FOR 2023 ANNUAL MEETING OF STOCKHOLDERS
To be held at 1:00 p.m., Eastern time, on Thursday, September 7, 2023**

The information provided in the “question and answer” format below is for your convenience only and is merely a summary of the information contained in this proxy statement. You should read this entire proxy statement carefully. As used in this proxy statement, references to “we,” “us,” “our,” “BlackSky” and the “Company” refer to BlackSky Technology Inc., a Delaware corporation, and its subsidiaries.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND OUR ANNUAL MEETING

Why am I receiving these materials?

This proxy statement and the form of proxy are furnished in connection with the solicitation of proxies by our board of directors for use at the 2023 annual meeting of stockholders of BlackSky Technology Inc., a Delaware corporation, and any postponements, adjournments or continuations thereof. The annual meeting will be held on Thursday, September 7, 2023 at 1:00 p.m., Eastern time. The annual meeting will be conducted virtually via live audio webcast. You will be able to attend the annual meeting virtually by visiting www.virtualshareholdermeeting.com/BKSY2023, where you will be able to listen to the meeting live, submit questions and vote online during the meeting.

The Notice of Internet Availability of Proxy Materials, or Notice of Internet Availability, containing instructions on how to access this proxy statement, the accompanying notice of annual meeting and form of proxy, and our annual report, is first being sent or given on or about July 28, 2023 to all stockholders of record as of July 17, 2023. The proxy materials and our annual report can be accessed as of July 28, 2023 by visiting www.proxyvote.com. If you receive a Notice of Internet Availability, then you will not receive a printed copy of the proxy materials or our annual report in the mail unless you specifically request these materials. Instructions for requesting a printed copy of the proxy materials and our annual report are set forth in the Notice of Internet Availability.

What proposals will be voted on at the annual meeting?

The following proposals will be voted on at the annual meeting:

- the election of Susan M. Gordon, Timothy Harvey and William Porteous as Class II directors to hold office until our 2026 annual meeting of stockholders and until their respective successors are elected and qualified; and
- the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2023.

As of the date of this proxy statement, our management and board of directors were not aware of any other matters to be presented at the annual meeting.

How does the board of directors recommend that I vote on these proposals?

Our board of directors recommends that you vote your shares:

- “FOR” the election of Susan M. Gordon, Timothy Harvey and William Porteous as Class II directors; and
- “FOR” the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2023.

Who is entitled to vote at the annual meeting?

Holders of our Class A common stock (“common stock”) as of the close of business on July 17, 2023, the record date for the annual meeting, may vote at the annual meeting. As of the record date, there were 140,823,604 shares of our common stock outstanding. Each share of common stock is entitled to one vote on each matter properly brought before the annual meeting. Stockholders are not permitted to cumulate votes with respect to the election of directors.

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, then you are considered the stockholder of record with respect to those shares, and the Notice of Internet Availability was sent directly to you by us. As a stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote on your own behalf at the annual meeting. Throughout this proxy statement, we refer to these holders as “stockholders of record.”

Street Name Stockholders. If your shares are held in a brokerage account or by a broker, bank or other nominee, then you are considered the beneficial owner of shares held in street name, and the Notice of Internet Availability was forwarded to you by your broker, bank or other nominee, which is considered the stockholder of record with respect to those shares. As a beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote the shares held in your account by following the instructions that your broker, bank or other nominee sent to you. Throughout this proxy statement, we refer to these holders as “street name stockholders.”

Is there a list of registered stockholders entitled to vote at the annual meeting?

A list of registered stockholders entitled to vote at the annual meeting will be made available for examination by any stockholder for any purpose germane to the meeting for a period of at least ten days prior to the meeting between the hours of 9:00 a.m. and 4:30 p.m., Eastern time, at our principal executive offices located at 13241 Woodland Park Road, Suite 300, Herndon, Virginia 20171 by contacting our corporate secretary. The list of registered stockholders entitled to vote at the annual meeting will also be available online during the annual meeting at www.virtualshareholdermeeting.com/BKSY2023, for those stockholders attending the annual meeting.

How many votes are needed for approval of each proposal?

- *Proposal No. 1:* Each director is elected by a plurality of the voting power of the shares present virtually or represented by proxy at the annual meeting and entitled to vote on the election of directors. A plurality means that the nominees with the largest number of FOR votes are elected as directors. You may (1) vote FOR the election of each of the director nominees named herein, (2) WITHHOLD authority to vote for each such director nominee or (3) vote FOR the election of each director nominee other than any nominee with respect to whom the vote is specifically WITHHELD by indicating in the space provided on the proxy. Because the outcome of this proposal will be determined by a plurality vote, any shares not voted FOR a particular nominee, whether as a result of choosing to WITHHOLD authority to vote or a broker non-vote, will have no effect on the outcome of the election.
- *Proposal No. 2:* The ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2023 requires the affirmative vote of a majority of the voting power of the shares present virtually or represented by proxy at the annual meeting and entitled to vote thereon. You may vote FOR or AGAINST this proposal, or you may indicate that you wish to ABSTAIN from voting on this proposal. Abstentions will be counted for purposes of determining the presence or absence of a quorum and will also count as votes against this proposal, i.e., will have the same effect as a vote AGAINST this proposal. Because this is a routine proposal, we do not expect any broker non-votes on this proposal.

Do the Company’s directors and officers have an interest in any of the matters to be acted upon at the annual meeting?

Members of our board of directors have an interest in Proposal 1, the election of the three director nominees to the board of directors as set forth herein, as each of the nominees is currently a member of the board of directors. Members of the board of directors and our executive officers do not have any interest in Proposal 2, the ratification of the appointment of our independent registered public accounting firm.

What is the quorum requirement for the annual meeting?

A quorum is the minimum number of shares required to be present or represented at the annual meeting for the meeting to be properly held under our amended and restated bylaws and Delaware law. The presence virtually or by proxy, of a majority of the voting power of our capital stock issued and outstanding and entitled to vote will constitute a quorum to transact business at the annual meeting. Abstentions, choosing to withhold authority to vote and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum. If there is no quorum, the chairperson of the meeting may adjourn the meeting to another time or place.

What is the difference between holding shares as a record holder and as a beneficial owner (holding shares in street name)?

If your shares are registered in your name with our transfer agent, Continental Stock Transfer & Trust Company, you are the “record holder” of those shares. If you are a record holder, the Notice of Internet Availability has been provided directly to you by the Company.

If your shares are held in a stock brokerage account, a bank or other holder of record, you are considered the “beneficial owner” of those shares held in “street name.” If your shares are held in street name, the Notice of Internet Availability was forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the annual meeting. As the beneficial owner, you have the right to instruct this organization on how to vote your shares. Because you are not the stockholder of record, you may not vote your shares electronically during the annual meeting unless you request and obtain a valid proxy issued in your name from the broker, bank or other nominee considered the stockholder of record of the shares.

How do I vote and what are the voting deadlines?

Stockholder of Record. If you are a stockholder of record, you may vote in one of the following ways:

- by Internet at www.proxyvote.com, 24 hours a day, 7 days a week, until 11:59 p.m., Eastern time, on September 6, 2023 (have your proxy card in hand when you visit the website);
- by toll-free telephone at 1-800-690-6903, 24 hours a day, 7 days a week, until 11:59 p.m., Eastern time, on September 6, 2023 (have your proxy card in hand when you call);
- by completing, signing and mailing your proxy card (if you received printed proxy materials), which must be received prior to the annual meeting; or
- by attending the annual meeting virtually by visiting www.virtualshareholdermeeting.com/BKSY2023, where you may vote during the meeting (have your proxy card in hand when you visit the website).

Street Name Stockholders. If you are a street name stockholder, then you will receive voting instructions from your broker, bank or other nominee. The availability of Internet and telephone voting options will depend on the voting process of your broker, bank or other nominee. We therefore recommend that you follow the voting instructions in the materials you receive. If your voting instruction form or Notice of Internet Availability indicates that you may vote your shares through the www.proxyvote.com website, then you may vote those shares at the annual meeting with the control number indicated on that voting instruction form or Notice of Internet Availability. Otherwise, you may not vote your shares at the annual meeting unless you obtain a legal proxy from your broker, bank or other nominee.

What if I do not specify how my shares are to be voted or fail to provide timely directions to my broker, bank or other nominee?

Stockholder of Record. If you are a stockholder of record and you submit a proxy, but you do not provide voting instructions, your shares will be voted:

- “FOR” the election of Susan M. Gordon, Timothy Harvey and William Porteous as Class II directors; and
- “FOR” the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2023.

In addition, if any other matters are properly brought before the annual meeting, the persons named as proxies will be authorized to vote or otherwise act on those matters in accordance with their judgment.

Street Name Stockholders. Brokers, banks and other nominees holding shares of common stock in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker, bank or other nominee will have discretion to vote your shares on our sole routine matter: the proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2023. Your broker, bank or other nominee will not have discretion to vote on any other proposals, which are considered non-routine matters, absent direction from you. In the event that your broker, bank or other nominee votes your shares on our sole routine matter, but is not able to vote your shares on the non-routine

matters, then those shares will be treated as broker non-votes with respect to the non-routine proposals. Accordingly, if you own shares through a nominee, such as a broker or bank, please be sure to instruct your nominee how to vote to ensure that your shares are counted on each of the proposals.

Can I change my vote or revoke my proxy?

Stockholder of Record. If you are a stockholder of record, you can change your vote or revoke your proxy before the annual meeting by:

- entering a new vote by Internet or telephone (subject to the applicable deadlines for each method as set forth above);
- completing and returning a later-dated proxy card, which must be received prior to the annual meeting;
- delivering a written notice of revocation to our corporate secretary at BlackSky Technology Inc., 13241 Woodland Park Road, Suite 300, Herndon, Virginia 20171, Attention: Corporate Secretary, which must be received prior to the annual meeting; or
- attending and voting at the annual meeting (although attendance at the annual meeting will not, by itself, revoke a proxy).

Street Name Stockholders. If you are a street name stockholder, then your broker, bank or other nominee can provide you with instructions on how to change or revoke your proxy.

Why is BlackSky holding a virtual annual meeting?

Our annual meeting will be held virtually via live audio webcast. The virtual format of the annual meeting allows us to preserve stockholder access while also saving time and money for both us and our stockholders.

We are committed to ensuring that stockholders will be afforded the same rights and opportunities to participate as they would at an in-person meeting, including the right to vote and ask questions during the meeting through the virtual meeting platform. The virtual meeting format includes the following features to provide for such an experience:

- the ability to submit appropriate questions up to 15 minutes in advance of the meeting;
- the ability to submit appropriate questions real-time via the meeting website, limiting questions to one per stockholder unless time otherwise permits; and
- answering as many questions submitted in accordance with the meeting rules of conduct as appropriate in the time allotted for the meeting.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our board of directors. [Henry Dubois and Christiana Lin], and each of them, with full power of substitution and re-substitution, have been designated as proxy holders for the annual meeting by our board of directors. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the annual meeting in accordance with the instructions of the stockholder. If the proxy is dated and signed, but no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our board of directors on the proposals as described above. If any other matters are properly brought before the annual meeting, then the proxy holders will use their own judgment to determine how to vote your shares. If the annual meeting is postponed or adjourned, then the proxy holders can vote your shares on the new meeting date, unless you have properly revoked your proxy, as described above.

Who will count the votes?

A representative of Broadridge Financial Solutions, Inc., our proxy specialist, will tabulate the votes and act as inspector of election.

How can I contact BlackSky's transfer agent?

You may contact our transfer agent, Continental Stock Transfer & Trust Company, by telephone at 800-509-5586, or by writing Continental Stock Transfer & Trust Company, at 1 State Street 30th Floor, New York, NY 10004. You may also access instructions with respect to certain stockholder matters (e.g., change of address) via the Internet at www.continentalstock.com.

How are proxies solicited for the annual meeting and who is paying for such solicitation?

Our board of directors is soliciting proxies for use at the annual meeting by means of the proxy materials. We will bear the entire cost of proxy solicitation, including the preparation, assembly, printing, mailing and distribution of the proxy materials. Copies of solicitation materials will also be made available upon request to brokers, banks and other nominees to forward to the beneficial owners of the shares held of record by such brokers, banks or other nominees. The original solicitation of proxies may be supplemented by solicitation by telephone, electronic communications or other means by our directors, officers or employees. No additional compensation will be paid to these individuals for any such services, although we may reimburse such individuals for their reasonable out-of-pocket expenses in connection with such solicitation.

Where can I find the voting results of the annual meeting?

We will disclose voting results on a Current Report on Form 8-K that we will file with the U.S. Securities and Exchange Commission (the "SEC"), within four business days after the meeting. If final voting results are not available to us in time to file a Form 8-K, we will file a Form 8-K to publish preliminary results and will provide the final results in an amendment to the Form 8-K as soon as they become available.

Why did I receive a Notice of Internet Availability instead of a full set of proxy materials?

In accordance with the rules of the SEC we have elected to furnish our proxy materials, including this proxy statement and our annual report, primarily via the Internet. As a result, we are mailing to our stockholders a Notice of Internet Availability instead of a paper copy of the proxy materials. The Notice of Internet Availability contains instructions on how to access our proxy materials on the Internet, how to vote on the proposals, how to request printed copies of the proxy materials and our annual report, and how to request to receive all future proxy materials in printed form by mail or electronically by e-mail. We encourage stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce our costs and the environmental impact of our annual meetings.

What does it mean if I receive more than one Notice of Internet Availability or more than one set of printed proxy materials?

If you receive more than one Notice of Internet Availability or more than one set of printed proxy materials, then your shares may be registered in more than one name and/or are registered in different accounts. Please follow the voting instructions on each Notice of Internet Availability or each set of printed proxy materials, as applicable, to ensure that all of your shares are voted.

I share an address with another stockholder, and we received only one copy of the Notice of Internet Availability or proxy statement and annual report. How may I obtain an additional copy of the Notice of Internet Availability or proxy statement and annual report?

We have adopted a procedure approved by the SEC called "householding," under which we can deliver a single copy of the Notice of Internet Availability and, if applicable, the proxy statement and annual report, to multiple stockholders who share the same address unless we receive contrary instructions from one or more stockholders. This procedure reduces our printing and mailing costs. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will deliver promptly a separate copy of the Notice of Internet Availability and, if applicable, the proxy statement and annual report, to any stockholder at a shared address to which we delivered a single copy of these documents. To receive a separate copy, or, if you are receiving multiple copies, to request that we only send a single copy of next year's Notice of Internet Availability or proxy statement and annual report, as applicable, you may contact us as follows:

BlackSky Technology Inc.
Attention: Investor Relations
13241 Woodland Park Road, Suite 300
Herndon, Virginia 20171
Tel: (571)-267-1571

Street name stockholders may contact their broker, bank or other nominee to request information about householding.

What is BlackSky's relationship to Osprey Technology Acquisition Corp?

On September 9, 2021, BlackSky Holdings, Inc. (f/k/a/ Spaceflight Industries, Inc.) ("Legacy BlackSky") consummated a business combination (the "merger") with Osprey Technology Acquisition Corp. ("Osprey"), our legal predecessor and a special purpose acquisition company, whereby Legacy BlackSky became a wholly owned subsidiary of Osprey, and Osprey changed its name to BlackSky Technology Inc., a Delaware corporation (the "Company" or "BlackSky"). Legacy BlackSky was founded in 2014.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Composition of the Board

Our business and affairs are managed under the direction of the board of directors (the “Board”). Our Board currently consists of seven directors, five of whom are independent under the listing standards of the New York Stock Exchange (“NYSE”).

Our Board is divided into three classes with staggered three year terms. Only one class of directors is elected at each annual meeting of our stockholders, with the other classes continuing for the remainder of their respective three-year terms. Thus, at each annual meeting of stockholders, a class of directors will be elected for a three year term to succeed the class whose term is then expiring.

The following table sets forth the names, ages as of July 17, 2023, and certain other information for each of our directors and director nominees:

Director Independence

The NYSE listing standards require that a majority of our board of directors be independent. An "independent director" is generally defined as a person who has no material relationship with the listed company, either directly as a partner, stockholder or officer of the company, or as an officer of an organization that has a relationship with the company. Our Board has determined that each of Mr. Porteous, Dr. Abraham, Ms. Gordon, Mr. Harvey and Mr. Tolonen representing five of our seven directors, do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is an "independent director" as defined under NYSE listing standards. In making these determinations, our Board considered the current and prior relationships that each non-employee director has with BlackSky and all other facts and circumstances that the Board

deemed relevant in determining their independence, including the beneficial ownership of our common stock by each non-employee director, and the transactions involving them. Our independent directors have regularly scheduled meetings at which only independent directors are present.

There are no family relationships among any of our directors, director nominees or executive officers.

Board Leadership Structure

Our corporate governance framework provides our board flexibility to determine the appropriate leadership structure for the company, and whether the roles of chairperson and chief executive officer should be separated or combined. In making this determination, our Board considers many factors, including the needs of the business, our board's assessment of its leadership needs from time to time and the best interests of our stockholders. If the role of chairperson is filled by a director who does not qualify as an independent director, then our corporate governance guidelines provide that one of our independent directors may serve as our lead independent director.

Our Board believes that it is currently appropriate to separate the roles of chairperson and chief executive officer. The chief executive officer is responsible for day-to-day leadership, while our chairperson, along with the rest of our independent directors, ensures that our Board's time and attention is focused on providing independent oversight of management and strategic matters critical to our company. The Board believes that Mr. Porteous's deep knowledge of the company and industry, as well as strong leadership and governance experience, enable Mr. Porteous to lead our Board effectively and independently.

Role of our Board of Directors in Risk Oversight

One of the key functions of our Board is informed oversight of our risk management process. We have designed and implemented processes to manage risk in our operations. Management is responsible for the day-to-day management of risks the company faces, while our Board, as a whole and assisted by its committees, has responsibility for the oversight of risk management. Our Board reviews strategic and operational risk in the context of discussions, question and answer sessions, and reports from the management team at each regular Board meeting, receives reports on all significant committee activities at each regular board meeting, and evaluates the risks inherent in significant transactions.

Our Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various standing committees of our Board that address risks inherent in their respective areas of oversight. Our audit committee is responsible for overseeing the management of risks associated with our financial reporting, accounting and auditing matters, our compensation committee oversees the management of risks associated with our compensation policies and programs, and our nominating and corporate governance committee monitors the effectiveness of our corporate governance guidelines.

Our Board believes its current leadership structure supports the risk oversight function of the board.

Committees of the Board of Directors

Our Board has established the following standing committees of the board: audit committee; compensation committee; and nominating and corporate governance committee. The composition and responsibilities of each of the committees of our Board is described below.

Audit Committee

We have a standing audit committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The members of our audit committee are Mr. Tolonen, Mr. Porteous and Mr. Harvey. Mr. Tolonen serves as the chairperson of the audit committee. Under the NYSE listing standards and applicable SEC rules, we are required to have at least three members of the audit committee, all of whom must be independent. Each of Mr. Tolonen, Mr. Porteous and Mr. Harvey qualify as an independent director for audit committee purposes under the applicable rules.

Each member of the audit committee meets the financial literacy requirements of the NYSE listing standards, and Mr. Tolonen qualifies as an "audit committee financial expert" as defined in applicable SEC rules.

The purpose of the audit committee is to prepare the audit committee report required by the SEC to be included in our proxy statement and to assist our Board in overseeing and monitoring (i) the quality and integrity of our financial statements, (ii) our compliance with legal and regulatory requirements, (iii) our independent registered public accounting firm's qualifications and independence, (iv) the performance of our internal audit function and (v) the performance of our independent registered public accounting firm.

The functions of the audit committee include, among other things:

- evaluating the performance, independence and qualifications of our independent auditors and determining whether to retain our existing independent auditors or engage new independent auditors;
- reviewing our financial reporting processes and disclosure controls;
- reviewing and approving the engagement of our independent auditors to perform audit services and any permissible non-audit services;
- reviewing the adequacy and effectiveness of our internal control policies and procedures, including the responsibilities, budget, staffing and effectiveness of our internal audit function;
- obtaining and reviewing at least annually a report by our independent auditors describing the independent auditors' internal quality control procedures and any material issues raised by the most recent internal quality-control review;
- monitoring the rotation of partners of our independent auditors on our engagement team as required by law;
- prior to engagement of any independent auditor, and at least annually thereafter, reviewing relationships that may reasonably be thought to bear on their independence, and assessing and otherwise taking the appropriate action to oversee the independence of our independent auditor;
- reviewing our annual and quarterly financial statements and annual and quarterly reports on Form 10-K and 10-Q, and discussing the statements and reports with our independent auditors and management;
- reviewing with our independent auditors and management significant issues that arise regarding accounting principles and financial statement presentation and matters concerning the scope, adequacy, and effectiveness of our financial controls and critical accounting policies;
- reviewing with management and our auditors any earnings announcements and other public announcements regarding material developments;
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding financial controls, accounting, auditing or other matters;
- preparing the report that the SEC requires in our annual proxy statement;
- reviewing and providing oversight of any related party transactions in accordance with our related party transaction policy and reviewing and monitoring compliance with legal and regulatory responsibilities, including our code of business conduct;
- reviewing our major financial risk exposures, including the guidelines and policies to govern the process by which risk assessment and risk management is implemented; and
- reviewing and evaluating on an annual basis the performance of the audit committee and the audit committee charter.

Our Board adopted a written charter for the audit committee, which is available on our website. During 2022, our audit committee held 10 meetings.

Compensation Committee

The members of our compensation committee are Mr. Porteous, Mr. Harvey and Dr. Abraham. Mr. Harvey serves as the chairperson of the compensation committee. Under the NYSE listing standards and applicable SEC rules, we are required to have at least two (2) members of the compensation committee, all of whom must be independent. Each of Mr. Porteous, Mr. Harvey and Dr. Abraham qualify as an independent director for compensation committee purposes under the applicable rules.

The purpose of the compensation committee is to assist our Board in discharging its responsibilities relating to (i) setting our compensation program and compensation of our executive officers and directors, (ii) monitoring our incentive and equity-based compensation plans and (iii) preparing the compensation committee report required to be included in our proxy statement under the rules and regulations of the SEC.

Our Board adopted a written charter for the compensation committee, which is available on our website. During 2022, our compensation committee held 11 meetings.

Nominating and Corporate Governance Committee

The members of our nominating and corporate governance committee are Dr. Abraham, Ms. Gordon and Mr. Tolonen. Dr. Abraham serves as chairperson of the nominating and corporate governance committee.

The primary purposes of our nominating and corporate governance committee are to assist the board in: (i) identifying individuals qualified to become new Board members, consistent with criteria approved by the Board, (ii) reviewing the qualifications of incumbent directors to determine whether to recommend them for reelection and selecting, or recommending that the Board select, the director nominees for the next annual meeting of stockholders, (iii) identifying members of the Board qualified to fill vacancies on any Board committee and recommending that the Board appoint the identified member or members to the applicable committee, (iv) reviewing and recommending to the Board corporate governance principles applicable to us, (v) overseeing the evaluation of the Board and (vi) handling such other matters that are specifically delegated to the committee by the Board from time to time.

Our Board adopted a written charter for the nominating and corporate governance committee, which is available on our website. During 2022, our nominating and corporate governance committee held four meetings.

Attendance at Board and Stockholder Meetings

During our fiscal year ended December 31, 2022, our board of directors held seventeen meetings (including regularly scheduled and special meetings) and each director attended at least 75% of the aggregate of (1) the total number of meetings of the Board held during the fiscal year, and (2) the total number of meetings held by all committees on which he or she served.

Although we do not have a formal policy regarding attendance by members of our Board at the annual meetings of stockholders, we encourage, but do not require, directors to attend. Each of our seven directors attended our 2022 annual meeting of stockholders.

Compensation Committee Interlocks and Insider Participation

None of our executive officers currently serves, or has served during the last year, as a member of the board of directors or compensation committee of any entity that has one or more executive officers that serves as a member of our Board or compensation committee.

Executive Sessions of Non-Employee Directors

To encourage and enhance communication among non-employee directors, and as required under applicable NYSE rules, our corporate governance guidelines provide that the non-employee directors will meet in executive sessions without management directors or management present on a periodic basis. In addition, if any of our non-employee directors are not independent directors, then our independent directors will also meet in executive session on a periodic basis.

Considerations in Evaluating Director Nominees

Our nominating and corporate governance committee uses a variety of methods for identifying and evaluating potential director nominees. In its evaluation of director candidates, including the current directors eligible for re-election, our nominating and corporate governance committee will consider the current size and composition of our board of directors and the needs of our Board and the respective committees of our Board and other director qualifications. While our Board has not established minimum qualifications for board members, some of the factors that our nominating and corporate governance committee considers in assessing director nominee qualifications include, without limitation, issues of character, professional ethics and integrity, judgment, business acumen, proven achievement and competence in one's field, the ability to exercise sound business judgment, tenure on our board and skills that are complementary to our Board, an understanding of our business, an understanding of the responsibilities that are required of a member of our board, other time commitments, and diversity, and with respect to diversity, such factors as race,

ethnicity, gender, differences in professional background, education, age and geography, as well as other individual qualities and attributes that contribute to the total mix of viewpoints and experience represented on our board. Although our Board does not maintain a specific policy with respect to board diversity, our Board believes that the Board should be a diverse body, and the nominating and corporate governance committee considers a broad range of perspectives, backgrounds and experiences.

If our nominating and corporate governance committee determines that an additional or replacement director is required, then the committee may take such measures as it considers appropriate in connection with its evaluation of a director candidate, including candidate interviews, inquiry of the person or persons making the recommendation or nomination, engagement of an outside search firm to gather additional information, or reliance on the knowledge of the members of the committee, board or management.

After completing its review and evaluation of director candidates, our nominating and corporate governance committee recommends to our full board of directors the director nominees for selection. Our nominating and corporate governance committee has discretion to decide which individuals to recommend for nomination as directors and our Board has the final authority in determining the selection of director candidates for nomination to our board.

Stockholder Recommendations and Nominations to our Board of Directors

Our nominating and corporate governance committee will consider recommendations and nominations for candidates to our board of directors from stockholders in the same manner as candidates recommended to the committee from other sources, as long as such recommendations and nominations comply with our amended and restated certificate of incorporation and amended and restated bylaws, all applicable company policies and all applicable laws, rules and regulations, including those promulgated by the SEC. Our nominating and corporate governance committee will evaluate such recommendations in accordance with its charter, our amended and restated bylaws and corporate governance guidelines and the director nominee criteria described above.

A stockholder that wants to recommend a candidate to our board of directors should direct the recommendation in writing by letter to our corporate secretary at BlackSky Technology Inc., 13241 Woodland Park Road, Suite 300, Herndon, Virginia 20171, Attention: Corporate Secretary. Such recommendation must also include a statement from the recommending stockholder in support of the candidate, particularly within the context of the criteria for board membership, including issues of character, integrity, judgment, diversity of experience, independence, area of expertise, corporate experience, length of service, potential conflicts of interest, other commitments and the like and personal references.

To be timely, a stockholder's recommendations must be received by our corporate secretary at our principal executive offices no earlier than 8:00 a.m., Eastern time, on the 120th day and no later than 5:00 p.m., Eastern time, on the 90th day prior to the first anniversary of the preceding year's annual meeting of the stockholders. However, if no annual meeting of stockholders was held in the preceding year, or if the date of the applicable annual meeting has been changed by more than 30 days before or more than 60 days after the first anniversary of the preceding year's annual meeting, then to be timely such notice must be received by the secretary at the principal executive offices of the Company no earlier than 8:00 a.m., Eastern time, on the 120th day prior to the day of the annual meeting and no later than the later of (x) 5:00 p.m., Eastern time, on the 90th day before the meeting or (y) 5:00 p.m., Eastern time, on the 10th day following the day on which public announcement of the date of the annual meeting was first made by the Company.

Our nominating and corporate governance committee has discretion to decide which individuals to recommend for nomination as directors.

Under our amended and restated bylaws, stockholders may also directly nominate persons for our board of directors. Any nomination must comply with the requirements set forth in our amended and restated bylaws and the rules and regulations of the SEC and should be sent in writing to our corporate secretary at the address above. To be timely for our 2023 annual meeting of stockholders, nominations must be received by our corporate secretary observing the deadlines discussed below under "*Other Matters—Stockholder Proposals or Director Nominations for 2024 Annual Meeting.*"

Communications with the Board of Directors

Stockholders and other interested parties wishing to communicate directly with our non-management directors, may do so by writing and sending the correspondence to our General Counsel by mail to our principal executive offices at BlackSky Technology Inc., 13241 Woodland Park Road, Suite 300, Herndon, Virginia 20171. Our General Counsel, in consultation with appropriate directors as necessary, will review all incoming communications and screen for communications that (1) are solicitations for products and services, (2) relate to matters of a personal nature not relevant for our stockholders to act on or for our board to consider and (3) matters that are of a type that are improper or irrelevant to the functioning of our board or our business, for example, mass mailings, job inquiries and business solicitations. If appropriate, our General Counsel will route such communications to the appropriate director(s) or, if none is specified, then to the chairperson of the board. These policies and procedures do not apply to communications to non-management directors from our officers or directors who are stockholders or stockholder proposals submitted pursuant to Rule 14a-8 under the Exchange Act.

Policy Prohibiting Hedging or Pledging of Securities

Under our insider trading policy, our employees, including our executive officers, and the members of our board of directors are prohibited from, directly or indirectly, among other things, (1) engaging in short sales, (2) trading in publicly-traded options, such as puts and calls, and other derivative securities with respect to our securities (other than stock options, restricted stock units and other compensatory awards issued to such individuals by us), (3) purchasing financial instruments (including prepaid variable forward contracts, equity swaps, collars and exchange funds), or otherwise engaging in transactions that hedge or offset, or are designed to hedge or offset, any decrease in the market value of equity securities granted to them by us as part of their compensation or held, directly or indirectly, by them, (4) pledging any of our securities as collateral for any loans and (5) holding our securities in a margin account.

Corporate Governance Guidelines and Code of Business Conduct and Ethics

Our board of directors adopted corporate governance guidelines in accordance with the corporate governance rules of the NYSE that serve as a framework within which our Board and its committees operate. These guidelines cover a number of areas including board membership criteria and director qualifications, director responsibilities, board agenda, roles of the chair of the board, principal executive officer and presiding director, meetings of independent directors, committee responsibilities and assignments, board member access to management and independent advisors, director communications with third parties, director compensation, director orientation and continuing education, evaluation of senior management and management succession planning.

Our Board adopted a code of business conduct and ethics that applies to all of our directors, officers and employees, including our chief executive officer and chief financial officer. Our code of business conduct and ethics is a “code of ethics,” as defined in Item 406(b) of Regulation S-K.

The full text of our corporate governance guidelines and code of business conduct and ethics are available on our website at <https://ir.blacksky.com/governance/governance-documents>. We will post amendments to our code of business conduct and ethics or any waivers of our code of business conduct and ethics for directors and executive officers on the same website.

Director Compensation

Each non-employee director is eligible to receive compensation for their service consisting of annual cash retainers and equity awards under our outside director compensation policy (the “Outside Director Compensation Policy”), which became effective in connection with the closing of the merger in September 2021. The Outside Director Compensation Policy is designed to align the interests of the non-employee directors with the interests of stockholders through equity awards and to attract and retain high quality non-employee directors by providing competitive compensation. On March 6, 2023, our Board adopted an amended outside director compensation policy (the “Amended Outside Director Compensation Policy”) to permit directors to elect to receive their annual cash retainer in BlackSky stock instead of cash. All compensation paid to our non-employee directors for fiscal year 2021 and 2022 was pursuant to the Outside Director Compensation Policy adopted at the time of the merger.

Cash Compensation

The Outside Director Compensation Policy provides for an annual cash retainer of \$90,000, which is payable quarterly in arrears on a prorated basis. There are no additional retainers for service as a member (or chairperson) of a committee of our Board, as chairperson of our Board, or as lead director and no per-meeting attendance fees for attending meetings of our Board or any of our committees. Pursuant to our Amended Outside Director Compensation

Policy, beginning in the third quarter of 2023, directors who elect to receive the annual retainer in shares of our common stock, instead of cash, will begin receiving such retainer in shares of our stock. Five of our non-employee directors have made this election under our Amended Outside Director Compensation Policy and will therefore begin receiving the quarterly distribution of their annual retainer in shares of stock instead of cash, beginning in the third quarter of 2023.

Equity Compensation

Initial Award. Pursuant to the Outside Director Compensation Policy, each individual who becomes a non-employee director will receive, on the first trading day on or after the date that the individual first becomes a non-employee director, an initial award (the “Initial Award”) of restricted stock units with a grant date fair value equal to \$300,000. The Initial Award will be scheduled to vest as to one-third of the shares subject to the Initial Award on each of the one-, two-, and three-year anniversaries of the Initial Award’s grant date, subject to continued service through the applicable vesting dates. If the person was a member of our Board and also an employee, becoming a non-employee director due to termination of employment will not entitle the individual to an Initial Award.

Annual Award. Pursuant to the Outside Director Compensation Policy, each non-employee director automatically will receive, on the first trading day immediately after the date of each annual meeting of our stockholders, an annual award (the “Annual Award”) of restricted stock units covering a number of shares of our common stock having a grant date fair value of \$150,000, provided that such individual, as of the date of an annual meeting of our stockholders, has served as a non-employee director for at least six months. Each Annual Award will be scheduled to vest as to all of the shares subject to the Annual Award on the one-year anniversary of the Annual Award’s grant date, or if earlier, the day of the next annual meeting of stockholders that occurs after the grant date of the Annual Award, subject to continued service through such vesting date.

Other Initial Award and Annual Award Terms. Each Initial Award and Annual Award will be granted under the 2021 Equity Incentive Plan (the “2021 Plan”) (or its successor plan, as applicable) and form of award agreement under such plan. For purposes of each Initial Award and Annual Award, the award’s grant date fair value will be determined in accordance with U.S. Generally Accepted Accounting Principles.

Change in Control. In the event of a change in control, as defined in the 2021 Plan (or its successor plan, as applicable), each non-employee director’s then-outstanding equity awards covering shares of our common stock that were granted to him or her while a non-employee director will accelerate vesting in full, provided that he or she remains a non-employee director through the date of the change in control.

Director Compensation Limits. The Outside Director Compensation Policy provides that in any fiscal year, a non-employee director may not be granted equity awards, the value of which will be based on their grant date fair value determined in accordance with U.S. Generally Accepted Accounting Principles, and be provided any other compensation (including without limitation any cash retainers or fees) in amounts that, in any fiscal year, in the aggregate, exceed \$500,000, provided that in the fiscal year of the individual’s initial service as a non-employee director, such amount will be increased to \$800,000. Equity awards granted or other compensation provided to an individual for his or her services as employee, or for his or her services as a consultant (other than as a non-employee director), will not count toward this annual limit.

The following table sets forth information regarding the total compensation awarded to, earned by or paid to our non-employee directors for their service on our Board, for the fiscal year ended December 31, 2022. Harvey and Porteous as nominees for election as Class II directors at the annual meeting. If elected, each of Ms. Gordon and Messrs. For more information concerning the nominees, please see the section titled "*Board of Directors and Corporate Governance*."

Ms. Gordon and Messrs. Harvey and Porteous have agreed to serve as directors if elected, and management has no reason to believe that they will be unavailable to serve. In the event a nominee is unable or declines to serve as a director at the time of the annual meeting, proxies will be voted for any nominee designated by the present board of directors to fill the vacancy.

Vote Required

Each director is elected by a plurality of the voting power of the shares present virtually or represented by proxy at the meeting and entitled to vote on the election of directors. Because the outcome of this proposal will be determined by a plurality vote, any shares not voted FOR a particular nominee, whether as a result of choosing to WITHHOLD authority to vote or a broker non-vote, will have no effect on the outcome of the election.

Board Recommendation

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE DIRECTOR NOMINEES NAMED ABOVE.

**PROPOSAL NO. 2:
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

Our audit committee has appointed Deloitte & Touche LLP (“Deloitte”) as our independent registered public accounting firm to audit our consolidated financial statements for our fiscal year ending December 31, 2023. Deloitte served as our independent registered public accounting firm for the fiscal year ended December 31, 2022.

At the annual meeting, we are asking our stockholders to ratify the appointment of Deloitte as our independent registered public accounting firm for our fiscal year ending December 31, 2023. Our audit committee is submitting the appointment of Deloitte to our stockholders because we value our stockholders’ views on our independent registered public accounting firm and as a matter of good corporate governance. Notwithstanding the appointment of Deloitte, and even if our stockholders ratify the appointment, our audit committee, in its discretion, may appoint another independent registered public accounting firm at any time during our fiscal year if our audit committee believes that such a change would be in the best interests of our company and our stockholders. If our stockholders do not ratify the appointment of Deloitte, then our audit committee may reconsider the appointment. One or more representatives of Deloitte are expected to be present at the annual meeting, and they will have an opportunity to make a statement and are expected to be available to respond to appropriate questions from our stockholders.

Change in Certifying Accountant

As previously reported on our Current Report on Form 8-K filed with the SEC on September 15, 2021, upon the approval of the audit committee of our board of directors, Marcum LLP (“Marcum”) was dismissed as our independent registered public accounting firm, and Deloitte was engaged as our independent registered public accounting firm effective September 9, 2021. Marcum served as our independent registered public accounting firm since June 15, 2018, our inception as Osprey, whereas Deloitte served as the independent registered public accounting firm for Legacy BlackSky prior to the closing of the merger in September 2021.

Marcum’s report on Osprey’s financial statements for the period from June 15, 2018 (Osprey’s inception) through December 31, 2020 did not contain an adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to audit scope or accounting principles. During the period of Marcum’s engagement by Osprey, there were no “disagreements” (as such term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) with Marcum on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Marcum, would have caused Marcum to make a reference to the subject matter of the disagreement in connection with its reports covering such periods. In addition, no “reportable events,” as defined in Item 304(a)(1)(v) of Regulation S-K except for the material weakness that is disclosed in Item 9A in the Form 10-K/A filed with the Securities and Exchange Commission on May 12, 2021, occurred within the period of Marcum’s engagement.

Fees Paid to the Independent Registered Public Accounting Firm

Marcum served as the independent registered public accounting firm for Osprey for the period from June 15, 2018 (Osprey’s inception) through the year ended December 31, 2018, the fiscal years ended December 31, 2019, and December 31, 2020, and the subsequent interim period until September 9, 2021. On September 9, 2021, our audit committee approved the change in our independent registered public accounting firm to Deloitte.

Auditor Independence

In 2022, there were no other professional services provided by Deloitte, other than those listed above, that would have required our audit committee to consider their compatibility with maintaining the independence of Deloitte.

Audit Committee Policy on Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Effective upon the closing of the merger in September 2021, our audit committee established a policy governing our use of the services of our independent registered public accounting firm. Under this policy, our audit committee is required to pre-approve all services performed by our independent registered public accounting firm in order to ensure that the provision of such services does not impair such accounting firm's independence. All services provided by Deloitte for our fiscal years ended December 31, 2022 and 2021 were pre-approved by our audit committee.

Vote Required

The ratification of the appointment of Deloitte as our independent registered public accounting firm for our fiscal year ending December 31, 2023 requires the affirmative vote of a majority of the voting power of the shares present virtually or represented by proxy at the annual meeting and entitled to vote thereon. Abstentions will have the same effect as a vote AGAINST this proposal.

Board Recommendation

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR OUR FISCAL YEAR ENDING DECEMBER 31, 2023.

REPORT OF THE AUDIT COMMITTEE

The audit committee is a committee of the board of directors comprised solely of independent directors as required by the NYSE listing rules and the rules and regulations of the SEC. The audit committee operates under a written charter adopted by the board of directors. This written charter is reviewed annually for changes, as appropriate. With respect to BlackSky's financial reporting process, BlackSky's management is responsible for (1) establishing and maintaining internal controls and (2) preparing BlackSky's consolidated financial statements. BlackSky's independent registered public accounting firm, Deloitte, is responsible for performing an independent audit of BlackSky's consolidated financial statements. It is the responsibility of the audit committee to oversee these activities. It is not the responsibility of the audit committee to prepare BlackSky's financial statements. These are the fundamental responsibilities of management.

In the performance of its oversight function, the audit committee has:

- reviewed and discussed the audited consolidated financial statements with management and Deloitte;
- discussed with Deloitte the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board, or PCAOB, and the SEC; and
- received the written disclosures and the letter from Deloitte required by the applicable requirements of the PCAOB regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with Deloitte its independence.

Based on the review and discussions noted above, the audit committee recommended to the board of directors that the audited consolidated financial statements be included in BlackSky's Annual Report on Form 10-K for the fiscal year ended December 31, 2022 for filing with the SEC.

Respectfully submitted by the members of the audit committee of the board of directors:

James Tolonen (Chair)
William Porteous
Timothy Harvey

This audit committee report shall not be deemed to be "soliciting material" or to be "filed" with the SEC or subject to Regulation 14A promulgated by the SEC or to the liabilities of Section 18 of the Exchange Act, and shall not be deemed incorporated by reference into any prior or subsequent filing by BlackSky under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent BlackSky specifically requests that the information be treated as "soliciting material" or specifically incorporates it by reference.

Components of Executive Officer Compensation

For 2022, the key elements of the compensation program for our named executive officers consisted of a base salary, target cash incentive bonus awards and grants of equity awards. Base salary was set at a level that the compensation committee determined was commensurate with the executive's respective duties and authorities, contributions, prior experience and sustained performance.

Equity awards granted in 2022 to our named executive officers were made in the form of options and restricted stock units ("RSUs") under the 2021 Equity Incentive Plan (the "2021 Plan").

Executive Compensation Arrangements

Brian O'Toole – President and Chief Executive Officer: Employment Agreement

In connection with the merger, Legacy BlackSky entered into a confirmatory employment letter with Mr. O'Toole, our President and Chief Executive Officer. The confirmatory employment letter has no specific term and provides that Mr. O'Toole is an at-will employee. As set forth in the confirmatory employment letter, Mr. O'Toole's annual base salary is \$465,000 (the "O'Toole Base Salary"), and he was eligible for a target annual cash bonus opportunity for 2022 equal to 100% of the O'Toole Base Salary.

Mr. O'Toole's confirmatory employment letter provides that Mr. O'Toole is eligible to receive annual equity awards under the Company's equity incentive plans, and to receive annual target equity awards consisting of (i) RSUs having a value of \$937,500 (based on our share price on the date of grant), which will generally vest with respect to 25% of the RSUs on the first anniversary of the vesting commencement date and, with respect to the remaining RSUs, in equal quarterly installments thereafter over the following three-year period (in each case subject to continued service through the applicable vesting date), and (ii) an option to purchase a number of shares of our common stock equal to twice the number of shares subject to the RSU award for the applicable year, which will generally vest with respect to 25% of the shares subject to the option on the first anniversary of the vesting commencement date and, with respect to the remaining shares subject to the option, in equal monthly installments thereafter over the following three-year period (in each case subject to continued service through the applicable vesting date). However, the actual annual equity awards granted to Mr. O'Toole (if any) and the terms of such equity awards will be in the sole discretion of the equity incentive plan's administrator.

Mr. O'Toole participates in the Executive Severance Plan, as described further below, as a Tier 1 participant.

Henry Dubois – Chief Financial Officer: Executive Offer Letter

On August 18, 2021, Legacy BlackSky entered into an executive offer letter with Mr. Dubois, effective August 18, 2021, to serve as the Company's Chief Development Officer. Pursuant to his executive offer letter, Mr. Dubois' annual base salary is \$400,000 (the "Dubois Base Salary"), and he is eligible to participate in the Company's annual incentive bonus program with an annual bonus target of not less than 75% of the Dubois Base Salary.

Mr. Dubois is eligible to receive annual equity awards under the Company's equity incentive plans consisting of (i) an annual award of RSUs having a value of \$875,000 (based on our share price on the date of grant), and (ii) an option to purchase a number of shares of our common stock equal to twice the number of shares subject to the RSU award for the applicable year. However, the actual annual equity awards granted to Mr. Dubois (if any) and the terms of such equity awards will be in the sole discretion of the equity incentive plan's administrator.

On June 10, 2022, the Company entered into an amendment to the executive offer letter with Mr. Dubois in connection with his appointment as the Company's Chief Financial Officer. Pursuant to such amendment, Mr. Dubois' annual bonus target was increased for the period from June 10, 2022 through December 31, 2022, to be 100% of the Dubois Base Salary. The amendment also provided for the grants of an option to purchase 294,228 shares and RSUs covering 219,573 shares, which were granted to Mr. Dubois on June 10, 2022.

Mr. Dubois participates in the Executive Severance Plan, as described further below, as a Tier 2 participant.

Christiana Lin – General Counsel and Chief Administrative Officer: Executive Offer Letter

On August 18, 2021, Legacy BlackSky entered into an executive offer letter with Ms. Lin, effective August 18, 2021, to serve as Legacy BlackSky's General Counsel. Ms. Lin receives an annual base salary of \$375,000 and is eligible to participate in the Company's annual incentive bonus program, with an annual bonus target of not less than 50% of her annual base salary.

Ms. Lin is eligible to receive annual equity awards under the Company's equity incentive plans consisting of (i) an annual award of RSUs having a value of \$750,000, based on our share price on the date of grant, and (ii) an option to purchase a number of shares of our common stock equal to twice the number of shares subject to the RSU award for the applicable year. However, the actual annual equity awards granted to Ms. Lin and the terms of such equity awards will be in the sole discretion of the equity incentive plan's administrator.

Ms. Lin participates in the Executive Severance Plan, as described further below, as a Tier 2 participant.

Johan Broekhuysen – Former Chief Financial Officer: Separation Agreement and Release

On June 9, 2022, Mr. Broekhuysen stepped down from his role as Chief Financial Officer, but remained an employee of BlackSky through August 11, 2022 to assist with transition efforts (the "Transition Period"). In connection with Mr. Broekhuysen's departure, he entered into a separation and release agreement pursuant to which he continued to receive his annual base salary during the Transition Period and was paid \$705,000 following his separation from BlackSky for one year of base salary and a prorated target bonus.

2022 Executive Bonus Program

For 2022, the compensation committee approved a bonus program under the terms of our Executive Incentive Compensation Plan in which each named executive officer participated, provided that Mr. Broekhuysen's participation ceased in connection with his transition during June 2022 from his role as Chief Financial Officer. The 2022 bonus program required the achievement of certain corporate objectives, and in the case of Mr. Dubois and Ms. Lin, certain corporate objectives and individual objectives. For 2022, the performance metrics for Mr. O'Toole and Mr. Broekhuysen (in the case of Mr. Broekhuysen, during his participation in the program), were Company revenue and cash balance with each of the performance metrics weighted 50% for purposes of their bonus calculations.

For 2022, the performance metrics for Mr. Dubois were (i) for the period from January 1, 2022, through June 9, 2022, Company revenue and cash balance and individualized MBOs, with the Company revenue and cash balance performance metrics each weighed at 40% and the individualized MBOs weighted at 20% for purposes of his bonus calculation, and (ii) for the period from June 10, 2022, through December 31, 2022, Company revenue and cash balance with each of the performance metrics weighted 50% for purposes of his bonus calculation. Mr. Dubois' individualized MBOs were based on the achievement of certain pipeline development objectives and strategic initiatives. For 2022, the performance metrics for Ms. Lin were Company revenue and cash balance and individualized MBOs, with the Company revenue and cash balance performance metrics each weighed at 40% and the individualized MBOs weighted at 20% for purposes of her bonus calculation. Ms. Lin's individualized MBOs were based on the achievement of certain legal, operational, and personnel-related objectives. For the portion of each named executive officer's bonus based on the Company revenue and cash balance performance metrics, the maximum payout was 200% of the target amount. For the portion of each of Mr. Dubois' and Ms. Lin's bonus based on their respective individualized MBOs, the maximum payout was 100% of the target amount.

Pursuant to the Company's Executive Incentive Compensation Plan, the Board (or other committee administering such plan) retains the authority to increase, reduce or eliminate any bonus award under it, based on any factors that the Board (or other administrator, as applicable) determines to be relevant. To earn a bonus award under such plan, participants generally must remain employed with the Company through the date the bonus is paid.

Following the end of the 2022 year, the compensation committee assessed the Company's performance against the performance metrics, and with respect to each of Mr. Dubois and Ms. Lin, performance by the executive against his or her individualized MBOs. For 2022, our named executive officers exceeded the targets set pursuant to the revenue and cash balance performance metrics, and each of Mr. Dubois and Ms. Lin met the applicable targets for such executive's individualized MBOs, which resulted in annual cash awards under our Executive Incentive Compensation Plan for Mr. O'Toole, Mr. Dubois and Ms. Lin being paid out above target in respect of 2022. Also for 2022 as noted further above, a prorated 2022 bonus was paid to Mr. Broekhuysen pursuant to the Separation Agreement in connection with his departure as our Chief Financial Officer during the year. As also noted further above, Mr. Dubois' bonus was adjusted to account for the amendment to his offer letter in connection with his appointment as Chief Financial Officer in June 2022. Bonus eligibility requires the named executive officer's continued employment through the date of payment.

Executive Change in Control and Severance Plan

Legacy BlackSky adopted the BlackSky Technology Inc. Executive Change in Control and Severance Plan (the "Executive Severance Plan"), effective August 16, 2021, to provide enhanced severance benefits for a select group of management or highly compensated employees (within the meaning of ERISA) who are designated by the plan administrator as participants and who have executed a participant agreement. Participants may be designated to receive different levels of benefits under the Executive Severance Plan as a Tier 1, 2 or 3 participant, as determined by the plan administrator and set forth in their applicable Participation Agreements. Mr. O'Toole has been designated as a Tier 1 participant under the Executive Severance Plan, and the other named executive officers have been designated as Tier 2 participants.

Upon a participant's "involuntary termination" (generally defined as a termination of employment (x) by the Company without Cause, as defined in the Executive Severance Plan, and other than due to the participant's death or disability, or (y) by the participant in a Good Reason Termination, as defined in the Executive Severance Plan, and such involuntary termination is not within a "change in control period" as defined below), the participant shall receive: (i) a lump sum payment equal to 150% (for a Tier 1 participant), 100% (for a Tier 2 participant), or 50% (for a Tier 3 participant) of his or her base salary, (ii) a prorated target bonus for the year of termination (and any prior year bonus to the extent earned but not yet paid), and (iii) payment of COBRA premiums (or cash in lieu of) for a period of up to 18 months (for a Tier 1 participant), 12 months (for a Tier 2 participant) or six months (for a Tier 3 participant).

Upon a participant's involuntary termination during the period beginning three months prior to a change in control (as defined in the Executive Severance Plan) and ending 18 months after the change in control (the "change in control period"), the participant shall receive: (i) a lump sum payment equal to 200% (for a Tier 1 participant), 150% (for a Tier 2 participant), or 100% (for a Tier 3 participant) of base salary, (ii) prorated target bonus for year of termination (and any prior year bonus to the extent earned but not yet paid), (iii) payment of COBRA premiums (or cash in lieu of) for a period of up to 24 months (for a Tier 1 participant), 18 months (for a Tier 2 participant), or 12 months (for a Tier 3 participant), and (iv) full vesting of time-based equity awards.

All payments under the Executive Severance Plan are contingent on the participant's execution of a separation agreement and release of claims in favor of BlackSky. In the event any payments would constitute "parachute payments" under Section 280G of the U.S. Internal Revenue Code of 1986, as amended (the "Code") and would be subject to the excise tax under Section 4999 of the Code, the participant is entitled to receive either the full amount of such payments, or an amount reduced to the extent necessary to avoid imposition of the excise tax, determined on a "best net after-tax" basis to the participant.

401(k) Plan

We maintain a 401(k) retirement savings plan, for the benefit of our employees, including our named executive officers, who satisfy certain eligibility requirements. Our 401(k) plan provides eligible employees with an opportunity to save for retirement on a tax-advantaged basis. Under our 401(k) plan, eligible employees may elect to defer a portion of their compensation, within the limits prescribed by the Code and the applicable limits under the 401(k) plan, on a pre-tax or after-tax (Roth) basis, through contributions to the 401(k) plan. All of a participant's deferral contributions into the 401(k) plan are 100% vested when contributed. The 401(k) plan permits us to make discretionary nonelective employer contributions and discretionary matching employer contributions. Any nonelective employer contribution allocated to a participant will be scheduled to vest as to 25% of such contribution when the participant completes two years of service and as to 25% of such contribution when the participant completes each additional year of service. Any matching employer contributions are 100% vested when contributed. The 401(k) plan is intended to qualify under Sections 401(a)

and 501(a) of the Code. As a tax-qualified retirement plan, pre-tax contributions to the 401(k) plan and earnings on those pre-tax contributions are not taxable to the employees until distributed from the 401(k) plan, and earnings on Roth contributions generally are not taxable when distributed from the 401(k) plan.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information as of June 30, 2023 regarding the beneficial ownership of our common stock by:

- each person, or group of affiliated persons, known to be the beneficial owner of more than 5% of our outstanding common stock;
- each of our named executive officers and directors; and
- all of our executive officers and directors as a group.

Beneficial ownership is determined according to the rules of the SEC, which generally provide that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power over that security. Under those rules, beneficial ownership includes securities that the individual or entity has the right to acquire, such as through the exercise of stock options, within 60 days of June 30, 2023. Shares subject to options that are currently exercisable or exercisable within 60 days of June 30, 2023 are considered outstanding and beneficially owned by the person holding such options for the purpose of computing the percentage ownership of that person but are not treated as outstanding for the purpose of computing the percentage ownership of any other person.

Except as noted by footnote, and subject to community property laws where applicable, based on the information provided to us, we believe that the persons and entities named in the table below have sole voting and investment power with respect to all shares shown as beneficially owned by them. The beneficial ownership percentages in the table below are calculated based on 140,819,154 shares of common stock issued and outstanding as of June 30, 2023.

Certain Relationships and Related Person Transactions – BlackSky

We adopted a formal, written policy described below under “*Policies and Procedures for Related Person Transactions*” in connection with the closing of the merger in September 2021 and therefore certain of these transactions, including those of Legacy BlackSky, were not subject to the approval and review procedures set forth in the policy.

LeoStella Joint Venture

In March 2018, Legacy BlackSky formed a 50-50 joint venture, LeoStella LLC (“LeoStella”), with Thales Alenia Space US Investment LLC (“Thales”), the parent company of Seahawk SPV Investment LLC (“Seahawk”), then a principal stockholder of Legacy BlackSky, pursuant to an amended and restated limited liability company agreement dated March 12, 2018, as amended on October 30, 2018 (the “LeoStella LLC Agreement”). In connection with the formation of LeoStella, Legacy BlackSky entered into a contribution agreement, dated March 12, 2018, with LeoStella, pursuant to which Legacy BlackSky contributed certain satellite-related intellectual property licenses as identified in the technology license agreement executed contemporaneously therewith, a contract needed to effectuate the SPC (defined below), manufacturing equipment, related books and records, and cash. The value of Legacy BlackSky’s contribution to LeoStella totaled approximately \$7.0 million. Legacy BlackSky also transferred the employment of certain employees to LeoStella and, pursuant to a reciprocal secondment agreement, agreed to assume and pay all liabilities relating to such transferred employees subject to a later right of reimbursement by LeoStella. Thales also contributed cash to LeoStella as part of its contribution consideration. In addition, Legacy BlackSky, Thales Alenia Space France, and LeoStella entered into a technology license agreement whereby Legacy BlackSky licensed to LeoStella certain satellite technology solely for LeoStella to conduct its business, including licensed technology to produce and sell Gen-2 satellites.

The LeoStella LLC Agreement grants LeoStella certain exclusivity and/or right of first refusal and right of last offer rights with respect to the supply of BlackSky’s satellites and certain related services to us, subject to certain exceptions.

Concurrently with the formation of LeoStella in March 2018, BlackSky’s subsidiary, BlackSky Global LLC (“BlackSky Global”), entered into a satellite program contract with LeoStella, as amended in February 2019 and May 2020 (the “SPC”), pursuant to which Legacy BlackSky agreed to procure the design, development, manufacture, testing and assembly of a certain number of Gen-2 satellites from LeoStella, with options to purchase additional Gen-2 satellites, additional support services, ground station support equipment, and/or procurement items as and when needed.

In October 2019, Legacy BlackSky entered into a side letter agreement with LeoStella and Seahawk, pursuant to which the parties agreed to reduce BlackSky Global’s commitment to purchase satellites under the SPC, provided that specified third parties could purchase the satellites from LeoStella that BlackSky elected not to purchase, and in exchange, Legacy BlackSky and BlackSky Global agreed to remit at least \$2.0 million a month to LeoStella for the payment of amounts due under the SPC, subject to certain acceleration payments. The parties subsequently amended the side letter agreement to modify the payment schedule in July 2020 and February 2021. For the years ended December 31, 2022 and 2021, Legacy BlackSky remitted approximately \$11.2 million and \$19.3 million, respectively, to LeoStella. BlackSky Global does not have any ongoing obligations to LeoStella under the SPC.

In February 2021, BlackSky Global entered into a vendor services agreement (“VSA”) with LeoStella pursuant to which LeoStella will, among other services, manufacture and supply Gen-3 satellites for BlackSky Global. In connection with the execution of the VSA, the parties also entered into a technology license agreement pursuant to which BlackSky Global granted LeoStella rights to certain aspects of its Gen-3 satellite technology. The number of Gen-3 satellites that BlackSky Global is committed to order under the VSA is contingent upon certain criteria, including amounts raised in financing. LeoStella provides services under the VSA pursuant to work orders that are entered into

between the parties from time to time. To date, the parties have entered into six work orders. BlackSky Global is also obligated under the VSA to enter into further work orders for the manufacture of Gen-3 satellites, the terms of which have not been finalized. Work orders executed to date have included design review services, time and materials necessary to construct Gen-3 satellites for third-party customers, time and materials for a study, and several authorizations to order certain long-lead parts and/or time-sensitive parts and labor. For the years ended December 31, 2022 and 2021, BlackSky Global remitted approximately \$16.8 million and \$6.3 million, respectively, to LeoStella under the VSA.

Thales Related Operational Agreements

As part of Seahawk's investment in Legacy BlackSky, on March 7, 2018, Legacy BlackSky, BlackSky Global, and Telespazio, S.p.A. ("Telespazio") entered into a joint cooperation and marketing agreement (the "JCMA") and BlackSky Global and Telespazio entered into a reseller agreement. Telespazio is a joint venture between Leonardo S.p.a., an Italian publicly traded company, and Thales S.A., a French publicly traded company. Pursuant to the reseller agreement, Telespazio was appointed as BlackSky Global's reseller for specified customers in the European Union for a guaranteed term, which term is automatically extended if Telespazio meets certain sales thresholds, and as a reseller of BlackSky Global products and services worldwide (excluding the People's Republic of China). The JCMA expired in March 2023. To date, we have not generated any significant revenues in connection with the Telespazio reseller agreement.

In April 2019, Legacy BlackSky and its affiliates transferred their existing intellectual property to a newly formed, wholly owned BlackSky subsidiary, SFI IP Holdco ("IP Holdco"). Contemporaneously therewith, IP Holdco entered into a license agreement with Seahawk granting Seahawk a license to utilize IP Holdco's intellectual property (the "IP Holdco License"); provided, however, that Seahawk may not exercise its rights under the IP Holdco License unless and until the intellectual property included therein is released from escrow upon the occurrence of a bankruptcy event of IP Holdco or any of its affiliates. In accordance with the IP Holdco License, IP Holdco deposited the required intellectual property under a three-party escrow service agreement with Iron Mountain Intellectual Property Management, Inc. and Seahawk. The IP Holdco License automatically terminated in connection with BlackSky's financings in 2021, and BlackSky is beginning to explore options to discontinue the Iron Mountain escrow agreement.

BlackSky Holdings Inc. is the sole member of IP Holdco. The board of directors of IP Holdco include a director designated by Seahawk, a director designated by BlackSky and an independent director.

In connection with the execution of the VSA, BlackSky Global also entered into a technology license agreement with Seahawk pursuant to which BlackSky Global granted Seahawk additional rights to certain aspects of its Gen-3 satellite technology ("Seahawk Gen-3 License"); provided, however, that, like the IP Holdco License, Seahawk may not exercise its rights under the Seahawk Gen-3 License unless and until the intellectual property included therein is released from escrow upon the occurrence of a bankruptcy event of BlackSky Global and LeoStella. The Seahawk Gen-3 License automatically terminated in connection with BlackSky's financings and merger in 2021.

Finally, on May 10, 2021, BlackSky Global and Thales Alenia Space France entered into an agreement under which BlackSky Global agreed to purchase telescopes (the "Supply Contract") for certain of its Gen-3 satellites for a total purchase price of \$11.0 million, subject to customary commercial purchase conditions. On January 20, 2022, the parties amended the Supply Contract to increase the scope of work to include integration and other activities, which increased the total price to \$16.4 million. On February 4, 2022, the parties executed a second amendment to the Supply Contract to correct a scrivener's error.

SVB Loan and Security Agreement and Omnibus Guaranty Agreement

On June 27, 2018, Legacy BlackSky entered into an Amended and Restated Loan and Security Agreement (the "Term Loan Agreement") with Silicon Valley Bank ("SVB"), which provided for a secured revolving loan in an aggregate principal amount of up to \$17.0 million and a secured term loan in an aggregate principal amount of up to \$15 million. In September 2021, the SVB term loan was repaid in full. Prior to repayment, the Term Loan Agreement was amended as follows: First Amendment (August 2018), Consent and Second Amendment (October 2018), Third Amendment (April 2019), Forbearance Fourth Amendment (September 2019), Fifth Amendment (October 2019), Sixth Amendment (March 2020), Seventh Amendment, (June 2020), Eighth Amendment (December 2020) and Ninth Amendment (February 2021). The SVB loan facility accrued interest at a floating rate per annum of 2% above the prime rate and was secured by certain pledged accounts of Legacy BlackSky and its subsidiaries and certain of Legacy BlackSky's investors and is further guaranteed by the same investors. In connection with the Term Loan Agreement, Legacy BlackSky entered into an Omnibus Guaranty Agreement, dated June 27, 2018 (the "Omnibus Guaranty Agreement"), pursuant to which certain existing investors were issued (1) warrants for Legacy BlackSky Class A common stock in exchange for the investors' guarantees of up to \$17.0 million of the SVB secured revolving loan; and

(2) shares of Legacy BlackSky Class B common stock issued to each investor pro rata according to the value of guarantee.

The table below sets forth (i) the number of shares of Legacy BlackSky Class A common stock that warrants were exercisable for and (ii) shares of Legacy BlackSky Class B common stock received by Legacy BlackSky directors, executive officers and holders of more than 5% of any class of Legacy BlackSky's voting securities in connection with the guarantees:

Investor	Affiliated Director(s) or Officer(s)	Warrants to Purchase shares of Legacy BlackSky Class A Common Stock	Shares of Legacy BlackSky Class B Common Stock	Guaranty Amount
Mithril LP	Ajay Royan	20,599,329	27,877,468	\$5,028,345.00
Seahawk SPV Investment LLC	Alan Kessler	11,495,939	12,095,939	\$2,806,186.00
RRE Ventures VI, LP	William Porteous	9,554,630	12,010,416	\$2,332,308.00
VCVC IV LLC	N/A	9,245,846	13,302,355	\$2,256,933.00

Yodabyte Investments, LLC	Mark Spoto	7,794,103	9,918,181	\$1,902,559.00

The Seahawk guaranteed amount was held in a Legacy BlackSky bank account that was pledged to SVB. Further, in connection with the Term Loan Agreement, Legacy BlackSky issued to Seahawk warrants exercisable for an aggregate of 700,000 shares of Legacy BlackSky Class A common stock.

The aggregate principal balance of the SVB term loan of \$15.0 million was repaid in full as of October 31, 2019. On August 31, 2021, Legacy BlackSky executed a payoff letter to repay in full all amounts due and owing, and terminate all commitments and obligations pursuant to the Term Loan Agreement and all related loan documents with SVB. Pursuant to the payoff letter, Legacy BlackSky agreed to pay SVB approximately \$16 million, which included pay-off amounts for the principal, interest, fees, reimbursement of expenses and other items, and confirmed upon payment in full, the release of all guaranties, liens and other security over the properties and assets of Legacy BlackSky and its subsidiaries securing any obligations under the Term Loan Agreement, other than cash collateral securing specified bank services. On September 9, 2021 the SVB term loan was repaid in full and all associated guaranties, liens and other security interest under the SVB Term Loan Agreement were released. Cash collateral securing bank services with SVB continues to be subject to pledges in favor of SVB. Additionally, in connection with the payoff of the Term Loan Agreement in September 2021, approximately \$2.8 million of funds used to cash collateralize the loans under the Term Loan Agreement was transferred to Legacy BlackSky's main operating account with SVB.

Founders Notes

On November 13, 2018, Legacy BlackSky entered into subordinated promissory notes with each of Jason Andrews and Marian Joh, the founders of BlackSky (the "Founders"), for an aggregate amount of \$12.5 million, in connection with their separation from Legacy BlackSky (the "Founders Notes"). The Founders Notes accrued interest at 6% per annum, were non-convertible and were scheduled to mature upon a change of control or event of default. In addition, the promissory notes were subject to partial prepayment of \$1.25 million upon a qualified financing of \$42.5 million (exclusive of amounts raised due to conversion of securities issued in connection with the Legacy BlackSky Series C preferred stock financing or under the Omnibus Guaranty Agreement), \$21.25 million of which had to be invested by new money investors. Legacy BlackSky paid \$25,000 in interest and \$0 in principal for each of the years ended December 31, 2020, 2019, and 2018. On April 27, 2021, with the consent of our senior lenders, Legacy BlackSky entered into an agreement with the Founders under which Legacy BlackSky paid the Founders \$750,000 towards the principal of the Founders Notes on April 28, 2021 in addition to a payment of \$1.75 million towards the principal of the Founders Notes in September 2021 in connection with the closing of the merger. As of September 30, 2021, the outstanding principal balance of the Founders Notes was \$10.0 million and accrued interest payable was \$2,061,165.

On December 7, 2021, with the consent of our senior lenders, we entered into an agreement with the Founders under which we issued the Founders 958,082 shares of our common stock in full satisfaction of amounts owed under the Founders Notes, and the Founders Notes were cancelled.

Convertible Loan and Security Agreement

On October 19, 2017, Legacy BlackSky entered into a Loan and Security Agreement, as amended by a First Amendment, dated March 12, 2018, a Second Amendment, dated April 15, 2019, a Third Amendment, dated July 10, 2019, and as further amended in October 30, 2019 (the "TAS CLA") with Seahawk, for a term loan of up to \$50.0 million, maturing October 19, 2021. The term loan accrues interest at a rate equal to 6-month LIBOR plus 7% on a cash basis and 6-month LIBOR plus 8% on a payment in kind basis (mandatory in lieu of cash through January 1, 2020). The term loan is prepayable upon 15 business days' notice and convertible at the option of Seahawk upon the earlier of a qualified financing, March 31, 2020, or any optional prepayment. In connection with the Third Amendment, additional investors joined the TAS CLA for an additional \$14.0 million. In connection with Legacy BlackSky entering into the Intelsat Facility in October 2019, the outstanding TAS CLA and accrued interest was converted into Legacy BlackSky Series C preferred stock as described below. For each of the years ended December 31, 2019 and 2018, Legacy BlackSky paid \$0 in principal and \$0 in interest on the TAS CLA.

Intelsat Facility

In October 2019, Legacy BlackSky and its subsidiaries entered into a secured loan facility (the "Intelsat Facility") with Seahawk and Intelsat Jackson Holdings S.A. ("Intelsat"), as lenders, and Intelsat, as agent for the lenders. The Intelsat Facility provides for a secured term loan of up to approximately \$68.5 million, including approximately \$18.5 million of existing principal and accrued interest owed to Seahawk under the TAS CLA which was amended and rolled into the Intelsat Facility, and an uncommitted incremental secured term loan facility of up to approximately \$41.6 million. The allowance for a \$25.0 million commercial credit facility with a commercial lender is counted against such incremental capacity. The Intelsat Facility is secured by substantially all of our assets and subsidiaries.

In connection with entering into the Intelsat Facility, Legacy BlackSky amended and restated the Series C Omnibus Agreement. Please see the section below entitled "*Conversion of TAS CLA*" for more information.

Also in connection with entering into the Intelsat Facility, Legacy BlackSky issued warrants to purchase 20,251,504 shares of Legacy BlackSky Class A common stock and 18,709,116 shares of Legacy BlackSky Class A common stock to Intelsat and Seahawk, respectively. At the closing of the merger in September 2021, the warrants converted into warrants (i) to purchase shares of our common stock, in each case in an amount equal to the product of the number of shares of Legacy BlackSky Class A common stock into which each such warrant was exercisable as of immediately prior to the merger closing, multiplied by the applicable exchange ratio and (ii) with an exercise price per share of our common stock equal to the quotient of the exercise price of such warrant divided by the applicable exchange ratio.

In September 2021, Legacy BlackSky and its subsidiaries amended the Intelsat Facility ("First Amendment"). The First Amendment (i) made certain conforming changes to account for Legacy BlackSky and its subsidiaries becoming subsidiaries of a public company, including adjusting the change of control definition, (ii) contained a consent to the extension of the timeline for the joinder of BlackSky Europe Limited, a company organized under the laws of England and Wales and (iii) added BlackSky and BlackSky International LLC, a Delaware limited liability company and subsidiary of BlackSky, as Co-Borrowers under the Intelsat Facility.

The Intelsat Facility accrued interest at 4% per annum until October 31, 2022 (which interest was paid in kind), and the initial terms of the Intelsat Facility provided for accrued interest at 9% per annum from November 1, 2022 to October 31, 2023, and 10% per annum from November 1, 2023 to the maturity date of October 31, 2024. On May 9, 2023, BlackSky and its subsidiaries again amended the Intelsat Facility ("Second Amendment") to (i) extend the maturity date from October 31, 2024 to October 31, 2026, (ii) roll the cash interest payment due on May 1, 2023 into the outstanding principal to be paid on the maturity date; (iii) increase the interest rate on the loan as of the Amendment date from 9% to 12%, of which (x) 9.6% will be paid in kind as principal due on the maturity date, with the remainder paid as cash interest on a semi-annual basis, until May 1, 2025 and (y) after May 1, 2025, up to 4% can be paid in kind as principal due on the maturity date, with the remainder to be paid as cash interest on a semi-annual basis, and (iv) add certain financial covenants.

As of June 30, 2023, the outstanding principal balance of the Intelsat Facility was \$80.6 million and accrued interest was \$1.6 million. For the fiscal years ended December 31, 2022 and 2021, Legacy BlackSky paid no principal or interest under the Intelsat Facility.

Intelsat Right of First Offer Agreement

In connection with entering into the Intelsat Facility in October 2019, Legacy BlackSky, or BlackSky Holdings, Inc. (formerly known as Spaceflight Industries, Inc.), entered into a Right of First Offer Agreement with Intelsat (the "Right of First Offer Agreement"). BlackSky Holdings, Inc. ("BlackSky Holdings") now operates as a wholly owned

subsidiary of BlackSky Technology. Pursuant to the terms of the Right of First Offer Agreement, prior to commencing or engaging in a sale, BlackSky Holdings is obligated to provide written notice of any such proposed sale to Intelsat and Intelsat will have the opportunity to submit an offer to purchase BlackSky Holdings (an "Intelsat Offer"). Pursuant to the terms of the Right of First Offer Agreement, if BlackSky Holdings does not accept an Intelsat Offer, BlackSky Holdings would be permitted to negotiate and enter into an alternative sale transaction, as long as the total enterprise value for BlackSky Holdings and its subsidiaries is greater than 110% of the value implied by any Intelsat Offer. The Right of First Offer Agreement is scheduled to expire on October 31, 2026. This description of the Right of First Offer Agreement is only a summary. Please refer to Exhibit 4.6 to our most recent Annual Report on Form 10-K for more information.

Conversion of TAS CLA

In connection with the signing of the Intelsat Facility in October 2019, and pursuant to the amended and restated TAS CLA, the TAS CLA was converted into Legacy BlackSky Series C preferred stock at a 64% discount to the lower of (a) the lowest cash price per share paid for the Legacy BlackSky Series C preferred stock or (b) the then-current per share conversion price of the Legacy BlackSky Series C preferred stock in effect at the time of such conversion. The table below sets forth the outstanding shares of Legacy BlackSky Series C preferred stock received upon conversion of the TAS CLA by Legacy BlackSky's directors, executive officers and holders of more than 5% of any class of Legacy BlackSky's voting securities:

Investor	Affiliated Director(s) or Officer(s)	Outstanding TAS CLA (inclusive of accrued and unpaid interest)	BlackSky Series C preferred stock
Seahawk SPV Investment LLC	Alan Kessler	\$18,450,831	—
VCVC IV LLC	N/A	\$1,798,544	1,041,388
RRE Ventures VI, LP	William Porteous	\$1,680,746	973,181
Apogee LLC	Shawn Dougherty	\$461,738	267,354

At the closing of the merger in September 2021, the 2,281,923 shares of Legacy BlackSky Series C preferred stock owned by the above-named parties converted into 1,094,729 shares of our common stock at an exchange ratio of 0.4797 based on the terms of the merger agreement.

Mithril Series C Warrant Conversion

On June 27, 2020, Mithril LP elected to convert a warrant to purchase 8,337,862 shares of Legacy BlackSky Series C preferred stock into a warrant to purchase a commensurate amount of Legacy BlackSky Class A common stock. The election was made in accordance with the Series C Omnibus Agreement.

2021 Bridge Notes

On February 2, 2021, Legacy BlackSky amended the Omnibus Guaranty Agreement, dated as of June 27, 2018, by and among Legacy BlackSky and the persons and entities listed therein (the "2021 Omnibus Amendment"). The 2021 Omnibus Amendment allowed Legacy BlackSky to incur additional indebtedness in connection with subordinated, unsecured convertible promissory notes (the "2021 Bridge Notes") issuable between February 2, 2021 and June 30, 2021 up to an aggregate principal amount of \$60.0 million (the "2021 Bridge Financing"). In connection with the 2021 Omnibus Amendment, the investors guaranteeing the SVB revolving line of credit further reaffirmed their guarantees and received a one-time issuance of seven shares of Legacy BlackSky Class A common stock for every dollar guaranteed.

In February 2021, Legacy BlackSky issued the 2021 Bridge Notes. The initial tranche of the 2021 Bridge Notes closed on February 2, 2021, in connection with which all investors, who were existing investors in Legacy BlackSky, participating in the initial tranche also received incentive warrants exercisable for shares of Legacy BlackSky Class A common stock, in an amount equal to a specified formula. Each investor in the initial tranche also received an additional seven incentive shares of Legacy BlackSky Class A common stock for each dollar invested. The aggregate principal amount of the notes issued in the initial tranche was approximately \$18.1 million. The second tranche of the 2021 Bridge Notes closed on February 18, 2021, totaled \$40.0 million, \$10 million of which was invested by an affiliate of Mithril Capital Management (of which Ajay Royan, a member of Legacy BlackSky's board of directors, is Managing Director) and from certain other investors (collectively, the "Second Tranche Bridge Financing Investors"). In addition to their investment in the second tranche of the 2021 Bridge Financing, each of the Second Tranche Bridge Financing Investors

or their affiliates also participated in the PIPE Investment (as defined below). The second tranche of the 2021 Bridge Notes did not receive any incentive warrants or incentive shares.

The 2021 Bridge Notes accrued interest at 5.0% per annum. All 2021 Bridge Notes, whether or not issued in the first or second tranche, were converted into shares of our common stock, at a conversion price per share equal to 80% of the product of (i) the number of shares of our capital stock into which one share of Legacy BlackSky Class A common stock was converted pursuant to the merger, and (ii) \$10.00.

The table below sets forth the 2021 Bridge Notes received by Legacy BlackSky's directors, executive officers and holders of more than 5% of any class of Legacy BlackSky's voting securities:

Investor	Affiliated Director(s) or Officer(s)	Tranche	Principal Amount of 2021 Bridge Notes	Warrant Shares	Incentive Shares
Mithril II LP	Ajay Royan	1 and 2	\$15,000,000	Product of BlackSky fully diluted capitalization and 3.5%	35,000,000
VCVC IV LLC	N/A	1	\$5,000,000	Product of BlackSky fully diluted capitalization and 0.7%	35,000,000
Apogee VII LLC	Shawn Dougherty	1	\$1,450,000	Product of BlackSky fully diluted capitalization and (i) 0.14% multiplied by (ii) (A) \$1,450,000 divided by (B) \$1,000,000	10,150,000
RRE Ventures VI, LP	William Porteous	1	\$800,000	Product of BlackSky fully diluted capitalization and 0.7%	5,600,000

At the closing of the merger in September 2021, the principal and interest outstanding under the 2021 Bridge Notes converted into the right to receive the shares of our common stock according to the formula set forth above. Each incentive warrant was automatically exercised in connection with the merger. On the date of the closing of the merger, these warrants and all incentive shares and 2021 Bridge Note shares of Legacy BlackSky Class A common stock converted into shares of our common stock at an exchange ratio of .0891 based on the terms of the merger agreement.

Registration Rights Agreement

Under the Amended and Restated Registration Rights Agreement, the holders of Registrable Securities (as defined in the Amended and Restated Registration Rights Agreement) or their permitted transferees have customary demand and piggyback registration rights, subject to cut-back provisions. The Company will bear the expenses incurred in connection with the filing of any registration statements pursuant to any such registration rights. For a complete description of registration rights, you should refer to the Amended and Restated Registration Rights Agreement.

Subscription Agreements

In connection with the execution of the merger agreement, Osprey and those certain investors (the "PIPE Investors") who participated in the private placement of 18,000,000 shares of common stock at the closing of the merger (the "PIPE Investment") entered into the Subscription Agreements, pursuant to which the PIPE Investors subscribed for, collectively, 18,000,000 newly-issued shares of our common stock, which were issued in September 2021 at the closing of the merger. Mithril II LP (of which Ajay Royan, a member of Legacy BlackSky's board of directors, is Managing Director) was one of the PIPE Investors and purchased 500,000 shares of common stock in the PIPE Investment for a total purchase price of \$5,000,000.

Compensation Arrangements

We are party to employment agreements and offer letters with our executive officers, and the Executive Change in Control and Severance Plan, which, among other things, provides for certain severance and change of control benefits. We have also granted stock options to our executive officers and RSUs to our executive officers and non-employee outside directors. For more information concerning our employment agreements and offer letters with our executive officers, the Executive Change in Control and Severance Plan and equity awards granted to our executive officers and non-employee directors, please see the sections above titled “*Board of Directors and Corporate Governance – Director Compensation*” and “*Executive Compensation – Executive Compensation Arrangements*.”

Certain Relationships and Related Person Transactions – Osprey

All related person transactions described in this section relate to Osprey Technology Acquisition Corp. (“Osprey”), our legal predecessor and a special purpose acquisition company, and Osprey Sponsor II, LLC (“Sponsor”), the stockholder of all Osprey Class B shares prior to the merger, which represented approximately 20% of the total voting power of Osprey’s Class A and B shares combined.

Sponsor Support Agreement

In June 2018, the Sponsor purchased 125,000 shares of Osprey’s Class B common stock (the “Sponsor Shares”) for an aggregate price of \$25,000. In September 2018, Osprey effectuated a 69-for-1 forward stock split of its Class B common stock, resulting in an aggregate of 8,625,000 Sponsor Shares outstanding, of which an aggregate of up to 1,125,000 shares were subject to forfeiture to the extent the underwriters’ over-allotment option was not exercised in full or in part. As adjusted for the 1.1 for 1 stock dividend in October 2019 (see below), such amounts totaled 9,487,500 Sponsor Shares outstanding, of which 1,237,500 shares were subject to forfeiture. In April 2019, the Sponsor contributed back to Osprey, for no consideration, 1,581,250 Sponsor Shares (as adjusted for the 1.1 for 1 stock dividend in October 2019), resulting in an aggregate of 7,187,500 Sponsor Shares outstanding, of which an aggregate of up to 937,500 shares were subject to forfeiture. In October 2019, Osprey effectuated a 1.1 for 1 stock dividend for each share of Class B common stock outstanding, resulting in an aggregate of 7,906,250 Sponsor Shares outstanding, of which an aggregate of up to 1,031,250 shares were subject to forfeiture by the Sponsor to the extent that the underwriters’ over-allotment option was not exercised in full or in part so that the Sponsor would own, on an as-converted basis, approximately 20% of Osprey’s issued and outstanding shares after the initial public offering. The Sponsor Shares automatically converted into our common stock upon the consummation of the merger in September 2021 on a one-for-one basis, subject to adjustments. In connection with the underwriters’ exercise of the over-allotment option in full, 1,031,250 Sponsor Shares were no longer subject to forfeiture.

Pursuant to the Sponsor Support Agreement entered into among Legacy BlackSky, Osprey and the Sponsor, the Sponsor, solely in its capacity as a stockholder of Osprey, agreed, subject to certain limited exceptions, not to transfer, assign or sell 50% of its Sponsor Shares for seven years, or until their earlier release in two tranches (each tranche equal to approximately one-half of the restricted Sponsor Shares) in the event our common stock reached a trading price of \$15.00 and \$17.50, respectively, for 10 of any 20 consecutive trading days after the closing of the merger. The release of the transfer restrictions will be automatically accelerated if we complete a change in control transaction that results in a trading price or consideration payable with respect to a share of our common stock exceeding \$10.00, as equitably adjusted for any stock split, reverse stock split, cash dividend, stock dividend, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change or transaction. Additionally, pursuant to the Sponsor Support Agreement, the Sponsor has agreed, with respect to certain warrants, to not exercise any such warrants unless and until our common stock reaches a trading price of \$20.00 per share, in each case, subject to the terms and conditions contemplated by the Sponsor Support Agreement.

Administrative Support Agreement

Osprey entered into an agreement whereby, commencing on November 5, 2019, Osprey agreed to pay the Sponsor a total of \$10,000 per month for office space, utilities and secretarial and administrative support. As of the date of the closing of the merger, Osprey ceased paying these monthly fees. For the nine months ended September 30, 2021 and the year ended December 31, 2020, Osprey incurred and paid \$90,000 and \$120,000 in fees for these services, respectively.

Related Party Loans

In order to finance transaction costs in connection with a business combination, the Sponsor, an affiliate of the Sponsor, or our officers and directors may have loaned, but were not obligated to loan, to Osprey funds from time to time or at any time, as may have been required (“Working Capital Loans”). Each Working Capital Loan would have been evidenced by a promissory note. The Working Capital Loans would either have been paid upon consummation of a

business combination, without interest, or, at the holder's discretion, up to \$1,500,000 of the Working Capital Loans may have been converted into warrants at a price of \$1.00 per warrant. The warrants would have been identical to the Private Placement Warrants. As of the closing of the merger, all Working Capital Loans were fully satisfied and terminated.

Policies and Procedures for Related Person Transactions

We adopted a formal, written policy regarding related person transactions in connection with the merger. This written policy regarding related person transactions provides that a related person transaction is a transaction, arrangement or relationship or any series of similar transactions, arrangements or relationships, in which we are a participant and in which a related person has, had or will have a direct or indirect material interest and in which the aggregate amount involved exceeds \$120,000. For purposes of this policy, a related person means any of our executive officers and directors (including director nominees), in each case at any time since the beginning of our last fiscal year, or holders of more than 5% of any class of our voting securities and any member of the immediate family of, or person sharing the household with, any of the foregoing persons.

Our audit committee has the primary responsibility for reviewing and approving, ratifying or disapproving related person transactions. In determining whether to approve, ratify or disapprove any such transaction, our audit committee will consider, among other factors, (1) whether the transaction is fair to us and on terms no less favorable than terms generally available to unaffiliated third parties under the same or similar circumstances, (2) the extent of the related person's interest in the transaction, (3) whether there are business reasons for us to enter into such transaction, (4) whether the transaction would impair the independence of any of our outside directors and (5) whether the transaction would present an improper conflict of interest for any of our directors or executive officers.

The policy grants standing pre-approval of certain transactions, including (1) certain compensation arrangements for our directors or executive officers, (2) transactions with another company, other than an acquisition by us of that company, at which a related person's only relationship is as a non-executive employee, director or beneficial owner of less than 10% of that company's shares, provided that the aggregate amount involved does not exceed the greater of \$1,000,000 or 2% of such company's total annual revenues and the transaction is on terms no less favorable than terms generally available to unaffiliated third parties under the same or similar circumstances, (3) charitable contributions by us to a charitable organization, foundation or university at which a related person's only relationship is as a non-executive employee or director, provided that the aggregate amount involved does not exceed the greater of \$1,000,000 or 2% of such organization's total annual receipts, (4) transactions where a related person's interest arises solely from the ownership of our common stock and all holders of our common stock received the same benefit on a pro rata basis and (5) any indemnification or advancement of expenses made pursuant to our organizational documents or any agreement. In addition to our policy, our audit committee charter provides that our audit committee shall review and approve or disapprove any related person transactions.
