided, however, that Buyer shall not be required to enter into any agreement that materially interferes with Buyer's ability to participate in the management, effective control or exercise of full rights of ownership of the Company, including any obligation to sell, transfer, hold separate, divest, or otherwise dispose of the Company's businesses or assets or the assets of the Business.

(d) The Company and Buyer shall permit counsel for the other party reasonable opportunity to review in advance, and consider in good faith, the views of the other party in connection with, any proposed written communication to CFIUS pertaining to the substance of the CFIUS notice or substantive matters related to the CFIUS process, and any party engaging in telephonic discussions with CFIUS shall promptly inform the other party of such discussion; provided that this Section 6.1(d) shall not apply to the extent such communications

(a) involve confidential business information, or (b) relate purely to administrative matters such as the scheduling of calls, submission logistics, and non-substantive process steps. No party shall independently participate in any in person meeting with any Governmental Entity in respect of any such filings, investigation or other inquiry without giving the other party sufficient prior notice of the meeting and, to the extent permitted by such Governmental Entity, the opportunity to attend and/or participate in such meeting.

(e) Pursuant to the ITAR, Buyer and the Seller shall cooperate to timely prepare and file the ITAR Notification with DDTTC, and in any event, within fifteen (15) Business Days following the date of this Agreement. Seller shall take responsibility for preparation and submission of the ITAR Notification and Buyer shall promptly provide Seller all necessary information and otherwise assist Seller in order for Seller to complete preparation and submission of the ITAR Notification. Each party shall bear all of such party's costs, expenses and fees incurred in connection with the preparation and filing thereof. Without limiting the foregoing, the Seller and, during the period from the date hereof until the date that is six months after the Closing Date (as such period may be extended based on good faith discussion among the parties, including with respect to technical assistance agreements in connection with the Business), the Company, shall use good faith efforts to cooperate with Buyer, upon Buyer's reasonable request, to ensure that the Company continues to operate in compliance with applicable export control laws, including ensuring Company policies, procedures and technology control plans are in place upon Closing and submitting required notices and changes to ITAR registrations and any applications for, or transfers of, export licenses or technical assistance agreements in connection with the Business.

6.2 Access to information. The Company shall, and the Seller shall and shall cause the Company to, afford Buyer and its Representatives reasonable access during the period from the date hereof and prior to the Closing to (i) all of the properties, assets, books, records and Contracts of the Company in connection with or relating to the Business, and (ii) all other information concerning the business, properties and personnel (subject to restrictions imposed by Legal Requirements) of the Company or used in connection with or relating to the Business as Buyer may reasonably request. In furtherance of the foregoing, the Seller agrees to cause the Company to provide to Buyer and its accountants, counsel and other Representatives copies of internal financial statements (including Tax Returns and supporting documentation) promptly upon Buyer's reasonable advance request.

6.3 Public Announcement; No Disclosures. Unless otherwise required by (a) law or applicable Legal Requirements, (b) rules and regulations of any stock exchange or trading system or (c) by subpoena, summons or legal process, the parties hereto shall not (and shall cause their respective Affiliates and Representatives not to), without the joint written approval of Buyer and the Seller, (i) issue any statement or communication, or make any press release or public announcement, with respect to this Agreement, any Related Agreement or the Transactions, including, if applicable, the termination of this Agreement and the reasons therefor or any disputes or arbitration proceedings, and (ii) disclose any information with respect to this Agreement or the Transactions to any Person; provided that, prior to issuing any such statement or communication, or making any such announcement, as required by law or applicable Legal Requirements, rules and regulations of any stock exchange or trading system or subpoena, summons or legal process, the parties (or their applicable Affiliates) shall consult with each other with respect to the content thereof. Notwithstanding the foregoing, for the avoidance of doubt, the parties hereto agree that the Company, the Seller and Buyer may disclose the following information: [•]¹¹.

[***]

6.4 Notices and Consents. The Seller and the Company shall use reasonable best efforts to obtain all necessary consents, waivers and approvals (including the Required Consents) of any third parties to any Contract to which the Company is a party, by which the Company is bound, or that are used in connection with the Business, as are required thereunder in connection with the Transactions in order for such Contracts to remain in full force and effect from and after the Closing in accordance with their respective terms and to preserve all rights of, and benefits to, Buyer and the Company or otherwise with respect to the Business under such Contracts from and after the Closing. Such consents, modifications, waivers and approvals shall be in a form and substance reasonably acceptable to Buyer.

6.5 Supplemental Disclosure. The Seller and the Company shall give Buyer prompt written notice of any event which occurs after the date hereof that causes any representation or warranty contained in this Agreement to be untrue or inaccurate; provided that in no event will the delivery of any such notice (a) limit or otherwise affect the rights, obligations, representations, warranties, covenants or agreements of the parties hereto or the conditions to the obligations of the parties under this Agreement or (b) be deemed to supplement or amend the Disclosure Schedule, constitute an exception to or cure any breach of any representation, warranty, covenant or agreement. Without limiting the foregoing, prior to the Closing, the Seller and the Company shall supplement Section 2.26 of the Disclosure Schedule (Related Party Arrangements) to update any amounts owing to or by the Company under any Related Party Agreements as of the Closing.

6.6 Tax Matters.

(a) Preparation of Company Returns for Pre-Closing Tax Periods. The Seller shall prepare and timely file, or cause to be prepared and timely filed, at Seller's expense, all income Tax Returns for the Company required to be filed with respect to any Pre-Closing Tax Period with respect to which the items of income, gain, loss, deduction or other Tax items pass through to the Seller (the "Income Tax Returns"). All such Income Tax Returns shall be prepared in accordance with applicable law and, to the extent not inconsistent with applicable law, the past practices of the Seller and the Company. The Seller shall provide Buyer each Income Tax Return no later than 30 days before the due date for such Income Tax Return and shall consider in good faith Buyer's timely reasonable comments on such Income Tax Return. The Seller shall be solely responsible, and shall timely pay when due (or, at the option of Buyer, the Seller shall reimburse Buyer for), all Taxes reflected on such Income Tax Returns. Except as otherwise contemplated in this Section 6.6(a) Buyer shall prepare and timely file, or cause to be prepared and timely filed, all other Company Returns for the Company required to be filed after the Closing Date, and shall timely remit, or cause to be remitted, to the appropriate Governmental Entity all Taxes reflected on such Company Returns; provided however that, any amounts paid or otherwise reimbursed by the Seller pursuant to this Section 6.6 shall not be set off against, or otherwise reduce (A) Buyer's ability, consistent with Section 1.1(d)(iii)(8), to withhold some or all of any Earn-Out Payment in connection with claims indemnifiable under Article VIII or (B) any remaining available monies retained by Buyer as any Contingent Holdback Amount.

(b) Cooperation. Buyer and Seller shall cooperate, as and to the extent reasonably requested by the other party, in connection with (i) the filing of any Company Returns, and (ii) any audit, examination, voluntary disclosure or other administrative or judicial proceeding, contest, assessment, notice of deficiency, or other adjustment or proposed adjustment with respect to Taxes of the Company or its operations (a "Tax Contest"). Such cooperation shall include obtaining and providing appropriate forms, retaining and providing records and information that are reasonably relevant to any such Company Return or Tax Contest, and making employees available on a mutually convenient basis to provide additional information and explanation of any materials provided hereunder. The Seller shall be entitled to control any Tax Contest that relates solely to an Income Tax Return; provided, however, that Buyer shall be entitled to participate in such Tax Contest at its own expense. Any Tax Contest not described in the immediately preceding sentence shall be treated as a third-party action pursuant to Section 8.5(e).

(c) Transfer Taxes. All Transfer Taxes shall be borne fifty percent (50%) by the Seller and fifty percent (50%) by Buyer; provided, however, that any additional Transfer Taxes imposed on the Company or the Seller solely as a result of making the Section 338(h)(10) Elections shall be borne by Buyer. The party responsible for filing any Tax Return with respect to Transfer Taxes shall pay the Transfer Taxes when due and, at its expense, will file all necessary Tax Returns and other documentation with respect to all such Taxes, fees and charges, if required by applicable law or Legal Requirements. The other party shall reimburse the filing party within fifteen (15) days following the deadline for such Tax payments. The parties will, and will cause their respective Affiliates to, join in the execution of any such Tax Returns and other documentation, as necessary.

(d) Allocation of Straddle Period Taxes. For purposes of this Agreement, in the case of a Straddle Period, the amount of Taxes of the Company that are allocable to the portion of a Straddle Period ending on and including the Closing Date shall be determined by assuming that the Straddle Period consisted of two (2) taxable years or periods, one of which ended at the close of the Closing Date and the other of which began at the beginning of the day following the Closing Date, and (i) Taxes based on, or computed with respect to, net income or earnings, gross income or earnings, capital or net worth, or any other Taxes resulting from or imposed on, sales, receipts, uses, transfers or assignments of property or other assets, payments or accruals to other Persons (including wages) or any other similar transaction or transactions of the Company for the Straddle Period shall be allocated between such two (2) taxable years or periods on a "closing of the books basis" by assuming that the books of the Company were closed at the close of the Closing Date and (ii) in the case of all other Taxes, such Taxes shall be apportioned between such two (2) taxable years or periods on a daily basis.

(e) Section 338(h)(10) Elections.

(i) At the election of Buyer in its sole discretion, the Seller and Buyer shall make a timely, effective, and irrevocable election under Section 338(h)(10) of the Code and under any comparable statutes in any other jurisdiction with respect to the Company (collectively, the "Section 338(h)(10) Elections") and shall file such Section 338(h)(10) Elections in accordance with applicable regulations. The Seller and Buyer shall cooperate in all respects for the purpose of effectuating the Section 338(h)(10) Elections, including the execution and filing of any required Tax Returns and the grant of consent to the Section 338(h)(10) Elections by the Seller. In the event that such Section 338(h)(10) Elections are made, then Buyer shall indemnify the Seller for the amount of any Incremental Taxes. For the avoidance of doubt, Buyer shall bear, and shall reimburse the Seller for, all reasonable and documented out-of-pocket costs of Seller's outside accountants incurred by the Seller in determining whether the Section 338(h)(10) Elections are made. "Incremental Taxes" shall mean the amount by which (x) the amount of Taxes (other than Transfer Taxes) owed by the Seller as a result of the Transactions taking into account such Section 338(h)(10) Elections, exceeds (y) the amount of Taxes (other than Transfer Taxes) that would be owed by the Seller as a result of the Transactions if such Section 338(h)(10) Elections had not been made.

(ii) [Within ninety (90) days after Buyer's delivery of notice that the Section 338(h)(10) Elections will be made, Buyer shall deliver to the Seller an allocation of the purchase price among the assets of the Company in accordance with Section 1060 of the Code (the "Allocation Statement"). The Seller shall have the right to review the Allocation Statement. Within forty-five (45) days after the Seller's receipt of the Allocation Statement, the Seller shall indicate its concurrence therewith, or propose to Buyer any changes to the Allocation Statement. The Seller's failure to notify Buyer of any objection to the Allocation Statement within forty-five (45) days after receipt thereof shall constitute the Seller's concurrence therewith. Buyer shall consider in good faith any changes to the Allocation Statement proposed by the Seller. The allocation shall be binding on the parties, and all Tax Returns filed by Buyer, the Company, the Seller, and each of their Affiliates, if any, shall be prepared consistently with such allocation, and none of them shall take a position on any Tax Return or other form or statement contrary to such allocation (unless required to do so by applicable Legal Requirement).]¹²

[***]

(iii) Within ninety (90) days after the finalization of the Allocation Statement pursuant to Section 6.6(e)(ii), the Seller shall provide Buyer with a written notice (the "Incremental Tax Notice") setting forth the amount of the proposed Incremental Taxes, together with the manner in which it is calculated and supporting documentation. If Buyer objects to such Incremental Tax Notice, it will, within twenty (20) days after delivery of such Incremental Tax Notice, notify the Seller in writing that it so objects, specifying reasons for such objection. If a notice of objection is delivered, Buyer and the Seller will negotiate in good faith and use their reasonable best efforts to resolve their disagreement. If Buyer and the Seller are unable to reach such agreement within twenty (30) days after receipt by Buyer of such notice, the Neutral Arbiter shall compute the amount of Incremental Taxes and any determination by the Neutral Arbiter will be final. The costs, fees and expenses of the Neutral Arbiter will be borne by Buyer and the Seller in the same manner as described in Section 1.1(c)(iii).

(f) Certain Buyer Post-Closing Tax Actions Without the prior written consent of the Seller (which consent shall not be unreasonably withheld, conditioned or delayed), following the Closing, Buyer shall not, and shall cause the Company to not, make, change or rescind any material Tax election of the Company for any Pre-Closing Tax Period, amend any Tax Return of the Company for any Pre-Closing Tax Period, file any Tax Return with respect to a Pre-Closing Tax Period in a jurisdiction in which the Company did not file previously, engage in or initiate any voluntary disclosure or similar process with a Governmental Entity with respect to Taxes or Tax Returns of the Company for any Pre-Closing Tax Period or extend the statute of limitations with respect to any Tax of the Company (in each case, to the extent such action would reasonably be expected to result in an indemnifiable Tax under this Agreement).

(g) Tax Refunds. The Seller shall be entitled to any refund or credit of Taxes of the Company for any Pre-Closing Tax Period (including any statutory interest paid by a Governmental Entity relating thereto) net of any reasonably-incurred third party expenses in order to obtain such refund. Buyer and its Affiliates (including the Company after the Closing) shall take reasonable steps as may be requested by the Seller to obtain any such refund or credit of Taxes. Any such refund or credit received by Buyer or its Affiliates (including the Company after the Closing) shall be paid by Buyer to the Seller within 10 days of receipt thereof.

6.7 Waiver of Conflicts Regarding Representation. Notwithstanding that the Seller and the Company have been represented by Wilson Sonsini Goodrich & Rosati, P.C. (the "Firm") in the preparation, negotiation and execution of this Agreement and any Related Agreements, Buyer acknowledges and agrees that, after the Closing, the Firm may represent the Seller and/or its Affiliates in matters related or unrelated to this Agreement and any Related Agreements, including in respect of any indemnification claims pursuant to this Agreement and any Related Agreements (the "Future Representation"). Accordingly, Buyer hereby acknowledges, on behalf of itself and its Affiliates, that it has had an opportunity to ask for and has obtained information relevant to such representation, including disclosure of the reasonably foreseeable adverse consequences of such representation, and it hereby waives any conflict arising out of such Future Representation as such representation may relate to Buyer.

(i) Blacksky Global Satellite Status. The Blacksky Global 5-8 satellites shall, to the reasonable mutual satisfaction of Buyer and Seller (determined in good faith based on applicable contractual requirements and consistent with the Company’s prior practices), be ready to ship to the launch site.

(j) Employment. [***] shall remain employed by the Company at all times through the Closing, and neither [***] nor the Company shall have given any notice intention to terminate [***] employment with the Company prior to, at or following the Closing; provided that, notwithstanding the foregoing, the occurrence of any act resulting in the death or mental or physical permanent disability or incapacity, as reasonably determined by Buyer and the board of directors of the Company, of [***] prior to or as of the Closing shall not be deemed a breach or default by, or failure of, the Company to fulfill its obligations as set forth in this Section 7.2(j) if the Company has used its reasonable best efforts to find a successor [***] reasonably acceptable to Buyer.

7.3 Conditions to Obligations of the Seller and the Company. The obligations of the Seller and the Company to consummate and effect the Transactions shall be subject to the satisfaction at or prior to the Closing of the following conditions, which may be waived, in writing, exclusively by the Seller:

(a) Representations and Warranties. Each of the representations and warranties made by Buyer in this Agreement that are not qualified by materiality shall have been true and correct in all material respects on the date of this Agreement and shall be true and correct in all material respects on and as of the date of the Closing (other than any such representations and warranties made only as of a specified date, to the extent not otherwise specified in such applicable representation or warranty, which shall be true and correct in all material respects as of such date). Each of the representations and warranties made by Buyer in this Agreement that are qualified by materiality shall have been true and correct in all respects on the date of this Agreement and shall be true and correct in all respects on and as of the Closing (other than any such representations and warranties made only as of a specified date, to the extent not otherwise specified in such applicable representation or warranty, which shall be true and correct in all respects as of such date).

(b) Covenants. Buyer shall have (A) performed and complied in all material respects with all covenants, obligations and agreements under this Agreement relating to actions to be taken (or not taken) by Buyer at or prior to the Closing and (B) delivered to the Seller or the Company, as applicable, all documents and other materials required to be delivered to the Seller or the Company, as applicable, by Buyer pursuant to this Agreement prior to or as of the Closing, including the payment of the purchase price (as described in Section 7.3(c)) and all other deliveries required by and in accordance with this Agreement.

(c) Payment of the Purchase Price. Buyer shall have delivered, or caused to be delivered, the payments as provided in Section 1.1(b)(ii).

(d) Closing Deliverables. Buyer shall have delivered or caused to be delivered to the Seller, each of the following:

(i) a certificate duly executed by an officer of Buyer, in form and substance reasonably satisfactory to the Seller, dated as of the Closing Date, to the effect that, as of the Closing the conditions specified in Section 7.3(a) and Section 7.3(b) have been satisfied (the "Buyer Closing Certificate");

(ii) a certificate duly executed by an officer of Buyer and dated as of the Closing Date, in form and substance reasonably satisfactory to the Seller, certifying as to (A) the articles of incorporation and bylaws (or equivalent organizational documents) of Buyer and (B) the resolutions of Buyer's board of directors (or equivalent governing body) authorizing the execution, delivery and performance of this Agreement and the Buyer Related Agreements and approving the Transactions;

(iii) a certificate of good standing with respect to Buyer from Buyer's jurisdiction of organization (if applicable in such jurisdiction), dated within five (5) Business Days of the Closing; and

(iv) the Transition Services Agreement, duly executed by Buyer.

ARTICLE VIII INDEMNIFICATION

8.1 Survival. The representations and warranties of the Company and the representations and warranties of the Seller contained in this Agreement, the Seller Related Agreements or the Company Related Agreements shall survive until 11:59 p.m. Pacific Time on the date that is eighteen (18) months following the Closing Date (the date of expiration of such period, the "Expiration Date"); *provided, however*, that (a) Fundamental Representations shall survive until the date that is sixty (60) days following the expiration of the applicable statute of limitations, and (b) a representation or warranty made by any party hereto shall survive beyond the Expiration Date or other survival periods specified above with respect to any inaccuracy therein or breach thereof if a claim is made hereunder in accordance with this Agreement prior to the expiration of the applicable survival period for such representation and warranty, in which case such representation and warranty shall survive as to such claim until such claim has been finally resolved. The representations and warranties of Buyer contained in this Agreement or the Related Agreements to which Buyer is or will be a party shall survive for a period of eighteen (18) months following the Closing. All of the covenants and agreements set forth in this Agreement requiring performance after the Closing Date shall survive for a period of thirty-six (36) months following the Closing Date or for the period expressly specified therein. For the avoidance of doubt, except as expressly set forth herein, it is the intention of the parties hereto that the foregoing respective survival periods and termination dates supersede any applicable statutes of limitations that would otherwise apply to such representations and warranties. It is the express intent of the parties that, if the applicable survival period for an item as contemplated by this Section 8.1 is shorter or longer than the statute of limitations that would otherwise have been applicable to such item, then, by contract, the applicable statute of limitations with respect to such item shall be reduced or lengthened, as applicable, to the shortened or lengthened survival period contemplated hereby. The parties further acknowledge that the time periods set forth in this Section 8.1 for the assertion of claims under this Agreement are the result of arms'-length negotiation among the parties and that they intend for the time periods to be enforced as agreed by the parties. Notwithstanding anything in Section 1.4(c) or this Section 8.1 to the contrary, the limitations set forth in Section 1.4(c) or this Section 8.1 shall not apply in the event of fraud.

8.2 Indemnification.

(a) Seller Indemnification. From and after the Closing, the Seller shall, subject to the limitations in this Article VIII, indemnify and hold harmless Buyer and its officers, directors, Affiliates, employees, agents and Representatives, including the Company (the “Buyer Indemnified Parties”), from and against all Losses paid, incurred, suffered or sustained by the Buyer Indemnified Parties, or any of them, directly or indirectly, resulting from, arising out of, or relating to any of the following:

(i) any breach or failure to be true of, or inaccuracy in, any representation or warranty of the Company or the Seller contained in this Agreement, any Company Related Agreement or any Seller Related Agreement as of the date of this Agreement or as of the Closing Date, as if made as of such date, as the case may be;

(ii) any breach of (A) any pre-Closing covenant, obligation or agreement by the Company in this Agreement or any Company Related Agreement or (B) any covenant, obligation or agreement by the Seller in this Agreement or any Seller Related Agreement;

(iii) any Pre-Closing Taxes, provided, however, that the Seller shall have no obligation to indemnify or hold harmless the Buyer Indemnified Parties for (x) any Taxes resulting from any action taken by the Company or any of its Affiliates after the Closing on the Closing Date outside the ordinary course of business (other than as explicitly contemplated by this Agreement) or (y) any Incremental Taxes (as determined pursuant to Section 6.6); provided, further, that this Section 8.2(a)(iii) shall not apply with respect to Transfer Taxes, which shall be the subject of Section 6.6(c);

(iv) any Seller Group Liabilities for which the Company is obligated, has guaranteed or indemnified, or for which the Company is otherwise liable as of the Closing and which, as of such date, remain outstanding, due and payable;

(v) any Pre-Closing Leakage Amount, Transaction Expenses or Indebtedness of the Business remaining unpaid at the Closing that is not accounted for in the calculation of the Final Purchase Price, and the amount of any Net Asset Shortfall;

(vi) any Liabilities arising from the Reorganization for which the Company is obligated, has guaranteed or indemnified, or for which the Company is otherwise liable as of or following the Closing and which, as of such date, remain outstanding, due and payable;

(vii) any Potential Impairment Amount; provided, however, that with respect to any Losses under this Section 8.2(a)(vii) for which the Buyer Indemnified Parties have at any time following the Closing already been indemnified by the Seller in accordance with this Article VIII, the Company shall use commercially reasonable efforts to collect any accounts receivable that constituted the Potential Impairment Amount and the Company shall, promptly after receipt thereof, repay the Seller any amount so collected up to the amount of such indemnified Losses; and

(viii) any of the matters described on Section 8.2(a)(viii) of the Disclosure Schedule.

(b) Buyer Indemnification. From and after the Closing, Buyer and, together with the Seller, each an “Indemnifying Party”) shall, subject to the limitations in this Article VIII, indemnify and hold harmless Seller and its officers, directors, Affiliates, employees, agents and Representatives (the “Seller Indemnified Parties” and, together with the Buyer Indemnified Parties, together, the “Indemnified Parties”), from and against all Losses paid, incurred, suffered or sustained by the Seller Indemnified Parties, or any of them, directly or indirectly, resulting from, arising out of, or relating to any of the following:

(i) any breach or failure to be true of, or inaccuracy in, any representation or warranty of Buyer contained in this Agreement or any Buyer Related Agreement as of the date of this Agreement or as of the Closing Date, as if made as of such date, as the case may be;

(ii) any breach of any pre-Closing covenant or agreement by Buyer in this Agreement or any Buyer Related Agreement; and

(iii) any of the matters described on Section 8.2(b)(iii) of the Disclosure Schedule.

8.3 Mitigation of Loss. Following the Closing, each Indemnified Party shall use such efforts as are required by applicable Legal Requirements to mitigate any indemnifiable Losses pursuant to this Article VIII incurred or reasonably expected to be incurred by it or any Indemnified Party that it controls upon becoming aware of any fact or event which would reasonably be expected to, or does, give rise to a claim for indemnification under Section 8.2.

8.4 Limitations on Indemnification.

(a) Indemnification of the Buyer Indemnified Parties.

(i) If the Transactions are consummated, the Buyer Indemnified Parties shall not be entitled to indemnification pursuant to Section 8.2(a)(i) until (A) the aggregate dollar amount for an individual Loss or group of related Losses, directly or indirectly paid, incurred, suffered or sustained by the Buyer Indemnified Parties (or any of them), exceeds [***] the "Minor Claims Amount", and (B) the aggregate dollar amount of all Losses directly or indirectly paid, incurred, suffered or sustained by the Buyer Indemnified Parties (or any of them), subject to satisfaction of the Minor Claims Amount, exceeds, at any time, an amount equal to the product of (x) [***] multiplied by (x) the sum of the Base Purchase Price plus the aggregate Earn-Out Payments paid at such time (the "Threshold"), and if the aggregate amount of such indemnifiable Losses exceeds the Threshold as in effect at such time, then the Buyer Indemnified Parties shall be entitled to indemnification for all such Losses in excess of such Threshold that would otherwise be indemnifiable pursuant to Section 8.2(a)(i), subject to the other limitations and qualifications set forth in this Article VIII.

(ii) The Buyer Indemnified Parties shall not be entitled to indemnification pursuant to Section 8.2(a)(i) or in respect of any Potential Impairment Amount for any amount of indemnifiable Losses in excess of the Indemnity Cap as calculated at the latest to occur of the EBITDA Condition Date, Blacksky Condition Date and Orders Condition Date, and Buyer, on behalf of itself and the other Buyer Indemnified Parties, hereby agrees not to seek, and shall not be entitled to recover, any Losses or other payments in respect of a claim for indemnification pursuant to Section 8.2(a)(i) or in respect of any Potential Impairment Amount in excess of such Indemnity Cap (except as otherwise provided herein). Except in the case of fraud and as otherwise specified herein, the aggregate amount of Losses for which the Buyer Indemnified Parties shall be entitled to indemnification pursuant to Section 8.2(a) shall not exceed the Total Consideration. Notwithstanding anything to the contrary contained in this Agreement, no Buyer Indemnified Party shall have any right to seek or obtain indemnification under this Agreement for any Losses or alleged Losses incurred by a Buyer Indemnified Party to the extent the amount of such Loss would constitute a duplicative payment of any Liability actually included in the calculation of the Final Purchase Price.

(iii) The foregoing limitations in this Section 8.4(a) shall not apply (and will not limit the indemnification or other obligations of the Seller) (A) in the event of fraud or (B) to any breach or failure to be true of, or any inaccuracy in, any of the Fundamental Representations or any of the representations and warranties in Section 2.23(c); provided that, for purposes of calculating any Losses incurred in connection with any Indemnification Claims alleging breach, inaccuracy or failure to be true of any Fundamental Representation, such Losses for which the Seller has an obligation to indemnify the applicable Buyer Indemnified Party shall not exceed the Total Consideration. Notwithstanding anything to the contrary contained herein, no Buyer Indemnified Party shall be entitled to make any claim for recovery for any Loss related to or arising from (1) the amount or availability of any Tax asset or attribute of the Company, (2) the ability of any Buyer Indemnified Party to utilize any Tax asset or attribute of the Company following the Closing, or (3) any Taxes imposed on the Company for any taxable period (or portion thereof) beginning after the Closing (other than any such Losses resulting from a breach of the representations set forth in Sections 2.9(e), 2.9(f) and 2.9(l)).

(b) Indemnification of the Seller Indemnified Parties. Notwithstanding anything to the contrary contained in this Agreement:

(i) If the Transaction is consummated, the Seller Indemnified Parties shall not be entitled to indemnification pursuant to Section 8.2(b) unless and until (A) the aggregate dollar amount for an individual Loss or group of related Losses, directly or indirectly paid, incurred, suffered or sustained by the Seller Indemnified Parties (or any of them) exceeds the Minor Claims Amount, and (B) the aggregate dollar amount of all Losses directly or indirectly paid, incurred, suffered or sustained by the Seller Indemnified Parties (or any of them), subject to satisfaction of the Minor Claims Amount, exceeds the Threshold as in effect at a given time, and if the aggregate amount of such indemnifiable Losses exceeds the Threshold then in effect, then the Seller Indemnified Parties shall be entitled to seek indemnity recourse for any such indemnifiable Losses in excess of such Threshold that would otherwise be indemnifiable pursuant to Section 8.2(b), subject to the other limitations and qualifications set forth in this Article VIII.

(ii) The Seller Indemnified Parties shall not be entitled to indemnification pursuant to Section 8.2(b) for any amount of Losses in excess of the Indemnity Cap as calculated at the latest to occur of the EBITDA Condition Date, Blacksky Condition Date and Orders Condition Date, and the Seller, on behalf of itself and the other Seller Indemnified Parties, hereby agrees not to seek, and shall not be entitled to recover, any Losses or other payments in excess of such Indemnity Cap.

(iii) The foregoing limitations in this Section 8.4(b) shall not apply (and will not limit the indemnification or other obligations of Buyer) in the event of fraud.

(c) Exclusive Remedy. Following the Closing, recovery under the terms of this Article VIII shall be the sole and exclusive monetary remedy of the Indemnified Parties for any Losses incurred by any Indemnified Party or otherwise arising in connection with this Agreement, other than (x) in the case of fraud and (y) with respect to matters covered by Section 10.6, and no Person shall have any other liability for monetary damages or other remedies or recourse arising out of, in connection with or related to this Agreement, any Related Agreement or the Transactions or any breach of any representation, warranty, covenant or agreement contained herein or therein. Notwithstanding anything else in this Section 8.4(c), this Section 8.4(c) will not apply with respect to matters covered by Section 1.1(c) or Section 6.6(e)(iii) or serve to limit (i) an Indemnified Party's right to seek specific performance or other equitable relief under this Agreement or (ii) the liability of any Indemnifying Party for fraud.

(d) For purposes of this Article VIII, qualifications as to materiality, Company Material Adverse Effect or other qualifiers of similar import contained in any representation or warranty shall not be given effect for purposes of determining whether a breach of such representations or warranties has occurred or for purposes of calculating any Losses in connection with a breach of any such representation or warranty so qualified.

(e) The amount of any Losses for which indemnification is provided under this Article VIII shall be net of any amounts actually recovered by the Indemnified Party under any applicable insurance policy (other than self-insurance programs) in connection with the subject of the Losses that form the basis of the Indemnified Party's Indemnification Claim hereunder.

8.5 Indemnification Claim Procedures.

(a) Subject to the limitations set forth in this Article VIII, if an Indemnified Party wishes to make an indemnification claim under this Article VIII (each an "Indemnification Claim"), such Indemnified Party shall deliver a written notice (an "Indemnification Claim Notice") to the Indemnifying Party (i) stating that an Indemnified Party has paid, incurred, suffered or sustained, or reasonably anticipates that it may pay, incur, suffer or sustain, Losses, and (ii) specifying in reasonable detail the amount of such Losses (if known, or a non-binding, reasonable estimate thereof if the actual amount is not known or not capable of reasonable calculation) and the specific facts and circumstances, in reasonable detail to the extent known, relating to such Losses. The Indemnified Parties may update an Indemnification Claim Notice from time to time to reflect any change in circumstances following the date an Indemnification Claim Notice was initially delivered. If an Indemnification Claim under this Article VIII may be brought under different or multiple sections, clauses or sub-clauses of Section 8.2 (or with respect to different or multiple representations, warrants or covenants in this Agreement or any Related Agreement), then the Indemnified Parties shall have the right to bring such Indemnification Claim under any such section, clause, subclause, representation, warranty or covenant (each a "Subject Provision") that it chooses and the Indemnified Parties will not be precluded from seeking indemnification under any Subject Provision by virtue of the Indemnified Parties not being entitled to seek indemnification under any other Subject Provision.

(b) If the Indemnifying Party does not object in writing within the thirty (30) day period after receipt of an Indemnification Claim Notice (the "Indemnification Objection Period") by delivery of a written notice of objection, containing a reasonably detailed description of the facts and circumstances supporting an objection to the applicable indemnification claim (an "Indemnification Claim Objection Notice"), such failure to so object shall be an irrevocable acknowledgment by the Indemnifying Party that the Indemnified Party is entitled, subject to the other terms and conditions of this Article VIII, to the full amount of the claim for Losses set forth in such Indemnification Claim Notice.

(c) In the event that the applicable Indemnifying Party delivers an Indemnification Claim Objection Notice in accordance with Section 8.5(b) prior to the expiration of the Indemnification Objection Period, the applicable Indemnifying Party and Indemnified Parties shall attempt in good faith to resolve such claims. If the Indemnifying Party and Indemnified Parties should so agree on a resolution, a memorandum setting forth such agreement shall be prepared and signed by both parties and, if applicable, the Indemnifying Party shall, within ten (10) Business Days following the date of such memorandum, pay to the Indemnified Parties the amount agreed to be paid in such memorandum.

(d) If the Seller is the Indemnifying Party, any Indemnification Claim will be paid in accordance with the recourse provisions set forth in Section 1.4(c); provided, however, that notwithstanding anything to the contrary in this Agreement, any Seller liability with respect to an Indemnification Claim that arises from (A) any Pre-Closing Leakage Amount not reflected in the Final Pre-Closing Leakage Amount, (B) fraud, (C) Pre-Closing Taxes or (D) breach or failure to be true of, or inaccuracy in, any Fundamental Representation, then subject to the other terms of this Article VIII, the remaining amount of such Indemnification Claim (taking into account all previous amounts actually recovered in accordance with Section 1.4(c) (but for the avoidance of doubt, not taking into account any contingent future recovery against any then-indeterminate Earn-Outs Payments)) shall be paid promptly after the resolution thereof (whether pursuant to Section 8.5(b) or in accordance with Section 10.9) to Buyer by the Seller.

(e) Third Party Actions. In the event any Action is instituted against an Indemnified Party by any Person who is not a party to this Agreement, an Affiliate of a party to this Agreement or a Representative of any of the foregoing (a "Third Party Action"), or an Indemnified Party receives notice of the assertion of any Third Party Action or threat of Third Party Action, in each case with respect to which the Indemnifying Party would reasonably be expected to be obligated to provide indemnification under this Agreement, such Indemnified Parties will, as promptly as practicable after receipt of notice of any such Third Party Action, notify the Indemnifying Party of the commencement thereof. The failure to so promptly notify the Indemnifying Party will not, however, relieve the Indemnifying Party from its indemnification obligations in connection therewith, except and only to the extent that such failure materially prejudices the Indemnifying Party's ability to defend against such Third Party Action or otherwise perform its obligations hereunder. The Indemnified Parties shall have the right, in their sole discretion, to control the defense and the settlement, adjustment or compromise of such Third Party Action. The Indemnifying Party shall make available to the Indemnified Parties any documents and materials in its possession or control necessary to the defense or settlement of such Third Party Action, and the costs and expenses incurred by the Indemnified Parties in connection with such defense or settlement (including reasonable attorneys' fees, other professionals' and experts' fees and court or arbitration costs) shall be included in the Losses for which the Indemnified Parties may seek indemnification pursuant to this Article VIII; *provided, however*, that the Indemnifying Party and its counsel (at the sole expense of the Indemnifying Party) may participate in (but not control the conduct of) the defense of such Action; *provided further* that, except with the consent of the Indemnifying Party (which consent shall not be unreasonably withheld, delayed or conditioned), no settlement of any such Third Party Action shall be determinative of the amount of Losses relating to such matter that are indemnifiable by the Indemnifying Party pursuant to this Article VIII.

8.6 Tax Adjustments. Any payments made to an Indemnified Party pursuant to any indemnification obligations under this Article VIII will be treated as adjustments to the Final Purchase Price for Tax purposes and such agreed treatment will govern for purposes of this Agreement, unless otherwise required by Legal Requirements.

ARTICLE IX TERMINATION, AMENDMENT AND WAIVER

9.1 Termination. Except as provided in Section 9.2, this Agreement may be terminated and the Transactions abandoned at any time prior to the Closing as follows:

(a) by mutual written agreement of the Seller and Buyer;

(b) by Buyer or the Seller, by written notice to the other, if the Closing Date shall not have occurred on or before the date that is twelve (12) months after the date of this Agreement (as may be extended pursuant to this Section 9.1(b), the "End Date"); *provided, however*, if on such date that is twelve (12) months after the date of this Agreement, the conditions in Section 7.1, Section 7.2 and Section 7.3 have been satisfied (other than those conditions that, by their nature, would be satisfied only at the Closing and are capable of being satisfied if the Closing were to occur on such date), except that any of the conditions set forth in Section 7.1(a) or Section 7.1(b) solely as it relates to Section 7.1(a) or Section 7.1(b), as applicable, shall not have been satisfied, then the End Date shall be automatically extended until any such approvals, authorizations and consents have been obtained or are denied; *provided, further*, that the right to terminate this Agreement under this Section 9.1(b) shall not be available to any party whose action or failure to act has been a principal cause of or resulted in the failure of the Closing to occur on or before the End Date and such action or failure to act constitutes a breach of this Agreement;

(c) by Buyer, by written notice to the Seller, if there has been a breach of or inaccuracy in any representation, warranty, covenant or agreement made by the Company or the Seller in this Agreement such that the conditions set forth in Section 7.2(a) or Section 7.2(b) would not be satisfied as of the time of such breach or inaccuracy and such breach or inaccuracy has not been cured within thirty (30) calendar days after written notice thereof to the Company; *provided, however*, that no cure period shall be required (i) for a breach or inaccuracy which by its nature cannot be cured or (ii) if any of the conditions to Closing in Article VII for the benefit of Buyer are incapable of being satisfied on or before the End Date;

(d) by the Seller, by written notice to Buyer, if there has been a breach of or inaccuracy in any representation, warranty, covenant or agreement made by Buyer in this Agreement such that the conditions set forth in Section 7.3(a) or Section 7.3(b) would not be satisfied as of the time of such breach or inaccuracy and such breach or inaccuracy has not been cured within thirty (30) calendar days after written notice thereof to Buyer; *provided, however*, that no cure period shall be required (i) for a breach or inaccuracy which by its nature cannot be cured or (ii) if any of the conditions to Closing in Article VII for the benefit of the Seller are incapable of being satisfied on or before the End Date; or

(e) by Buyer or the Seller, by written notice to the other, if any Legal Requirement shall have been enacted, issued or promulgated which has the effect of making the Transactions illegal or otherwise permanently prohibiting, preventing or restraining the consummation of the Transactions.

9.2 Effect of Termination. In the event of termination of this Agreement as provided in Section 9.1, this Agreement shall forthwith become void and there shall be no Liability or obligation on the part of Buyer, the Company or the Seller, or their respective officers, directors, Affiliates or shareholders or other equityholders, if applicable, and all rights and obligations of the parties hereto shall cease; *provided, however*, that each party hereto shall remain liable for any breaches of this Agreement or any Related Agreements prior to its termination; and *provided further, however*, that (a) the provisions of the Confidentiality Agreement, Section 6.3 (Public Announcements), Article X (General Provisions) and this Section 9.2 (and any defined terms associated therewith) shall remain in full force and effect and survive any termination of this Agreement pursuant to their respective terms.

10.2 Interpretation. When a reference is made in this Agreement to an Annex, Exhibit or Schedule, such reference shall be to an Annex, Schedule or Exhibit to this Agreement unless otherwise indicated. When a reference is made in this Agreement to an Article or a Section, such reference shall be to an Article or a Section of this Agreement unless otherwise indicated. The words “include,” “includes” and “including” when used herein shall be deemed in each case to be followed by the words “without limitation.” The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. All payments to be made under this Agreement shall be made in U.S. dollars. All references to “\$” herein refer to U.S. Dollars. The parties hereto agree that they have been represented by counsel during the negotiation and execution of this Agreement and, therefore, waive the application of any law, regulation, holding or rule of construction providing that ambiguities in an agreement or other document will be construed against the party drafting such agreement or document. All references to currency herein are to lawful money of the United States unless otherwise indicated. The meanings given to terms defined herein will be equally applicable to both the singular and plural forms of such terms. For purposes of this Agreement, whenever the context requires, (i) the singular number will include the plural, and vice versa; (ii) the masculine gender will include the feminine and neuter genders; (iii) the feminine gender will include the masculine and neuter genders; and (iv) the neuter gender will include the masculine and feminine genders. The word “will” shall be construed to have the same meaning as the word “shall”. The phrase “to the extent” shall mean the extent or degree to which a subject or thing extends, and shall not simply be construed to mean the word “if”. The word “or” shall not be exclusive. Where specific language is used to clarify by example a general statement contained in this Agreement, such specific language shall not be deemed to modify, limit or restrict in any manner the construction of the general statement to which it relates. Unless the context otherwise requires, all references in this Agreement to (x) a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder and (y) “days” will be to calendar days. Unless otherwise expressly provided in this Agreement, the measure of a period of one (1) month or one (1) year for purposes of this Agreement will be that date of the following month or year corresponding to the starting date; provided, however,

that if no corresponding date exists, the measure will be that date of the following month or year corresponding to the next day following the starting date (for example, one (1) month following February 18th is March 18th, and one (1) month following March 31 is May 1); and provided further that if the last day of a period is a non-Business Day, the period in question shall end on the next succeeding Business Day.

10.3 Entire Agreement. This Agreement, the Exhibits, Schedules and Annexes hereto, the Disclosure Schedule, the Related Agreements, the Confidentiality Agreement and the documents and instruments and other agreements among the parties hereto referenced herein constitute the entire agreement among the parties hereto with respect to the subject matter hereof and supersede all prior agreements and understandings both written and oral, among the parties with respect to the subject matter hereof.

10.4 Assignment. This Agreement and the rights, covenants and obligations hereunder shall not be assigned by any party hereto (whether by operation of law or otherwise), without the prior written consent of Buyer and the Seller; provided, however, that without such prior written consent, Buyer may assign its rights and delegate its obligations hereunder (a) to its Affiliates, as long as Buyer remains ultimately liable for all of Buyer's obligations hereunder, or (b) to a joint venture to be formed between Buyer (or its Affiliate) and Yamasa Co., Ltd. (or its Affiliate). Subject to the foregoing, this Agreement shall be binding on and shall inure to the benefit of the parties and their permitted successors and assigns, and any reference to a party shall also be a reference to a permitted successor or assign. Any attempted assignment of this Agreement not in accordance with the terms of this Section 10.4 shall be void.

10.5 Severability. In the event that any provision of this Agreement or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other persons or circumstances will be interpreted so as reasonably to effect the intent of the parties hereto. The parties further agree to negotiate in good faith to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the fullest extent possible, the economic, business and other purposes of such void or unenforceable provision in order that the Transactions are consummated as originally contemplated to the greatest extent possible.

10.6 Specific Performance. The parties hereto agree that irreparable damage will occur, no adequate remedy at law would exist and damages would be difficult to determine, in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent or restrain breaches or threatened breaches of this Agreement by the other parties (as applicable) and to enforce specifically the terms and provisions hereof, this being in addition to any other remedy to which they are entitled at law or in equity and the parties hereby agree to waive the defense that a remedy at law would be adequate and any requirements for posting a bond in connection with any such action. No party hereto shall oppose, argue, contend or otherwise be permitted to raise as a defense that an adequate remedy at law exists or that specific performance or equitable or injunctive relief is unenforceable, invalid, contrary to law or inequitable for any reason with respect to any breach of this Agreement.

10.7 Other Remedies. Any and all remedies herein expressly conferred upon a party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such party, and the exercise by a party of any one remedy will not preclude the exercise of any other remedy.

10.8 Governing Law. This Agreement, including the validity hereof and the rights and obligations of the parties hereunder, shall be construed in accordance with and governed by the laws of Delaware applicable to contracts made and to be performed entirely in such state (without giving effect to the conflicts of laws provisions thereof).

Such arbitration will be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association in effect at the time a demand for arbitration is made, and the provisions of this Section 10.9. In the event of a conflict between the provisions of this Section 10.9 and the Commercial Arbitration Rules, the provisions of this Section 10.9 will govern.

(b) Any dispute, controversy, or claim will be deemed submitted to arbitration under this Section 10.9 upon the filing with the American Arbitration Association and delivery to the parties hereto of a written demand for arbitration, which demand will describe in reasonable detail the facts and legal grounds forming the basis for the claim and any request for relief. (e) The arbitrator will not have the power to award damages that are specifically excluded under this Agreement, and each party hereto hereby irrevocably waives any claim to such damages. The decision and award of the arbitrator will be final and binding on the parties hereto and will not be subject to appeal, including no party shall seek to vacate or oppose confirmation of the award or appeal from a court judgment entered upon the award. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

(f) Notwithstanding anything to the contrary in this Agreement, in the event of arbitration and notwithstanding any rule or procedure to the contrary in the Commercial Arbitration Rules of the American Arbitration Association, the prevailing party will be entitled to recover all reasonable costs and expenses incurred by such party in connection therewith, including attorneys' fees, the arbitrator's fees, court reporter fees and any and all other administrative costs of the arbitration. OR ENFORCEMENT HEREOF. Any agreement on the part of a party hereto to any such extension or waiver shall be valid and enforceable against a party only if set forth in an instrument in writing signed on behalf of such party. The failure of any party hereto to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights, nor shall any single or partial exercise of any such rights preclude any other or further exercise thereof.

10.16 Fees and Expenses. Whether or not the Transactions are consummated, except as expressly set forth in this Agreement, each party hereto shall be responsible for its own fees, expenses and costs that it incurs with respect to the negotiation, execution, delivery and performance of this Agreement, including, in particular, all amounts comprising the Transaction Expenses, which shall be separately paid by the Seller, the Company, or on their behalf prior to the Closing or which shall be otherwise netted out of the calculation of the Final Purchase Price. (a) Notwithstanding anything to the contrary set forth in this Agreement but subject to the payment priorities set forth in this Agreement with respect to the Mitsui Priority Collateral and proceeds thereof, if an Event of Default (as defined in the Subordinated Loan Agreement) has occurred and is continuing under the Subordinated Loan Agreement, each applicable Subordinated Creditor may exercise its rights or remedies with respect to the Mitsui Priority Collateral or commence, or cause to commence, prosecute or participate in any administrative, legal or equitable action against Spaceflight under the Subordinated Loan Agreement only after the passage of a period of ninety (90) days (an “**Intelsat Standstill Period**”) commencing on the date on which the Senior Creditor receives a written notice (an “**Intelsat Standstill Notice**”) from any Subordinated Creditor to Senior Creditor stating that (a) an Event of Default (as defined in the Subordinated Loan Agreement) under the Subordinated Loan Agreement has occurred and is continuing, (b) that, as a consequence thereof, such Subordinated Creditor has

accelerated the applicable Subordinated Debt Obligations (provided that, in the case of an Insolvency Proceeding, the Subordinated Debt Obligations shall be deemed to be automatically accelerated) and (c) that such notice is an "Intelsat Standstill Notice" under this Agreement; provided further, however, that in no event shall any Subordinated Creditor exercise any rights or remedies with respect to the Mitsui Priority Collateral or commence, or cause to commence, prosecute or participate in any administrative, legal or equitable action against Spaceflight if prior to the expiration of the Standstill Period (or thereafter but prior to the commencement of any exercise of rights or remedies with respect to the Mitsui Priority Collateral by such Subordinated Creditor with respect to all or any material portion of the Mitsui Priority Collateral) (i) Senior Creditor has commenced a judicial proceeding or non-judicial action to collect or enforce the Senior Debt (including, but not limited to, Senior Creditor's or Buyer's, as applicable, lone or joint filing with CFIUS of a voluntary notice, mandatory declaration, or other submission with respect to Senior Creditor's or Buyer's purchase of the SI Shares or Spaceflight's assets or Senior Creditor's foreclosure on any Mitsui Priority Collateral for the Senior Debt, in each case pursuant to Section 721 of the Defense Production Act of 1950, as amended (50 U.S.C. § 4565), and all implementing regulations thereof, for a period of up to 180 days following the expiration of the Intelsat Standstill Period) or foreclosed on any Mitsui Priority Collateral for the Senior Debt, or a case or proceeding by or against a Senior Loan Party is commenced under the Bankruptcy Code or any other insolvency law, and in either case above, the Intelsat Standstill Period shall be extended for the duration of such proceedings and actions until the payment in full of the Senior Debt or (ii) Subordinated Creditors have not offered Senior Creditor the opportunity to strictly foreclose on the Mitsui Priority Collateral in accordance with the Strict Foreclosure Procedures for a purchase price of no less than the Minimum Purchase Price (it being understood that such purchase price may be paid by offsetting the same against the Senior Debt Obligations).

Each Subordinated Creditor hereby acknowledges and agrees that the Strict Foreclosure Procedures and Minimum Purchase Price are commercially reasonable under the Uniform Commercial Code as in effect in any applicable jurisdiction and waives its right to object to such a strict foreclosure proceeding. Upon the request of Senior Creditor, each Subordinated Creditor shall provide Senior Creditor with a written consent of such Subordinated Creditor to any such strict foreclosure proceeding.

(b) Notwithstanding anything to the contrary set forth in this Agreement but subject to the payment priorities set forth in this Agreement with respect to the Intelsat Priority Collateral and proceeds thereof, if an Event of Default (as defined in the Senior Loan Agreement) has occurred and is continuing under the Senior Loan Agreement, Senior Creditor may exercise its rights or remedies with respect to the Intelsat Priority Collateral under the Senior Loan Agreement only after the passage of a period of ninety (90) days (a "**Mitsui Standstill Period**") commencing on the date on which the Subordinated Creditors receive a written notice (a "**Mitsui Standstill Notice**") from Senior Creditor to the Subordinated Creditors stating that (a) an Event of Default (as defined in the Senior Loan Agreement) under the Senior Loan Agreement has occurred and is continuing, (b) that, as a consequence thereof, Senior Creditor has accelerated the Senior Debt Obligations (provided that, in the case of an Insolvency Proceeding, the Senior Debt Obligations shall be deemed to be automatically accelerated) and (c) that such notice is a "Mitsui Standstill Notice" under this Agreement; provided further, however, that in no event shall Senior Creditor exercise any rights or remedies with respect to

the Intelsat Priority Collateral if prior to the expiration of the Mitsui Standstill Period (or thereafter but prior to the commencement of any exercise of rights or remedies with respect to the Intelsat Priority Collateral by Senior Creditor with respect to all or any material portion of the Intelsat Priority Collateral) any Subordinated Creditor has commenced a judicial proceeding or non-judicial action to collect or enforce the applicable Subordinated Debt or foreclosed on any Intelsat Priority Collateral for the applicable Subordinated Debt, or a case or proceeding by or against a Senior Loan Party is commenced under the Bankruptcy Code or any other insolvency law, and in either case above, the Mitsui Standstill Period shall be extended for the duration of such proceedings and actions until the payment in full of the Subordinated Debt.

6. In the event of any Insolvency Proceeding of any Senior Loan Party, (a) this Agreement shall remain in full force and effect, and shall constitute a "Subordination Agreement", in each case, in accordance with Section 510(a) of the Bankruptcy Code, (b) the Mitsui Priority Collateral shall include, without limitation, all Mitsui Priority Collateral arising during or after any such Insolvency Proceeding, (c) the Intelsat Priority Collateral shall include, without limitation, all Intelsat Priority Collateral arising during or after any such Insolvency Proceeding, and (d) (i) no payments from the value or proceeds of the Mitsui Priority Collateral may be made to Subordinated Creditor until the Discharge of Senior Obligations, including, without limitation, debt or equity securities of a reorganized Spaceflight that are issued by a reorganized debtor pursuant to a plan of reorganization or similar dispositive restructuring plan in an Insolvency Proceeding that has been confirmed pursuant to Section 1129 of the Bankruptcy Code and (ii) no payments from the value or proceeds of the Intelsat Priority Collateral may be made to Senior Creditor until the Discharge of Subordinated Obligations, including, without limitation, debt or equity securities other than those of a reorganized Spaceflight or Parent that are issued by a reorganized debtor pursuant to a plan of reorganization or similar dispositive restructuring plan in an Insolvency Proceeding that has been confirmed pursuant to Section 1129 of the Bankruptcy Code.

7. In the event that a Subordinated Creditor provides Senior Loan Parties with written notice of the occurrence of any default or event of default under any document, instrument or agreement evidencing or relating to the Subordinated Debt, then such Subordinated Creditor shall simultaneously provide Senior Creditor with a copy of such notice of default given to Senior Loan Parties. In the event that Senior Creditor provides Senior Loan Parties with written notice of the occurrence of any default or event of default under any document, instrument or agreement evidencing or relating to the Senior Debt, then Senior Creditor shall simultaneously provide each Subordinated Creditor with a copy of such notice of default given to Senior Loan Parties. Each Subordinated Creditor acknowledges and agrees that any default or event of default under the Subordinated Loan Documents shall be deemed to be a default and an event of default under the Senior Loan Documents. Each Senior Creditor acknowledges and agrees that any default or event of default under the Senior Loan Documents shall be deemed to be a default and an event of default under the Subordinated Loan Documents.

8. Until the Discharge of Senior Debt Obligations, each Subordinated Creditor irrevocably appoints Senior Creditor as such Subordinated Creditor's attorney-in-fact, and grants to Senior Creditor a power of attorney with full power of substitution, in the name of such Subordinated Creditor or in the name of Senior Creditor, for the use and benefit of Senior Creditor, without notice to such Subordinated Creditor, to perform at Senior Creditor's option the following acts in any Insolvency Proceeding involving any Senior Loan Party:

(a) To file the appropriate claim or claims in respect of the Subordinated Debt on behalf of such Subordinated Creditor if such Subordinated Creditor does not do so prior to 5 Business Days before the expiration of the time to file claims in such Insolvency Proceeding and if Senior Creditor elects, in its sole discretion, to file such claim or claims; and

(b) To accept or reject any plan of reorganization or arrangement on behalf of such Subordinated Creditor and to otherwise vote such Subordinated Creditor's claims in respect of any Subordinated Debt in any manner that Senior Creditor deems appropriate for the enforcement of its rights hereunder if such Subordinated Creditor does not do so prior to 5 Business Days before the expiration of the time to accept or reject such plan and if Senior Creditor elects, in its sole discretion, to do so; provided, however, Senior Creditor will not accept any plan of reorganization or arrangement on behalf of any Subordinated Creditor that does not provide for the Subordinated Creditors receiving 100% of the value of the Intelsat Priority Collateral or otherwise result in any Subordinated Creditor being "unimpaired" under the Bankruptcy Code.

Until the Discharge of Senior Debt Obligations, each Subordinated Creditor irrevocably appoints Senior Creditor as gratuitous bailee and/or gratuitous agent for perfection for the benefit of such Subordinated Creditor with respect to the Mitsui Collateral as secured party and Senior Creditor agrees to hold all Mitsui Collateral in its possession or control as gratuitous bailee and/or gratuitous agent for perfection for the benefit of such Subordinated Creditor as secured party, so as to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2), and 9-313(c) of the Uniform Commercial Code of the State of New York and upon satisfaction of the Senior Debt Obligations in full, Senior Creditor will deliver or transfer control of any Mitsui Collateral in its possession or control, together with any necessary endorsements (which endorsements will be without recourse and without any representation or warranty), to Intelsat (for the benefit of the Subordinated Creditors) if any Subordinated Debt Obligations remain outstanding, or otherwise to Parent. The duties or responsibilities of Senior Creditor under this Section will be limited solely to possessing or controlling the Mitsui Collateral as bailee and/or agent for perfection in accordance with this Section and delivering the Mitsui Collateral upon a satisfaction in full of Senior Debt Obligations.

In addition to and without limiting the foregoing: until the Senior Debt Obligation has been fully paid and Senior Creditor's commitment or obligation to lend any further funds to the Senior Loan Parties are permanently and irrevocably terminated, (x) no Subordinated Creditor shall commence or join in any involuntary bankruptcy petition or similar judicial proceeding against Parent or Spaceflight, and (y) if an Insolvency Proceeding occurs:

(i) each Subordinated Creditor shall not assert, without the prior written consent of Senior Creditor, any claim, motion, objection or argument in the Insolvency Proceeding that is inconsistent with the terms of this Agreement in respect of the Mitsui Priority Collateral, including, without limitation, any claim, motion, objection or argument seeking adequate protection (unless Senior Creditor is granted or proposed to be granted adequate protection and such Subordinated Creditor's request for adequate protection is junior in priority to Senior Creditor's adequate protection) or relief from the automatic stay in respect of the Mitsui Priority Collateral, (ii) Senior Creditor may consent to

the use of cash collateral on such terms and conditions and in such amounts as it shall in good faith determine without seeking or obtaining the consent of any Subordinated Creditor as (if applicable) holder of an interest in the Mitsui Priority Collateral, (iii) if use of cash collateral by Parent or Spaceflight are consented to by Senior Creditor, no Subordinated Creditor shall oppose such use of cash collateral on the basis that such Subordinated Creditor's interest in the Mitsui Priority Collateral (if any) is impaired by such use or inadequately protected by such use (provided that if Senior Creditor is granted or proposed to be granted adequate protection such Subordinated Creditor may request adequate protection junior in priority to Senior Creditor's adequate protection with respect to the Mitsui Priority Collateral), or on any other ground, and (iv) no Subordinated Creditor shall object to, or oppose, any sale or other Disposition of any assets comprising all or part of the Mitsui Priority Collateral, free and clear of security interests, liens and claims of any party, including each Subordinated Creditor, under Section 363 of the Bankruptcy Code or otherwise, on the basis that the interest of such Subordinated Creditor in the Mitsui Priority Collateral (if any) is impaired by such sale or inadequately protected as a result of such sale, or on any other ground (and, if requested by Senior Creditor, such Subordinated Creditor shall affirmatively and promptly consent to such sale or Disposition of such assets), if Senior Creditor has consented to, or supports, such sale or Disposition of such assets and the liens securing the Senior Debt and the Subordinated Debt will attach to the proceeds of the sale on the same basis of priority as provided herein. Nothing herein shall prohibit any Subordinated Creditor from bidding, credit bidding or otherwise purchasing the Mitsui Collateral at any disposition under the Uniform Commercial Code or in a sale pursuant to Section 363 of the Bankruptcy Code; provided that any credit bid in respect of the Subordinated Debt Obligations shall be sufficient to cause the payment in full of the Senior Debt Obligations.

9. Until the Discharge of Subordinated Debt Obligations, Senior Creditor irrevocably appoints each Subordinated Creditor as Senior Creditor's attorney-in-fact, and grants to each Subordinated Creditor a power of attorney with full power of substitution, in the name of Senior Creditor or in the name of such Subordinated Creditor, for the use and benefit of such Subordinated Creditor, without notice to Senior Creditor, to perform at such Subordinated Creditor's option the following acts in any Insolvency Proceeding involving any Senior Loan Party:

(a) To file the appropriate claim or claims in respect of the Senior Debt on behalf of Senior Creditor if Senior Creditor does not do so prior to 5 Business Days before the expiration of the time to file claims in such Insolvency Proceeding and if such Subordinated Creditor elects, in its sole discretion, to file such claim or claims; and

(b) To accept or reject any plan of reorganization or arrangement on behalf of Senior Creditor and to otherwise vote Senior Creditor's claims in respect of any Senior Debt in any manner that such Subordinated Creditor deems appropriate for the enforcement of its rights hereunder if Senior Creditor does not do so prior to 5 Business Days before the expiration of the time to accept or reject such plan and if such Subordinated Creditor elects, in its sole discretion, to do so; provided, however, such Subordinated Creditor will not accept any plan of reorganization or arrangement on behalf of Senior Creditor that does not provide for Senior Creditor receiving 100% of the value of the Mitsui Priority Collateral or otherwise result in Senior Creditor being "unimpaired" under the Bankruptcy Code.

Until the Discharge of Subordinated Debt Obligations, Senior Creditor irrevocably appoints each Subordinated Creditor as gratuitous bailee and/or gratuitous agent for perfection for the benefit of Senior Creditor with respect to the Intelsat Collateral as secured party and each Subordinated Creditor agrees to hold all Intelsat Collateral in its possession or control as gratuitous bailee and/or gratuitous agent for perfection for the benefit of Senior Creditor as secured party, so as to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2), and 9-313(c) of the Uniform Commercial Code of the State of New York and upon satisfaction of the Subordinated Debt Obligations in full, each Subordinated Creditor will deliver or transfer control of any Intelsat Collateral in its possession or control, together with any necessary endorsements (which endorsements will be without recourse and without any representation or warranty), to Senior Creditor if any Senior Debt Obligations remain outstanding, or otherwise to Parent. The duties or responsibilities of each Subordinated Creditor under this Section will be limited solely to possessing or controlling the Intelsat Collateral as bailee and/or agent for perfection in accordance with this Section and delivering the Intelsat Collateral upon a satisfaction in full of Subordinated Debt Obligations.

In addition to and without limiting the foregoing: until the Subordinated Debt Obligation has been fully paid and each Subordinated Creditor's commitment or obligation to lend any further funds to Senior Loan Parties are permanently and irrevocably terminated, (x) Senior Creditor shall not commence or join in any involuntary bankruptcy petition or similar judicial proceeding against Senior Loan Parties (other than Parent or Spaceflight), and (y) if an Insolvency Proceeding occurs: (i) Senior Creditor shall not assert, without the prior written consent of the Subordinated Creditors, any claim, motion, objection or argument in the Insolvency Proceeding that is inconsistent with the terms of this Agreement in respect of the Intelsat Priority Collateral, including, without limitation, any claim, motion, objection or argument seeking adequate protection (unless each Subordinated Creditor is granted or proposed to be granted adequate protection and Senior Creditor's request for adequate protection is junior in priority to each Subordinated Creditor's adequate protection) or relief from the automatic stay in respect of the Intelsat Priority Collateral, (ii) the Subordinated Creditors may consent to the use of cash collateral on such terms and conditions and in such amounts as it shall in good faith determine without seeking or obtaining the consent of Senior Creditor as (if applicable) holder of an interest in the Intelsat Priority Collateral, (iii) if use of cash collateral by Senior Loan Parties (other than Spaceflight) are consented to by Subordinated Creditors, Senior Creditor shall not oppose such use of cash collateral on the basis that Senior Creditor's interest in the Intelsat Priority Collateral (if any) is impaired by such use or inadequately protected by such use (provided that if Subordinated Creditors are granted or proposed to be granted adequate protection Senior Creditor may request adequate protection is junior in priority to Subordinated Creditor's adequate protection with respect to the Intelsat Priority Collateral), or on any other ground, and (iv) Senior Creditor shall not object to, or oppose, any sale or other Disposition of any assets comprising all or part of the Intelsat Priority Collateral, free and clear of security interests, liens and claims of any party, including Senior Creditor, under Section 363 of the Bankruptcy Code or otherwise, on the basis that the interest of Senior Creditor in the Intelsat Priority Collateral (if any) is impaired by such sale or inadequately protected as a result of such sale, or on any other ground (and, if requested by any Subordinated Creditor, Senior Creditor shall affirmatively and promptly consent to such sale or Disposition of such assets), if such Subordinated Creditor has consented to, or supports, such sale or Disposition of such assets and the liens securing the Subordinated Debt and the Senior Debt will attach to the proceeds of the

sale on the same basis of priority as provided herein. Nothing herein shall prohibit the Senior Creditor from bidding, credit bidding or otherwise purchasing the Intelsat Collateral at any disposition under the Uniform Commercial Code or in a sale pursuant to Section 363 of the Bankruptcy Code; provided that any credit bid in respect of the Senior Debt Obligations shall be sufficient to cause the payment in full of the Subordinated Debt Obligations.

10.

(a) Each Subordinated Creditor shall immediately affix a legend to the Subordinated Loan Agreement and shall use commercially reasonable efforts to affix a legend to each of the other instruments evidencing the Subordinated Debt, in each case stating that the agreements or instruments are subject to the terms of this Agreement. By the execution of this Agreement, each Subordinated Creditor hereby authorizes Senior Creditor to amend any financing statements filed by such Subordinated Creditor against Senior Loan Parties as follows: "In accordance with a certain Intercreditor Agreement by and among the Secured Party, the Debtor, Intelsat Jackson Holdings SA, the other parties thereto and Mitsui & Co. (U.S.A.), Inc. in [all assets of][the equity interests of Spaceflight, Inc. and certain related rights and assets and the proceeds thereof owned by]¹ the Debtor, notwithstanding the respective dates of attachment or perfection of the security interest of the Secured Party and Mitsui & Co. (U.S.A.), Inc."

11. No amendment of the documents evidencing or relating to the Subordinated Debt shall directly or indirectly modify the provisions of the Subordinated Loan Documents in any manner which would:

(a) contravene the provisions of this Agreement or prohibit Senior Loan Parties from making any payment with respect to the Senior Debt which is permitted under the terms of the Subordinated Loan Agreement as of the date hereof; or

² Choose the first alternative for any Borrower (other than Parent or Spaceflight, Inc.) as debtor and the second for Parent as debtor.

(b) increase the rate of interest with respect to the Subordinated Debt by more than 300 basis points.

13. All necessary action on the part of each Subordinated Creditor, its officers, directors, partners, members and shareholders, as applicable, necessary for the authorization of this Agreement and the performance of all obligations of such Subordinated Creditor hereunder has been taken. This Agreement constitutes the legal, valid and binding obligation of each Subordinated Creditor, enforceable against such Subordinated Creditor in accordance with its terms. The execution, delivery and performance of and compliance with this Agreement by each Subordinated Creditor will not (a) result in any material violation or default of any term of any of such Subordinated Creditor's charter, formation or other organizational documents (such as Articles or Certificate of Incorporation, bylaws, partnership agreement, operating agreement, etc.) or (b) violate any material applicable law, rule or regulation. 14. If, at any time after payment in full of the Senior Debt any payments of the Senior Debt must be disgorged by Senior Creditor for any reason (including, without limitation, any Insolvency Proceeding), this Agreement and the relative rights and priorities set forth herein shall be reinstated as to all such disgorged payments as though such payments had not been made and each Subordinated Creditor shall immediately pay over to Senior Creditor all payments received with respect to the Subordinated Debt to the extent that such payments would have been prohibited hereunder. If, at any time after payment in full of the Subordinated Debt any payments of the Subordinated Debt must be disgorged by any Subordinated Creditor for any reason (including, without limitation, any Insolvency Proceeding), this Agreement and the relative rights and priorities set forth herein shall be reinstated as to all such disgorged payments as though such payments had not been made and Senior Creditor shall immediately pay over to the applicable Subordinated Creditor (at the direction of the Subordinated Creditors) all payments received with respect to the Senior Debt to the extent that such payments would have been prohibited hereunder. At any time and from time to time, without notice to each

EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. EACH PARTY HAS REVIEWED THIS WAIVER WITH ITS COUNSEL.

This Section 18 shall survive the termination of this Agreement.

Form of Mitsui Loan Agreement

(attached)

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS EVIDENCED HEREBY ARE SUBJECT THAT CERTAIN INTERCREDITOR AGREEMENT (AS AMENDED, RESTATED, SUPPLEMENTED OR OTHERWISE MODIFIED FROM TIME TO TIME, THE “INTERCREDITOR AGREEMENT”), DATED AS OF OCTOBER 31, 2019, AMONG INTELSAT JACKSON HOLDINGS SA, SEAHAWK SPV INVESTMENT LLC, THE OTHER PARTIES THERETO AND MITSUI & CO. (U.S.A.). IN THE EVENT OF ANY CONFLICT BETWEEN THE TERMS OF THE INTERCREDITOR AGREEMENT AND THE TERMS OF THIS AGREEMENT, THE TERMS OF THE INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL.

LOAN AND SECURITY AGREEMENT

THIS LOAN AND SECURITY AGREEMENT (this “**Agreement**”) dated and effective as of October 31, 2019 (the “**Effective Date**”), by and between **SPACEFLIGHT INDUSTRIES, INC.**, a Delaware corporation (“**Borrower**”), and **MITSUMI & CO. (U.S.A.), INC.**, a New York corporation (the “**Lender**”), provides the terms on which the Lender shall lend to Borrower and Borrower shall repay the Lender. The parties agree as follows:

1. ACCOUNTING AND OTHER TERMS

Accounting terms not defined in this Agreement shall be construed following GAAP. Calculations and determinations must be made following GAAP unless otherwise provided herein; provided that all obligations of any Person that are or would have been treated as operating leases for purposes of GAAP prior to the issuance by the Financial Accounting Standards Board on February 25, 2016 of an Accounting Standards Update (the “**ASU**”) shall continue to be accounted for as operating leases for purposes of all financial definitions and calculations for purposes of this Agreement (whether or not such operating lease obligations were in effect on such date) notwithstanding the fact that such obligations are required in accordance with the ASU (on a prospective or retroactive basis or otherwise) to be capitalized and reflected as a liability on a balance sheet prepared in accordance with GAAP; provided further that if at any time any change in GAAP would affect the computation of any requirement set forth in any Loan Document, and either the Borrower or the Lenders shall so request, the Borrower and Lender shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP; and provided further that, until so amended: (a) such requirement shall continue to be computed in accordance with GAAP prior to such change therein and (b) the Borrower shall provide Lender financial statements and other documents required under this Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such requirement made before and after giving effect to such change in GAAP. Capitalized terms not otherwise defined in this Agreement shall have the meanings set forth in Section 13 of this Agreement. All other terms contained in this Agreement, unless otherwise indicated, shall have the meaning provided by the Code to the extent such terms are defined therein.

2. LOAN AND TERMS OF PAYMENT

2.1 Promise to Pay. Borrower hereby unconditionally promises to pay to the Lender the outstanding principal amount of the Term Loan and accrued and unpaid interest thereon as and when due in accordance with this Agreement.

2.2 Term Loan.

(a) Availability. Subject to and upon the terms and conditions of this Agreement, on the Effective Date, Lender shall make a single term loan to Borrower in the original principal amount equal to [***] (the “**Term Loan**”), which shall be used for working capital of Spaceflight and for general corporate purposes. After repayment, the Term Loan (or any portion thereof) may not be re-borrowed.

(b) Repayment.

(i) Repayment on the Maturity Date. Unless prepaid in accordance with Section 2.2(c), the Term Loan and other Obligations shall be payable in cash on the Maturity Date, and shall include all outstanding principal and accrued and unpaid interest (including Accruing Interest) on the Term Loan and any other Obligations then due and owing under the Loan Documents; provided, however, that if the SI Share Purchase is consummated prior to repayment in full of the Obligations, then automatically upon such consummation, all accrued and unpaid Accruing Interest and any Conditional Default Interest shall be forgiven for all purposes hereunder and Borrower shall be relieved of all liability for such Accruing Interest and Conditional Default Interest under this Agreement.

(ii) Extension of the Scheduled Repayment Date. If the SI Share Purchase Agreement has not been executed and delivered by Borrower or Spaceflight by the SPA Execution Deadline due to (A) a delay by Buyer in the execution and delivery of, or the failure of Buyer to obtain corporate approval to execute and deliver, the SI Share Purchase Agreement in substantially the form attached hereto as Exhibit A (with (x) such reasonable changes proposed in good faith based on any disclosures and other information provided in connection with the draft SPA Disclosure Schedules or the 2018 Audited Financial Statements, it being understood that (i) any good faith reductions to the purchase price for the SI Shares based on a 20% or greater (1) reduction in any of revenue, net income or total assets or (2) increase in cost of goods sold, of Spaceflight and its business shown in the 2018 Audited Financial Statements, as compared to the revenue, net income or total assets reflected in the Spaceflight Carveout Balance Sheet (as shown under the line items “Revenue”, “Net Income”, “Total Assets”, “COS - Launch Providers or “COS - Other” in the Spaceflight Carveout Balance Sheet) (any such deviation in clause (1) or (2), a “**Financial Statements Deviation**”), (ii) any revisions to the SI Share Purchase Agreement to reflect the removal of the EBITDA Condition Payment (as defined in the SI Share Purchase Agreement) and related changes based on a 10% or greater Financial Statements Deviation, and (iii) any good faith revisions, based on advice from Lender’s accounting advisors, to (x) the working capital adjustment provisions in the SI Share Purchase Agreement (including, without limitation, the definitions of “Net Working Capital” and “Net Working Capital Adjustment Amount” and the components thereof (including the definitions comprising such components)) or (y) the definition of “Normalized EBITDA” in the

SI Share Purchase Agreement (any change to the SI Share Purchase Agreement referred to in the foregoing clauses (i), (ii) or (iii), a “**Reasonable SPA Modification**”), in each case, shall be deemed to be reasonable and not materially adverse to the Intelsat Lenders or Silicon Valley Bank, or (y) such non-material changes reasonably proposed as a result of Buyer’s or its equityholders’ corporate approval process) or (B) the failure of Borrower and Spaceflight to reach agreement with Buyer regarding any material changes proposed by Buyer to the form of SI Share Purchase Agreement attached as Exhibit A (other than Reasonable SPA Modifications), then the Scheduled Repayment Date shall automatically be extended by one day for each day after the SPA Execution Deadline that the SI Share Purchase Agreement has not been executed and delivered so long as the reason for the delay is that the conditions described in clause (A) above or clause (B) above still exist; provided that in all cases, the Scheduled Repayment Date shall not be extended to a date more than twenty-four (24) months after the Effective Date unless otherwise agreed by Borrower and the Lender.

(c) Prepayment.

(i) Voluntary Prepayment. Borrower shall have the option to prepay all, but not less than all, of the outstanding principal amount of the Term Loan (together with accrued and unpaid interest thereon), together with any applicable Prepayment Fee and all other outstanding Obligations at any time prior to the Maturity Date in cash; provided that Borrower (A) delivers written notice to the Lender of its election to prepay the Obligations at least ten (10) days prior to such prepayment, and (B) pays, on the date of such prepayment, (x) all outstanding principal of the Term Loan, plus accrued and unpaid interest thereon (including Accruing Interest), (y) the Prepayment Fee, if payable in accordance with Section 2.4(a), and (z) all other sums and other outstanding Obligations, if any, that shall have become due and payable hereunder or under the other Loan Documents.

(ii) Mandatory Prepayment upon Acceleration. If the Term Loan is accelerated following the occurrence of an Event of Default, Borrower shall promptly (and in any event within fourteen (14) days) pay to the Lender an amount in cash equal to the sum of (A) all outstanding principal of the Term Loan, plus accrued and unpaid interest thereon (including Accruing Interest), and (B) all other sums and other outstanding Obligations, if any, that shall have become due and payable hereunder or under the other Loan Documents.

(iii) Mandatory Prepayment upon Termination of the SI Share Purchase Agreement. If, following the execution in full of the SI Share Purchase Agreement, the SI Share Purchase Agreement is terminated prior to consummation of the SI Share Purchase (x) by Borrower for any reason (other than pursuant to the right of Borrower to terminate the SI Share Purchase Agreement pursuant to Section 9.1(d) of the SI Share Purchase Agreement in the form attached hereto as Exhibit A (or the equivalent provision in the execution version of the SI Share Purchase Agreement) or (y) in connection with a failure to obtain CFIUS Clearance, Borrower shall promptly (and in any event within fourteen (14) days) pay to the Lender an amount in cash equal to the sum of (A) all outstanding principal of the Term Loan, plus accrued and unpaid interest thereon (including Accruing Interest), and (B) all other sums and other outstanding Obligations, if any, that shall have become due and payable hereunder or under the other Loan Documents; provided, however, that if the SI Share Purchase Agreement is terminated due to the failure to obtain CFIUS Clearance, no such prepayment shall be required until the date that is

ninety (90) days following (a) if the SI Share Purchase Agreement is terminated by Buyer, the date that Borrower is notified of such termination, and (b) if the SI Share Purchase Agreement is terminated by Borrower or Spaceflight, the date on which Borrower is notified of the failure to obtain CFIUS Clearance.

(iv) Mandatory Prepayment upon Failure to Execute the SI Share Purchase Agreement. Unless otherwise agreed by the Lender, if the primary reason for the failure of the SI Share Purchase Agreement to be executed and delivered is the failure by the Borrower or Spaceflight to execute and/or deliver the SI Share Purchase Agreement in substantially the form attached as Exhibit A (with (x) Reasonable SPA Modifications, or (y) such non-material changes reasonably proposed as a result of Buyer's or its equityholders' corporate approval process) or as otherwise mutually agreed among Borrower, Spaceflight and Buyer (other than due to the failure of Buyer to obtain any necessary corporate approvals to execute and deliver the SI Share Purchase Agreement in such form unless such failure is due to Borrower's failure to deliver the 2018 Audited Financial Statements on or prior to December 31, 2019 (in which case, for the avoidance of doubt, the Prepayment Fee shall be payable by Borrower in accordance with this clause (iv))) on or before the SPA Execution Deadline, Borrower shall promptly (and in any event within fourteen (14) days) pay to the Lender an amount in cash equal to the sum of (A) all outstanding principal of the Term Loan, plus accrued and unpaid interest thereon (including Accruing Interest), (B) the Prepayment Fee, and (C) all other sums and other outstanding Obligations, if any, that shall have become due and payable hereunder or under the other Loan Documents. For the avoidance of doubt, Borrower agrees that if Borrower or Spaceflight fails to execute and deliver the SI Purchase Agreement as a result of any proposal by the Lender of (I) reasonable changes to the form of SI Share Purchase Agreement attached hereto as Exhibit A proposed by Buyer in good faith based on any disclosures or other information provided in connection with the draft SPA Disclosure Schedules or the 2018 Audited Financial Statements, it being understood that any Reasonable SPA Modifications shall be deemed to be reasonable, or (II) such non-material changes reasonably proposed as a result of Buyer's or its equityholders' corporate approval process, Borrower shall remain liable for the Prepayment Fee under this Section 2.2(c)(iv).

(v) Mandatory Prepayment upon Failure of Borrower to Receive the New Intelsat Term Loan. If the New Intelsat Term Loan is not received by Borrower on the Effective Date, Borrower shall pay to the Lender no later than the Business Day following the Effective Date an amount in cash equal to the sum of (A) all outstanding principal of the Term Loan, plus accrued and unpaid interest thereon (including Accruing Interest), and (B) all other sums and other outstanding Obligations, if any, that shall have become due and payable hereunder or under the other Loan Documents.

(vi) Mandatory Prepayment upon Change of Control (as defined in any Founder Note). If a Change of Control (as defined in any Founder Note) occurs, then Borrower shall pay to the Lender, no later than the earlier of (x) fourteen (14) days following such Change of Control (as defined in any Founder Note) and (y) December 31st of the year in which such Change of Control (as defined in any Founder Note), an amount in cash equal to the Change of Control Prepayment Amount for such Change of Control (as defined in the applicable Founder Note(s)).

2.3 Payment of Interest on the Term Loan.

(a) Interest Rate. Subject to Section 2.3(b), the principal amount outstanding under the Term Loan shall accrue simple interest at a fixed rate per annum equal to nine percent (9%), payable (i) six percent (6%) in cash (any interest payable in cash shall be referred to as “**Cash Interest**”), which such Cash Interest shall be payable in accordance with Section 2.3(c) below, and (ii) three percent (3%) by accrual (any interest payable by accrual shall be referred to as “**Accruing Interest**”), which Accruing Interest shall be payable on the Maturity Date in accordance with Section 2.3(c) below (except as expressly provided in Section 2.2(b)(i)).

(b) Default Rate. Immediately upon the occurrence and during the continuance of an Event of Default, the Obligations shall bear simple interest accruing at a rate per annum which is five percentage points (5%) above the rate that is otherwise applicable thereto unless the Lender otherwise elects from time to time in its sole discretion to impose a smaller increase (the lesser of five percent (5%) and such smaller percentage elected by the Lender, the “**Incremental Default Rate**” and any interest accrued at such rate, the “**Incremental Accruing Default Interest**”). Fees and expenses which are required to be paid by Borrower pursuant to the Loan Documents (including, without limitation, Lender Expenses) but are not paid when due shall bear interest until paid at a rate equal to the highest rate applicable to the Obligations. Payment or acceptance of the increased interest rate provided in this Section 2.3(b) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Lender.

(c) Payment; Interest Computation. Cash Interest is payable semi-annually in arrears on the first (1st) calendar day of the months of November and May, commencing May 1, 2020, upon prepayment of the Term Loan and on the Maturity Date or earlier acceleration of the Obligations following an Event of Default, and shall be computed on the basis of a three hundred sixty (360) day year for the actual number of days elapsed. Subject to Section 2.2(b)(i), Accruing Interest and any Incremental Accruing Default Interest is payable in cash upon prepayment of the Term Loan and on the Maturity Date or earlier acceleration of the Obligations following an Event of Default. In computing interest, (i) all payments received after 12:00 p.m. Pacific time on any day shall be deemed received at the opening of business on the next Business Day, and (ii) the date of the making of the Term Loan shall be included and the date of payment shall be excluded; provided, however, that if the Term Loan is repaid on the same day on which it is made, such day shall be included in computing interest on the Term Loan.

(d) Maximum Rate. Notwithstanding the foregoing provisions of this Section 2.3, in no event shall the rate of interest payable by Borrower with respect to the Term Loan exceed the maximum rate of interest permitted to be charged under applicable law.

2.4 Fees.

(a) Prepayment Fee upon Voluntary Prepayment. If the Term Loan is prepaid pursuant to Section 2.2(c)(i), the Prepayment Fee shall be payable by Borrower if: (1) such prepayment occurs on or prior to the SPA Execution Deadline; and (2) the SI Share Purchase Agreement has not been executed and delivered by Borrower and Spaceflight on such prepayment date unless such failure to execute and deliver the SI Share Purchase Agreement is

due to (A) a delay by Buyer in the execution and delivery of, or the failure of Buyer to obtain corporate approval to execute and deliver the SI Share Purchase Agreement (unless such failure is due to Borrower's failure to deliver the 2018 Audited Financial Statements on or prior to December 31, 2019 (in which case, for the avoidance of doubt, the Prepayment Fee shall be payable by Borrower)) in substantially the form attached hereto as Exhibit A (with (x) Reasonable SPA Modifications, or (y) such non-material changes reasonably proposed as a result of Buyer's or its equityholders' corporate approval process) or (B) the failure of Borrower and Spaceflight to reach agreement with Buyer regarding any material changes proposed by Buyer to the form of SI Share Purchase Agreement attached as Exhibit A (other than reasonable changes proposed in good faith based on any disclosures and other information provided in connection with the draft SPA Disclosure Schedules or the 2018 Audited Financial Statements, it being understood that any Reasonable SPA Modifications shall be deemed to be reasonable). For the avoidance of doubt, Borrower agrees that if Borrower or Spaceflight fails to execute and deliver the SI Purchase Agreement as a result of any proposal by the Lender of (I) reasonable changes to the form of SI Share Purchase Agreement attached hereto as Exhibit A proposed by Buyer in good faith based on any disclosures or other information provided in connection with the draft SPA Disclosure Schedules or the 2018 Audited Financial Statements, it being understood that any Reasonable SPA Modifications shall be deemed to be reasonable, or (II) such non-material changes reasonably proposed as a result of Buyer's or its equityholders' corporate approval process, Borrower shall remain liable for the Prepayment Fee under this Section 2.4(a).

(b) Lender Expenses. Except as expressly set forth in this Agreement, each party hereto shall be responsible for its own fees, expenses and costs that it incurs with respect to the negotiation, execution, delivery and performance of this Agreement; provided, however, that Borrower shall pay to the Lender, all Lender Expenses (including reasonable and documented attorneys' fees and expenses for documentation and negotiation of this Agreement), when due (or, if no stated due date, upon demand by the Lender), up to an aggregate amount of [***] of Lender Expenses.

(c) Fees Fully Earned. Unless otherwise provided in this Agreement or in a separate writing by the Lender, Borrower shall not be entitled to any credit, rebate, or repayment of any fees earned by the Lender pursuant to this Agreement notwithstanding any termination of this Agreement or the suspension or termination of the Lender's obligations to make a loan hereunder.

2.5 Payments; Application of Payments; Apportionment of Payments.

(a) All payments to be made by any Loan Party under any Loan Document shall be made in immediately available funds in Dollars, without setoff or counterclaim except as expressly provided in Section 2.2(b)(i), before 12:00 p.m. Pacific time on the date when due. Payments of principal and/or interest received after 12:00 p.m. Pacific time are considered received at the opening of business on the next Business Day. When a payment is due on a day that is not a Business Day, the payment shall be due the next Business Day, and additional fees or interest, as applicable, shall continue to accrue until paid.

(b) Except as expressly provided in Section 2.2(b)(i), the Lender has the exclusive right to determine the order and manner in which all payments with respect to the Obligations may be applied. Borrower shall have no right to specify the order or the accounts to which the Lender shall allocate or apply any payments required to be made by any Loan Party to the Lender or otherwise received by the Lender under this Agreement when any such allocation or application is not specified elsewhere in this Agreement.

2.6 Taxes and Withholding.

(a) For purposes of this Section 2.6, the term “**applicable law**” includes FATCA. Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes except as required by applicable law. If applicable law (as determined in the good faith discretion of the Borrower) requires the deduction or withholding of any Tax from any payments made by Borrower (including payments under this paragraph), then the Borrower shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding of Indemnified Taxes has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.6) the Lender receives an amount equal to the sum it would have received had no such deduction or withholding been made. Upon Lender request, as soon as practicable after any payment of Taxes by Borrower to a Governmental Authority, as provided in this Section 2.6, the Borrower will deliver to the Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return reporting such payment or other evidence of such payment reasonably satisfactory to the Lender. Upon Lender request, the Borrower will confirm that it has paid the Taxes required under this Section 2.6 by giving the Lender official tax receipts (or notarized copies) within thirty (30) days after the due date.

(b) The Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) The Borrower shall jointly and severally indemnify the Lender, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.6) payable or paid by the Lender or required to be withheld or deducted from a payment to the Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Borrower by the Lender shall be conclusive absent manifest error.

(d) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes (including any tax credit in lieu of a refund) as to which it has been indemnified pursuant to this Section 2.6 (including by the payment of additional amounts pursuant to this Section 2.6), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.6 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon

the request of such indemnified party, shall repay to indemnified party the amount paid over pursuant to this paragraph (b) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (d), in no event will the Lender be required to pay any amount to Borrower pursuant to this paragraph (d) the payment of which would place the Lender in a less favorable net after-Tax position than the Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(e) The Lender shall deliver to Borrower at the time or times reasonably requested by Borrower such properly completed and executed documentation reasonably requested by the Borrower as may permit payments under any Loan Documents to be made without withholding or at a reduced rate of withholding. In addition, the Lender, if and to the extent reasonably requested by Borrower, shall deliver such other documentation prescribed by applicable law or reasonably requested by Borrower as will enable Borrower to determine whether or not the Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject the Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of the Lender.

2.7 The Register. The Lender, acting for these purposes solely as an agent of Borrower (it being acknowledged that the Lender, in such capacity, and its officers, directors, employees, agents and Affiliates shall constitute Indemnified Persons under Section 12.3), shall maintain at its address referred to in Section 10 a register for the recordation of, and shall record, the name and address of the Lender and the amount of the Term Loan from time to time (the "**Register**"). Borrower and the Lender shall deem and treat the Persons listed as lender in the Register as the holder and owners of the Terms Loan listed therein for all purposes hereof; all amounts owed with respect to the Term Loan shall be owed to the lender listed in the Register as the owner thereof; and any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is listed in the Register as the lender shall be conclusive and binding on any subsequent holder, assignee or transferee of the Term Loan. The Lender shall record on its internal records the amount of the Term Loan and each payment in respect hereof, and any such recordation shall be conclusive and binding on Borrower, absent manifest error, subject to the entries in the Register, which shall, absent manifest error, govern in the event of any inconsistency with the Lender's records. Failure to make any recordation in the Register or in the Lender's records, or any error in such recordation, shall not affect the Term Loan or any Obligations in respect of the Term Loan.

2.8 Optional Notes. If so requested by the Lender by written notice to Borrower at least three (3) Business Days prior to the Effective Date or at any time thereafter, Borrower shall execute and deliver to the Lender (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of the Lender) on the Effective Date (or, if such notice is delivered after the Effective Date, promptly after Borrower's receipt of such notice) a promissory note to evidence the Term Loan, substantially in the form attached hereto as Exhibit B, with appropriate insertions (a "**Term Note**").

3. CONDITIONS OF LOAN

3.1 Conditions Precedent to Effectiveness. The effectiveness of this Agreement is subject to the conditions precedent that the Lender shall have received, in form and substance satisfactory to the Lender, such documents, and completion of such other matters, as the Lender may reasonably deem necessary or appropriate, including, without limitation:

The Lender may make the Term Loan under this Agreement based on instructions from a Responsible Officer.

4.1 Grant of Security Interest. Borrower hereby grants the Lender, to secure the payment and performance in full of all of the Obligations, a continuing security interest in, and pledges to the Lender, the Borrower Collateral, wherever located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof.

If this Agreement is terminated, the Lender's Lien in the Borrower Collateral shall continue until the Obligations (other than inchoate indemnity obligations) are repaid in full in cash. Upon payment in full in cash of the Obligations (other than inchoate indemnity obligations), the Lender shall, at the sole cost and expense of Borrower, take such actions as may be reasonably requested by Borrower to evidence the termination and release of such Liens in the Borrower Collateral and all rights therein shall revert to Borrower.

Borrower hereby authorizes the Lender to file financing statements, without notice to Borrower, with all appropriate jurisdictions to perfect or protect the Lender's interest or rights hereunder. Any such financing statements may indicate the Borrower Collateral in a manner consistent with the definition of "Borrower Collateral" under this Agreement.

5. REPRESENTATIONS AND WARRANTIES

Borrower represents and warrants to the Lender, on behalf of itself and each Guarantor, as follows:

5.1 Due Organization, Authorization; Power and Authority. Each Loan Party is duly existing and in good standing as a Registered Organization in its jurisdiction of formation and is qualified and licensed to do business and is in good standing in any jurisdiction in which the conduct of its business or its ownership of property requires that it be qualified except where the failure to do so could not reasonably be expected to have a material adverse effect on such Loan Party's business. Except as notified to the Lender pursuant to Section 7.2: (a) each Loan Party's exact legal name is that indicated on Schedule 5.1 and on the signature page of each Loan Document to which such Loan Party is a party; (b) each Loan Party is an organization of the type and is organized in the jurisdiction set forth on Schedule 5.1; (c) Schedule 5.1 accurately sets forth each Loan Party's organizational identification number; (d) Schedule 5.1 accurately sets forth each Loan Party's place of business, or, if more than one, its chief executive office as well as each Loan Party's mailing addresses (if different than its chief executive office); (e) except as noted on Schedule 5.1, no Loan Party (and none of their respective predecessors) has, in the past five (5) years, changed its jurisdiction of formation, legal name, organizational structure or type, or any organizational number assigned by its jurisdiction; and (f) all other information set forth on the Schedules pertaining to each Loan Party and each of their respective Subsidiaries is accurate and complete (it being understood and agreed that Borrower may from time to time update certain information on the Schedules after the Effective Date to the extent permitted by one or more specific provisions in this Agreement).

applicable order, writ, judgment, injunction, decree, determination or award of any Governmental Authority by which such Loan Party or any of its Subsidiaries or any of their property or assets may be bound or affected, (iv) require any action by, filing, registration, or qualification with, or Governmental Approval from, any Governmental Authority (except such Governmental Approvals which have already been obtained and are in full force and effect, (v) constitute a default or breach under, or result in or permit the termination or acceleration of, any material agreement by which such Loan Party is bound or (vi) require the consent of any Person except for such consents as have been obtained. No Loan Party is in default under any agreement to which it is a party or by which it is bound in which the default could reasonably be expected to have a material adverse effect on such Loan Party's business.

5.2 Collateral. Each of the Loan Parties has good title to, rights in, and the power to transfer each item of the Collateral upon which it purports to grant a Lien under any Loan Document, free and clear of any and all Liens except Permitted Liens. No Loan Party has any Collateral Accounts at or with any bank or financial institution except for the Collateral Accounts described in Schedule 5.2 or Collateral Accounts established from time to time in accordance with Section 6.6 and, in each case, with respect to which such Loan Party has given the Lender notice and taken such actions as are necessary to give the Lender a perfected security interest therein pursuant to the terms of and to the extent required by Section 6.6. The Accounts of each Loan Party are bona fide, existing obligations of the Account Debtors. All Inventory of each Loan Party is in all material respects of good and marketable quality, free from material defects.

As of the Effective Date, Schedule 5.2 sets forth all locations where each Loan Party maintains books or records relating to any of the Collateral. The Collateral is not in the possession of any third party bailee (such as a warehouse) except as otherwise provided in Schedule 5.2 or as permitted pursuant to Section 7.2 of this Agreement. None of the components of the Collateral are currently being maintained at locations other than as provided in Schedule 5.2 or as permitted pursuant to Section 7.2 of this Agreement.

All of the Pledged Equity described on Schedule 5.2 has been duly authorized and validly issued and is fully paid and non-assessable. The Pledged Equity constitutes all of the issued and outstanding Equity Interests in Spaceflight, and there are no outstanding warrants, options or other rights to purchase, or other agreements outstanding with respect to, or property that is now or hereafter convertible into, or that requires the issuance or sale of, any Pledged Equity.

Upon (a) the filing of UCC financing statements naming any Loan Party as "debtor", naming the Lender as "secured party" and describing the Collateral in the filing offices listed on Schedule 5.2 or any other locations from time to time notified to the Lender pursuant to Section 7.2, (b) the filing of the IP Security Agreement with the United States Patent and Trademark Office and the United States Copyright Office, as applicable, (c) the execution and delivery of all Collateral Documents required hereunder, and (d) in the case of Collateral consisting of certificated securities or evidenced by Instruments, in addition to filing such financing statements, delivery of the certificates representing such certificated securities and delivery of such Instruments to the Lender, in each case duly endorsed or accompanied by duly executed instruments of assignment or transfer in blank, the security interests in the Collateral (other than the Excluded Accounts), granted to the Lender, will constitute perfected security interests therein

prior to (in the case of Borrower Collateral and Spaceflight Collateral) all other Liens (other than (i) in the case of Borrower Collateral, Permitted Liens described in clauses (b) and (l) of the definition thereof and (ii) in the case of Spaceflight Collateral, Permitted Liens described in clauses (a), (b), (c), (d), (e), (f), (h), (i) (l) and (p) of the definition thereof, provided that, in each case, the Loan Parties shall cause any such Permitted Liens (other than Permitted Liens described in clauses (a), (c), (d), (e), (f), (i) (solely with respect to clauses (a) and (c)) of the definition thereof and (p)) to be released as soon as practicable (and shall use commercially reasonable efforts to have such Permitted Liens released within 60 days) after such applicable Collateral becomes subject to such Permitted Liens) securing the payment of the Obligations.

5.3 Intellectual Property. Each Loan Party is the sole owner of the Intellectual Property which it owns or purports to own. To the best of Borrower's knowledge, each Patent which any Loan Party owns or purports to own and which is material to such Loan Party's business is valid and enforceable, and no part of the Intellectual Property which such Loan Party owns or purports to own and which is material to such Loan Party's business has been judged invalid or unenforceable, in whole or in part. No claim has been made in writing that any part of the Intellectual Property violates the rights of any third party except to the extent such claim would not reasonably be expected to have a material adverse effect on such Loan Party's business. Except as noted on Schedule 5.3 or as disclosed to the Lender pursuant to Section 6.8(b) of this Agreement, none of the Loan Parties is a party to, or is bound by, any Restricted License.

5.4 Litigation. Except as disclosed on Schedule 5.4 or as otherwise disclosed pursuant to Section 6.2(h), there are no actions or proceedings pending or, to the knowledge of any Responsible Officer of any Loan Party, threatened in writing by or against any Loan Party or any of its Subsidiaries that would reasonably be expected to result in a fine, penalty or other monetary damages of more than, individually or in the aggregate, One Hundred Thousand Dollars (\$100,000).

5.5 Financial Statements; Financial Condition. To the best of management's knowledge, the consolidated income statement covering the period from January 2019 to September 2019 delivered to the Lender fairly presents in all material respects the Borrower and its Subsidiaries' consolidated or Spaceflight's, as applicable, operating results as of the date and for the period presented therein. The parties acknowledge that associated balance sheet and statement of cash flows remain subject to audit and other accounting adjustments that will be delivered to the Lender upon completion of the Borrower's fiscal year 2018 financial audit. There has not been any material deterioration in Borrower's and its Subsidiaries' consolidated or Spaceflight's, financial condition since the date of the most recent financial statements submitted to the Lender or any of its Affiliates.

5.6 Solvency. The fair salable value of Borrower's and its Subsidiaries' consolidated assets (including goodwill minus disposition costs) exceeds the fair value of Borrower's and its Subsidiaries' liabilities; Borrower, taken on a consolidated basis with its Subsidiaries, is not left with unreasonably small capital after the transactions contemplated by this Agreement; and Borrower, taken on a consolidated basis with its Subsidiaries, is able to pay its debts (including trade debts) generally as they mature.

5.7 Regulatory Compliance. None of the Loan Parties is an “investment company” or a company “controlled” by an “investment company” under the Investment Company Act of 1940, as amended. None of the Loan Parties is engaged as one of its important activities in extending credit for margin stock (under Regulations X, T and U of the Federal Reserve Board of Governors). Each Loan Party (a) has complied in all material respects with all Requirements of Law and (b) has not violated any Requirements of Law the violation of which could reasonably be expected to have a material adverse effect on its business. None of the Loan Parties’ or any of their respective Subsidiaries’ properties or assets have been used by any Loan Party or any Subsidiary or, to the best of Borrower’s knowledge, by previous Persons, in disposing, producing, storing, treating, or transporting any hazardous substance other than in material compliance with the law. Each Loan Party and each of their Subsidiaries has obtained all consents, approvals and authorizations of, made all declarations or filings with, and given all notices to, all Governmental Authorities that are necessary to continue their respective businesses as currently conducted, in each case, except to the extent that any non-compliance could not reasonably be expected to have a Material Adverse Effect.

5.8 Subsidiaries; Investments. None of the Loan Parties owns any stock, partnership interest or other equity securities except for Permitted Investments.

5.9 Tax Returns and Payments; Pension Contributions. Except to the extent set forth in Schedule 5.9, each Loan Party has timely filed all required federal and all other material tax returns and reports, and each Loan Party has timely paid all federal and material foreign, state and local taxes, assessments, deposits and contributions owed by such Loan Party except (a) to the extent such taxes are being contested in good faith by appropriate proceedings promptly instituted and diligently conducted, so long as such reserve or other appropriate provision, if any, as shall be required in conformity with GAAP shall have been made therefor, or (b) if such taxes, assessments, deposits and contributions do not, individually or in the aggregate, exceed One Hundred Thousand Dollars (\$100,000).

To the extent any Loan Party defers payment of any contested taxes, Borrower shall (i) notify the Lender in writing of the commencement of, and any material development in, the proceedings, and (ii) post bonds or take any other steps required to prevent the Governmental Authority levying such contested taxes from obtaining a Lien upon any of the Collateral that is other than a “Permitted Lien.” As of the Effective Date, except to the extent set forth in Schedule 5.9, no Loan Party is aware of any claims or adjustments proposed for any of the Loan Party’s prior tax years which could result in additional taxes becoming due and payable by any Loan Party in excess of One Hundred Thousand Dollars (\$100,000). Each Loan Party has paid all amounts necessary to fund all present pension, profit sharing and deferred compensation plans in accordance with their terms, and no Loan Party has withdrawn from participation in, or has permitted partial or complete termination of, or permitted the occurrence of any other event with respect to, any such plan which could reasonably be expected to result in any material liability of any Loan Party, including any liability to the Pension Benefit Guaranty Corporation or its successors or any other governmental agency.

5.10 Use of Proceeds. Borrower shall use the proceeds of the Term Loan solely (a) in an amount of at least [***] (which as of the Effective Date is the amount required by Spaceflight for working capital purposes), for working capital purposes of Spaceflight, and (b) for general corporate purposes, and in any case not for consumer, personal, family, household or agricultural purposes.

5.11 Defaults and Events of Default. Borrower has provided Lender with true and correct copies of all of the documents evidencing or relating to all of the Loan Parties' indebtedness and obligations (a) to Silicon Valley Bank pursuant to the SVB Loan Agreement and (b) to the Intelsat Lenders pursuant to the Intelsat Loan Agreement. There are no "Defaults" or "Events of Default" under the SVB Loan Agreement or the Intelsat Loan Agreement, in each case that have not been (or will not be) waived by Silicon Valley Bank or Intelsat Jackson Holdings SA and the Intelsat Lenders, as applicable, or cured prior to or concurrently with the effectiveness of this Agreement and no "Default" or "Event of Default" under the SVB Loan Agreement or the Intelsat Loan Agreement that would result from the effectiveness of this Agreement or the other Loan Documents or the transactions associated herewith or therewith. No Default or Event of Default under this Agreement or the other Loan Documents exists or would result from the effectiveness of this Agreement and the other Loan Documents or the transactions associated herewith or therewith.

5.12 Indebtedness. Borrower and its Subsidiaries have no outstanding Indebtedness other than Permitted Indebtedness and there are no outstanding Liens on the assets of Borrower and its Subsidiaries other than Permitted Liens.

5.13 Full Disclosure. No written representation, warranty or other statement of any Loan Party in any certificate or written statement given to the Lender, as of the date such representation, warranty, or other statement was made, taken together with all such written certificates and written statements given to the Lender, contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements contained in the certificates or statements not materially misleading (it being recognized by the Lender that the projections and forecasts provided by the Loan Parties in good faith and based upon reasonable assumptions are not viewed as facts and that actual results during the period or periods covered by such projections and forecasts may differ from the projected or forecasted results).

5.14 Definition of "Knowledge." For purposes of the Loan Documents, whenever a representation or warranty is made to Borrower's knowledge or awareness, to the "best of" Borrower's knowledge, or with a similar qualification, knowledge or awareness means the actual knowledge, after reasonable investigation, of any Responsible Officer of any Loan Party.

5.16 2018 Audited Financial Statements. The delay of the delivery of the Borrower's financial audit for the fiscal year ending December 31, 2018 shall not result in a default under any Material Agreement (other than this Agreement and the SVB Loan Agreement) to which any Loan Party or any of its Subsidiaries is a party, in and of itself or as a

result of the occurrence of a default under this Agreement or the SVB Loan Agreement, resulting in a right by such third party or parties, whether or not exercised, to accelerate the maturity of any Indebtedness under a Material Agreement or otherwise terminate such Material Agreement, as applicable. “**Material Agreement**” is any agreement in respect of Indebtedness in an amount in excess of Two Hundred Fifty Thousand Dollars (\$250,000) or the subject matter of which has a contract value in an aggregate amount in excess of Two Hundred Fifty Thousand Dollars (\$250,000).

8.8 Misrepresentations. A Loan Party or any Person acting for a Loan Party makes any representation, warranty, or other statement now or later in this Agreement, any other Loan Document or in any writing delivered to the Lender or to induce the Lender to enter this Agreement or any other Loan Document, and such representation, warranty, or other statement is incorrect in any material respect when made;

8.14 Amendment Agreement. The Seahawk License Agreement and the Seahawk Escrow Agreement shall fail to be terminated pursuant to the requirements of the Amendment Agreement.

9. RIGHTS AND REMEDIES

9.1 Rights and Remedies.

(a) Upon the occurrence and during the continuance of an Event of Default, the Lender may, without notice or demand, do any or all of the following:

(i) declare all Obligations immediately due and payable (but if an Event of Default described in Section 8.5 occurs all Obligations are immediately due and payable without any action by the Lender);

(ii) stop advancing money or extending credit for any Loan Party's benefit under this Agreement or under any other agreement between any Loan Party and the Lender;

(iii) verify the amount of, demand payment of and performance under, and collect any Accounts and General Intangibles of any Loan Party, settle or adjust disputes and claims directly with Account Debtors of any Loan Party for amounts on terms and in order that the Lender considers advisable, and notify any Person owing any Loan Party money of the Lender's security interest in such funds;

(iv) make any payments and do any acts it considers necessary or reasonable to protect the Collateral and/or its security interest in the Collateral. Borrower shall, and shall cause each Guarantor to, assemble the Collateral if the Lender requests and make it available as the Lender designates. The Lender may enter premises where the Collateral is located, take and maintain possession of any part of the Collateral, and pay, purchase, contest, or compromise any Lien (other than the IP Holdco Liens) which appears to be prior or superior to its security interest and pay all expenses incurred. Borrower grants, on behalf of itself and the other Loan Parties, the Lender a license to enter and occupy any of its or their premises, without charge, to exercise any of the Lender's rights or remedies;

(v) apply to the Obligations (i) any balances and deposits of any Loan Party it holds, or (ii) any amount held by the Lender owing to or for the credit or the account of any Loan Party;

(vi) ship, reclaim, recover, store, finish, maintain, repair, prepare for sale, advertise for sale, and sell the Collateral (subject to the IP Holdco Liens). The Lender is hereby granted a non-exclusive, royalty-free license or other right to use, without charge, the Loan Parties' labels, Patents, Copyrights, mask works, rights of use of any name, trade secrets, trade names, Trademarks, all other Intellectual Property and advertising matter, or any similar property as it pertains to the Collateral, in completing production of, advertising for sale, and selling any Collateral and, in connection with the Lender's exercise of its rights under this Section, any Loan Parties' rights under all licenses and all franchise agreements inure to the Lender's benefit;

(vii) deliver a notice of exclusive control, any entitlement order, or other directions or instructions pursuant to any Control Agreement or similar agreements providing control of any Collateral;

(viii) demand and receive possession of any Books and Records; and

(ix) exercise all rights and remedies available to the Lender under the Loan Documents or otherwise at law or equity, including all remedies of a secured party on default under the Code (whether or not the Code applies to the affected Collateral), including disposal of the Collateral pursuant to the terms thereof.

(b) Without limiting the foregoing, if the Lender exercises any right to foreclose on the Borrower Collateral or the Spaceflight Collateral following the occurrence and during the continuance of an Event of Default, at the election of the Lender, which election may be revoked at any time, the following process shall be followed:

(i) Borrower shall use commercially reasonable efforts to cooperate with the Lender, Buyer and their respective Affiliates to obtain CFIUS Clearance in connection with the acquisition of the Collateral by the Lender, Buyer or their respective Affiliates. During such period: (A) the Lender may appoint a United States bank or other trustee to hold the Collateral in trust as a collateral agent for the Lender pending receipt of CFIUS Clearance; (B) Borrower shall, and shall cause Spaceflight to, comply with the covenants set forth in Sections 6.11 and 7.6; and (C)(1) Borrower shall cause a Designated Independent Director to be appointed to the board of directors of Spaceflight, and Borrower and Spaceflight shall, and shall cause their Subsidiaries to, take such actions as are necessary or desirable to effect such appointment for the Spaceflight, including any amendments to their respective bylaws and (2) Borrower shall use commercially reasonable efforts to cause a Designated Independent Director be appointed to the board of directors of Borrower, and Borrower shall use commercially reasonable efforts to cause its Affiliates to take such actions as are necessary or desirable to effect such appointment for the Borrower, including any amendments to Borrower's bylaws. For the purposes of this paragraph, an "**Designated Independent Director**" is an independent director that is (x) a United States person, (y) not affiliated with any Loan Party or their Subsidiaries, the Lender, Buyer, or any Affiliate of any of the foregoing and (z) selected by the Lender in its sole discretion.

(ii) In the event that CFIUS Clearance is not obtained within one hundred eighty (180) days following the exercise by the Lender of its right of foreclosure (provided that the Lender may in its sole discretion extend such one hundred eighty (180) day period for a reasonable term (not to exceed thirty (30) days) if the Lender reasonably expects that CFIUS Clearance will be forthcoming) (such one hundred eighty (180) day term, as extended in accordance with this Section 9.1(b)(ii), the "**CFIUS Term**"), the Lender shall cause its financial advisors to seek out potential buyers that are not foreign persons (as defined in the CFIUS Regulations) for the Borrower Collateral or Spaceflight Collateral. If acquisition terms are not agreed with any such buyer within three (3) months thereafter, the Lender shall cause its financial advisors to seek out any other potential buyers for such Collateral. If CFIUS Clearance is not obtained in accordance with this Section 9.1(b)(ii), then any sale to a third-party buyer following such failure to obtain CFIUS Clearance pursuant to this Section 9.1(b)(ii) shall be pursuant to one or more private sales. Notwithstanding the foregoing, if CFIUS Clearance is obtained following the expiration of the CFIUS Term but prior to the entry by Borrower or Spaceflight into a definitive purchase agreement with a third-party buyer described in this Section 9.1(b)(ii), the Lender may proceed to acquire the Borrower Collateral or Spaceflight Collateral.

(c) The parties hereto agree that compliance with the terms and conditions of Section 9.1(b) is commercially reasonable under Section 9-603 of the Code. Without limiting the foregoing, the parties hereto agree that the sale or other disposition of the Borrower Collateral or Spaceflight Collateral in any foreclosure proceedings shall be subject to other customary requirements of commercial reasonableness, including under Section 9-627 of the Code, and shall be subject to the right of redemption provided under Section 9-623 of the Code.

(d) Notwithstanding anything in Section 9.1 to the contrary, if the Lender, Buyer or any of their respective Affiliates proposes to acquire the Borrower Collateral or the Spaceflight Collateral in strict foreclosure proceedings pursuant to the Code and under this Section 9.1: (i) the parties hereto agree that a purchase price for such Collateral equal to at least the lesser of (x) [***] and (y) [***] of the purchase price to be paid by Buyer pursuant to the SI Share Purchase Agreement (if executed by the parties thereto), subject to such closing adjustments as are contemplated in the draft SI Share Purchase Agreement attached hereto as Exhibit A, shall be a reasonable purchase price (the "**Minimum Purchase Price**") for such Collateral; and (ii) Borrower shall use commercially reasonable efforts to (A) cause the lenders and other secured parties under the Intelsat Loan Agreement and the holders of the Founder Notes to agree that such amount is a reasonable purchase price, (B) cause each Key Person to maintain such Key Person's employment with Spaceflight during the pendency of such proceedings and (C) cause Spaceflight to comply with the covenants set forth in Sections 6.11 and 7.6 during the pendency of such proceedings and to cause the conditions precedent to the SI Share Purchase as set forth in the SI Share Purchase Agreement to be satisfied as promptly as practicable.

(e) If the Lender, Buyer or any of their respective Affiliates acquires any Spaceflight Collateral or Borrower Collateral pursuant to this Section 9.1, then for a period of four (4) years following the consummation of such acquisition (the "**Collateral Confidentiality Term**"), Borrower shall, and shall cause its Affiliates to, and shall instruct each of their respective agents and representatives to, hold in confidence any and all confidential, proprietary and non-public information and materials, whether in written, verbal, graphic or other form, concerning such Collateral ("**Confidential Collateral Information**"), except that Borrower shall not have any obligation under this Section 9.1(e) with respect to any Confidential Collateral Information that (i) after the consummation of such acquisition becomes generally available to the public other than through a breach by Borrower, any of its Affiliates or any of their agents or representatives of their respective obligations under this Section 9.1(e) or (ii) is provided to Borrower or any of its Affiliates by a third party that was not known to the receiving party to be bound by any duty of confidentiality to the Lender, Buyer or any of their respective Affiliates (including, if applicable, Spaceflight). During the Collateral Confidentiality Term, Borrower shall not, and shall cause its Affiliates not to, and shall instruct each of their respective agents and representatives not to, use any Confidential Collateral Information except as expressly authorized in writing by Borrower. The Lender shall, and shall cause its Affiliates to, and shall instruct each of their respective agents and representatives to, take the same degree of care to

protect the Confidential Collateral Information that such Person uses to protect his, her or its own trade secrets and confidential information of a similar nature, which shall be no less than a reasonable degree of care. Borrower agrees to accept responsibility for any breach of this Section 9.1(e) by any of its Affiliates or any of their respective agents or representatives.

9.2 Power of Attorney. Borrower hereby irrevocably appoints the Lender as its lawful attorney-in-fact, exercisable following the occurrence and during the continuance of an Event of Default, to: (a) endorse Borrower's name on any checks, payment instruments, or other forms of payment or security; (b) sign Borrower's name on any invoice or bill of lading for any Account or drafts against Account Debtors; (c) demand, collect, sue, and give releases to any Account Debtor for monies due, settle and adjust disputes and claims about the Accounts directly with Account Debtors, and compromise, prosecute, or defend any action, claim, case, or proceeding about any Collateral (including filing a claim or voting a claim in any bankruptcy case in the Lender's or Borrower's name, as the Lender chooses); (d) make, settle, and adjust all claims under Borrower's insurance policies; (e) pay, contest or settle any Lien, charge, encumbrance, security interest, or other claim in or to the Collateral, or any judgment based thereon, or otherwise take any action to terminate or discharge the same; and (f) transfer the Collateral into the name of the Lender or a third party as the Code permits. Borrower hereby appoints the Lender as its lawful attorney-in-fact to sign Borrower's name on any documents necessary to perfect or continue the perfection of the Lender's security interest in the Collateral regardless of whether an Event of Default has occurred until all Obligations have been satisfied in full and the Loan Documents have been terminated. The Lender's foregoing appointment as Borrower's attorney in fact, and all of the Lender's rights and powers, coupled with an interest, are irrevocable until all Obligations have been fully repaid and performed and the Loan Documents have been terminated.

9.3 Protective Payments. If Borrower fails to obtain the insurance called for by Section 6.5 or fails to pay any premium thereon or fails to pay any other amount which Borrower is obligated to pay under this Agreement or any other Loan Document or which may be required to preserve the Collateral, the Lender may obtain such insurance or make such payment, and all amounts so paid by the Lender are Lender Expenses and immediately due and payable, bearing interest at the then highest rate applicable to the Obligations, and secured by the Collateral. The Lender will make reasonable efforts to provide Borrower with notice of the Lender obtaining such insurance at the time it is obtained or within a reasonable time thereafter. No payments by the Lender are deemed an agreement to make similar payments in the future or the Lender's waiver of any Event of Default.

9.4 Application of Payments and Proceeds Upon Default. If an Event of Default has occurred and is continuing, the Lender shall have the right to apply in any order any funds in its possession, whether from any Loan Party's account balances, payments, proceeds realized as the result of any collection of Accounts or other disposition of the Collateral, or otherwise, to the Obligations. The Lender shall pay any surplus to Borrower or to any Persons legally entitled thereto; Borrower shall remain liable to the Lender for any deficiency. If the Lender, directly or indirectly, enters into a deferred payment or other credit transaction with any purchaser at any sale of Collateral, the Lender shall have the option, exercisable at any time, of either reducing the Obligations by the principal amount of the purchase price or deferring the reduction of the Obligations until the actual receipt by the Lender of cash therefor.

9.5 Lender's Liability for Collateral. So long as the Lender treats the Collateral with substantially the same standard of care as it would its own property and complies with the Code regarding the safekeeping of the Collateral in the possession or under the control of the Lender, the Lender shall not be liable or responsible for: (a) the safekeeping of the Collateral; (b) any loss or damage to the Collateral; (c) any diminution in the value of the Collateral; or (d) any act or default of any carrier, warehouseman, bailee, or other Person. The Loan Parties bear all risk of loss, damage or destruction of the Collateral.

9.6 No Waiver; Remedies Cumulative. The Lender's failure, at any time or times, to require strict performance by any Loan Party of any provision of this Agreement or any other Loan Document shall not waive, affect, or diminish any right of the Lender thereafter to demand strict performance and compliance herewith or therewith. No waiver hereunder shall be effective unless signed by the party granting the waiver and then is only effective for the specific instance and purpose for which it is given. The Lender's rights and remedies under this Agreement and the other Loan Documents are cumulative. The Lender has all rights and remedies provided under the Code, by law, or in equity. The Lender's exercise of one right or remedy is not an election and shall not preclude the Lender from exercising any other remedy under this Agreement or the other Loan Documents or other remedy available at law or in equity, and the Lender's waiver of any Event of Default is not a continuing waiver. The Lender's delay in exercising any remedy is not a waiver, election, or acquiescence.

9.7 Demand Waiver. Borrower waives demand, notice of default or dishonor, notice of payment and nonpayment, notice of any default, nonpayment at maturity, release, compromise, settlement, extension, or renewal of accounts, documents, instruments, chattel paper, and guarantees held by the Lender on which Borrower is liable.

10. NOTICES

All notices, consents, requests, approvals, demands, or other communication by any party to this Agreement or any other Loan Document must be in writing and shall be deemed to have been validly served, given, or delivered: (a) upon the earlier of actual receipt and three (3) Business Days after deposit in the U.S. mail, first class, registered or certified mail return receipt requested, with proper postage prepaid; (b) upon transmission, when sent by electronic mail or facsimile transmission; (c) one (1) Business Day after deposit with a reputable overnight courier with all charges prepaid; or (d) when delivered, if hand-delivered by messenger, all of which shall be addressed to the party to be notified and sent to the address, facsimile number, or email address indicated below. 11. CHOICE OF LAW, VENUE, JURY TRIAL WAIVER

THIS AGREEMENT AND, UNLESS OTHERWISE EXPRESSLY PROVIDED IN ANY OTHER LOAN DOCUMENT, EACH OTHER LOAN DOCUMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT AND SUCH OTHER LOAN DOCUMENTS SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK), WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW.

Borrower and the Lender each submit to the exclusive jurisdiction of the courts of the State of New York sitting in the Borough of Manhattan, the courts of the United States for the Southern District of New York, and appellate courts from any thereof; provided, however, that nothing in this Agreement shall be deemed to operate to preclude the Lender from bringing suit or taking other legal action in any other jurisdiction to realize on the Collateral or any other security for the Obligations, or to enforce a judgment or other court order in favor of the Lender. Borrower expressly submits and consents in advance to such jurisdiction in any action or suit commenced in any such court, and Borrower hereby waives any objection that it may have based upon lack of personal jurisdiction, improper venue, or forum non conveniens and hereby consents to the granting of such legal or equitable relief as is deemed appropriate by such court. Borrower hereby waives personal service of the summons, complaints, and other process issued in such action or suit and agrees that service of such summons, complaints, and other process may be made by registered or certified mail addressed to Borrower at the address set forth in, or subsequently provided by Borrower in accordance with, Section 10 of this Agreement and that service so made shall be deemed completed upon the earlier to occur of Borrower's actual receipt thereof or three (3) days after deposit in the U.S. mails, proper postage prepaid.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION ARISING OUT OF OR BASED UPON THIS AGREEMENT, THE OTHER LOAN DOCUMENTS OR ANY TRANSACTION CONTEMPLATED BY THIS AGREEMENT OR ANY OTHER

LOAN DOCUMENT (WHETHER BASED ON CONTRACT, TORT, BREACH OF DUTY AND OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. EACH PARTY HAS REVIEWED THIS WAIVER WITH ITS COUNSEL.

This Section 11 shall survive the termination of this Agreement.

12. GENERAL PROVISIONS

12.1 Survival. All covenants, representations and warranties made in this Agreement shall continue in full force until this Agreement has terminated pursuant to its terms and all Obligations (other than inchoate indemnity obligations, and any other obligations which, by their terms, are to survive the termination of this Agreement) have been satisfied. Those obligations that are expressly specified in this Agreement as surviving this Agreement's termination shall continue to survive notwithstanding this Agreement's termination.

12.2 Successors and Assigns. This Agreement binds and is for the benefit of the successors and permitted assigns of each party. Borrower may not assign this Agreement or any rights or obligations under it without the Lender's prior written consent (which may be granted or withheld in the Lender's discretion). The Lender has the right, with the consent of the Borrower (which such consent shall not to be unreasonably withheld, conditioned or delayed and shall be deemed provided if the Borrower does not respond to the Lender within five (5) Business Days of notice in writing by the Lender) so long as no Event of Default has occurred and is continuing, to sell, transfer, assign, negotiate, or grant a participation in all or any part of, or any interest in, the Lender's obligations, rights, and benefits under this Agreement and the other Loan Documents; provided, however, that without Borrower's consent, the Lender may sell, transfer, assign, negotiate, or grant a participation in all or any part of, or any interest in, the Lender's obligations, rights, and benefits under this Agreement and the other Loan Documents, to an Affiliate of the Lender, to Yamasa Co., Ltd. or any of its Affiliates, or to Buyer.

12.3 Indemnification. Purchaser shall reimburse Contractor for any payment to be made by Purchaser pursuant to this Article 4(C) but made by Contractor within thirty (30) Days of receipt by Purchaser of the electronic invoice with all relevant documentation evidencing liability for and payment of such tax, charges, fees or duties provided for in this Article 4(C).

Article 6. Delivery and Delivery Schedule

(A) The Delivery Schedule is identified in Exhibit C. Delivery of a Spacecraft shall be deemed to have occurred at Final Acceptance of the Spacecraft.

(B) If any Spacecraft requires repair after Purchaser took physical possession of such Spacecraft and the cause of such repair is attributable to the Contractor, all transportation from the location of the Spacecraft to the repair facility and back to the initial location of the Spacecraft shall be at the cost and expense of Contractor.

(C) Contractor shall promptly notify Purchaser in writing of any event which may delay or prevent the performance by Contractor of any of its obligations under this Contract.

Article 7. Payment

(A) Payment terms shall be in accordance with this Article 7 and Exhibit C to this Contract. The first payment shall be paid by Purchaser to Contractor no later than EDC plus five (5) Business Days. (B) If after ten (10) Business Days from the date of receipt of an emailed invoice, Purchaser has not notified Contractor of a dispute of the invoice, stating the reason for such dispute, then such Milestone Events shall be deemed complete, and payment shall be due and payable within thirty (30) Days of receipt of the emailed invoice. For purposes of Exhibit C, a Milestone Event shall be deemed to have been completed by Contractor when all requirements associated with the particular Milestone Event shall have been completed in accordance with the provisions of this Contract.

If Purchaser disputes only part of a Milestone Event, then Purchaser shall pay to Contractor the amount corresponding to the undisputed portion of such Milestone Event.

The Parties agree to negotiate in good faith the settlement of the disputed portion and the agreed upon amount shall be paid by Purchaser after such settlement. No dispute with respect to the payment of any amount under this Contract shall relieve the disputing Party of its obligation to pay all other amounts due and owing under this Contract. The Parties agree that a dispute over a Milestone Event payment shall not relieve Purchaser of its obligation to make subsequent payments.

(C) All payments set forth in the Contract will be invoiced by and paid to Contractor in USD. Should the Purchaser fail to make any payment which is deemed to be due and payable, the Purchaser shall then have to pay interest to the Contractor at the annual rate equal to the sum of one-month LIBOR (London Inter Bank Offered Rate) in effect on the date on which the payment was due and payable, plus one and half percent (1.5%) (the "Interest Rate") applicable to any amount unpaid after its due date under this Contract. Interest on delayed payment pursuant to this Contract shall be computed commencing on the day following the date upon which such payment is deemed due and payable until the actual date of receipt of payment.

(D) Contractor may, from time to time, submit an invoice requesting partial payment for a partially completed Milestone Event. If Purchaser, in Purchaser's reasonable judgment, determines such partial payment to be appropriate under the circumstances, then Purchaser shall make such partial payment, and the remainder of the Milestone Event payment shall be paid at such time as the Milestone Event is completed.

(E) In the event that Contractor achieves any Milestone Event in advance of the scheduled achievement date provided for in Exhibit C and provided that the cumulative amount of payments shall not exceed the schedule set forth in Exhibit C, then, subject to Purchaser's agreement, Contractor shall be entitled to invoice Purchaser for such achieved Milestone Event. Purchaser shall pay for any such Milestone Event, subject to having received the required supporting documentation.

(F) Unless otherwise agreed in writing by the Party entitled to payment, all transfers of funds in accordance with this Contract from one Party to the other Party shall be sent to

The recipient Party further agrees not to use or disclose such proprietary information for any purposes whatsoever, without the prior written permission of the disclosing Party, except on a confidentiality basis in compliance with and for the purposes of this Contract.

Proprietary information of Subcontractors disclosed by Contractor to the Purchaser shall be treated by the Purchaser in accordance with the provisions of this Article 14. (A) Any delay or failure in the performance of a Party's obligations under this Contract (other than payment obligations) shall be excused, and such Party will not be liable for, or be in default for, such delay or non-performance, if the cause of the delay or non-performance is, in whole or in part, beyond such Party's reasonable control and without the negligence of such Party (or its Subcontractors at any tier).

For the avoidance of doubt, the Contractor's obligations under this Agreement shall be excused by delay or failure of Spaceflight Industries, Inc. in meeting its obligations under the Contribution Agreement executed by and between Spaceflight Industries, Inc. and LeoStella, LLC on March 12, 2018.

CONTRACT NUMBER SPCJV1 - CONFIDENTIAL

Purchaser acknowledges that following the end of an excusable delay event Contractor shall resume full performance as soon as commercially practicable and the schedule of performance shall be deemed modified to reflect such recommencement of performance. Payments obligations of Purchaser shall be suspended only for the portion of Contractor's performance of Work affected by the excusable delay. Depending on the consequences of the excusable delay event the Parties agree to modify affected provisions of the Contract as necessary.

(B) Excusable delays shall be conclusively deemed to include, but are not limited to Acts of God or of the public enemy; acts or omissions of governmental bodies, in their sovereign capacities or contractual capacities (including the inability to obtain and/or the suspension, withdrawal, or non-renewal of export or import licenses required for the performance of the Contract and such inability to obtain and/or the suspension, withdrawal, or non-renewal of export or import licenses is not due to the negligent actions or inaction of the Contractor), provided Contractor shall have taken reasonable steps to mitigate any such effects by due diligence; acts of war (declared or undeclared), fires, earthquakes, floods, other unusually severe weather conditions such as hurricanes, tornadoes and typhoons, epidemics, quarantine restrictions, strikes, component or parts alerts or malwares the effects on Contractor's performance hereunder of which were not reasonably foreseeable or reasonably mitigatable by Contractor, labor and other industrial disputes of a nature not primarily related to Contractor's employees, terrorist acts and freight embargoes, sabotage, riots, failures or interruptions in essential services or equipment (e.g., electrical power, telecommunications, fuels, water); embargoes and other transportation failures;

(C) The Party whose performance is delayed under Section 17(A) shall give notice in writing to the other Party within [***] after an excusable delay has occurred or such notifying Party knows of an excusable delay, whichever is later. Notwithstanding the foregoing, a Party's failure to provide such notice shall not prevent such an event from qualifying as an excusable delay, except to the extent the failure to so notify prejudices the other Party's ability to mitigate the impact of the delay or non performance. Such notice shall also be given at the termination of the excusable delay. The delivery requirements shall only be extended, upon mutual agreement of the Parties, by such period of time as is justified by the evidence forwarded in the notice, but in any event not less than one (1) Day for one (1) Day of excusable delay.

(D) Should excusable delays total, or be likely (as reasonably determined by Purchaser) to total, [***], Purchaser, at its option, may terminate this Contract with respect to undelivered Spacecraft by written notice to Contractor and the conditions of Article 21 shall apply. Purchaser's right to terminate pursuant to this Article 17(D) shall not apply to the extent that excusable delays do not affect Contractor's ability to perform (*i.e.*, such excusable delays affect Purchaser only).

(A) Purchaser may from time to time between EDC and completion of this Contract, by written change order issued by Purchaser, make changes within the general scope of this Contract regarding the Spacecraft, the services or in any drawings, designs, specifications, methods of shipment or packing, quantities of items, places of delivery, delivery timeline, additional Work, or the omission of Work. Purchaser shall submit any change order with the minimum information as follows: (i) a short summary of the change; and (ii) a detailed description of the envisaged tasks necessary to effect the change in a brief statement of work. The Contractor shall submit to the Purchaser within [***] of receipt of the change order a comprehensive proposal including the analysis of the impact on the Delivery schedule or other provisions of the Contract and price for the envisaged change. If the Purchaser agrees (in Purchaser's sole discretion) to the implementation of the suggested change to the Contract to be made in respect thereof, the Contractor shall proceed therewith, upon conditions as agreed by the Parties.

(B) If any change order causes an increase or decrease in the price of, or the time required for, Contractor's obligations under this Contract, and the Parties do not negotiate such terms before the change order becomes effective, in accordance with Article 19(B), an equitable adjustment in the price or Delivery Schedule or both shall thereafter be negotiated by the Parties and this Contract shall be modified in writing accordingly provided that Contractor shall begin the work related to the change if and when Contractor has received from Purchaser a financial commitment acceptable to Contractor to begin such work. Notwithstanding the foregoing Contractor shall not be obliged to implement a change order related to the modification of the Delivery Schedule (earlier delivery) if Contractor is not able to comply with this change order.

(F) So there is no misunderstanding, it is agreed that Purchaser shall not be entitled to terminate the Contract for default with respect to any Satellite after Final Acceptance of such Satellite. This Amendment No. 2 ("Second Amendment") to the Satellite Program Contract dated March 7, 2018, as amended February 20, 2019 ("First Amendment", and collectively the "SPC") is entered into this 27th day of May 2020 and is made by and between LeoStella LLC, a Delaware limited liability company ("Contractor") with offices at 12501 East Marginal Way South, South Building, Tukwila, Washington 98168 and BlackSky Global LLC, a Delaware limited liability company ("Purchaser") with offices at 1505 Westlake Avenue North, Suite 600, Seattle, Washington 98109. Any capitalized terms in this Second Amendment that are left undefined shall have that meaning ascribed to them in the SPC.

Recitals

Whereas, the Parties desire that Contractor will retain title and risk of loss for Satellites delivered under the SPC [***] (as defined below);

Whereas, the Parties desire that Contractor will maintain certain insurance coverages on Satellites [***] and

Now, therefore, the Parties hereto, in consideration of the mutual promises and covenants herein expressed, agree as follows:

Amendment Terms

1. Article 1 of the SPC is amended by:
 - (i) deleting the following words from the definition of "Available for Shipment": "and that the Purchaser can take physical possession of it.", and
 - (ii) adding the following definition: "Separation" shall mean the moment in time, as indicated in the automatic sequence control equipment, when the Spacecraft separates from the launch vehicle in outer space. This definition shall be modified, with effect as of the date of notice by Purchaser to Contractor, to reflect the definition of "separation" in the launch services agreement (or in the launch insurance policy if different from the launch services agreement) that is applicable to the launch of such Satellite.
 - (iii) replacing the definition of "Intentional Ignition" with: "Intentional Ignition" means, with respect to a Satellite, the start of the ignition process of the Launch Vehicle for the purpose of Launch, which is the time at which the command signal is sent to the Launch Vehicle. This definition shall be modified, with effect as of the date of notice by Purchaser to Contractor, to reflect the definition of "intentional ignition" in the launch services agreement (or in the launch insurance policy if different from the launch services agreement) that is applicable to the launch of such Satellite.
2. Article 8(A)(i) is amended by adding the following sentence after the sentence beginning with "After completion of the PSR. . . Available for Shipment.":

“Further, after completion of the PSR, a Spacecraft is deemed fully built.”

3. Article 8(A)(ii) of the SPC is replaced in its entirety with the following:

“(ii) Unless otherwise indicated in a change order issued pursuant to Article 19 no later than 60 days before the PSR, Final Acceptance of a Spacecraft shall occur upon the earlier of (i) [***] or (ii) if [***] then [***] (as such terms are defined in the applicable launch insurance policy).”

4. Article 9 of the SPC is replaced in its entirety with the following:

“Article 9. Title and Risk of Loss

Unless otherwise indicated in a change order issued pursuant to Article 19 no later than days before the PSR, then the transfer of title and risk of loss shall pass as set forth below.

(A) Subject to the provisions of this Contract:

(i) Title to a Spacecraft and risk of loss or damage to a Spacecraft shall pass from Contractor to Purchaser at the same time as Final Acceptance as set forth in Article 8(A)(ii); provided, however that, in the event [***] does not occur, then title and risk of loss shall remain with Contractor and storage of the Satellite(s) shall proceed pursuant to the terms of this Agreement.

(ii) Following completion of the PSR, any loss or damage to Spacecraft prior to [***] as described in Article 9(A)(i), shall be at [***] to the extent such loss or damage is caused by the grossly negligent actions or omissions or intentional misconduct of [***]

(B) Subject to Purchaser making all payments hereunder when required or pursuant to such payment plan as may be agreed between the parties in writing, title to Spacecraft shall pass to Purchaser free and clear of any claims, liens, encumbrances, and security interests of any nature. Contractor shall not grant to third parties any lien, encumbrance or security interest of any nature on a Spacecraft.”

5. The following new Article 20(A)(v) is added to the SPC as follows:

(v) Contractor fails to obtain the insurance required under Article 31(D).”

6. The second paragraph of Article 31(B) of the SPC is deleted and replaced with:

“In addition, Purchaser shall waive any claim against and shall indemnify and hold harmless Contractor Indemnitees from any direct or indirect loss, damage (including damage to property and injuries, including death), liability and expense incurred by any

third party arising or relating to the use, operation or performance of any Spacecraft from the [***] of a Satellite is met. Furthermore, Purchaser shall use reasonable efforts to ensure that Contractor is named as an additional insured in any space third party liability insurance that is obtained by Purchaser's launch service provider(s) and that any waivers of liability negotiated between Purchaser and its launch service provider(s) is extended to apply to the benefit of Contractor, which shall be flowed down to Contractor through a change order or similar documentation signed by both Parties."

7. The sentence of Article 29(D)(i) beginning with "Purchaser shall..." is amended in its entirety as follows: "Contractor shall be responsible for arranging and paying for all transportation costs in transit from the storage site to the launch site, provided, however, that Purchaser shall reimburse Contractor for actual transportation and labor costs that Purchaser has approved through prior written consent. Contractor may bill Purchaser for all such actual transportation costs in advance and shall bill all labor costs in accordance with the terms set forth in Article 7(A). For the avoidance of doubt, transportation costs shall be billed at the [***] by Contractor with [***] and labor shall be billed at the fully loaded time costs for such services as agreed between the parties."

8. Article 31(D) of the SPC is replaced in its entirety with the following:

"(D) Contractor shall only procure the following additional insurances if Purchaser issues a change order pursuant to Article 19 in a commercially reasonable time prior to any [***] or [***] activities. For the avoidance of doubt, nothing herein shall relieve Contractor of its obligations to obtain the insurance coverages set forth in Article 31(C) or otherwise in the Contract.

(i) [***]. In addition to the insurance described in Article 31(C), Contractor shall, at Purchaser's direction, procure all insurance policies which shall cover all Satellites against physical loss or damage, including any perils arising in [***] and [***] up and until the point [***]. Purchaser shall provide such assistance as requested by Contractor to procure any policies that Purchaser requests and shall advance the costs of such policies to Contractor.

The amount of insurance shall be sufficient to cover the full replacement value of each Satellite. Upon request by Purchaser, Contractor will provide the applicable certificate of insurance to Purchaser. Additionally, Contractor shall name Purchaser as the loss payee under the insurance acquired under this Article 31(D). Purchaser hereby waives, releases, indemnifies, and holds Contractor harmless from any and all claims, causes of action, loss, or damage with regard to any damages caused to Purchaser by way of the loss of or damage to a Satellite following [***] of a Satellite, except for damages, losses, claims or causes of action that are either excluded from coverage with such exclusion based upon Contractor's grossly negligent actions or omissions or caused by Contractor's intentional misconduct. If Purchaser elects not to request that Contractor purchase [***] insurance as described in this Article 31(D), then Purchaser hereby waives and releases Contractor from any and all claims, causes of action, loss, or

damage with regard to any damages caused to Purchaser by way of the loss of or damage to a Satellite [***] of a Satellite except in the case of Contractor's grossly negligent actions or omissions or intentional misconduct.

The insurance shall be issued with deductibles that are consistent with industry standards and with provisions providing that the named insured shall be Contractor until Final Acceptance and thereafter be Purchaser. Purchaser shall be responsible for the payment of any [***] insurance deductible. Notwithstanding the foregoing, Contractor shall be responsible for such [***] and/or [***] insurance deductible if the damage is a result of Contractors' grossly negligent actions or omissions or intentional misconduct.

Any and all claims for insurance coverage under such [***] policies described herein shall be pursued and processed by Purchaser to the extent possible under the insurance policy ("Insurance Claim"). To the extent Purchaser requires Contractor's cooperation in pursuing or processing an Insurance Claim or to the extent Contractor is required to pursue an Insurance Claim under the terms of the applicable insurance policy, then Purchaser shall pay Contractor the [***] for such services as agreed between the parties and the [***].

Notwithstanding anything to the contrary contained herein, Purchaser hereby releases, waives and discharges Contractor from any and all claims, damages and/or causes of action that relate to or arise out of Contractor's failure timely to procure the insurance described in Article 31(D)(i) so long as Contractor has used reasonable efforts to procure such insurance. Furthermore, Contractor's failure timely to procure the insurance described in Article 31(D)(i) shall not be used by Purchaser to support a claim for breach of this Agreement or as a basis to delay its performance of any obligations thereunder so long as Contractor has used reasonable efforts to procure such insurance.

(ii) [***] **Insurance.** Purchaser shall be responsible for obtaining insurance to cover the period of time after the expiration of the [***] insurance coverage to protect Purchaser's interest in the Satellites. Notwithstanding the foregoing, nothing herein obligates Purchaser to obtain such [***] insurance. Contractor shall provide Purchaser with relevant technical information requested by the insurance broker and underwriters relative to the procurement and maintenance of, and/or in support of, an Insurance Claim or any [***] insurance, including any subsequent [***] insurance, and Contractor shall provide reasonable assistance to Purchaser in the filing of notices of occurrence and of proofs of loss with its insurance broker and underwriters and in responding to questions from underwriters arising therefrom."

9. The payment schedule contained in Schedule C of the SPC is replaced, in its entirety, with the Schedule C attached, and specifically incorporated herein by reference, to this First Amendment.

10. The Parties agree to use best efforts to modify the changes set forth in this Second Amendment as may be necessary given the circumstances of any launch or the terms or conditions of any launch services agreement or applicable insurance policy.

11. The terms and conditions of the SPC shall apply and remain in force unless specifically amended by this Second Amendment. To the extent there is any conflict between the specific terms of this Second Amendment and the SPC, this Second Amendment will control and take precedence.
